PRELIMINARY SUBJECT TO COMPLETION DATED MARCH 7, 2016

[], 2016

Dear Stockholder of Heartland Payment Systems, Inc.:

On December 15, 2015, Heartland Payment Systems, Inc., which we refer to as Heartland, and Global Payments Inc., which we refer to as Global Payments, Data Merger Sub One, Inc., (a wholly owned subsidiary of Global Payments, which we refer to as Merger Sub One) and Data Merger Sub Two, LLC (a wholly owned subsidiary of Global Payments, which we refer to as Merger Sub Two, and together with Merger Sub One, the Merger Subs) entered into an Agreement and Plan of Merger, which we refer to as the merger agreement, under which Global Payments will acquire Heartland.

Under the terms of the merger agreement, Global Payments will acquire Heartland by way of two mergers (which we refer to as the mergers). First, Merger Sub One will merge with and into Heartland, with Heartland continuing as a wholly owned subsidiary of Global Payments. Second, Heartland will merge with and into Merger Sub Two immediately following the initial merger, with Merger Sub Two surviving the second merger as a wholly owned subsidiary of Global Payments. If the mergers contemplated by the merger agreement are completed, for each share of Heartland common stock you own, you will have the right to receive, (subject to adjustment as set forth in the next sentence) \$53.28 in cash (which we refer to as the cash consideration), without interest, and 0.6687 of a share of common stock of Global Payments (which we refer to as the stock consideration, and together with the cash consideration, the per share merger consideration), with cash paid in lieu of fractional shares of Global Payments common stock. Under the terms of the merger agreement, in the event that the number of shares of common stock of Global Payments issuable as a result of the mergers would exceed 19.9% of the issued and outstanding shares of common stock of Global Payments immediately prior to the closing of the mergers, the stock consideration will be reduced so that (i) no more than 19.9% of the outstanding shares of common stock of Global Payments become issuable in the mergers and the cash consideration will be increased by a corresponding amount, and (ii) the value of the per share merger consideration at closing will remain the same. Because this calculation will be made immediately prior to the mergers, you will not know at the time of the special meeting whether any such adjustment will be

required to be made or, if such an adjustment is required, the exact combination of cash and Global Payments common stock that you will receive in the mergers.

The value of the cash consideration is fixed at \$53.28 (subject to adjustments as set forth above), but the value of the stock consideration will fluctuate as the market price of Global Payments common stock fluctuates before the completion of the mergers, and may be more or less than the value of the stock consideration on the date of the special meeting. Based on the closing stock price of Global Payments common stock on the New York Stock Exchange, which we refer to as the NYSE, on December 15, 2015, the date of the public announcement of the mergers, of \$71.42, the value of the stock consideration was \$47.76. Based on the closing stock price of Global Payments common stock on the NYSE on December 9, 2015, the last full trading day before the publication of news reports relating to a potential acquisition of Heartland by Global Payments, of \$69.63, the value of the stock consideration was \$46.56. Based on the closing stock price of Global Payments common stock on the NYSE on [], 2016, the latest practicable date before the mailing of this proxy statement/prospectus, of \$[], the value of the stock consideration was \$[]. You may obtain current stock price quotations for Global Payments common stock and Heartland common stock before you vote. Global Payments common stock is quoted on the NYSE under the symbol GPN. Heartland common stock is quoted on the NYSE under the symbol HPY.

The mergers cannot be completed unless the holders of a majority of the outstanding shares of Heartland common stock entitled to vote as of the close of business on [], 2016, the record date for the special meeting, vote to adopt the merger agreement at the special meeting. Failure to vote in favor of the adoption of the merger agreement will have the same effect as a vote AGAINST the adoption of the merger agreement.

The special meeting of Heartland stockholders will be held on [], 2016 at [], at [] local time.

Your vote is very important, regardless of the number of shares of Heartland common stock you own. To ensure your representation at the Heartland special meeting, please take time to vote by following the instructions contained in this proxy statement/prospectus and on your proxy card. Please vote promptly whether or not you expect to attend the Heartland special meeting. Submitting a proxy now will not prevent you from being able to vote in person at the Heartland special meeting.

The Heartland board of directors unanimously recommends that Heartland stockholders vote FOR the proposal to approve the merger agreement and **FOR** the other matters to be considered at the Heartland special meeting. In considering the recommendation of the board of directors of Heartland, you should be aware that certain directors and executive officers of Heartland may have interests in the mergers that are different from, or in addition to, the interests of Heartland stockholders generally. For additional information, see the section entitled Proposal 1: The Mergers Interests of Certain Persons in the Mergers beginning on page 58 of the accompanying proxy statement/prospectus.

The accompanying proxy statement/prospectus describes the special meeting of Heartland stockholders, the mergers, the documents relating to the mergers and other related matters. Please read carefully the entire proxy statement/prospectus, including the section entitled Risk Factors beginning on page 29, for a discussion of the risks relating to the proposed mergers, and the Annexes and documents incorporated by reference into the accompanying proxy statement/prospectus.

TO BE HELD ON [], 2016

Dear Stockholder of Heartland Payment Systems, Inc.:

You are cordially invited to attend a special meeting of Heartland stockholders. The special meeting will be held on [], 2016, at [], at [] local time, to consider and vote upon the following matters:

1. a proposal to approve and adopt the Agreement and Plan of Merger, dated as of December 15, 2015, by and among Heartland Payment Systems, Inc., Global Payments Inc., Data Merger Sub One, Inc., and Data Merger Sub Two, LLC, which we refer to as the merger proposal;
2. a proposal to approve, by advisory (non-binding) vote, certain compensation arrangements for Heartland's named executive officers in connection with the mergers, which we refer to as the compensation proposal; and
3. a proposal for adjournment of the special meeting, if necessary or appropriate, to solicit additional proxies if there are insufficient votes at the time of the special meeting to approve the merger agreement, which we refer to as the adjournment proposal.

The record date for the special meeting is [], 2016. Only stockholders of record as of the close of business on [], 2016 are entitled to notice of, and to vote at, the special meeting. All stockholders of record as of that date are cordially invited to attend the special meeting in person. Approval of the merger proposal requires the affirmative vote of the holders of a majority of the outstanding shares of Heartland common stock. Approval of the compensation proposal requires the affirmative vote of the holders of a majority of the votes present in person or represented by proxy at the special meeting and entitled to vote thereon; however, such vote is advisory (non-binding) only. Approval of the adjournment proposal requires the affirmative vote of the holders of a majority of the votes present in person or represented by proxy at the special meeting and entitled to vote thereon.

The Heartland board of directors has unanimously approved the merger agreement and the transactions contemplated thereby, including the mergers, has determined that the merger agreement and the transactions contemplated thereby, including the mergers, are fair to and in the best interests of Heartland stockholders, and unanimously recommends that Heartland stockholders vote FOR the merger proposal, FOR the compensation proposal, and FOR the adjournment proposal. In considering the recommendation of the board of directors of Heartland, you should be aware that certain directors and executive officers of Heartland may have interests in the mergers that are different from, or in addition to, the interests of Heartland stockholders generally. See the section entitled "Proposal 1: The Mergers" Interests of Certain Persons in the Mergers" beginning on page 58 of the accompanying proxy statement/prospectus.

Your vote is very important, regardless of the number of shares of Heartland common stock that you own. We cannot complete the mergers unless Heartland stockholders approve the merger proposal. Failure to vote in favor of the adoption of the merger agreement will have the same effect as a vote **AGAINST** the adoption of the merger agreement.

Even if you plan to attend the special meeting in person, Heartland requests that you complete, sign, date and return, as promptly as possible, the enclosed proxy card in the accompanying prepaid reply envelope or submit your proxy by telephone or Internet prior to the special meeting to ensure that your shares of Heartland common stock will be represented at the special meeting. If you hold your shares in street name through a bank, brokerage firm or other nominee, you should follow the procedures provided by your bank, brokerage firm or other nominee to vote your shares. If you fail to submit a proxy or to attend the special meeting and vote in person or do not provide your bank, brokerage firm or other nominee with instructions as to how to vote your shares, as applicable, your shares of Heartland common stock will not be counted for purposes of determining whether a quorum is present at the special meeting and will have the same effect as a vote **AGAINST** the merger proposal.

ABOUT THIS PROXY STATEMENT/PROSPECTUS

This document, which forms part of a registration statement on Form S-4 filed with the SEC by Global Payments (File No. 333-209419), constitutes a prospectus of Global Payments under Section 5 of the Securities Act of 1933, as amended, which we refer to as the Securities Act, with respect to the shares of common stock, without par value, of Global Payments, which we refer to as Global Payments common stock, to be issued to Heartland stockholders pursuant to the Agreement and Plan of Merger, dated as of December 15, 2015, by and among Heartland, Global Payments, Data Merger Sub One, Inc. and Data Merger Sub Two, LLC., as it may be amended from time to time, which we refer to as the merger agreement. This document also constitutes a proxy statement of Heartland under Section 14(a) of the Securities Exchange Act of 1934, as amended, which we refer to as the Exchange Act. It also constitutes a notice of meeting with respect to the special meeting, at which Heartland stockholders will be asked to consider and vote upon the adoption of the merger agreement.

Global Payments has supplied all information contained or incorporated by reference herein relating to Global Payments and Heartland has supplied all such information related to Heartland.

You should rely only on the information contained or incorporated by reference in this document. Global Payments and Heartland have not authorized anyone to provide you with different information. This document is dated [], 2016.

You should not assume that information contained in this document is accurate as of any date other than that date. Further, you should not assume that the information incorporated by reference herein is accurate as of any date other than the date of the incorporated document. Neither the mailing of this proxy statement/prospectus to Heartland stockholders nor the issuance by Global Payments of Global Payments common stock pursuant to the merger agreement will create any implication to the contrary.

Table of Contents

QUESTIONS AND ANSWERS ABOUT THE MERGERS AND THE SPECIAL MEETING

The following are some questions that you, as a stockholder of Heartland, may have regarding the mergers, which we describe below, and the merger agreement, and brief answers to those questions. Heartland urges you to read carefully the remainder of this proxy statement/prospectus because the information in this section may not provide all the information that might be important to you with respect to the mergers. Additional important information is also contained in the annexes and exhibits to, and the documents incorporated by reference in, this proxy statement/prospectus. For additional information, see the section entitled *Where You Can Find More Information* beginning on page 127 of this proxy statement/prospectus.

Q: Why am I receiving this proxy statement/prospectus?

A: Heartland has agreed to be acquired by Global Payments under the terms of the merger agreement that are described in this proxy statement/prospectus. In order to complete the mergers, Heartland stockholders must vote to approve and adopt the merger agreement.

If the merger agreement is adopted by Heartland stockholders and the other conditions to closing under the merger agreement are satisfied or waived, Data Merger Sub One, Inc., a Delaware corporation and a wholly owned subsidiary of Global Payments (which we refer to as Merger Sub One), will merge with and into Heartland (we refer to such transaction as the initial merger), with Heartland continuing as the surviving entity, followed by a merger of Heartland with and into Data Merger Sub Two, LLC, a Delaware limited liability company (which we refer to as Merger Sub Two), with Merger Sub Two continuing as the surviving entity and a wholly owned subsidiary of Global Payments (we refer to such transaction as the second merger and together with the initial merger, the mergers).

Q: What am I being asked to vote on at the Heartland special meeting?

Heartland is holding the special meeting to ask its stockholders to consider and vote upon a proposal to approve and adopt the merger agreement, which we refer to as the merger proposal.

You are also being asked to consider and vote upon (1) a proposal to approve, by advisory (non-binding) vote, certain compensation arrangements for Heartland's named executive officers in connection with the mergers, which we refer to as the compensation proposal, and (2) a proposal to grant authority to proxy holders to vote in favor of adjournment of the special meeting, if necessary or appropriate, to solicit additional proxies if there are insufficient votes at the time of the special meeting to adopt the merger agreement, which we refer to as the adjournment proposal. This proxy statement/prospectus includes important information about the mergers, the merger agreement (a copy of which is attached as **Annex A** to this proxy statement/prospectus) and the special meeting. Heartland stockholders should read this information carefully and in its entirety. The enclosed voting materials allow stockholders to vote their shares without attending the special meeting in person.

Q: Who can vote at the special meeting?

A: All holders of record of Heartland common stock as of the close of business on [], 2016, the record date for the special meeting, are entitled to receive notice of, and to vote at, the special meeting, or any postponement or adjournment thereof.

Q: What is the vote required to approve each proposal at the Heartland special meeting?

The approval of the merger proposal requires the affirmative vote of the holders of a majority of the outstanding shares of common stock, par value \$0.001 per share, of Heartland (which we refer to as Heartland common stock) outstanding and entitled to vote. Any failure to vote in favor of the merger proposal will have the same effect as a vote AGAINST the merger proposal.

Table of Contents

The approval of the compensation proposal requires the affirmative vote of the holders of a majority of the shares of Heartland common stock present in person or represented by proxy at the special meeting and entitled to vote thereon; however, such vote is advisory (non-binding) only. If your shares of Heartland common stock are present at the special meeting but your shares are not voted on the compensation proposal, or if you vote to abstain on the compensation proposal, it will have the same effect as a vote **AGAINST** the compensation proposal. If you fail to submit a proxy and fail to attend the special meeting and vote your shares in person, or if you hold your shares through a bank, brokerage firm or other nominee and you do not instruct your bank, brokerage firm or other nominee, as applicable, to vote your shares of Heartland common stock, your shares of Heartland common stock will not be voted, but this will not have an effect on the vote for the compensation proposal except to the extent such non-vote results in there being insufficient shares present at the meeting to establish a quorum.

The approval of the adjournment proposal requires the affirmative vote of the holders of a majority of the shares of Heartland common stock present in person or represented by proxy at the special meeting and entitled to vote thereon, whether or not a quorum is present. If your shares of Heartland common stock are present at the special meeting but are not voted on the adjournment proposal, or if you vote to abstain on the adjournment proposal, it will have the same effect as a vote **AGAINST** the adjournment proposal. If you fail to submit a proxy and fail to attend the special meeting and vote your shares in person, or if you hold your shares of Heartland common stock through a bank, brokerage firm or other nominee and you do not instruct your bank, brokerage firm or other nominee, as applicable, to vote your shares of Heartland common stock, your shares of Heartland common stock will not be voted, but this will not have an effect on the approval of the adjournment proposal.

Q: How important is my vote?

A: Your vote is very important. Because the affirmative vote required to adopt the merger proposal is based upon the total number of outstanding shares of Heartland common stock, if you vote to abstain, fail to submit a proxy or vote in person at the special meeting, or you hold your shares through a bank, brokerage firm or other nominee and you do not instruct your bank, brokerage firm or other nominee, as applicable, to vote your shares of Heartland common stock, this will have the same effect as a vote **AGAINST** the merger proposal.

Q: What is the recommendation of the Heartland board of directors?

A: The board of directors of Heartland, which we refer to as the Heartland board or Heartland board of directors, unanimously recommends that Heartland stockholders vote **FOR** the merger proposal, **FOR** the compensation proposal and **FOR** the adjournment proposal. For additional information, see the sections entitled **Proposal 1: The Mergers Heartland s Reasons for the Mergers** and **Proposal 1: The Mergers Recommendation of the Heartland Board** beginning on pages 44 and 46, respectively, of this proxy statement/prospectus.

Q: What will I receive if the mergers are completed?

A: If the initial merger is completed, each share of Heartland common stock issued and outstanding immediately prior to the effective time of the initial merger, which we refer to as the effective time, will be converted into the right to receive \$53.28 in cash, without interest (which we refer to as the cash consideration), and 0.6687 of a share of Global Payments common stock (which ratio we refer to as the exchange ratio and which amount we refer to as the stock consideration, and together with the cash consideration, the per share merger consideration), with cash paid in lieu of fractional shares of Global Payments common stock. The per share merger consideration is subject to adjustment under limited circumstances as set forth in the merger agreement, including if the exchange ratio would otherwise result in Global Payments issuing in excess of 19.9% of its outstanding common stock immediately prior to the effective time as a result of the mergers. For additional information, see the section entitled **The Merger**

Agreement Merger Consideration; Conversion of Shares beginning on page 68 of this proxy statement/prospectus.

Table of Contents

Q: How will I receive the per share merger consideration to which I am entitled?

A: After receiving the proper documentation from you, following the effective time, the exchange agent will forward to you evidence of the stock consideration and cash consideration to which you are entitled. For additional information concerning the documentation you are required to deliver to the exchange agent see the section entitled *The Merger Agreement Merger Consideration; Conversion of Shares* beginning on page 68 of this proxy statement/prospectus. Please do not return any Heartland stock certificates with your proxy card.

Q: What will happen to Heartland as a result of the mergers?

A: Merger Sub One will merge with and into Heartland, followed by a merger of Heartland with and into Merger Sub Two, with Merger Sub Two continuing as the surviving entity and a wholly owned subsidiary of Global Payments (which we refer to as the surviving company). As a result of the mergers, Heartland will no longer be a publicly traded company. Following the mergers, Heartland common stock will be delisted from the New York Stock Exchange, which we refer to as the NYSE, and deregistered under the Exchange Act.

Q: What equity stake will Heartland stockholders hold in Global Payments immediately following the mergers?

A: Based on the number of issued and outstanding shares of Global Payments common stock and Heartland common stock as of March 4, 2016, and based on the exchange ratio, holders of shares of Heartland common stock immediately prior to the closing of the mergers are expected to hold, in the aggregate, approximately 17% of the issued and outstanding shares of Global Payments common stock immediately following the closing of the mergers.

Q: When do you expect the mergers to be completed?

A: Subject to the satisfaction or waiver of the closing conditions set forth in the merger agreement, including the adoption of the merger agreement by Heartland stockholders at the special meeting, Global Payments and Heartland expect that the mergers will close in the second quarter of the 2016 calendar year. However, it is possible that factors outside the control of both companies could result in the mergers being completed at a different time or not at all. For additional information, see the section entitled *The Merger Agreement Conditions to the Consummation of the Mergers* beginning on page 83 of this proxy statement/prospectus.

Q: When and where will the special meeting be held?

A: The special meeting will take place on [], 2016 at [], local time, at []. For additional information, see the section entitled *Information About the Special Meeting Time Place and Purpose of the Special Meeting* beginning on page 36 of this proxy statement/prospectus.

Q: Who is entitled to vote at the special meeting?

A: All holders of record of Heartland common stock as of the close of business on [], 2016, the record date for the special meeting, which we refer to as the record date, are entitled to receive notice of, and to vote at, the special meeting.

Q: How many votes do I have?

A: Each holder of Heartland common stock is entitled to cast one vote on each matter properly brought before the special meeting for each share of Heartland common stock that such holder owned of record as of the record date. As of the record date, there were [] outstanding shares of Heartland common stock.

Table of Contents

Q: What should I do if I receive more than one set of voting materials?

A: Please vote each proxy card and voting instruction card that you receive. You may receive more than one set of voting materials, including multiple copies of this proxy statement/prospectus and multiple proxy cards or voting instruction cards. For example, stockholders who hold shares in more than one brokerage account will receive a separate voting instruction card for each brokerage account in which shares are held. In addition, if shares are held in more than one name, stockholders will receive more than one proxy card or voting instruction card. For information on electronic voting via the Internet or telephone, see the section entitled "Information About the Special Meeting - Vote Required for Approval" beginning on page 36 of this proxy statement/prospectus.

Q: Why am I being asked to consider and vote on the proposal to approve, by advisory (non-binding) vote, certain compensation arrangements for Heartland's named executive officers in connection with the mergers?

A: Under SEC rules, Heartland is required to seek an advisory (non-binding) vote with respect to the compensation that may be paid or become payable to its named executive officers that is based on, or otherwise relates to, the mergers.

Q: What will happen if Heartland stockholders do not approve the compensation proposal?

A: Approval of the compensation proposal is not a condition to completion of the mergers. The vote is an advisory vote and will not be binding on Heartland or the surviving company in the mergers. If the mergers are completed, such compensation may be paid to Heartland's named executive officers to the extent payable in accordance with the terms of their compensation agreements and arrangements even if Heartland stockholders do not approve, by advisory (non-binding) vote, such compensation.

Q: Do any of Heartland's directors or executive officers have interests in the mergers that may differ from those of Heartland stockholders?

A: Heartland's directors and executive officers may have interests in the mergers that are different from, or in addition to, the interests they may have as Heartland stockholders. The members of the Heartland board of directors were aware of and considered these interests, among other matters, in evaluating the merger agreement and the mergers, and in recommending that Heartland stockholders adopt the merger agreement. For additional information, see the section entitled "Proposal 1: The Mergers - Interests of Certain Persons in the Mergers" beginning on page 58 of this proxy statement/prospectus.

Q: What is the difference between holding shares as a stockholder of record and as a beneficial owner?

A: If your shares of Heartland common stock are registered directly in your name with Heartland's transfer agent, you are considered the stockholder of record with respect to those shares. As the stockholder of record, you have the right to vote or to grant a proxy for your vote directly to Heartland or to a third party to vote at the special meeting.

If your shares are held by a bank, brokerage firm or other nominee, you are considered the beneficial owner of shares held in street name, and your bank, brokerage firm or other nominee, as applicable, is considered the stockholder of record with respect to those shares. Your bank, brokerage firm or other nominee, as applicable, will send you, as the beneficial owner, a package describing the procedure for voting your shares. You should follow the instructions provided by them to vote your shares. You are invited to attend the special meeting; however, you may not vote these shares in person at the special meeting unless you obtain a legal proxy from your bank, brokerage firm or other nominee, as applicable, that holds your shares, giving you the right to vote the shares at the special meeting.

Table of Contents

Q: If my shares of Heartland common stock are held in street name by my bank, brokerage firm or other nominee, will my bank, brokerage firm or other nominee, as applicable, automatically vote those shares for me?

A: No. Your bank, brokerage firm or other nominee, as applicable, will only be permitted to vote your shares of Heartland common stock if you instruct them how to vote. You should follow the procedures provided by your bank, brokerage firm or other nominee, as applicable, regarding the voting of your shares of Heartland common stock. In accordance with the rules of the NYSE, banks, brokerage firms and other nominees who hold shares of Heartland common stock in street name for their customers have authority to vote on routine proposals when they have not received instructions from beneficial owners. However, banks, brokerage firms and other nominees are precluded from exercising their voting discretion with respect to non-routine matters, such as the adoption of the merger agreement, the approval of the compensation proposal, and approval of the adjournment proposal. As a result, absent specific instructions from the beneficial owner of such shares, banks, brokerage firms and other nominees are not empowered to vote such shares. A so-called broker non-vote results when banks, brokerage firms and other nominees return a valid proxy but do not vote on a particular proposal because they do not have discretionary authority to vote on the matter and have not received specific voting instructions from the beneficial owner of such shares. The effect of not instructing your bank, brokerage firm or other nominee, as applicable, how you wish your shares to be voted will be the same as a vote AGAINST the merger proposal, but will not have an effect on the approval of the compensation proposal (except to the extent there are insufficient shares present at the meeting to establish a quorum) or on the approval of the adjournment proposal.

Q: What constitutes a quorum for the special meeting?

A: The presence, in person or represented by proxy, of holders of a majority of all of the outstanding shares of Heartland common stock entitled to vote at the special meeting constitutes a quorum for the purposes of the special meeting. Abstentions are considered present for purposes of establishing a quorum.

Q: What happens if I sell my shares of Heartland common stock before the special meeting?

A: The record date is earlier than both the date of the special meeting and the effective time. If you transfer your shares of Heartland common stock after the record date but before the special meeting, you will, unless the transferee requests a proxy from you, retain your right to vote at the special meeting but will transfer the right to receive the per share merger consideration to the transferee. In order to receive the per share merger consideration, you must hold your shares at the effective time.

Q: Who will solicit and pay the cost of soliciting proxies?

A: Heartland has engaged Innisfree M&A Incorporated to assist in the solicitation of proxies for the special meeting. Heartland estimates that it will pay Innisfree a fee of approximately \$25,000. Heartland has agreed to reimburse Innisfree for certain out-of-pocket fees and expenses and also will indemnify Innisfree against certain losses, claims, damages, liabilities or expenses. Heartland also may reimburse banks, brokerage firms, other nominees or their respective agents for their expenses in forwarding proxy materials to beneficial owners of Heartland common stock. Heartland's directors, officers and employees also may solicit proxies by telephone, by facsimile, by mail, on the Internet or in person. They will not be paid any additional amounts for soliciting proxies.

Q: Should I send in my stock certificates now?

A: No, please do NOT return your stock certificate(s), if any are physically held, with your proxy. If the merger agreement is adopted by Heartland stockholders and the mergers are completed, and you hold physical stock certificates, you will be sent a letter of transmittal as soon as reasonably practicable after the completion of the mergers describing how you may exchange your shares of Heartland common stock for the per share merger

Table of Contents

consideration. If your shares of Heartland common stock are held in street name through a bank, brokerage firm or other nominee, you will receive instructions from your bank, brokerage firm or other nominee, as applicable, as to how to effect the surrender of your street name shares of Heartland common stock in exchange for the per share merger consideration.

Q: How can I change or revoke my vote?

A: If you are a holder of record of Heartland common stock on the record date for the Heartland special meeting, you have the power to revoke your proxy at any time before your proxy is voted at the Heartland special meeting. You can revoke your proxy in one of three ways:

you can send a signed notice of revocation;

you can submit a new, valid proxy card bearing a later date; or

you can attend the Heartland special meeting and vote in person, which will automatically cancel any proxy previously given, or you can revoke your proxy in person, but your attendance alone will not revoke any proxy that you have previously given.

For additional information see the section entitled Information About the Special Meeting Revocability of Proxies beginning on page 38 of this proxy statement/prospectus.

Q: Can I exercise appraisal rights?

A: Heartland stockholders are entitled to appraisal rights under Section 262 of the Delaware General Corporation Law, which we refer to as the DGCL, provided they follow the procedures and satisfy the conditions set forth in Section 262 of the DGCL. For additional information regarding appraisal rights, see the section entitled Appraisal Rights beginning on page 88 of this proxy statement/prospectus. In addition, a copy of Section 262 of the DGCL is attached as **Annex C** to this proxy statement/prospectus. If you fail to strictly comply with Section 262 of the DGCL you may be waiving, or you may become unable to exercise, appraisal rights.

Q: Are there any risks that I should consider in deciding whether to vote for the adoption of the merger agreement?

A: Yes. You should read and carefully consider the risk factors set forth in the section entitled Risk Factors beginning on page 29 of this proxy statement/prospectus. You also should read and carefully consider the risk factors of Global Payments and Heartland contained in the documents that are incorporated by reference into this proxy statement/prospectus.

Q: What is the value of the per share merger consideration?

A: Upon completion of the initial merger, subject to the terms and conditions of the merger agreement, each share of Heartland common stock issued and outstanding (other than certain shares owned by the parties to the merger agreement (which will be cancelled), by stockholders who have properly exercised and perfected appraisal rights under Delaware law (as described below in the section entitled Appraisal Rights beginning on page 88 of this proxy

statement/prospectus), or by any direct or indirect wholly owned subsidiary of Heartland (which will remain outstanding)) will be converted into the right to receive, subject to adjustment under limited circumstances described in the paragraph below, \$53.28 in cash, without interest, and 0.6687 of a share of Global Payments common stock. Other than the possible adjustment described in the paragraph below, the exchange ratio of 0.6687 of a share of Global Payments common stock is fixed, which means that it will not change between now and the date of the mergers, including as a result of a change in the trading price of Global Payments common stock or Heartland common stock. Therefore, the value of the shares of Global Payments common stock received by Heartland stockholders in the mergers will depend on the market price of Global Payments common stock at the time the mergers are completed.

Table of Contents

Under the terms of the merger agreement, in the event that the number of shares of common stock of Global Payments issuable as a result of the mergers would exceed 19.9% of the issued and outstanding shares of common stock of Global Payments immediately prior to the closing of the mergers, the stock consideration will be reduced so that no more than 19.9% of the outstanding shares of common stock of Global Payments become issuable in the mergers and the cash consideration will be increased by a corresponding amount, so that the value of the per share merger consideration at closing will remain the same.

Q: What happens if the mergers are not completed?

A: If the merger agreement is not adopted by Heartland stockholders or if the mergers are not completed for any other reason, Heartland stockholders will not receive the per share merger consideration for their shares of Heartland common stock. Instead, Heartland will remain an independent public company, and Heartland common stock will continue to be listed and traded on the NYSE and registered under the Exchange Act. Heartland is required to pay Global Payments a termination fee of \$153 million if the merger agreement is terminated in certain circumstances including if Global Payments terminates the merger agreement following a change of recommendation of the Heartland board of directors, if Heartland terminates the merger agreement to enter into a definitive agreement with a third party with respect to a superior acquisition proposal, or if the merger agreement is terminated under certain circumstances and Heartland subsequently enters into, or consummates, an alternative acquisition proposal within twelve months. For additional information, see the section entitled "The Merger Agreement Termination of the Merger Agreement and Termination Fee" beginning on page 84 of this proxy statement/prospectus.

Q: What are the material United States federal income tax consequences of the mergers?

A: The mergers are intended to qualify for U.S. federal income tax purposes as a "reorganization" within the meaning of Section 368(a) of the Internal Revenue Code of 1986, as amended. Assuming that the mergers do qualify as a reorganization for U.S. federal income tax purposes, a U.S. holder of shares of Heartland common stock generally will recognize gain (but not loss) on the exchange in an amount equal to the lesser of (1) the amount of gain realized (i.e., the excess of the sum of the fair market value of the shares (including any fractional shares) of Global Payments common stock and cash received pursuant to the mergers (excluding any cash received in lieu of fractional shares) over the holder's adjusted tax basis in its shares of Heartland common stock surrendered pursuant to the mergers) and (2) the amount of cash (excluding any cash received in lieu of fractional shares) received pursuant to the mergers, and such holder will recognize gain or loss with respect to any cash received in lieu of fractional shares of Global Payments common stock. Heartland stockholders should consult their tax advisors for a full understanding of all of the tax consequences of the mergers to them. For additional information, see the section entitled "Material United States Federal Income Tax Consequences of the Mergers" beginning on page 119 of this proxy statement/prospectus.

Q: Whom should I call if I have questions?

A: If you have additional questions about the mergers, need assistance in submitting your proxy or voting your shares of Heartland common stock, or need additional copies of this proxy statement/prospectus, please contact Innisfree M&A Incorporated, by calling toll-free at [].

Information About the Special Meeting (page 36)

The Heartland special meeting is scheduled to be held on [], 2016, at [], at [] local time, for the purpose of considering and voting on the following matters:

a proposal to approve and adopt the merger agreement;

a proposal to approve by advisory (non-binding) vote, certain compensation arrangements for Heartland's named executive officers in connection with the mergers;

a proposal to approve the adjournment of the Heartland special meeting, if necessary or appropriate, to solicit additional proxies if there are not sufficient votes to adopt the merger agreement and approve the transactions contemplated by the merger agreement; and

such other business as may properly come before the Heartland special meeting.

The Heartland board of directors unanimously recommends that Heartland stockholders vote FOR the merger proposal, FOR the compensation proposal and FOR the adjournment proposal.

Record Date and Vote Required for the Heartland Special Meeting

Holders of record of Heartland common stock at the close of business on [], 2016, the record date for the Heartland special meeting, will be entitled to notice of, and to vote at, the Heartland special meeting or any postponements or adjournments thereof. You are entitled to one vote for each share of Heartland common stock that you owned as of the close of business on the record date. As of the record date, there were [] shares of Heartland common stock outstanding and entitled to vote at the Heartland special meeting, approximately [] of which were held by directors and executive officers of Heartland. Heartland currently expects that Heartland's directors and executive officers will vote their shares in favor of each of the proposals to be presented at the Heartland special meeting, although none of them has entered into any agreements obligating them to do so.

Approval of the merger proposal requires the affirmative vote of the holders of a majority of the outstanding shares of Heartland common stock. Approval of the compensation proposal and approval of the adjournment proposal each requires the affirmative vote of the holders of a majority of the shares present in person or represented by proxy at the special meeting and entitled to vote thereon.

The Mergers (page 68)

Heartland, Global Payments and the Merger Subs entered into the merger agreement. Pursuant to the terms and subject to the conditions set forth in the merger agreement, Global Payments will acquire Heartland by way of two mergers. First, Merger Sub One will merge with and into Heartland, with Heartland continuing as a wholly owned subsidiary of Global Payments in the initial merger. Second, Heartland will merge with and into Merger Sub Two immediately following the initial merger, with Merger Sub Two surviving the second merger as a wholly owned subsidiary of Global Payments. For additional information, see the section entitled Proposal 1: The Mergers .

A copy of the merger agreement is attached as **Annex A** to this proxy statement/prospectus. *You are encouraged to read the merger agreement carefully in its entirety because it is the legal agreement that governs the mergers.*

Merger Consideration (page 68)

Upon completion of the initial merger, subject to the terms and conditions of the merger agreement, each share of Heartland common stock issued and outstanding immediately prior to the effective time of the initial

Table of Contents

merger will be converted into the right to receive, subject to adjustment under limited circumstances described below, in exchange for each share of Heartland common stock held immediately prior to the effective time of the initial merger, a combination \$53.28 in cash, without interest (which we refer to as the cash consideration), and 0.6687 of a share of Global Payments common stock (which ratio we refer to as the exchange ratio and which amount of Global Payments common stock we refer to as the stock consideration, and together with the cash consideration, the per share merger consideration). Global Payments will not issue any fractional shares of Global Payments common stock in the mergers. Heartland stockholders who would otherwise be entitled to a fractional share of Global Payments common stock will instead receive an amount in cash based on the volume weighted average trading price of Global Payments common stock on the New York Stock Exchange, which we refer to as the NYSE, for the five consecutive trading days ending on the trading day immediately preceding the closing date of the mergers. In connection with the payment of the aggregate stock consideration, Global Payments expects to issue approximately 26 million shares of common stock to Heartland stockholders. It is currently expected that the closing date of the mergers will occur no later than three business days after the special meeting in accordance with the merger agreement.

Other than the possible adjustment described in the paragraph below, the exchange ratio is fixed, which means that it will not change between now and the date of the closing of the mergers, including as a result of a change in the trading price of Global Payments common stock or Heartland common stock. Therefore, the value of the shares of Global Payments common stock received by Heartland stockholders in the mergers will depend on the market price of Global Payments common stock at the time the mergers are completed.

The exchange ratio will be adjusted if the exchange ratio would otherwise result in Global Payments issuing in excess of 19.9% of its common stock outstanding immediately prior to the effective time as a result of the mergers. In such circumstance, the exchange ratio will be reduced to the minimum extent necessary so that the number of shares of Global Payments common stock issued or issuable as a result of the mergers will equal 19.9% of its common stock outstanding immediately prior to the effective time, and the cash consideration will be increased by an equivalent value (based on the volume weighted average trading price of Global Payments common stock on the NYSE for the five consecutive trading days ending on the trading day immediately preceding the closing date of the mergers).

As of the time the merger agreement was executed, the number of shares of Global Payments common stock expected to be issued in the mergers constituted less than 19.9% of Global Payments outstanding shares of common stock, and Global Payments and Heartland currently do not anticipate that any adjustment to the exchange ratio will be required. A vote by Heartland stockholders for the approval of the merger proposal will remain effective whether or not the exchange ratio is adjusted as described above.

Treatment of Equity Awards (page 69)

Stock Options. At the effective time, each outstanding stock option to purchase shares of Heartland common stock will be cancelled and converted into the right to receive the per share merger consideration with respect to each share of Heartland common stock relating to such stock option, net of the applicable exercise price. Any stock option with an exercise price that equals or exceeds the value of the per share merger consideration as of the effective time (using the volume weighted average trading price of Global Payments common stock on the NYSE for the five consecutive trading days ending on the trading day immediately preceding the closing date of the mergers to calculate the value of the stock consideration) will be cancelled for no consideration.

Restricted Stock Units. At the effective time, each restricted stock unit award (other than a performance share unit award) in respect of Heartland common stock will fully vest and be cancelled and converted into the right to receive the per share merger consideration in respect of each share of Heartland common stock underlying the restricted stock unit award. Any accrued but unpaid dividend equivalents corresponding to each such restricted stock unit award will

become fully vested and be paid in cash at the time the corresponding restricted stock unit award is settled.

Table of Contents

Performance Share Units. At the effective time, each performance share unit award in respect of Heartland common stock will fully vest (with any performance-based vesting condition deemed to have been satisfied at either maximum or target levels, depending on whether the award was granted prior to, or on or after, December 1, 2015, respectively) and be cancelled and converted into the right to receive the per share merger consideration in respect of each share of Heartland common stock underlying the performance share unit award. Any accrued but unpaid dividend equivalents corresponding to each such performance share unit award will become fully vested (assuming achievement of maximum performance) and be paid in cash at the time the corresponding performance share unit award is settled.

Recommendation of the Heartland Board and Reasons for the Mergers (pages 46 and 44, respectively)

The Heartland board of directors has unanimously approved the merger agreement and the transactions contemplated thereby, including the mergers, has determined that the merger agreement and the transactions contemplated thereby, including the mergers, are fair to and in the best interests of Heartland stockholders, and unanimously recommends that Heartland stockholders vote FOR the merger proposal. For a description of the reasons considered by the Heartland board of directors in deciding to recommend adoption of the merger agreement, see the sections entitled Proposal 1: The Mergers Heartland s Reasons for the Mergers and Proposal 1: The Mergers Recommendation of the Heartland Board.

Opinion of Greenhill & Co., LLC (page 49)

In connection with the mergers, Greenhill & Co., LLC, which we refer to as Greenhill, delivered a written opinion, dated December 15, 2015, to the Heartland board as to the fairness, from a financial point of view and as of such date, of the per share merger consideration to be received in the initial merger pursuant to the merger agreement by the holders of Heartland common stock (other than shares held by Heartland as treasury stock or by a subsidiary of Heartland, or shares held by Global Payments or the Merger Subs (which we collectively refer to as excluded holders)). The full text of Greenhill s written opinion, dated December 15, 2015, is attached as Annex B to this proxy statement/prospectus and is incorporated in this document by reference. The written opinion sets forth, among other things, the assumptions made, procedures followed, factors considered and limitations and qualifications on the review undertaken by Greenhill in rendering its opinion. **Greenhill delivered its opinion to the Heartland board for the information of the Heartland board (in its capacity as such) in connection with and for purposes of its evaluation of the per share merger consideration from a financial point of view and did not express any opinion as to any other term, aspect or implication of the mergers (other than the fairness, from a financial point of view, of the per share merger consideration to be received in the initial merger pursuant to the merger agreement by the holders of Heartland common stock (other than excluded holders)). Greenhill was not requested to opine as to, and its opinion did not in any manner address, the underlying business decision to proceed with or effect the mergers. Greenhill s opinion is not and did not constitute a recommendation to the members of the Heartland board as to whether to approve the mergers or the merger agreement, or as to how any stockholder should vote or act in connection with the mergers.**

Interests of Certain Persons in the Mergers (page 58)

Heartland stockholders should be aware that Heartland s directors and executive officers may have interests in the mergers that are different from, or in addition to, interests of Heartland stockholders generally. These interests include, among others, the treatment of outstanding Heartland equity awards pursuant to the merger agreement, certain payments and benefits payable under employment agreements entered into with executive officers, and rights to ongoing indemnification and insurance coverage by the surviving company for acts or omissions occurring prior to the mergers. The Heartland board of directors was aware of and considered those interests, among other matters, in reaching its decisions to approve the merger agreement and the transactions

Table of Contents

contemplated thereby and to recommend the adoption of the merger agreement to Heartland common stockholders. For a more detailed description of these interests, see the section entitled *The Merger Interests of Certain Persons in the Mergers* .

Global Payments Board of Directors Following the Mergers (page 63)

The parties have agreed to select two Heartland nominees for appointment to the Global Payments board of directors. In connection with such appointment, Global Payments has agreed to take all appropriate action to submit to the Global Payments board of directors such nominees for appointment in accordance with Global Payments sixth amended and restated bylaws, which we refer to as the Global Payments bylaws. Currently, the Global Payments board of directors consists of eight directors. Following the appointment of the Heartland nominees, the Global Payments board of directors would consist of ten directors. For additional information, see the section entitled *Proposal 1: The Mergers Global Payments Board of Directors Following the Mergers* .

Regulatory Approvals (page 63)

Under the Hart-Scott-Rodino Antitrust Improvements Act of 1976, as amended, which we refer to as the HSR Act, and the related rules and regulations issued by the Federal Trade Commission, which we refer to as the FTC, certain transactions, including the mergers, may not be consummated until notifications have been given and specified information and documentary material have been furnished to the FTC and the United States Department of Justice, which we refer to as the DOJ, and the applicable waiting periods have expired or been terminated. The completion of the mergers is conditioned upon the expiration or early termination of the HSR Act waiting period. On December 30, 2015, Global Payments and Heartland filed their respective notification and report forms under the HSR Act with the DOJ and the FTC and the waiting period expired at 11: 59 p.m. on January 29, 2016. For additional information, see the sections entitled *Proposal 1: The Mergers Regulatory Approvals* and *The Merger Agreement Covenants Efforts* .

Financing (page 64)

Global Payments anticipates that the funds needed to complete the transactions will be derived from a combination of (1) available cash on hand of Global Payments and (2) third-party debt financing, which we refer to as the debt financing, consisting of term loan facilities, a revolving credit facility and a delayed draw term loan facility. The consummation of the mergers is not conditioned on the receipt of such debt financing. For additional information, see the section entitled *Proposal 1: The Mergers Financing* .

Closing and Effective Time (page 65)

Global Payments and Heartland expect that the mergers will close in the second quarter of the 2016 calendar year, subject to the adoption of the merger agreement by Heartland stockholders, the satisfaction or valid waiver of the other conditions to closing, and the completion of the marketing period in connection with the debt financing. However, it is possible that factors outside the control of both companies could result in the mergers being completed at a different time or not at all. For additional information, see the section entitled *Proposal 1: The Mergers Closing and Effective Time* .

The closing of the mergers will occur on the third business day after the date on which all of the closing conditions to the mergers are satisfied or waived (other than those conditions that by their terms are to be satisfied at the closing, but subject to the satisfaction or waiver of those conditions) and the completion of the marketing period in connection with the debt financing, or at such other time as the parties may mutually agree.

Table of Contents

For purposes of the merger agreement, the effective time means the time when the certificate of merger for the initial merger is duly filed with the Secretary of State of the State of Delaware or a mutually agreed later time that is specified in the certificate of merger for the initial merger.

Stock Exchange Listing of Global Payments Common Stock and Delisting and Deregistration of Heartland Common Stock (page 66)

Application will be made to have the shares of Global Payments common stock to be issued in the mergers approved for listing on the NYSE, where Global Payments common stock is currently traded. If the mergers are consummated, Heartland common stock will no longer be listed on the NYSE, and will be deregistered under the Securities Exchange Act of 1934, as amended, which we refer to as the Exchange Act. For additional information, see the section entitled Proposal 1: The Mergers Stock Exchange Listing of Global Payments Common Stock and Delisting and Deregistration of Heartland Common Stock .

Accounting Treatment (page 66)

Global Payments and Heartland prepare their financial statements in accordance with accounting principles generally accepted in the United States (which we refer to as GAAP). The mergers will be accounted for using the acquisition method of accounting. Global Payments will be treated as the acquirer for accounting purposes. For additional information, see the section entitled Proposal 1: The Mergers Accounting Treatment .

Material United States Federal Income Tax Consequences (page 66)

The mergers are intended to qualify as a reorganization within the meaning of Section 368(a) of the Internal Revenue Code of 1986, as amended, which we refer to as the Code. Assuming that the mergers do qualify as a reorganization for U.S. federal income tax purposes, a U.S. holder of shares of Heartland common stock generally will recognize gain (but not loss) on the exchange in an amount equal to the lesser of (1) the amount of gain realized (i.e., the excess of the sum of the fair market value of the shares (including any fractional shares) of Global Payments common stock and cash received pursuant to the mergers (excluding any cash received in lieu of fractional shares) over the holder's adjusted tax basis in its shares of Heartland common stock surrendered pursuant to the mergers) and (2) the amount of cash (excluding any cash received in lieu of fractional shares) received pursuant to the mergers, and such holder will recognize gain or loss with respect to any cash received in lieu of fractional shares of Global Payments common stock. Heartland stockholders should consult their tax advisors for a full understanding of all of the tax consequences of the mergers to them. For additional information, see the section entitled Material United States Federal Income Tax Consequences of the Mergers .

Appraisal Rights (page 67)

Heartland stockholders who do not vote for the adoption of the merger agreement, who continuously hold their shares of Heartland common stock through the effective time of the mergers and who otherwise comply with the applicable provisions of Section 262 of the Delaware General Corporation Law (which we refer to as DGCL) will be entitled to seek appraisal of the fair value of their shares of Heartland common stock, as determined by the Delaware Court of Chancery, if the mergers are completed. The fair value of your shares of Heartland common stock as determined by the Delaware Court of Chancery could be greater than, the same as, or less than the value of the per share merger consideration that you would otherwise be entitled to receive under the terms of the merger agreement. For additional information, see the section entitled Appraisal Rights .

No Solicitation by Heartland (page 77)

Subject to certain exceptions, Heartland has agreed not to solicit, induce, encourage, facilitate, or participate in discussions or negotiations concerning acquisition proposals with third parties, or provide non-public

Table of Contents

information relating to Heartland and its subsidiaries in connection with third party proposals. Notwithstanding these restrictions, however, the merger agreement provides that, under specified circumstances and before Heartland stockholders adopt the merger proposal, the Heartland board is permitted to provide access to its properties, books and records, information or data, and engage in negotiations or discussions with, a third party making an acquisition proposal (subject to such third party executing an acceptable confidentiality agreement), but only in response to an unsolicited bona fide written acquisition proposal if the Heartland board (1) determines in good faith, after consultation with Heartland's outside legal counsel and financial advisor, that such acquisition proposal is reasonably expected to constitute or result in a superior proposal to the mergers and (2) determines in good faith, after consultation with, and taking into account the advice of, outside legal counsel, that failure to take such action would be reasonably likely to be a violation of the Heartland board's fiduciary duties under applicable law. For additional information, see the section entitled "The Merger Agreement - Covenants - No Solicitation".

Change of Recommendation; Match Rights (page 79)

The Heartland board recommends that Heartland stockholders vote **FOR** the merger proposal, which we refer to as the recommendation. The merger agreement provides that the Heartland board may not change its recommendation except in limited circumstances, including either (1) in response to an unsolicited bona fide written acquisition proposal that the Heartland board determines in good faith, after consultation with Heartland's outside legal counsel and financial advisor, constitutes a superior proposal and, after consultation with outside legal counsel, that the failure to change its recommendation would be reasonably likely to be a violation of the Heartland board's fiduciary duties under applicable law or (2) if there exists, with respect to Heartland or its subsidiaries, any event, development, change, effect or occurrence that was not known by the Heartland board or, if known, the consequences of which were not known or reasonably foreseeable as of the date of the merger agreement and the Heartland board further determines in good faith, after consultation with, and taking into account the advice of, outside legal counsel, that the failure to change its recommendation would be reasonably likely to be a violation of the Heartland board's fiduciary duties under applicable law. In addition, Heartland must provide Global Payments with prior notice of any such change in its recommendation and negotiate with Global Payments for a specific period in advance of any such change. For additional information, see the section entitled "The Merger Agreement - Covenants - Change of Recommendation; Match Rights".

Conditions to the Consummation of the Mergers (page 83)

The obligations of each party to complete the mergers are conditioned upon:

the expiration or early termination of the applicable waiting period under the HSR Act;

the adoption of the merger agreement by the holders of a majority of the outstanding shares of Heartland common stock entitled to vote thereon;

the listing of the shares of Global Payments common stock issuable pursuant to the merger agreement on the NYSE;

the effectiveness under the Securities Act of 1933, as amended, which we refer to as the Securities Act, of the registration statement of which this proxy statement/prospectus forms a part, which shall not be the subject of any stop order or proceedings seeking a stop order to suspend the effectiveness of such registration statement;

the absence of any applicable law which restrains, enjoins or otherwise prohibits the consummation of the transactions contemplated by the merger agreement, including the mergers;

the accuracy of the representations and warranties of the other party, subject to certain materiality thresholds;
and

Table of Contents

the performance and compliance, in all material respects, by the other party of all of its covenants, obligations and agreements contained in the merger agreement to be performed and complied with by it at or prior to the effective time.

Additionally, the obligations of Global Payments and the Merger Subs to complete the mergers are conditioned upon the absence of any material adverse effect of Heartland.

For additional information, see the section entitled "The Merger Agreement - Conditions to the Consummation of the Mergers".

Termination of the Merger Agreement (page 84)

The merger agreement may be terminated:

by mutual written consent of each of Heartland and Global Payments;

by either Heartland or Global Payments (unless, in the case of the first three bullets below, the terminating party is in material breach of the merger agreement):

if the closing does not occur on or before June 15, 2016, which we refer to as the termination date (provided that in certain cases if all closing conditions have otherwise been satisfied and the marketing period in connection with the debt financing has commenced but not yet ended such date will be automatically extended for twenty-one business days from the first day of the marketing period);

if there is a law that makes the closing of the mergers illegal or if any government authority issues an order or takes any other action permanently restraining, enjoining or otherwise prohibiting the mergers;

if the other party breaches or fails to perform its representations, warranties, covenants or other agreements contained in the merger agreement and such breach or failure to perform would give rise to a failure of a closing condition relating to the accuracy of such breaching party's representations and warranties or compliance with the terms of the merger agreement, and such breach or failure to perform is not cured within a specified period of time; or

if the approval of Heartland stockholders of the merger proposal is not obtained at the special meeting or at the final adjournment or postponement of the special meeting;

by Heartland before approval of Heartland stockholders of the merger proposal is obtained, if the Heartland board, after compliance with the terms and conditions of the merger agreement (including its non-solicitation obligations and Global Payments' match rights), determines to terminate the merger agreement to enter into a definitive agreement with respect to a superior proposal; or

by Global Payments, if the Heartland board of directors does any of the following (which we refer to collectively as the change of recommendation termination rights):

makes a change of recommendation;

fails to include the recommendation in this proxy statement/prospectus;

recommends, approves or otherwise declares advisable to Heartland stockholders an acquisition proposal other than the mergers;

fails to have published, sent or given to its stockholders, within ten business days following the commencement of a tender offer or exchange offer that constitutes an acquisition proposal (or subsequent material amendment thereof), a statement recommending that its stockholders reject such tender offer or exchange offer and affirming the recommendation;

Table of Contents

fails to publicly reaffirm the recommendation within ten business days of Global Payments' request to do so following the public announcement or public disclosure by any person of an acquisition proposal or an intention to make an acquisition proposal; or

formally resolves to effect or publicly announces an intention to effect any of the foregoing, prior to obtaining the approval of Heartland stockholders of the merger proposal.

For additional information, see the section entitled "The Merger Agreement - Termination of the Merger Agreement and Termination Fee - Termination".

Termination Fee (page 86)

Under the merger agreement, Heartland will be required to pay to Global Payments a termination fee of \$153 million in connection with a termination of the merger agreement in certain circumstances, including (1) if Global Payments terminates the merger agreement pursuant to any of the change of recommendation termination rights or if the merger agreement is terminated after a failure to obtain the approval of Heartland stockholders of the merger proposal at a time when Global Payments could have terminated the merger agreement pursuant to any of the change of recommendation termination rights, (2) if Heartland terminates the merger agreement to enter into a definitive agreement with a third party with respect to a superior proposal to the mergers, or (3) if the merger agreement is terminated (either at the termination date prior to obtaining the approval of Heartland stockholders of the merger proposal, due to a failure to obtain the approval of Heartland stockholders of the merger proposal or due to Heartland's breach of the merger agreement) under certain circumstances following a third party having publicly made an alternative acquisition proposal, and Heartland subsequently enters into, or consummates, within twelve months, an alternative acquisition proposal.

For additional information, see the section entitled "The Merger Agreement - Termination of the Merger Agreement and Termination Fee - Termination Fee".

Specific Performance (page 87)

Each party is entitled to an injunction, specific performance and other equitable remedies to prevent and restrain breaches or threatened breaches of the merger agreement or to enforce specifically the performance of the terms and provisions of the merger agreement in the Court of Chancery of the State of Delaware or, if such court declines to accept jurisdiction over a particular matter, in any state or federal court located in the State of Delaware. This remedy is in addition to any other remedy to which the parties are entitled at law or in equity.

Expenses (page 87)

Each party will bear all its own expenses in connection with the merger agreement and the transactions contemplated thereby, whether or not such transactions are consummated, except, subject to certain exceptions, Global Payments will bear the cost of filings under the HSR Act and will reimburse Heartland and its subsidiaries for their costs incurred in connection with their cooperation in obtaining the debt financing.

Comparison of the Rights of Shareholders of Global Payments and Stockholders of Heartland (page 110)

The rights of Heartland stockholders are governed by Heartland's amended and restated certificate of incorporation, which we refer to as the Heartland charter or the Heartland certificate of incorporation, and

Litigation Relating to the Mergers (page 67)

Heartland, the Heartland Board, Global Payments, Merger Sub One, and Merger Sub Two have been named as defendants in a putative class action lawsuit challenging the proposed mergers. The suit was filed in the New Jersey Superior Court, Mercer County, Civil Division, and is captioned *Kevin Merchant v. Heartland Payment Systems, et al.*, L-45-16 (filed January 8, 2016). The complaint alleges, among other things, that the directors of Heartland breached their fiduciary duties to Heartland stockholders by agreeing to sell Heartland for inadequate consideration, agreeing to improper deal protection terms in the merger agreement, and failing to properly value Heartland. In addition, the complaint alleges that Heartland, Global Payments, Merger Sub One, and Merger Sub Two aided and abetted these purported breaches of fiduciary duty. Plaintiff seeks, among other things, an injunction barring the mergers, rescission of the mergers or rescissory damages to the extent they have already been implemented, and an award of damages and attorney's fees. On February 29, 2016, Plaintiff Kevin Merchant filed an amended complaint that further alleges that the February 5, 2016 preliminary proxy statement contains allegedly materially misleading statements and omissions. The defendants believe the lawsuit is without merit.

For additional information, see the section entitled "Proposal 1: The Mergers - Litigation Relating to the Mergers".

These forward-looking statements involve a number of risks and uncertainties and depend upon future events or conditions. Actual events or results might differ materially from those expressed or forecasted in these forward-looking statements. Accordingly, Global Payments and Heartland cannot guarantee you that their plans and expectations will be achieved. Such statements may include, but are not limited to, statements about the benefits of the mergers, including future financial and operating results, the combined company's plans, objectives, expectations and intentions and other statements that are not historical facts. Forward-looking statements speak only as of the date they are made and should not be relied upon as representing plans and expectations as of any subsequent date. Global Payments and Heartland undertake no obligation to revise any of these statements to reflect future circumstances or the occurrence of unanticipated events.

Important factors, among others, associated with the mergers that could cause actual events or results to differ materially from those anticipated by forward-looking statements or historical performance include those factors set forth under the section entitled **Risk Factors** beginning on page 29 of this proxy statement/prospectus, as well as, among others, risks and uncertainties relating to: the ability to meet closing conditions at all or on the expected terms and schedule, including without limitation the approval of Heartland stockholders and other regulatory approvals required for the mergers; the possibility of a delay in closing the mergers or failure to consummate the mergers as a result of litigation or otherwise; business disruption during the pendency of the mergers or thereafter making it more difficult to maintain business and operational relationships, including the possibility that the announcement of the mergers could disrupt Heartland's relationships with sponsors, merchants, employees or other partners; difficulties and delays in integrating the Heartland business or fully realizing cost savings and other benefits of the mergers at all or within the expected time period; the ability to accurately predict future market conditions; and changes in laws, regulations or network rules or interpretations thereof impacting Global Payments or Heartland.

Additional important factors, among others, not directly associated with the mergers but that may otherwise cause actual events or results to differ materially from those anticipated by forward-looking statements or historical performance include, with respect to both Global Payments and Heartland, the potential failure to safeguard data; increased competition from nontraditional competitors; the ability to update products and services in a timely manner; potential systems interruptions or failures; software defects or undetected errors; the ability to maintain American Express, Discover, Visa, MasterCard and other registration and financial institution sponsorship; reliance on financial institutions to provide clearing services in connection with settlement activities; potential failure to comply with card network requirements; increased merchant, referral partner or, with respect to Global Payments, ISO attrition; the ability to increase each company's share of existing markets and expand into new markets; unanticipated increases in chargeback liability; increases in credit card network fees; changes in laws, regulations or network rules or interpretations thereof; foreign currency exchange and interest rate risks; political, economic and regulatory changes in the foreign countries in which the companies operate; future performance, integration and conversion of acquired operations (including Heartland, with respect to Global Payments); loss of key personnel; and other risk factors presented in Global Payments' Annual Report on Form 10-K for the fiscal year ended May 31, 2015 and Heartland's Annual Report on Form 10-K for the year ended December 31, 2015, and each of Global Payments' and Heartland's subsequently filed Quarterly Reports on Form 10-Q, and any amendments thereto.

Global Payments and Heartland caution that the foregoing list of factors is not exhaustive. Additional information concerning these and other risk factors is discussed under the section entitled **Risk Factors** beginning on page 29 of this proxy statement/prospectus and elsewhere in this proxy statement/prospectus and in documents incorporated herein by reference. All subsequent written and oral forward-looking statements concerning Global Payments,

Heartland, Heartland's special meeting, the mergers, any related transactions or other matters related to the companies or any person acting on their behalf are expressly qualified in their entirety by the cautionary statements above.

Table of Contents**RISK FACTORS**

*In addition to general investment risks and the other information contained in or incorporated by reference into this proxy statement/prospectus, including, but not limited to, the matters addressed under the section **Cautionary Statement Regarding Forward-Looking Statements** beginning on page 28 of this proxy statement/prospectus, you should carefully consider the following risk factors in deciding whether to vote for the adoption of the merger agreement. In addition, you should read and consider the risks associated with each of the businesses of Global Payments and Heartland because these risks will relate to the surviving company in the mergers and the shares of Global Payments common stock payable as the stock consideration in connection with the mergers. These risk factors may be found under Item 1A. **Risk Factors** in Global Payments Annual Report on Form 10-K for the fiscal year ended May 31, 2015, Heartland's Annual Report on Form 10-K for the fiscal year ended December 31, 2015, and in subsequent Annual Reports on Form 10-K and Quarterly Reports on Form 10-Q filed by Global Payments and Heartland and incorporated by reference into this document. For additional information, see the section entitled **Where You Can Find More Information** beginning on page 127 of this proxy statement/prospectus.*

Because the exchange ratio is fixed and the market price of Global Payments common stock will fluctuate, Heartland stockholders cannot be sure of the value of the per share merger consideration they will receive.

Upon the completion of the initial merger, each share of Heartland common stock issued and outstanding immediately prior to the mergers will be converted into the right to receive, subject to adjustment under limited circumstances, a combination of \$53.28 in cash, without interest, and 0.6687 of a share of Global Payments common stock, with cash paid in lieu of fractional shares of Global Payments common stock. Because the exchange ratio of 0.6687 of a share of Global Payments common stock is fixed (subject to adjustment under limited circumstances if the number of shares of Global Payments common stock issuable in the mergers would otherwise exceed 19.9% of the outstanding Global Payments common stock prior to the mergers), the value of the stock consideration will depend on the market price of Global Payments common stock at the time the initial merger is completed. The value of the stock consideration will vary between the date of the announcement of the merger agreement, the date that this proxy statement/prospectus was mailed to Heartland stockholders, the date of the special meeting of Heartland stockholders, the date the initial merger is completed, and thereafter. Accordingly, at the time of the special meeting of Heartland stockholders, Heartland stockholders will not know or be able to calculate the market value of the per share merger consideration they would receive upon completion of the initial merger. The share price of Global Payments common stock may fluctuate for a variety of reasons related specifically to Global Payments or generally to the market for publicly traded equity securities, and the market price of Global Payments common stock has experienced volatility in the past. Stock price changes may result from a variety of factors, including, among others, general market and economic conditions, changes in Global Payments and Heartland's respective businesses, operations and prospects and regulatory considerations. Many of these factors are beyond Global Payments and Heartland's control. There will be no adjustment to the per share merger consideration for changes in the market price of either shares of Global Payments common stock or shares of Heartland common stock, and neither company is permitted to terminate the merger agreement or resolicit the vote of Heartland stockholders solely because of changes in the market prices of either company's stock. You should obtain current market quotations for shares of Global Payments common stock and for shares of Heartland common stock.

Global Payments may fail to realize the anticipated benefits of the mergers or may be subject to additional or unanticipated transaction and acquisition-related costs, which could adversely affect Global Payments' results of operations and the value of Global Payments common stock received in the mergers.

Global Payments and Heartland have operated and, until the completion of the mergers, will continue to operate, independently. The success of the mergers will depend, in part, on Global Payments' ability to successfully integrate

Heartland's operations in a manner that produces the anticipated synergies and other benefits. The achievement of the anticipated benefits of the mergers is subject to a number of uncertainties,

Table of Contents

including whether Heartland's business can be integrated into Global Payments' business in an efficient and effective manner and the amount of transaction costs that Global Payments will incur in connection with the mergers. If the mergers are completed, there can be no assurance that (1) the anticipated benefits of the mergers, including synergies, will be fully realized in the time frame anticipated or at all; (2) the costs or difficulties related to the integration of Heartland's business and operations into Global Payments' business and operations will not be greater than expected; (3) Global Payments will be able to retain key personnel; or (4) the mergers will not cause disruption to Heartland's business and operations and relationships with financial institution sponsors, customers, merchants, employees and other partners. Further, integration efforts may divert management attention and resources. If one or more of these risks are realized or one or more of the anticipated benefits is not achieved, it could negatively affect Global Payments' operating results, cash flows, business, financial condition, operating results and prospects, and the mergers may not be accretive and may cause dilution to Global Payments' earnings per share.

The parties may not be able to successfully or timely complete the mergers, which could affect the business and operations of Global Payments or Heartland.

Risks and uncertainties related to the completion of the mergers include, among others, the occurrence of any event, change or other circumstance that could give rise to the termination of the merger agreement. Specifically, completion of the mergers is subject to the satisfaction of certain conditions set forth in the merger agreement, including the adoption of the merger agreement by the holders of a majority of the outstanding shares of Heartland common stock, the listing of shares of Global Payments common stock issuable pursuant to the merger agreement on the NYSE, the effectiveness under the Securities Act of the registration statement filed by Global Payments on Form S-4 in connection with the mergers, the absence of any applicable law which restrains, enjoins otherwise prohibits the consummation of the transactions contemplated by the merger agreement, including the mergers and, subject to certain materiality exceptions, the accuracy of the representations and warranties made by the parties and compliance by the parties with their respective obligations under the merger agreement. If any condition to the closing of the mergers is not satisfied or waived, the mergers may not be completed. In addition, satisfying the conditions to the closing of the mergers may take longer than the parties expect. There can be no assurance that any of the conditions to closing will be satisfied or waived or that other events will not intervene to delay or result in the failure to complete the mergers.

Failure to complete the mergers could negatively affect the future business and financial results of Global Payments and Heartland. Global Payments and Heartland could also be subject to litigation related to any failure to complete the mergers. If the merger agreement is terminated in certain circumstances, Heartland is required to pay Global Payments a termination fee of \$153 million. Global Payments and Heartland will be required to pay certain transaction costs and expenses related to the mergers, whether or not the mergers are completed. Additionally, under the merger agreement, Heartland is subject to certain restrictions on the conduct of its business prior to completing the mergers, which may affect its ability to execute certain of its business strategies. Further, matters relating to the mergers (including integration planning) may require substantial commitments of time and resources by Global Payments and Heartland management, which could otherwise have been devoted to other opportunities that may have been beneficial to Global Payments or Heartland as independent companies.

Further, each of Global Payments and Heartland has incurred substantial expenses in connection with the negotiation and completion of the transactions contemplated by the merger agreement, as well as the costs and expenses of filing, printing and mailing this proxy statement/prospectus and all filing and other fees paid to the SEC in connection with the mergers. If the mergers are not completed, Global Payments and Heartland will have incurred these expenses without realizing any of the expected benefits of the mergers.

The pendency of the mergers could adversely affect the respective business and operations of Global Payments and Heartland.

In connection with the pending mergers, some customers, suppliers and other entities with whom Global Payments or Heartland have a business relationship may delay or defer decisions, which could negatively impact

Table of Contents

revenues, earnings and cash flows of Global Payments or Heartland, as well as the market price of Global Payments common stock or Heartland common stock, regardless of whether the mergers are completed.

The market price of Global Payments common stock after the mergers may be affected by factors different from those affecting the price of Global Payments or Heartland common stock currently.

Upon completion of the mergers, holders of Heartland common stock will become holders of Global Payments common stock. The businesses of Global Payments and Heartland differ in certain respects and, accordingly, the results of operations and cash flows of the combined company and the market price of Global Payments common stock following the mergers may be affected by factors different from those currently affecting the independent results of operations and cash flows of Global Payments and Heartland. For a discussion of the businesses of Global Payments and Heartland and of certain factors to consider in connection with those businesses, see the documents incorporated by reference into this proxy statement/prospectus referred to in the section entitled "Where You Can Find More Information" beginning on page 127 of this proxy statement/prospectus.

The merger agreement limits Heartland's ability to pursue alternatives to the mergers and may discourage other companies from trying to acquire Heartland for greater consideration than what Global Payments has agreed to pay.

The merger agreement contains provisions that make it more difficult for Heartland to sell its business to a person other than Global Payments. These provisions include a general prohibition on Heartland soliciting any alternative acquisition proposal to the mergers. If the merger agreement is terminated in certain circumstances, Heartland is required to pay Global Payments a termination fee of \$153 million. Further, there are only limited exceptions to Heartland's agreement that the Heartland board will not withdraw or modify in a manner adverse to Global Payments the recommendation of the Heartland board in favor of the adoption of the merger agreement and to Heartland's agreement not to enter into an agreement with respect to an alternative acquisition proposal to the mergers.

Directors and officers of Heartland may have conflicts of interest that may influence them to support or approve the mergers.

Certain members of the Heartland board and certain executive officers of Heartland may have interests in the transactions contemplated by the merger agreement that may be different from, or are in addition to, the general interests of Heartland stockholders. For additional information, see the section entitled "Proposal 1: The Mergers - Interests of Certain Persons in the Mergers" beginning on page 58 of this proxy statement/prospectus.

Litigation filed against Heartland, the Heartland board, Global Payments and the Merger Subs could prevent or delay the consummation of the mergers or result in the payment of damages following the completion of the mergers.

In connection with the mergers, a purported stockholder of Heartland has filed a putative stockholder class action lawsuit against Heartland, the Heartland board, Global Payments and the Merger Subs. Among other remedies, the plaintiff seeks to enjoin the mergers. The outcome of any such litigation is uncertain. If a dismissal is not granted or a settlement is not reached, any such lawsuit could prevent or delay the completion of the mergers and result in substantial costs to Heartland and Global Payments, including any costs associated with indemnification. Additional lawsuits may be filed against Heartland, Global Payments, the Merger Subs or the directors and officers of either Heartland or Global Payments in connection with the mergers. The defense or settlement of any such lawsuit or claim that remains unresolved at the time the mergers are consummated could negatively affect Global Payments' operating results and cash flows. See the section entitled "Proposal 1: The Mergers - Litigation Relating to the Mergers" beginning

on page 67 of this proxy statement/prospectus.

Table of Contents

Global Payments will take on additional indebtedness to finance the mergers, which could adversely affect Global Payments, including by decreasing its business flexibility.

In connection with the consummation of the mergers, Global Payments intends to increase its indebtedness. Global Payments has entered into an amended credit facility providing for approximately \$4.78 billion of financing to fund the cash consideration for the mergers, repay certain of Heartland's indebtedness and pay related fees and expenses, subject in each case to the conditions set forth in the amended credit facility. Global Payments' increased level of debt and the covenants to which Global Payments will agree in connection with the debt financing could have negative consequences on Global Payments, including, among other things, (1) requiring Global Payments to dedicate a larger portion of its cash flow from operations to servicing and repayment of the debt, (2) reducing funds available for strategic initiatives and opportunities, working capital and other general corporate needs and (3) limiting Global Payments' ability to incur certain kinds or amounts of additional indebtedness, which could restrict its flexibility to react to changes in its business, its industry and economic conditions.

Heartland stockholders will have different rights with respect to their stockholdings following the mergers.

Upon consummation of the mergers, Heartland stockholders, who presently hold stock in a public Delaware corporation, will become shareholders of Global Payments, a public Georgia corporation, and their rights as stockholders will be governed by the Global Payments charter, the Global Payments bylaws and Georgia law. There are material differences between the rights of stockholders of a Delaware corporation and the rights of stockholders of a Georgia corporation and between the rights of Heartland stockholders under the Heartland charter and the Heartland bylaws and the rights of Global Payments shareholders under the Global Payments charter and the Global Payments bylaws. For additional information, see the section entitled "Comparison of Rights of Stockholders" beginning on page 110 of this proxy statement/prospectus.

After the completion of the mergers, shares of Heartland common stock will represent a significantly lower ownership and voting interest in Global Payments than they currently represent in Heartland and ownership thereof will exercise less influence over management.

Based on the number of issued and outstanding shares of Global Payments common stock and Heartland common stock as of March 4, 2016, and based on the exchange ratio of 0.6687, former holders of shares of Heartland common stock as of immediately prior to the closing of the mergers are expected to hold, in the aggregate, approximately 17% of the issued and outstanding shares of Global Payments common stock immediately following the closing of the mergers. Consequently, former Heartland stockholders will have less influence over the management and policies of Global Payments after the completion of the mergers than they currently have over the management and policies of Heartland.

The unaudited pro forma condensed combined financial information for Global Payments and Heartland included in this proxy statement/prospectus are preliminary, and Global Payments' actual financial position and results of operations after the completion of the mergers may differ materially from the unaudited pro forma condensed combined financial information included in this proxy statement/prospectus.

The unaudited pro forma condensed combined financial information for both Global Payments and Heartland in this proxy statement/prospectus are presented for illustrative purposes only and are not necessarily indicative of what Global Payments' actual financial position or operations would have been had the mergers been completed on the dates indicated in such unaudited pro forma condensed combined financial information. For additional information, see the section entitled "Unaudited Pro Forma Condensed Combined Financial Information" beginning on page 92 of this proxy statement/prospectus.

Table of Contents

Issuance of shares of Global Payments common stock in connection with the mergers may adversely affect the market price of Global Payments common stock.

In connection with the payment of the aggregate stock consideration, Global Payments expects to issue approximately 26 million shares of common stock to Heartland stockholders. The issuance of these new shares of Global Payments common stock will reduce the existing shareholders' ownership and voting interest in Global Payments and, as a result, Global Payments' existing shareholders will be able to exert less influence. The issuance of these new shares of Global Payments common stock may also result in fluctuations in the market price of Global Payments common stock, including a stock price decrease.

PROPOSAL 1: THE MERGERS

*The following is a discussion of the proposed mergers and the merger agreement. This is a summary only and may not contain all of the information that is important to you. A copy of the merger agreement is attached to this proxy statement/prospectus as **Annex A** and is incorporated by reference herein. Heartland stockholders are urged to read this entire proxy statement/prospectus, including the merger agreement, for a more complete understanding of the mergers.*

The Mergers; Merger Consideration

Pursuant to the terms and subject to the conditions set forth in the merger agreement, Global Payments will acquire Heartland by way of two mergers. First, Merger Sub One will merge with and into Heartland, with Heartland continuing as a wholly owned subsidiary of Global Payments. Second, Heartland will merge with and into Merger Sub Two immediately following the initial merger, with Merger Sub Two surviving the second merger as a wholly owned subsidiary of Global Payments.

Upon completion of the initial merger, subject to the terms and conditions of the merger agreement, each share of Heartland common stock issued and outstanding, other than shares owned by (1) Global Payments, the Merger Subs or Heartland (which will be cancelled), (2) stockholders who have properly exercised and perfected appraisal rights under Delaware law (as described below in the section entitled **Appraisal Rights** beginning on page 88 of this proxy statement/prospectus), or (3) any direct or indirect wholly owned subsidiary of Heartland (which will remain outstanding), will be converted into the right to receive, subject to adjustment under limited circumstances described in the paragraph below, \$53.28 in cash, without interest, and 0.6687 of a share of Global Payments common stock. Other than the possible adjustment described in the paragraph below, the exchange ratio of 0.6687 of a share of Global Payments common stock is fixed, which means that it will not change between now and the effective time, including as a result of a change in the trading price of Global Payments common stock or Heartland common stock. Therefore, the value of the shares of Global Payments common stock received by Heartland stockholders in the mergers will depend on the market price of Global Payments common stock at the time the mergers are completed.

The per share merger consideration will be equitably adjusted if between the signing of the merger agreement and the effective time of the mergers, the outstanding Global Payments common stock or Heartland common stock is changed into a different number of shares or different class of shares by reasons of any stock dividend, subdivision, reorganization, reclassification, recapitalization, stock split, reverse stock split, combination or exchange of shares or any similar event, such that the holders of Heartland common stock will be provided with the same economic effect as contemplated by the merger agreement. In addition, the exchange ratio will be adjusted if the exchange ratio would otherwise result in Global Payments issuing in excess of 19.9% of its common stock outstanding immediately prior to the effective time as a result of the mergers. In such circumstance, the exchange ratio will be reduced to the minimum extent necessary so that the number of shares of Global Payments common stock issued or issuable as a result of the mergers will equal 19.9% of its common stock outstanding immediately prior to the effective time and the cash consideration will be increased by an equivalent value (based on the volume weighted average trading price of Global Payments common stock on the NYSE for the five consecutive trading days ending on the trading day immediately preceding the closing date of the mergers).

As of the signing of the merger agreement, the number of shares of Global Payments common stock expected to be issued in the mergers constituted less than 19.9% of the outstanding shares of Global Payments common stock, and Global Payments and Heartland currently do not anticipate that any adjustment to the exchange ratio will be required. A vote by Heartland stockholders for the adoption of the merger agreement constitutes approval of the mergers whether or not the exchange ratio is adjusted as described above.

Background of the Mergers

The Heartland board of directors has regularly reviewed and discussed Heartland's business strategy, performance and prospects in the context of developments in the payments industry and the competitive

Table of Contents

landscape. Among other things, these discussions have included possible strategic alternatives which might be available to Heartland, such as potential acquisitions or business combinations involving potential strategic partners. These strategic discussions have in the past led to acquisitions by Heartland to diversify its business and enhance its product offerings, including Heartland's acquisition of TouchNet Information Systems, Inc. in 2014. In addition, Heartland has periodically discussed with other industry participants possible business combinations, none of which resulted in an actionable proposal. Heartland management and the Heartland board of directors decided to proceed with a potential transaction with Global Payments for various reasons, as discussed in the section entitled "Heartland's Reasons for the Mergers" beginning on page 44 of this proxy statement/prospectus.

The management and board of directors of Global Payments continually review Global Payments' results of operations as well as strategic alternatives to create and maximize value for Global Payments' shareholders. Part of this regular evaluation includes the exploration of potential strategic acquisitions. Over the past several years, Global Payments has, organically and through acquisition, focused on expanding direct distribution of its services, both domestically and internationally, as well as enabling technology related services for its customers. Global Payments' recent acquisitions of Accelerated Payment Technologies, Payment Processing, Ezidebit, and Realex, among others, have evidenced this focus. In 2015, management continued its exploration of potential acquisitions, including Heartland. As a sizeable company in the payment services industry whose payment services are almost exclusively distributed on a direct basis, including significant technology-led distribution capabilities, the potential acquisition of Heartland was consistent with Global Payments' focused approach.

In October 2015, after discussion with William I Jacobs, chairman of the Global Payments board of directors, Jeffrey S. Sloan, chief executive officer of Global Payments, reached out to Heartland's chairman and chief executive officer, Robert O. Carr, to request a meeting for the purposes of discussing among other matters, a potential combination of Global Payments and Heartland. Mr. Carr and Mr. Sloan agreed to meet at a future date to have preliminary discussions concerning such a strategic combination and its possible merits.

In early November 2015, Mr. Sloan and Mr. Carr met in person to discuss their respective views on the current trends in the payment technology services industry and the merits of a strategic combination of Heartland and Global Payments. Mr. Carr and Mr. Sloan spoke shortly thereafter by telephone, during which conversation each agreed they would discuss the possibility of a combination of Global Payments and Heartland with their respective boards of directors.

On November 10, 2015, the Heartland board of directors held a regularly scheduled in person meeting, which was also attended by Heartland management, Heartland's financial advisors, FT Partners, which we refer to as FT, and Greenhill, and Heartland's outside legal counsel, which we refer to as Wachtell Lipton. At this meeting, Mr. Carr informed the Heartland board of directors of the discussions which had taken place regarding a potential combination of Global Payments and Heartland, and received authorization to continue such discussions.

On November 18, 2015, the members of the Global Payments board of directors attended a dinner with members of the Global Payments management team, including David E. Mangum, president and chief operating officer, Cameron M. Bready, executive vice president and chief financial officer, and David L. Green, executive vice president, general counsel and corporate secretary. At the dinner, the members of the Global Payments board and management team discussed the potential combination with Heartland and determined that Mr. Sloan should communicate to Mr. Carr that Global Payments wished to continue discussions to determine whether the parties could agree on the terms of a potential transaction. Mr. Sloan and Mr. Carr spoke the next day and confirmed their respective interest in the continuation of discussions between the parties.

On November 19, 2015, Global Payments and Heartland entered into a mutual confidentiality and standstill agreement. Over the next several weeks, the parties conducted mutual due diligence investigations, including meetings between members of Heartland's and Global Payments' respective management teams and the parties' external advisors.

Table of Contents

On November 20, 2015, Messrs. Sloan, Mangum and Bready met in person with Mr. Carr and other members of Heartland's senior management team so that the Global Payments management team could conduct preliminary high level business due diligence on Heartland. Mr. Carr, Samir Zabaneh, Heartland's chief financial officer, and other members of the Heartland senior management team delivered a management presentation to Messrs. Sloan, Mangum and Bready.

On November 24, 2015, the Global Payments board of directors held a telephonic meeting at which they authorized Mr. Sloan to submit a proposal for Global Payments to acquire Heartland. The Global Payments board of directors authorized management to proceed with an offer to acquire Heartland for \$97.50 per share, consisting of a mixture of cash and stock. The Global Payments board believed that such a mixture of consideration would be beneficial to Global Payments shareholders who would benefit from the accretion from the acquisition while providing the combined entity with an acceptable level of leverage. The Global Payments board also believed that such mixture of consideration would allow Heartland stockholders to participate in the future growth and opportunities of the combined company. Later that day, Mr. Sloan sent a letter to Mr. Carr proposing, on a preliminary, non-binding basis, the acquisition of Heartland for \$97.50 per share, with the consideration to consist of a mix of Global Payments common stock (valued at a fixed exchange ratio) and cash. After sending the letter, Mr. Sloan called Mr. Carr to confirm receipt of the letter, during which call Mr. Carr reported to Mr. Sloan that Mr. Carr would discuss the proposal with the Heartland board of directors.

After receiving the letter, Mr. Carr contacted members of the Heartland board to discuss Heartland's response to Global Payments. Following discussion, it was agreed that Heartland should inform Global Payments that Heartland was willing to continue to evaluate and negotiate the potential transaction and proceed with consideration consisting of a mixture of cash and Global Payments common stock (as proposed in Mr. Sloan's letter), but that the Heartland board believed that it would only support a transaction at a value of at least \$100 per share of Heartland common stock.

Mr. Carr subsequently called Mr. Sloan to discuss the terms of the November 24th proposal. Mr. Carr informed Mr. Sloan that the Heartland board of directors had authorized him to proceed with discussions based on the terms proposed by Global Payments, subject to negotiation and agreement on key terms including price and contract provisions, and that members of the Heartland board were interested in a \$100 per share price. Mr. Sloan indicated that Global Payments would potentially reconsider its proposed price following the completion of Global Payments due diligence investigation of Heartland.

During this time, Heartland and Global Payments each provided the other party and its advisors with access to due diligence materials. Also in late November, Global Payments engaged Simpson Thacher & Bartlett LLP, which we refer to as Simpson Thacher, to act as its legal advisor in connection with Global Payments' discussions with Heartland concerning the potential acquisition.

In late November and early December, senior management of Heartland and Global Payments continued to negotiate the parameters of a transaction. In addition, in early December Simpson Thacher delivered a draft merger agreement to Wachtell Lipton, which included, among other things, the payment of a termination fee to Global Payments equal to \$170 million if, among other things, Global Payments were to terminate the merger agreement in response to Heartland's board of directors changing its recommendation or if Heartland entered into an alternative acquisition proposal after a termination of the merger agreement in certain circumstances, and the reimbursement of up to \$25 million of Global Payment's expenses in the event the merger agreement were to be terminated as a result of the failure of Heartland to obtain stockholder approval, which we refer to as a no vote expense reimbursement fee. The draft agreement also included a marketing period for the proposed debt financing. The parties and their counsel subsequently had regular discussions on the terms of the draft merger agreement.

On December 3, 2015, the Heartland board of directors held a telephonic special meeting, which was also attended by Heartland management and representatives of Greenhill, FT and Wachtell Lipton. At this meeting, Mr. Carr and Mr. Zabaneh provided the board an update on the status of discussions with Global Payments, including the progress of mutual due diligence. The Heartland board of directors authorized Heartland management to continue their discussions with Global Payments regarding a potential transaction.

Table of Contents

Throughout the period of discussions, Global Payments continued its due diligence investigation of Heartland, including in person meetings and presentations by subject matter experts, including on information technology, operations, finance, sales and product matters. Also during this time Heartland conducted reverse due diligence investigations on Global Payments, including in person meetings and review of materials. Global Payments and Heartland also discussed financing plans for the potential transaction.

On December 10, 2015, multiple news organizations publicly reported that Global Payments and Heartland were engaged in discussions regarding the potential acquisition of Heartland by Global Payments. No specific price or other terms were reported. The reports included speculation that a deal was targeted for announcement as early as during the month of December. Following the news reports on December 10th, the parties determined to accelerate discussions, subject to approval by each of their respective boards of directors.

On December 13, 2015, the Heartland board of directors held a telephonic special meeting, which was also attended by Heartland management, representatives of Greenhill, FT and Wachtell Lipton. Mr. Carr, Mr. Zabaneh and other members of the Heartland senior management team updated the Heartland board of directors on the status of the proposed mergers, and reviewed the strategic rationale and the anticipated benefits of the proposed mergers. Representatives of Heartland's management and advisors discussed the results of the due diligence conducted on Global Payments and of the reaction to the news reports of a potential transaction, including equity analyst commentary and stock market price reaction. Each of Greenhill and FT reviewed financial aspects of the proposed mergers, including a preliminary discussion of various financial methodologies expected to be utilized in its analysis. Representatives of Wachtell Lipton discussed the terms of the merger agreement with the board and further advised the board of directors on its fiduciary duties. Following these discussions, the board authorized management to continue discussions and negotiations with Global Payments.

Also on December 13, 2015, the Global Payments board held a telephonic meeting with members of management present. At the meeting, management updated the board on the current status of negotiations between Global Payments and Heartland, including the progress of the third party debt financing for the contemplated acquisition, an update on the public rumors of the potential transaction and a summary of the results of Global Payments' due diligence review of Heartland. With respect to the third party debt financing, Mr. Bready described to the Global Payments board that it was contemplated that the financing would be comprised of a new term loan and draws on Global Payments' existing revolving credit facility, which would be amended to accommodate the transaction. Mr. Bready also summarized for the Global Payments board the anticipated leverage profile of the combined entity as well as its ability to de-lever over time after the closing. Mr. Green reviewed with the board a summary of the terms of the draft merger agreement, which included the parties' agreement on a break-up fee equal to \$153 million. The Global Payments board then authorized management to continue negotiations and discussions with Heartland with respect to a potential transaction.

On December 14, 2015 Global Payments and Heartland continued to negotiate the terms of the merger agreement, including with respect to price, the circumstances upon which a break-up fee would be payable by Heartland and the terms of the marketing period and covenants relating to financing. Global Payments agreed that it would not receive a no vote expense reimbursement fee.

On December 15, 2015, Global Payments and Heartland negotiated the final terms of the merger agreement and Global Payments agreed to increase its offer price to \$100 per share, comprised of 0.6687 of a share of Global Payments common stock and \$53.28 in cash. Global Payments also finalized the negotiations concerning its committed financing for the transaction.

Also on December 15, 2015, the Heartland board of directors held a meeting to consider the terms of the proposed transaction with Global Payments. Members of Heartland's management team and representatives from Greenhill, FT and Wachtell Lipton were also in attendance. At the meeting, members of Heartland's management updated the Heartland board of directors on the status of the proposed mergers, and reviewed the strategic rationale and the anticipated benefits of the proposed mergers. Representatives of Heartland's management and

Table of Contents

advisors updated the Heartland board on the results of the due diligence conducted on Global Payments. Greenhill reviewed its analysis of the per share merger consideration and rendered an oral opinion, confirmed by delivery of a written opinion dated December 15, 2015, to the Heartland board to the effect that, as of that date and subject to the assumptions made, procedures followed, factors considered and limitations and qualifications on the review undertaken by Greenhill as set forth in such opinion, the per share merger consideration to be received in the initial merger pursuant to the merger agreement by the holders of Heartland common stock (other than excluded holders) was fair, from a financial point of view, to such holders of Heartland common stock, as more fully described under the section entitled **Opinion of Greenhill & Co., LLC** beginning on page 49 of this proxy statement/prospectus. Representatives of Wachtell Lipton discussed the terms of the merger agreement with the board and further advised the board of directors on its fiduciary duties. After considering the proposed terms of the mergers with Heartland's management and advisors, and taking into consideration the matters discussed during that meeting and prior meetings of the Heartland board, including the strategic alternatives discussed at those meetings and the factors described under the sections entitled **Heartland's Reasons for the Mergers** and **Recommendation of the Heartland Board** beginning on pages 44 and 46, respectively, of this proxy statement/prospectus, the Heartland board of directors unanimously determined the mergers, the merger agreement and the other transactions contemplated by the proposed merger agreement, to be in the best interests of Heartland and its stockholders, and the directors unanimously approved and adopted the proposed merger agreement and the transactions contemplated by it, including the mergers, and determined to recommend that Heartland stockholders approve and adopt the merger agreement.

Also on December 15, 2015, the Global Payments board held a telephonic meeting with members of management and representatives of its financial advisor and Simpson Thacher present. The Global Payments board reviewed and discussed the final terms of the merger agreement and proposed acquisition of Heartland together with management and their outside legal and financial advisors. Mr. Bready also reviewed with the Global Payments board the status of the proposed debt financing. After discussion, the board approved the execution, delivery and performance of the merger agreement and related documents, including the financing for the transaction, and the consummation of the mergers and the other transactions contemplated by the merger agreement, and declared advisable the entry into the merger agreement.

Shortly after the close of market on December 15, 2015, Global Payments and Heartland issued a joint press release announcing the transaction, which press release also announced Global Payments' third quarter 2015 financial results.

Heartland's Reasons for the Mergers

In reaching its decision to adopt and approve the merger agreement, the mergers and the other transactions contemplated by the merger agreement, and to recommend that its stockholders approve the merger agreement, the Heartland board evaluated the mergers in consultation with Heartland management, as well as Heartland's financial and legal advisors, and considered a number of factors, including the following material factors:

the implied value of the per share merger consideration and the fact that it represented a 21% premium to the closing price of Heartland common stock on December 14, 2015, the last trading day prior to the meeting of the Heartland board to approve the merger agreement, and a 29% premium to the closing price of Heartland common stock on December 9, 2015, the last full trading day before the publication of news reports relating to a potential acquisition of Heartland by Global Payments, in each case based on the closing price of Global Payments common stock on December 14, 2015;

the fact that the cash consideration offers Heartland stockholders the opportunity to realize cash for the value of their shares with immediate certainty of value;

the fact that the stock consideration offers Heartland stockholders the opportunity to participate in the future growth and opportunities of the combined company, and the intended tax treatment of the mergers as a reorganization for U.S. federal income tax purposes, as further described under the

Table of Contents

section entitled "Material United States Federal Income Tax Consequences of the Mergers" beginning on page 119 of this proxy statement/prospectus (although the treatment as a reorganization is not a condition to the closing of the mergers);

the financial presentation and opinion, dated December 15, 2015, of Greenhill to the Heartland board as to the fairness, from a financial point of view and as of such date, of the per share merger consideration to be received in the initial merger pursuant to the merger agreement by the holders of Heartland common stock (other than excluded holders), which opinion was based on and subject to the assumptions made, procedures followed, factors considered and limitations and qualifications on the review undertaken, as more fully described under the section entitled "Opinion of Greenhill & Co., LLC" beginning on page 49 of this proxy statement/prospectus;

the strategic benefits of the mergers and the synergies expected to be achieved by the combined company upon completion of the mergers, and the potential for Heartland stockholders, as future shareholders of Global Payments, to benefit through their interest in the combined company from the synergies of the mergers and the anticipated pro forma impact of the mergers, and the expectation that the mergers will be accretive to Global Payments' financial results in fiscal year 2017;

the expectation that the mergers will result in a combined company, with an enhanced merchant base and vertical reach, that is a leading global provider of integrated payments technology solutions with the ability to cross-sell Heartland's integrated point of sale, payroll, loyalty and gift solutions into Global Payments' core markets;

the Heartland board's familiarity with and understanding of Heartland's business, results of operations, financial and market position and expectations concerning Heartland's future earnings and prospects;

information and discussions regarding Global Payments' business, results of operations, financial and market position and future earnings and prospects and its due diligence investigation;

the historical performance of each of Heartland common stock and Global Payments common stock;

the Heartland board's evaluation, with the assistance of Heartland's management and advisors, of strategic alternatives which might be available to Heartland for enhancing long-term value and the potential risks, rewards and uncertainties associated with such alternatives, and the Heartland board's belief that the mergers are the best option available to Heartland and its stockholders;

the expectation that the regulatory approvals required to consummate the mergers are reasonably likely to be obtained without the imposition of unacceptable conditions;

the course of negotiations of the merger agreement, the fiduciary duties of the Heartland board in negotiating and entering into the merger agreement, and the terms and conditions of the merger agreement, all of which it reviewed with its outside legal advisor, including, among other things, Heartland's ability to take certain actions in response to an unsolicited bona fide written acquisition proposal under specific circumstances, the conditions to closing of the mergers, the possibility that Heartland would be required to pay a termination fee to Global Payments under certain circumstances, the fact that Heartland stockholders will have an opportunity to vote on the mergers and that their approval is a condition to completion of the mergers, and the terms of the merger agreement that restrict Heartland's ability to solicit alternative transactions, and the provisions of the merger agreement generally requiring Heartland to conduct its business in the ordinary course and the other restrictions on the conduct of Heartland's business prior to completion of the mergers;

the risk that the mergers may not be consummated or that the closing may be unduly delayed, including as a result of factors outside the control of Heartland and Global Payments;

the risk that the value of the stock consideration could decrease prior to the consummation of the mergers, due to the fact that the exchange ratio is fixed;

Table of Contents

the risk that Heartland management attention and resources will be diverted from the operation of Heartland's business during the pendency of the mergers, and the possibility of employee losses or adverse effects on Heartland's business relationships as a result of the announcement and pendency of the mergers;

the potential risks and costs associated with successfully integrating Heartland's business, operations and employees with those of Global Payments, including the risk of not realizing all of the anticipated benefits of the mergers or not realizing them in the expected timeframe; and

the other risks described under the sections entitled "Risk Factors" and "Cautionary Statement Regarding Forward-Looking Statements" beginning on pages 29 and 28, respectively, of this proxy statement/prospectus.

In considering the recommendation of the Heartland board, you should be aware that certain directors and executive officers of Heartland may have interests in the mergers that are different from, or in addition to, interests of Heartland stockholders generally and may create potential conflicts of interest. The Heartland board was aware of these interests and considered them when evaluating and negotiating the merger agreement, the mergers and the other transactions contemplated by the merger agreement, and in recommending to Heartland stockholders that they vote in favor of the merger proposal. For additional information, see the section entitled "Interests of Certain Persons in the Mergers" beginning on page 58 of this proxy statement/prospectus.

This discussion of the information and factors considered by the Heartland board includes the material factors considered by the Heartland board, but is not intended to be exhaustive and may not include all the factors considered by the Heartland board. In view of the wide variety of factors considered, and the complexity of these matters, the Heartland board did not quantify or assign any relative or specific weights to the various factors that it considered in reaching its determination to adopt and approve the merger agreement, the mergers and the other transactions contemplated by the merger agreement. Rather, the Heartland board viewed its position and recommendation as being based on the totality of the information presented to and factors considered by it, including discussions with Heartland's management and financial and legal advisors. In addition, individual members of the Heartland board may have given differing weights to different factors. It should be noted that this explanation of the reasoning of the Heartland board and certain information presented in this section is forward-looking in nature and, therefore, that information should be read in light of the factors discussed in the section entitled "Cautionary Statement Regarding Forward-Looking Statements" beginning on page 28 of this proxy statement/prospectus.

For the reasons set forth above, the Heartland board of directors unanimously recommends that Heartland stockholders vote FOR the merger proposal.

Recommendation of the Heartland Board

Heartland's board of directors has unanimously approved the merger agreement and the transactions contemplated thereby, including the mergers, has determined that the merger agreement and the transactions contemplated thereby, including the mergers, are fair to and in the best interests of Heartland's stockholders, and unanimously recommends that Heartland stockholders vote FOR the merger proposal, FOR the compensation proposal, and FOR the adjournment proposal.

Heartland Projections

Heartland does not as a matter of course make public long-term projections as to future sales, revenues, earnings, or other results due to, among other reasons, the uncertainty of the underlying assumptions and estimates. However, the management of Heartland has prepared and is including in this proxy statement/prospectus the prospective financial information set forth below to provide its stockholders access to previously non-public unaudited prospective financial information that was made available to Global Payments. The accompanying unaudited prospective financial information was not prepared with a view toward public disclosure or with a view toward complying with the published rules or guidelines of the SEC, or the guidelines established by the American Institute of Certified Public Accountants with respect to prospective financial information. In the view of Heartland's management, the accompanying unaudited prospective financial information (at the time it was prepared) was prepared on a reasonable basis, reflected the best currently available estimates and judgments at the time it was prepared, and presented, to the best of Heartland's management's knowledge and belief, the expected course of action and the expected future financial performance of Heartland on a standalone basis and not considering the impact of the mergers. The unaudited prospective financial information does not take into account any circumstances or events occurring after the date it was prepared. The inclusion of the unaudited prospective financial information should not be regarded as an indication that any of Heartland, its financial advisors, Global Payments or any other recipient of this information considered, or now considers, it to be necessarily predictive of actual future results. Global Payments does not as a matter of course make public long-term projections as to future revenues, earnings, or other results due to, among other reasons, the uncertainty of the underlying assumptions and estimates. However, the management of Global Payments has prepared and is including in this proxy statement/prospectus the prospective financial information set forth below to provide Heartland stockholders access to previously non-public unaudited prospective financial information that was made available to Heartland and its financial advisors. Unaudited prospective financial information was also made available to the Global Payments board of directors and Global Payments financial advisor in connection with the mergers. The accompanying unaudited prospective financial information was not prepared with a view toward public disclosure or with a view toward complying with the published rules or guidelines of the SEC, or the guidelines established by the American Institute of Certified Public Accountants with respect to prospective financial information. In the view of Global Payments management, the accompanying unaudited prospective financial information (at the time it was prepared) was prepared on a reasonable basis, reflected the best currently available estimates and judgments at the time it was prepared, and presented, to the best of Global Payments management's knowledge and belief, the expected course of action and the expected future financial performance of Global Payments on a standalone basis and not considering the impact of the mergers. However, this information is not fact and should not be relied upon as being indicative of future results, and readers of this proxy statement/prospectus are cautioned not to place undue reliance on the unaudited prospective financial information. The unaudited prospective financial information does not take into account any circumstances or events occurring after the date it was prepared. The inclusion of the unaudited prospective financial information should not be regarded as an indication that any of Global Payments, Heartland, their respective financial advisors or any other recipient of this information considered, or now considers, it to be necessarily predictive of actual future results. None of Heartland, Global Payments, or their respective affiliates, advisors, or other representatives assumes any responsibility for the ultimate performance of Global Payments relative to this information.

Neither Global Payments independent auditors, nor any other independent accountants, have compiled, examined, or performed any procedures with respect to the unaudited prospective financial information contained herein, nor have they expressed any opinion or any other form of assurance on such information or its achievability, and they assume no responsibility for, and disclaim any association with, the unaudited prospective financial information.

The unaudited prospective financial information was, in general, prepared solely for internal use and is subjective in many respects. As a result, there can be no assurance that the prospective results will be realized or that actual results will not be significantly higher or lower than estimated. Since the unaudited prospective financial information covers multiple years, such information by its nature becomes less predictive with each successive year. Stockholders are urged to review Global Payments SEC filings for a description of risk factors with respect to Global Payments business. Opinion of Greenhill & Co., LLC

Heartland has retained Greenhill as its financial advisor in connection with the mergers. Greenhill is an internationally recognized investment banking firm regularly engaged in providing financial advisory services in connection with mergers and acquisitions. Heartland selected Greenhill as its financial advisor in connection with the mergers on the basis of Greenhill's experience in similar transactions, its reputation in the investment community and its familiarity with Heartland and its business.

As part of Greenhill's engagement, the Heartland board requested that Greenhill evaluate the fairness, from a financial point of view, of the per share merger consideration to be received in the initial merger pursuant to the merger agreement by the holders of Heartland common stock (other than excluded holders). At the December 15, 2015 meeting of the Heartland board held to evaluate the mergers, Greenhill rendered an oral opinion, confirmed by delivery of a written opinion dated December 15, 2015, to the Heartland board to the effect that, as of such date and based on and subject to various assumptions made, procedures followed, factors considered and limitations and qualifications on the review undertaken by Greenhill in rendering its opinion, the per share merger consideration to be received in the initial merger pursuant to the merger agreement by the holders of Heartland common stock (other than excluded holders) was fair, from a financial point of view, to such holders.

The full text of Greenhill's written opinion, dated December 15, 2015, is attached as Annex B to this proxy statement/prospectus and is incorporated in this document by reference. The written opinion sets forth, among other things, the assumptions made, procedures followed, factors considered and limitations and qualifications on the review undertaken by Greenhill in rendering its opinion. The following summary of Greenhill's opinion is qualified in its entirety by reference to the full text of the opinion. **Greenhill delivered its opinion to the Heartland board for the information of the Heartland board (in its capacity as such) in connection with and for purposes of its evaluation of the per share merger consideration from a financial point of view and did not express any opinion as to any other term, aspect or implication of the mergers (other than the fairness, from a financial point of view, of the per share merger consideration to be received in the initial merger pursuant to the merger agreement by the holders of Heartland common stock (other than excluded holders)). Greenhill was not requested to opine as to, and its opinion did not in any manner address, the underlying business decision to proceed with or effect the mergers. Greenhill's opinion is not and did not constitute a recommendation to the members of the Heartland board as to whether to approve the mergers or the merger agreement, or as to how any stockholder should vote or act in connection with the mergers.**

In connection with its opinion, Greenhill, among other things:

reviewed an execution copy of the merger agreement as provided to Greenhill on December 15, 2015;

reviewed certain publicly available financial statements of each of Heartland and Global Payments that Greenhill deemed relevant;

reviewed certain other publicly available business, operating and financial information relating to each of Heartland and Global Payments that Greenhill deemed relevant;

refer to as the Heartland Forecasts), and reviewed certain information prepared by the management of Global Payments, including financial projections and other financial and operating data concerning Global Payments (which such projections and other data we refer to as the Global Payments Forecasts);

discussed the past and present operations and financial condition and the prospects of Heartland and Global Payments with the respective senior executives of Heartland and Global Payments;

reviewed the historical market prices and trading activity for Heartland common stock and Global Payments common stock and analyzed their respective implied valuation multiples;

analyzed the valuation derived by discounting future cash flows and a terminal value of each of Heartland and Global Payments at discount rates Greenhill deemed appropriate;

participated in discussions and negotiations among representatives of Heartland and its legal advisors and representatives of Global Payments and its legal and financial advisors; and

performed such other analyses and considered such other factors as Greenhill deemed appropriate. Greenhill assumed and relied upon, without independent verification, the accuracy and completeness of the information publicly available, supplied or otherwise made available to Greenhill by representatives and managements of Heartland and Global Payments for the purposes of its opinion and further relied upon the assurances of the representatives and managements of Heartland and Global Payments that they were not aware of any facts or circumstances that would make such information inaccurate, incomplete or misleading. With respect to the Heartland Forecasts that were furnished or otherwise provided to Greenhill and that Greenhill was directed to utilize in its analyses, Greenhill assumed that the Heartland Forecasts were reasonably prepared on a basis reflecting the best currently available estimates and good faith judgments of Heartland's management as to the matters reflected therein, and Greenhill relied upon the Heartland Forecasts in arriving at its opinion. With respect to the Global Payments Forecasts that were furnished or otherwise provided to Greenhill and that Greenhill was directed to utilize in its analyses, Greenhill assumed that the Global Payments Forecasts were reasonably prepared on a basis reflecting the best currently available estimates and good faith judgments of the management of Global Payments as to the matters reflected therein, and Greenhill relied upon the Global Payments Forecasts in arriving at its opinion. Greenhill expressed no opinion with respect to the Heartland Forecasts, the Global Payments Forecasts or the assumptions upon which they were based. Greenhill relied upon the assessments of the managements of Heartland and Global Payments as to, among other things, (1) the potential impact on Heartland and Global Payments of market, cyclical and other trends in and prospects for, and governmental, regulatory and legislative matters relating to or otherwise affecting, the payment processing industry, (2) the products, technology and intellectual property of Heartland and Global Payments

and associated risks, (3) existing and future contracts and relationships, agreements and arrangements with, and the ability of Heartland and Global Payments to attract, retain and/or replace, key employees, bank sponsors, clearing services providers and other commercial relationships of Heartland and Global Payments and (4) the ability to integrate the businesses and operations of Heartland and Global Payments. Greenhill assumed that there would be no developments with respect to any such matters that would have an adverse effect on Heartland, Global Payments, the mergers or the contemplated benefits of the mergers that would be meaningful in any respect to Greenhill's analyses or opinion.

Greenhill did not make any independent evaluation or appraisal of the assets or liabilities (contingent, accrued, off-balance sheet or otherwise) of Heartland, Global Payments or any other entity, nor was Greenhill furnished with any such appraisals. Greenhill assumed that the mergers would be consummated in accordance with the terms set forth in the final, executed merger agreement, which Greenhill further assumed would be

identical in all material respects to the execution copy thereof that Greenhill reviewed, without waiver, modification or amendment of any material terms or conditions set forth in the merger agreement, and that the mergers would be consummated in accordance with all applicable laws. Greenhill also assumed that all material governmental, regulatory and other consents and approvals necessary for the consummation of the mergers would be obtained without any effect on Heartland, Global Payments, the mergers or the contemplated benefits of the mergers in any respect meaningful to its analyses or opinion. Greenhill did not express any opinion as to the prices at which shares of Heartland common stock, Global Payments common stock or any other securities of Heartland or Global Payments would trade or otherwise be transferable at any time. Greenhill's opinion was necessarily based on financial, economic, market and other conditions as in effect on, and the information made available to Greenhill as of, the date of its opinion. It should be understood that subsequent developments may affect Greenhill's opinion, and that Greenhill does not have any obligation to update, revise, or reaffirm its opinion.

In connection with its engagement, Greenhill was not requested to, and it did not, solicit expressions of interest from any third parties with respect to the sale of Heartland or any other alternative transaction; however, Greenhill in the past had discussions with Heartland and, at Heartland's direction, with selected third parties regarding certain potential strategic transactions involving Heartland.

Greenhill did not express any opinion as to any terms, aspects or implications of the mergers (other than the fairness, from a financial point of view, of the per share merger consideration to be received in the initial merger pursuant to the merger agreement by the holders of Heartland common stock (other than excluded holders)), including the form or structure of the mergers, any tax consequences of the mergers or any agreement, arrangement or understanding to be entered into in connection with the mergers or otherwise. Greenhill expressed no opinion with respect to the amount or nature of any compensation or other consideration to any officers, directors or employees of Heartland, or any class of such persons, relative to the per share merger consideration or otherwise or with respect to the fairness of any such compensation. Greenhill also expressed no opinion regarding matters that require legal, regulatory, accounting, tax or other similar professional advice and Greenhill assumed that opinions, counsel and interpretations regarding such matters were or would be obtained from appropriate professional sources. The issuance of Greenhill's opinion was approved by Greenhill's fairness opinion committee. Except as described in this summary, the Heartland board imposed no other instructions or limitations on the investigations made or procedures followed by Greenhill in rendering its opinion.

The following is a summary of the material financial analyses provided by Greenhill in connection with its opinion, dated December 15, 2015, to the Heartland board. **The financial analyses summarized below include information presented in tabular format. In order to fully understand the financial analyses performed by Greenhill, the tables must be read together with the text of each summary. The tables alone do not constitute a complete description of the financial analyses performed by Greenhill. Considering the data set forth in the tables below without considering the full narrative description of the financial analyses, including the methodologies and assumptions underlying the analyses, could create a misleading or incomplete view of the financial analyses performed by Greenhill.** For purposes of the analyses described below, the term (1) implied per share merger consideration means \$100.31 per share calculated as (a) the cash consideration of \$53.28 per share and (b) the implied value of the stock consideration of \$47.03 per share based on the 0.6687 per share exchange ratio and the closing price of Global Payments common stock of \$70.33 per share on December 14, 2015 (the last trading day prior to the meeting of the Heartland board to approve the merger agreement), and (2) (a) EBITDA means earnings before interest, taxes, depreciation and amortization, (b) adjusted EBITDA means EBITDA, plus stock-based compensation, less one-time non-recurring items, as applicable, and, in the case of Heartland, less payout of ordinary course sales force bonuses and accrued buyout liabilities and (c) cash EPS means earnings per share derived from generally accepted accounting principles in the United States plus amortization of acquisition-related intangible assets, stock-based compensation expense and other non-recurring items, as applicable.

Selected Public Companies Analysis. Greenhill reviewed publicly available financial and stock market information of Heartland and the following four selected publicly traded companies with operations in the merchant acquiring industry, which we collectively refer to as the Heartland selected companies:

First Data Corporation

Global Payments

Total System Services, Inc.

Vantiv, Inc.

Greenhill reviewed, among other things, enterprise values of the Heartland selected companies, calculated as fully-diluted equity values based on closing stock prices on December 14, 2015 plus debt and less cash and cash equivalents and minority interests, as a multiple of calendar year 2016 and calendar year 2017 estimated adjusted EBITDA. Greenhill also reviewed equity values, based on closing stock prices on December 14, 2015, as a multiple of calendar year 2016 and calendar year 2017 estimated cash EPS. Financial data of the Heartland selected companies were based on publicly available research analysts' estimates, public filings and other publicly available information and calendarized to December 31 year-end for comparative purposes and, in the case of Global Payments, the Global Payments Forecasts. Financial data of Heartland was based on the Heartland Forecasts. Mean and median multiples were calculated excluding First Data Corporation given its limited trading history and leverage level.

The overall low to high calendar year 2016 and calendar year 2017 estimated adjusted EBITDA multiples observed for the Heartland selected companies were 12.5x to 15.0x (with a mean of 13.9x and a median of 14.3x) and 11.8x to 13.7x (with a mean of 12.8x and a median of 12.9x), respectively. The overall low to high calendar year 2016 and calendar year 2017 estimated cash EPS multiples observed for the Heartland selected companies were 11.6x to 22.2x (with a mean of 20.7x and a median of 20.5x) and 9.8x to 19.7x (with a mean of 18.8x and a median of 19.5x), respectively. Greenhill noted that the calendar year 2016 and calendar year 2017 estimated adjusted EBITDA multiples observed for Heartland, based on the Heartland Forecasts, were 13.4x and 11.4x, respectively, as of December 14, 2015 and 12.7x and 10.8x, respectively, as of December 9, 2015 (which was the last trading day prior to market rumors regarding a potential transaction involving Heartland and Global Payments). Greenhill also noted that the calendar year 2016 and calendar year 2017 estimated cash EPS multiples observed for Heartland, based on the Heartland Forecasts, were 25.4x and 21.2x, respectively, as of December 14, 2015 and 23.9x and 19.9x, respectively, as of December 9, 2015.

Greenhill then applied a selected range of calendar year 2016 and calendar year 2017 estimated adjusted EBITDA multiples of 12.5x to 15.0x and 11.9x to 13.7x, respectively, and a selected range of calendar year 2016 and calendar year 2017 estimated cash EPS multiples of 19.4x to 22.2x and 17.3x to 19.7x, respectively, derived from the Heartland selected companies to corresponding data of Heartland based on the Heartland Forecasts. This analysis indicated the following approximate implied per share equity value reference ranges for Heartland, as compared to the implied per share merger consideration:

Implied Per Share

2016E Adjusted		Equity Value Reference Ranges Based on:				2017E		Implied Per Share
		2017E Adjusted		2016E				
EBITDA		EBITDA		Cash EPS		Cash EPS		Merger Consideration
\$76.54	\$94.03	\$86.88	\$101.27	\$63.14	\$72.45	\$67.37	\$76.98	\$100.31

No company used in this analysis is identical or directly comparable to Heartland. Accordingly, an evaluation of the results of this analysis is not entirely mathematical. Rather, this analysis involves complex considerations and judgments concerning differences in financial and operating characteristics and other factors that could affect the public trading or other values of the companies to which Heartland was compared.

Financial data of the selected transactions were based on publicly available information. Financial data of Heartland was based on public filings and the Heartland Forecasts.

Greenhill then applied a selected range of latest 12 months EBITDA or adjusted EBITDA multiples of 12.0x to 17.8x derived from the selected transactions to Heartland's calendar year 2015 estimated adjusted EBITDA. This analysis indicated the following approximate implied per share equity value reference range for Heartland, as compared to the implied per share merger consideration:

Implied Per Share		Implied Per Share
Equity Value Reference Range		Merger Consideration
\$60.93	\$96.11	\$100.31

No company or transaction used in this analysis is identical or directly comparable to Heartland or the mergers. Discounted Cash Flow Analysis. Greenhill performed a discounted cash flow analysis of Heartland by calculating the estimated present value of the standalone unlevered, after-tax free cash flows that Heartland was forecasted to generate during the fiscal years ending December 31, 2015 through December 31, 2020 based on the Heartland Forecasts. For purposes of this analysis, stock-based compensation was treated as a cash expense given its recurring nature. Greenhill calculated terminal values for Heartland by applying to Heartland's estimated adjusted EBITDA for the fiscal year ending December 31, 2020 a selected range of EBITDA multiples of 12.0x to 13.0x. The present values (as of December 31, 2015) of Heartland's cash flows and terminal values were then calculated using a selected discount rate range of 8.5% to 10.5%. This analysis indicated the following approximate implied per share equity value reference range for Heartland, as compared to the implied per share merger consideration:

Implied Per Share		Implied Per Share
Equity Value Reference Range		Merger Consideration
\$96.38	\$114.12	\$100.31

The overall low to high one trading day, five trading days and 30 trading days implied premiums derived from these transactions (excluding target companies with negative 30 trading day premiums) were approximately 23.6% to 28.8%, 27.1% to 29.9% and 27.2% to 38.1%, respectively. Greenhill then applied a selected range of premiums of 23.6% to 38.1% to the closing stock price of Heartland common stock of \$77.84 per share on December 9, 2015, the last trading day prior to market rumors regarding a potential transaction involving Heartland and Global Payments. This analysis indicated the following approximate implied per share equity value reference range for Heartland, as compared to the implied per share merger consideration:

cash equivalents, as a multiple of calendar year 2016 and calendar year 2017 estimated adjusted EBITDA. Greenhill also reviewed equity values, based on closing stock prices on December 14, 2015, as a multiple of calendar year 2016 and calendar year 2017 estimated cash EPS. Financial data of the Global Payments selected companies were based on publicly available research analysts' estimates, public filings and other publicly available information and calendarized to December 31 year-end for comparative purposes and, in the case of Heartland, the Heartland Forecasts. Financial data of Global Payments was based on the Global Payments Forecasts. Mean and median multiples were calculated excluding First Data Corporation given its limited trading history and leverage level and Heartland as of December 14, 2015.

The overall low to high calendar year 2016 and calendar year 2017 estimated adjusted EBITDA multiples observed for the Global Payments selected companies were 12.5x to 14.3x (with a mean of 13.2x and a median of 12.7x) and 10.8x to 12.9x (with a mean of 11.9x and a median of 11.9x), respectively. Greenhill also noted that the calendar year 2016 and calendar year 2017 estimated cash EPS multiples observed for Global Payments, based on the Global Payments Forecasts, were 22.2x and 19.7x, respectively.

No company used in this analysis is identical or directly comparable to Global Payments. Accordingly, an evaluation of the results of this analysis is not entirely mathematical. Rather, this analysis involves complex considerations and judgments concerning differences in financial and operating characteristics and other factors that could affect the public trading or other values of the companies to which Global Payments was compared.

Discounted Cash Flow Analysis. Greenhill performed a discounted cash flow analysis of Global Payments by calculating the estimated present value of the standalone unlevered, after-tax free cash flows that Global Payments was forecasted to generate during the fiscal years ending May 31, 2016 through May 31, 2020 based on public filings, publicly available information and the Global Payments Forecasts. For purposes of this analysis, stock-based compensation was treated as a cash expense given its recurring nature. Greenhill calculated terminal values for Global Payments by applying to Global Payments' estimated adjusted EBITDA for the fiscal year ending May 31, 2020 a selected range of EBITDA multiples of 13.5x to 14.5x. The present values (as of May 31, 2015) of Global Payments cash flows and terminal values were then calculated using a selected discount rate range of 7.5% to 9.5%. This analysis indicated the following approximate implied per share equity value reference range for Global Payments, as compared to the closing stock price of Global Payments common stock on December 14, 2015:

Implied Per Share	Closing Stock Price of
Equity Value Reference Range	Global Payments Common Stock
\$71.46 \$82.93	\$70.33

the potential pro forma financial impact of the mergers on Global Payments' estimated cash EPS for the fiscal years ending May 31, 2017 and May 31, 2018, utilizing the Heartland Forecasts (as calendarized to May 31 year-end for comparative purposes), the Global Payments Forecasts and publicly available information, which indicated, based on the implied per share merger consideration, that the mergers could be dilutive to Global Payments' estimated cash EPS in the fiscal years ending May 31, 2017 and May 31, 2018 by approximately (4.6%) and (1.5%), respectively, excluding potential synergies resulting from the mergers, and that pre-tax synergies of approximately \$33 million and \$12 million would need to be realized in Global Payments' fiscal years ending May 31, 2017 and May 31, 2018, respectively, in order for Global Payments to achieve breakeven cash EPS.

Miscellaneous

As noted above, the discussion set forth above is a summary of the material financial analyses provided by Greenhill to the Heartland board in connection with its opinion and is not a comprehensive description of all analyses undertaken or factors considered by Greenhill in connection with its opinion. The preparation of a financial opinion is a complex analytical process involving various determinations as to the most appropriate and relevant methods of financial analysis and the application of those methods to the particular circumstances and, therefore, a financial opinion is not readily susceptible to partial analysis or summary description. Greenhill believes that the analyses summarized above must be considered as a whole. Greenhill further believes that selecting portions of its analyses or factors considered or focusing on information presented in tabular format, without considering all analyses and factors or the narrative description of such analyses or factors, could create a misleading or incomplete view of the processes underlying Greenhill's analyses and opinion. The fact that any specific analysis has been referred to in the summary above is not meant to indicate that such analysis was given greater weight than any other analysis referred to in the summary.

In performing its analyses, Greenhill considered industry performance, general business and economic conditions and other matters, many of which are beyond the control of Heartland and Global Payments. The estimates of the future performance of Heartland and Global Payments in or underlying Greenhill's analyses are not necessarily indicative of actual values or actual future results, which may be significantly more or less favorable than those estimates or those suggested by Greenhill's analyses. These analyses were prepared solely as part of Greenhill's analysis of the fairness, from a financial point of view, of the per share merger consideration and were provided to the Heartland board in connection with the delivery of Greenhill's opinion. The analyses do not purport to be appraisals or to reflect the prices at which a company might actually be sold or acquired or the prices at which any securities have traded or may trade at any time in the future. Accordingly, the estimates used in, and the ranges of valuations resulting from, any particular analysis described above are inherently subject to substantial uncertainty and should not be taken to be Greenhill's view of the actual value of Heartland or Global Payments.

The type and amount of consideration payable in the initial merger were determined through negotiations between Heartland and Global Payments, and was approved by the Heartland board. The decision to recommend and to enter into the merger agreement was solely that of the Heartland board. As described above, Greenhill's opinion and analyses were only one of many factors considered by the Heartland board in its evaluation of the mergers and should not be viewed as determinative of the views of the Heartland board, management or any other party with respect to the mergers or the per share merger consideration.

In connection with Greenhill's engagement, Heartland has agreed to pay Greenhill for its financial advisory services in connection with the mergers an aggregate fee currently estimated to be approximately \$16 million, of which a portion was payable upon the rendering of Greenhill's opinion (regardless of the conclusion reached) and approximately \$14 million is payable contingent upon consummation of the initial merger. Heartland also has agreed to indemnify Greenhill for certain liabilities, including liabilities under the federal securities laws, and to reimburse Greenhill for its

reasonable expenses arising from its engagement.

During the two-year period preceding the date of its opinion, Greenhill was not engaged to perform investment banking services for Heartland unrelated to the mergers or to Global Payments for which services Greenhill received compensation, other than certain financial advisory services performed for Heartland in connection with potential merger and acquisition transactions. Greenhill and its affiliates in the future may provide investment banking services to Heartland, Global Payments and/or their respective affiliates, for which services Greenhill and its affiliates would expect to receive compensation. As the Heartland board was aware, in 2001, certain private equity funds previously affiliated with Greenhill acquired an equity interest in Heartland, which was converted into shares of Heartland common stock at the time of Heartland's initial public offering in 2005, and, in connection with such private investment in 2001, a senior member of the Greenhill transaction advisory team joined the Heartland board on which he served until 2005. In 2008, such private equity funds distributed the shares of Heartland common stock held by such funds to their general and limited partners, including the senior member of the Greenhill transaction advisory team, 47,045 shares of which such senior member continued to beneficially own as of the date of Greenhill's opinion.

Global Payments Reasons for the Mergers

In reaching its decision to authorize management to enter into the merger agreement and approve the mergers and the other transactions contemplated by the merger agreement, the Global Payments board evaluated the mergers in consultation with Global Payments management, as well as Global Payments' financial and legal advisors, and considered a number of factors, including the following material factors:

The proposed Heartland acquisition enables Global Payments to increase the scale of its U.S. business, in line with its strategic goals;

The acquisition continues Global Payments' shift towards direct distribution of its payment technology services;

The acquisition significantly expands Global Payments' U.S. direct small and medium-sized enterprise distribution, merchant base and vertical reach;

Heartland's strengths in direct sales and technology-led distribution are highly complementary to Global Payments' existing expertise;

There is little overlap between the verticals served by Heartland and those served by Global Payments;

The growth profiles of the two companies are highly complementary;

The acquisition provides for opportunities to cross-sell Heartland's educational, point of sale, payroll, loyalty and gift solutions into Global Payments' existing core U.S. and international markets;

The acquisition strengthens Global Payments' position and increases its scale in the United States, its largest market and one of the most dynamic payments markets worldwide;

Global Payments' belief that the acquisition of Heartland will allow for the opportunity to derive significant operational and technological synergies;

Global Payments expects to realize at least \$50 million in synergies in fiscal 2017 and approximately \$125 million of annual run-rate synergies thereafter;

The possibility that the acquisition will create enhanced shareholder value and Global Payments' belief that the acquisition will be additive to the rate of revenue growth and margin expansion and be mid-single digit accretive to its shareholders on a percentage basis to cash earnings per share in its 2017 fiscal year and double-digit accretive thereafter;

The terms and conditions of the merger agreement, including the conditions to the completion of the mergers, the circumstances under which the merger agreement could be terminated and the impact of such termination (including the potential payment by Heartland of a termination fee of \$153 million);

Availability for financing of the cash consideration to be paid to Heartland stockholders, including the committed financing Global Payments obtained as of the signing of the merger agreement;

The positive results of the due diligence review of Heartland;

The risk that, because the stock consideration under the merger agreement would not be adjusted due to changes in the market price of Global Payments common stock, the value of the per share merger consideration to be paid to Heartland stockholders upon the consummation of the mergers could be more than the value of the per share merger consideration immediately prior to the announcement of the proposed acquisition;

The risk that the anticipated synergies would be more difficult to achieve than anticipated, or that it would take longer to realize the anticipated synergies than expected;

The risk that integrating Heartland and its platform would be more challenging than anticipated, or that it would take longer than anticipated; and

The risk that the proposed financing for the acquisition, which will increase Global Payments' leverage, will decrease its ability to engage in future strategic transactions or react to changes in the market generally. This discussion of the information and factors considered by the Global Payments board includes the material factors considered by the Global Payments board, but is not intended to be exhaustive and may not include all the factors considered by the Global Payments board. In view of the wide variety of factors considered, and the complexity of these matters, the Global Payments board did not quantify or assign any relative or specific weights to the various factors that it considered in reaching its determination to adopt and approve the merger agreement, the mergers and the other transactions contemplated by the merger agreement. Rather, the Global Payments board viewed its position and recommendation as being based on the totality of the information presented to and factors considered by it, including discussions with Global Payments' management and its financial and legal advisors. In addition, individual members of the Global Payments board may have given differing weights to different factors. It should be noted that this explanation of the reasoning of the Global Payments board and certain information presented in this section is forward-looking in nature and, therefore, that information should be read in light of the factors discussed in the section entitled "Cautionary Statement Regarding Forward-Looking Statements" beginning on page 28 of this proxy statement/prospectus.

Interests of Certain Persons in the Mergers

In considering the recommendations of the Heartland board of directors with respect to the mergers, Heartland's stockholders should be aware that Heartland's directors and executive officers have agreements or arrangements that provide them with interests in the mergers, including financial interests, that may be different from, or in addition to, the interests of the other stockholders of Heartland. The Heartland board of directors was aware of these interests during its deliberations of the merits of the mergers and in determining to recommend to Heartland's stockholders that they vote for the merger proposal and thereby approve the transactions contemplated by the merger agreement, including the mergers. For additional information, see the sections entitled "Background of the Mergers" and "Recommendation of the Heartland Board" beginning on pages 41 and 46, respectively, of this proxy

statement/prospectus. These interests are described in more detail below, and certain of them are quantified in the narrative and table below.

Treatment of Heartland Equity Awards

Stock Options. At the effective time, each outstanding stock option to purchase shares of Heartland common stock will be cancelled and converted into the right to receive the per share merger consideration with respect to each share of Heartland common stock relating to such stock option, net of the applicable exercise price. Any stock option with an exercise price that equals or exceeds the value of the per share merger consideration as of the effective time (using the volume weighted average trading price of Global Payments common stock on the

Table of Contents

NYSE for the five consecutive trading days ending on the trading day immediately preceding the closing date of the mergers to calculate the value of the stock consideration) will be cancelled for no consideration. No stock options are held by Heartland's executive officers.

Restricted Stock Units. At the effective time, each restricted stock unit award (other than a performance share unit award) in respect of Heartland common stock will fully vest and be cancelled and converted into the right to receive the per share merger consideration in respect of each share of Heartland common stock underlying the restricted stock unit award. Any accrued but unpaid dividend equivalents corresponding to each such restricted stock unit award will become fully vested and be paid in cash at the time the corresponding restricted stock unit award is settled.

Performance Share Units. At the effective time, each performance share unit award in respect of Heartland common stock will fully vest (with any performance-based vesting condition deemed to have been satisfied at either maximum or target levels, depending on whether the award was granted prior to or on or after December 1, 2015, respectively) and be cancelled and converted into the right to receive the per share merger consideration in respect of each share of Heartland common stock underlying the performance share unit award. Any accrued but unpaid dividend equivalents corresponding to each such performance share unit award shall become fully vested (assuming achievement of maximum performance) and paid in cash at the time the corresponding performance share unit award is settled.

Quantification of Payments. For an estimate of the amounts that would be payable to each of Heartland's named executive officers due to the vesting of their unvested Heartland equity awards, see the section entitled

Merger-Related Compensation for Heartland's Named Executive Officers beginning on page 61 of this proxy statement/prospectus. We estimate that the aggregate amount that would be payable to Heartland's six non-employee directors due to the vesting of their unvested Heartland equity awards upon consummation of the mergers if the effective time occurred on March 31, 2016 is \$815,023. We estimate that the amount that would be payable to Tony Capucille, Heartland's Chief Sales Officer, who is an executive officer but is not a named executive officer, due to the vesting of his unvested Heartland equity awards upon consummation of the mergers if the effective time occurred on March 31, 2016 is \$2,863,181. The amounts specified in this paragraph are determined using a price per share of Heartland common stock of \$94.66, the average closing price per share over the first five business days following the announcement of the merger agreement. The estimated amount for non-employee directors does not include any equity awards that may be granted in 2016 in respect of Heartland's ordinary course annual equity grants to non-employee directors as permitted by the merger agreement, anticipated to be made as of May 2016, which awards will be treated in the same manner as described above in this section. The estimated amount for Mr. Capucille does not include the value of equity awards accelerated on December 22, 2015 pursuant to the terms of the merger agreement, as described below (i.e., \$592,260 based on the closing price of Heartland common stock on December 22, 2015 on the NYSE of \$95.02).

Employment Agreements with Executive Officers

Heartland has entered into employee confidential information and noncompetition agreements with each of its executive officers, including Heartland's named executive officers, other than Mr. Capucille, which provide for
