BSQUARE CORPORATION

PROXY STATEMENT FOR THE 2013 ANNUAL MEETING OF SHAREHOLDERS

PROCEDURAL MATTERS

General

The enclosed proxy is solicited by the Board of Directors of BSQUARE Corporation, a Washington corporation, for use at the 2013 Annual Meeting of Shareholders (the Annual Meeting) to be held on Tuesday, November 26, 2013 at 10:00 a.m., local time, and at any adjournment thereof, for the purposes set forth herein and in the accompanying Notice of Annual Meeting of Shareholders. The Annual Meeting will be held at the Company's principal executive offices at 110 110th Avenue NE, Suite 200, Bellevue, Washington 98004. The Company's telephone number at its principal executive offices is (425) 519-5900. As used in this proxy statement, we, us, our and the Company refer to BSQUARE Corporation.

These proxy solicitation materials were mailed on or about November 1, 2013 to all shareholders entitled to vote at the Annual Meeting.

Record Date and Outstanding Shares

Only shareholders of record at the close of business on October 16, 2013 (the record date) are entitled to receive notice of and to vote at the Annual Meeting. The only outstanding voting securities of the Company are shares of common stock, no par value. As of the record date, 11,233,580 shares of our common stock were issued and outstanding, held by 129 shareholders of record.

Revocability of Proxies

Any proxy given pursuant to this solicitation may be revoked by the person giving it at any time prior to its use by delivering to the Secretary of the Company, at the address referenced above, a written instrument revoking the proxy or delivering a duly executed proxy bearing a later date (in either case no later than the close of business on November 25, 2013) or by attending the Annual Meeting and voting in person.

Voting and Solicitation

Each holder of common stock is entitled to one vote for each share held.

This solicitation of proxies is made by our Board of Directors, and all related costs will be borne by the Company. We may reimburse brokerage firms and other persons representing beneficial owners of shares for their expenses in forwarding solicitation material to such beneficial owners. Proxies may also be solicited by certain of our directors, officers or other employees without the payment of any additional consideration. Solicitation of proxies may be made by mail, by telephone, by email, in person or otherwise.

Shareholders of Record and Street Name Holders

Where shares are registered directly in the holder's name, that holder is the shareholder of record with respect to those shares. If shares are held by an intermediary, meaning in a stock brokerage account or by a bank, trust or other nominee, then the broker, bank, trust or other nominee is considered the shareholder of record as to those shares. Those shares are said to be held in street name on behalf of the beneficial owner of the shares. Street name holders generally cannot directly vote their shares, and must instead instruct the broker or other nominee how to vote their

shares using the voting instruction form provided by that broker or other nominee. Many brokers also offer the option of giving voting instructions over the internet or by telephone. Instructions for giving your vote as a street-name holder are provided on your voting instruction form.

Quorum; Abstentions; Broker Non-Votes

At the Annual Meeting, inspectors of election will determine the presence of a quorum and tabulate the results of the voting by shareholders. A quorum exists when holders of a majority of the total number of outstanding shares of common stock that are entitled to vote at the Annual Meeting are present at the Annual Meeting in person or by proxy. A quorum is necessary for the transaction of business at the Annual Meeting. Abstentions and broker non-votes will be included in determining the presence of a quorum at the Annual Meeting.

Broker non-votes can occur as to shares held in street name. Under the current rules that govern brokers and other nominee holders of record, if you do not give instructions to your broker or other nominee, it will be able to vote your shares only with respect to proposals for which it has discretionary voting authority. A broker non-vote occurs when a broker or other nominee submits a proxy for the Annual Meeting but does not vote on a particular proposal because that holder does not have discretionary voting power with respect to that proposal, and has not received instructions from the beneficial owner.

The election of directors (Proposal No. 1), the advisory vote on the compensation of our named executive officers (Proposal No. 2), the advisory vote on the frequency of future advisory votes on the compensation of our named executive officers (Proposal No. 3), and the amendment of our Amended and Restated Articles of Incorporation to declassify our Board (Proposal No. 5) are proposals for which brokers do not have discretionary voting authority. If you do not instruct your broker how to vote on these proposals, your broker will not vote on them and those non-votes will be counted as broker non-votes. The ratification of the appointment of Moss Adams LLP as our independent registered public accounting firm (Proposal No. 4) is considered to be discretionary and your brokerage firm will be able to vote on this proposal even if it does not receive instructions from you, as long as it holds your shares in its name.

Abstentions and broker non-votes are treated as shares present for the purpose of determining whether there is a quorum for the transaction of business at the Annual Meeting. Abstentions and broker non-votes are not counted for determining the number of votes cast, and therefore will not affect the outcome of the vote on any of the proposals in this proxy statement.

Required Votes and Voting

Assuming that a quorum is present at the Annual Meeting, the following votes will be required:

With regard to Proposal No. 1, the nominees for election to the Board of Directors who receive the greatest number of votes cast for the election of the director by the shares present, in person or by proxy, will be elected to the Board of Directors. Shareholders are not entitled to cumulate votes in the election of directors.

With regard to Proposal No. 2 and Proposal No. 4, approval of the proposal requires that the votes cast in favor of the proposal exceed the votes cast against it.

With regard to Proposal No. 3, the option of one year, two years, or three years that receives the highest number of votes cast will be the frequency for the advisory vote on executive compensation that is selected by the shareholders.

Edgar Filing: BSQUARE CORP /WA - Form DEF 14A

With regard to Proposal No. 5, approval requires votes cast in favor of the proposal by holders of a majority of our common stock outstanding as of the record date.

All shares entitled to vote and represented by properly executed, unrevoked proxies received before the Annual Meeting will be voted at the Annual Meeting in accordance with the instructions given on those proxies. If no instructions are given on a properly executed proxy, the shares represented by that proxy will be voted as follows:

FOR ALL of the director nominees named in Proposal No. 1 of this proxy statement;

FOR Proposal No. 2, to approve the compensation of our named executive officers as disclosed in this proxy statement;

FOR one year on Proposal No. 3 regarding the proposed frequency of future advisory votes on executive compensation;

FOR Proposal No. 4, to ratify the appointment of Moss Adams LLP as our independent registered public accounting firm; and

FOR Proposal No. 5, to amend our Amended and Restated Articles of Incorporation to declassify our Board.

If any other matters are properly presented for consideration at the Annual Meeting, which may include, for example, a motion to adjourn the Annual Meeting to another time or place (including, without limitation, for the purpose of soliciting additional proxies), the persons named in the enclosed proxy and acting thereunder will have discretion to vote on those matters as they deem advisable. We do not currently anticipate that any other matters will be raised at the Annual Meeting.

Deadlines for Receipt of Shareholder Proposals

Shareholder proposals may be included in our proxy statement and form of proxy for an annual meeting so long as they are provided to us on a timely basis and satisfy the other conditions set forth in Rule 14a-8 under the Securities Exchange Act of 1934, as amended, regarding the inclusion of shareholder proposals in company-sponsored proxy materials. We currently anticipate holding our 2014 annual meeting of shareholders in June 2014, although the Board may decide to schedule the meeting for a different date. For a shareholder proposal to be considered pursuant to Rule 14a-8 for inclusion in our proxy statement and form of proxy for the annual meeting to be held in 2014, we must receive the proposal at our principal executive offices, addressed to the Secretary of the Company, no later than January 4, 2014. Submitting a shareholder proposal or director nomination does not guarantee that it will be included in the Company's proxy statement and form of proxy.

In addition, a shareholder proposal that is not intended for inclusion in the Company's proxy statement and form of proxy under Rule 14a-8 shall be considered timely within the provisions of our Bylaws and may be brought before the 2014 annual meeting of shareholders provided that we receive information and notice of the proposal in compliance with the requirements set forth in our Bylaws, addressed to the Secretary of the Company at our principal executive offices, no later than March 15, 2014. A copy of the full text of our Bylaws may be obtained by writing to the Secretary of the Company at our principal executive offices.

We strongly encourage any shareholder interested in submitting a proposal to contact the Secretary of the Company in advance of these deadlines to discuss any proposal he or she is considering, and shareholders may want to consult knowledgeable counsel with regard to the detailed requirements of applicable securities laws. All notices of shareholder proposals, whether or not intended to be included in the Company's proxy materials, should be in writing and sent to our principal executive offices, located at: BSQUARE Corporation, 110 110th Avenue NE, Suite 200, Bellevue, Washington 98004, Attention: Secretary.

PROPOSAL NO. 1

ELECTION OF DIRECTORS

General

Our Articles of Incorporation provide that the Board of Directors has seven seats. One seat is currently unoccupied, as Brian Crowley stepped down from his role as a director on September 23, 2013, as described in the Current Report on Form 8-K we filed with the Securities and Exchange Commission (SEC) on September 23, 2013. Mr. Crowley also stepped down as President and Chief Executive Officer effective September 30, 2013. Jerry Chase, a current director whose biographical details are given below, currently serves as Interim Chief Executive Officer.

The Board of Directors is currently divided into three classes, with each class having a three-year term. For a description of our proposal to declassify the Board of Directors, see Proposal No. 5 below. The Governance and Nominating Committee and the Board of Directors have decided to leave the open director position vacant while considering the selection of a new Chief Executive Officer, who the Board expects will also serve as a director.

A director serves in office until his or her respective successor is duly elected and qualified, unless the director is removed, resigns or, by reason of death or other cause, is unable to serve in the capacity of director. Any additional directorships resulting from an increase in the number of directors will be distributed among the three classes so that, as nearly as possible, each class will consist of an equal number of directors. Set forth below is certain information furnished to us by each director nominee and by each of the incumbent directors whose terms will continue following the Annual Meeting. There are no family relationships between any of our directors or officers.

Nominees for Director

Three Class I directors are to be elected at the Annual Meeting for a three-year term ending in 2016. The Governance and Nominating Committee of the Board of Directors has nominated Elliott H. Jurgensen, Jr., Harel Kodesh and Kendra A. VanderMeulen for election as Class I directors. Each nominee is a current director. Mr. Jurgensen and Ms. VanderMeulen were each elected by the shareholders at the 2010 annual meeting, and Mr. Kodesh was appointed by the Board in July 2013 to fill one of the vacancies created by the resignations of Messrs. Howse and Land in July 2013 as described below.

Unless otherwise instructed, the proxy holders will vote the proxies received by them *for* the election of Elliott H. Jurgensen, Jr., Harel Kodesh and Kendra A. VanderMeulen to the Board of Directors. Each has indicated that they will serve if elected. The Company does not anticipate that the nominees will be unable or unwilling to stand for election, but if that occurs, all proxies received may be voted by the proxy holders for another person nominated by the Governance and Nominating Committee. As there are three nominees, proxies cannot be voted for more than three persons.

Vote Required for Election of Directors

If a quorum is present, the nominees for election to the Board of Directors receiving the greatest number of votes cast for the election of the directors by the shares present, in person or by proxy, will be elected to the Board of Directors.

Nominees and Continuing Directors

The names and certain information as of October 1, 2013 about the nominees and each director continuing in office after the Annual Meeting are set forth below. As disclosed in the Current Report on Form 8-K we filed with the SEC on July 1, 2013, effective July 1, 2013 Elwood D. Howse, Jr. and Scot E. Land resigned from the Board of Directors.

There were no disagreements as contemplated by Item 5.02(a) of Form 8-K. Also effective

July 1, 2013, upon the recommendation of the Governance and Nominating Committee of the Board, Jerry Chase and Harel Kodesh were appointed as members of the Board to fill the vacancies created by the resignations of Messrs. Howse and Land. In addition, as noted above, Mr. Crowley stepped down from the Board on September 23, 2013.

CORPORATE GOVERNANCE

Board of Directors Leadership Structure

The Board of Directors has adopted a structure whereby the Chairman of the Board is an independent director. We believe that having a Chairman independent of management provides effective leadership for the Board of Directors and helps ensure critical and independent thinking with respect to the Company's strategy and performance. Our Chief Executive Officer has generally also been a member of the Board of Directors, as the sole management representative on the Board of Directors. Mr. Chase is a director as well as our Interim Chief Executive Officer, and we anticipate that the candidate selected as our permanent Chief Executive Officer will also serve on the Board of Directors. We believe this is important to make information and insight about the Company directly available to the directors in their deliberations. Our Board of Directors believes that separating the Chief Executive Officer and Chairman of the Board roles and also having the Chairman of the Board role represented by an independent director is the appropriate leadership structure for our Company at this time and demonstrates our commitment to effective corporate governance.

Our Chairman of the Board is responsible for the effective functioning of our Board of Directors, enhancing its efficacy by guiding Board of Directors processes and presiding at Board of Directors meetings and executive sessions of the independent directors. Our Chairman presides at shareholder meetings and ensures that directors receive appropriate information from our Company to fulfill their responsibilities. Our Chairman also acts as a liaison between our Board of Directors and executive management, promoting clear and open communication between management and the Board of Directors.

Board of Directors Role in Risk Oversight

Our Board of Directors has responsibility for the oversight of risk management. Our Board, either as a whole or through its committees, regularly discusses with management our major risk exposures, their potential impact on our Company and the steps we take to manage them. While our Board is ultimately responsible for risk oversight at our Company, our Board committees assist the Board of Directors in fulfilling its oversight responsibilities in certain areas of risk. In particular, our Audit Committee focuses on financial and accounting risks. Our Governance and Nominating Committee focuses on the management of risks associated with Board organization, membership, structure and corporate governance. Finally, our Compensation Committee assists the Board of Directors in fulfilling its oversight responsibilities with respect to the management of risks arising from our compensation policies and programs and related to succession planning for our executive officers.

Board of Directors Independence

The Board of Directors has determined that, after consideration of all relevant factors, Messrs. Harries, Jurgensen, Kodesh, Savoy and Ms. VanderMeulen, constituting a majority of our Board of Directors, qualify as independent directors as defined under applicable rules of The NASDAQ Stock Market LLC (Nasdaq) and that such directors do not have any relationship with the Company that would interfere with the exercise of their independent business judgment.

In connection with his appointment as a director in July 2013, the Board determined that Mr. Chase qualified as an independent director. However, he has since assumed a management role as Interim Chief Executive Officer, and the Board does not view him as meeting the independence criteria while serving in that role. For this reason, Mr. Chase resigned his appointments on our Audit Committee and our Governance and Nominating Committee in connection with his appointment as Interim Chief Executive Officer.

Standing Committees and Attendance

The Board of Directors held a total of eight meetings during 2012. The Board has an Audit Committee, a Compensation Committee and a Governance and Nominating Committee. Information about these committees

and committee meetings is set forth below. From February 2009 until August 2013, the Board had an Investment Committee to assist the Board in exercising its oversight of the Company's cash and investments policies. The Investment Committee met once during 2012, but was subsequently disbanded, the Board having concluded that the Audit Committee could assume the ongoing oversight duties.

Audit Committee

The Audit Committee comprises Messrs. Jurgensen (Committee Chair), Harries and Savoy. The Board of Directors has determined that, after consideration of all relevant factors, Messrs. Jurgensen, Harries and Savoy qualify as independent directors under applicable SEC and Nasdaq rules. Each member of the Audit Committee is able to read and understand fundamental financial statements, including our consolidated balance sheets, consolidated statements of operations and consolidated statements of cash flows. Further, no member of the Audit Committee has participated in the preparation of our consolidated financial statements, or those of any current subsidiary of the Company, at any time during the past three years. The Board of Directors has designated Mr. Jurgensen as the audit committee financial expert as defined under applicable SEC rules and has determined that Mr. Jurgensen possesses the requisite financial sophistication under applicable Nasdaq rules. The Audit Committee is responsible for overseeing our independent auditors, including their selection, retention and compensation, reviewing and approving the scope of audit and other services by our independent auditors, reviewing the accounting principles, policies, judgments and assumptions used in the preparation of our financial statements and reviewing the results of our audits. The Audit Committee is also responsible for reviewing the adequacy and effectiveness of our internal controls and procedures, including risk management, establishing procedures regarding complaints concerning accounting or auditing matters, reviewing and, if appropriate, approving related-party transactions, and reviewing compliance with our Code of Business Conduct and Ethics. The Audit Committee held four meetings during 2012.

The Audit Committee operates under a written charter setting forth the functions and responsibilities of the committee, which is reviewed annually by the committee and amended by the Board of Directors as is determined to be necessary or desirable. A current copy of the Audit Committee charter is available on our website at www.bsquare.com on the Management and Governance page found under the Company tab.

Compensation Committee

The Compensation Committee consists of Messrs. Savoy (Committee Chair), Harries and Jurgensen. The Board of Directors has determined that, after consideration of all relevant factors, Messrs. Savoy, Harries and Jurgensen qualify as independent and non-employee directors under applicable Nasdaq and SEC rules and qualify as outside directors pursuant to the Internal Revenue Code and the regulations promulgated thereunder. The Compensation Committee makes recommendations to the Board of Directors regarding the general compensation policies of the Company as well as the compensation plans and specific compensation levels for its executive officers. The Compensation Committee held two meetings during 2012.

The Compensation Committee has a number of functions and responsibilities as delineated in its written charter, which is reviewed annually by the committee and amended by the Board of Directors as is determined to be necessary or desirable. A current copy of the Compensation Committee charter is available on our website at www.bsquare.com on the Management and Governance page found under the Company tab.

One of the primary responsibilities of the Compensation Committee is to oversee, and make recommendations to the Board of Directors for its approval of, the compensation programs and performance of our executive officers, which includes the following activities:

Establishing the objectives and philosophy of the executive compensation programs;

Designing and implementing the compensation programs;

Evaluating the performance of executives relative to their attainment of goals under the programs and reporting to the Board of Directors such evaluation information;

Evaluating the Company's succession plan for its Chief Executive Officer;

Calculating and establishing payouts and awards under the programs as well as discretionary payouts and awards;

Reviewing base salary levels and equity ownership of the executives; and

Engaging consultants from time to time, as appropriate, to assist with program design, benchmarking, etc. Additional information regarding the roles and responsibilities of the Compensation Committee, as well as the role that our executive officers serve in recommending compensation, is set forth below under Executive Officer Compensation.

The Compensation Committee also periodically reviews the compensation of the Board of Directors and proposes modifications, as necessary, to the full Board for its consideration.

Governance and Nominating Committee

The Governance and Nominating Committee currently consists of Ms. VanderMeulen (Committee Chair) and Mr. Kodesh. The Board of Directors has determined that, after consideration of all relevant factors, Ms. VanderMeulen and Mr. Kodesh qualify as independent directors under applicable Nasdaq rules. The Governance and Nominating Committee held two meetings during 2012.

The Governance and Nominating Committee operates under a written charter setting forth the functions and responsibilities of the committee, which is reviewed annually by the committee and amended by the Board of Directors as is determined to be necessary or desirable. A current copy of the Governance and Nominating Committee charter is available on our website at www.bsquare.com on the Management and Governance page found under the Company tab.

The primary responsibilities of the Governance and Nominating Committee are to:

Develop and recommend to the Board of Directors criteria for selecting qualified director candidates;

Identify individuals qualified to become Board members;

Evaluate and select director nominees for each election of directors;

Consider the committee structure of the Board of Directors and the qualifications, appointment and removal of committee members;

Recommend codes of conduct and codes of ethics applicable to the Company; and

Provide oversight in the evaluation of the Board of Directors and each committee.

No director attended fewer than 75% of the aggregate of the meetings of the Board of Directors and committees thereof, if any, upon which such director served during the period for which he or she has been a director or committee member during 2012.

Director Nomination Process

The Board of Directors has determined that director nomination responsibilities should be overseen by the Governance and Nominating Committee (the Committee). One of the Committee's goals is to assemble a Board that brings to our company a variety of perspectives and skills derived from high quality business and professional experience. Although the Committee and the Board of Directors do not have a formal diversity

policy, the Board of Directors instructed the Committee to consider such factors as it deems appropriate to develop a Board and committees that are diverse in nature and comprised of experienced and seasoned advisors. Factors considered by the Committee include judgment, knowledge, skill, diversity (including factors such as race, gender and experience), integrity, experience with businesses and other organizations of comparable size, including experience in software products and services, business, finance, administration or public service, the relevance of a candidate's experience to the needs of the Company and experience of other Board members, familiarity with national and international business matters, experience with accounting rules and practices, the desire to balance the considerable benefit of continuity with the periodic injection of the fresh perspective provided by new members, and the extent to which a candidate would be a desirable addition to the Board of Directors and any committees of the Board of Directors. In addition, directors are expected to be able to exercise their best business judgment when acting on behalf of the Company and its shareholders, act ethically at all times and adhere to the applicable provisions of the Company's Code of Business Conduct and Ethics. Other than consideration of the foregoing and applicable SEC and Nasdaq requirements, unless determined otherwise by the Committee, there are no stated minimum criteria, qualities or skills for director nominees. However, the Committee may also consider such other factors as it may deem are in the best interests of our company and its shareholders. In addition, at least one member of the Board of Directors serving on the Audit Committee should meet the criteria for an audit committee financial expert having the requisite financial sophistication under applicable Nasdaq and SEC rules, and a majority of the members of the Board of Directors should meet the definition of independent director under applicable Nasdaq rules.

The Committee identifies director nominees by first evaluating the current members of the Board of Directors willing to continue in service. Current members of the Board of Directors with skills and experience that are relevant to the Company's business and who are willing to continue in service are considered for re-nomination, balancing the value of continuity of service by existing members of the Board of Directors with that of obtaining a new perspective. The Committee also takes into account an incumbent director's performance as a Board member. If any member of the Board of Directors does not wish to continue in service, if the Committee decides not to re-nominate a member for reelection, if the Board decided to fill a director position that is currently vacant or if the Board of Directors decides to recommend that the size of the Board of Directors be increased, the Committee identifies the desired skills and experience of a new nominee in light of the criteria described above. Current members of the Board of Directors and management are polled for suggestions as to individuals meeting the Committee's criteria. Research may also be performed to identify qualified individuals. Nominees for director are selected by a majority of the members of the Committee, with any current directors who may be nominees themselves abstaining from any vote relating to their own nomination.

It is the policy of the Committee to consider suggestions for persons to be nominated for director that are submitted by shareholders. The Committee will evaluate shareholder suggestions for director nominees in the same manner as it evaluates suggestions for director nominees made by management, then-current directors or other appropriate sources. Shareholders suggesting persons as director nominees should send information about a proposed nominee to the Secretary of the Company at our principal executive offices as referenced above at least 120 days prior to the anniversary of the mailing date of the prior year's proxy statement. This information should be in writing and should include a signed statement by the proposed nominee that he or she is willing to serve as a director of the Company, a description of the proposed nominee's relationship to the shareholder and any information that the shareholder feels will fully inform the Committee about the proposed nominee and his or her qualifications. The Committee may request further information from the proposed nominee and the shareholder making the recommendation. In addition, a shareholder may nominate one or more persons for election as a director at our annual meeting of shareholders if the shareholder complies with the notice, information, consent and other provisions relating to shareholder nominees contained in our Bylaws. Please see the section above titled Deadlines for Receipt of Shareholder Proposals for important information regarding shareholder proposals. To date, we have not engaged third parties to identify, evaluate or assist in identifying potential director candidates, although we may in the future retain a third-party search firm, if appropriate.

Code of Ethics

We have adopted a Code of Business Conduct and Ethics in compliance with applicable rules of the SEC that applies to our principal executive officer, our principal financial officer and our principal accounting officer or controller, or persons performing similar functions, as well as to all members of the Board of Directors and all other employees of the Company. A copy of this policy is available on the Management and Governance page on our website at www.bsquare.com or free of charge upon written request to the attention of the Secretary of the Company, by regular mail at our principal executive offices, email to investorrelations@bsquare.com, or fax at 425-519-5998. We will disclose, on our website, any amendment to, or a waiver from, a provision of our Code of Business Conduct and Ethics that applies to our principal executive officer, principal financial officer, principal accounting officer or controller, or persons performing similar functions and that relates to any element of the Code of Business Conduct and Ethics enumerated in applicable rules of the SEC. There were no such amendments to, or waivers from, our Code of Business Conduct and Ethics during 2012.

2012 Director Compensation

In 2011, the Compensation Committee of the Board of Directors engaged a compensation consultant to benchmark the Board of Directors compensation. As a result, in May 2011 the Compensation Committee recommended, and the Board of Directors approved, changes to the Board of Directors compensation designed to attract and retain qualified non-employee directors to serve on our Board of Directors. This plan includes cash and stock awards for directors for service on the Board of Directors and on committees. The Board amended the director compensation plan in June 2013, as described below.

When joining the board, directors receive a one-time grant of 25,000 stock options, which vest quarterly over two years, and, commencing in June 2013, a one-time grant of restricted stock units. The Chairman of the Board receives a one-time grant of 50,000 stock options when joining the Board (or 25,000 stock options if appointed as Chairman of the Board while already serving as a director), and, commencing in June 2013, a one-time grant of restricted stock units. The number of shares underlying the restricted stock unit awards granted to new directors is determined by dividing \$50,000 by the Company's closing stock price on the date of grant (or \$75,000 in the case of the Chairman of the Board (or \$25,000 if appointed as Chairman of the Board while already serving as a director)) and is prorated based on the date on which such director is appointed. Thereafter, standing directors receive annual grants of restricted stock units, the number of shares underlying which is determined by dividing \$50,000 by the Company's closing stock price on the date of grant (\$75,000 in the case of the Chairman of the Board). The annual restricted stock unit awards are granted on the earlier of (i) the day of the annual meeting of the Company's shareholders or (ii) the last trading day of the Company's second fiscal quarter. The awards vest quarterly over one year. All equity awards cease vesting as of the date a director's service on the Board terminates for any reason; provided that the Board may accelerate the vesting of any outstanding stock award for a director whose service on the Board terminates for any reason other than removal for cause.

The Company also pays annual cash director fees of \$30,000 to non-Chair directors and \$40,000 to the Chairman of the Board, and annual Board Committee fees to directors who serve on the Audit Committee of \$10,000 and \$5,000 to directors who serve on other committees. The Chairs of the Governance and Nominating Committee and the Compensation Committee receive additional annual Board Committee fee compensation of \$3,000. All cash amounts are payable in quarterly increments. Directors are also reimbursed for reasonable expenses incurred in attending Board of Directors and committee meetings. Mr. Crowley, our former President and Chief Executive Officer and former member of our Board of Directors, did not receive additional compensation for services provided as a director, nor shall Mr. Chase for so long as he serves as our Interim Chief Executive Officer.

The table below presents the 2012 compensation of our non-employee directors. The compensation of Mr. Crowley is described in the Summary Compensation Table in the section titled Executive Officer Compensation.

As noted above in the section titled "Nominees and Continuing Directors," effective July 1, 2013 Elwood D. Howse, Jr. and Scot E. Land resigned from the Board of Directors. Also effective July 1, 2013, Jerry Chase and Harel Kodesh were appointed as members of the Board to fill the vacancies created by those resignations.

The amounts included for a particular year reflect only the awards treated as granted in that year. Pursuant to SEC rules, the amounts shown disregard the impact of estimated forfeitures related to service-based vesting conditions. Employment Agreements with Named Executive Officers

We have agreements with our named executive officers, which include provisions regarding post-termination compensation. We do not have a formal severance policy or plan applicable to our executive officers as a group. Under the agreements with Mr. Mahan and Mr. Whiteside, if either officer is terminated without cause (as defined in the applicable agreement, subject to certain exceptions), they will receive termination payments equal to six months and four months, respectively, of their annual base salary, paid on our normal payroll schedule. In addition, the equity awards held by Mr. Mahan and Mr. Whiteside would continue to vest post-termination over the period during which they receive these termination payments. Mr. Mahan and Mr. Whiteside are entitled to these termination payments

provided they enter into a separation and release agreement acceptable to the Company. No other benefits accrue to the named executive officers under their severance arrangements (such as continuation of medical benefits) under their current employment contracts.

In connection with his termination effective September 30, 2013, Mr. Crowley has entered into a separation and release agreement with us, and he will receive severance payments equal to six months of his base salary paid on our normal payroll schedule. The vesting of his equity awards post-termination will continue to March 31, 2014,

after which he will have until June 30, 2014 to exercise any outstanding stock options. In addition, the Company will subsidize Mr. Crowley's COBRA costs through March 31, 2014 to the same extent that we subsidize other employees with similar benefit elections.

The agreements with our named executive officers govern the termination of the officer by the Company; they do not address termination by an acquiring company of a named executive officer after a change in control of the Company. There are no individual change-in-control agreements in effect with any of our named executive officers. The terms of our Fourth Amended and Restated Stock Plan (the "Stock Plan") do not specifically provide for accelerated vesting of equity awards for participants in the event of a change in control. Instead, the Stock Plan provides that individual equity award agreements *may* provide for accelerated vesting in connection with certain transactions defined in the Stock Plan (including certain change-in-control transactions). No currently outstanding equity award agreement provides for such acceleration of vesting. In addition, the Stock Plan provides that the Board of Directors may elect to accelerate vesting for any Stock Plan participant at such times and in such amounts as the Board of Directors determines. Any change in control agreement with an executive officer, should it be deemed necessary, would require approval by the Compensation Committee and the Board of Directors.

Determination of Compensation

Total Compensation

For purposes of evaluating executive officer total compensation including base salary, discretionary bonus, equity awards and incentive compensation, the Compensation Committee primarily considers two factors:

Benchmark data: Historically, the Compensation Committee has engaged a compensation consultant on an annual basis to review and benchmark our executive compensation programs.

Company and individual-specific factors: In addition to considering compensation levels of executives at similarly sized regional public companies, the Compensation Committee, in conjunction with the Chief Executive Officer, reviews the Company's financial performance objectives as well as non-financial performance objectives applicable to each executive (other than the Chief Executive Officer). The Company's financial performance objectives are determined through collaboration with the Chief Executive Officer, the Board of Directors and the Compensation Committee. The non-financial performance objectives applicable to each executive officer (other than the Chief Executive Officer) are determined in collaboration with the Chief Executive Officer, the executive officer and the Compensation Committee. The Compensation Committee, without input from the Chief Executive Officer, determines the financial and non-financial performance objectives applicable to the Chief Executive Officer. These objectives and associated awards are governed by the Annual Executive Bonus Program ("AEBP") with respect to executive officers who are not members of the sales team. Those executive officers who are also members of the sales team participate in individual sales compensation plans. The AEBP is described below under "Incentive Plan Compensation."

Base Salary and Discretionary Bonus

The Compensation Committee's goal is to provide a competitive base salary for our executive officers. The Compensation Committee has not established any formal guidelines for purposes of setting base salaries (such as payment at a particular percentile of the benchmark group), but instead considers the benchmark data along with the Company's performance and the individual's performance and experience in determining what represents a competitive salary. The Compensation Committee also considers these factors in its recommendations to the Board of Directors

regarding whether and in what amounts to award discretionary cash bonuses, apart from cash awards that may be provided for under incentive plans.

With respect to 2011, in response to overall economic conditions and a need for the Company to proactively manage expenses, our Chief Executive Officer, in conjunction with the Compensation Committee and the Board of Directors, determined that salaries for the executive officers would not be changed. The Compensation

Committee and the Board of Directors also determined that the Chief Executive Officer's salary would not be changed with respect to 2011 for the same reasons. As such, for 2011 Mr. Crowley's annual base salary remained at \$270,000 and Mr. Mahan's annual base salary remained at \$208,000. Mr. Whiteside joined the Company in May 2011 at an annual base salary of \$200,000.

In 2011, the Compensation Committee engaged a compensation consultant to review and benchmark the Company's executive compensation programs. A nationally recognized, technology-oriented compensation survey, which included both private and public companies whose annual revenue was between \$80 million to \$95 million, was used for purposes of benchmarking. The Compensation Committee, after evaluating benchmark data and the company- and individual-specific factors outlined above, recommended to the Board of Directors that the annual base salaries of certain of the Company's executive officers be increased. The Board of Directors approved this recommendation in February 2012, with the increases effective as of January 1, 2012.

The 2012 annual base salaries of our named executive officers, after giving effect to these increases, were as follows:

Name	Annual Base Salary
Brian T. Crowley	\$ 295,000
Scott C. Mahan	\$ 230,000
Mark D. Whiteside	\$ 207,000

Equity Awards

Longer-term incentives in the form of grants of stock options, restricted stock, restricted stock units and other forms of equity instruments to executive officers are governed by the Stock Plan and are made both under incentive compensation plans and outside of those plans.

The Compensation Committee recommends grants and awards of stock options and other forms of equity instruments awarded to our executive officers under the Stock Plan. Grants and awards recommended by the Compensation Committee are then submitted to the Board of Directors for approval. Stock options have historically been granted at the time of hire of an executive officer. Further, the Compensation Committee periodically reviews the equity ownership of the executive officers and may recommend to the Board of Directors additional awards of equity instruments under the Stock Plan based on a number of factors, including benchmark data, Company performance and individual performance, the vested status of currently outstanding equity awards, the executive's equity ownership in relation to the other executives and other factors. The Compensation Committee maintains no formal guidelines for these periodic reviews. Stock options are awarded with exercise prices equal to the closing market price per share of our common stock on the grant date.

In February 2012, the Compensation Committee recommended and the Board of Directors approved new grants of restricted stock units to certain executive officers, including the named executive officers, in order to keep a healthy long-term incentive in place as older grants have vested. The awards to our named executive officers were in the amounts of 15,000 restricted stock units to Mr. Crowley, 10,000 restricted stock units to Mr. Mahan and 40,000 restricted stock units to Mr. Whiteside. These grants vest annually in equal installments over four years.

Incentive Plan Compensation

Our named executive officers also participate in incentive compensation programs as described below. Executive officers of the Company who are not members of the sales team participate in the AEBP.

The objectives of the AEBP are to:

Encourage and reward individual and corporate performance;

Seek alignment of executive officers' compensation with shareholder interests on both a short-term and long-term basis; and

Attract and retain highly-qualified executives.

The AEBP, under which executive officers, other than the Company's Senior Vice President, Worldwide Sales and Marketing, have the potential to earn awards of cash and restricted stock units, is maintained in collaboration among the Compensation Committee, the Board of Directors and the Chief Executive Officer. Payment under the AEBP is contingent on the achievement of an adjusted annual net income target for the Company and the achievement of individual objectives set for the executive. Individual objectives may be related to achievements such as growing revenue streams, developing successful new products, maintaining low involuntary employee turnover and improving infrastructure to enhance business velocity.

The amount of bonus earned under the AEBP is determined by the following formula, the elements of which are described below:

$$\text{Bonus Amount} = \text{Base Salary} * \text{Target Bonus Opportunity} * \text{Company Achievement Multiplier (50\% to 130\%)} * \text{Individual Achievement Multipliers (0\% to 100\%)}$$

Target Bonus Opportunity. The Target Bonus Opportunity for each executive officer is set as a percentage of base salary. The philosophy used by the Compensation Committee in setting the Target Bonus Opportunity is similar to that used in setting base salaries for the executive officers, including consideration of the benchmark data described previously, among other things. The 2012 Target Bonus Opportunity percentages were as follows for the named executive officers:

Title	Target Bonus Opportunity
Chief Executive Officer	65%
Chief Financial Officer	50%
Senior Vice President, Professional Services	40%

Company Achievement Multiplier. The Compensation Committee, in conjunction with the Chief Executive Officer and Board of Directors, determines the threshold financial measures that the Company must meet in order for executives to earn bonuses under the AEBP. Because reported net income contains equity-based compensation expense, and because the actual amount of compensation expense is variable based on factors largely out of the control of the executive team, the Compensation Committee has decided that net income with equity-based expense added back, or adjusted net income, will be used as the primary measure for achievement in the AEBP. Additionally, because it is not possible to accurately forecast the amount of executive bonuses earned at the start of the year, and because executive bonuses are not included in the Company's annual budget, adjusted net income excludes any executive bonus expense. The Compensation Committee also has discretion to make other adjustments based on particular facts and circumstances that may arise. The Compensation Committee has set three adjusted net income targets:

Bonus Trigger: This is the minimum amount of adjusted net income that the Company must earn in order for any AEBP bonuses to be paid. Once adjusted net income reaches this amount, the Company Achievement Multiplier is set at 50%.

Bonus Target: This is the target adjusted net income level at which the Company Achievement Multiplier is set at 100%. This number corresponds to the net income number set forth in the 2012 budget that is formally approved by the Board of Directors, with any 2012 equity-based compensation expense estimate added back.

Bonus Cap: This is the adjusted net income level at which the Company Achievement Multiplier will cap at 130%.

If the Company does not achieve the Bonus Trigger, then the Company Achievement Multiplier is set at 0%, and no bonuses are paid under the AEBP.

When adjusted net income falls between the Bonus Trigger and the Bonus Target, the Company Achievement Multiplier will be prorated from 0% to 100%. When adjusted net income falls between the Bonus Target and the Bonus Cap, the Company Achievement Multiplier will be prorated from 100% to 130%. If adjusted net income is greater than the Bonus Cap, the Company Achievement Multiplier will remain capped at 130%.

For 2012, the financial targets for the Company Achievement Multiplier were as follows:

Description	Adjusted Net Income		Bonus Percentage
	Minimum	Maximum	
Below Trigger	\$ 0	\$ 4,683,199	0%
Trigger to Target	\$ 4,683,200	\$ 5,853,999	0% to 100% prorated
Target	\$ 5,854,000	\$ 5,854,000	100%
Above Target	\$ 5,854,001	\$ 7,610,200	100% to 130% prorated
	\$ 7,610,200	\$ and above	capped at 130%

Individual Achievement Multiplier. Each executive other than the Chief Executive Officer is assigned objectives by the Chief Executive Officer. The Compensation Committee in conjunction with the Board of Directors determines the Chief Executive Officer's objectives. Objectives for executives other than the Chief Executive Officer may be modified by the Chief Executive Officer during the year in order to suit current business conditions. Objectives are meant to provide guidance and incentive for each executive in the day to day operation of a particular business function.

Each objective carries a particular weighting, with the sum of all objective weightings adding up to 100%.

At the end of the year, the Chief Executive Officer reviews each objective with the particular executive, and determines if the objective was achieved (0% or 100%), or in the case of a prorated objective, what percentage of the objective was achieved. The Chief Executive Officer's determination is reviewed by the Compensation Committee. The Compensation Committee reviews the Chief Executive Officer's achievement of objectives.

The Individual Achievement Multiplier is then determined by multiplying the achievement level of each objective by the assigned weighting for that objective. The results for all objectives are then added together to form the Individual Achievement Multiplier. For example, if an executive had four objectives, each weighted at 25%, the Individual Achievement Multiplier would be determined as follows:

$$\text{Individual Achievement Multiplier} = (\text{Objective 1 Achievement \%} * 25\%) + (\text{Objective 2 Achievement \%} * 25\%) + (\text{Objective 3 Achievement \%} * 25\%) + (\text{Objective 4 Achievement \%} * 25\%)$$

As noted above, the objective achievement percentage for pass/fail objectives will be 0% or 100%. For prorated objectives, the objective achievement percentage will be prorated between 0% and 100%, inclusive.

Payment of Bonuses. When an executive earns a bonus under the AEBP, the mix of consideration is dependent on the amount of bonus earned. The amount of the bonus which is up to or equal to 50% of the executive's base salary (or prorated base salary if the executive was not with us for the full year) is paid in cash, with the remainder paid in the form of restricted stock units which vest over two years in four equal installments semiannually on the last day of July

and December of the two years following the year as to which the bonus is payable. The total number of restricted stock units in the grant is determined by dividing the non-cash portion of

the bonus by the closing price of our common stock on the date of grant. Generally, the Compensation Committee and Chief Executive Officer will attempt to complete bonus calculations as quickly as possible once the fiscal year ends and our finance team has delivered a stable view of adjusted net income for the year. Once the bonus calculations are complete, they must be presented to and approved by the Board of Directors. If restricted stock units are to be awarded to executives, the grant date will be the date that the AEBP awards are approved by the Board of Directors.

Executives must be employed by us at the end of the measurement year in order to be eligible for a bonus. If an executive leaves the employ of the Company before previously awarded restricted stock units have fully vested, any unvested units will be forfeited.

2012 Bonus Amounts. In 2012, our adjusted net income did not reach the minimum trigger, and therefore no bonuses were achieved.

Incentive Sales Compensation Plan

Sales executives participate in non-equity incentive compensation plans with provisions tailored to the particular individual. The terms of these plans are determined by agreement with the sales executive each year with respect to a particular year's incentive compensation, but with terms that are subject to change each quarter. There are no minimum or maximum amounts payable; percentage commissions depend entirely on the Company's level of achievement with respect to the particular gross profit measures, while quarterly bonuses are either earned or missed according to whether the particular Company performance quota is met.

Other Compensation and Perquisites

Executives are eligible to participate in standard benefit plans available to all employees including the Company's 401(k) retirement plan, medical, dental, disability, vacation and sick leave and life and accident insurance. The same terms apply to all employees for these benefits except where the value of the benefit may be greater for executives due to the fact that they are more highly compensated than most other employees (e.g., disability benefits). However, all executive officers receive a phone allowance of \$1,800 per year, as do other employees whose job responsibility requires them to be on call. The individuals receiving the allowance are not reimbursed for normal cell phone usage. We provide no pension or deferred compensation benefits to our executive officers. We do not currently have in place any tax gross-up arrangements with our executives.

Employee Benefit Plans

Equity Compensation Plan Information

The following table presents certain information regarding our common stock that may be issued upon the exercise of options and vesting of restricted stock units granted to employees, consultants or directors as of December 31, 2012:

	Number of securities to be issued upon exercise of outstanding options, warrants and rights (a)	Weighted-average exercise price of outstanding options, warrants and rights (b)	Number of securities remaining available for future issuance under equity compensation plans (excluding securities reflected in column (a)) (c)
Equity compensation plans approved by security holders	1,578,931(1)	\$ 3.59	1,104,349(2)
Equity compensation plans not approved by security holders	197,200	\$ 3.32	52,800(3)

- (1) Amount includes 236,513 restricted stock units granted and unvested as of December 31, 2012.
- (2) The Stock Plan does not provide for any automatic annual increase in the number of shares reserved for issuance thereunder.
- (3) Indicates shares of our common stock reserved for issuance under the 2011 Inducement Award Plan (Inducement Plan), which we established in connection with our acquisition of MPC Data Limited in 2011. There were 250,000 shares allocated for award under the Inducement Plan at the time it was adopted. The number of shares available for issuance may be modified by our Board of Directors, subject to SEC and NASDAQ limitations. There were options to purchase 211,450 shares granted under the Inducement Plan during 2012 (some of which had terminated as of December 31, 2012, with the underlying common stock returned to the pool as available for issuance).

Fourth Amended and Restated Stock Plan

We have granted options to purchase common stock to our officers, directors, employees and consultants under the Stock Plan. The Stock Plan also enables us to grant restricted stock, restricted stock units and certain other equity-based compensation to our officers, directors, employees and consultants. We awarded restricted stock units to our directors in 2011 and 2012. We also awarded restricted stock units to certain of our officers and other employees in 2011 and 2012.

401(k) Plan

We maintain a tax-qualified 401(k) employee savings and retirement plan for eligible U.S. employees. Eligible employees may elect to defer a percentage of their eligible compensation in the 401(k) plan, subject to the statutorily prescribed annual limit. We may make matching contributions on behalf of all participants in the 401(k) plan in the amount equal to one-half of the first 6% of an employee's contributions. Matching contributions are subject to a vesting schedule; all other contributions are fully vested at all times. We intend the 401(k) plan to qualify under Sections 401(k) and 501 of the Internal Revenue Code of 1986, as amended, so that contributions by employees or the

Company to the 401(k) plan and income earned, if any, on plan contributions are not taxable to employees until withdrawn from the 401(k) plan (except as regards Roth contributions), and so that we will be able to deduct our contributions when made. The trustee of the 401(k) plan, at the direction of each participant, invests the assets of the 401(k) plan in any of a number of investment options.

STOCK OWNERSHIP

Security Ownership of Principal Shareholders, Directors and Management

The following table sets forth certain information regarding the beneficial ownership of our common stock as of October 1, 2013 by:

each person who is known by us to own beneficially more than five percent of the outstanding shares of common stock;

each director of the Company;

each of the named executive officers; and

all of our directors and executive officers as a group.

Beneficial ownership is determined in accordance with the rules of the SEC. The number of shares listed below under the heading "Total Common Stock Equivalents" is the aggregate beneficial ownership for each shareholder and includes:

common stock beneficially owned;

restricted stock awards;

currently vested options; and

stock options and restricted stock units that are not currently vested but will become vested within 60 days after October 1, 2013.

Of this total amount, the number of shares of common stock underlying options that are currently vested, and stock options and restricted stock units that are not currently vested but will become vested within 60 days after October 1, 2013, are deemed outstanding for the shareholder (the "Deemed Outstanding Shares") and are also separately listed below under the heading "Number of Shares Underlying Options and RSUs." For purposes of calculating the number of shares beneficially owned by a shareholder, director or executive officer and resulting percentage ownership, the Deemed Outstanding Shares are not treated as outstanding for the purpose of computing the percentage ownership of common stock outstanding of any other person.

This table is based on information supplied by officers, directors, principal shareholders and filings made with the SEC. Percentage ownership is based on 11,136,132 shares of common stock outstanding as of October 1, 2013.

Section 16(a) of the Exchange Act requires the Company's officers and directors and persons who own more than ten percent of a registered class of the Company's equity securities to file with the SEC reports of ownership on Form 3 and changes in ownership on Form 4 and Form 5. Officers, directors and greater-than-ten-percent shareholders are required by SEC regulations to furnish to the Company copies of all Section 16(a) forms they file. Based solely on its review of the copies of such forms received by it, or written representations from certain reporting persons, the Company believes that during the year ended December 31, 2012, its officers and directors and persons who own more than ten percent of a registered class of the Company's equity securities complied with all applicable Section 16(a) filing requirements.

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

There were no transactions since January 1, 2011, nor are there any proposed transactions as of the date of this proxy statement, as to which the amount involved exceeds the lesser of \$120,000 or one percent of the average of our total assets at year end for the last two completed fiscal years and in which any related person has or will have a direct or indirect material interest, other than equity and other compensation, termination and other arrangements which are described above under 2012 Director Compensation and Executive Officer Compensation.

PROPOSAL NO. 2

ADVISORY VOTE ON EXECUTIVE COMPENSATION

The Dodd-Frank Wall Street Reform and Consumer Protection Act, enacted in July 2010, requires that we provide our shareholders with the opportunity to vote to approve, on an advisory basis, the compensation of our named executive officers as disclosed in this proxy statement in accordance with the compensation disclosure rules of the SEC.

This advisory vote, commonly referred to as a "say-on-pay" advisory vote, is not binding on the Company, our Board of Directors or our Compensation Committee. Moreover, the vote on this resolution is not intended to address any specific element of compensation, but rather relates to the overall compensation of our named executive officers, as disclosed in this proxy statement in accordance with the compensation disclosure rules of the SEC. However, while this vote is advisory and not binding on us, we will consider your views when determining executive compensation in the future, including seeking to determine the causes of any significant negative voting results to better understand issues and concerns.

Executive compensation is an important matter for us and for our shareholders. The core of our executive compensation philosophy and practice continues to be pay for performance. As discussed in the "Executive Officer Compensation" section above, our executive compensation programs are based on practices that require achievement of challenging goals—goals that will drive us to achieve profitable revenue growth and market share gains, while expanding the global market opportunity for our products, technology and services portfolio, and ultimately leading to long-term shareholder value. We believe our compensation programs are strongly aligned with the long-term interests of our shareholders, and have been and will continue to be effective in incenting the achievement and performance of our executive officers. Compensation of our executive officers is designed to enable us to attract and retain talented and experienced senior executives to lead us successfully in a competitive environment.

Our named executive officers and the compensation of the named executive officers is described in the "Executive Officer Compensation" section of this proxy statement, including our compensation philosophy and objectives and the fiscal 2012 compensation of the named executive officers.

We are asking shareholders to vote on the following resolution:

Resolved, that the shareholders approve, on an advisory basis, the compensation of the Company's named executive officers as disclosed in the proxy statement for the 2013 Annual Meeting of Shareholders pursuant to the compensation disclosure rules of the SEC.

Vote Required

Approval on an advisory basis of the compensation of our named executive officers as disclosed in this proxy statement in accordance with the compensation disclosure rules of the SEC requires that the votes cast in favor of the proposal exceed the votes cast against the proposal.

As indicated above, the shareholder vote on this resolution will not be binding on us, the Compensation Committee or the Board of Directors, and will not be construed as overruling any decision by us, the Compensation Committee or the Board. The vote will not be construed to create or imply any change to our fiduciary duties or those of the Compensation Committee or the Board, or to create or imply any additional fiduciary duties for us, the Compensation Committee or the Board.

THE BOARD OF DIRECTORS RECOMMENDS A VOTE FOR PROPOSAL NO. 2.

PROPOSAL NO. 3

**ADVISORY VOTE ON THE FREQUENCY OF
FUTURE ADVISORY VOTES ON EXECUTIVE COMPENSATION**

As discussed above, the Dodd-Frank Act and regulations promulgated thereunder require the Company to conduct a separate shareholder vote to approve compensation of named executive officers, as disclosed pursuant to the compensation disclosure rules of the SEC. The Dodd-Frank Act further provides that this shareholder vote shall occur every one, two or three years. Shareholders are entitled to cast an advisory vote to reflect the desired frequency of such vote as being every one, two or three years.

Accordingly, we are asking our shareholders to provide input on the frequency of future shareholder advisory votes on executive compensation. In particular, we are asking whether the advisory vote should occur every year, every two years or every three years. You may cast your vote on the preferred voting frequency by choosing the option of one year, two years, or three years when voting in response to this proposal. You may also abstain from voting.

We understand that our shareholders may have different views as to what is the best approach for us with respect to the frequency of future advisory votes on executive compensation. After considering a variety of factors, the Board of Directors recommends that you support a frequency of one year for future advisory votes on executive compensation. We believe that holding an advisory vote every year will allow shareholders to provide us with direct and timely input on the compensation of our executive officers. This approach is consistent with our commitment to direct engagement with shareholders on executive compensation and other matters. We believe the advisory vote will be another avenue for shareholders to express their views on executive compensation to the Board, our management and Compensation Committee.

Vote Required

The option of one year, two years or three years that receives the highest number of votes cast by shareholders will be the frequency for the advisory vote on executive compensation that has been selected by shareholders. As indicated above, the shareholder vote on this matter is advisory and will not be binding on us, the Compensation Committee or the Board of Directors. However, we value your opinion and will consider the voting results in making a determination concerning the frequency of future executive compensation votes.

THE BOARD OF DIRECTORS RECOMMENDS A VOTE FOR ONE YEAR ON PROPOSAL NO. 3

PROPOSAL NO. 5

AMENDMENT TO AMENDED AND RESTATED ARTICLES OF INCORPORATION

TO DECLASSIFY OUR BOARD OF DIRECTORS AND

PROVIDE FOR ANNUAL ELECTION OF DIRECTORS

The Board of Directors has unanimously adopted and is submitting for shareholder approval an amendment (the Amendment) to the Company s Amended and Restated Articles of Incorporation (the Articles) that would declassify the Company s Board of Directors, so that all directors stand for election annually. If the Amendment is approved by the shareholders at the Annual Meeting, the Board will amend the Articles to include the Amendment.

Currently, the Articles provide that our Board of Directors is divided into three classes, with each class being elected every three years. In making a determination whether to adopt the Amendment, the Board took into consideration arguments in favor of and against continuation of the classified Board and determined that it is in the Company s best interests to declassify the Board. In its review, the Board considered the potential advantages of declassification, including the ability of shareholders to evaluate directors annually, and the Board recognizes the growing sentiment among shareholders and the investment community in favor of annual elections. After carefully weighing all of these considerations, the Board determined that it is appropriate to propose the Amendment.

If the Amendment is approved by the shareholders at the Annual Meeting, the declassified board structure will be phased in over a three-year period. Directors elected to three-year terms prior to the effectiveness of the Amendment (including directors elected at this Annual Meeting) will complete those terms, and, prior to the 2016 Annual Meeting, any director elected to fill a vacancy resulting from the death, resignation or removal of an existing director will hold office for the same remaining term as that of his or her predecessor. Beginning with the 2016 Annual Meeting, all directors will stand for election annually.

More specifically:

Class I directors to be elected at this Annual Meeting will serve their full three-year terms, which expire at the 2016 Annual Meeting. Beginning with the 2016 Annual Meeting, Class I directors will stand for election on an annual basis, for one-year terms.

Class II directors will serve the remainder of their elected terms, which expire at the 2014 Annual Meeting. Beginning with the 2014 Annual Meeting, Class II directors will stand for election on an annual basis, for one-year terms.

Class III directors will serve the remainder of their elected terms, which expire at the 2015 Annual Meeting. Beginning with the 2015 Annual Meeting, Class III directors will stand for election on an annual basis, for one-year terms.

The full text of the proposed Amendment is attached as Appendix A to this proxy statement, with deletions indicated by strikeouts and additions indicated by underlining.

If the Amendment is approved by the shareholders at the Annual Meeting, the changes to our Articles of Incorporation will become legally effective upon the filing of a certificate of amendment with the Washington Secretary of State,

which we intend to do shortly after the Annual Meeting. If shareholders do not vote to approve the proposed Amendment, the Board will remain classified and the directors will continue to be elected to serve three-year terms, subject to their earlier death, resignation or removal.

Vote Required

Approval of the proposal to amend our Amended and Restated Articles of Incorporation to declassify our Board of Directors requires votes cast in favor of the proposal by holders of a majority of our common stock outstanding as of the record date.

**THE BOARD OF DIRECTORS RECOMMENDS A VOTE FOR
AMENDMENT OF THE AMENDED AND RESTATED ARTICLES OF INCORPORATION
TO DECLASSIFY OUR BOARD OF DIRECTORS AND PROVIDE FOR ANNUAL ELECTION OF
DIRECTORS.**
