**Item 2.02. Results of Operations and Financial Condition.**

On April 28, 2011, Cliffs Natural Resources Inc. (the Company) issued a news release announcing the first-quarter financial results for the period ended March 31, 2011, a copy of which is attached as Exhibit 99(a) to this Current Report on Form 8-K. This information shall not be deemed filed for purposes of Section 18 of the Securities Exchange Act of 1934 (the Exchange Act) or incorporated by reference in any filing under the Securities Act of 1933 or the Exchange Act, except as shall be expressly set forth by specific reference in such a filing.

The news release includes non-GAAP financial measures that exclude the impact of the Company's negotiated settlement with ArcelorMittal, including cost of goods sold and operating expenses, and sales margin. Management believes that excluding the impact of the ArcelorMittal settlement is useful to investors given the special nature of the settlement so that the Company's core operating results for the first quarter of 2011 are presented for comparison to such results for the first quarter of 2010. These measures should be viewed in addition to, and not in lieu of, the Company's financial measures as calculated in accordance with GAAP.
