Item 3. Source and Amount of Funds or Other Consideration

In connection with the consummation of the Issuer's initial public offering (the *Offering*) of 49,220,000 shares of Common Stock on June 18, 2014, MRD Holdco entered into a Voting Agreement (the *Voting Agreement*) with the Issuer, WHR Incentive LLC (*WHR Incentive*) and certain former management members (the *WHR Stockholders*) of WildHorse Resources, LLC (*WHR*). Pursuant to the Voting Agreement, WHR Incentive and the WHR Stockholders agreed to vote all of their shares of Common Stock as directed by MRD Holdco. The Voting Agreement also provides MRD Holdco with the right to designate up to three nominees to the Issuer's board of directors, subject to the limitations and conditions set forth therein, including the ownership of a specified percentage of the outstanding shares of Common Stock. The Voting Agreement requires the stockholders party thereto to take all necessary actions, including voting their shares of Common Stock, to cause the election of the nominees designated by MRD Holdco. As a result, the parties thereto may be deemed to be members of a group for the purposes of Section 13(d)(3) of the Exchange Act (the *Group*) and MRD Holdco may be deemed to beneficially own the 42,334,323 shares of Common Stock of the Issuer collectively beneficially owned by WHR Incentive and the WHR Stockholders (together, the *Other Persons*).

Edgar Filing: Memorial Resource Development Corp. - Form SC 13D

In connection with the consummation of the Offering, the Issuer consummated the following agreements and transactions, among others:

a Contribution Agreement (the MRD LLC Contribution Agreement) by and among Memorial Resource Development LLC, a Delaware limited liability company (MRD LLC), MRD Holdco, and the Issuer pursuant to which MRD LLC contributed a 100% membership interest in Black Diamond Minerals, LLC, a Delaware limited liability company, a 100% membership interest in Classic Hydrocarbons GP Co., L.L.C., a Texas limited liability company, a 99.5866% limited partner interest in Classic Hydrocarbons Holdings, L.P., a Texas limited partnership, a 99.886% membership interest in WHR, a 100% membership interest in MRD Operating, 100 shares (100% of the outstanding) of Memorial Resource Finance Corp., a Delaware corporation, a 100% membership interest in Memorial Production Partners GP LLC, a Delaware limited liability company, and a 100% membership interest in Beta Operating Company, LLC, a Delaware limited liability company, to the Issuer in exchange for 128,665,677 shares of the Company's common stock and contemporaneous with such exchange, MRD LLC distributed all of such shares to MRD Holdco; and

a Contribution Agreement (the WHR Contribution Agreement and, together with the MRD LLC Contribution Agreement, the Contribution Agreements) by and among the Issuer and the WHR Stockholders pursuant to which the WHR Stockholders contributed all of their right, title and interest to and in certain membership interests in WHR to the Issuer in exchange for 42,334,323 shares and \$30,000,000 in cash.

In connection with the consummation of the Offering, MRD Holdco entered into a Registration Rights Agreement (the Registration Rights Agreement) with the Issuer, Jay Graham and Anthony Bahr (and including their permitted transferees, the Holders).

Pursuant to the Registration Rights Agreement, at any time after 180 days after the closing of the Offering, subject to the limitations set forth therein, certain of the Holders have the right to require the Issuer by written notice to prepare and file a registration statement registering the offer and sale of a number of their shares. Generally, within five business days following the receipt of such request, the Issuer is required to provide notice of the request to all other Holders, who may participate in the registration. The Issuer is required to use all commercially reasonable efforts to maintain the effectiveness of any such registration statement until all shares covered by such registration statement have been sold. Subject to certain exceptions, the Issuer is not obligated to effect such a registration within 90 days after the closing of any underwritten offering of shares. The Issuer is also not obligated to effect any registration in which the anticipated aggregate offering price included in such offering is less than \$50 million.

In addition, pursuant to the Registration Rights Agreement, certain of the Holders have the right to require the Issuer, subject to certain limitations set forth therein, to effect a distribution of any or all of their shares by means of an underwritten offering. Further, subject to certain exceptions, if at any time the Issuer proposes to register an offering of common stock or conduct an underwritten offering, whether or not for its account, then the Issuer must notify the Holders of such proposal at least five business days before the anticipated filing date or commencement of the underwritten offering, as applicable, to allow them to include a specified number of their shares in that registration statement or underwritten offering, as applicable.

These registration rights are subject to certain conditions and limitations, including the right of the underwriters to limit the number of shares to be included in a registration or offering and the Issuer's right to delay or withdraw a registration statement under certain circumstances. The Issuer will generally pay all registration expenses in connection with its obligations under the Registration Rights Agreement, regardless of whether a registration statement is filed or becomes effective.

The obligations to register shares under the Registration Rights Agreement will terminate when no registrable securities remain outstanding. Registrable securities under the Registration Rights Agreement means all shares that were owned by the Holders as of June 18, 2014 other than shares (i) sold pursuant to an effective registration statement under the Securities Act of 1933, as amended (the Securities Act), (ii) sold in a transaction pursuant to Rule 144 under the Securities Act, or (iii) that have ceased to be outstanding.

The descriptions of the Voting Agreement, the Contribution Agreements and the Registration Rights Agreement set forth in this Item 3 do not purport to be complete and are qualified in their entirety by reference to the full text of the Voting Agreement, the MRD LLC Contribution Agreement, the WHR Contribution Agreement and the Registration Rights Agreement, which have been filed as [Exhibit B](#), [Exhibit C](#), [Exhibit D](#) and [Exhibit E](#), respectively, and are incorporated herein by reference.

Item 4. Purpose of Transaction.
