Item 5.03 Amendments to Articles of Incorporation or Bylaws; Change in Fiscal Year

Amendment and Restatement of Certificate of Incorporation and Bylaws

On March 17, 2014, the amended and restated certificate of incorporation (the "Charter") and amended and restated bylaws (the "Bylaws") of Achaogen, Inc. (the "Company"), became effective, in connection with the closing of the initial public offering of shares of its common stock. As described in the Registration Statement on Form S-1 (File No. 333-193559), as amended (the "Registration Statement"), the Company's Board of Directors and stockholders previously approved the amendment and restatement of the Company's charter documents to be effective immediately prior to the closing of its initial public offering. The Charter and the Bylaws are the same form as the form of amended and restated certificate of incorporation and amended and restated bylaws filed as Exhibits 3.2 and 3.4 to the Registration Statement.

As amended and restated, the Charter and Bylaws contain provisions that, among other things:

authorize 290,000,000 shares of common stock;

delete all references to the various series of preferred stock that were previously authorized and instead create 10,000,000 shares of undesignated preferred stock with terms to be set by the board of directors, which rights could be senior to those of the Company's common stock;

prohibit cumulative voting in the election of directors, which would otherwise allow less than a majority of stockholders to elect director candidates;

require the advance notice of nominations for election to the board of directors or for proposing matters that can be acted upon at a stockholders' meeting;

allow the Company's board of directors to alter the Company's bylaws without obtaining stockholder approval;

eliminate the rights of stockholders to call a special meeting of stockholders and to take action by written consent in lieu of a meeting;

require the approval of at least 66 2/3% of the shares entitled to vote at an election of directors to adopt, amend or repeal the Company's bylaws or repeal the provisions of the Company's amended and restated certificate of incorporation regarding the election and removal of directors and the inability of stockholders to take action by written consent in lieu of a meeting;

permit removal of a director from office only for cause and only by the affirmative vote of at least 66 2/3% of the shares entitled to vote at an election of directors;

Edgar Filing: Achaogen Inc - Form 8-K

designate the Court of Chancery of the State of Delaware to be the sole and exclusive forum for certain actions, including derivative actions or proceedings brought on behalf of the Company or actions asserting claims of breach of a fiduciary duty owed by any of the Company's directors, officers or other employees to the Company or the Company's stockholders; and

establish a classified board of directors, as a result of which the successors to the directors whose terms have expired will be elected to serve from the time of election and qualification until the third annual meeting following their election.

The foregoing description of the Charter and Bylaws is qualified in its entirety by reference to the Charter and Bylaws, which are filed as Exhibits 3.1 and 3.2 hereto, respectively, and incorporated herein by reference.

Item 8.01 Other Events.

On March 17, 2014, the Company completed its initial public offering of 6,900,000 shares of its common stock at a price to the public of \$12.00 per share, which includes the exercise in full by the underwriters of the offering of their option to purchase 900,000 additional shares of the Company's common stock. A copy of the press release announcing the closing of the initial public offering is attached hereto as Exhibit 99.1 and is incorporated herein by reference.
