**Item 1.01. Entry into a Material Definitive Agreement.**

5.125% Senior Notes Due 2022

As previously reported, on June 17, 2014, Acadia Healthcare Company, Inc., a Delaware corporation ( "Acadia" or the "Company" ) and its subsidiary guarantors named therein (the "Guarantors" ) entered into a Purchase Agreement (the "Purchase Agreement" ) pursuant to which it agreed to sell \$300 million in aggregate principal amount of its 5.125% senior notes due 2022 (the "Notes" ) to Merrill Lynch, Pierce, Fenner & Smith Incorporated, Jefferies LLC and the several other initial purchasers named in Schedule 1 to the Purchase Agreement (the "Initial Purchasers" ).

On July 1, 2014, the Company completed the sale of the Notes to the Initial Purchasers, and the Initial Purchasers resold the Notes to qualified institutional buyers pursuant to Rule 144A under the Securities Act of 1933, as amended (the "Securities Act" ), and to persons outside of the United States pursuant to Regulation S under the Securities Act. The Company used the net proceeds to fund a portion of the purchase price for the acquisition of Partnerships in Care and the fees and expenses related to the transaction.

The Notes were issued pursuant to an indenture, dated as of July 1, 2014 (the "Indenture" ), among the Company, the Guarantors and U.S. Bank National Association, as trustee. The Notes mature on July 1, 2022 and bear interest at a rate of 5.125% per annum, payable semi-annually in arrears on January 1 and July 1 of each year, beginning on January 1, 2015. The Notes are the Company's senior unsecured obligations and are fully and unconditionally guaranteed, jointly and severally, on a senior unsecured basis by the Guarantors, subject to customary release provisions.

The Company may redeem the Notes at its option, in whole or part, at any time prior to July 1, 2017, at a price equal to 100% of the principal amount of the Notes redeemed, plus accrued and unpaid interest to the redemption date and plus an applicable premium. The Company may redeem the Notes, in whole or in part, on or after July 1, 2017, at the redemption prices set forth in the Indenture plus accrued and unpaid interest to the redemption date. At any time on or before July 1, 2017, the Company may elect to redeem up to 35% of the aggregate principal amount of the Notes at a redemption price equal to 105.125% of the principal amount thereof, plus accrued and unpaid interest to the redemption date, with the net proceeds of one or more equity offerings.

The Indenture contains covenants that limit the Company's ability and the ability of its restricted subsidiaries to, among other things: (i) pay dividends, redeem stock or make other distributions or investments; (ii) incur additional debt or issue certain preferred stock; (iii) transfer or sell assets; (iv) engage in certain transactions with affiliates; (v) create restrictions on dividends or other payments by the restricted subsidiaries; (vi) merge, consolidate or sell substantially all of the Company's assets and (vii) create liens on assets, in each case subject to the exceptions set forth in the Indenture. If on any date following the issue date the Notes are rated investment grade (as more fully described in the Indenture), certain covenants, including with respect to asset sales, restricted payments and indebtedness, will be suspended (for so long as the Notes maintain such rating and no event of default has occurred). The Indenture also provides for customary events of default.

The Initial Purchasers and/or their affiliates have provided and in the future may provide investment banking, commercial banking and/or advisory services to Acadia from time to time for which they have received and in the future may receive customary fees and expenses and may have entered into and in the future may enter into other transactions with Acadia. In particular, affiliates of certain of the Initial Purchasers are lenders under the Company's Amended and Restated Senior Secured Credit Facility.

The descriptions of the Notes and the Indenture contained in this Current Report on Form 8-K are qualified in their entirety by reference to the complete text of the Notes and the Indenture, copies of which are filed as [Exhibits 4.1](#) and [4.2](#) hereto and are incorporated herein by reference. The Purchase Agreement was filed with the Securities and Exchange Commission (the "SEC") as [Exhibit 10](#) to the Company's Current Report on Form 8-K filed on June 18, 2014.

#### Registration Rights Agreement

On July 1, 2014, in connection with the private placement of the Notes, the Company, the Guarantors and the Initial Purchasers entered into a registration rights agreement (the "Registration Rights Agreement"). The terms of the Registration Rights Agreement require the Company and the Guarantors to (i) file a registration statement no later than 360 days after the closing date of the offering with respect to an offer to exchange the Notes for a new issue of debt securities registered under the Securities Act, with terms substantially identical to those of the Notes (except for provisions relating to the transfer restrictions and payment of additional interest); (ii) use their commercially reasonable efforts to cause the exchange offer registration statement to be declared effective under the Securities Act no later than 450 days after the closing date of the offering; and (iii) in certain circumstances, file a shelf registration statement for the resale of the Notes. If the Company and the Guarantors fail to satisfy their registration obligations under the Registration Rights Agreement, then the annual interest on the Notes will increase by 0.25% per annum and by an additional 0.25% per annum for each subsequent 90-day period during which the registration default continues, up to a maximum additional interest rate of 1.0% per annum.

The foregoing is only a summary of the material terms of the Registration Rights Agreement and does not purport to be complete, and is qualified in its entirety by reference to the Registration Rights Agreement, a copy of which is filed as [Exhibit 4.3](#) hereto and incorporated herein by reference.

Pursuant to the terms of the Agreement, (i) the Seller sold, and the Purchaser purchased, all of the issued and outstanding ordinary shares of Partnerships in Care Investments 1 Limited, a company incorporated in England and Wales and a wholly-owned, direct subsidiary of the Seller (the Target ), and (ii) the RBS Seller sold, and the Purchaser purchased, the issued and outstanding A ordinary shares owned by the RBS Seller of Partnerships in Care Property 1 Limited, a company incorporated in England and Wales and a wholly-owned, indirect subsidiary of the Target.
