**Item 1.01 Entry Into a Material Definitive Agreement**

On October 25, 2011, Nara Bancorp, Inc. (the "Company") entered into a purchase agreement (the "Purchase Agreement") with Keefe, Bruyette & Woods, Inc. and D.A. Davidson & Co. (the "Underwriters"), pursuant to which the Company will issue and sell to the Underwriters 7,586,500 shares of the Company's common stock, par value \$0.001 per share, at \$6.8875 per share. The public offering price of the shares is \$7.25 per share. The Company has also granted the Underwriters an option to purchase up to 1,137,975 additional shares at the public offering price less the underwriting discount to cover over-allotments, if any. The option will expire 30 days from October 25, 2011.

The net proceeds to the Company after deducting underwriting discounts and commissions and estimated offering expenses are expected to be approximately \$51.9 million. In the event that the Underwriters elect to purchase the full amount of shares subject to their over-allotment option, the net proceeds to the Company would be expected to be approximately \$59.7 million after deducting underwriting discounts and commissions and estimated offering expenses.

The Company intends to use the net proceeds of the offering for general corporate purposes. These purposes include enhancement of Nara's capital position to support Nara's pending merger of equals with Center Financial Corporation, supporting internal growth in its banking business, funding working capital requirements and possible retirement of debt, preferred stock or other securities.

The shares will be issued pursuant to a prospectus supplement filed as part of a shelf registration statement previously filed with the Securities and Exchange Commission on Form S-3 (No. 333-172521) that has become effective.

The Purchase Agreement contains customary representations, warranties, conditions to closing, indemnification rights and obligations of the parties. The closing is expected to occur and delivery of the shares is expected to be made on or about October 31, 2011.
