Each Reporting Person above that is a natural person is a citizen of the United States. Each Reporting Person above that is a trust is organized under the laws of the United States and is organized for investment purposes. During the last five years, no Reporting Person has: (i) been convicted in a criminal proceeding (excluding traffic violations or similar misdemeanors) nor (ii) been a party to a civil proceeding of a judicial or administrative body of competent jurisdiction and as a result of such proceeding was or is subject to a judgment, decree or final order enjoining future violations of, or prohibiting or mandating activities subject to, federal or state securities laws or finding any violation with respect to such laws.

**Item 3. Source and Amount of Funds or Other Consideration.**

The new contract reported in this Amendment No. 4 involves the (i) sale of Common Stock by certain of the Reporting Persons and (ii) sale of Class A Stock by James J. Sanfilippo and the purchase of the same by certain of the Reporting Persons.

On February 6, 2012, Jasper B. Sanfilippo, Marian R. Sanfilippo, John E. Sanfilippo, Jeffrey T. Sanfilippo and the Jasper B. Sanfilippo, Jr. Irrevocable Trust, dated October 6, 2006 (the "Selling Shareholders"), entered into a Class A Sale Agreement (the "Class A Agreement") with James J. Sanfilippo. Pursuant to the Class A Agreement, the Selling Shareholders sold, collectively, 74,315 shares of the Company's Common Stock in open market transactions, and at the conclusion of such open market transactions and after settlement of funds, purchased, from James J. Sanfilippo, an equal number of shares of Class A Stock. The Selling Shareholders paid \$11.14 per share (for a total of \$827,869.10) for the Class A Stock to James J. Sanfilippo. \$11.14 was the highest per-share price received by any of the Selling Shareholders from their open market sales of Common Stock. After the conclusion of the sales mentioned in this Item 3, the Selling Shareholders own the same number of total shares of Common Stock and Class A Stock combined as before the transaction.

As part of the transaction described in this Item 3, two Reporting Persons are no longer part of the group. Specifically, the James J. Sanfilippo Trust, dated September 26, 1991 and the James J. Sanfilippo Irrevocable Trust, dated October 6, 2006, were dissolved and the 76,653 shares of Class A Stock contained in the trusts were distributed to James J. Sanfilippo individually. Of the 76,653 shares of Class A Stock, 74,315 were sold to the Selling Shareholders. As a result, all of James J. Sanfilippo's shares of Class A Stock are owned by either James J. Sanfilippo or the Selling Shareholders and thus the total number of shares of Class A Stock owned by the Reporting Persons did not change as a result of this transaction.

#### Item 4. Purpose of Transaction.

As described in Item 3, the Selling Shareholders sold in open market transactions 74,315 shares of the Company's Common Stock and purchased an equal number of shares of the Company's Class A Stock from James J. Sanfilippo. James J. Sanfilippo's purpose in selling such Class A Stock to the Selling Shareholders was for funding requirements and distributions James J. Sanfilippo is planning to make or has made during 2012. The Selling Shareholders sold the Company's Common Stock for the purpose of purchasing the Class A Stock and are purchasing such Class A Stock for investment purposes.

Except for such actions as may be taken by the Reporting Persons in their capacity as members of the Board of Directors of JBSS or as members of management of JBSS, none of the Reporting Persons have any plans or proposals which relate to or would result in:

- (a) The acquisition by any person of additional securities of JBSS, or the disposition of securities of JBSS;
- (b) An extraordinary corporate transaction, such as a merger, reorganization or liquidation, involving JBSS or any of its subsidiaries;
- (c) A sale or transfer of a material amount of assets of JBSS or any of its subsidiaries;
- (d) Any change in the present board of directors or management of JBSS, including any plans or proposals to change the number or term of directors or to fill any existing vacancies on the board;
- (e) Any material change in the present capitalization or dividend policy of JBSS;
- (f) Any other material change in JBSS's business or corporate structure;
- (g) Changes in JBSS's charter, bylaws or instruments corresponding thereto or other actions which may impede the acquisition of control of JBSS by any person;

- (h) Causing a class of securities of JBSS to be delisted from a national securities exchange or to cease to be authorized to be quoted in an inter-dealer quotation system of a registered national securities association;
- (i) A class of equity securities of JBSS becoming eligible for termination of registration pursuant to Section 12(g)(4) of the Act; or
- (j) Any action similar to any of those enumerated above.
- The possible activities of any of the Reporting Persons are subject to change at any time.

#### Item 5. Interest in Securities of the Issuer.

(a) (b) The Reporting Persons, as members of a group, are deemed to beneficially own an aggregate of 1,768,496 shares of Class A Stock and 66,332 shares of Common Stock. This represents 68.0% of the total outstanding shares of Class A Stock and 18.5% of the total outstanding shares of Common Stock, assuming the conversion of all such shares of Class A Stock into an equal number of shares of Common Stock.

The holders of Common Stock are entitled to elect one-fourth of the members of the Company's Board of Directors, rounded up to the nearest whole number. The holders of Class A Stock are entitled to elect the remaining directors. With respect to all matters other than the election of directors or any matters for which class voting is required by law, the holders of Common Stock and the holders of Class A Stock vote together as a single class, with the holders of Common Stock entitled to one vote per share of Common Stock and the holders of Class A Stock entitled to ten votes per share of Class A Stock.

Based on the relative voting rights of the Class A Stock and Common Stock, the Reporting Persons have or share 52.0% of the total outstanding voting power of the common equity of the Company. The stock ownership and the sole and shared voting and dispositive power of each Reporting Person is as follows:

Reporting Person	Sole Voting and Dispositive Power of Class A Stock	Shared Voting and Dispositive Power of Class A Stock	Total Percent of Class A Stock	Sole Voting and Dispositive Power of Common Stock	Shared Voting and Dispositive Power of Common Stock	Total Percent of Common Stock <sup>(5)</sup>	Voting Power of Common Equity <sup>(6)</sup>

The Reporting Persons listed in Item 2 above are filing this Amendment No. 4 to reflect a contract that was entered into by and among certain of them on February 6, 2012, as further described above under Item 3.

- (1) Pursuant to the Restated Certificate of Incorporation of John B. Sanfilippo & Son, Inc. (the Restated Certificate ), among other things:

- (i) So long as there is Class A Stock outstanding, holders of Common Stock and Class A Stock will vote together as one class with respect to all matters to be voted on by JBSS's stockholders, except (a) as required by law; (b) in connection with the election of any directors or class of directors elected by any series or class of preferred stock; or (c) the holders of Common Stock and any class or series of preferred stock granted the right to so vote, voting together as a separate class and excluding the holders of Class A Stock, are entitled to elect a number (rounded to the highest whole number in the case of a fraction) of directors equal to one-fourth (1/4) of the total number of directors constituting the entire Board of Directors while the holders of Class A Stock are entitled to elect the rest of the directors;

- (ii) Each record holder of Class A Stock is entitled at any time to convert any or all of the shares of such Class A Stock into an equal number of shares of Common Stock;
- (iii) Upon the sale, assignment, pledge or other transfer of any shares or any interest in shares of Class A Stock, other than a Permitted Transfer as described in Part 4(b) of Subdivision II of the Restated Certificate, all such transferred shares of Class A Stock will be automatically converted into an equal number of shares of Common Stock; and
- (iv) All outstanding shares of Class A Stock will be automatically converted into an equal number of shares of Common Stock upon the date on which the number of outstanding shares of Class A Stock constitutes less than 12.5% of the total number of outstanding shares of Common Equity (as defined in the Restated Certificate).

(2) Jasper B. Sanfilippo, a member of the Board of Directors of the Company, is the Trustee of four trusts. As the sole Trustee of these trusts, Mr. Sanfilippo has the authority to vote, or to direct the vote of, and to dispose, or to direct the disposition of, the 130,436 shares of Class A Stock held in the aggregate by the trusts. The following table more specifically describes each trust by identifying the name of the trust, the grantor and the beneficiary of the trust (which, with respect to a particular trust, are the same person), and the number of shares of Class A Stock held by each trust. Mr. Sanfilippo is the father of the beneficiary under each trust.

Trust	Grantor and Beneficiary	Number of Shares
Jasper B. Sanfilippo, Jr. Trust, dated September 23, 1991	Jasper B. Sanfilippo, Jr.	32,609
Lisa Ann Sanfilippo Trust, dated October 4, 1991	Lisa A. Sanfilippo	32,609

John E. Sanfilippo Trust, dated October 2, 1991	John E. Sanfilippo	32,609

The beneficiary under each trust is paid the income of the trust, including that derived from shares of Class A Stock, and so much of the principal of the trust, including shares of Class A Stock, as Mr. Sanfilippo, as Trustee, determines to be required or advisable based upon certain criteria. The beneficiary under each trust has the right to receive the shares of JBSS held in trust under certain circumstances as provided in the respective trust agreements. Currently, the percentage of the shares of Class A Stock of JBSS held in trust for the respective beneficiaries does not exceed five percent of the total number of outstanding shares of Common Stock, assuming conversion of Class A Stock held in trust into an equal number of shares of Common Stock.

(3) The following table more specifically describes the trusts for which Marian R. Sanfilippo is a Co-trustee along with her children, by identifying the name of the trust, the Trustees of the trust, the grantor of the trust, the beneficiary of the trust and the number of shares of Class A Stock held by each trust. The Trustees of each trust have the authority to vote, or to direct the vote of, and to dispose, or to direct the disposition of, the 44,044 shares of Class A Stock held individually by each trust, with the exception of the Jasper B. Sanfilippo, Jr. Irrevocable Trust, dated October 6, 2006, which holds 49,575 shares of Class A Stock. Marian R. Sanfilippo is the mother of the beneficiary under each trust.

	Marian R. Sanfilippo	Jasper B. Sanfilippo	Lisa A. Sanfilippo	44,044

The beneficiary under each trust is paid the income of the trust, including that derived from shares of Class A Stock, and so much of the principal of the trust, including shares of Class A Stock, as the Trustees determine to be required or advisable based upon certain criteria. The beneficiary under each trust has the right to receive the shares of JBSS held in trust under certain circumstances as provided in the respective trust agreements. Currently, the percentage of the shares of Class A Stock of JBSS held in trust for the respective beneficiaries does not exceed five percent of the total number of outstanding shares of Common Stock, assuming conversion of Class A Stock held in trust into an equal number of shares of Common Stock.

(4) The following table more specifically describes the Sanfilippo Family 1999 Generation-Skipping Trust Agreement, dated December 31, 1999, by identifying the name of the trust, the Trustees of the trust, the grantor of the trust, the beneficiaries of the trust and the number of shares of Class A Stock held by the trust. The Trustees of the trust, Jasper B. Sanfilippo, Jr. and James J. Sanfilippo, have the authority to vote, or to direct the vote of, and to dispose, or to direct the disposition of, the 1,385,231 shares of Class A Stock held by the trust.

Trust	Trustees	Grantor	Beneficiaries	Number of Shares
Sanfilippo Family 1999 Generation-Skipping Trust Agreement, dated December 31, 1999	Jasper B. Sanfilippo, Jr.	Marian R. Sanfilippo		1,385,231
	and			
	James J. Sanfilippo		All descendants of Marian R. Sanfilippo who shall be living from time to time during the period of the trust	

During the lifetime of the Grantor of the trust (Marian R. Sanfilippo), the beneficiaries under the trust may be paid the income of the trust, including that derived from shares of Class A Stock, as the Trustees determine to be required or advisable based upon certain criteria. The beneficiaries under the trust have the right to receive the shares of JBSS held in trust under certain circumstances as provided in the trust agreement. Currently, the percentage of the shares of Class A Stock of JBSS held in trust for the respective beneficiaries exceeds five percent of the total number of outstanding shares of Common Stock, assuming conversion of Class A Stock held in trust into an equal number of shares of Common Stock.

(5) The Sanfilippo Family 1999 Generation-Skipping Trust Agreement, dated December 31, 1999, entered into a Commercial Security Agreement with Old Second National Bank on January 13, 2012 (the Security Agreement ). Pursuant to the Security Agreement, Jasper B. Sanfilippo, Jr. and James J. Sanfilippo pledged as security 500,000 of the 1,385,231 shares of Class A Stock contained in the Sanfilippo Family 1999 Generation-Skipping Trust Agreement, dated December 31, 1999, that they both beneficially own as Co-trustees.

If the Sanfilippo Family 1999 Generation-Skipping Trust Agreement, dated December 31, 1999 (or Jasper B. Sanfilippo, Jr. and/or James J. Sanfilippo as Co-trustees) defaults on any of its obligations under the Security Agreement or the related loan documents pursuant to which it has pledged its shares, the other parties to the agreements may have the right to foreclose upon and sell the pledged shares.

The Reporting Persons may pledge additional shares in the future.

(6) The Reporting Persons have an oral understanding with Michael J. Valentine and Mathias A. Valentine, beneficial owners of 828,930 shares of Class A Stock (the Valentine Group ), not to cumulate their votes for the election of Class A Directors and to vote in a reciprocal fashion for each of the other s nominated Class A Directors.
