This prospectus contains forward-looking statements within the meaning of Section 27A of the Securities Act of 1933, as amended, which we refer to as the Securities Act, and Section 21E of the Securities Exchange Act of 1934, as amended, which we refer to as the Exchange Act, regarding, among other things, our plans, strategies and prospects, both business and financial, including, without limitation, the forward-looking statements set forth in the section titled Management's Discussion and Analysis of Financial Condition and Results of Operations in our Annual Report on Form 10-K for the year ended December 31, 2013 and Form 10-Q for the quarters ended March 31, 2014 and June 30, 2014 filed with the SEC. Although we believe that our plans, intentions and expectations reflected in or suggested by these forward-looking statements are reasonable, we cannot assure you that we will achieve or realize these plans, intentions or expectations. Forward-looking statements are inherently subject to risks, uncertainties and assumptions, including, without limitation, the factors described in the sections titled Risk Factors and Management's Discussion and Analysis of Financial Condition and Results of Operations in our Annual Report on Form 10-K for the year ended December 31, 2013 and Form 10-Q for the quarters ended March 31, 2014 and June 30, 2014. Many of the forward-looking statements contained in this prospectus may be identified by the use of forward-looking words such as believe, expect, anticipate, should, planned, will, may, intend, estimated, aim, on track, tentative, positioning, designed, create and potential, among others. Important factors that could cause actual results to differ materially from the forward-looking statements we make in this prospectus are set forth in this prospectus and in other reports or documents that we file from time to time with the Securities and Exchange Commission, which we refer to as the SEC, and include, but are not limited to:

Risks Related to Comcast Corporation (Comcast) Transactions

the ultimate outcome of the proposed transactions between us and Comcast including the possibility that such transactions may not occur if closing conditions are not satisfied;

if any such transaction were to occur, the ultimate outcome and results of integrating operations and application of our operating strategies to the acquired assets and the ultimate ability to realize synergies at the levels currently expected as well as potential programming dis-synergies;

the impact of the proposed transaction on our stock price and future operating results, including due to transaction and integration costs, increased interest expense, business disruption, and diversion of management time and attention;

the reduction in our current stockholders' percentage ownership and voting interest as a result of the proposed transaction;

the increase in indebtedness as a result of the proposed transactions, which will increase interest expense and may decrease our operating flexibility;

Risks Related to Our Business

our ability to sustain and grow revenues and cash flow from operations by offering video, Internet, voice, advertising and other services to residential and commercial customers, to adequately meet the customer experience demands in our markets and to maintain and grow our customer base, particularly in the face of increasingly aggressive competition, the need for innovation and the related capital expenditures and the difficult economic conditions in the United States;

the impact of competition from other market participants, including but not limited to incumbent telephone companies, direct broadcast satellite operators, wireless broadband and telephone providers, digital subscriber line (DSL) providers, and video provided over the Internet;

general business conditions, economic uncertainty or downturn, high unemployment levels and the level of activity in the housing sector;

our ability to obtain programming at reasonable prices or to raise prices to offset, in whole or in part, the effects of higher programming costs (including retransmission consents);

Table of Contents

the development and deployment of new products and technologies including in connection with our plan to make our systems all-digital in 2014;

the effects of governmental regulation on our business or potential business combination transactions;

the availability and access, in general, of funds to meet our debt obligations prior to or when they become due and to fund our operations and necessary capital expenditures, either through (i) cash on hand, (ii) free cash flow, or (iii) access to the capital or credit markets; and

our ability to comply with all covenants in our indentures and credit facilities, any violation of which, if not cured in a timely manner, could trigger a default of our other obligations under cross-default provisions.

All forward-looking statements attributable to us or any person acting on our behalf are expressly qualified in their entirety by this cautionary statement. We are under no duty or obligation to update any of the forward-looking statements after the date of this prospectus.

Unless otherwise stated, the discussion in this prospectus of our business and operations includes the business of Charter and its direct and indirect subsidiaries. Unless otherwise stated, all business data included in this summary is as of June 30, 2014.

Our Business

We are among the largest providers of cable services in the United States, offering a variety of entertainment, information and communications solutions to residential and commercial customers. Our infrastructure consists of a hybrid of fiber and coaxial cable plant with approximately 12.8 million estimated passings, with 97% at 550 megahertz (MHz) or greater and 98% of plant miles two-way active. A national Internet Protocol (IP) infrastructure interconnects Charter's markets.

As of June 30, 2014, we served approximately 6.1 million residential and commercial customers. We sell our video, Internet and voice services primarily on a subscription basis, often in a bundle of two or more services, providing savings and convenience to our customers. Bundled services are available to approximately 97% of our passings, and approximately 62% of our customers subscribe to a bundle of services.

We served approximately 4.2 million residential video customers as of June 30, 2014, and approximately 96% of our video customers subscribed to digital video service. Digital video enables our customers to access advanced video services such as high definition (HD) television, Charter OnDemand (OnDemand) video programming, an interactive program guide and digital video recorder (DVR) service. We initiated our all-digital initiative in 2013 in a number of our markets. We expect to complete our all-digital rollout by the end of 2014. Once a market is all-digital, we will offer over 200 HD channels and faster Internet speeds in these areas.

We also served approximately 4.6 million residential Internet customers as of June 30, 2014. Our Internet service is available in a variety of download speeds up to 100 megabits per second (Mbps) and upload speeds of up to 5 Mbps. Approximately 82% of our Internet customers have at least 30 Mbps download speed which currently is the minimum speed we offer.

We provided voice service to approximately 2.4 million residential customers as of June 30, 2014. Our voice services typically include unlimited local and long distance calling to the U.S., Canada and Puerto Rico, plus other features, including voicemail, call waiting and caller ID.

Table of Contents

Through Charter Business[®], we provide scalable, tailored broadband communications solutions to business and carrier organizations, such as video entertainment services, Internet access, business telephone services, data networking and fiber connectivity to cellular towers and office buildings. As of June 30, 2014, we served approximately 600,000 commercial primary service units, primarily small- and medium-sized commercial customers. Our advertising sales division, Charter Media[®], provides local, regional and national businesses with the opportunity to advertise in individual markets on cable television networks.

For the six months ended June 30, 2014, we generated approximately \$4.5 billion in revenue, of which approximately 84% was generated from our residential video, Internet and voice services. For the year ended December 31, 2013, we generated approximately \$8.2 billion in revenue, of which approximately 84% was generated from our residential video, Internet and voice services. We also generated revenue from providing video, Internet, voice and fiber connectivity services to commercial businesses and from the sale of advertising. Excluding the impact of the acquisition of Bresnan which added \$276 million and \$270 million for the six months ended June 30, 2014 and year ended December 31, 2013, respectively, sales from residential video and Internet customers and from commercial business customers have contributed to the majority of our recent revenue growth.

We have a history of net losses. Our net losses are principally attributable to insufficient revenue to cover the combination of operating expenses, interest expense that we incur on our debt, depreciation expenses resulting from the capital investments we have made, and continue to make, in our cable properties, amortization expenses related to our customer relationship intangibles and non-cash taxes resulting from increases in our deferred tax liabilities.

Table of Contents**RATIO OF EARNINGS TO FIXED CHARGES**

The following table sets forth the unaudited consolidated ratio of earnings to fixed charges of Charter for the periods shown:

	For the Years Ended December 31,					For the Six Months Ended June 30,	
	Combined 2009(1)	Successor 2010	Successor 2011	Successor 2012	Successor 2013	Successor 2013	Successor 2014
Ratio of Earnings to Fixed Charges(2)	8.05	1.07					1.11

(1) Upon our emergence from bankruptcy, we adopted fresh start accounting, which resulted in an \$11.8 billion gain due to bankruptcy related items during the eleven months ended November 30, 2009. In accordance with GAAP, the audited consolidated financial statements present the results of operations for (i) the eleven months ended November 30, 2009 of the Predecessor and (ii) the one month ended December 31, 2009 of the Successor. However, for purposes of ratio of earnings to fixed charges in this prospectus, we have combined the 2009 results of operations of the Predecessor and the Successor.

(2) Earnings for the years ended December 31, 2011, 2012, and 2013 and for the six months ended June 30, 2013 were insufficient to cover fixed charges by \$70 million, \$47 million, \$49 million and \$71 million, respectively. As a result of such deficiencies, the ratios are not presented above.

For more information on the ratio of earnings to fixed charges, see Exhibit 12.1 filed herewith.

Indemnification Under the By-Laws of CCO Holdings Capital

The bylaws of CCO Holdings Capital require CCO Holdings Capital, to the fullest extent authorized by the Delaware General Corporation Law, to indemnify any person who was or is made a party or is threatened to be made a party or is otherwise involved in any action, suit or proceeding by reason of the fact that he is or was a director or officer of CCO Holdings Capital or is or was serving at the request of CCO Holdings Capital as a director, officer, employee or agent of another corporation, partnership, joint venture, trust, employee benefit plan or other entity or enterprise, in each case, against all expense, liability and loss (including attorneys' fees, judgments, amounts paid in settlement, fines, ERISA excise taxes or penalties) reasonably incurred or suffered by such person in connection therewith.

Indemnification Under the Delaware General Corporation Law

Section 145 of the Delaware General Corporation Law, authorizes a corporation to indemnify any person who was or is a party, or is threatened to be made a party, to any threatened, pending or completed action, suit or proceeding, whether civil, criminal, administrative or investigative, by reason of the fact that the person is or was a director, officer, employee or agent of the corporation, or is or was serving at the request of the corporation as a director, officer, employee or agent of another corporation, partnership, joint venture, trust or other enterprise, against expenses, including attorneys' fees, judgments, fines and amounts paid in settlement actually and reasonably incurred by the person in connection with such action, suit or proceeding, if the person acted in good faith and in a manner the person reasonably believed to be in, or not opposed to, the best interests of the corporation and, with respect to any criminal action or proceeding, had no reasonable cause to believe the person's conduct was unlawful. In addition, the Delaware General Corporation Law does not permit indemnification in any threatened, pending or completed action or suit by or in the right of the corporation in respect of any claim, issue or matter as to which such person shall have been adjudged to be liable to the corporation, unless and only to the extent that the court in which such action or suit was brought shall determine upon application that, despite the adjudication of liability, but in view of all the circumstances of the case, such person is fairly and reasonably entitled to indemnity for such expenses, which such court shall deem proper. To the extent that a present or former director or officer of a corporation has been successful on the merits or otherwise in defense of any action, suit or proceeding referred to above, or in defense of any claim, issue or matter, such person shall be indemnified against expenses, including attorneys' fees, actually and reasonably incurred by such person. Indemnity is mandatory to the extent a claim, issue or matter has been successfully defended. Item 16. Exhibits and Financial Statement Schedules.

Reference is made to the Exhibit Index filed as part of this Registration Statement.

Item 17. Undertakings

(a) The undersigned registrant hereby undertakes:

(1) To file, during any period in which offers or sales are being made, a post-effective amendment to the Registration Statement:

(i) To include any prospectus required by Section 10(a)(3) of the Securities Act;

(ii) To reflect in the prospectus any facts or events arising after the effective date of the Registration Statement (or most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in the Registration Statement. Notwithstanding the foregoing, any increase or decrease in volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of prospectus filed with the Commission pursuant to Rule 424(b) if, in the aggregate, the changes in volume and price represent no more than a 20% change in the maximum aggregate offering price set forth in the Calculation of Registration Fee table in the effective Registration Statement; and

(iii) To include any material information with respect to the plan of distribution not previously disclosed in the Registration Statement or any material change to such information in the Registration Statement; provided, however, that paragraphs (a)(1)(i), (a)(1)(ii) and (a)(1)(iii) do not apply if the Registration Statement is on Form S-3 and the information required to be included in a post-effective amendment by those paragraphs is contained in reports filed with or furnished to the Commission by the registrant pursuant to Section 13 or Section 15(d) of the Exchange Act that are incorporated by reference in the Registration Statement, or is contained in a form of prospectus filed pursuant to Rule 424(b) that is part of the registration statement.

(2) That, for the purpose of determining any liability under the Securities Act, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof; and

(3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

- (4) That, for the purpose of determining liability under the Securities Act to any purchaser:
- (i) Each prospectus filed by a registrant pursuant to Rule 424(b)(3) shall be deemed to be part of the registration statement as of the date the filed prospectus was deemed part of and included in the registration statement; and
 - (ii) Each prospectus required to be filed pursuant to Rule 424(b)(2), (b)(5) or (b)(7) as part of a registration statement in reliance on Rule 430B relating to an offering made pursuant to Rule 415(a)(1)(i), (vii) or (x) for the purpose of providing the information required by section 10(a) of the Securities Act shall be deemed to be part of and included in the registration statement as of the earlier of the date such form of prospectus is first used after effectiveness or the date of the first contract of sale of securities in the offering described in the prospectus. As provided in Rule 430B, for liability purposes of the issuer and any person that is at that date an underwriter, such date shall be deemed to be a new effective date of the registration statement relating to the securities in the registration statement to which that prospectus relates, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof. Provided,

however, that no statement made in a registration statement or prospectus that is part of the registration statement or made in a document incorporated or deemed incorporated by reference into the registration statement or prospectus that is part of the registration statement will, as to a purchaser with a time of contract of sale prior to such effective date, supersede or modify any statement that was made in the registration statement or prospectus that was part of the registration statement or made in any such document immediately prior to such effective date.

- (iii) Each prospectus filed pursuant to Rule 424(b) as part of a registration statement relating to an offering, other than registration statements relying on Rule 430B or other than prospectuses filed in reliance on Rule 430A, shall be deemed to be part of and included in the registration statement as of the date it is first used after effectiveness. Provided, however, that no statement made in a registration statement or prospectus that is part of the registration statement or made in a document incorporated or deemed incorporated by reference into the registration statement or prospectus that is part of the registration statement will, as to a purchaser with a time of contract of sale prior to such first use, supersede or modify any statement that was made in the registration statement or prospectus that was part of the registration statement or made in any such document immediately prior to such date of first use.

- (5) That, for the purpose of determining liability of the registrant under the Securities Act to any purchaser in the initial distribution of the securities: the undersigned registrant undertakes that in a primary offering of securities of the undersigned registrant pursuant to this registration statement, regardless of the underwriting method used to sell the securities to the purchaser, if the securities are offered or sold to such purchaser by means of any of the following communications, the undersigned registrant will be a seller to the purchaser and will be considered to offer or sell such securities to such purchaser:
 - (i) Any preliminary prospectus or prospectus of the undersigned registrant relating to the offering required to be filed pursuant to Rule 424;
 - (ii) Any free writing prospectus relating to the offering prepared by or on behalf of the undersigned registrant or used or referred to by the undersigned registrant;
 - (iii) The portion of any other free writing prospectus relating to the offering containing material information about the undersigned registrant or its securities provided by or on behalf of the undersigned registrant; and
 - (iv) Any other communication that is an offer in the offering made by the undersigned registrant to the purchaser.

- (a) The undersigned registrant hereby undertakes that, for purposes of determining any liability under the Securities Act of 1933, each filing of the registrant's annual report pursuant to section 13(a) or section 15(d) of the Securities Exchange Act of 1934 (and, where applicable, each filing of an employee benefit plan's annual report pursuant to section 15(d) of the Securities Exchange Act of 1934) that is incorporated by reference in the registration

statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

- (b) Insofar as indemnification for liabilities arising under the Securities Act of 1933 may be permitted to directors, officers, and controlling persons of the registrants pursuant to the foregoing provisions, or otherwise, the registrants have been advised that in the opinion of the Securities and Exchange Commission, such indemnification is against public policy as expressed in the Securities Act of 1933 and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities, other than the payment by the registrants of expenses incurred or paid by a director, officer, or controlling person of the registrants in the successful defense of any action, suit or proceeding, is asserted by such director, officer, or controlling person in connection with the securities being registered, the registrants will, unless in the opinion of their counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by them is against public policy as expressed in the Securities Act of 1933 and will be governed by the final adjudication of such issue.
