**Neil Cole** has served as Chairman of our Board and as our Chief Executive Officer and President since February 1993. Prior to this, Mr. Cole served as Chairman of the Board, President and Treasurer of New Retail Concepts, Inc., a company he founded in 1986 from which we acquired the Candies trademark in 1993. For over 30 years Mr. Cole has acquired, developed, promoted and managed a substantial portfolio of brands. As Chairman, Chief Executive Officer and President, Mr. Cole marshaled our transition from a traditional apparel and footwear operating entity to a brand management company. Since the completion of the transition in 2005 and as a result of Mr. Cole's leadership, our portfolio of brands has grown from two brands to over 25 brands with tremendous diversification in apparel, footwear, sportswear, fashion accessories, beauty and fragrance, home products, consumer electronics and character licensing. In 2001, Mr. Cole founded The Candie's Foundation, a non-profit organization that works to educate America's youth about the devastating consequences of teenage pregnancy and creates a national dialogue on the issue. Mr. Cole is a member of Governor Cuomo's SAGE Commission, and serves as a director on the Board of Directors for The Candie's Foundation, The Mount Sinai Children's Center Foundation and Crutches 4 Kids. In April 2003, Mr. Cole, without admitting or denying the SEC's allegations, consented to the entry by the SEC of an administrative order in which Mr. Cole agreed to cease and desist from violating or causing any violations or future violation of certain books and records and periodic reporting provisions and the anti-fraud provisions of the Securities Exchange Act of 1934. Mr. Cole also paid a \$75,000 civil monetary fine. Mr. Cole received a Bachelor of Science degree in political science from the University of Florida in 1978 and his Juris Doctor from Hofstra law school in 1982. The Board believes that Mr. Cole's global executive leadership skills, his significant experience as an executive in our industry, including as our Chief Executive Officer for more than the past 18 years, and his role in transforming our company from a manufacturing company to a leading brand management company make him uniquely qualified to sit on our Board and serve as its chairman.

## **Item 11. Executive Compensation**

### **Compensation Discussion and Analysis**

The purpose of this Compensation Discussion and Analysis is to provide the information necessary for understanding the compensation philosophy, policies and decisions which are material to the compensation of our principal executive officer, our principal financial officer and our three other most highly compensated executive officers (we refer to these officers as our named executive officers ) during 2011. This Compensation Discussion and Analysis will place in context the information contained in the tables and accompanying narratives that follow this discussion.

### **Philosophy and Objectives**

Our compensation philosophy is to offer our named executive officers compensation that is fair, reasonable and competitive, and that meets our goals of attracting, retaining and motivating highly skilled management personnel so that we can be in a position to achieve our financial, operational and strategic objectives to create long-term value for our stockholders. We seek to deliver fair, reasonable and competitive compensation for our employees and executives, including our named executive officers, by structuring compensation around one fundamental goal: incentivizing our executives to build stockholder value over the short- and long-term. Our ability to attract, motivate and retain employees and executives with the requisite skills and experience to develop, expand and execute business opportunities for us is essential to our growth

and success.

**Our 2011 Compensation Program and Response to 2010 Advisory Say-on-Pay Vote**

2011 Developments

With respect to last year's Say-on-Pay vote, we considered such vote and altered our compensation program to include more performance-based compensation with a larger portion of our named executive officers' compensation at risk ;

**Table of Contents**

In connection with last year's Say-on-Pay vote, we engaged in significant stockholder outreach regarding our compensation practices;

our chief executive officer's employment agreement amendment provides for a significant increase in performance-based compensation, putting 64% of his 2012 maximum contractual compensation at risk ;

two other named executive officers' employment agreements were amended during 2011, and half of the equity granted to such named executive officers was performance-based for periods ending after December 31, 2011; and

in the three employment agreement amendments entered into during 2011, a clawback provision , which is described in detail later in the section Determination of Compensation of Named Executive Officers Clawback, Security Ownership & Other Matters, was included to address performance-based awards that vest prior to a restatement of our financial statements.

We engaged in stockholder outreach during 2011 to discuss with our larger stockholders, among other things, our compensation practices. In response to the Say-on-Pay vote by our stockholders in 2011 and as a result of our stockholder outreach, we have dramatically increased the percentage of awards that are performance-based for most of our named executive officers.

With respect to grants made in 2011 for future periods, our compensation program focused on three main measures of performance: EBITDA (as defined below) growth, diluted earnings per share growth and the achievement of Free Cash Flow (as defined below). Since 2005, we have exhibited significant growth and we believe that these performance criteria best reflect our operating performance. Additionally, we believe that these performance criteria reflect our growth opportunities in both the short-term and long-term. The following graphs display our performance from 2005 through 2011 for the metrics identified above:

- (1) EBITDA, a non-GAAP financial measure, represents net income before income taxes, interest, other non-operating gains and losses, depreciation and amortization expenses. We believe EBITDA provides additional information for determining our ability to meet future debt service requirements, investing and capital expenditures. See exhibit 10.75 for a reconciliation of EBITDA to GAAP net income.

**Table of Contents**

- (2) Free Cash Flow, a non-GAAP financial measure, represents net income before depreciation, amortization, non-cash compensation expense, bad debt expense, net equity earnings from certain joint ventures, non-cash income taxes, non-cash interest related to convertible debt, non-cash gains/losses from sale of trademarks, non-cash loss on marketable securities and re-measurement of investments, less capital expenditures. Free Cash Flow also excludes any changes in balance sheet items. We believe Free Cash Flow is useful in evaluating our financial condition because it is representative of cash flow from operations that is available for repaying debt, investing and capital expenditures. See exhibit 10.75 for a reconciliation of Free Cash Flow to GAAP net income.
- (3) Compounded annual growth rate, or CAGR .

Amendments in 2011 to the employment agreements of Messrs. Cole, Clamen and Tarshis provide for these executives to earn awards based on these performance criteria. These amended employment agreements, as compared to their previous compensation arrangements, provide for a greater percentage of these named executive officer s compensation to be considered at risk as a result of being payable only upon the achievement of the performance criteria. For example, with respect to the year ending December 31, 2012, Mr. Cole s percentage of performance-based compensation increased from 47% of his total contractual compensation package for 2012 under his employment agreement prior to the June 2011 amendment, to 64% of his total contractual compensation package pursuant to the June 2011 amendment. Further, pursuant to the June 2011 amendment, for the years 2013 through 2015, 79% of Mr. Cole s total contractual compensation package is performance based. Beginning with the year ending December 31, 2012, 50% of Messrs. Clamen s and Tarshis equity compensation is performance-based.

**Forms of Compensation Paid to Named Executive Officers During 2011**

During the last fiscal year, we provided our named executive officers with the following forms of compensation:

*Base salary.* Base salary represents amounts paid during the fiscal year to named executive officers as direct, guaranteed compensation under their employment agreements for their services to us.

*Equity-based awards.* Awards of restricted stock units, shares of restricted stock and stock options are made under our 2009 Equity Incentive Plan, which was approved by our stockholders in August 2009. Shares of restricted stock that were issued subject to a vesting schedule cannot be sold until and to the extent the shares have vested. In 2011, we awarded shares of restricted stock to each of our named executive officers. While we have not formally adopted any policies with respect to cash versus equity components in the mix of executive compensation, we feel that it is important to provide for a compensation mix that allows for acquisition of a meaningful level of equity ownership by our named executive officers in order to help align their interests with those of our stockholders. In 2011 Mr. Cole forfeited 78,779 2008 PSUs, valued at approximately \$1.3 million at December 31, 2011, because certain performance measures were not met.

*Cash bonuses.* Messrs. Clamen, Tarshis and Shmidman received discretionary cash bonuses in 2011 covered by their employment agreements. Mr. Blumberg received a performance-based cash bonus in 2011 pursuant to his employment agreement. Mr. Cole received cash bonuses of (i) \$3,000,000 upon the execution of an amendment to, and extension of, his current employment agreement and (ii) \$1,725,000 based upon our achievement of certain 2011 performance goals. In May 2008, our stockholders adopted the Executive Incentive Bonus Plan discussed below.

*Perquisites and other personal benefits.* During 2011, our named executive officers received, to varying degrees, a limited amount of perquisites and other personal benefits that we paid on their behalf. These consisted of payments of life insurance premiums and car allowances.

**Objectives of Our Compensation Program**

The compensation paid to our named executive officers is generally structured into two broad categories: base salary and incentive compensation. Incentive compensation comes in several forms, such as equity-based awards under our various equity incentive and stock option plans, which include RSUs, PSUs and stock options, and cash payments. As part of our 2011 compensation program, we have tied more of our named executive officers compensation to the satisfaction of specified performance criteria than in previous years. As discussed above, four of our five named executive officers employment agreements now provide for the achievement of specified performance-based criteria in connection with a portion of their compensation. From time to time certain of our named executive officers also have received discretionary cash and stock bonuses not tied to specific pre-established performance criteria.

---

## **Table of Contents**

The compensation packages and structure for our chief executive officer, Mr. Neil Cole, our chief financial officer, Mr. Warren Clamen, and our executive vice president and general counsel, Mr. Andrew Tarshis, differ from that of our executive vice president, head of strategic development, Mr. David Blumberg. Each of these named executive officers plays a distinct role with related responsibilities within the Company, and each of their compensation packages are meant to acknowledge these differences. As Mr. Cole makes executive decisions that influence our direction and growth initiatives, his total compensation is intended to be strongly aligned with objective financial measures, including an annual bonus determined by performance criteria set forth in his employment agreement. Messrs. Clamen and Tarshis are charged with implementing the goals set by Mr. Cole, and, therefore, an appropriate portion of their compensation is performance-based pursuant to their amended employment agreements, which include objective financial measures. As Mr. Blumberg is responsible for overseeing our merger and acquisition activities that influence our growth, a portion of his total compensation is performance-based and tied to our consummation of acquisitions that meet specified objective financial measures as set forth in his employment agreement. Mr. Blumberg is entitled to receive stock and cash bonuses when acquisitions are consummated. We believe that this mix of compensation provides both short- and long- term incentives for Mr. Blumberg. The cash bonus is a short-term incentive while the stock options create an incentive to identify acquisitions that are expected to add value to the Company in the long-term, which could increase the spread between the exercise price of such option and our stock price when such option is exercised at a later date. Additionally, we entered into a new employment agreement in March 2012 with Mr. Blumberg, which contains similar performance-based criteria as described above. Mr. Shmidman, who became our chief operating officer in 2010, is still subject to the terms of his employment agreement that we entered into in 2009, prior to his becoming a named executive officer. We believe, however, that Mr. Shmidman is properly incentivized through grants of restricted stock that vest over time, which align Mr. Shmidman's interests with that of the Company.

Our overall compensation program with respect to our named executive officers is designed to achieve the following objectives:

to attract, retain and motivate highly qualified executives through both short-term and long-term incentives that reward company and individual performance;

to emphasize equity-based compensation to more closely align the interests of executives with those of our stockholders;

to support and encourage our financial growth and development;

to motivate our named executive officers to continually provide excellent performance throughout the year;

to ensure continuity of services of named executive officers so that they will contribute to, and be a part of, our long-term success;

to manage fixed compensation costs through the use of performance and equity-based compensation; and

to promote and sustain stability in the executive team.

### **Determination of Compensation for Named Executive Officers**

*Compensation of chief executive officer.* During 2011, the compensation of Mr. Cole, our chairman, president and chief executive officer was primarily based on Mr. Cole's employment agreement, which was amended effective as of June 17, 2011, to extend its term through 2015, among other things. The compensation committee began discussing the amendment of Mr. Cole's employment arrangement with Mr. Cole in 2010. During the negotiation process, which involved numerous meetings, the compensation committee considered the need for new and creative retention and compensation arrangements that could reflect Mr. Cole's contributions and secure a long-term commitment from him to remain with us. Securing capable leadership is among the highest priorities of the Board of Directors. The approval of the June 2011 amendment was a business judgment made by the compensation committee, with the input of other independent directors, based on their collective experience and the individual assessments of Mr. Cole's past performance as our chief executive officer. Both the Board of Directors and the compensation committee believed (and continue to believe) that securing Mr. Cole's continued service as our chief executive officer would best position the company for continued growth and the creation of long-term stockholder value.

## Edgar Filing: ICONIX BRAND GROUP, INC. - Form 10-K/A

In determining the salary, equity grants and other forms of compensation for Mr. Cole as provided for in the June 2011 amendment, the compensation committee engaged James F. Reda & Associates, a Division of Gallagher Benefits Services, Inc., or JFR, to provide advice and recommendations as to the parameters of Mr. Cole's amended employment agreement. In connection with Mr. Cole's amended employment agreement, JFR used a comparator group of 28 companies. The important factors JFR considered when determining the comparator group were the industry, nature of the business and the revenue size of public companies. These public companies included apparel, accessories & luxury goods, footwear and apparel retail, among others. The comparator group had sales in a range of \$31 million \$19 billion. Based on the comparator group, JFR determined that our company is at the 99<sup>th</sup> percentile for EBITDA margin and near the 80<sup>th</sup> percentile in EPS growth. JFR concluded that Mr. Cole's compensation package is reasonable in light of our company's exceptional performance, and the fact that a significant portion of the compensation package is performance-based.

**Table of Contents**

In determining Mr. Cole's compensation and in consultation with JFR, the compensation committee took into consideration Mr. Cole's contribution to our growth over the past several years under his leadership, his substantial experience and Mr. Cole's performance in the industry in general and with us in particular. Our performance during Mr. Cole's tenure as chief executive officer has been outstanding. Since the completion of our transition to our current business model, our equity market capitalization has increased from approximately \$150.0 million at January 1, 2005, to approximately \$1.2 billion as of December 31, 2011.

The compensation committee also considered the increased responsibilities of Mr. Cole as a result of our diversification and the substantial growth experienced by our company during his tenure. The compensation committee considered that under Mr. Cole's leadership and direction from 2005 through 2011, our EBITDA grew from \$16.7 million to \$229.6 million and that during the same period, our Free Cash Flow grew from \$13.0 million to \$179.2 million. In addition, the compensation committee considered that our brands represented retail sales of approximately \$12 billion in 2011. In light of these considerations and JFR's analysis, the compensation committee approved Mr. Cole's compensation package and employment agreement amendment. We believe that Mr. Cole's compensation for 2011 as our principal executive officer reflects our performance during 2011 and his significant contributions to that performance, and aligns Mr. Cole's interests with the Company and its stockholders.

Mr. Cole received an extension sign-on bonus of \$3 million in connection with his amended employment agreement, which extended the term of Mr. Cole's employment agreement until December 31, 2015. In consultation with JFR, the compensation committee determined that this bonus was appropriate for meeting our goal of promoting and sustaining stability in the executive team. The compensation committee considered Mr. Cole's unique role as founding chief executive officer and our leader in our transition to a brand management company. Additionally, the compensation committee considered the expansion of our operations, both past and future, Mr. Cole's leadership position in the industry and the possibility of other opportunities that may be available to Mr. Cole. The compensation committee also considered the potential negative impact on us, including our potential future expansion if we lost Mr. Cole's services as our chief executive officer. The compensation committee believes that the sign-on bonus was an integral and necessary component of the amended employment agreement by which Mr. Cole will lead the company through December 2015. In light of these circumstances and its consultation with JFR, the compensation committee determined that the extension sign-on bonus was warranted.

In accordance with the rules of the Securities and Exchange Commission, the entire amount of Mr. Cole's sign-on bonus, as well as the dollar amounts of stock awards and non-equity incentive plan compensation awarded to Mr. Cole in 2011, appear in the Summary Compensation Table below as part of Mr. Cole's 2011 compensation. In evaluating the bonus and stock awards, the compensation committee considered, among other things, the annual cost of the award over that four-year term of the employment agreement. The compensation committee also reviewed Mr. Cole's achievement of PSUs pursuant to his employment agreement prior to the June 2011 amendment. The compensation committee noted that to date Mr. Cole has earned approximately 50% of the maximum possible PSUs available under his employment agreement prior to the June 2011 amendment. The compensation committee believes that the PSUs granted under the June 2011 amendment contain performance measures that, if achieved, are indicative of superb performance by the Company.

See Executive Compensation Narrative to Summary Compensation Table and Plan-Based Awards Table Employment Agreements for further description of Mr. Cole's employment agreement.

*Overall compensation program.* Compensation of our executive officers, including the named executive officers, has been determined by the Board of Directors pursuant to recommendations made by the chief executive officer and the compensation committee. The compensation committee is responsible for, among other things, reviewing and recommending approval of the compensation of our executive officers; administering our equity incentive and stock option plans; reviewing and making recommendations to the Board of Directors with respect to incentive compensation and equity incentive and stock option plans; evaluating our chief executive officer's performance in light of corporate objectives; and setting our chief executive officer's compensation based on the achievement of corporate objectives.

With respect to the named executive officers, their compensation is based upon what we believe is a competitive base salary in view of our business strategy and accelerated growth goals, as well as our assessment of the compensation practices of our competitors. In conjunction with our compensation committee, we have assessed our total compensation program, and its components, and believe that it operates well to serve our goals as well as the current, short- and long-term compensation needs of the executive officers. We have implemented a stockholder approved Executive Incentive Bonus Plan in conformity with Section 162(m) of the Internal Revenue Code of 1986 (Internal Revenue Code or Code) for our named executive officers and other senior executives. For 2011, Mr. Cole was the only named executive officer who was eligible to earn an award under the Executive Incentive Bonus Plan, and he received awards aggregating to \$1,725,000 under the Executive Incentive Bonus Plan.

## Table of Contents

Compensation amounts for named executive officers are determined according to performance, the level of seniority and position of the named executive officer. Generally, relatively greater emphasis is typically placed on the equity-based components of compensation so as to put a greater portion of total pay based on Company and individual performance. In addition, in 2011, the compensation committee determined that awards under amendments to employment agreements would have a much larger percentage of performance-based equity awards than in any previous years. We believe the combination of a competitive base compensation, coupled with an opportunity to significantly enhance overall individual compensation if individual and Company performance warrant such enhancement, yields an attractive compensation program that facilitates our recruitment and retention of talented executive personnel. The total compensation amount for our named executive officers is also established relative to officers at levels above and below them, which we believe rewards them for increased levels of knowledge, experience and responsibility. The differences in how we compensate each of our named executive officers illustrates our commitment to rewarding performance, and, we believe, incentivizes each of our named executive officers.

*Base salary.* The base salary of each of our named executive officers is fixed pursuant to the terms of their respective employment agreements with us and, when a contract is up for, or otherwise considered for, renewal, upon a review of the executive's abilities, experience and performance, as well as a review of salaries for executives in the marketplace for comparable positions at corporations which either compete with us in its business or of comparable size and scope of operations. Other than with respect to situations in which we have engaged a compensation consultant, the recommendations to the Board of Directors by the compensation committee with respect to base salary are based primarily on informal judgments reasonably believed to be in our best interests. In determining the base salaries of certain of our executives whose employment agreements were up for, or otherwise considered for, renewal, the compensation committee considered our performance and growth plans and such individual's performance. Base salaries are used to compensate each named executive officer for day-to-day operations during the year, and to encourage them to perform at their highest levels. We also use our base salary as an incentive to attract top quality executives and other management employees from other companies. Moreover, base salary (and increases to base salary) are intended to recognize the overall experience, position within our company and expected contributions of each named executive officer to us.

The following were contractual increases in the base salaries of our named executive officers from 2010 to 2011 as set forth in the table below:

Named Executive Officer	2010 Base Salary	2011 Base Salary	Change in Base	Percentage of 2010 Base Salary
Neil Cole	\$ 1,000,000	\$ 1,000,000	\$	0%
Warren Clamen	400,000	450,000	50,000	13%
Andrew Tarshis	400,000	450,000	50,000	13%
Yehuda Shmidman	375,000	400,000	25,000	7%
David Blumberg	400,000	400,000		0%

*Equity-based awards.* During 2011 equity awards were made to our named executive officers pursuant to our 2009 Equity Incentive Plan which provides for awards in the form of stock options, stock appreciation rights, restricted stock, unrestricted stock, stock units including restricted stock units, and performance awards to eligible persons. The mix of cash and equity-based awards, as well as the types of equity-based awards, granted to our named executive officers varies from year to year. Consideration has been given to various factors, such as the relative merits of cash and equity as a device for retaining and motivating the named executive officers, individual performance, an individual's pay relative to others, contractual commitments pursuant to employment or other agreements, and the value of already-outstanding grants of equity in determining the size and type of equity-based awards to each named executive officer. As of December 31, 2011, the number of shares remaining for issuance under the 2009 Equity Incentive Plan was 64,266. There are no shares remaining for issuance under any prior equity incentive plan.

In 2011, we continued to utilize restricted stock as the primary form of equity compensation for our named executive officers. As described above, we generally provide a substantial portion of named executive officer compensation in the form of equity awards because the compensation committee has determined that such awards serve to encourage our executives to create value for our company over the long-term, which aligns the interests of named executive officers with those of our stockholders.

Generally, we make three types of equity-based grants to our named executive officers:

initial grants when a named executive officer is hired;

annual performance based grants; and

retention grants, which are typically made in connection with new employment agreements or renewals.

An initial grant when an executive officer is hired or otherwise becomes a named executive officer serves to help us to recruit new executives and to reward existing officers upon promotion to higher levels of management. Because these initial grants are structured as an incentive for employment, the amount of these grants may vary from executive to executive depending on the particular circumstances of the named executive officer and are usually recommended by the chief executive officer and approved by the

appropriate committee. Annual, time-vested grants of equity awards, as well as retention grants made in connection with renewals of employment agreements, are designed to compensate our named executive officers for their contributions to our long-term performance. Generally, restricted stock and stock option awards granted to named executive officers as either initial or annual performance grants vest in equal installments over the term of the agreement, or a period determined by the compensation committee, typically beginning on the first anniversary of the date of grant. As noted above, in the three employment agreement amendments in 2011, we have provided that at least half of such grants are performance-based.

## Table of Contents

Restricted stock grants for 2011 were as follows: Mr. Cole 204,918 restricted stock units, or RSUs, and 1,219,945 performance-based restricted stock units, or PSUs (each as described above), Mr. Clamen 62,229 RSUs and 57,648 performance-based PSUs (each as described above), Mr. Tarshis 83,735 RSUs and 76,864 performance-based PSUs (each as described above), Mr. Shmidman 9,162 shares of restricted stock, and Mr. Blumberg 35,826 shares of restricted stock. The aforementioned grants of RSUs and restricted stock to Messrs. Cole, Clamen, Tarshis and Shmidman have vesting periods ranging from one to four years; the PSUs vest upon certification of the compensation committee that the respective performance criteria have been met; the grant to Mr. Blumberg vested on the grant date. In addition, in 2011 Mr. Blumberg was granted options to purchase 30,000 shares of the Company's common stock as a result of the Company's consummation of two acquisitions that met certain specified performance criteria set forth in his employment agreement; these options vested immediately. For a discussion of the performance criteria relating to Messrs. Cole, Clamen, Tarshis and Blumberg's equity awards, please see the description of their respective employment agreements following the Summary Compensation Table.

*Cash bonuses.* In May 2008 our stockholders approved the Executive Incentive Bonus Plan, sometimes referred to as the bonus plan. The purpose of the bonus plan is to promote the achievement of our short-term, targeted business objectives by providing competitive incentive reward opportunities to our executive officers who can significantly impact our performance towards those objectives. Further, the bonus plan enhances our ability to attract, develop and motivate individuals as members of a talented management team. The bonus plan is administered, and can be amended, by the compensation committee. All awards are paid in cash. Awards made under the bonus plan are subject to a participant achieving one or more performance goals established by the compensation committee. The performance goals may be based on our overall performance, and also may recognize business unit, team and/or individual performance. No payment will be made under the bonus plan unless the compensation committee certifies that at least the minimum objective performance measures have been met. Such performance measures may include specific or relative targeted amounts of, or changes in: EBITDA (as defined earlier); Free Cash Flow (as defined earlier); earnings per share; diluted earnings per share; revenues; expenses; net income; operating income; equity; return on equity, assets or capital employed; working capital; stockholder return; production or sales volumes; or certain other objective criteria. In 2011, our chairman, president and chief executive officer was the only named executive officer who was eligible to receive a bonus under the bonus plan, and only he received a bonus under the bonus plan.

The amount of any award under the bonus plan may vary based on the level of actual performance. The amount of any award for a given year is determined for each participant by multiplying the individual participant's actual base salary in effect at the end of that year by a target percentage (from 0% to 200%), related to the attainment of one or more performance goals, determined by the compensation committee. In the event that an award contains more than one performance goal, participants in the bonus plan will be entitled to receive the portion of the target percentage allocated to the performance goal achieved. In the event that we do not achieve at least the minimum performance goals established, no award payment will be made.

Additionally, cash bonuses are also covered by employment agreements with our executive officers. Under his employment agreement, Mr. Cole, our chairman, president and chief executive officer received a sign-on cash bonus of \$3,000,000 upon the execution of the June 2011 amendment to his employment agreement, which, among other things, extended the term of his employment through December 31, 2015. Further, Mr. Cole received two separate cash performance-based bonuses pursuant to his employment agreement and the Executive Bonus Plan which aggregated \$1,725,000, the details for which are as follows: \$1,225,000 based on our achievement of approximately \$229.6 million of EBITDA, which represents 122.5% of the targeted EBITDA established by the Board of Directors; and \$500,000 based on our revenue growth of approximately 11%, which puts us in the upper 50<sup>th</sup> percentile of companies compiled in the Standard & Poors Small Cap Retailing Index for 2011. Further, in 2011 Mr. Blumberg received cash payments aggregating \$500,000 as a result of our consummation of two acquisitions that met certain specified performance criteria set forth in his employment agreement. Also in 2011, Messrs. Clamen, Tarshis and Shmidman received discretionary cash bonuses of \$100,000, \$150,000 and \$200,000, respectively, under their respective employment agreements. These bonuses were based upon both the individual performance of the executives and our overall performance but were not tied to any specified performance criteria.

*Post-termination compensation.* We have entered into employment agreements with each of the named executive officers. Each of these agreements provide for certain payments and other benefits if the executive's employment terminated under certain circumstances, including, in the event of a change in control. See Executive Compensation Narrative to Summary Compensation Table and Plan-Based Awards Table Employment Agreements and Executive Compensation Potential Payments Upon Termination or Change in Control for a description of the severance and change in control benefits.

*Perquisites.* The perquisites provided to some or all of our executive officers are described below. Perquisites are generally provided, as applicable, in accordance with the executives' employment agreements. Below is a list of perquisites, personal benefits and other items of compensation we provided to our named executive officers in 2011, the total amount of each such item paid to all named executive officers and an explanation as to why we chose to pay the item.

(1) Perquisites are generally granted as part of our executive recruitment and retention efforts.

*Risk Management.* The compensation committee has reviewed risks associated with our current compensation policies and believes that, for 2011, the compensation policies did not incentivize our named executive officers to take unnecessary risks.

*Clawback, Security Ownership and Other matters.* In 2010 and 2011 the compensation committee engaged JFR for advice in connection with the negotiation of the amendment to employment agreement for our chief executive officer, which amendment was entered into in June 2011, and is described above.

In addition to being subject to the clawback provisions of Sarbanes-Oxley, the 2011 amendments to the employment agreements of Messrs. Cole, Clamen and Tarshis include a clawback provision. The amendments provide that, if following the vesting of any PSUs, we restate our financial statements for the period utilized for determining such vesting, and the compensation committee determines in good faith that such PSUs would not have vested based on the restated financials, including the restatement's impact on the stock price or market capitalization, if applicable, the compensation committee may require the executive officer to repay to us the value (determined as of the time of distribution) of any shares of common stock distributed to the executive officer with respect to such PSUs, reduced by any un-refundable taxes paid thereon by the executive officer. Although the amended employment agreements contain these provisions, our board of directors has not yet established a policy for the adjustment of any compensation award or payment if the relevant performance measures on which they are based are restated or adjusted. Upon the adoption of final rules regarding clawback policies under the Dodd-Frank Act, the board will undertake to implement a compliant clawback policy.

Although our board of directors has not established any security ownership guidelines for executive officers, we note that Mr. Cole has historically maintained his holdings of the Company's common stock, and, in fact, for the years 2007-2011, has beneficially owned at least 3.0% of our common stock as reported in our proxy statements. At December 31, 2011, Mr. Cole held 1,717,979 shares of our common stock directly, with a value at that date of approximately \$28.0 million, which is approximately 28 times Mr. Cole's salary for 2011. These shares do not include shares issuable to Mr. Cole upon the exercise of stock options held by him.

**Tax Deductibility and Accounting Ramifications**

The compensation committee generally takes into account the various tax and accounting ramifications of compensation paid to our executives. When determining amounts of equity-based grants to executives the compensation committee also considers the accounting expense associated with the grants.

Our 2009 Equity Incentive Plan and our other plans are intended to allow us to make awards to executive officers that are deductible under the Section 162(m) of the Code, which otherwise sets limits on the tax deductibility of compensation paid to a company's most highly compensated executive officers. The compensation committee will continue to seek ways to limit the impact of Section 162(m). However, the compensation committee also believes that the tax deduction limitation should not compromise our ability to maintain incentive programs that support the compensation objectives discussed above or compromise our ability to attract and retain executive officers. Achieving these objectives and maintaining flexibility in this regard may therefore result in compensation that is not deductible by us for federal income tax purposes.

**Summary**

## Edgar Filing: ICONIX BRAND GROUP, INC. - Form 10-K/A

In summary, we believe that our mix of salary, cash incentives for short-term and long-term performance and the potential for additional equity ownership in our company motivates our management to produce significant returns for our stockholders. Moreover, we also believe that our compensation program strikes an appropriate balance between our interests and needs in operating and further developing our business and suitable compensation levels that can lead to the enhancement of stockholder value.

**Employment Agreements**

The compensation committee determines the compensation, including related terms of employment agreements with us for those who have them, for each of the named executive officers.

**Neil Cole**

On January 28, 2008, we entered into an employment agreement, effective as of January 1, 2008, as amended on May 21, 2008, December 24, 2008 (referred to as the original employment agreement) and June 17, 2011 (referred to as the June 2011 amendment), with Neil Cole, chairman of the board, president and chief executive officer. This employment agreement, as amended through June 17, 2011, is referred to as the employment agreement. Pursuant to the June 2011 amendment, the current term of the employment agreement commenced on June 17, 2011, and will continue until December 31, 2015, unless further extended or earlier terminated as provided for in the employment agreement.

Consistent with our philosophy on executive compensation, Mr. Cole's employment agreement reflects a substantial portion of his compensation in the form of long-term equity incentives, including performance stock incentives that vest upon the achievement of specific metrics defined in the agreement, particularly, growth in EBITDA, market capitalization and stock price as measured by targets to be established and certified by the compensation committee.

In connection with the negotiation with Mr. Cole of the employment agreement (including certain amendments thereto), the compensation committee retained James F. Reda & Associates LLC, referred to as JFR, as its outside compensation consulting firm to provide advice. In connection with the June 2011 amendment, assisting the compensation committee, JFR performed market research as to compensation levels in similarly capitalized companies in the industry, as well as companies that had achieved similar growth. As various aspects of our business, operations and management are unique, the compensation committee utilized the JFR research as one resource, rather than a stand-alone tool, in assessing the appropriate level of compensation and other terms under Mr. Cole's employment agreement, including the June 2011 amendment.

## Edgar Filing: ICONIX BRAND GROUP, INC. - Form 10-K/A

For a further discussion of JFR's role and the compensation committee's determinations related to the June 2011 amendment, please see the Compensation Discussion and Analysis - Determination of Compensation for Named Executive Officers - Compensation of chief executive officer.

Under his employment agreement, Mr. Cole was entitled to an annual base salary of \$1,000,000 for the year ended December 31, 2011, and thereafter Mr. Cole's annual base salary will be \$1,500,000, with such increases (but not decreases) as may be determined by the Board from time to time. In connection with the June 2011 amendment, Mr. Cole received an extension signing bonus of \$3,000,000, which was repayable in full under certain circumstances.

Pursuant to the terms of the original employment agreement Mr. Cole was granted 1,181,684 time-vested restricted common stock, or 2008 RSUs, and 787,789 performance-based restricted common stock units, or 2008 PSUs, under our 2006 Equity Incentive Plan and 2009 Equity Incentive Plan. The 2008 RSUs vest in five substantially equal annual installments commencing on December 31, 2008, subject to Mr. Cole's continuous employment with us on the applicable vesting date, and the 2008 PSUs are subject to vesting based on our achievement of the following performance goals: 50% is tied to the achievement of EBITDA growth, 25% is tied to the achievement of market cap growth, and 25% is tied to the achievement of stock price growth. Both grants are subject to forfeiture or acceleration upon the termination of Mr. Cole's employment under certain circumstances. In addition, Mr. Cole's ability to sell or otherwise transfer the common stock underlying the 2008 RSUs and the 2008 PSUs while he is employed by us is subject to certain restrictions. Pursuant to the June 2011 amendment, the 2008 RSUs and 2008 PSUs provided for in the original employment agreement shall continue to vest in accordance with the terms of the original employment agreement.

**Table of Contents**

The annual performance goals required for the portion of Mr. Cole's 2008 PSUs to vest for the year ended December 31, 2011 were as follows: EBITDA of approximately \$194.5 million, (for which Mr. Cole earned 78,779 2008 PSUs; market capitalization of approximately \$1,899.4 million, (for which Mr. Cole earned no 2008 PSUs); and a stock price of \$30.94 per share, (for which Mr. Cole earned no 2008 PSUs).

In addition, pursuant to the June 2011 amendment, Mr. Cole was granted time-vested restricted common stock units with a fair market value (as defined in the June 2011 amendment) of \$4,500,000, referred to as the 2011 RSUs, and performance-based restricted common stock units with a fair market value (as defined in the June 2011 amendment) of \$26,790,000, referred to as the 2011 PSUs. The 2011 RSUs will vest in three substantially equal annual installments commencing on December 31, 2013, subject to Mr. Cole's continuous employment with us on the applicable vesting date. The 2011 PSUs will be subject to vesting based on our achievement of certain designated performance goals during the four fiscal years beginning with the fiscal year ending December 31, 2012. These goals are based on EBITDA (33 1/3% of PSUs), diluted earnings per share excluding extraordinary items (33 1/3% of PSUs) and free cash flow (33 1/3% of PSUs). Both the 2011 RSUs and 2011 PSUs are subject to forfeiture upon the termination of Mr. Cole's employment under certain circumstances. Both the 2011 RSUs and the 2011 PSUs are subject to the terms and conditions of the 2009 Equity Plan and the respective award agreements. The June 2011 amendment provides that the original employment agreement shall continue in full force and effect unamended, except to the extent amended by the June 2011 amendment.

On December 24, 2008, we entered into an agreement with Mr. Cole which amended his original employment agreement and the related 2008 RSU agreement to provide, among other things for the deferral of the issuance to Mr. Cole of the 1,181,684 shares of our common stock to which he is entitled to receive under the 2008 RSUs granted to him under the original employment agreement until the earlier of (i) the date Mr. Cole is no longer employed by either (a) us or (b) any corporation or other entity owning, directly or indirectly, 50% or more of our outstanding common stock, or in which we or any such corporation or other entity owns, directly or indirectly, 50% or more of the outstanding capital stock (determined by aggregate voting rights) or other voting interests or (ii) a change in control (as defined in the employment agreement). In consideration of Mr. Cole's agreement to delay the distribution to him of such shares of our common stock to which he will be entitled to receive under the 2008 RSUs as noted above, the agreement also provided for the award to Mr. Cole of an annual cash bonus to be granted under our executive incentive bonus plan, in the amount equal to \$0.5 million for each of the four completed calendar years commencing with the calendar year from January 1, 2009 through December 31, 2009, and ending with the calendar year from January 1, 2012 through December 31, 2012 if either of one of two performance measures specified in the agreement have been satisfied. The two performance measures are as follows: (a) if the percentage determined by dividing our EBITDA by our revenues for the calendar year in question places us in the top 50% of the companies contained in the Standard & Poors Small Cap Retailing Index at the end of that calendar year or (b) if our annual revenue percentage growth for the calendar year in question when compared to the immediately preceding calendar year places us in the top 50% of those companies contained in the Standard & Poors Small Cap Retailing Index at the end of that calendar year. The 2011 PSUs and 2011 RSUs granted pursuant to the June 2011 amendment are not subject to the provisions of the December 24, 2008 agreement.

Mr. Cole is also entitled to various benefits, including benefits available to our other senior executives and certain automobile, air travel and life insurance benefits pursuant to the employment agreement.

In addition to his salary and benefits, Mr. Cole is eligible to receive an additional annual cash bonus for each completed calendar year, including as a performance goal thereunder the targets specified in the employment agreement. This cash bonus shall not exceed 150% of Mr. Cole's base salary for the year ended December 31, 2011 and shall not exceed 200% of his base salary for each fiscal year of the term the employment agreement ending after December 31, 2011. The bonus shall be a percentage of the base salary determined based on the level of our consolidated earnings before interest, taxes, depreciation and amortization of fixed assets and intangible assets achieved for such year against a target level established for such year by the compensation committee of our board of directors, in the compensation committee's sole discretion, but with prior consultation with Mr. Cole, as follows:

Mr. Cole's annual bonus, if earned, will be paid in a lump sum cash payment in the calendar year following the calendar year for which such bonus is earned.

If we terminate Mr. Cole's employment without cause or if Mr. Cole terminates his employment for good reason, he will receive, in addition to the foregoing, an amount equal to two times his base salary then in effect plus any previously earned but unpaid annual bonus for a prior fiscal year and a pro-rata portion of the annual bonus for the year of termination. In addition, that portion of his 2008 PSUs and 2011 PSUs subject to vesting in the year of termination based on performance goals achieved as of the date of termination, and 75% of his unvested 2008 RSUs and 2011 RSUs, will vest. If his employment is terminated by us without cause or by him for good reason within 12 months of a change in control, the amount of his base salary-related payment will increase to three times, instead of two times, his base salary then in effect. On a change in control, that portion of his 2008 PSUs that would vest in the year of the change in control or in the future based on performance goals achieved as of the date of the change of control, and all of his unvested 2008 RSUs will vest. Additionally, upon a change in control any remaining unvested 2011 PSUs and 2011 RSUs shall vest immediately.

If Mr. Cole's employment terminates as a result of his disability or death, he or his estate will be entitled to any previously earned and unpaid compensation then due to him plus any previously earned but unpaid annual bonus for the prior fiscal year and a pro-rata portion of the annual bonus for the year of such termination. In addition, in respect of termination as result of a disability, that portion of his 2008 PSUs and 2011 PSUs subject to vesting in the year of termination based on performance goals achieved as of the date of termination, and 50% of his unvested 2008 RSUs and 2011 RSUs, will vest. In respect of a termination as a result of death, that portion of Mr. Cole's 2008 PSUs subject to vesting in the year of termination based on performance goals achieved as of the date of termination and 100% of the remaining unvested 2011 PSUs, 2008 RSUs and 2011 RSUs, shall vest.

The employment agreement with Mr. Cole also contains certain non-competition and non-solicitation covenants restricting certain activities for periods equal to the term of the agreement and any renewal period plus one and two years, respectively, after the agreement is terminated for any reason.

In addition, subject to the acquisition cap, he will receive the acquisition payment for any acquisition that closes within 90 days of such termination. If his employment is terminated by us without cause or by him for good reason within 12 months of a change in control (as defined in the employment agreement), in addition to the foregoing payments he would have received had he been terminated without a change of control, he will also receive an amount equal to equal to \$100 less than three (3) times the greater of (i) \$400,000 or (ii) the average of the annual cash compensation received by him on or after January 1, 2009 in his capacity as an employee of the Company during the base period (as defined in Section 280G of the Internal Revenue Code) subject to an excess parachute payment limitation (as defined in Section 280G). Annual cash compensation includes base salary plus any acquisition payments and acquisition bonus payments paid to him. If Mr. Blumberg's employment terminates as a result of his disability or death, he or his estate will be entitled to any earned and unpaid base salary, any prior year bonus, any unvested portion of his stock award (which will vest) and, subject to the acquisition cap, the acquisition payment for any acquisition that closes within 90 days of the date of death or disability.

On March 5, 2012, we entered into a new employment agreement with Mr. David Blumberg, effective as of January 1, 2012 (referred to as the new employment agreement), that provides for the employment of Mr. Blumberg as our Head of Strategic Development for a slightly greater than one-year term. The new employment agreement replaces the employment agreement and provides for the continued employment of Mr. Blumberg until January 31, 2013.

Under the new employment agreement, Mr. Blumberg is entitled to an annual base salary of not less than \$400,000 and he will be eligible to receive cash bonuses based on the achievement of certain designated performance goals (for example, Mr. Blumberg will be eligible for a bonus if the aggregate value of acquisitions completed by the Company during the term of the new employment agreement exceeds \$100 million). In addition, upon approval by the Company's Board of Directors and stockholders of a new equity incentive plan or similar plan covering awards to employees, Mr. Blumberg will be granted an award of 37,800 performance-based restricted shares of the Company's common stock, subject to vesting upon the closing of eligible acquisitions (as defined in the new employment agreement) during the term of the new employment agreement. (In the event that such a new equity plan is not approved during the term of Mr. Blumberg's employment under the new employment agreement, Mr. Blumberg will be eligible to receive a cash payment in lieu of any vested restricted shares.) The new employment agreement

provides for no other share-based awards. The other terms and conditions of the new employment agreement are materially consistent with the employment agreement.

## Edgar Filing: ICONIX BRAND GROUP, INC. - Form 10-K/A

Mr. Cole was granted 1,181,684 2008 RSUs, and 571,150 2008 PSUs, on February 19, 2008 pursuant to his employment agreement with us. On December 24, 2008, Mr. Cole agreed, in an amendment to his employment agreement, to defer the issuance of 1,181,684 shares of common stock underlying the 2008 RSUs until the earlier of (i) the date Mr. Cole is no longer employed by either (a) us or (b) any corporation or other entity owning, directly or indirectly, 50% or more of our outstanding common stock, or in which we or any such corporation or other entity owns, directly or indirectly, 50% or more of the outstanding capital stock (determined by aggregate voting rights) or other voting interests or (ii) a change in control (as defined in the employment agreement). In consideration of Mr. Cole's agreement to delay the distribution to him of such shares of our common stock to which he will be entitled to receive under the 2008 RSUs as noted above, the agreement also provided for the award to Mr. Cole of an annual cash bonus to be granted under our executive incentive bonus plan, in the amount equal to \$500,000 for each of the four completed calendar years commencing with the calendar year from January 1, 2009 through December 31, 2009, and ending with the calendar year from January 1, 2012 through December 31, 2012 if either one of two performance measures specified in the agreement have been satisfied. The 1,181,684 2008 RSUs continue to vest in five substantially equal installments on each December 31st, beginning on December 31, 2008 and subject to Mr. Cole's continuous employment with us, although the delivery of the shares underlying such RSUs has been deferred as described above. Mr. Cole was granted 204,918 2011 RSUs and 1,219,945 2011 PSUs on June 17, 2011 pursuant to an amendment to his employment agreement with us.

**Table of Contents**

- (2) As noted above, Mr. Cole was granted 1,181,684 2008 RSUs and 571,150 2008 PSUs on February 19, 2008 pursuant to his employment agreement with us. At that time he was also entitled to receive an additional 216,639 2008 PSUs under his employment agreement. On May 21, 2008, Mr. Cole entered into an agreement with us that provided for the rescission of 256,034 of the previously granted 571,150 2008 PSUs, which rescinded PSUs were then added to 216,639 additional 2008 PSUs he was entitled to under his employment agreement (a total of 472,673 2008 PSUs). These 472,673 2008 PSUs were granted to Mr. Cole in 2009. As noted above, Mr. Cole was granted 204,918 2011 RSUs and 1,219,945 2011 PSUs on June 17, 2011 pursuant to an amendment to his employment agreement with us. The 1,692,619 total PSUs reflected in the table represent the unearned portion of the 2,007,735 total PSUs granted to Mr. Cole under the terms of his employment agreement, as amended. In February 2012, the Compensation Committee determined that the \$227.8 million EBITDA target was achieved, and, therefore, Mr. Cole earned 78,779 of the 157,558 2008 PSUs that he was eligible to earn for the year ended December 31, 2011. In February 2011, the Compensation Committee determined that the \$194.0 million EBITDA target was achieved, and, therefore, Mr. Cole earned 118,169 of the 157,558 2008 PSUs that he was eligible to earn for the year ended December 31, 2010. In February 2010, the Compensation Committee determined that the \$160 million EBITDA target was achieved, and, therefore, Mr. Cole earned 39,390 of 157,558 2008 PSUs that he was eligible to receive for the year ended December 31, 2009. The other performance goals involving market capitalization and share price were not achieved with respect to the years ended December 31, 2011, 2010 and 2009.
- (3) At December 31, 2011, 2010 and 2009 Mr. Blumberg had been awarded 35,826, 17,913 and 35,826, respectively, of the 107,476 shares of common stock issuable under his employment agreement. All of the shares awarded on each such date vested on such date.
- Grant dates and vesting dates for all outstanding equity awards at December 31, 2011 are as follows:

- (1) The number of shares reflects the gross amount issued upon the exercise of the options and does not give effect to the withholding of a portion of the shares by us to satisfy certain withholding tax liability of the person exercising the options.
- (2) Included in this column is the aggregate dollar amount realized by the named executive officer upon exercise of the options.
- (3) Includes 236,337 shares of common stock underlying 2008 RSUs that vested on December 31, 2011 and 78,779 shares of common stock underlying 2008 PSUs that were deemed earned by the compensation committee for the year ended December 31, 2011 as more fully discussed in footnote 2 to the table of Outstanding Equity Awards at Fiscal Year-End. The delivery of the 236,337 shares of common stock underlying the 2008 RSUs was deferred, as more fully discussed in footnote 1 to the table of Outstanding Equity Awards at Fiscal Year-End.

**POTENTIAL PAYMENTS UPON TERMINATION OR CHANGE IN CONTROL**

As noted under - Narrative to Summary Compensation Table-and Plan-Based Awards Table Employment Agreements , we have entered into employment agreements with each of our named executive officers. These agreements provide for certain payments and other benefits if a named executive officer s employment with us is terminated under circumstances specified in his or her respective agreement, including a change in control of the Company. A named executive officer s rights upon the termination of his or her employment will depend upon the circumstances of the termination.

The receipt of the payments and benefits to the named executive officers under their employment agreements are generally conditioned upon their complying with customary non-solicitation, non-competition, confidentiality, non-interference and non-disparagement provisions. By the terms of such agreements, the executives acknowledge that a breach of some or all of the covenants described herein will entitle us to injunctive relief restraining the commission or continuance of any such breach, in addition to any other available remedies.

Except as provided in the footnotes below, the following table provides the term of such covenants following the termination of employment as it relates to each named executive officer:

Covenant	Neil Cole	Warren Clamen	Andrew Tarshis	Yehuda Shmidman	David Blumberg
Confidentiality	Infinite duration	Infinite duration	Infinite duration	Infinite duration	Infinite duration
Non-solicitation	Two years <sup>(1)</sup>	None	None	(3)	Two years <sup>(1)</sup>
Non-competition	One year <sup>(1)</sup>	None	None	(3)	Two years <sup>(1)</sup>
Non-interference	(2)	None	None	(3)	Two years <sup>(1)</sup>
Non-disparagement	Five years <sup>(1)</sup>	None	None	None	None

- (1) Covenant runs from the date the executive s employment agreement is terminated.
- (2) Mr. Cole s employment agreement with us provides that during the term and a period of (i) two years thereafter, Mr. Cole cannot solicit our employees, (ii) one year thereafter, Mr. Cole cannot solicit our customers and (iii) one year thereafter, Mr. Cole may not interfere in any manner with our relationship with our vendors.
- (3) Covenant term ends on November 16, 2012.

**Table of Contents****Termination Payments (without a change in control)**

The table below includes a description and the amount of estimated payments and benefits that would be provided by us (or our successor) to each of the named executive officers under each employment agreement, assuming that a termination circumstance occurred as of December 31, 2011 and a change in control had not occurred:

Type of Payment	Termination Event	Estimated Amount of Termination Payment to:				
		Neil Cole <sup>(1)</sup>	Warren Clamen <sup>(1)</sup>	Andrew Tarshis <sup>(1)</sup>	Yehuda Shmidman	David Blumberg

Continued coverage under medical, dental, hospitalization and life insurance plans	Death, termination without Cause, or termination by executive for Good Reason	\$ 71,206	\$ 1,502	\$ 57,054	\$ 54,840	\$ 57,465

1 See employment agreement descriptions beginning on page 16 for information regarding acceleration of vesting and forfeiture of PSUs and RSUs. Additionally, Mr. Cole would have been required to repay this sign-on bonus if the date of his termination occurred on or before December 31, 2011.

2 At December 31, 2011, each named executive officer is assumed to have received all such payments.

3 Payable one half in monthly installments, and half on December 31, 2011.

4 These amounts are payable in lump sum within 30 days of termination.

5 All such bonuses are discretionary.

6 All such bonuses are performance based.

**Payments Upon Termination Following a Change of Control**

In lieu of the lump sum severance payment upon termination without a change of control, Mr. Cole is entitled upon termination following a change in control to a lump sum payment equal to three times his base salary for the last three years plus any annual bonus earned but unpaid for a prior fiscal year and, if such termination occurs following the Company's first fiscal quarter, a pro-rata portion of the annual bonus Mr. Cole would have earned for the fiscal year in which the termination occurs based on actual results for such year. Such payment is due within 60 days of the date of such termination. Mr. Cole would also be eligible in such circumstances for the continuation of certain medical benefits.

**Table of Contents**

In addition to the payments made upon termination by the Company without cause or termination by the executive for good reason, the employment agreements with Messrs. Tarshis, Clamen and Shmidman provide that, if, within twelve months of a change in control, their employment is terminated by us without cause or they terminate their employment with us for good reason, as all such terms are defined in each employment agreement, we are obligated to make a lump-sum severance payment to each such named executive officer equal to \$100 less than three times the named executive officer's annualized includable compensation for the base period (as defined in Section 280G of the Internal Revenue Code). Under the same circumstances, the employment agreement with Mr. Blumberg obligates us to make a lump-sum severance payment to Mr. Blumberg equal to \$100 less than three times the greater of (i) \$400,000 or (ii) the average of the annual cash compensation received by Mr. Blumberg on or after the effective date of his employment agreement in his capacity as an employee of the Company during the base period (also as defined in Section 280G of the Internal Revenue Code).

Under the circumstances described in the preceding paragraph, all of the named executive officers would be entitled to an accelerated vesting and payment of stock options and restricted stock awards granted to that named executive officer. However, the sum of any lump sum payments, the value of any accelerated vesting of stock options and restricted stock awards, and the value of any other benefits payable to the named executive officer, with the exception of Mr. Cole, may not equal or exceed an amount that would constitute an excess parachute payment (as defined in Section 280G of the Internal Revenue Code). In respect of these named executive officers (again excluding Mr. Cole), such payment is due within 15 days of the date of such termination.

The following table quantifies the estimated maximum amount of payments and benefits under our employment agreements and agreements relating to awards granted under our equity incentive and stock option plans to which the named executive officers would have been entitled upon termination of employment if we had terminated their employment without cause within twelve (12) months following a change in control of our Company that (by assumption) occurred on December 31, 2011 and prior to the expiration of any employment agreements.

Name	Cash Severance Payment (\$)	Continuation of Medical/Welfare Benefits (Present Value)		Present Value of Accelerated Vesting of Equity Awards (\$) <sup>(1)</sup>	Present Value of Accelerated Payment of Bonus (\$)	Total Termination Benefits (\$)

Yehuda Shmidman	1,422,560 <sup>(5)</sup>	33,705	748,574	200,000	2,404,839	
David Blumberg	3,923,300 <sup>(6)</sup>	33,705		500,000	4,457,005	

- (1) This amount represents the unrealized value of the unvested portion of the respective named executive officer's restricted stock based upon the closing price of our common stock on December 31, 2011. See the descriptions of the employment agreements beginning on page 16 regarding accelerated vesting of and forfeiture of PSUs and RSUs. For 280G purposes, we have assumed that the accelerated vesting of RSUs on a change in control is a change in control payment.
- (2) Payable within 60 days of termination.
- (3) \$925,000 is payable within 30 days of termination. The difference is due within 15 days of termination.
- (4) Payable within 30 days of termination.
- (5) \$350,000 is payable within 30 days of termination. The difference is due within 15 days of termination.
- (6) Payable within 15 days of termination.
- (7) Assumes no catch-up vesting of PSUs.

**Table of Contents****DIRECTOR COMPENSATION**

The compensation committee determined that for each full year of service as a director of our company during 2011, each non-employee member of the Board would receive a cash payment of \$50,000, payable 50% on or about each January 1 and 50% on or about each July 1, and a number of restricted shares of common stock with a fair market value of \$100,000 on January 1, vesting 100% on July 1 of each year. In addition, the compensation committee determined that the audit committee chair would receive an annual stipend of \$15,000, and the chairs of the compensation committee and nominating and governance committee would receive an annual stipend of \$10,000, each payable each July 1.

*The Candie's Foundation*
