The LOC Facility, which the Company entered into in order to support its international operations, provides the Company with a demand line of credit of up to \$5,000,000 to be used for the issuance of standby letters of credit. Under the LOC Facility, the Company incurs an annual facility fee in the amount of 0.375% of the maximum amount available under the LOC Facility, as well as a letter of credit issuance fee of between 0.75% and 1.25% of the face amount of all letters of credit issued. The amount of each letter of credit issuance fee will be based on the Company's ratio of Funded Debt to EBITDA (as defined in the Letter Agreement).
