The material terms of the offering are described in the prospectus supplement dated December 4, 2012, which was filed by the Obligors with the SEC on December 5, 2012.

The underwriting agreement contains customary representations, warranties and agreements by the Obligors and the underwriters, and customary conditions to closing, indemnification obligations of the Obligors and the underwriters, including for liabilities under the Securities Act of 1933, as amended, other obligations of the parties and termination provisions.
