Redemption with Proceeds of Equity Offering:	At any time and from time to time prior to July 15, 2016, the Company may redeem the Notes (including any additional notes) with the net cash proceeds received by the Company from any equity offering at a redemption price equal to 105.750% plus accrued but unpaid interest, if any, to but not including the applicable redemption date, in an aggregate principal amount for all such redemptions not to exceed 35% of the original aggregate principal amount of the Notes (including any additional notes); <i>provided</i> that (1) in each case the redemption takes place not later than 90 days after the consummation of the related Equity Offering; and (2) not less than 50% of the original aggregate principal amount of the Notes (including any additional notes) issued under the indenture remains outstanding immediately after such redemption (excluding the aggregate principal amount of all Notes then held by the Company or any of its Restricted Subsidiaries).										
Change of Control Repurchase Event:	Unless the Company has previously or concurrently mailed a redemption notice with respect to all the outstanding Notes as described in the Preliminary Prospectus Supplement under "Description of Notes - Optional Redemption," upon the occurrence of a Change of Control Repurchase Event with respect to the Notes, each holder of Notes will have the right to require the Company to repurchase all or any part of such holder's Notes at a purchase price in cash equal to 101% of the aggregate principal amount thereof plus accrued and unpaid interest, if any, to, but excluding, the date of repurchase (subject to the right of holders of record on the relevant record date to receive interest due on the relevant interest payment date that occurs prior to the repurchase date).										
Use of Proceeds:	The Company intends to use a portion of the net proceeds from the sale of the Notes to pay the consideration in a concurrent Tender Offer and Consent Solicitation the Company has undertaken in respect of the 2018 Notes and to pay related fees and expenses, including tender premiums. The remaining net proceeds from the sale of the Notes of approximately \$45 million, together with approximately \$55 million of cash on hand, will be used to separately repay \$100 million of the outstanding Term Loan upon completion of the offering.
