**ITEM 1.01 ENTRY INTO A MATERIAL DEFINITIVE AGREEMENT**

On May 11, 2012, Independent Bank Corp. (the Company) entered into a Core System Processing Services Agreement (the Services Agreement) with Fidelity Information Services, LLC (FIS). The Company entered into the Services Agreement primarily so FIS can provide information technology and computer systems processing services to Rockland Trust Company (Rockland Trust), the Company's wholly-owned bank subsidiary. FIS has been providing these services to the Company under a prior agreement, and the Services Agreement is an extension of the prior agreement with FIS with respect to some, but not all, of the services the Company now receives from FIS. Rockland Trust's business is substantially dependent upon the services that will be provided by FIS pursuant to the Services Agreement. The benefits of the Services Agreement are also conferred on other present and future subsidiaries of the Company, and, of Rockland Trust.

The Services Agreement is effective as of April 1, 2012, and expires on May 31, 2017. The Services Agreement renews annually after the expiration of the initial term, unless timely notice of intention not to renew is given.

A copy of the Services Agreement is attached hereto as Exhibit 99.1. Portions of the Services Agreement, however, have been omitted from Exhibit 99.1 pursuant to a request for confidential treatment sent to the Securities and Exchange Commission (SEC) on May 16, 2012. The locations where material has been omitted are indicated by the following notation {\*\*\*\*}. The entire Services Agreement, in unredacted form, has been submitted separately to the SEC with the request for confidential treatment.
