**Form 8-K****Convergys Corporation****Item 1.01. Entry into a Material Definitive Agreement.**

On June 2, 2011, Convergys Cellular Systems Company (the Seller), an indirect subsidiary of Convergys Corporation (the Company), signed a definitive Purchase Agreement (the Agreement) to sell the Company's 33.8849% limited partnership interest (the Seller's Partnership Interest) in Cincinnati SMSA Limited Partnership (the Partnership) to New Cingular Wireless PCS, LLC (New Cingular Wireless), and the Company's 45.0672% limited liability company membership interest in Cincinnati SMSA Tower Holdings LLC (the LLC, and together with the Partnership, the Cellular Partnership) to SBC Tower Holdings, LLC (Tower Holdings). New Cingular Wireless currently owns, directly or indirectly, all of the outstanding limited and general partnership interests in the Partnership other than the Seller's Partnership Interest. Tower Holdings currently owns, directly or indirectly, 54.2316% of the LLC's limited liability company membership interest. The Partnership provides wireless communications in central and southwestern Ohio and northern Kentucky, while the LLC is a provider of cellular tower space.

The terms of the Agreement, dated June 2, 2011, provide for New Cingular Wireless to pay the Seller \$315 million in cash at closing, plus a distribution (if any) based on the results of the Partnership for the quarter ending June 30, 2011, and for Tower Holdings to pay the Seller \$5 million in cash at closing.

The Agreement contains limited and basic representations and warranties focused primarily on the Seller's ownership of its interests in the Cellular Partnership and covenants related to the sale and the operation of the Cellular Partnership prior to closing. In addition to customary indemnification obligations, the Agreement provides a mutual release and covenant not to sue.

The sale is subject to limited, customary closing conditions, including the absence of court or regulatory orders prohibiting the transaction, the continuing accuracy of each party's representations and warranties, and the performance by each party of its respective obligations under the Agreement.

The above description of the Agreement and the sale of the Cellular Partnership is not complete and is qualified in its entirety by reference to the terms and conditions of the Agreement, a copy of which is filed as Exhibit 2.1 to this report and incorporated herein by reference. The Agreement has been included to provide security holders with information regarding its terms. It is not intended to provide any other factual information about the Company. The Agreement contains representations and warranties that each party made to and solely for the benefit of the other as of specific dates. The assertions embodied in those representations and warranties were made solely for the purposes of the contract between the parties to the Agreement and may be subject to important qualifications and limitations agreed to by the parties in connection with negotiating the terms of the Agreement or contained in confidential disclosure schedules. These disclosure schedules modify, qualify or create exceptions to the representations and warranties set forth in the Agreement. Moreover, some of those representations and warranties (i) may not be accurate or complete as of any specified date and are modified and qualified in important part by the underlying disclosure schedules, (ii) may be subject to a contractual standard of materiality different from those generally applicable to security holders, or (iii) may have been used for the purpose of allocating risk between the parties to the Agreement rather than establishing matters as facts. For the foregoing reasons, the representations and warranties should not be relied upon as statements of factual information. Security holders are not third party beneficiaries under the Agreement and should not rely on the representations, warranties and covenants or any descriptions thereof as characterizations of the actual state of facts or conditions of the Company. Moreover, information concerning the subject matter of the representations and warranties may change after the date of the Agreement, which subsequent information may or may not be fully reflected in the Company's public disclosures.
