(collectively the Sellers). Pursuant to the Purchase Agreement, the Company has agreed to purchase all of the outstanding equity of HD Supply Power Solutions, Ltd., HDS Power Solutions, Inc. and Pro Canadian Holdings I, ULC from Sellers, together with assets owned by Sellers and their affiliates that are primarily used in Sellers' power solutions business (the Transaction), in exchange for the payment of \$825 million in cash, subject to certain post-closing working capital and other adjustments.

The closing of the Transaction, which the Company expects will occur near the end of the third quarter of this year, is subject to various conditions, including regulatory and antitrust approvals, receipt of certain third party consents and approvals and other customary closing conditions. The Purchase Agreement includes customary representations, warranties and covenants by the parties. The Sellers will, and will cause their subsidiaries to, conduct their businesses in the ordinary course of business in accordance with past practice until the closing of the Transaction, subject to certain exceptions. The Company and the Sellers have agreed to indemnify each other for breaches of representations and warranties, breaches of covenants and certain other matters, subject to certain limitations and exceptions.

The Purchase Agreement may be terminated by the Company or the Sellers under certain circumstances specified therein, including (i) mutual written consent, (ii) the uncured, material violation or breach of the other party's covenants, agreements, representations or warranties contained in the Purchase Agreement, if such violation or breach has prevented or would prevent the satisfaction of a closing condition or (iii) if the Transaction is not consummated by a certain outside date.

The foregoing descriptions of the Purchase Agreement do not purport to be complete and are qualified in their entirety by reference to the Purchase Agreement, a copy of which is attached hereto as Exhibit 2.1.
