**Item 2.06. Material Impairments**

The Company will report a charge against earnings of approximately \$3.0 million (pretax) in the quarter ended September 29, 2012 related to the insolvency and liquidation of a customer from which the Company held a secured promissory note.

On September 28, 2012, Intevac concluded that it will incur bad debt expense of approximately \$3.0 million, related to the non-payment of the promissory note from the customer based on the customer's announcement that they are discontinuing their operation effective October 9th, 2012. The impairment charge on the promissory note will not result in future cash expenditures by the Company.

The impact of this charge was not included in the financial guidance provided on the Company's July 31, 2012 earnings conference call.
