PROXY STATEMENT

We are providing this proxy statement in connection with the solicitation of proxies by the Board of Directors of Taxus Cardium Pharmaceuticals Group Inc., a Delaware corporation (the Company, Cardium or we, our, or us), use at our annual meeting of stockholders to be held on Thursday, June 25, 2015, at 9:00 a.m. Pacific Time, at the San Diego Marriott Del Mar, 11966 El Camino Real, San Diego, California 92130, and at any adjournment or postponement thereof (the Annual Meeting). We expect to mail this proxy statement and the enclosed proxy card on or about May 28, 2015 to all stockholders entitled to vote at the Annual Meeting.

VOTING INFORMATION

Who can vote?

You may vote at the Annual Meeting if you were a stockholder of record as of the close of business on May 15, 2015. This date is known as the record date. You are entitled to one vote for each share of common stock you held on that date on each matter presented at the Annual Meeting. As of May 15, 2015, there were 12,775,044 shares of our common stock, par value \$0.0001 per share, issued and outstanding.

How many votes are needed to hold the Annual Meeting?

To take any action at the Annual Meeting, a majority of our outstanding shares of common stock entitled to vote as of May 15, 2015, or 6,387,522 shares, must be represented, in person or by proxy, at the Annual Meeting. This is called a quorum.

What is a proxy?

A proxy allows someone else to vote your shares on your behalf. Our Board of Directors is asking you to allow the people named on the proxy card (Christopher J. Reinhard and Duane M. Linstrom) to vote your shares at the Annual Meeting.

How do I vote by proxy?

Whether you hold shares directly as a stockholder of record or beneficially in street name, you may vote without attending the Annual Meeting. You may vote by granting a proxy or, for shares held in street name, by submitting voting instructions to your broker or nominee. To vote by proxy, please follow the instructions on the enclosed proxy card. You may vote by telephone, by the Internet or by mail. Shares held in street name may be voted by telephone or by the Internet only if your broker or nominee makes those methods available. Your broker or nominee will enclose instructions for voting shares held in street name by telephone or by the Internet with this proxy statement if your broker or nominee has chosen to make those methods available.

If you vote by proxy, your shares will be voted at the Annual Meeting in the manner you indicate. If you vote by mail and return a signed proxy card with no specific instructions, your shares will be voted as the Board of Directors recommends.

Can I change my vote after I submit my proxy?

Yes. You can change or revoke your proxy at any time before it is voted by submitting another proxy with a later date (via the Internet, by telephone or by mail) or attending the meeting and voting in accordance with the instructions below. You also may send a written notice of revocation to Taxus Cardium Pharmaceuticals Group Inc., 11750 Sorrento Valley Road, Suite 250, San Diego, California 92130, Attention: Duane M. Linstrom, Secretary.

Can I vote in person at the Annual Meeting instead of voting by proxy?

Yes. However, we encourage you to vote your shares at your earliest convenience to ensure that your shares are represented and to reduce any expense that the we may incur in soliciting proxies to ensure the presence of a quorum at the Annual Meeting. If you vote your shares by proxy and later decide you would like to attend the meeting and vote your shares in person, you will need to provide a written notice of revocation to the secretary of the meeting before your proxy is voted. If the holder of record of your shares is a broker, bank or other nominee and you wish to vote in person at the meeting, you must request a legal proxy from your broker, bank or other nominee that holds your shares and present that proxy and proof of identification at the Annual Meeting. If you would like to obtain directions to be able to attend the meeting and vote in person, please contact the Company at (858) 436-1000.

How are votes counted?

Except as noted, all proxies received will be counted in determining whether a quorum exists and whether we have obtained the necessary number of votes to approve each proposal. A broker non-vote will be used for the purpose of establishing a quorum, but will not otherwise be counted in the voting process. Thus, broker non-votes will not affect the outcome of any of the matters being voted on at the Annual Meeting. Generally, broker non-votes occur when shares held by a broker for a beneficial owner are not voted with respect to a particular proposal because (i) the broker has not received voting instructions from the beneficial owner and (ii) the broker lacks discretionary voting power to vote such shares.

How many votes are required to approve each proposal?

For Proposal 1, the election of the four Class III directors, a plurality of the votes is required. This means that four candidates who receive the most votes will be elected to the four available Class III positions on the Board of Directors. Please note that a bank, broker or nominee is not permitted to vote on a discretionary basis on behalf of beneficial owners with respect to uncontested elections of directors. If you wish your shares to be voted, you must instruct your bank, broker or nominee on how to vote your shares for the election of directors.

The affirmative vote of a majority of the shares present in person or represented by proxy and entitled to vote at the Annual Meeting is required to ratify the selection of Marcum LLP as our independent registered public accounting firm for the fiscal year ending December 31, 2015. See, however, Proposal 2 Effect of Ratification.

As of May 15, 2015, our executive officers and directors held of record or beneficially owned approximately 6,117,754 shares, or approximately 48%, of our issued and outstanding common stock. Our executive officers and directors have indicated their intention to vote FOR the election of each of the nominees for the Class III directors and FOR Proposal 2 ratifying the selection of Marcum LLP as our independent registered public accounting firm for the fiscal year ending December 31, 2015.

Who pays for this proxy solicitation?

The Company will pay the cost of soliciting proxies for the Annual Meeting, including the costs of preparing, assembling and mailing the proxy materials. We will provide copies of proxy materials to fiduciaries, custodians and brokerage houses to forward to the beneficial owners of shares held in their name. We may reimburse such fiduciaries, custodians and brokers for their costs in forwarding the proxy materials.

In addition to the solicitation of proxies by mail, certain of our officers and other employees may also solicit proxies personally or by telephone, facsimile, e-mail or other means. No additional compensation will be paid to these individuals for any such services.

During the year ended December 31, 2014, the Audit Committee held four meetings, the Compensation Committee held one meeting, and the Nominating Committee held one meeting.

Audit Committee. The Audit Committee operates under a charter. The general function of the Audit Committee is to oversee the accounting and

financial reporting processes of the Company and the audits of its financial statements. The Audit Committee assists the Board of Directors in fulfilling its oversight responsibilities relating to the accounting, reporting and financial practices of the Company, including the integrity of its financial statements and disclosures; the surveillance of administration and financial controls and the Company's compliance with legal and regulatory requirements; the qualification, independence and performance of the Company's independent registered public accounting firm; and the performance of the Company's internal audit function and control procedures. The Audit Committee has the sole authority to appoint, determine funding for, and oversee the Company's independent registered public accounting firm.

Compensation Committee. The Compensation Committee operates under a charter. The primary purpose of the Compensation Committee is to oversee the Company's compensation and incentive programs for its executive officers and certain other key personnel. Among other things, the Compensation Committee recommends to the Board of Directors the amount of compensation to be paid or awarded to our executive officers and certain other personnel including salary, bonuses, other cash or stock awards under our incentive compensation plans as in effect from time to time, retirement and other compensation. In addition, the Board of Directors has delegated to the Compensation Committee the authority to administer the Company's 2005 Equity Incentive Plan, including the authority to consider and act upon recommendations from management to grant awards under the plan to employees and consultants of the Company and its subsidiaries, not including officers and directors of the Company. The Compensation Committee may delegate its authority to subcommittees of the committee or to committees comprised of Company employees when legally permissible and when the Compensation Committee deems it appropriate or desirable to facilitate the operation or administration of the plans and programs that the committee oversees. The Compensation Committee also may engage the services of an independent compensation and benefits consulting company to conduct a survey and review of the Company's compensation programs as compared to other similarly situated companies taking into account, among others, industry, size and location when the Compensation Committee deems appropriate.

Nominating Committee. The Nominating Committee operates under a charter. The purpose of the Nominating Committee is to assist the Board of Directors in identifying qualified individuals to become members of the Board of Directors and in determining the composition of the Board of Directors and its various committees. The Nominating Committee periodically reviews the qualifications and independence of directors, selects candidates as nominees for election as directors, recommends directors to serve on the various committees of the Board of Directors, reviews director compensation and benefits, and oversees the self-assessment process of each of the committees of the Board of Directors.

The Nominating Committee considers nominee recommendations from a variety of sources, including nominees recommended by stockholders. Persons recommended by stockholders are evaluated on the same basis as persons suggested by others. Stockholder recommendations may be made in accordance with our Stockholder Communications Policy. See "Stockholder Communications with Directors" below. The Nominating Committee has the authority to retain a search firm to assist in the process of identifying and evaluating candidates.

The Nominating Committee has not established any specific minimum requirements for potential members of our Board of Directors. Instead, the Nominating Committee's evaluation process includes many factors and considerations including, but not limited to, a determination of whether a candidate meets the requirements of the NYSE MKT and the Securities Exchange Act of 1934, as amended, relating to independence and/or financial expertise, as applicable, and whether the candidate meets the Company's desired qualifications in the context of the current make-up of the Board of Directors with respect to factors such as business experience, education, intelligence, leadership capabilities, integrity, competence, dedication, diversity, skills, and the overall ability to contribute in a meaningful way to the deliberations of the Board of Directors respecting the Company's business strategies, financial and operational performance and corporate governance practices. Our Board of Directors does not have a specific policy with regard to the consideration of diversity in the identification of director nominees. The Nominating Committee will generally select those nominees whose attributes it believes would be most beneficial to the Company in light of all the circumstances.

Code of Ethics

We have adopted a Code of Ethics that applies to all of our employees and directors, including all of our officers and non-employee directors and all employees, officers and directors of our subsidiaries. The Audit Committee periodically reviews the Code of Ethics and the Company's compliance with its Code of Ethics. Any amendments to our Code of Ethics or any waivers from our Code of Ethics also will be posted on our website. Our Code of Ethics is not incorporated in, and is not a part of, this proxy statement and is not proxy-soliciting material.

Stockholder Communications with Directors

Our Board of Directors has adopted a Stockholder Communications Policy to provide a process by which our stockholders may communicate with our Board of Directors. Under the policy, stockholders may communicate with our Board of Directors as a whole, with the independent directors, with all members of a committee of our Board of Directors, or with a particular director. Stockholders wishing to communicate directly with our Board of Directors may do so by mail addressed to the Company at 11750 Sorrento Valley Road, Suite 250, San Diego, California, 92121, Attn: Corporate Secretary. The envelope should contain a clear notation indicating that the enclosed letter is a Stockholder-Board Communication or Stockholder-Director Communication. All such letters must identify the author as a stockholder of the Company and clearly state whether the intended recipients are all members of the Board of Directors, all independent directors, all members of a committee of the Board of Directors, or certain specified individual directors.

Attendance at Annual Meetings

In recognition that it may not be possible or practicable, in light of other business commitments of the Company's directors, to attend the Company's annual meetings of stockholders, the members of the Board of Directors are invited, but not required, to attend each of the Company's annual meeting of stockholders. At the Company's last annual meeting of stockholders held on June 5, 2014, two members of the Board of Directors were present.

PROPOSAL 1

ELECTION OF CLASS III DIRECTORS

Members of each class of our Board of Directors are elected to serve for a three-year term. The three-year terms of the members of each class are staggered, so that each year the members of a different class are due to be elected at the annual meeting. The Class III directors currently are serving a term that is due to expire at the Annual Meeting. The Class I directors currently are serving a term that is due to expire at our 2016 annual meeting, and the Class II directors are serving a term that is due to expire at the 2017 annual meeting.

Nominees

At the Annual Meeting four Class III directors are to be elected, each to serve until the next annual meeting of stockholders held to elect Class III directors and until their respective successor is elected and qualified or until their respective death, resignation or removal. The Board of Directors proposes the election of the nominees named below, who are each currently are Class III members of our Board of Directors.

Vote Required and Board Recommendation

For Proposal 1, the election of the four Class III directors, a plurality of the votes is required. This means that the four candidates who receive the most votes will be elected to the three available Class III positions on the Board of Directors.

Unless authorization to do so is withheld, proxies received will be voted FOR the nominees named below. If any nominee should become unavailable for election before the Annual Meeting, the proxies will be voted for the election of such substitute nominee as the present Board of Directors may propose. The persons nominated for election have agreed to serve if elected, and the Board of Directors has no reason to believe that the nominees will be unable to serve.

Our Board of Directors proposes the election of the following nominees as Class III members of the Board of Directors:

Murray H. Hutchinson, Christopher J. Reinhard, John F. Wallace and Wei-Wei Zhang

OUR BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS THAT YOU VOTE FOR THE ELECTION OF EACH OF THE NOMINEES AS A CLASS III DIRECTOR OF THE COMPANY.

Committee Pre-Approval. Our Audit Committee has certain pre-approval policies and procedures which are contained in its charter. Under these policies and procedures, the Audit Committee must approve in advance all auditing services and all permissible non-audit services to be provided by our independent registered public accounting firm. If the Audit Committee approves an audit service within the scope of the engagement of our independent registered public accounting firm, such audit service will be deemed to have been pre-approved.

Pre-Approval Exceptions. Notwithstanding the Audit Committee pre-approval policies described above, pre-approval is not required for permissible non-audit services if (i) the aggregate amount of all such non-audit services provided to the Company is not more than 5% of the total amount of revenues paid by the Company to its independent registered public accounting firm during the fiscal year in which the non-audit services are provided; (ii) such services were not recognized by the Company at the time of engagement to be non-audit services; and (iii) such services are promptly brought to the attention of the Audit Committee and approved before completion of the audit by the Audit Committee

Delegation of Pre-Approval Authority. The Audit Committee has delegated the authority to grant the pre-approvals of audit and permissible non-audit services to the Chairman of the Audit Committee.

Effect of Ratification

Ratification by stockholders of the selection of Marcum LLP as our independent registered public accounting firm is not required by applicable law. However, as a matter of policy and sound corporate governance, we are submitting the selection to our stockholders for ratification at the Annual Meeting. If the stockholders fail to ratify the selection of Marcum LLP, the Board of Directors will reconsider the matter. Even if the selection is ratified by stockholders, the Board of Directors may select a different firm to serve as our independent registered public accounting firm at any time during the fiscal year if it believes a change would be in the best interests of the Company and its stockholders.

OUR BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS THAT YOU VOTE FOR THE RATIFICATION OF THE SELECTION OF MARCUM LLP AS OUR INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM.

The Audit Committee oversees the financial reporting process on behalf of the Board of Directors. It is not the duty of the Audit Committee to plan or conduct audits or to determine that the Company's financial statements are complete and accurate and are prepared in accordance with generally accepted accounting principles; that is the responsibility of management and the Company's independent public accountants. In giving its recommendation to the Board of Directors, the Audit Committee has relied on (i) management's representation that such financial statements have been prepared with integrity and objectivity and in conformance with generally accepted accounting principles and (ii) the reports of the Company's independent public accountants with respect to such financial statements.

We have reviewed and discussed the Company's consolidated financial statements as set forth in Item 8 of the Company's Annual Report on Form 10-K for the year ended December 31, 2014 with management of the Company and Marcum LLP, the Company's independent registered public accountants.

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

Pursuant to the terms of the Audit Committee's charter, the Audit Committee is responsible for reviewing all related party transactions for potential conflict of interest situations on an ongoing basis. The Company may not enter into a related party transaction unless it has been approved by the Audit Committee. A transaction is considered a related party transaction if the transaction would be required to be disclosed pursuant to Item 404 of Regulation S-K.

Since January 1, 2013, other than the transactions described below or under Executive Officer Compensation and Director Compensation above, there has not been any transactions or series of similar transactions in which the Company was a participant and the amount involved exceeds or will exceed the lesser of \$120,000 or 1% of the average of our total assets as of December 31, 2013 and 2014, which is approximately \$53,000, and in which any of our directors, executive officers, holders of more than 5% of our common stock or any member of the immediate family of any of the foregoing persons, had or will have a direct or indirect material interest.

On April 8, 2015, the Company entered into a binding term sheet with Shenzhen Qianhai Taxus Industry Capital Management Co., Ltd (Shenzhen Qianhai Taxus), as lead investor, to purchase an equity stake in Angionetics Inc., a newly-formed subsidiary of the, that is focused on the Phase 3 clinical development and commercialization of Generx® [Ad5FGF-4], an angiogenic gene therapy product candidate for the treatment of refractory angina and myocardial ischemia due to cardiac microvascular insufficiency. Shenzhen Qianhai Taxus is an affiliate of Shanxi Taxus which holds approximately 27.5% of Cardium's outstanding common stock as a result of a Stock Purchase Agreement dated February 21, 2014. Mr. Jiayue Jhang, a member of our Board of Directors and our Executive Chairman, is the Chairman of Shenzhen Qianhai Taxus and Shanxi Taxus in connection with Shanxi Taxus investment in the Company. Shanxi Taxus has the right to appoint two members to our board of directors, of which Mr. Jiayue Zhang is one.

Under the terms sheet, Shenzhen Qianhai Taxus has agreed to acquire 15% of Angionetics' outstanding common stock for an aggregate purchase price of \$3,000,000, payable in three tranches which are planned to be completed on by May 30, 2015. On completion of the purchase, Cardium has agreed to grant Shenzhen Qianhai Taxus a right of first negotiation for exclusive license agreements for certain Asian markets to register, market and sell the Generx® product candidate, Excellagen®, an FDA-cleared dermal matrix product for advanced wound healing and a delivery platform for biologics and stem cells, and LifeAgain®, an advanced medical data analytics product technology platform. The agreement contemplates that this initial funding is a bridge investment to a separate larger financing to be conducted by Angionetics, Inc., including a potential registration and public offering of securities. The terms provide for Taxus Cardium to gross up Shenzhen Qianhai Taxus' shares to equate to a 15% interest in Angionetics following any such public offering. It also provides for certain registration rights for the shares purchased by Shenzhen Qianhai Taxus.
