General Information about the Annual Meeting of Shareholders and Voting

This Proxy Statement relates to the Annual Meeting of Shareholders (Annual Meeting) of Old National Bancorp (the Company or Old National) to be held on May 12, 2016, at 9:00 a.m. Central Daylight Time. These proxy materials are being furnished by the Company in connection with a solicitation of proxies by the Company s Board of Directors (the Board).

We are pleased this year to take advantage of the Securities and Exchange Commission (SEC) rule that permits companies to furnish proxy materials to shareholders over the Internet. On or about March 28, 2016, we will begin mailing Notice of Internet Availability of Proxy Materials (Notice). The Notice contains instructions on how to vote online, or in the alternative, request a paper copy of the proxy materials and a proxy card. By furnishing the Notice and providing access to our proxy materials by the Internet, we are lowering the costs and reducing the environmental impact of our Annual Meeting.

Who can attend the Annual Meeting?

Only shareholders of the Company of record as of March 8, 2016 (the Record Date), their authorized representatives and guests of the Company, may attend the Annual Meeting. Admission will be by ticket only.

Who may vote at the Annual Meeting?

These proxy materials are provided to holders of the Company s common stock who were holders of record on the Record Date. Only the Company s common shareholders of record on the Record Date are entitled to vote at the Annual Meeting. As of the Record Date 114,352,000 shares of the Company s common stock were outstanding.

As of the Record Date, to the knowledge of the Company, no person or firm, other than BlackRock, Inc., The Vanguard Group, Inc., Dimensional Fund Advisors, LP, and Victory Capital Management, Inc. beneficially owned more than 5% of the common stock of the Company

Edgar Filing: OLD NATIONAL BANCORP /IN/ - Form PRE 14A

outstanding on that date. As of the Record Date, no individual Director, nominee or officer beneficially owned more than 5% of the common stock of the Company outstanding.

Voting and Proxy Procedures

Each share of the Company's common stock outstanding on the Record Date will be entitled to one vote at the Annual Meeting. If you receive the Notice by mail, you will not receive a printed copy of the proxy materials unless you request the materials by following the instructions included in the Notice.

Table of Contents

If your shares are registered in your name, you may vote your shares by Internet, or by completing, signing, dating and returning the requested proxy card in the postage-paid envelope provided. Simply follow the easy instructions on the proxy card or Notice provided. You may also vote in person at the meeting. Execution of the proxy card or voting via Internet will not affect your right to attend the Annual Meeting. If your shares are held in street name through a broker, bank or other nominee, please follow the instructions provided by your nominee on the voting instruction form or Notice in order to vote your shares by Internet, or by signing, dating and returning the voting instruction form in the enclosed postage-paid envelope. If you desire to vote in person at the Annual Meeting, you must provide a legal proxy from your bank, broker or other nominee.

Shares of the Company's common stock for which instructions are received will be voted in accordance with the shareholder's instructions. If you send in your proxy card or use Internet voting, but do not specify how you want to vote your shares, the proxy holders will vote them FOR each of the items being proposed by the Board and in the discretion of the proxy holders as to any other business that may properly come before the Annual Meeting and any adjournment or postponement thereof.

Can I change my vote after I return the proxy card or after voting electronically?

If you are a shareholder whose shares are registered in your name, you may revoke your proxy at any time before it is voted by one of the following methods:

Submitting another proper proxy with a more recent date than that of the proxy first given by:

- (1) following the Internet voting instructions, or
- (2) completing, signing, dating and returning a proxy card to the Company's Corporate Secretary.

Sending written notice of revocation to the Company's Corporate Secretary.

Attending the Annual Meeting and voting by ballot (although attendance at the Annual Meeting will not, in and of itself, revoke a proxy).

If you hold your shares in street name through a broker, you may revoke your proxy by following instructions provided by your broker. No notice of revocation or later-dated proxy will be effective until received by the Company's Corporate Secretary at or prior to the Annual Meeting.

How do I receive an admission ticket?

If you are a registered shareholder (your shares are held in your name) and plan to attend the meeting, your Annual Meeting admission ticket will be included in the Notice being mailed on or about March 28, 2016, or if you receive hard copies of the proxy material, the admission ticket can be detached from the top portion of the proxy card.

If your shares are held in street name (in the name of a bank, broker or other holder of record) and you plan to attend the meeting, you will need to bring a copy of a brokerage statement reflecting your stock ownership as of the Record Date for admittance to the meeting.

No cameras, recording equipment, electronic devices, large bags, briefcases or packages will be permitted in the meeting.

Will the Annual Meeting be webcast?

Our Annual Meeting will be webcast on May 12, 2016. You are invited to visit www.oldnational.com at 9:00 a.m. Central Daylight Time on May 12, 2016, to access the webcast of the meeting. Registration for the webcast is not required. An archived copy of the webcast will also be available on our website through May 11, 2017.

Table of Contents

How many votes are needed to have the proposals pass?

Election of Directors. A plurality of the votes cast at the meeting is required to elect Directors. This means that the Director nominee with the most votes for a particular slot is elected for that slot. You may vote for or withheld with respect to the election of Directors. Only votes for or withheld are counted in determining whether a plurality has been cast in favor of a Director. Abstentions are not counted for purposes of the election of Directors.

Our Board has adopted a corporate governance policy regarding Director elections that is contained in our Corporate Governance Guidelines. The policy provides that in any uncontested election, any nominee for Director who receives a greater number of votes withheld for his or her election than votes for such election will tender his or her resignation as a Director promptly following the certification of the shareholder vote. The Corporate Governance and Nominating Committee, without participation by any Director so tendering his or her resignation, will consider the resignation offer and recommend to the Board whether to accept it. The Board, without participation by any Director so tendering his or her resignation, will act on the Corporate Governance and Nominating Committee's recommendation no later than 90 days following the date of the Annual Meeting at which the election occurred. If the Board decides to accept the Director's resignation, the Corporate Governance and Nominating Committee will recommend to the Board whether to fill the resulting vacancy or to reduce the size of the Board. We will promptly disclose the Board's decision and the reasons for the decision in a broadly disseminated press release that will also be furnished to the SEC on Form 8-K.

Approval of Non-binding Advisory Proposal on Executive Compensation. The affirmative vote of a majority of the shares present in person or by proxy is required to approve the advisory vote on executive compensation. Because your vote is advisory, it will not be binding on the Board or the Company. However, the Board will review the voting results and take them into consideration when making future decisions regarding executive compensation.

Approval of the Amendment to Article IV of the Articles of Incorporation. The affirmative vote of a majority of the shares present or by proxy is required to approve the Amendment to Article IV of the Articles of Incorporation.

Ratification of Independent Registered Public Accounting Firm. The affirmative vote of a majority of the shares present in person or by proxy is required for ratification of the appointment of Crowe Horwath LLP as the independent registered public accounting firm of the Company for fiscal year 2016.

What is householding ?

We have adopted a procedure called householding, which has been approved by the SEC. Under this procedure, a single copy of the annual report and proxy statement will be sent to any household at which two or more shareholders reside if they appear to be members of the same family, unless one of the shareholders at that address notifies us that they wish to receive individual copies. This procedure reduces our printing costs and fees.

Shareholders who participate in householding will continue to receive separate proxy cards.

Householding will not affect dividend check mailings in any way.

If a single copy of the annual report and proxy statement was delivered to an address that you share with another shareholder, we will promptly deliver a separate copy to you upon your written or oral request to the Company's Shareholder Services Department at 812-464-1296 or 1-800-677-1749, at P.O. Box 929, Evansville, Indiana 47706-0929, or via email to shareholderservices@oldnational.com.

Shareholders sharing an address who are receiving multiple copies of the annual report and proxy statement may request a single copy by contacting our Shareholder Services Department using the contact information set forth above.

Table of Contents

A number of brokerage firms have instituted householding. If you hold your shares in street name, please contact your bank, broker, or other holder of record to request information about householding.

How are abstentions and broker non-votes treated?

If you are the beneficial owner of shares held in street name and do not provide the bank, broker or other intermediary that holds your shares with specific voting instructions, that bank, broker or other intermediary may generally vote on routine matters but cannot vote on non-routine matters. With the exception of the proposal to ratify the appointment of our auditors, all matters scheduled to be presented at the meeting are non-routine matters. Unless you instruct the bank, broker or other intermediary that holds your shares to vote on these non-routine matters, no votes will be cast on your behalf for the proposal relating to the election of Directors, the Amendment to the Articles of Incorporation or for the advisory proposal on executive compensation. Therefore, it is important that you instruct the bank, broker or other intermediary to cast your vote if you want it to count on these matters. The proposal to ratify the appointment of our auditors is considered a routine matter and, therefore, broker non-votes are not expected to exist on this proposal.

Abstentions and, unless a broker's authority to vote on a particular matter is limited, broker non-votes are counted in determining the votes present at the meeting. A broker has limited authority to vote on the election of directors but is not limited as to the proposal relating to the ratification of auditors. With respect to the election of Directors, abstentions, broker non-votes and instructions on the enclosed form of proxy to withhold authority to vote for one or more of the nominees will result in the nominee receiving fewer votes, but will not affect the outcome of the election. Broker non-votes will have no effect on the outcome of the advisory vote on executive compensation. Abstentions, however, will have the same effect as a vote against the proposal. With respect to the ratification of auditors and the approval of the Amendment to the Articles of Incorporation, abstentions and broker non-votes have the same effect as a vote against the proposal.

How do I designate my proxy?

If you wish to give your proxy to someone other than the proxies identified on the proxy card, you may do so by crossing out all the names of the proxy members appearing on the proxy card and inserting the name of another person. The signed card must be presented at the Annual Meeting by the person you have designated on the proxy card.

Who will pay for the costs involved in the solicitation of proxies?

The Company will pay all costs of preparing, assembling, printing and distributing the proxy materials. In addition to solicitations by mail, Directors and Officers of the Company and its subsidiaries may solicit proxies personally, by telephone, telefax, electronic mail or in person, but such persons will not be specially compensated for their services.

We will, upon request, reimburse brokerage firms and others for their reasonable expenses incurred for forwarding solicitation material to beneficial owners of stock.

Other Matters Related to the Meeting

Only matters brought before the Annual Meeting in accordance with the Company's By-Laws will be considered. Aside from the items listed above in the Notice of Annual Meeting, the Company does not know of any other matters that will be presented at the Annual Meeting. However, if any other matters properly come before the Annual Meeting or any adjournment, the proxy holders will vote them in accordance with their best judgment.

Should any nominee for Director become unable or unwilling to accept nomination or election, the persons acting under the proxy intend to vote for the election of another person recommended by the Corporate Governance and Nominating Committee and nominated by the Board. The Company has no reason to believe that any of the nominees will be unable or unwilling to serve if elected to office.

**Report of the Corporate Governance and
Nominating Committee and Other Board Matters**

The Corporate Governance and Nominating Committee is primarily responsible for corporate governance matters affecting the Company and its subsidiaries. The Corporate Governance and Nominating Committee operates under a written charter which conforms to the requirements of the SEC and the NASDAQ.

Board Leadership Structure and Function

The Board, which is elected by the shareholders, selects the Executive Leadership Group (ELG), which is the executive management team charged with the conduct of the Company's business. Having selected the ELG, the Board acts as an advisor and counselor to management and ultimately monitors its performance. The Board has the responsibility for overseeing the affairs of the Company and, thus, an obligation to keep informed about the Company's business. This involvement enables the Board to provide guidance to management in formulating and developing plans and to exercise its decision-making authority on appropriate matters of importance to the Company. Acting as a full Board and through the Board's seven standing committees, the Board oversees and approves the Company's strategic plan. The Board regularly reviews the Company's progress against its strategic plan and exercises oversight and decision-making authority regarding strategic areas of importance to the Company.

The Company's Corporate Governance Guidelines provide for an independent Lead Director, currently Rebecca Skillman, who presides at all meetings of the Board at which the Chairman is not present; leads executive sessions of the Board; consults and meets with any or all outside Directors as required and represents such Directors in discussions with management of the Company on corporate governance issues and other matters; ensures that the Board, committees of the Board, individual Directors and management of the Company understand and discharge their duties and obligations under the Company's system of corporate governance; mentors and counsels new members of the Board to assist them in becoming active and effective Directors; leads the Board in the annual evaluation of the Chairman and Chief Executive Officer's (CEO) performance; acts in an advisory capacity to the Chairman and CEO in all matters concerning the interests of the Board and relationships between management and the Board; and performs such other duties and responsibilities as may be delegated to the Lead Director by the Board from time to time.

Mr. Larry E. Dunigan began serving as non-executive Chairman in 2004 and will serve in that capacity until the commencement of the Annual Meeting on May 12, 2016. At a special Board meeting held on March 14, 2016, the Board appointed Robert G. Jones to serve as Chairman of the Board and appointed Rebecca S. Skillman to serve as Lead Director to be effective upon commencement of the Annual Meeting on May 12, 2016. The Board believes that it is in the best interests of the Company to have Mr. Jones serve as Chairman to facilitate succession planning for the Board and to optimize his expertise and insight in leading the Company and his skill in developing executive management leadership of the Company. The Board will annually review the effectiveness of this new arrangement and believes this structure is in the best interest of shareholders and serves the Company well at this time.

Executive sessions, or meetings of outside Directors without management present, are held at regular intervals for both the Board and the Committees. Mr. Dunigan, the current non-executive Chairman of the Board, chaired the executive sessions of the Board in 2015. Effective May 12, 2016, Rebecca Skillman, as the Lead Director of the Company, will serve as the presiding Director of the executive session meetings of the non-management Directors of the Board. The Board meets in executive session a minimum of four times each year.

The Board met four times during 2015. Each Director attended 77% or more of Board meetings and meetings of Committees on which they served in 2015. Directors as a group attended an average of 97.93% of the Board meetings and meetings of Committees on which they served in 2015.

Corporate Governance and Nominating Committee Scope of Responsibilities

The Corporate Governance and Nominating Committee has responsibility for recruiting and nominating new Directors, assessing the independence of non-management Directors, leading the Board in its annual performance evaluation, reviewing and assessing the adequacy of the Board's composition and the effectiveness of the Board's processes.
