PROXY STATEMENT

ANNUAL MEETING OF SHAREHOLDERS

TO BE HELD MAY 15, 2014

INFORMATION CONCERNING SOLICITATION AND VOTING

Shareholders Meeting

This Proxy Statement and the enclosed proxy card (Proxy) are furnished on behalf of the Board of Directors of Manhattan Associates, Inc., a Georgia corporation (the Company, our or we), to solicit proxies for use at the Annual Meeting of Shareholders to be held on Thursday, May 15, 2014, at 9:00 a.m., Atlanta, Georgia time (the Annual Meeting), or at any adjournment or postponement of the meeting, for the purposes set forth in this statement and in the accompanying Notice of Annual Meeting. The Annual Meeting will be held at 2300 Windy Ridge Parkway, Atlanta, Georgia 30339. The Company intends to mail this Proxy Statement and the accompanying Proxy on or about April 11, 2014, to all shareholders entitled to vote at the Annual Meeting.

Shareholders Entitled to Vote; Quorum

On December 19, 2013, the Board of Directors approved a four-for-one stock split of the Company s \$.01 par value per share common stock (the Common Stock), effected in the form of a stock dividend. All references made to share or per share amounts have been restated to reflect the effect of this four-for-one stock split for all periods presented.

Only holders of record of the Common Stock at the close of business on March 28, 2014 (the Record Date), will be entitled to notice of and to vote at the Annual Meeting. At the close of business on the Record Date, the Company had outstanding and entitled to vote 75,831,212 shares of Common Stock. Each holder of record of Common Stock on that date will be entitled to one vote for each share held on all matters to be voted on at the Annual Meeting. Any shareholder who signs and returns a Proxy has the power to revoke it at any time before it is voted at the Annual Meeting by providing written notice of revocation to the Secretary of the Company, by filing with the Secretary of the

Company a Proxy bearing a later date, or by voting through the Internet or by telephone or in person at the Annual Meeting.

The holders of a majority of the total shares of Common Stock outstanding on the Record Date, whether present at the Annual Meeting in person, voting through the Internet or telephone, or represented by proxy, will constitute a quorum for the transaction of business at the Annual Meeting. Abstentions and broker non-votes both will be counted toward fulfillment of quorum requirements. Broker non-votes occur on a matter up for vote when a broker, bank, or other custodian or nominee is not permitted to vote on that particular matter without instructions from the beneficial owners of the shares, the owner does not give those instructions, and the broker or other nominee indicates on its Proxy, or otherwise notifies us, that it does not have authority to vote its shares on that matter. Whether a broker has authority to vote its shares on uninstructed matters is determined by stock exchange rules.

Counting of Votes

The purpose of the Annual Meeting is to consider and act upon the matters that are listed in the accompanying Notice of Annual Meeting and set forth in this Proxy Statement. The enclosed Proxy and other voting methods described in the Proxy provide a means for a shareholder to vote upon each of the matters listed in the accompanying Notice of Annual Meeting and described in the Proxy Statement, including a means for a shareholder to vote for the nominees for Director listed in the Notice or to withhold authority to vote for those nominees. The Company's Bylaws provide that Directors are elected by a plurality of the votes cast; i.e., the nominees who receive the most votes for the available Director positions will be elected as Directors.

Table of Contents

The accompanying Proxy and other voting methods described in the Proxy also provide a means for a shareholder to vote for or against, or abstain from voting on, the other matters to be acted on at the Annual Meeting. Shares represented by each Proxy will be voted in accordance with the shareholder's directions. Assuming a quorum is present, approval of the non-binding resolution to approve the compensation of the Company's named executive officers, ratification of the appointment of Ernst & Young LLP as our independent registered public accounting firm for the fiscal year ending December 31, 2014, and approval of any other matters as may properly come before the meeting, requires that the votes cast in favor of each matter exceed the votes cast against that matter. Neither abstentions nor broker non-votes are considered votes cast, and therefore neither will have an effect on the results of the vote with respect to the election of two Class I Directors to the Company's Board of Directors, approval of the non-binding resolution to approve the executive compensation of the Company's executive officers, and ratification of the appointment of Ernst & Young LLP as our independent registered public accounting firm for the fiscal year ending December 31, 2014.

The affirmative vote of the holders of a majority of the outstanding shares of Common Stock will be necessary to approve the proposed amendment to the Company's Articles of Incorporation to increase the number of authorized shares of Common Stock from 100,000,000 to 200,000,000. Abstentions and broker non-votes have the effect of negative votes with respect to the proposed amendment to the Company's Articles of Incorporation.

Proxies

When the enclosed Proxy is properly signed and returned, or submitted via Internet or telephone as described on the Proxy, the shares that it represents will be voted at the Annual Meeting in accordance with the instructions noted on it. In the absence of instructions, the shares represented by a signed Proxy will be voted in favor of the nominees for election to the Board of Directors, the non-binding resolution to approve the compensation of the Company's named executive officers, ratification of the appointment of our independent registered public accounting firm, and the proposed amendment to the Articles of Incorporation to increase the authorized number of shares of Common Stock.

Proxy Solicitation Costs

The Company will bear the entire cost of soliciting proxies to be voted at the Annual Meeting, including the preparation, printing, and mailing of proxy materials. In addition to the solicitation of proxies by mail, solicitation may be made by certain Directors, officers, and other employees of the Company by personal interview, telephone, email, or facsimile. No additional compensation will be paid to those persons for that solicitation. We have engaged The Proxy Advisory Group, LLC[®], to assist in the solicitation of proxies and provide related advice and informational support, for a services fee and the reimbursement of customary disbursements that are not expected to exceed \$19,000 in the aggregate. The Company will reimburse brokers, banks, and other nominees for their reasonable out-of-pocket expenses for forwarding the proxy materials to their customers who are beneficial owners.

SECURITY OWNERSHIP OF CERTAIN BENEFICIAL OWNERS AND MANAGEMENT

The following table sets forth the amount and percent of shares of Common Stock that, as of March 3, 2014, unless a different date is noted below, are deemed under the rules of the Securities and Exchange Commission (the "SEC" or "Commission") to be beneficially owned by (i) each member of the Board of Directors of the Company and each nominee to become a member of the Board of Directors, (ii) the Chief Executive Officer, the Chief Financial Officer, and the other executive officers identified as the named executive officers in the Summary Compensation Table appearing in this Proxy Statement, (iii) all Directors and executive officers of the Company as a group, and (iv) any person or group (as that term is used in the Securities Act of 1934, as amended) known to the Company as of that date to be a beneficial owner of more than 5% of the outstanding shares of Common Stock.

PROPOSAL 1

ELECTION OF CLASS I DIRECTORS

Introduction

At the Annual Meeting, two Directors are to be elected for the term described below. The Board of Directors is divided into three classes. The term of each Director is three years, and the terms of the Directors in each of the respective classes are staggered vis-à-vis the terms of the Directors in the other two classes. The Board is currently comprised of two Class I Directors (Messrs. Cassidy and Capel), two Class II Directors (Messrs. Raghavan and Sinisgalli), and three Class III Directors (Messrs. Huntz, Lautenbach, and Noonan). At each Annual Meeting of Shareholders, a class of Directors will be elected for a three year term to succeed the Directors of the same class whose terms are then expiring. The terms of the Class I Directors, Class II Directors, and Class III Directors will expire upon the election and qualification of successor Directors at the 2017, 2015, and 2016 Annual Meeting of Shareholders, respectively. There are no family relationships among any of the Directors or Director nominees of the Company.

Shares represented by executed Proxies will be voted, if authority to do so is not withheld, for the election of the nominees named below. If the nominees are unavailable for election as a result of an unexpected occurrence, those shares will be voted for the election of such substitute nominees as the Board of Directors may select. The people nominated for election have agreed to serve if elected, and management has no reason to believe that those nominees will be unable to serve.

During 2013, the non-employee Chairman of the Board of Directors received an annual retainer of \$150,000, payable in monthly installments on the first business day of each month. The other non-employee members of the Board of Directors received an annual retainer of \$50,000 payable in quarterly installments on the first business day of each quarter. In addition to the foregoing retainers, the Chairman of each of the Audit Committee and the Compensation Committee received an annual retainer of \$20,000, and the Chairman of the Nomination and Governance Committee received an annual retainer of \$10,000. Each member of a Committee who is not the Committee Chairman received an additional retainer for service on that Committee, with those retainers being \$10,000, \$7,500, and \$5,000 for the Audit, Compensation, and Nomination and Governance Committees, respectively. On the date of the Company's 2013 Annual Meeting, each non-employee Director was awarded 9,364 restricted stock units (RSUs) on a post-split adjusted basis, which vest on the earlier of the first anniversary of the date of grant or the next Annual Meeting of Shareholders of the Company, provided that the Director remains in continuous service on the Board through such date. Upon vesting, each unit will be settled with one share of Common Stock.

On March 28, 2013, the Board of Directors, upon the recommendation of the Compensation Committee, approved a grant of RSUs with a value of \$206,550, based on the closing price of the Company's Common Stock on the date immediately prior to the grant, to Mr. Brian J. Cassidy, an independent member of the Board of Directors for nearly 15 years. These RSUs were granted in lieu of gain of equal value Mr. Cassidy would have experienced upon the exercise of certain of his vested, in-the-money stock options that expired unexercised due to the director's administrative error. These RSUs vest on the first anniversary of the grant date.

The following table sets forth, for the year ended December 31, 2013, the total compensation earned for our non-employee members of the Board of Directors.

Board Committees

The Board of Directors has established three permanent committees that have certain responsibilities for our governance and management. They include the Audit Committee, Compensation Committee, and Nomination and Governance Committee. The Board has adopted charters for the Audit Committee, Compensation Committee, and Nomination and Governance Committee, which can be found in the Investor Relations section of our web site at www.manh.com.

Audit Committee. During 2013, the Audit Committee consisted of Messrs. Huntz, Lautenbach, and Noonan. Mr. Huntz serves as Chairman of the Audit Committee. The Board of Directors has determined that each member of the Audit Committee meets the independence and experience requirements applicable to members of the Audit Committee of a Nasdaq-traded company, as well as the Audit Committee independence standards established by the SEC. Further, the Board has determined that Messrs. Huntz and Noonan are audit committee financial experts, as defined by the rules of the SEC. Among other responsibilities, the Audit Committee recommends to the Board the selection and discharge of our independent registered public accounting firm, reviews the scope of the audit to be conducted by them, as well as the results of their audit, and reviews our internal controls and financial statements. The Audit Committee also reviews and discusses with management and our independent registered public accounting firm major financial risk exposure and steps management has taken to monitor and control such exposure. During the fiscal year ended December 31, 2013, the Audit Committee met four times.

Compensation Committee. During 2013, the Compensation Committee consisted of Messrs. Noonan, Cassidy, and Huntz. Mr. Noonan serves as Chairman of the Compensation Committee. The Board of Directors has determined that all members of the Compensation Committee meet the independence requirements of the Nasdaq corporate governance rules. The Compensation Committee approves the compensation of all of our executive officers, including the Chief Executive Officer, reviews compensation plans of all Directors, officers, and other key executives, and makes recommendations concerning these matters to the Board of Directors. The Compensation Committee also administers our equity incentive programs and establishes the terms and conditions of all stock, stock options, and stock units granted under these plans. During the fiscal year ended December 31, 2013, the Compensation Committee met five times.

Nomination and Governance Committee. During 2013, the Nomination and Governance Committee (the Nomination Committee) consisted of Messrs. Raghavan, Cassidy, and Huntz. Mr. Raghavan serves as Chairman of the Nomination Committee. The Board of Directors has determined that all members of the Nomination Committee meet the independence requirements of the Nasdaq corporate governance rules. The Nomination Committee is appointed by the Board of Directors to identify and assist in recruiting outstanding individuals who qualify to serve as Board members and to recommend to the Board a slate of Director nominees for election by our shareholders at each annual meeting of our shareholders in accordance with our Articles of Incorporation, Bylaws, and Georgia law; to recommend Directors for appointment to each Board Committee; and to review the performance of the Board and its Committees and make appropriate recommendations. During the fiscal year ended December 31, 2013, the Nomination Committee met four times.

Table of Contents

In accordance with the provisions of our Bylaws, shareholders may directly nominate prospective Director candidates by delivering to our Corporate Secretary certain information about the nominee not less than 60 days prior to the meeting as originally scheduled, or if less than 70 days' notice or prior public disclosure of the date of the scheduled meeting is given or made, delivery of notice to the Company not later than the tenth day following the earlier of the day on which notice of the date of the meeting is mailed to shareholders or public disclosure of the date of that meeting is made. The Nomination Committee has not adopted a formal policy with regard to consideration of any Director candidate nominated by shareholders for inclusion in the Board's slate. The Nomination Committee believes that such a policy is not necessary or appropriate because of the shareholders' ability to directly nominate Director candidates for the Board.

In identifying qualified individuals to become members of the Board of Directors, the Nomination Committee selects candidates whose attributes it believes would be most beneficial to the Company. The Nomination Committee evaluates each individual's experience, integrity, competence, diversity (including occupational, geographic, and age diversity), skills, and dedication in the context of the needs of the Board of Directors. The Committee generally identifies Director nominees through the personal, business, and organizational contacts of existing Directors and management. However, the Committee may use a variety of sources to identify Director nominees, including third-party search firms, counsel, advisors, and shareholder recommendations. The composition of the current Board of Directors reflects diversity in business and professional experience and skills.

Board Leadership Structure

Our Bylaws allow, but do not require, our Board of Directors to appoint an officer or a non-executive to the position of Chairman of our Board of Directors. Our Board of Directors has chosen to separate the positions of Chairman of the Board and Chief Executive Officer. Currently, John J. Huntz, Jr., a non-employee independent Director, serves as Chairman of the Board and Eddie Capel serves as our President and Chief Executive Officer. We believe separating these positions allows our Chief Executive Officer to focus on our day-to-day business, while allowing the Chairman of the Board to lead our Board of Directors in its fundamental role of providing advice to and independent oversight of management. Our Board of Directors recognizes the time, effort, and energy that the Chief Executive Officer is required to devote to his position in the current business environment, as well as the commitment required to serve as our Chairman, particularly as our Board's oversight responsibilities continue to grow. Although we do not have a policy mandating the separation of the roles of Chairman and Chief Executive Officer, our Board of Directors believes that having separate positions and having an independent outside Director serve as Chairman currently is the appropriate leadership structure for Manhattan Associates.

Code of Ethics

Our Board of Directors has adopted a Global Ethics and Compliance Code that is applicable to all members of our Board of Directors, our executive officers, and our employees. We have posted the Code in the Investor Relations section of our web site at www.manh.com. If, in the future, we amend, modify, or waive a provision in the Code, we may, rather than file a Form 8-K, satisfy the disclosure requirement under Item 5.05 of Form 8-K by posting such information on our web site as necessary.

Risk Management

While we believe that risk management is the responsibility of every employee, senior management is ultimately accountable to our Board of Directors and shareholders for risk management. Senior management is responsible for the day-to-day management of risks we face, while our Board of Directors, as a whole and through its Committees, oversees planning and responding to risks arising from changing business conditions or the initiation of new activities

or products. Our Board of Directors also is responsible for overseeing compliance with laws and regulations, responding to recommendations from auditors and supervisory authorities, and overseeing management's conformance with internal policies and controls addressing the operations and risks of significant activities.

Table of Contents

Our Board of Directors believes that full and open communication between management and our Board of Directors is essential for effective risk management and oversight. Our Board of Directors receives regular reports from members of senior management on areas of material risk to Manhattan Associates, including operational, financial, legal and regulatory, strategic, competitive, and reputational risks. Additionally, senior management is available to address any questions or concerns raised by our Board of Directors on risk management-related and any other matters.

While our Board of Directors is ultimately responsible for risk oversight at Manhattan Associates, our three Board Committees assist our Board of Directors in fulfilling its oversight responsibilities in certain areas of risk. The Audit Committee assists our Board of Directors in fulfilling its oversight responsibilities with respect to risk management in the areas of financial reporting, internal controls, and compliance with legal and regulatory requirements, and discusses policies with respect to risk assessment and risk management. The Nomination Committee assists our Board of Directors in fulfilling its oversight responsibilities with respect to the management of risks associated with Board organization, membership and structure, succession planning for our Directors and executive officers, and corporate governance. The Compensation Committee assists our Board of Directors in fulfilling its oversight responsibilities with respect to the management of risks arising from our compensation policies and programs.

In keeping with its responsibilities, the Compensation Committee has evaluated potential risks arising from the Company's compensation policies and practices, and concluded that any such risks are not likely to have a material adverse effect on the Company. Among other possible risks, the Compensation Committee considered risks related to the consolidated revenue and adjusted earnings per share components of its incentive plans. In reaching its conclusion, the Compensation Committee reviewed and considered various factors, including the following:

For many participants, there are both short-term (annual) cash and long-term equity incentives;

Short-term incentives and long-term performance-based incentives use revenue and adjusted earnings per share as performance objectives, with a minimum to maximum range criteria (threshold, target, maximum) providing pay-for-performance opportunity with zero payout potential below threshold and maximum payout opportunity above target capped;

Long-term equity incentives include both performance-based and service-based awards; and

The Compensation Committee reviews and approves performance goals and reviews and approves performance payout amounts for actual results before incentives are paid.

COMPENSATION DISCUSSION AND ANALYSIS

Executive Summary

The Company delivered solid results in 2013 as evidenced by the following 2013 performance highlights:

Total revenues increased 10%

Adjusted and GAAP Diluted EPS increased 31% and 35%, respectively.

Stock price increased 95% (from December 31, 2012 to December 31, 2013)

The strong performance is reflected in our executive compensation payouts for 2013, resulting in a payout of 107% of target earned for both the cash incentive bonus and 2013 performance-based RSU awards.

Alignment between company performance and executive compensation is the cornerstone of our executive compensation philosophy and program design. We also believe that our overall governance of executive compensation is sound and reflects many best practices, including:

Separate CEO and Chairman of the Board

Oversight by an active, engaged, and independent Compensation Committee

Engagement of an outside independent compensation consultant

Capped incentive opportunities to mitigate concerns regarding excessive risk-taking

Equity plans that prohibit option re-pricing and cash buyouts without shareholder approval

Double-trigger change-in-control benefits

No excise tax gross-up provision

Limited executive perquisites

In approving compensation arrangements for 2014, the Compensation Committee considered the strong pay-for-performance results and governance practices highlighted above, as well as the fact that nearly 100% of the shares that were voted on the 2013 say on pay vote (discussed below) were voted in favor of the Company's executive compensation program.

The changes to the executive compensation program for 2014 approved by the Compensation Committee include modest increases in salaries, bonus opportunities, and long-term incentive grant values, with larger increases in bonus or long-term incentive opportunities for the two named executive officers who were promoted during the course of 2013 (Messrs. Howell and Smith). The short-term and long-term incentive plan designs for 2014 remain the same as for 2013.

The remainder of the Compensation Discussion and Analysis provides the more detailed philosophy, process, considerations, and analysis involved in the determination of executive compensation.

Determining Executive Compensation

The Role of the Compensation Committee

The Compensation Committee is responsible for establishing compensation levels for the executive officers of the Company, including the annual bonus plan for executive officers, and for administering the Company's Stock Incentive Plan. The Committee is currently comprised of three non-employee Directors: Messrs. Noonan (Chairman), Cassidy, and Huntz. The Committee's overall objective is to establish a compensation policy that will (i) attract, retain, and reward executives who will and do contribute to achieving the Company's business objectives, (ii) motivate executives to obtain these objectives, and (iii) align the interests of executives with those of the Company's long-term investors.

The Role of Independent Consultants

The Compensation Committee has the authority to hire compensation consultants and other advisors it believes are necessary and appropriate to fulfill its principal duties. From 2008 to 2013, the Compensation Committee hired Pearl Meyer & Partners (PM&P) as its independent consultant. PM&P reports to and is directed by the Compensation Committee, and provides no other services to the Company. In general, PM&P is directed by the Committee to provide periodic updates on market trends and developments, provide relevant and credible market data for assessing pay competitiveness, evaluate the design of our pay programs to align with our business strategy, performance outcomes, and competitive pay practices, and to participate in Committee meetings where substantive executive compensation decisions are being made.

The Company requested and received information from PM&P addressing potential conflicts of interest. Based on an assessment of this information, the Compensation Committee concluded that the work of the consultant did not raise any conflict of interest.

The Role of Senior Management

The Chief Executive Officer (CEO) generally makes recommendations to the Compensation Committee for compensation adjustments for the named executive officers other than himself. The Chief Financial Officer and Senior Vice President, Human Resources provide support to the CEO with respect to data, analysis, and advice in formulating specific recommendations. The Chief Legal Officer generally attends Compensation Committee meetings, prepares meeting minutes and resolutions, and is available for legal counsel as required.

The Role of Peer Groups and Survey Data

The Compensation Committee does consider pay information from other companies when making pay determinations for the Company's executives, including the named executive officers. However, this is only one of many factors considered by the Compensation Committee when making pay determinations, and the Compensation Committee does not benchmark or target a precise percentile or pay level relative to this information. Instead, the Compensation Committee uses this information as a general guide to determine if the Company's execut
