Item 1.01. Entry into a Material Definitive Agreement.

On October 21, 2014, Nucor Corporation and Nucor Energy Holdings Inc., a subsidiary of Nucor Corporation (collectively, Nucor), entered into an amendment (the Amendment) to the BJU carry and earning agreement (BJU Agreement) with Encana Oil & Gas (USA) Inc. (Encana) that was effective November 1, 2012. Under the Amendment, the number of carry wells that were to be drilled under the BJU Agreement during calendar year 2015 will be reduced to a de minimus number of wells that are necessary in order to retain leasehold rights. For the calendar year 2016 and thereafter, Nucor and Encana will spud the originally specified number of wells each calendar year until such time as the Carry Well Threshold is met according to the BJU Agreement. The Amendment also addresses certain administrative documentation matters in order to preserve and maintain Nucor s rights under the BJU Agreement.

The above summary does not purport to be a complete description of the terms of the Agreement and is qualified in its entirety by the contents of the Amendment, a copy of which will be filed as an exhibit to Nucor Corporation s Annual Report on Form 10-K for the year ending December 31, 2014. Nucor will seek confidential treatment from the Securities and Exchange Commission for certain portions of the Amendment, which will be omitted from the exhibit.
