Item 1.01 Entry into a Material Definitive Agreement.

Amazon Wind Farm (Fowler Ridge IV) Purchase and Sale Agreement

On April 29, 2015, Pattern Energy Group Inc. (**Pattern Energy**) entered into a Purchase and Sale Agreement (the **Fowler Ridge IV PSA**) with Pattern Renewables Development Company LLC, a Delaware limited liability company and controlled affiliate of Pattern Development (as defined below) (**Fowler Ridge IV Seller**), and Pattern Energy Group LP (**Pattern Development**), as guarantor of Fowler Ridge IV Seller's obligations under the Fowler Ridge IV PSA. Upon the terms and subject to the conditions set forth in the Fowler Ridge IV PSA, a subsidiary of Pattern Energy purchased from Fowler Ridge IV Seller 100% of the membership interests in Fowler Ridge IV B Member LLC, a Delaware limited liability company, which owns 100% of the membership interests in Fowler Ridge IV Holdings LLC, a limited liability company (**Fowler Ridge IV Holdco**), which, in turn, owns 100% of the membership interests in Fowler Ridge IV Wind LLC, a Delaware limited liability company and the project company for the approximately 149.5 MW Amazon Wind Farm (Fowler Ridge) project (the **Project**) located in Benton County, Indiana (the **Fowler Ridge IV Project Company**), for a consideration of approximately US\$37.5 million paid upon acquisition, and contingent payments of up to approximately US\$29.1 million to be paid upon tax equity funding.

The Project is currently under construction. As part of the acquisition, Pattern Energy has assumed an obligation to make equity capital contributions during construction and to make an equity capital contribution upon completion of construction. Construction financing, which closed concurrent with the acquisition, will be repaid from Pattern Energy's capital contribution and those of the Tax Equity Investors (as defined below). Pattern Energy's total cash funding commitment (including the consideration paid under the Fowler Ridge IV PSA, the equity capital contributions during construction, and the equity capital contribution upon the completion of construction) will be approximately US\$127.0 million. Once the Project achieves commercial operations, the membership interests in Fowler Ridge IV Holdco will, pursuant to agreements separate from the Fowler Ridge IV PSA, be restructured into Class A and Class B membership interests. Following the restructuring and capital contributions to be made by certain tax equity investors (the **Tax Equity Investors**), (1) Fowler Ridge IV B Member LLC will hold 100% of the Class B membership interests in Fowler Ridge IV Holdco and (2) the Tax Equity Investors will hold 100% of the Class A membership interests in Fowler Ridge IV Holdco.

The Fowler Ridge IV PSA includes customary representations by Fowler Ridge IV Seller and Pattern Energy, including as to due authorization, non-contravention, governmental consents and approvals, enforceability, ownership and title and no litigation or adverse claims, tax matters and with respect to the underlying wind project. The Fowler Ridge IV PSA provides for customary indemnification by Fowler Ridge IV Seller and by Pattern Energy, as applicable, for breaches of representations or covenants, which indemnification is subject to customary limitations including, among other things, a cap and time limits.

The Fowler Ridge IV PSA was recommended by the Conflicts Committee, which is comprised solely of independent directors, for approval by Pattern Energy's Board of Directors, and approved by the Board of Directors.

The foregoing description of the Fowler Ridge IV PSA does not purport to be a complete description and is qualified in its entirety by reference to the full text of the Fowler Ridge IV PSA, which is attached hereto as Exhibit 2.1 and is incorporated herein by reference.
