Item 1.01. Entry into a Material Definitive Agreement.

On May 6, 2014, Atlas Resource Partners, L.P. (the Partnership), through its wholly-owned subsidiary, ARP Rangely Production, LLC, entered into a definitive Purchase and Sale Agreement (the Purchase Agreement) with Merit Management Partners I, L.P., Merit Energy Partners III, L.P., and Merit Energy Company, LLC (together, the Seller).

The Purchase Agreement provides for the acquisition (the Acquisition) of the Seller s approximate 25% non-operating net working interest in Rangely Field assets in northwest Colorado (the Assets) for \$420 million. Chevron Corporation will continue as operator of the Rangely Field assets following the Acquisition. The transaction is subject to customary purchase price adjustments and is expected to close in the second quarter 2014, with an effective date of April 1, 2014. The purchase price adjustments include, among others, reductions for, subject to certain exceptions and limitations: the allocated value of certain Assets with respect to which third-party consents are not received prior to closing; the allocated value of certain Assets with respect to which preferential purchase rights are exercised prior to closing; and the value of title defects and environmental defects with respect to the Assets.

The Purchase Agreement contains customary representations and warranties of the parties and covenants of the parties. The closing of the Acquisition is subject to certain closing conditions, including, among others, that the reduction in the purchase price for title and environmental defects is less than 20% of the base purchase price and that the reduction in the purchase price for casualty losses is less than 20% of the base purchase price. The Purchase Agreement also provides for the parties to indemnify each other with respect to certain matters following the closing. The Purchase Agreement provides for certain termination rights, including, among others, (i) if closing has not occurred by July 31, 2014, so long as the terminating party s breach of the Agreement is not the principal cause of the closing not occurring by the specified date, or (ii) if either party materially breaches the PSA and fails to cure such breach within 10 days.

The foregoing description of the Purchase Agreement and the transactions contemplated thereby does not purport to be complete and is subject to, and qualified in its entirety by, the full text of such agreement, attached hereto as Exhibit 2.1 to this Current Report, which is incorporated herein by this reference
