The ESV Plan outlines the rules regarding large-scale purchases of Panasonic shares, and in certain cases, such as non-compliance with these rules, Panasonic may implement certain countermeasures. The issuance of stock acquisition rights is one possible countermeasure in such cases. As the shelf registration that we filed on May 15, 2013 will expire on May 22, 2015, Panasonic is again filing the shelf registration statement as set forth above, which will enable Panasonic to promptly issue stock acquisition rights if it deems necessary. For further details of the ESV plan, refer to the aforementioned separate press release on April 28, 2015, on the Company's homepage (URL <http://www.panasonic.com/global/corporate/ir/relevant/>).

\* ESV stands for Enhancement of Shareholder Value.
