- (1) Information with respect to each class (other than the allocated shares of Class A Common Stock to be sold by the selling shareholders see notes (11) and (12)) is omitted pursuant to General Instruction II.D of Form S-3. An indeterminate amount of Debt Securities (and any Guarantees thereof as described herein), Class A Common Stock, Preferred Stock, Preferred Stock Purchase Rights, Depositary Shares, Stock Purchase Contracts and Stock Purchase Units, Units and Warrants (and any Guarantees thereof as described herein) (the foregoing, collectively and individually, the Securities) are being registered as may from time to time be issued at indeterminate prices with an aggregate initial offering price not to exceed \$481,896,163 (see also note (10)) or the equivalent thereof in one or more other currencies.

Also includes such indeterminate amount as may be issued in Units. Separate consideration may or may not be received for any of these Securities.
- (3) The proposed maximum aggregate offering price for unallocated Securities has been estimated solely for purposes of calculating the registration fee pursuant to Rule 457(o) under the Securities Act of 1933, as amended (the Securities Act), and reflects the maximum aggregate offering price of unallocated Securities that may be issued.
- (4) Debt Securities may be issued at an original issue discount or at a premium.
- (5) No separate consideration will be received for the Guarantees. Pursuant to Rule 457(n) under the Securities Act, no registration fee is required with respect to the Guarantees.

The Preferred Stock Purchase Rights initially will trade together with the Class A Common Stock. The value attributable to the Preferred Stock Purchase Rights, if any, is reflected in the offering price of the Class A Common Stock and no separate consideration will be received for the Preferred Stock Purchase Rights. Therefore, the registration fee for the Preferred Stock Purchase Rights is included in the fee for the Class A Common Stock.
- (7) Each Depositary Share will be issued under a depositary agreement, will represent an interest in a fractional share or multiple shares of Preferred Stock and will be evidenced by a depositary receipt.
- (8) Any Securities registered hereunder may be sold separately or as Units with other Securities registered hereunder.
- (9) The Warrants covered by this registration statement may be Warrants to purchase Preferred Stock, Class A Common Stock, Depositary Shares or Debt Securities.
- (10) This Registration Statement includes \$30,500,000 of unsold Debt Securities (and any Guarantees thereof as described herein), Class A Common Stock, Preferred Stock, Preferred Stock Purchase Rights, Depositary Shares, Stock Purchase Contracts and Stock Purchase Units, Units and Warrants (and any Guarantees thereof as described herein), all of which were previously registered on Form S-3 (Registration No. 333-173365) of Hovnanian Enterprises, Inc., K. Hovnanian Enterprises, Inc. and the additional registrants named therein (the Prior Registration Statement). Pursuant to Rule 415(a)(6) under the Securities Act, the registration fee previously paid in connection with such unsold securities will continue to be applied to such unsold securities. Pursuant to Rule 415(a)(6), the offering of the unsold securities registered under the Prior Registration Statement will be deemed terminated as of the date of effectiveness of this Registration Statement. Accordingly, the Amount of Registration Fee set forth in the table above does not include the registration fee previously paid with respect to such \$30,500,000 of securities previously registered.
- (11) Represents shares of Class A Common Stock that may be sold by the selling shareholders named herein.
- (12) Estimated solely for purposes of calculating the registration fee pursuant to Rule 457(c) of the Securities Act, based on the market value of Hovnanian Enterprises, Inc. Class A Common Stock being registered, as established by the average of the high and low prices of Hovnanian Enterprises, Inc. Class A Common Stock as reported on the New York Stock Exchange on June 26, 2013.

The Registrants hereby amend this Registration Statement on such date or dates as may be necessary to delay its effective date until the Registrants shall file a further amendment which specifically states that this Registration Statement shall thereafter become effective in accordance with Section 8(a) of the Securities Act of 1933 or until this Registration Statement shall become effective on such date as the Commission, acting pursuant to said Section 8(a), may determine.

RISK FACTORS

An investment in our securities involves a high degree of risk. Table of Contents

**RATIOS OF EARNINGS TO FIXED CHARGES AND
EARNINGS TO COMBINED FIXED CHARGES AND PREFERRED STOCK DIVIDENDS**

For purposes of computing the ratio of earnings to fixed charges and the ratio of earnings to combined fixed charges and preferred stock dividends, earnings consist of earnings from continuing operations before income taxes and income or loss from equity investees, plus fixed charges and distributed income of equity investees, less interest capitalized. Fixed charges consist of all interest incurred, plus that portion of operating lease rental expense (33%) deemed to be representative of interest, plus the amortization of debt issuance costs and bond discounts. Combined fixed charges and preferred stock dividends consist of fixed charges and preferred stock dividends declared. Due to covenant restrictions, we have been prohibited from paying preferred stock dividends beginning with the first quarter of fiscal year 2008. The following table sets forth the ratios of earnings to fixed charges and the ratios of earnings to combined fixed charges and preferred stock dividends for each of the periods indicated:

	Six Months Ended April 30, 2013	2012	Year Ended October 31,			
			2011	2010	2009	2008
Ratio of earnings to fixed charges	(a)	(a)	(a)	(a)	(a)	(a)
Ratio of earnings to combined fixed charges and preferred stock dividends	(b)	(b)	(b)	(b)	(b)	(b)

- (a) Earnings for the six months ended April 30, 2013 and the years ended October 31, 2012, 2011, 2010, 2009 and 2008 were insufficient to cover fixed charges for such period by \$23.7 million, \$105.1 million, \$272.9 million, \$273.8 million, \$628.3 million and \$1,153.5 million, respectively.
- (b) Earnings for the six months ended April 30, 2013 and the years ended October 31, 2012, 2011, 2010, 2009 and 2008 were insufficient to cover fixed charges and preferred stock dividends for such period by \$23.7 million, \$105.1 million, \$272.9 million, \$273.8 million, \$628.3 million and 1,153.5 million, respectively. Due to restrictions in our indentures governing our senior secured and senior notes, we are currently prohibited from paying dividends on our preferred stock and did not make any dividend payments in the first half of fiscal 2013 or in fiscal 2012, 2011, 2010, 2009 and 2008.

USE OF PROCEEDS

Unless otherwise provided in the applicable prospectus supplement, the net proceeds from the sale of the securities offered by this prospectus and each prospectus supplement, the offered securities, will be used for general corporate purposes, which may include working capital needs, the refinancing or repayment of existing indebtedness, capital expenditures, expansion of the business and acquisitions. If any of the net proceeds from the offered securities will be used for acquisitions, we will identify the acquisition in the applicable prospectus supplement. The net proceeds may be invested temporarily in short-term securities or to repay short-term debt until they are used for their stated purpose.

Hovnanian will not receive any proceeds from the sale of any shares of Class A Common Stock offered by the selling shareholders.

SELLING SHAREHOLDERS

8,726,003 shares of Class A Common Stock of Hovnanian being offered pursuant to this prospectus may be offered by selling shareholders. Identification of any selling shareholders and the amount of shares to be sold for any particular transaction will be made in the applicable prospectus supplement. The potential selling shareholders include those listed in the table below.

Table of Contents

The following table sets forth (1) as of June 27, 2013, the Class A Common Stock and Class B Common Stock of Hovnanian beneficially owned by each potential selling shareholder and (2) the number of shares of Class A Common Stock that may be offered by each potential selling shareholder and the amount and percentage of Class A Common Stock to be owned after completion of the offering by such potential selling shareholder. The amount and percentage of Class B Common Stock to be owned by each selling shareholder after completion of the offering is the same as the amount and percentage prior to the offering.

(1) Beneficial ownership is determined in accordance with the rules of the Commission and generally attributes ownership to persons who have or share voting or investment power with respect to the relevant securities. Shares of Common Stock subject to options either currently exercisable or exercisable within 60 days are considered beneficially owned and are deemed outstanding for computing the percentage of the person holding such options but are not deemed outstanding for computing the percentage of any other person. Except as indicated by these footnotes, and subject to community property laws where applicable, the selling shareholders named in the table have sole voting and investment power with respect to all Common Stock shown as beneficially owned by them.

On July 29, 2008, the Company's Board of Directors declared a dividend of one Preferred Stock Purchase Right for each outstanding share of Class A Common Stock and Class B Common Stock. The dividend was paid to stockholders of record on August 15, 2008. Subject to the terms, provisions and conditions of the Rights Plan, if the Preferred Stock Purchase Rights become exercisable, each Preferred Stock Purchase Right would initially represent the right to purchase from the Company one ten-thousandth of a share of Series B Junior Preferred Stock for a purchase price of \$35.00 per share. However, prior to exercise, a Preferred Stock Purchase Right does not give its holder any rights as a stockholder, including without limitation, any dividend, voting or liquidation rights.

- (2) The figures in the table in respect of Class A Common Stock do not include the shares of Class B Common Stock beneficially owned by the specified selling shareholder, which shares of Class B Common Stock are convertible at any time on a share for a share basis to Class A Common Stock.
- (3) Based upon the number of shares outstanding plus, in the case of Class B Common Stock, options currently exercisable or exercisable within 60 days of June 27, 2013 for such selling shareholder.
- (4) Mr. A. Hovnanian is the President (appointed in 1988), Chief Executive Officer (since July 1997) and Chairman of the Board of Directors (since November 2009) of the Company. Includes 1,125,000 shares of Class B Common Stock subject to options currently exercisable or exercisable within 60 days of June 27, 2013, whether or not in-the-money. Also includes 372,116 shares of Class A Common Stock and 431,394 shares of Class B Common Stock held in family-related trusts as to which Mr. A. Hovnanian has shared voting power and shared investment power and 37,374 shares of Class A Common Stock and 195,274 shares of Class B Common Stock held by Mr. A. Hovnanian's wife and children. Mr. A. Hovnanian disclaims beneficial ownership of such shares, except to the extent of his potential pecuniary interest in such other accounts and trusts. Of the shares of Class A Common Stock beneficially held by Mr. A. Hovnanian, 1,995,397 shares have been pledged as collateral for a loan with Deutsche Bank, and 1,337,505 shares have been pledged as collateral for a loan with Morgan Stanley, both of which loans remain outstanding. The designated address of Mr. A. Hovnanian is c/o Hovnanian Enterprises, Inc., 110 West Front Street, P.O. Box 500, Red Bank, New Jersey 07701.
- (5) Mrs. Hovnanian is the mother of Mr. A. Hovnanian and the wife of the Company's deceased Chairman, Kevork S. Hovnanian. The designated address of Mrs. Hovnanian is c/o Hovnanian Enterprises, Inc., 110 West Front Street, P.O. Box 500, Red Bank, New Jersey 07701.

Whenever we refer to particular defined terms of the Indentures in this section or in a prospectus supplement, we are incorporating these definitions into this prospectus or the prospectus supplement.

None of the Indentures limits the amount of debt securities that may be issued thereunder, and certain of the unsecured Indentures provide that the debt securities may be issued from time to time in one or more series, in which case the unsecured Indentures permit the appointment of a different trustee for each series of debt securities. Wherever particular sections or defined terms of the applicable Indenture are referred to, those sections or defined terms are incorporated herein by reference as part of the statement made, and the statement is qualified in its entirety by the reference. For purposes of the summaries set forth below, issuer shall refer to K. Hovnianian in the case of the K. Hovnianian Debt Securities and the K. Provisions Applicable to Senior, Senior Subordinated and Subordinated Debt Securities

General. The Hovnianian Debt Securities will be unsecured senior, senior subordinated or subordinated obligations of Hovnianian and the K. Hovnianian Debt Securities will be secured or unsecured senior, unsecured senior subordinated or unsecured subordinated obligations of K. Hovnianian, except that, under specified circumstances, K. Hovnianian may be released from these obligations. See Conditions for Release of K. Hovnianian . Unless otherwise specified in any prospectus supplement, the Senior Debt Securities will rank equally in right of payment with all of the other senior obligations of Hovnianian or K. Hovnianian, as applicable, and the Senior Subordinated Debt Securities and the Subordinated Debt Securities will have such terms with respect to rank and priority as described under Provisions Applicable Solely to Senior Subordinated Debt Securities and Subordinated Debt Securities Subordination . Except to the extent described in any prospectus supplement, the Indentures do not, and the debt securities will not, contain any covenants or other provisions that are intended to afford holders of the debt securities special protection in the event of either a change of control of Hovnianian (except with respect to secured senior obligations of K. Hovnianian and certain unsecured senior obligations of K. Hovnianian, in each case as described in the applicable prospectus supplement) or a highly leveraged transaction by Hovnianian.

Debt securities may bear interest at a fixed rate or a floating rate. Debt securities bearing no interest or interest at a rate that at the time of issuance is below the prevailing market rate may be issued at an initial offering price below their stated principal amount. Special United States federal income tax considerations applicable to discounted debt securities or to other debt securities that are treated as having been issued at a discount for United States federal income tax purposes will be described in the applicable prospectus supplement.

Unless otherwise specified in any prospectus supplement, in determining whether the holders of the requisite aggregate principal amount of outstanding debt securities of any series have given any request, demand, authorization, direction, notice, consent or waiver under the Indentures, the principal amount of any series of debt securities originally issued at a discount from their stated principal amount that will be deemed to be outstanding for such purposes will be the amount of the principal thereof that would be due and payable as of the date of the determination upon a declaration of acceleration of the maturity thereof.

Description of Guarantees. Hovnanian will fully and unconditionally guarantee, pursuant to the K. Hovnanian Indentures, the due and prompt payment of the principal of and premium, if any, and interest on the K. Hovnanian Debt Securities and all other obligations of K. Hovnanian to the holders of the K. Hovnanian Debt Securities and the trustee under the K. Hovnanian Indentures when and as the same shall become due and payable, whether at the stated maturity, by declaration of acceleration, call for redemption or otherwise. Any series of debt securities of Hovnanian may be guaranteed by, and any series of debt securities of K. Hovnanian may be further guaranteed by, certain subsidiaries of Hovnanian, the subsidiary guarantees, as provided in the applicable prospectus supplement relating to such series. If debt securities are guaranteed by subsidiary guarantors, that subsidiary guarantee will be set forth in the applicable indenture or in a supplemental indenture.

Payments with respect to the guarantee by Hovnanian of the K. Hovnanian Senior Subordinated Debt Securities and K. Hovnanian Subordinated Debt Securities will be subordinated in right of payment to the prior payment in full of all Senior Indebtedness of Hovnanian to the same extent and manner that payments with respect to the K. Hovnanian Senior Subordinated Debt Securities and K. Hovnanian Subordinated Debt Securities are subordinated in right of payment to the prior payment in full of all Senior Indebtedness of K. Hovnanian as described under

Provisions Applicable Solely to Senior Subordinated Debt Securities and Subordinated Debt Securities below. Likewise, payments with respect to subsidiary guarantees of Senior Subordinated Debt Securities and Subordinated Debt Securities will be subordinated in right of payment to the prior payment in full of all Senior Indebtedness of each such subsidiary guarantor to the same extent and manner that payments with respect to the Senior Subordinated Debt Securities and Subordinated Debt Securities are subordinated in right of payment to the prior payment in full of all Senior Indebtedness of the issuer of such debt securities as described under Provisions Applicable Solely to Senior Subordinated Debt Securities and Subordinated Debt Securities below.

Global Securities. The Offered Debt Securities may be issued in whole or in part in the form of one or more global securities, the global securities, that will be deposited with or on behalf of a depository, the depository, identified in the prospectus supplement relating to such series. Global securities may be issued only in fully registered form and in either temporary or permanent form. Unless and until it is exchanged in whole or in part for the individual debt securities represented thereby, a global security:

may not be transferred except as a whole; and

may only be transferred:

by the depository for the global security to its nominee,

by a nominee of the depository to the depository or another nominee of the depository, or

by the depository or any nominee to a successor depository or nominee of the successor depository.

Table of Contents

The specific terms of the depositary arrangement with respect to Offered Debt Securities will be described in the prospectus supplement relating to such series. Hovnanian and K. Hovnanian anticipate that the following provisions generally will apply to all depositary arrangements.

Upon the issuance of a global security, the depositary for that global security or its nominee will credit, on its book-entry registration and transfer system, the respective principal amounts of the individual debt securities represented by that global security to the accounts of persons that have accounts with such depositary. Those accounts will be designated by the dealers, underwriters or agents with respect to those debt securities or by the issuer if the debt securities are offered and sold directly by the issuer. Ownership of beneficial interests in a global security will be limited to persons that have accounts with the applicable depositary, participants, or persons that may hold interests through participants. Ownership of beneficial interests in a global security will be shown on, and the transfer of that ownership will be effected only through, records maintained by the applicable depositary or its nominee, with respect to interests of participants, and the records of participants, with respect to interests of persons other than participants. The laws of some states require that certain purchasers of securities take physical delivery of these securities in definitive form. These limits and laws may impair the ability to transfer beneficial interests in a global security.

As long as the depositary for a global security or its nominee is the registered owner of the global security, the depositary or its nominee, as the case may be, will be considered the sole owner or holder of the debt securities of the series represented by that global security for all purposes under the Indenture governing those debt securities. Except as provided below, owners of beneficial interests in a global security will not be entitled to have any of the individual debt securities of the series represented by the global security registered in their names, will not receive or be entitled to receive physical delivery of any of those debt securities in definitive form and will not be considered the owners or holders thereof under the Indenture governing those debt securities.

Payment of principal of, premium, if any, and interest, if any, on individual debt securities represented by a global security registered in the name of a depositary or its nominee will be made to the depositary or its nominee, as the case may be, as the registered owner of the global security representing the debt securities. Hovnanian and K. Hovnanian expect that the depositary for a series of debt securities or its nominee, upon receipt of any payment of principal, premium, if any, and interest, if any, in respect of a global security representing any of those debt securities, will immediately credit participants' accounts with payments in amounts proportionate to their respective beneficial interests in the principal amount of the global security for those securities as shown on the records of such depositary or its nominee. Hovnanian and K. Hovnanian also expect that payments by participants to owners of beneficial interests in the global security held through the participants will be governed by standing instructions and customary practices, as is now the case with securities held for the accounts of customers in bearer form or registered in street name. These payments will be the responsibility of the participants. Neither Hovnanian, K. Hovnanian, the trustee for such debt securities, any paying agent nor the registrar for the debt securities will have any responsibility or liability for any aspect of the records relating to or payments made on account of beneficial ownership interests of the global security for the debt securities or for maintaining, supervising or reviewing any records relating to beneficial ownership interests.

If the depositary for a series of debt securities is at any time unwilling, unable or ineligible to continue as depositary and a successor depositary is not appointed by the issuer within 90 days, the issuer will issue individual debt securities of the applicable series in exchange for the global security representing the applicable series of debt securities. In addition, an issuer may at any time and in its sole discretion, subject to any limitations described in the prospectus supplement relating to such debt securities, determine not to have any debt securities of a series represented by a global security and, in such event, will issue individual debt securities of the applicable series in exchange for the global security representing the applicable series of debt securities. Further, if an issuer so specifies with respect to the debt securities of a series, an owner of a beneficial interest in a global security representing debt securities of that series may, on terms acceptable to the issuer, the trustee and the depositary for the global security, receive individual debt securities of the applicable series in exchange for beneficial interests, subject to any limitations described in the prospectus supplement relating to the debt securities. In this instance, an owner of a beneficial interest in a global security will be entitled to physical delivery of individual debt securities of the series represented by the applicable global security equal in principal amount to the beneficial interest and to have the debt securities registered in its name. Individual debt securities of the series so issued will be issued in registered form and in denominations, unless otherwise specified in the applicable prospectus supplement relating to that series of debt securities, of \$2,000 and integral multiples of \$1,000 in excess thereof.

Table of Contents

Events of Default. Unless otherwise specified in the applicable prospectus supplement, an Event of Default is defined under each Indenture with respect to the debt securities of any series issued under the applicable Indenture as being:

default in the payment of principal of or premium, if any, with respect to debt securities of the applicable series when due;

default in the payment of any installment of interest on any of the debt securities of that series when due, continued for 30 days;

default in the payment or satisfaction of any sinking fund or other purchase obligation with respect to debt securities of that series when due;

default in the performance of any other covenant of any of the obligors applicable to debt securities of that series after written notice to the obligors by the trustee or to the obligors and the trustee, by the holders of at least 25% in aggregate principal amount of the debt securities of that series then outstanding requiring the same to be remedied and after giving effect to any applicable grace period; and

specified events of bankruptcy, insolvency or reorganization of the issuer.

An Event of Default with respect to secured senior obligations of K. Hovnanian is also defined under the applicable K. Hovnanian Senior Debt Indenture to include the following, as further described in the applicable prospectus supplement:

with respect to any obligor, acceleration of principal payments of indebtedness (other than non-recourse indebtedness), payment defaults on principal or interest on indebtedness (other than non-recourse indebtedness), or one or more final judgments, in each case in amounts aggregating \$25 million or more, after giving effect to the applicable grace period;

the failure of any guarantee of certain significant subsidiaries of Hovnanian to be in full force and effect or the denial by any guarantor of its liability under its guarantee; and

the termination of or failure of the liens securing any material portion of the collateral securing such secured senior obligations of K. Hovnanian to be valid and perfected or the termination of or failure of the applicable security documents to be in full force and effect, after giving effect to the applicable grace period (in each case with certain exceptions).

If any Event of Default shall occur and be continuing, the trustee or the holders of not less than 25% in aggregate principal amount of the debt securities of that series then outstanding, by notice in writing to Hovnanian or K. Hovnanian, as applicable, and to the trustee, if given by the holders, may declare the principal, or, in the case of any series of debt securities originally issued at a discount from their stated principal amount, the portion of the principal amount as may be specified in the terms of that series, of all of the debt securities of that series and the interest, if any, accrued thereon to be due and payable immediately. Subject to the conditions set forth in each Indenture, the declaration described in the preceding sentence may be rescinded by notice in writing to Hovnanian or K. Hovnanian, as applicable, and the trustee by holders of a majority in aggregate principal amount of the debt securities of the series then outstanding. This rescission will rescind and annul any declaration made pursuant to the first sentence of this paragraph and its consequences if all defaults under such Indenture are cured or waived.

Table of Contents

Each Indenture provides that no holder of any series of debt securities then outstanding may institute any suit, action or proceeding with respect to, or otherwise attempt to enforce, that Indenture, unless:

the holder previously gave the trustee written notice of default and of the continuance thereof;

the holders of not less than 25% in aggregate principal amount of the applicable series of debt securities then outstanding made written request to the trustee to institute the suit, action or proceeding and offered to the trustee reasonable indemnity as it may require with respect thereto; and

the trustee, for 60 days after its receipt of the notice, request and offer of indemnity, neglected or refused to institute any action, suit or proceeding.

Subject to the subordination provisions applicable to the Senior Subordinated Debt Securities and the Subordinated Debt Securities, the right, described in the above bullet points, of any holder of any debt security to receive payment of the principal of, premium, if any, or interest, if any, on that debt security, on or after the respective due dates, or to institute suit for the enforcement of any payment shall not be impaired or affected without the consent of the holder.

The holders of a majority in aggregate principal amount of the debt securities of the series then outstanding may direct the time, method and place of conducting any proceeding for any remedy available to the trustee or exercising any trust or power conferred on the trustee with respect to the debt securities of that series, provided that the trustee may decline to follow that direction if the trustee determines that the action or proceeding is unlawful or would involve the trustee in personal liability.

Hovnanian and/or K. Hovnanian, as applicable, are required to furnish annually to the trustee a certificate as to compliance by Hovnanian and/or K. Hovnanian, as applicable, with all conditions and covenants under each Indenture.

Covenants. The covenants, if any, that will apply to the particular Offered Debt Securities will be as described in the applicable prospectus supplement relating to such Offered Debt Securities. Except as described herein and as otherwise specified in the applicable prospectus supplement with respect to any Offered Debt Securities, Hovnanian and/or K. Hovnanian as applicable may remove or add covenants without the consent of holders of the debt securities.

Discharge and Defeasance. Unless otherwise specified in the applicable prospectus supplement, Hovnanian and/or K. Hovnanian, as applicable, can discharge or defease their respective obligations with respect to any series of debt securities as described below.

Unless otherwise specified in any prospectus supplement, Hovnanian or K. Hovnanian, as applicable, may discharge all of its obligations, except those described below, to holders of any series of debt securities issued under any Indenture that have not already been delivered to the trustee for cancellation and that have either become due and payable, or are by their terms due and payable within one year or are to be called for redemption within one year, by irrevocably depositing with the trustee cash or U.S. Government Obligations, as defined in the Indenture, or a combination thereof, as trust funds in an amount to be sufficient to pay when due the principal of, premium, if any, and interest, if any, on all outstanding debt securities of that series and to make any mandatory sinking fund payments, if any, thereon when due.

Unless otherwise provided in the applicable prospectus supplement, Hovnanian or K. Hovnanian, as applicable, may also elect at any time to defease and be discharged from all of its obligations, except those described below, to holders of any series of debt securities issued under each Indenture, defeasance, or be released from all of their obligations with respect to specified covenants and certain Events of Default applicable to any series of debt securities issued under each Indenture, covenant defeasance, if, among other things:

Hovnanian or K. Hovnanian, as applicable, irrevocably deposit with the trustee cash or U.S. Government Obligations, or a combination thereof, as trust funds in an amount to be sufficient to pay when due the principal of, premium, if any, and interest, if any, on all outstanding debt securities of the applicable series and to make any mandatory sinking fund payments, if any, thereon when due;

Table of Contents

the deposit will not result in a breach or violation of, or cause a default under, any material agreement or instrument (other than the Indenture) to which either Hovnanian or K. Hovnanian, as applicable, is a party or by which it is bound; and

Hovnanian or K. Hovnanian, as applicable, deliver to the trustee an opinion of counsel to the effect that the holders of the applicable series of debt securities will not recognize income, gain or loss for United States federal income tax purposes as a result of the defeasance or covenant defeasance and that defeasance will not otherwise alter the United States federal income tax treatment of the holders' principal of and interest payments, if any, on that series of debt securities.

In the case of defeasance, the opinion must be based on a ruling of the Internal Revenue Service or a change in United States federal income tax law occurring after the date of the Indenture relating to the debt securities of such series, because this result would not occur under current tax law.

Notwithstanding the foregoing, no discharge, defeasance or covenant defeasance described above will affect the following obligations to, or rights of, the holders of any series of debt securities:

rights of registration of transfer and exchange of debt securities of the applicable series;

rights of substitution of mutilated, defaced, destroyed, lost or stolen debt securities of the applicable series;

rights of holders of debt securities of the applicable series to receive payments of principal thereof, premium, if any, and interest, if any, thereon, upon the original due dates therefore, but not upon acceleration, and to receive mandatory sinking fund payments thereon when due, if any;

rights, obligations, duties and immunities of the trustee;

rights of holders of debt securities of a series as beneficiaries with respect to property so deposited with the trustee payable to all or any of them; and

obligations of Hovnanian or K. Hovnanian, as applicable, to maintain an office or agency in respect of debt securities of the series. Hovnanian or K. Hovnanian, as applicable, may exercise the defeasance option with respect to any series of debt securities notwithstanding the prior exercise of the covenant defeasance option with respect to any series of debt securities. If Hovnanian or K. Hovnanian, as applicable, exercises the defeasance option with respect to any series of debt securities, payment of that series of debt securities may not be accelerated because of an Event of Default with respect to that series of debt securities. If Hovnanian or K. Hovnanian, as applicable, exercises the covenant defeasance option with respect to any series of debt securities, payment of that series of debt securities may not be accelerated by reason of an Event of Default with respect to the covenants to which such covenant defeasance is applicable and certain other Events of Default. However, if acceleration were to occur by reason of another Event of Default, the realizable value at the acceleration date of the cash and U.S. Government Obligations in the defeasance trust could be less than the principal of, premium, if any, and interest, if any, and any mandatory sinking fund payments, if any, then due on the series of debt securities, in that the required deposit in the defeasance trust is based upon scheduled cash flow rather than market value, which will vary depending upon interest rates and other factors. In addition, if K. Hovnanian exercises its defeasance or covenant defeasance option with respect to senior secured obligations of K. Hovnanian, the liens on the collateral granted under the security documents will be released.

Modification of the Indenture. Except as otherwise provided in the applicable prospectus supplement, each Indenture provides that the obligors and the trustee may enter into supplemental indentures without the consent of the holders of the debt securities to:

modify the provisions to provide for the denomination of debt securities in foreign currencies that will not adversely affect the interests of the holders of the debt securities in any material respect;

to conform the text of the applicable Indenture, Offered Debt Securities or guarantees to this Description of Debt Securities or the comparable provisions in the applicable prospectus supplement to the extent this Description of Debt Securities or such comparable provision in a prospectus supplement was intended to be a verbatim recitation of a provision of such Indenture, Offered Debt Securities or guarantees;

Edgar Filing: HOVNANIAN ENTERPRISES INC - Form S-3

to provide for or confirm the issuance of any additional notes, as applicable;

make any other change with respect to the debt securities of any series that does not adversely affect the legal rights of holders of the debt securities of such series; and

Each Indenture also contains provisions permitting the obligors and the trustee, with the consent of the holders of not less than a majority in aggregate principal amount of debt securities of each series then outstanding and affected, to add any provisions to, or change in any manner or eliminate any of the provisions of, the applicable Indenture or any supplemental indenture or modify in any manner the rights of the holders of the debt securities of that series; provided that the obligors and the trustee may not, without the consent of the holder of each outstanding debt security affected thereby:

change the stated final maturity of any debt security, reduce the principal amount thereof, reduce the rate or extend the time of payment of interest (including default interest), if any, thereon, reduce or alter the method of computation of any amount payable on redemption, repayment or purchase by the issuer, or in the case of secured senior obligations of K. Hovnanian, alter the provisions relating to redemption and offers to repurchase provided in the applicable K. Hovnanian Senior Debt Indenture and as further described in the applicable prospectus supplement, change the coin or currency in which principal, premium, if any, and interest, if any, are payable, reduce the amount of the principal of any original issue discount security payable upon acceleration or provable in bankruptcy, waive certain defaults or Events of Default, impair or affect the right to institute suit for the enforcement of any payment or repayment thereof or, if applicable, adversely affect any right of prepayment at the option of the holder or make any change adverse to the interests of the holders in the terms and conditions of the guarantee by Hovnanian or by the subsidiary guarantors, release any guarantee or all or substantially all of the collateral (as applicable) otherwise than in accordance with the indenture and the security documents or modify the ranking or priority of the debt securities of any series or any guarantees of the debt securities of such series; or

reduce the stated percentage in aggregate principal amount of debt securities of any series issued under the Indenture, the consent of which is required for any such amendment or waiver.

any Indebtedness as to which, by the terms of the instrument creating or evidencing the same, it is provided that the Indebtedness is not senior or prior in right of payment to such debt securities or is *pari passu* or subordinate by its terms in right of payment to such debt securities;

renewals, extensions and modifications of any such Indebtedness;

any Indebtedness of the obligors to a wholly-owned Subsidiary of the obligors;

Hovnanian, as applicable, and is not subordinated by its terms to any Indebtedness of Hovnanian that is not Senior Indebtedness of Hovnanian or K. Hovnanian, as applicable.

Table of Contents

Except as otherwise provided in the applicable prospectus supplement, the following subordination provisions will apply to the Senior Subordinated Debt Securities and the Subordinated Debt Securities:

If:

Hovnanian or K. Hovnanian, as applicable, should default in the payment of any principal of, premium, if any, or interest, if any, on any Senior Indebtedness of Hovnanian or K. Hovnanian, as applicable, when the same becomes due and payable, whether at maturity or at a date fixed for prepayment or by declaration of acceleration or otherwise, or

any other default with respect to Senior Indebtedness of Hovnanian or K. Hovnanian, as applicable, occurs and the maturity of the Senior Indebtedness has been accelerated in accordance with its terms, then, upon written notice of the default to Hovnanian or K. Hovnanian, as applicable, by the holders of the Senior Indebtedness or any trustee therefor, unless and until the default is cured or waived or has ceased to exist or the acceleration has been rescinded, no direct or indirect payment, in cash, property or securities, by set-off or otherwise, will be made or agreed to be made for principal of, premium, if any, or interest, if any, on any of the Senior Subordinated Debt Securities or the Subordinated Debt Securities, or in respect of any redemption, retirement, purchase or other acquisition of the Senior Subordinated Debt Securities or the Subordinated Debt Securities other than those made in capital stock of Hovnanian, or cash in lieu of fractional shares thereof.

Hovnanian, as applicable, pursuant to which the maturity thereof may be accelerated immediately or the expiration of any applicable grace periods occurs, a Senior Nonmonetary Default, then, upon the receipt by Hovnanian or K. Hovnanian, as applicable, and the trustee of written notice thereof, a payment notice, from or on behalf of holders of 25% or more of the aggregate principal amount of Senior Indebtedness specifying an election to prohibit the payment and other action by Hovnanian or K. Hovnanian, as applicable, in accordance with the following provisions of this paragraph Hovnanian or K. Hovnanian, as applicable, may not make any payment or take any other action that would be prohibited by the bullet points directly above during the period, the payment blockage period commencing on the date of receipt of the payment notice and ending on the earlier of:

the date, if any, on which the holders of such Senior Indebtedness or their representative notify the trustee that the Senior Nonmonetary Default is cured, waived or ceases to exist or the Senior Indebtedness to which the Senior Nonmonetary Default relates is discharged, or

the 120th day after the date of receipt of the payment notice.

Notwithstanding the provisions described in the immediately preceding bullet points, Hovnanian or K. Hovnanian, as applicable, may resume payments on the Senior Subordinated Debt Securities and the Subordinated Debt Securities after the payment blockage period. After the expiration of the initial payment blockage period, no subsequent payment blockage period may be commenced on the basis of a Senior Nonmonetary Default which existed or was continuing on the date of the commencement of the initial payment blockage period until at least 270 consecutive days have elapsed from the last day of the initial payment blockage period.

If:

without the consent of Hovnanian or K. Hovnanian, as applicable, a receiver, conservator, liquidator or trustee of Hovnanian or K. Hovnanian, as applicable, or of any of its property is appointed by the order or decree of any court or agency or supervisory authority having jurisdiction, and the decree or order remains in effect for more than 60 days, Hovnanian or K. Hovnanian, as applicable, is adjudicated bankrupt or insolvent, any of its property is sequestered by court order and that order remains in effect for more than 60 days, or a petition is filed against Hovnanian or K. Hovnanian, as applicable, under any state or federal bankruptcy, reorganization,

Hovnanian or K. Hovnanian, as applicable:

commences a voluntary case or other proceeding seeking liquidation, reorganization, arrangement, insolvency, readjustment of debt, dissolution, liquidation or other relief with respect to itself or its debt or other liabilities under any bankruptcy, insolvency or other similar law now or hereafter in effect or seeking the appointment of a trustee, receiver, liquidator, custodian or other similar official of it or any substantial part of its property;

consents to any such relief or to the appointment of or taking possession by any of the above officials in an involuntary case or other proceeding commenced against it;

fails generally to, or cannot, pay its debts generally as they become due;

takes any corporate action to authorize or effect any of the foregoing; or

any Subsidiary of the obligor takes, suffers or permits to exist any of the events or conditions referred to in any of the above bullet points,

then all Senior Indebtedness of Hovnanian or K. Hovnanian, as applicable, including any interest thereon accruing after the commencement of any proceedings, will first be paid in full before any payment or distribution, whether in cash, securities or other property, is made by the obligor to any holder of Senior Subordinated Debt Securities or Subordinated Debt Securities on account of the principal of, premium, if any, or interest, if any, on the Senior Subordinated Debt Securities or Subordinated Debt Securities, as the case may be.

Any payment or distribution, whether in cash, securities or other property, other than securities of Hovnanian or K. Hovnanian, as applicable, or any other corporation provided for by a plan of reorganization or readjustment the payment of which is subordinate, at least to the extent provided in the subordination provisions with respect to the indebtedness evidenced by the Senior Subordinated Debt Securities or the Subordinated Debt Securities, to the payment of all Senior Indebtedness of the obligor then outstanding and to any securities issued in respect thereof under a plan of reorganization or readjustment, that would otherwise, but for the subordination provisions, be payable or deliverable in respect of the Senior Subordinated Debt Securities or the Subordinated Debt Securities of any series will be paid or delivered directly to the holders of Senior Indebtedness of the obligor in accordance with the priorities then existing among such holders until all Senior Indebtedness of Hovnanian or K. Hovnanian, as applicable, including any interest thereon accruing after the commencement of proceedings, has been paid in full. In the event of any proceeding, after payment in full of all sums owing with respect to Senior Indebtedness of the obligor, the holders of Senior Subordinated Debt Securities, together with the holders of any obligations of the obligor ranking on a parity with the Senior Subordinated Debt Securities, will be entitled to be repaid from the remaining assets of Hovnanian or K. Hovnanian, as applicable, the amounts at that time due and owing on account of unpaid principal of, premium, if any, or interest, if any, on the Senior Subordinated Debt Securities and such other obligations before any payment or other distribution, whether in cash, property or otherwise, shall be made on account of any capital stock or obligations of the obligor ranking junior to the Senior Subordinated Debt Securities, including the Subordinated Debt Securities, and such other obligations.

If any payment or distribution of any character, whether in cash, securities or other property, other than securities of Hovnanian or K. Hovnanian, as applicable, or any other corporation provided for by a plan of reorganization or readjustment the payment of which is subordinate, at least to the extent provided in the subordination provisions with respect to the Senior Subordinated Debt Securities or the Subordinated Debt Securities, to the payment of all Senior Indebtedness of Hovnanian or K. Hovnanian, as applicable, then outstanding and to any securities issued in respect thereof under the plan of reorganization or readjustment, will be received by the trustee, or any holder of any Senior Subordinated Debt Securities or Subordinated Debt Securities in contravention of any of the terms of the Senior Subordinated Debt Indenture or the Subordinated Debt Indenture, as

the case may be, such payment or distribution of securities will be received in trust for the benefit of, and will be paid over or delivered and transferred to, the holders of the Senior Indebtedness of Hovnanian or K. Hovnanian, as applicable, then outstanding in accordance with the priorities then existing among the holders for application to the payment of all Senior Indebtedness of Hovnanian or K. Hovnanian, as applicable, remaining unpaid to the extent necessary to pay all the Senior Indebtedness of Hovnanian or K. Hovnanian, as applicable, in full.

By reason of the subordination, in the event of the insolvency of Hovnanian or K. Hovnanian, as applicable, holders of Senior Indebtedness of Hovnanian or K. Hovnanian, as applicable, may receive more, ratably, than holders of the Senior Subordinated Debt Securities or Subordinated Debt Securities of Hovnanian or K. Hovnanian, as applicable. Subordination will not prevent the occurrence of any Event of Default, as defined in the Indentures, or limit the right of acceleration in respect of the Senior Subordinated Debt Securities or Subordinated Debt Securities.

As a result of the most restrictive of these provisions, Hovnanian is not currently able to pay any cash dividends and anticipates that it will be prohibited from doing so for the foreseeable future. Hovnanian has never paid cash dividends on its Class A Common Stock nor does it currently intend to pay cash dividends on its Class A Common Stock. The preferred stock may be used by the Board of Directors of Hovnanian without further action by Hovnanian's stockholders as an anti-takeover device. As of June 27, 2013, 5,600 shares of Hovnanian's preferred stock were issued and outstanding, consisting of entirely of Hovnanian's 7.625% Series A Preferred Stock (liquidation preference \$25,000.00 per share) par value \$.01 per share, the Series A Preferred Stock.

The applicable prospectus supplement will describe the terms of any preferred stock that may be offered, including the number of shares, dividend rate and dividend period, liquidation value, voting rights, conversion rights (if any), dividend and liquidation preferences, redemption terms, whether depositary shares representing fractional interests will be offered, and any other rights, privileges and limitations thereof.

7.625% Series A Preferred Stock

Dividends on the Series A Preferred Stock are not cumulative. The Series A Preferred Stock ranks senior to Hovnanian's common stock with respect to the payment of dividends to the extent provided in the Certificate of Designations, Powers, Preferences and Rights of the 7.625% Series A Preferred Stock (the Certificate). The Certificate provides that unless dividends have been declared and paid or set apart for payment on the Series A Preferred Stock for the then-currently quarterly dividend period, no dividend may be declared or paid or set apart for payment on Hovnanian's common stock for that period, other than dividends or distributions paid in shares of, or options, warrants or rights to subscribe for or purchase shares of, the common stock of Hovnanian or any other stock of Hovnanian ranking, as to the payment of dividends and the distribution of assets upon dissolution, liquidation or winding up of Hovnanian, junior to the Series A Preferred Stock.

The Series A Preferred Stock is traded as depositary shares, with each depositary share representing 1/1000th of a share of Series A Preferred Stock, and is listed on the NASDAQ Global Market under the symbol HOVNP.

Table of Contents

The Series A Preferred Stock has no voting rights except as provided for in the Certificate or as otherwise required by law. However, so long as any shares of Series A Preferred Stock are outstanding, Hovnanian will not, without the vote of the holders of at least a majority of the shares of the Series A Preferred Stock, (1) authorize, create or issue any capital stock of Hovnanian ranking, as to dividends or upon liquidation, dissolution or winding up, senior to the Series A Preferred Stock, or reclassify any authorized capital stock of Hovnanian into any such shares of such capital stock, or issue any obligation or security convertible into or evidencing the right to purchase any such shares, or (2) amend, alter or repeal the Certificate, or the certificate of incorporation of Hovnanian, whether by merger, consolidation or otherwise, in a way that adversely affects the powers, preferences or special rights of the Series A Preferred Stock. Any increase in the amount of authorized common stock or preferred stock or any increase or decrease in the number of shares of any series of preferred stock or the authorization, creation and issuance of other classes or series of stock, in each case ranking equally with or junior to the Series A Preferred Stock will not be deemed to adversely affect such powers, preferences or special rights.

The Series A Preferred Stock has liquidation preferences over Hovnanian's common stock. Upon any liquidation, dissolution or winding up of Hovnanian, the holders of the Series A Preferred Stock will be entitled to receive out of the assets of Hovnanian available for distribution to its stockholders, an amount equal to the liquidation preference of \$25,000.00 per share plus all accrued and unpaid dividends before any payment or distribution out of Hovnanian's assets may be made to or set apart for the holders of Hovnanian's common stock or other junior equity. If, upon any liquidation, dissolution or winding up of Hovnanian, the assets of Hovnanian, or proceeds thereof, distributable among the holders of shares Series A Preferred Stock and any stock ranking equally with the Series A Preferred Stock shall be insufficient to pay in full the preferential amounts to which such stock would be entitled, then such assets, or the proceeds thereof, shall be distributable among such holders ratably in accordance with the respective amounts which would be payable on such shares if all amounts payable thereon were paid in full. Neither a consolidation nor merger of Hovnanian, nor a sale, lease, exchange or transfer of all or substantially all of Hovnanian's assets will be deemed to be a liquidation, dissolution or winding up of Hovnanian.

Rights Plan

On July 29, 2008, the Board of Directors of Hovnanian adopted a shareholder rights plan, the Rights Plan, and declared a dividend of one preferred share purchase right for each outstanding share of Class A Common Stock and Class B Common Stock, which was subsequently paid to stockholders of record as of August 15, 2008. Subject to the terms, provisions and conditions of the rights plan, if and when they become exercisable, each right would entitle its holder to purchase from Hovnanian one ten-thousandth of a share of Hovnanian's Series B Junior Preferred Stock for a purchase price of \$35.00 per share, the Purchase Price. If issued, each fractional share of Preferred Stock would give the stockholder approximately the same dividend, voting and liquidation rights as does one share of Hovnanian's Class A Common Stock. However, prior to exercise, a right does not give its holder any rights as a stockholder of Hovnanian, including without limitation any dividend, voting or liquidation rights.

The Board of Directors of Hovnanian adopted the Rights Plan in an effort to protect stockholder value by attempting to protect against a possible limitation on Hovnanian's ability to use its net operating loss carryforwards, NOLs, to reduce potential future federal income tax obligations. Hovnanian has experienced and continues to experience substantial operating losses, and under the Internal Revenue Code and rules promulgated by the Internal Revenue Service, Hovnanian may carry forward these losses in certain circumstances to offset any current and future earnings and thus reduce its federal income tax liability, subject to certain requirements and restrictions. To the extent that the NOLs do not otherwise become limited, Hovnanian believes that it will be able to carry forward a significant amount of NOLs, and therefore these NOLs could be a substantial asset to Hovnanian. However, if Hovnanian experiences an Ownership Change, as defined in Section 382 of the Internal Revenue Code, Hovnanian's ability to use the NOLs will be substantially limited, and the timing of the usage of the NOLs could be substantially delayed, which could therefore significantly impair the value of that asset. The Rights Plan is intended to act as a deterrent to any person or group acquiring 4.9% or more of our outstanding Class A Common Stock, an Acquiring Person, without the approval of Hovnanian's Board.

Exercisability. The rights will not be exercisable until the earlier of (i) 10 business days after a public announcement by us that a person or group has become an Acquiring Person and (ii) 10 business days after the commencement of a tender or exchange offer by a person or group for 4.9% of the Class A Common Stock.

Table of Contents

Until the date that the rights become exercisable, the Distribution Date, the rights are evidenced by Hovnanian's Class A Common Stock and Class B Common Stock certificates which contain a notation to that effect. Any transfer of shares of Class A Common Stock and/or Class B Common Stock prior to the Distribution Date constitutes a transfer of the associated rights. After the Distribution Date, the rights may be transferred separately from the transfer of the underlying shares of Class A Common Stock or Class B Common Stock. After the Distribution Date, each holder of a right, other than rights beneficially owned by the Acquiring Person (which will thereupon become void), will thereafter have the right to receive upon exercise of a right and payment of the Purchase Price, that number of shares of Class A Common Stock or Class B Common Stock, as the case may be, having a market value of two times the Purchase Price.

Exchange. After the Distribution Date, the Board of Directors may exchange the rights (other than rights owned by an Acquiring Person which will have become void), in whole or in part, at an exchange ratio of one share of Common Stock, or a fractional share of Series B Preferred Stock (or of a share of a similar class or series of Hovnanian's preferred stock having similar rights, preferences and privileges) of equivalent value, per right (subject to adjustment).

Expiration. The rights and the Rights Plan will expire on the earliest of (i) August 14, 2018, (ii) the time at which the rights are redeemed pursuant to the Rights Agreement, (iii) the time at which the rights are exchanged pursuant to the Rights Agreement, (iv) the repeal of Section 382 of the Internal Revenue Code or any successor statute if the Board of Directors determines that the Rights Agreement is no longer necessary for the preservation of tax benefits, and (v) the beginning of a taxable year of Hovnanian to which the Board of Directors determines that no tax benefits may be carried forward.

Redemption. At any time prior to the time an Acquiring Person becomes such, the Board of Directors may redeem the rights in whole, but not in part, at a price of \$0.01 per right, the Redemption Price. The redemption of the rights may be made effective at such time, on such basis and with such conditions as the Board of Directors in its sole discretion may establish. Immediately upon any redemption of the rights, the right to exercise the rights will terminate and the only right of the holders of rights will be to receive the Redemption Price.

Anti-Dilution Provisions. The Board of Directors may adjust the purchase price of the preferred shares, the number of preferred shares issuable and the number of outstanding rights to prevent dilution that may occur as a result of certain events, including among others, a stock dividend, a stock split or a reclassification of the preferred shares or Hovnanian's Class A Common Stock or Class B Common Stock. No adjustments to the purchase price of less than 1% will be made.

Amendments. Before the Distribution Date, the Board of Directors may amend or supplement the Rights Plan without the consent of the holders of the rights. After the Distribution Date, the Board of Directors may amend or supplement the rights Plan only to cure an ambiguity, to alter time period provisions, to correct inconsistent provisions, or to make any additional changes to the Rights Plan, but only to the extent that those changes do not impair or adversely affect any rights holder.

Transfer Restrictions in the Certificate of Incorporation

At a special meeting of stockholders held on December 5, 2008, Hovnanian's stockholders approved an amendment to its Certificate of Incorporation to restrict certain transfers of Class A Common Stock in order to preserve the tax treatment of Hovnanian's NOLs under Section 382 of the Internal Revenue Code. Subject to certain exceptions pertaining to pre-existing 5% stockholders and Class B stockholders, the transfer restrictions in the amended Certificate of Incorporation generally restrict any direct or indirect transfer (such as transfers of Hovnanian's stock that result from the transfer of interests in other entities that own Hovnanian's stock) if the effect would be to: (i) increase the direct or indirect ownership of Hovnanian's stock by any person (or public group) from less than 5% to 5% or more of Hovnanian's common stock; (ii) increase the percentage of Hovnanian's common stock owned directly or indirectly by a person (or public group) owning or deemed to own 5% or more of Hovnanian's common stock; or (iii) create a new public group (as defined in the applicable Treasury regulations). Transfers included under the transfer restrictions include sales to persons (or public groups) whose resulting percentage ownership (direct or indirect) of common stock would exceed the 5% thresholds discussed above, or to persons whose direct or indirect ownership of common stock would by attribution cause another person (or public group) to exceed such threshold.

Table of Contents

Consequences of Prohibited Transfers. In accordance with Hovnanian's amended Certificate of Incorporation, any direct or indirect transfer attempted in violation of the restrictions would be void as of the date of the purported transfer as to the purported transferee (or, in the case of an indirect transfer, the ownership of the direct owner of Class A Common Stock would terminate simultaneously with the transfer), and the purported transferee (or in the case of any indirect transfer, the direct owner) would not be recognized as the owner of the shares owned in violation of the restrictions for any purpose, including for purposes of voting and receiving dividends or other distributions in respect of such Class A Common Stock, or in the case of options, receiving Class A Common Stock in respect of their exercise. In this prospectus, Class A Common Stock purportedly acquired in violation of the transfer restrictions is referred to as "excess stock."

In addition to the purported transfer being void as of the date of the purported transfer, upon demand, the purported transferee must transfer the excess stock to Hovnanian's agent along with any dividends or other distributions paid with respect to such excess stock. Hovnanian's agent is required to sell such excess stock in an arms-length transaction (or series of transactions) that would not constitute a violation under the transfer restrictions. The net proceeds of the sale, together with any other distributions with respect to such excess stock received by Hovnanian's agent, after deduction of all costs incurred by the agent, will be distributed first to the purported transferee in an amount, if any, up to the cost (or in the case of gift, inheritance or similar transfer, the fair market value of the excess stock on the date of the violative transfer) incurred by the purported transferee to acquire such excess stock, and the balance of the proceeds, if any, will be distributed to a charitable beneficiary. If the excess stock is sold by the purported transferee, such person will be treated as having sold the excess stock on behalf of the agent, and will be required to remit all proceeds to Hovnanian's agent (except to the extent Hovnanian grants written permission to the purported transferee to retain an amount not to exceed the amount such person otherwise would have been entitled to retain had Hovnanian's agent sold such shares).

To the extent permitted by law, any stockholder who knowingly violates the transfer restrictions will be liable for any and all damages suffered by Hovnanian as a result of such violation, including damages resulting from a reduction in or elimination of the ability to utilize the NOLs and any professional fees incurred in connection with addressing such violation.

With respect to any transfer of Class A Common Stock which does not involve a transfer of "securities" of Hovnanian within the meaning of the General Corporation Law of the State of Delaware but which would cause any 5% stockholder to violate the transfer restrictions, the following procedure will apply in lieu of those described above. In such case, no such 5% stockholder shall be required to dispose of any interest that is not a security of Hovnanian, but such 5% stockholder and/or any person whose ownership of securities of Hovnanian is attributed to such 5% stockholder will be deemed to have disposed of (and will be required to dispose of) sufficient securities, simultaneously with the transfer, to cause such 5% stockholder not to be in violation of the transfer restrictions, and such securities will be treated as excess stock to be disposed of through the agent under the provisions summarized above, with the maximum amount payable to such 5% stockholder or such other person that was the direct holder of such excess stock from the proceeds of sale by the agent being the fair market value of such excess stock at the time of the prohibited transfer.

Exceptions

The Board of Directors will have the discretion to approve transfers that would otherwise be restricted by the amended Certificate of Incorporation and may exempt any person or group from triggering the dilutive effect of the Rights Plan.

DESCRIPTION OF DEPOSITARY SHARES

The following description of depositary shares representing shares of our preferred stock sets forth certain general terms and provisions of depositary agreements, depositary shares and depositary receipts. The particular terms of the depositary shares and related agreements and receipts will be described in the prospectus supplement relating to those depositary shares. The description set forth below and in any prospectus supplement is not

complete, and is subject to, and qualified in its entirety by reference to, the applicable depositary agreement, a form of which has been incorporated by reference as an exhibit to the Registration Statement of which this prospectus forms a part, and the depositary receipts, which will be filed as exhibits to the Registration Statement or filed as exhibits to one or more current reports on Form 8-K and incorporated by reference herein. The specific terms of the depositary shares as described in the applicable prospectus supplement will supplement and, if applicable, may modify or replace the general terms described in this prospectus.

General

Hovnanian may, at its option, elect to offer fractional shares of preferred stock, rather than full shares of preferred stock. In such event, Hovnanian will issue receipts for depositary shares, each of which will represent a fraction of a share of a particular series of preferred stock.

The shares of any series of preferred stock represented by depositary shares will be deposited under a deposit agreement between Hovnanian and a bank or trust company selected by Hovnanian having its principal office in the United States and having a combined capital and surplus of at least \$50,000,000, as preferred stock depositary. Each owner of a depositary share will be entitled to all the rights and preferences of the underlying preferred stock, including dividend, voting, redemption, conversion and liquidation rights, in proportion to the applicable fraction of a share of preferred stock represented by such depositary share.

The depositary shares will be evidenced by depositary receipts issued pursuant to the deposit agreement. Depositary receipts will be distributed to the registered holder purchasing the fractional shares of preferred stock in accordance with the terms of the applicable prospectus supplement.

Shares of preferred stock represented by depositary shares may be withdrawn from the depositary arrangement upon surrender of depositary receipts at the principal office of the preferred stock depositary and upon payment of the taxes, charges and fees provided for in the deposit agreement. Subject to the terms of the deposit agreement, the holder of depositary receipts will receive the appropriate number of shares of preferred stock and any money or property represented by such depositary shares. Only whole shares of preferred stock may be withdrawn; if a holder holds an amount of depositary shares in excess of whole shares of preferred stock, the preferred stock depositary will deliver along with the withdrawn shares of preferred stock a new depositary receipt evidencing the excess number of depositary shares. Except as described in the deposit agreement, holders of withdrawn shares of preferred stock will not be entitled to redeposit such shares or to receive depositary shares.

Dividends and Other Distributions

The preferred stock depositary will distribute all cash dividends or other cash distributions received in respect of the deposited preferred stock to the record holders of depositary shares relating to such preferred stock in proportion to the number of such depositary shares owned by such holders.

The preferred stock depositary will distribute any property received by it other than cash to the record holders of depositary shares entitled thereto. If the preferred stock depositary determines that it is not feasible to make such distribution, it may, with Hovnanian's approval, sell such property and distribute the net proceeds from such sale to such holders.

If Hovnanian offers to the holders of a series of preferred stock represented by the depositary shares any rights, preferences or privileges to subscribe for or to purchase any securities or of any other nature, the preferred stock depositary will make such rights, preferences or privileges available to the record holders of depositary shares either by the issue of warrants representing such rights, preferences or privileges or by such other method as approved by the preferred stock depositary and Hovnanian. If the preferred stock depositary determines that this is not lawful or feasible or if it is instructed by a holder that such holder does not want to exercise such rights, preferences or privileges, it may, with Hovnanian's approval, sell such rights, preferences or privileges and distribute the net proceeds from such sale to the holders of depositary shares entitled thereto.

Table of Contents

Redemption of Preferred Stock

If a series of preferred stock represented by depositary shares is to be redeemed, the depositary shares will be redeemed from the proceeds received by the preferred stock depositary resulting from the redemption, in whole or in part, of such series of preferred stock. The depositary shares will be redeemed by the preferred stock depositary at a price per depositary share equal to the applicable fraction of the redemption price per share payable in respect of the shares of preferred stock so redeemed.

Whenever Hovnanian redeems shares of preferred stock held by the preferred stock depositary, the preferred stock depositary will redeem as of the same date the number of depositary shares representing shares of preferred stock so redeemed. If fewer than all the depositary shares are to be redeemed, the depositary shares to be redeemed will be selected by the preferred stock depositary by lot or ratably or by such other equitable method as the preferred stock depositary may decide.

Voting Deposited Preferred Stock

Upon receipt of notice of any meeting at which the holders of any series of deposited preferred stock are entitled to vote, the preferred stock depositary will mail the information contained in such notice of meeting to the record holders of the depositary shares relating to such series of preferred stock. Each record holder of such depositary shares on the record date will be entitled to instruct the preferred stock depositary to vote the amount of the preferred stock represented by such holder's depositary shares. The preferred stock depositary will endeavor, as practicable, to vote the amount of such series of preferred stock represented by such depositary shares in accordance with such instructions.

Hovnanian will agree to take all actions that the preferred stock depositary may deem necessary to enable the preferred stock depositary to vote as instructed. The preferred stock depositary will abstain from voting shares of any series of preferred stock held by it for which it does not receive specific instructions from the holders of depositary shares representing such shares.

Changes Affecting Preferred Stock

Upon any change in par or stated value, split-up, combination or any other reclassification of the series of preferred stock represented by the depositary shares, or upon any recapitalization, reorganization, merger, amalgamation or consolidation affecting Hovnanian or to which it is a party, the preferred stock depositary may in its discretion, with the approval and instructions of Hovnanian, and in such manner as the preferred stock depositary may deem equitable, treat any securities which shall be received by the preferred stock depositary in exchange for or upon conversion of or in respect of such preferred stock as new deposited securities received in exchange for or upon conversion or in respect of such preferred stock and make such adjustments in:

the fraction of an interest represented by one depositary share in one share of such preferred stock; and

the ratio of the redemption price per depositary share to the redemption price of a share of such preferred stock, in each case as may be necessary to fully reflect the effects of such change.

With the approval of Hovnanian, the preferred stock depositary may execute and deliver additional depositary receipts, or may call for the surrender of all outstanding depositary receipts to be exchanged for new depositary receipts specifically describing such new deposited securities.

Amendment and Termination of the Deposit Agreement

The form of depositary receipt evidencing the depositary shares and any provision of the deposit agreement may at any time be amended by agreement between Hovnanian and the preferred stock depositary. However, any amendment that materially and adversely alters any existing right of the holders of depositary shares will not be effective unless such amendment has been approved by the holders of at least a majority of the depositary shares

then outstanding. Every holder of an outstanding depositary receipt at the time any such amendment becomes effective shall be deemed, by continuing to hold such depositary receipt, to consent and agree to such amendment and to be bound by the deposit agreement, which has been amended thereby. The deposit agreement may be terminated only if

all outstanding depositary shares have been redeemed; or

a final distribution in respect of the preferred stock has been made to the holders of depositary shares in connection with any liquidation, dissolution or winding up of Hovnanian.

Charges of Preferred Stock Depositary; Taxes and Other Governmental Charges

Hovnanian will pay all transfer and other taxes and governmental charges arising solely from the existence of the depositary arrangements. Hovnanian also will pay charges of the depositary in connection with the deposit of preferred stock and any redemption of preferred stock. The amount paid as dividends or otherwise distributable by the preferred stock depositary with respect to the depositary shares or the underlying preferred stock will be reduced by any amounts required to be withheld by Hovnanian or the preferred stock depositary on account of taxes or other governmental charges. Holders of depositary receipts will pay other transfer and other taxes and governmental charges and such other charges, including a fee for the withdrawal of shares of preferred stock upon surrender of depositary receipts, as are expressly provided in the deposit agreement to be for their accounts. The preferred stock depositary may refuse to make any payment or distribution, or any transfer, exchange or withdrawal of any depositary shares or shares of preferred stock, until such taxes or other governmental charges are paid.

Transfer, Surrender and Exchange

Depositary receipts may be transferred, surrendered or exchanged in accordance with the deposit agreement. The preferred stock depositary, its agents or Hovnanian may require a holder, among other things, to furnish appropriate endorsements and transfer documents. The preferred stock depositary is not required to accept deposits of preferred stock or to register transfers, surrenders or exchanges of depositary shares during any period when the register of stockholders of Hovnanian is closed or in order to comply with any requirement of law, government or governmental body, commission or the deposit agreement.

Resignation and Removal of Depositary

The preferred stock depositary may resign at any time by delivering to Hovnanian notice of its intent to do so, and Hovnanian may at any time remove the preferred stock depositary, any such resignation or removal to take effect upon the appointment of a successor preferred stock depositary and its acceptance of such appointment. Such successor preferred stock depositary must be appointed within 60 days after delivery of the notice of resignation or removal and must be a bank or trust company having its principal office in the United States and having a combined capital and surplus of at least \$50,000,000.

Miscellaneous

The preferred stock depositary will forward all reports and communications from Hovnanian which are delivered to the preferred stock depositary and which Hovnanian is required to furnish to the holders of the deposited preferred stock.

Neither the preferred stock depositary nor Hovnanian will be liable if it or Hovnanian are prevented or delayed by law or any circumstances beyond its or Hovnanian's control in performing its or Hovnanian's obligations under the deposit agreement. Hovnanian's obligations and the obligations of the preferred stock depositary under the deposit agreement will be limited to performance in good faith of Hovnanian's and their duties thereunder, and neither Hovnanian nor they will be obligated to prosecute or defend any legal proceeding in respect of any depositary shares, depositary receipts or shares of preferred stock unless satisfactory indemnity is furnished. Hovnanian and the preferred stock depositary may rely upon written advice of counsel or accountants, or upon information provided by holders of depositary receipts or other persons believed to be competent and on documents believed to be genuine.

The underwriters will use the prospectus supplement to make releases of the securities in respect of which this prospectus is delivered to the public.

If Hovnanian, K. Hovnanian or the selling shareholders utilize a dealer in the sale of the securities in respect of which this prospectus is delivered, Hovnanian, K. Item 15. Indemnification of Directors and Officers.

Hovnanian is a Delaware corporation. Section 145 of the General Corporation Law of the State of Delaware grants each corporation organized thereunder the power to indemnify any person who is or was a director, officer, employee or agent of a corporation or enterprise, against expenses, including attorneys' fees, judgments, fines and amounts paid in settlement actually and reasonably incurred by him in connection with any threatened, pending or completed action, suit or proceeding, whether civil, criminal, administrative or investigative, other than an action by or in the right of the corporation, by reason of being or having been in any such capacity, if he acted in good faith in a manner reasonably believed to be in or not opposed to the best interests of the corporation, and, with respect to any criminal action or proceeding, had no reasonable cause to believe his conduct was unlawful. Section 102(b)(7) of the General Corporation Law of the State of Delaware enables a corporation in its certificate of incorporation or an amendment thereto validly approved by stockholders to limit or eliminate the personal liability of the members of its board of directors for violations of the directors' fiduciary duty of care.

Article FOUR of Hovnanian's Restated By-Laws contains the following provisions with respect to indemnification:

The Corporation shall indemnify any current or former Director or officer of the Corporation and his heirs, executors and administrators, and may, at the discretion of the Board of Directors, indemnify any current or former employee or agent of the Corporation and his heirs, executors and administrators, against all expenses (including attorneys' fees), judgments, fines and amounts paid in settlement actually and reasonable incurred by him or by his heirs, executors and administrators in connection with any threatened, pending or completed action, suit or proceeding (brought by or in the right of the Corporation or otherwise), whether civil, criminal, administrative or investigative, and whether formal or informal, including appeals, to which he was or is a party or is threatened to be made a party by reason of his current or former position with the Corporation or by reason of the fact that he is or was serving, at the request of the Corporation, as a director, officer, partner, trustee, employee or agent of another corporation, partnership, joint venture, trust or other enterprise.

K. Hovnanian is a California corporation. Section 317 of the California Corporations Code provides that a corporation has the power to indemnify any person who was or is a party or is threatened to

Table of Contents

be made a party to any proceeding, other than in an action by or in the right of the corporation to procure a favorable judgment for itself, because such person is or was an agent of the corporation, against expenses, judgments, fines, settlements, and other amounts actually and reasonably incurred in connection with the proceeding, if the person acted in good faith and in a manner the person reasonably believed to be in the best interests of the corporation and, in the case of criminal proceedings, had no reasonable cause to believe that the conduct was unlawful. In the case of actions by or in the right of a corporation to procure a judgment in its favor, a corporation has the power to indemnify any person who was or is a party or is threatened to be made a party to such proceeding because such person is or was the corporation's agent, against expenses actually and reasonably incurred in connection with the defense or settlement of the action if the person acted in good faith in a manner the person believed to be in the best interests of the corporation and its shareholders, except that no such indemnification may be made for claims as to which the person shall have been adjudged to be liable to the corporation in the performance of that person's duty to the corporation and its shareholders, unless and then only to the extent a court determines otherwise.

Article SEVEN of K. Hovnanian's Amended and Restated By-Laws contain the following provisions with respect to indemnification:

The Corporation shall have the power, to the maximum extent and in the manner provided by the General Corporation Law of the State of California but subject to any limitations set forth in any applicable indemnification agreement between the Corporation and any director or officer of the Corporation, to indemnify any person who was or is a party or is threatened to be made a party to any threatened, pending or completed action or proceeding, whether civil, criminal, administrative or investigative (other than an action by or in the right of the Corporation) by reason of the fact that he is or was a director, officer, employee or agent of the Corporation, or is or was serving at the request of the Corporation as a director, officer, employee or agent of another corporation, partnership, joint venture, trust or other enterprise, against expenses (including attorneys' fees), judgments, fines and amounts paid in settlement actually and reasonably incurred by him in connection with such action or proceeding if he acted in good faith and in a manner he reasonably believed to be in the best interests of the Corporation, and, with respect to any criminal action or proceeding, had no reasonable cause to believe his conduct was unlawful. The termination of any action or proceeding by judgment, order, settlement, conviction, or upon a plea of nolo contendere or its equivalent, shall not, of itself, create a presumption that the person did not act in good faith and in a manner which he reasonably believed to be in the best interests of the Corporation, and, with respect to any criminal action or proceeding, had reasonable cause to believe that his conduct was unlawful.

The Corporation shall have the power, to the maximum extent and in the manner provided by the General Corporation Law of the State of California but subject to any limitations set forth in any applicable indemnification agreement between the Corporation and any director or officer of the Corporation, to indemnify any person who was or is a party or is threatened to be made a party to any threatened, pending or completed action by or in the right of the Corporation to procure a judgment in its favor by reason of the fact that he is or was a director, officer, employee or agent of the Corporation, or is or was serving at the request of the Corporation as a director, officer, employee or agent of another corporation, partnership, joint venture, trust or other enterprise against expenses (including attorneys' fees) actually and reasonably incurred by him in connection with the defense or settlement of such action if he acted in good faith and in a manner he reasonably believed to be in the best interests of the Corporation and its shareholders; provided, however, that no indemnification shall be made in respect of any claim, issue or matter as to which such person shall have been adjudged to be liable to the Corporation in the performance of that person's duty to the Corporation and its shareholders, unless and only to the extent that the court in which such action or proceeding was brought shall determine upon application that, in view of all the circumstances of the case, such person is fairly and reasonably entitled to indemnity for such expenses which the court shall deem proper.

Any indemnification pursuant to the provisions above shall be made by the Corporation unless a determination (as provided for in the bylaws) is made that indemnification is not proper because the person has not met the applicable standards of conduct as set forth therein.

Hovnanian maintains a liability insurance policy providing coverage for its directors and officers, the directors and officers of K. Hovnanian and the directors and officers of certain of its other subsidiaries in an amount up to \$65,000,000.

(4) That, for the purpose of determining liability under the Securities Act to any purchaser:

(i) each prospectus filed by the Registrants pursuant to Rule 424(b)(3) shall be deemed to be part of the registration statement as of the date the filed prospectus was deemed part of and included in the registration statement; and

(ii) each prospectus required to be filed pursuant to Rule 424(b)(2), (b)(5) or (b)(7) as part of the registration statement in reliance on Rule 430B relating to an offering made pursuant to Rule 415(a)(1)(i), (vii) or (x) for the purpose of providing the information required by Section 10(a) of the Securities Act shall be deemed to be part of and included in the registration statement as of the earlier of the date such form of prospectus is first used after effectiveness or the date of the first contract of sale of securities in the offering described in the prospectus. As provided in Rule 430B, for liability purposes of the issuer and any person that is at that date an underwriter, such date shall be deemed to be a new effective date of the registration statement relating to the

securities in the registration statement to which that prospectus relates, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof. Provided, however, that no statement made in a registration statement or prospectus that is part of the registration statement or made in a document incorporated or deemed incorporated by reference into the registration statement or prospectus that is part of the registration statement will, as to a purchaser with a time of contract of sale prior to such effective date, supersede or modify any statement that was made in the registration statement or prospectus that was part of the registration statement or made in any such document immediately prior to such effective date.

(5) That, for the purpose of determining liability of a Registrant under the Securities Act to any purchaser in the initial distribution of the securities, the undersigned Registrant undertakes that in a primary offering of securities of an undersigned Registrant pursuant to this registration statement, regardless of the underwriting method used to sell the securities to the purchaser, if the securities are offered or sold to such purchaser by means of any of the following communications, the undersigned Registrant will be a seller to the purchaser and will be considered to offer or sell such securities to such purchaser:

(i) Any preliminary prospectus or prospectus of the undersigned Registrant relating to the offering required to be filed pursuant to Rule 424;

(ii) Any free writing prospectus relating to the offering prepared by or on behalf of the undersigned Registrant or used or referred to by the undersigned Registrant;

(iii) The portion of any other free writing prospectus relating to the offering containing material information about the undersigned Registrant or its securities provided by or on behalf of the undersigned Registrant; and

(iv) Any other communication that is an offer in the offering made by the undersigned Registrant to the purchaser.

(6) The undersigned Registrant hereby undertakes that for the purposes of determining any liability under the Securities Act, each filing of the Registrant's annual report, pursuant to Section 13(a) or Section 15(d) of the Exchange Act (and, where applicable, each filing of an employee benefit plan's annual report pursuant to section 15(d) of the Exchange Act) that is incorporated by reference in the registration statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(7) Insofar as indemnification for liabilities arising under the Securities Act may be permitted to directors, officers and controlling persons of the Registrants pursuant to the provisions set forth in response to Item 15, or otherwise, the Registrants have been advised that in the opinion of the Securities and Exchange Commission such indemnification is against public policy as expressed in the Securities Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the Registrants of expenses incurred or paid by a director, officer or controlling person of the Registrants in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the Registrants will, unless in the opinion of their counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Securities Act and will be governed by the final adjudication of such issue.
