**Item 5.02. Departure of Directors or Certain Officers; Election of Directors; Appointment of Certain Officers; Compensatory Arrangements of Certain Officers.***(e) Executive Compensation Arrangements*

On July 27, 2012, the Board of Directors (the *Board*) of Jazz Pharmaceuticals Public Limited Company (the *Company*), upon the recommendation of the Compensation Committee of the Board (the *Compensation Committee*), approved the grant of stock options and restricted stock units (RSUs) under the Company's 2011 Equity Incentive Plan (the *2011 Plan*) to the Company's Chairman and Chief Executive Officer. On that same date, the Compensation Committee also approved the grant of stock options and restricted stock units under the 2011 Plan to the Company's other named executive officers (as defined under applicable securities laws). The number of the Company's ordinary shares underlying the grants, which grants will be made effective on the first day of the Company's next open stock trading window (the *Grant Date*), for each named executive officer (including the Chief Executive Officer) is set forth in the table below:

Named Executive Officer	Number of Ordinary Shares underlying Options to be Granted	Number of Ordinary Shares underlying Restricted Stock Units to be Granted
Bruce C. Cozadd		
Chairman and Chief Executive Officer	200,000	100,000
Kathryn E. Falberg		
Executive Vice President and Chief Financial Officer	70,000	35,000
Russell J. Cox		
Executive Vice President and Chief Commercial Officer	70,000	35,000
Karen J. Wilson		
Vice President, Finance and Principal Accounting Officer	30,000	15,000

The stock options to be granted will have an exercise price equal to the fair market value of the Company's ordinary shares on the Grant Date, as determined in accordance with the terms of the 2011 Plan, and will have a term of 10 years. The ordinary shares subject to the options will vest over four years subject to continued service, with 25% of the ordinary shares subject to the options vesting one year after the Grant Date and the remainder vesting in 36 equal monthly installments thereafter. As a general matter, the vested portion of the stock options to be granted will expire three months after each named executive officer's last day of service, subject to extension upon certain termination situations such as death or disability and subject to earlier expiration in the event such named executive officer's service terminates for cause. The RSUs to be granted will vest annually over four years from the Grant Date, subject to continued service.

Pursuant to the standard forms of option award agreement and RSU award agreement adopted by the Board under the 2011 Plan, respectively, in the event the holder's service relationship with the Company or a successor entity is terminated, actually without cause or constructively, within 12 months following, or one month prior to, the effective date of certain specified change in control transactions, both the vesting and exercisability of the options and the vesting of the RSUs will accelerate in full. In addition, the above named executive officers are participants in the Company's Amended and Restated Executive Change in Control and Severance Benefit Plan (the *Severance Plan*) which also provides for the full acceleration of the vesting and exercisability of outstanding stock options and other equity awards held by each such named executive officer in the event such named executive officers' employment terminates actually without cause or constructively within 12 months following certain specified change in control transactions.

The foregoing is only a brief description of the material terms of the stock options and RSUs to be granted to the above named executive officers, does not purport to be complete, and is qualified in its entirety by reference to (i) the 2011 Plan, previously filed as Exhibit 99.1 to the Company's registration statement on Form S-8 (File No. 333-179075) filed on January 18, 2012, (ii) the related form of option grant notice and form of stock option agreement previously filed as Exhibit 10.40 to the annual report on Form 10-K (File No. 001-33500) filed on behalf of and as successor to Jazz Pharmaceuticals, Inc. on February 28, 2012 (the Form 10-K), and (iii) the related form of restricted stock unit grant notice and form of restricted stock unit award agreement previously filed as Exhibit 10.42 to the Form 10-K.
