Item 5.02 Departure of Directors or Certain Officers; Election of Directors; Appointment of Certain Officers; Compensatory Arrangements of Certain Officers

(e) On July 2, 2012, in consideration of their substantial efforts and time commitment in managing the business and sales process of MModal Inc. (the Company) concurrently and to ensure the retention of key members of management following entry into the Agreement and Plan of Merger (the Merger Agreement), dated as of July 2, 2012, by and among Legend Parent, Inc., Legend Acquisition Sub, Inc. and the Company (filed with the Securities and Exchange Commission (SEC) on July 3, 2012 as Exhibit 2.1 to the Company's Current Report on Form 8-K), the Company's board of directors approved transaction close and retention bonuses in the following amounts for the following named executive officers of the Company: \$1,000,000 for Roger L. Davenport, Chairman and Chief Executive Officer; \$851,250 for Ronald L. Scarboro, Chief Financial Officer; and \$243,750 for Michael Finke, President. 50% of each individual's award will be paid out on the date of the closing (the Closing Date) of the merger contemplated by the Merger Agreement (together with the tender offer and the transactions contemplated by the Merger Agreement, the Transaction), an additional 25% will be paid out six months after the Closing Date and the remaining 25% will be paid out 12 months after the Closing Date. If the individual's employment is terminated without Cause (as defined in the applicable employment agreement), the individual will receive the remaining balance of the award payments within two pay periods of the termination date. If the individual resigns or the individual's employment is terminated with Cause, the individual will not have earned and will forgo any award payments not yet received.

The bonuses were recommended by the Company's Compensation Committee and were approved by the Company's board of directors after it had approved the Merger Agreement. Mr. Davenport did not participate in the deliberations or approval of the bonuses by the Company's board of directors. The Company's board of directors also reserved an additional \$200,000 in transaction close and retention bonuses, to be awarded at the discretion of the Company's Compensation Committee.

The bonuses will not reduce the amount to be paid to the Company's stockholders in the Transaction. If the payment of any such bonus to any of the Company's executive officers would result in such individual being subject to the excise tax (the Excise Tax) imposed under Section 4999 of the Internal Revenue Code, the Company may, in its sole discretion, reduce the amount of such bonus by the amount (as determined by a national accounting firm engaged by the Company) that would result in such individual no longer being subject to the Excise Tax.
