Dear Fellow Stockholders:

On behalf of the Board of Directors and management, I cordially invite you to attend the 2016 Annual Meeting of Stockholders (the Annual Meeting) of City Office REIT, Inc. (the Company or CIO). The Annual Meeting will be held at 9:00 a.m. Pacific Daylight Savings Time on May 4, 2016 at the Erickson Room off the lobby of the Company s Corporate Office at 1075 West Georgia Street, Vancouver, BC V6E 3C9. Details of the business to be presented at the Annual Meeting can be found in the accompanying Notice of 2016 Annual Meeting of Stockholders and Proxy Statement.

We are pleased to take advantage of the Securities and Exchange Commission rule allowing companies to furnish proxy materials to stockholders over the Internet. We believe that this e-proxy process expedites stockholders receipt of proxy materials, while setting a great precedent for our Company by keeping the costs down and reducing the environmental impact of our Annual Meeting. On or about March 22, 2016, we will begin mailing a Notice of Internet Availability of Proxy Materials containing instructions on how to access our Proxy Statement and Annual Report on Form 10-K for the year ended December 31, 2015, how to vote over the Internet or how to request and return a proxy card by mail. Stockholders may request to receive a paper copy of the proxy materials and will subsequently be mailed the Proxy Statement, an Annual Report on Form 10-K for the year ended December 31, 2015 and a proxy card.

Whether or not you plan to attend the Annual Meeting, your vote is important and we encourage you to vote promptly.

You may vote your shares via a toll-free telephone number or over the Internet. If you received a paper copy of the proxy card by mail, you may sign, date and mail the proxy card in the envelope provided. Instructions regarding all three methods of voting are contained in the Proxy Statement and on the proxy card.

On behalf of the Board of Directors, we thank you for your ongoing support and investment in our Company.

Sincerely,

James Farrar
Chief Executive Officer and Director

Election of six directors nominated by our Board of Directors (our Board of Directors) and listed in this Proxy Statement to serve until the 2017 Annual Meeting and until their successors are elected and qualify;

We completed our initial public offering (our IPO) in April 2014, and we qualify as an emerging growth company as defined in Section 3(a)(80) of the Securities Exchange Act of 1934, as amended (the Exchange Act). As a result, under Schedule 14A of the Exchange Act, we are exempt from the requirement to include in

Table of Contents

this Proxy Statement stockholder advisory votes on certain executive compensation matters, such as say on pay and say on frequency and we qualify for certain scaled executive compensation requirements applicable to emerging growth companies.

Why did I receive a Notice of Internet Availability of Proxy Materials in the mail instead of a printed set of proxy materials?

Pursuant to rules adopted by the Securities and Exchange Commission (the SEC), we are permitted to furnish our proxy materials over the Internet to our stockholders by delivering a Notice of Internet Availability of Proxy Materials in the mail. Unless requested, you will not receive a printed copy of the proxy materials in the mail. Instead, the Notice of Internet Availability of Proxy Materials instructs you on how to access and review the Proxy Statement and our 2015 Annual Report over the Internet at <http://www.astproxyportal.com/ast/18940/>. The Notice of Internet Availability of Proxy Materials also instructs you on how you may submit your proxy over the Internet, or how you can request a full set of proxy materials, including a proxy card to return by mail. If you received a Notice of Internet Availability of Proxy Materials in the mail and would like to receive a printed copy of our proxy materials, you should follow the instructions for requesting these materials provided in the Notice of Internet Availability of Proxy Materials.

Who is entitled to vote at the Annual Meeting?

Only stockholders of record at the close of business on March 8, 2016, the record date for the Annual Meeting (the Record Date), are entitled to receive notice of, and vote at, the Annual Meeting.

If you hold your shares through a bank, broker or other nominee and intend to vote in person at the Annual Meeting, you will need to provide a legal proxy from your bank, broker or other holder of record.

What are the voting rights of stockholders?

Each share of our common stock is entitled to one vote. There is no cumulative voting.

How many shares are outstanding?

At the close of business on March 8, 2016, the Record Date, 12,982,290 shares of common stock were issued and outstanding. Unvested shares of restricted common stock are not entitled to vote at the Annual Meeting.

What constitutes a quorum?

Stockholders entitled to cast at least a majority of the votes that all stockholders are entitled to be cast must be present at the Annual Meeting in person or by proxy to constitute a quorum for the transaction of business. Withheld votes, abstentions and broker non-votes count for purposes of determining whether a quorum is present.

What is the difference between a stockholder of record and a street name holder?

These terms describe how your shares are held. If your shares are registered directly in your name with American Stock Transfer & Trust Company, LLC (AST), our transfer agent, you are a stockholder of record. If your shares are held in the name of a brokerage, bank, trust or other nominee as a custodian, you are a street name holder.

Edgar Filing: City Office REIT, Inc. - Form DEF 14A

If you are a street name holder, you are considered the beneficial owner of shares held in street name and your broker or nominee is considered, with respect to those shares, the stockholder of record. As the beneficial

Table of Contents

owner, you have the right to direct your broker on how to vote your shares. You are also invited to attend the Annual Meeting and vote your shares in person; however, in order to vote your shares in person, you must provide us with a legal proxy from your bank, broker or other stockholder of record.

How do I vote?

If you are a registered stockholder, meaning that your shares are registered in your name, you have four voting options. You may vote:

over the Internet at the web address noted in the Notice of Internet Availability of Proxy Materials or proxy card you received (if you have access to the Internet, we encourage you to vote in this manner);

by telephone using the number noted on the proxy card you received (if you received a proxy card);

by signing and dating your proxy card (if you received a proxy card) and mailing it in the prepaid, preaddressed envelope enclosed therewith; or

by attending the Annual Meeting and voting in person.

Please carefully follow the directions in the Notice of Internet Availability of Proxy Materials or proxy card you received. Proxies submitted over the Internet or by telephone must be received by 11:59 p.m. Eastern Daylight Savings Time, on May 3, 2016. Proxies submitted by mail must be received by the Company by 5:00 p.m. Pacific Daylight Savings Time, on May 3, 2016.

Can I vote my shares in person at the meeting?

If you are a stockholder of record, you may vote your shares in person at the meeting. If you hold your shares in street name, you must obtain a proxy from your broker, bank, trustee or nominee, giving you the right to vote the shares at the meeting.

What do I need to do to attend the meeting in person?

Proof of stock ownership and some form of government-issued photo identification (such as a valid driver's license or passport) will be required for admission to the meeting in person. If you wish to attend the Annual Meeting and vote in person, you may contact our Investor Relations at (604) 806-3366. **Only stockholders who owned our common stock as of the close of business on March 8, 2016 are entitled to attend the meeting.**

If your shares are registered in your name and you owned our common stock as of the close of business on March 8, 2016, you only need to provide some form of government-issued photo identification for admission.

If your shares are held in a bank or brokerage account, contact your bank or broker to obtain a written legal proxy in order to vote your shares at the meeting. If you do not obtain a legal proxy from your bank or broker, you will not be entitled to vote your shares, but you can still attend the meeting if you bring a recent bank or brokerage statement showing that you owned shares of our common stock on March 8, 2016.

What does it mean if I receive more than one Notice of Internet Availability of Proxy Materials or proxy card?

It means that you have multiple accounts with our transfer agent and/or with a broker, bank or other nominee. You will need to vote separately with respect to each Notice of Internet Availability of Proxy Materials or proxy card you received. Please vote all of the shares you own.

Table of Contents

Can I change my vote after I have mailed in my proxy card?

You may revoke your proxy by doing one of the following:

by sending a written notice of revocation to our Secretary at 1075 West Georgia Street, Suite 2010, Vancouver, BC V6E 3C9 so it is received prior to the meeting, stating that you revoke your proxy;

by signing a later-dated proxy card and submitting it so it is received prior to the meeting in accordance with the instructions included in the proxy card(s); or

by attending the meeting and voting your shares in person.

How may I vote for each proposal?

Proposal 1 You may vote *for* each individual nominee or *withhold* from each individual nominee.

Proposal 2 You may vote *for*, *against* or *abstain* from voting to ratify the appointment of KPMG LLP as our independent registered public accountants for 2016.

What are the Board of Director's recommendations on how I should vote my shares?

Proposal 1 *For* all of the nominees for election as director.

Proposal 2 *For* the proposal to ratify the appointment of KPMG LLP as our independent registered public accountants for 2016.

Assuming a quorum is present at the Annual Meeting, what vote is required to approve each item?

Vote Required

of FOR votes will be elected as directors, even if the number of votes received is less than a majority of the votes present at the Ann

None of the proposals, if approved, entitle stockholders to appraisal rights under Maryland law or our Charter.

What if I authorize a proxy without specifying a choice on any given matter at the Annual Meeting?

If you are a stockholder of record as of the Record Date and you authorize a proxy (whether by Internet, telephone or mail) without specifying a choice on any given matter to be considered at the Annual Meeting, the proxy holders will vote your shares according to the Board of Director's recommendation on that matter. If you are a stockholder of record as of the Record Date and you fail to authorize a proxy or vote in person, assuming that a quorum is present at the Annual Meeting, it will have no effect on the result of the vote on any of the matters to be considered at the Annual Meeting.

Table of Contents

What if I hold my shares through a broker, bank or other nominee?

If you hold your shares through a broker, bank or other nominee, under the rules of the New York Stock Exchange (the NYSE), your broker or other nominee may not vote with respect to certain proposals unless you have provided voting instructions with respect to that proposal. A broker non-vote results when a broker, bank or other nominee properly executes and returns a proxy but indicates that the nominee is not voting with respect to a particular matter because the nominee has not received voting instructions from the beneficial owner. A broker non-vote is not considered a vote cast on a proposal; however, shares for which a properly-executed broker non-vote is delivered will be counted as present for purposes of determining whether a quorum is present.

If you hold your shares in a brokerage account, then, under NYSE rules, with respect to Proposal No. 1 (Election of Directors), your broker, bank or other nominee is not entitled to vote your shares on this matter if no instructions are received from you provided a quorum is otherwise present, broker non-votes will have no effect on the election of directors. With respect to Proposal No. 2 (Ratification of Independent Auditors), your broker is entitled to vote your shares on this matter if no instructions are received from you.

Because an abstention is not a vote cast, if you instruct your proxy or broker to abstain on any matter, it will have no effect on the vote on any of the matters to be considered at the Annual Meeting. However, your shares will still be counted as present for purposes of determining whether a quorum is present.

What if I return my proxy card but do not provide voting instructions?

If you return a signed proxy card but do not provide voting instructions, your shares will be voted as follows:

Proposal 1 *For* all of the nominees for election as director.

Proposal 2 *For* the proposal to ratify the appointment of KPMG LLP as our independent registered public accountants for 2016.

What happens if additional matters are presented at the Annual Meeting?

We know of no other matters other than the items of business described in this Proxy Statement that can be considered at the meeting. If other matters requiring a vote do arise, the persons named as proxies will have the discretion to vote on those matters for you.

Is a list of stockholders available?

The names of stockholders of record entitled to vote at the Annual Meeting will be available for inspection at the Annual Meeting. Additionally, this list can be viewed between the hours of 9:00 a.m. and 5:00 p.m., Pacific Daylight Savings Time, at our principal executive offices at 1075 West Georgia Street, Suite 2010, Vancouver, BC V6E 3C9. Please contact our Secretary to make arrangements.

Who will count the votes?

A representative of AST will act as the inspector of election and will tabulate votes.

Who pays the cost of this proxy solicitation?

Edgar Filing: City Office REIT, Inc. - Form DEF 14A

We will pay the cost of preparing, assembling and mailing the proxy materials. We expect to pay AST and Broadridge Financial Services, Inc. approximately \$20,000 in the aggregate for services rendered, including passively soliciting proxies, reviewing of proxy materials, disseminating of brokers search cards, distributing

Table of Contents

proxy materials, operating online and phone voting systems, receiving executed proxies and tabulation of results. We will also request banks, brokers and other holders of record to send the proxy materials to, and obtain proxies from, beneficial owners and will reimburse them for their reasonable expenses in doing so.

How do I submit a stockholder proposal for inclusion in the proxy materials for next year's annual meeting, and what is the deadline for submitting a proposal?

In order for a stockholder proposal to be properly submitted for presentation at our 2017 Annual Meeting and included in the proxy material for next year's annual meeting, we must receive written notice of the proposal at our executive offices by November 23, 2016. All proposals must contain the information specified in, and otherwise comply with, our Amended and Restated Bylaws (our "Bylaws"). Proposals should be sent via registered, certified or express mail to: 1075 West Georgia Street, Suite 2010, Vancouver, BC V6E 3C9, Attention: Anthony Maretic, Chief Financial Officer, Secretary and Treasurer.

If I share my residence with another stockholder, how many copies of the 2015 Annual Report and Proxy Statement should I receive?

We are sending only a single set of the 2015 Annual Report and Proxy Statement to any household at which two or more stockholders reside if they share the same last name or we reasonably believe they are members of the same family, unless we have received instructions to the contrary from any stockholder at that address. This practice is known as "householding" and is permitted by rules adopted by the SEC. This practice reduces the volume of duplicate information received at your household and helps us to reduce costs. Each stockholder will continue to receive a separate proxy card or voting instructions card. We will deliver promptly, upon written request or oral request, a separate copy of the 2015 Annual Report or Proxy Statement, as applicable, to a stockholder at a shared address to which a single copy of the documents were previously delivered. If you received a single set of these documents for your household for this year, but you would prefer to receive your own copy, you may direct requests for separate copies in the future to the following address: City Office REIT, Inc., c/o American Stock Transfer & Trust Company, LLC, 6201 15th Avenue, Brooklyn, NY 11219; (800) 937-5449. If you are a stockholder who receives multiple copies of our proxy materials, you may request householding by contacting us in the same manner and requesting a householding consent form.

What if I consent to have one set of materials mailed now but change my mind later?

You may withdraw your householding consent at any time by contacting AST at the address and phone number provided above. We will begin sending separate copies of stockholders communications to you within 30 days of receipt of your instructions.

The reason I receive multiple sets of materials is because some of the shares belong to my children. What happens if they move out and no longer live in my household?

When we receive notice of an address change for one of the members of the household, we will begin sending separate copies of stockholder communications directly to the stockholder at his or her new address. You may notify us of a change of address by contacting AST at the address and phone number provided above.

We are asking our stockholders to ratify the appointment of KPMG LLP as our independent registered public accountants for our fiscal year ending December 31, 2016. INFORMATION ON OUR BOARD OF DIRECTORS, ITS COMMITTEES AND CORPORATE GOVERNANCE

Board of Directors and Committees

Our shares of common stock are listed on the NYSE under the symbol CIO and we are subject to the NYSE listing standards. We have adopted corporate governance guidelines and charters for the Audit, Compensation and Nominating and Corporate Governance Committees of the Board of Directors intended to satisfy NYSE listing standards. We have also adopted a code of business conduct and ethics for our directors and officers intended to satisfy NYSE listing standards and the definition of a code of ethics set forth in applicable SEC rules. Our corporate governance guidelines, code of ethics and these charters are available on our website at <http://www.cityofficereit.com>.

We operate under the direction of our Board of Directors. Our Board of Directors is responsible for the overall management and control of our affairs. Our Board of Directors must approve all investment decisions involving the acquisitions of properties in accordance with our investment guidelines and upon recommendations made by our Management.

We currently have six directors, four of whom our Board of Directors has determined are independent directors under standards established by the SEC and the NYSE. Our independent directors are John McLernon, William Flatt, Mark Murski and Stephen Shraiberg. Directors are elected annually by our stockholders, and there is no limit on the number of times a director may be elected to office. Each director serves until the next annual meeting of stockholders and until his or her successor is duly elected and qualifies.

Our Board of Directors has approved our objectives and strategies on investments and borrowing. The directors may establish further written objectives and strategies on investments and borrowings, or modify existing strategies and objectives, and will monitor our administrative procedures, investment operations and performance.

We have structured our corporate governance in a manner we believe closely aligns our interests with those of our stockholders. Notable features of our corporate governance structure include the following:

our Board of Directors is not staggered and is elected annually, and we have opted out of the board classification statute under Title 3, Subtitle 8 of the Maryland General Corporation Law (MGCL) and therefore we cannot elect to stagger our Board of Directors in the future without a vote of our stockholders;

of the six persons currently who serve on our Board of Directors and are nominated for re-election, four, or 66.7%, have been determined by us to be independent for purposes of the NYSE corporate governance listing standards and Rule 10A-3 under the Exchange Act;

we have opted out of the business combination statute, Title 3, Subtitle 6 under the MGCL, and the control share acquisition statute, Title 3, Subtitle 7 under the MGCL; and

we do not have a stockholder rights plan (i.e., a poison pill).

Board Leadership Structure

The Board of Directors believes that it is in the best interests of the Company that the roles of Chief Executive Officer and Chairman of the Board of Directors be separated in order for the individuals to focus on their primary roles. The Company's Chief Executive Officer is responsible for setting the strategic direction for the Company and the day to day leadership and performance of the Company, while the Chairman of the Board of Directors provides guidance to the Company's Chief Executive Officer, presides over meetings of the full Board of Directors and sets the agenda for Board of Directors meetings.

Role of our Board of Directors in Risk Oversight

One of the key functions of our Board of Directors is informed oversight of our risk management process. Our Board of Directors administers this oversight function directly, with support from the three standing committees, our Audit Committee, our Compensation Committee and our Nominating and Corporate Governance Committee, each of which addresses risks specific to its respective areas of oversight. In particular, our Audit Committee has the responsibility to consider and discuss our major financial risk exposures and the steps our management takes to monitor and control these exposures, including guidelines and policies to govern the process by which risk assessment and management is undertaken. Our Audit Committee also monitors compliance with legal and regulatory requirements, in addition to oversight of the performance of our internal audit function. Our Compensation Committee assesses and monitors whether any of our compensation policies and programs have the potential to encourage excessive risk-taking. Our Nominating and Corporate Governance Committee provides oversight with respect to corporate governance and ethical conduct and monitors the effectiveness of our corporate governance guidelines, including whether such guidelines are successful in preventing illegal or improper liability-creating conduct. All committees report to the full Board of Directors as appropriate, including when a matter rises to the level of a material or enterprise level risk. In addition, the Board of Directors receives detailed regular reports from members of our senior management and other personnel that include assessments and potential mitigation of the risks and exposures involved with their respective areas of responsibility.

Code of Business Conduct and Ethics

Our Board of Directors adopted a code of business conduct and ethics that establishes the standards of ethical conduct applicable to all of our directors, officers, employees, consultants and contractors. The code of ethics addresses, among other things, competition and fair dealing, conflicts of interest, financial matters and external reporting, compliance with applicable governmental laws, rules and regulations, company funds and assets, confidentiality and corporate opportunity requirements and the process for reporting violations of the code of ethics, employee misconduct, conflicts of interest or other violations. Any waiver of our code of ethics with respect to our chief executive officer, chief financial officer and secretary, chief operating officer and president, or persons performing similar functions may only be authorized by our Nominating and Corporate Governance Committee and will be promptly disclosed as required by law and NYSE regulations and posted on our website. Amendments to the code of ethics must be approved by our Board of Directors and will be promptly disclosed and posted on our website (other than technical, administrative or non-substantive changes). Our code of ethics is publicly available on our website at <http://www.cityofficereit.com> and in print to any stockholder who requests a copy.

Table of Contents**OUR INTERNALIZATION**

On November 2, 2015, we and one of our newly-formed subsidiaries (Buyer Sub) entered into a Stock Purchase Agreement (Stock Purchase Agreement) with certain stockholders of City Office Real Estate Management Inc. (formerly our Advisor), and two personal holding companies that owned stock of City Office Real Estate Management Inc., pursuant to which Buyer Sub acquired all of the outstanding stock of City Office Real Estate Management Inc. The Internalization (as defined below) closed as of February 1, 2016. Pursuant to the Stock Purchase Agreement, on February 1, 2016 we issued 297,321 shares of our common stock to the sellers, which included our three executive officers and Samuel Belzberg, a member of our Board of Directors. In addition, we agreed to make cash payments to the sellers of up to \$3.5 million pursuant to the Stock Purchase Agreement if our fully diluted market capitalization reaches the following thresholds prior to December 31, 2016: \$1 million upon achieving a \$200 million fully diluted market capitalization, an additional \$1 million upon achieving a \$225 million fully diluted market capitalization and an additional \$1.5 million upon achieving a \$250 million fully diluted market capitalization (in each case, including in the calculation of fully diluted market capitalization the value of common units held by parties other than us at a value per unit equal to the market price of our common stock). We refer to this transaction collectively as Internalization. Pursuant to the terms of the Stock Purchase Agreement, the \$1 million payment was triggered by the Company achieving a \$200 million fully diluted market capitalization based on its closing stock price on March 1, 2016. The Company made this cash payment to the sellers in March 2016.

In connection with the closing of the Internalization, one of our subsidiaries entered into an Administrative Services Agreement (the Administrative Services Agreement) with entities that manage real estate investment funds affiliated with Second City Capital II Corporation and Second City Real Estate II Corporation (the Second City funds). James Farrar, Gregory Tylee and one of our directors, Samuel Belzberg, are officers of the general partners of the Second City funds and own equity interests in the Second City funds. The Administrative Services Agreement has a three year term. Pursuant to the Administrative Services Agreement, one of our subsidiaries provides various administrative services and support to the entities managing the Second City funds. This subsidiary receives annual payments for these services under the Administrative Services Agreement as follows: first 12 months \$1.5 million, second 12 months \$1.125 million and third 12 months \$0.625 million, for a total of \$3.25 million over the three-year term. In addition, following the expiration of the three year term of the Administrative Services Agreement, the Company expects to make Messrs. Farrar and Tylee available to assist the Second City funds with respect to certain matters.

Also in connection with the Internalization, City Office Real Estate Management Inc. and an affiliate of one of the Second City Funds entered into a Termination and Mutual Release Agreement with respect to that certain Administration Agreement, dated as of April 21, 2014, entered into by City Office Real Estate Management Inc. and such affiliate of one of the Second City Funds (the Termination) at the time of the Company s initial public offering in April 2014. There were no termination penalties incurred by the Company as a result of the termination.

Grants of Equity Compensation to our Executive Officers

During the year ended December 31, 2015, pursuant to the Advisory Agreement and under our Equity Incentive Plan, we issued 12,038 restricted stock units to Mr. Farrar, 12,038 restricted stock units to Mr. Tylee, 7,200 restricted stock units to Mr. Maretic and 1,328 restricted stock units to Mr. Belzberg. The units vest ratably over three years beginning on the first anniversary of the completion of our IPO, generally subject to such person s continued service with the Advisor (but vest in full upon an involuntary termination without cause). The restricted stock units carry the right to receive dividends (through a related grant of dividend equivalent rights), which will be reinvested in shares of our common stock and delivered to the applicable executive upon, and subject to, satisfaction of the vesting criteria applicable to the related restricted stock units. In connection with the declaration of dividends of \$0.235 on December 15, 2014, \$0.235 per share on March 19, 2015, \$0.235 per share on June 15, 2015, \$0.235 per share on

September 15, 2015, and \$0.235 per share on December 18,

Table of Contents

2015, Mr. Farrar was granted an additional 5,039 restricted stock units, Mr. Tylee was granted an additional 5,039 restricted stock units, Mr. Maretic was granted an additional 1,575 restricted stock units and Mr. Belzberg was granted an additional 13,390 restricted stock units in satisfaction of their dividend equivalent rights granted under our Equity Incentive Plan. As dividends are paid on the Company's common stock, additional restricted stock units will be issued covering that number of shares of Common Stock with a value equivalent to the total dividends that would be paid on the number of shares underlying the restricted stock units. These additional restricted stock units vest in accordance with the same vesting schedule, and upon the same conditions, as the underlying restricted stock units as to which the dividend equivalent rights were granted with respect to (generally vesting on the first three annual anniversaries of our IPO).

Future awards will be at the discretion of our Compensation Committee. For purposes of the foregoing, the number of total shares will be calculated as if all common units, other than common units held by us, are exchanged for shares of our common stock.

Policies with Respect to Conflicts of Interest

We adopted a code of ethics that prohibits transactions involving conflicts of interest between us on the one hand, and our officers, employees, directors and Advisor on the other hand, except for such transactions that are approved by a majority of our directors (including a majority of our independent directors) in compliance with the code of ethics. A conflict of interest arises when the private interest of a person covered by the code interferes in any material respect with our interests or his or her service to us. Waivers of our code of ethics for certain covered persons must be disclosed in accordance with NYSE and SEC requirements. In addition, our Board of Directors is subject to certain provisions of Maryland law, which are also designed to eliminate or minimize conflicts. However, we cannot assure you that these policies or provisions of law will always succeed in eliminating the influence of such conflicts. If they are not successful, decisions could be made that might fail to reflect fully the interests of all stockholders.

We do not have a policy that expressly prohibits our directors, officers, security holders or any of our affiliates from engaging for their own account in business activities of the types conducted by us.

CERTAIN RELATIONSHIPS AND RELATED PERSON TRANSACTIONS

In connection with the declaration of dividends of \$0.235 on December 15, 2014, \$0.235 per share on March 19, 2015, \$0.235 per share on June 15, 2015, \$0.235 per share on September 15, 2015, and \$0.235 per share on December 18, 2015, Mr. Farrar was granted an additional 5,039 restricted stock units, Mr. Tylee was granted an additional 5,039 restricted stock units, Mr. Maretic was granted an additional 1,575 restricted stock units and Mr. Belzberg was granted an additional 13,390 restricted stock units in satisfaction of their dividend equivalent rights granted under our Equity Incentive Plan. As dividends are paid on the Company's common stock, additional restricted stock units will be issued covering that number of shares of Common Stock with a value equivalent to the total dividends that would be paid on the number of shares underlying the restricted stock units. These additional restricted stock units vest in accordance with the same vesting schedule, and upon the same conditions, as the underlying restricted stock units as to which the dividend equivalent rights were granted with respect to (generally vesting on the first three annual anniversaries of our IPO).

Also, for so long as the Second City Group and its affiliates collectively own at least 10% or more of our outstanding common stock on a fully-diluted basis (assuming all outstanding common units not owned by us or our subsidiaries are tendered for redemption and exchanged for shares of our common stock, regardless of whether such common units are then eligible for redemption), the Second City Group will have the right from time to time to designate individuals for nomination for election by our stockholders to our Board of Directors as follows:

for so long as the Second City Group and its affiliates own 30% or more of our fully diluted outstanding common stock, (i) if the number of directors comprising our entire Board of Directors is six or more, the Second City Group will have the right to designate two nominees and (ii) if the number of directors comprising our entire Board of Directors is five or fewer, the Second City Group will have the right to designate one nominee;

for so long as the Second City Group and its affiliates own less than 30% but at least 10% of our fully diluted outstanding common stock, regardless of the number of directors comprising our entire Board of Directors, the Second City Group will have the right to designate one nominee;

if the Second City Group and its affiliates own less than 10% of our fully diluted outstanding common stock, the Second City Group will have no right to designate for nomination any individual to serve on our Board of Directors. If, subsequent to the time that Second City Group and its affiliates' ownership of our fully diluted outstanding common stock falls below 10%, the Second City Group and entities controlled by the Second City Group again own 10% or more of the outstanding shares of our common stock as determined in the same manner as described above, then the Second City Group shall once again be entitled to exercise any designation or other applicable rights of the Second City Group set forth in the partnership agreement;

during any period in which the Second City Group and its affiliates own at least 5% of our fully diluted outstanding shares of our common stock as determined in the same manner as described above, the Second City Group will be entitled to identify an individual to attend and observe meetings of our Board of Directors; and

notwithstanding the foregoing, during any period in which the Second City Group and its affiliates own less than 5% of our common units, the Second City Group's designation or other applicable rights under the partnership agreement shall terminate.

Registration Rights

Pursuant to our Stock Purchase Agreement, subject to certain limitations, we must file a registration statement covering the resale of the shares of our common stock issued to the sellers within 180 days of the closing of the Internalization. Pursuant to the Stock Purchase Agreement, we must use our commercially reasonable efforts to cause any such registration statement to become and remain effective as promptly as reasonably practicable after the filing thereof.

Central Fairwinds Earn-Out

As part of our formation transactions and contribution agreement with respect to the Central Fairwinds property, the Company is obligated to make additional payments to Second City (each, a Fairwinds Earn-Out Payment) for up to a five year period commencing on the initial IPO date of April 21, 2014. Fairwinds Earn-Out Payments are contingent on the property reaching certain specified occupancy levels through new leases to qualified tenants and exceeding a net operating income threshold, which grows annually. Second City will be entitled to receive a Fairwinds Earn-Out Payment (net of the associated leasing costs and inclusive of leasing commissions and tenant improvements/allowances and free rent) as and when the occupancy of Central Fairwinds reaches each of 70%, 80% and 90% (each, a Fairwinds Earn-Out Threshold) based on the incremental cash flow generated by new leases and a 7.75% stabilized capitalization rate. The Company will make any additional Fairwinds Earn-Out Payment within 30 days of the end of the Fairwinds Earn-Out term based on new qualified leases entered into since the achievement of the last Fairwinds Earn-Out Threshold. Fairwinds Earn-Out Payments will be subject to a claw-back if a qualified tenant defaults in the payment of rent and is not replaced with another qualified tenant.

During the year ended December 31, 2015, the 70% and 80% earn-out occupancy and net operating income thresholds were met. This triggered a payment of approximately \$3.2 million which was made on August 6, 2015 and a second payment of approximately \$3.8 million which we expect will be made subsequent to year-end in March 2016.

EXECUTIVE OFFICER AND DIRECTOR COMPENSATION

Our named executives and their principal offices during 2015 were:

Mr. James Farrar, our chief executive officer (CEO);

Mr. Gregory Tylee, our chief operating officer (COO) and President; and

Mr. Anthony Maretic, our chief financial officer (CFO), Treasurer and Secretary.
There were no other executive officers of CIO during the fiscal year ended December 31, 2015.

Overview of Compensation Program and Philosophy

We may compensate our named executives, other officers and eligible employees with equity and equity-based awards or other types of awards in accordance with our equity incentive plan (EIP) intended to align their interests with the interests of our stockholders. Awards that may be granted under our EIP include unrestricted stock, restricted stock, restricted stock units, deferred stock units, options, stock appreciation rights, performance awards, dividend equivalents, other stock based awards and any other right or interest relating to stock or cash (collectively referred to herein as awards). Our Compensation Committee will determine if and when any of our named executives, other officers or individuals affiliated with our Advisor will receive such awards. As discussed below, our Compensation Committee made restricted stock awards to the named executives in March 2016 which related to CIO s 2015 performance.

2015 Company Performance

In applying our compensation program and philosophy to the named executives in 2015, the Compensation Committee sought to recognize the executive management team s financial and strategic accomplishments during 2015. During 2015, we acquired five office properties adding a total of 917,000 square feet to its portfolio. As of December 31, 2015, our existing portfolio was 94.8% leased. The Compensation Committee believes that we continue to successfully execute our business objectives and investment strategies. We provide an analysis of our financial and operational performance in the Management s Discussion and Analysis of Financial Condition and Results of Operations section of our Annual Report on Form 10-K for the fiscal year ended December 31, 2015.

Internalization Employment Agreements

Pursuant to the completion of the Internalization, on February 1, 2016 the Company, through a wholly-owned subsidiary, entered into an employment agreement (collectively, the Employment Agreements) with each of James Farrar, the Company s Chief Executive Officer, Greg Tylee, the Company s President and Chief Operating Officer, and Anthony Maretic, the Company s Chief Financial Officer, Secretary and Treasurer.

The Compensation Committee of the Company s Board of Directors (the Compensation Committee) approved the terms of the Employment Agreements. The Employment Agreements are effective as of February 1, 2016 and are effective until terminated. Pursuant to the terms of the employment agreements, Messrs. Farrar and Tylee each will be paid an initial annual base salary of \$295,000 and Mr. Maretic will be paid an initial annual base salary of \$160,000.

In addition, each of Messrs. Farrar, Tylee and Maretic will be eligible to receive an annual bonus based on the achievement of performance goals that are established by the Company's Board of Directors or the Compensation Committee. The executives will also continue to be eligible to participate in the Company's EIP pursuant to which they may be entitled to receive restricted stock units, options or other equity awards as determined by the Compensation Committee.

Equity-Based Compensation

As discussed above, the Compensation Committee may, from time to time pursuant to the EIP, grant our named executives certain equity-based awards. These awards are designed to align the interests of our named

Table of Contents

executives with those of our stockholders, by allowing our named executives to share in the creation of value for our stockholders through capital appreciation and dividends. These equity awards are generally subject to vesting requirements, and are designed to promote the retention of management and to achieve strong performance for the Company. These awards provide a further benefit to us by enabling us to attract, motivate and retain talented individuals. We currently do not have any equity ownership requirements or guidelines for our named executives.

The Compensation Committee also intends to design long-term incentive awards to ensure that our named executives have a continuing stake in our long-term success, that the total compensation realized by our named executives reflects our multi-year performance as measured by the efficient use of capital and changes in stockholder value, and that a large portion of their total compensation opportunity is earned over a multi-year period and could be forfeitable in the event of termination of their service to us or our affiliates.

REIT regulations require us to pay at least 90% of our earnings to stockholders as dividends. As a result, we believe that our common stockholders are principally interested in receiving attractive risk-adjusted dividends and in the growth of dividends and market capitalization. Accordingly, we want to provide incentives to our named executives that rewards success in achieving these goals. Since we generally do not have the ability to retain earnings, we believe that equity-based awards serve to align the interests of our named executives with the interests of our stockholders since the value our named executives receive from these awards is largely dependent on the value of our common stock, the potential for appreciation of that value and our capability to pay dividends. Additionally, we believe that equity-based awards are consistent with our stockholders' interest in market capitalization growth as these individuals will be incentivized to grow our market capitalization for stockholders over time. We believe that this alignment of interests provides an incentive to our named executives to implement strategies that will enhance our overall performance and promote growth in dividends and growth in our market capitalization.

The Compensation Committee does not use a specific formula to calculate the number of equity awards and other rights awarded to our named executives under our EIP. The Compensation Committee does not explicitly set future award levels/opportunities on the basis of what the named executives earned from prior awards. While the Compensation Committee will take past awards (if any) into account, it will not solely base future awards in view of those past awards. Generally, in determining the specific amounts to be granted to an individual, the Compensation Committee will take into account factors such as our performance, the individual's position, his or her contribution to our performance, and general market practices of our peers and similarly sized companies. Awards, if any, are to be granted on an annual basis.

On March 3, 2016, the Company entered into restricted stock unit award agreements with its executive officers as listed below. These restricted stock unit award agreements were approved by the Company's Board of Directors, as recommended by the Compensation Committee, at meetings that occurred on March 2, 2016, where the Compensation Committee recommended and the Board of Directors approved the restricted stock units pursuant to the Company's 2014 Equity Incentive Plan as indicated in the table below. The awards were made pursuant to restricted stock unit award agreements between the Company and each of its executive officers, subject to vesting over a three-year period. Restricted stock units vest in three equal installments on each of the first three anniversaries of the grant date and shall vest in full upon the termination of employment without Cause (as defined in the form of award agreement). If earned, the restricted stock units will be settled in the form of shares of the Company's common stock, par value \$0.01 per share, pursuant to the Equity Incentive Plan, or if approved by the Compensation Committee, in cash of equivalent value. Restricted stock units do not entitle the recipient the rights of a holder of common stock until shares are issued in settlement of the vested units. As dividends are paid on the Company's common stock, additional restricted stock units will be issued covering that number of shares of common stock with a value equivalent to the total dividends that would be paid on the number of shares underlying the restricted stock units.

Table of Contents

The following table sets forth the executive officers who received the restricted stock unit awards on March 3, 2016:

Recipient	Number of Restricted Stock Units Awarded Pursuant to Restricted Stock Unit Award Agreements
James Farrar Chief Executive Officer and director	25,000
Gregory Tylee President and Chief Operating Officer	25,000
Anthony Maretic Chief Financial Officer, Secretary and Treasurer	15,000

Risk Management and CIO's Compensation Policies and Procedures

As part of the Board of Director's role in risk oversight, the Compensation Committee considers the impact of our compensation plans, policies and practices, and the incentives created by the same, on our risk profile. Based on this consideration, the Compensation Committee concluded that our compensation policies and procedures are not reasonably likely to have a material adverse effect on CIO. Some of the factors the Compensation Committee considered as mitigating the risks of our compensation plans include:

The Compensation Committee retains discretion to determine incentive awards based on its consideration of multiple performance factors and does not rely on a purely formulaic approach; and

CIO would respond to any executive misconduct in the manner described below under Potential Impact on Compensation from Executive Misconduct.

The Effect of Regulatory Requirements on Our Executive Compensation

IRC Section 162(m). Our policy with respect to the deductibility limit of Section 162(m) of the Code generally is to preserve the federal income tax deductibility of compensation paid when it is appropriate and is in our best interest. We reserve the right to authorize the payment of non-deductible compensation if we deem that it is appropriate to do so under the circumstances, however, we do not currently expect to provide compensation that would exceed such deductibility limit.

IRC Section 409A. Section 409A of the IRC applies to all forms of nonqualified deferred compensation. The Compensation Committee will take Section 409A into account in determining the form and timing of compensation paid to our executives in the event CIO provides any nonqualified deferred compensation.

IRC Sections 280G and 4999. IRC Section 280G limits our ability to take a tax deduction for certain excess parachute payments (as defined in Section 280G) and IRC Section 4999 imposes excise taxes on each executive that receives excess parachute payments paid by CIO in connection with a change in control. The Compensation Committee does not expect to provide any compensation that would be considered an excess parachute payment.

Accounting Rules. Various rules under generally accepted accounting principles determine the manner in which CIO accounts for grants of equity-based compensation to our employees in our financial statements. The Compensation Committee takes into consideration the accounting treatment of alternative grant proposals under Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) Topic 718, Stock Compensation (formerly, FASB Statement 123R), or FASB ASC Topic 718, when determining the form and timing of equity compensation grants to employees, including our named executives. The accounting treatment of such grants, however, is not determinative of the type, timing, or amount of any particular grant of equity-based compensation to our employees.

Table of Contents

Potential Impact on Compensation from Executive Misconduct. If the Board of Directors determines that an executive officer has engaged in fraudulent or intentional misconduct, the Board of Directors would take action to remedy the misconduct, prevent its recurrence, and impose such discipline on the officer as would be appropriate. Discipline would vary depending on the facts and circumstances, and may include, without limit, termination of employment, initiating an action for breach of fiduciary duty and, if the misconduct resulted in a significant restatement of our financial results, seeking reimbursement of any portion of performance-based or incentive compensation paid or awarded to the executive that is greater than would have been paid or awarded if calculated based on the restated financial results, including cancellation or forfeiture of equity-based incentive compensation. These remedies would be in addition to, and not in lieu of, any actions imposed by law enforcement agencies, regulators or other authorities.

2015 Compensation Decisions

As stated above, the Compensation Committee awarded James Farrar, Gregory Tylee and Anthony Maretic 12,038, 12,038 and 7,200 restricted stock units respectively at the March 2015 meeting. Each of the non-executive directors were awarded 1,328 restricted stock units, respectively. Mr. Farrar and Mr. Tylee were primarily responsible for developing and successfully implementing our business objectives, investment strategies and capital raising efforts in 2015 described above. As our chief financial officer, Mr. Maretic was responsible for our financial reporting and planning and regulatory filings and the primary liaison with our independent public accounting firm and capital raising efforts in 2015.

Executive Officer Compensation*Summary Compensation Table*

Prior to the Internalization we did not provide any of our named executive officers with any cash compensation or bonus. Nor did we provide any named executive officer with pension benefits or nonqualified deferred compensation plans. Prior to the Internalization we had not entered into any employment agreements with any person, and are not obligated to make any cash payments upon termination of employment or a change in control of us. The table below summarizes the total compensation paid or awarded to each of our named executive officers, since our IPO, for the fiscal years indicated. This compensation was paid at the direction of our Advisor in satisfaction of certain of our obligations to our Advisor under the Advisory Agreement.

Potential Payments Upon Termination or Change in Control as of December 31, 2015

If any of our named executive officers were to have been involuntarily terminated without cause as of December 31, 2015, such named executive would have been entitled to accelerated vesting in full of the unvested portion of the restricted stock units he received in connection with our IPO under the EIP, as well as the unvested portion of the dividend equivalent rights he was granted in 2015.

If the employment of a named executive had terminated as of December 31, 2015 under any other circumstances (i.e., any termination other than an involuntary termination without cause), his unvested restricted stock units, and the unvested portion of the dividend equivalent rights he was granted in 2015, would have been forfeited on the date of such termination.

None of our named executives are entitled to accelerated vesting of any of their unvested restricted stock units or any of the unvested dividend equivalent rights they were granted in 2015, solely on account of a change in control.

Director Compensation

We have approved and implemented a compensation program for our non-employee directors that consists of annual retainer fees and long-term equity awards. As compensation for serving on our Board of Directors, each director who is not employed by our Advisor receives an annual base fee for his or her services of \$30,000. In addition, each non-employee director receives a meeting fee of \$1,000 for attending each Board of Directors meeting, committee meeting or telephonic meeting to approve investments. The Chairman of the Board of Directors receives an additional annual cash retainer of \$15,000, and the chairs of the Audit Committee, the Compensation Committee and the Nominating and Corporate Governance Committee receive an additional annual cash retainer of \$5,000.

We also reimburse our non-employee directors for reasonable out-of-pocket expenses incurred in connection with the performance of their duties as directors, including, without limitation, travel expenses in connection with their attendance in-person at Board of Directors and committee meetings.

On August 12, 2014, our Board of Directors approved our director share grant program. Pursuant to this program, each director is to be granted a number of restricted stock units, up to 1,500, equal to the number of shares of our common stock that such director purchases on the open market, with Dividend Equivalent Rights (as defined in our EIP). The matching restricted stock units vest ratably over three years and carry the right to receive dividends (through a related grant of dividend equivalent rights), which will be reinvested in shares of our common stock and delivered to the applicable executive upon, and subject to, satisfaction of the vesting criteria applicable to the related restricted stock units. As dividends are paid on the Company's common stock, additional restricted stock units will be issued covering that number of shares of Common Stock with a value equivalent to the total dividends that would be paid on the number of shares underlying the restricted stock units. Pursuant to this program, each of Mr. McLernon, Mr. Flatt and Mr. Shraiberg has been granted 1,500 restricted stock units.

On March 19, 2015, the Compensation Committee awarded our directors with restricted stock units. The restricted stock units vest ratably over three years and carry the right to receive dividends (through a related grant of dividend equivalent rights), which will be reinvested in shares of our common stock and delivered to the applicable executive upon, and subject to, satisfaction of the vesting criteria applicable to the related restricted stock units. Pursuant to this program, each of Mr. Belzberg, Mr. McLernon, Mr. Flatt and Mr. Shraiberg were granted 1,328 restricted stock units.

We do not have, and we do not currently intend to adopt, any plans or programs for our directors that provide for pension benefits or the deferral of compensation.

SECTION 16(A) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16(a) of the Exchange Act requires our officers, directors and persons who own more than ten percent of a registered class of our equity securities to file reports of ownership and changes in ownership with the SEC and to furnish CIO with copies of all such reports.

Based solely on a review of the copies of such reports received by the Company and on written representations from certain reporting persons that no reports were required, or if required, such reports were filed on a timely basis for those persons, the Company believes that all such forms have been filed on a timely basis.

STOCKHOLDER PROPOSALS AND NOMINATIONS

Under the regulations of the SEC, any stockholder desiring to make a proposal to be acted upon at the 2017 annual meeting of stockholders must present such proposal to the Company at its principal office in Vancouver, British Columbia not later than November 23, 2016, in order for the proposal to be considered for inclusion in the Company's proxy statement. The Company will not consider proposals received after November 23, 2016 for inclusion in the Company's proxy materials for the Company's 2017 annual meeting of stockholders.

The Company's Bylaws provide that, in addition to any other applicable requirements, for business to be properly brought before the annual meeting by a stockholder, but not included in the Company's proxy statement, the stockholder must give timely notice in writing not earlier than 150 days nor later than 120 days prior to the first anniversary of the preceding year's annual meeting; provided, however, that in the event the annual meeting is advanced or delayed by more than 30 days, notice must be received not earlier than the 150th day prior to the date of the annual meeting and not later than the close of business on the later of the 120th day prior to the date of the annual meeting or the 10th day following the day on which the Company first publicly announces the date of the annual meeting. As to each matter, the notice must contain the information specified in the Bylaws regarding the stockholder giving the notice and the business proposed to be brought before the annual meeting.

The Company's Bylaws provide that a stockholder of record, both at the time of the giving of the required notice set forth in this sentence and at the time of the 2017 annual meeting, entitled to vote at the annual meeting may nominate persons for election to the Board of Directors by mailing written notice to the Corporate Secretary of the Company not more than 150 days nor less than 120 days prior to the first anniversary of the preceding year's annual meeting; provided, however, that in the event the annual meeting is advanced by more than 30 days or delayed by more than 60 days, notice must be received not earlier than the 150th day prior to the date of the annual meeting and not later than the close of business on the later of the 120th day prior to the date of the annual meeting or the 10th day following the day on which the Company first publicly announces the date of the annual meeting. The notice must contain the information specified in the Bylaws regarding the stockholder giving the notice and each person whom the stockholder wishes to nominate for election as a Director. The notice must be accompanied by the written consent of each proposed nominee to serve as one of the Company's directors, if elected.

In addition to our Bylaws, a stockholder shall also comply with all applicable requirements of state law and of the Exchange Act, and the rules and regulations thereunder. Our Bylaw provisions do not affect any right of a stockholder to request inclusion of a proposal in, or our right to omit a proposal from, our Proxy Statement pursuant to Rule 14a-8 (or any successor provision) under the Exchange Act.

APPENDIX A

CITY OFFICE REIT, INC.

AUDIT COMMITTEE CHARTER

This Audit Committee Charter was adopted by the Board of Directors (the Board) of City Office REIT, Inc. (the Company).

I. Purpose

The purpose of the Audit Committee (the Committee) is to assist the Board with its oversight responsibilities regarding: (i) the integrity of the Company s financial statements and internal controls over financial reporting; (ii) the Company s compliance with legal and regulatory requirements; (iii) the independent auditor s qualifications and independence; (iv) the performance of the Company s internal audit function and independent auditor; (v) risk assessment and management; and (iv) the Company s systems of disclosure, controls, procedures and compliance with ethical standards adopted by the Board. The Committee shall prepare the report required by the rules of the Securities and Exchange Commission (the SEC) and the New York Stock Exchange (NYSE) to be included in the Company s annual proxy statement.

In addition to the powers and responsibilities expressly delegated to the Committee in this Charter, the Committee may exercise any other powers and carry out any other responsibilities delegated to it by the Board from time to time consistent with the Company s bylaws. The powers and responsibilities delegated by the Board to the Committee in this Charter or otherwise shall be exercised and carried out by the Committee as it deems appropriate without requirement of Board approval, and any decision made by the Committee (including any decision to exercise or refrain from exercising any of the powers delegated to the Committee hereunder) shall be at the Committee s sole discretion. While acting within the scope of the powers and responsibilities delegated to it, the Committee shall have and may exercise all the powers and authority of the Board.

Notwithstanding the foregoing, the Committee s responsibilities are limited to oversight. Management of the Company is responsible for the preparation, presentation and integrity of the Company s financial statements as well as the Company s financial reporting process, accounting policies, internal auditor, internal accounting controls and disclosure controls and procedures. The independent auditor is responsible for performing an audit of the Company s annual financial statements, expressing an opinion as to the conformity of such annual financial statements with generally accepted accounting principles and reviewing the Company s quarterly financial statements. It is not the responsibility of the Committee to plan or conduct audits or to determine that the Company s financial statements and disclosure are presented fairly in all material respects and in accordance with generally accepted accounting principles and applicable laws, rules and regulations. Each member of the Committee shall be entitled to rely on the integrity of those persons within the Company and of the professionals and experts (including the Company s internal auditor or others responsible for the internal audit function, including contracted non-employee or audit or accounting firms engaged to provide internal audit services (collectively, the internal auditor) and the Company s independent auditor) from which the Committee receives information and, absent actual knowledge to the contrary, the accuracy of the financial and other information provided to the Committee by such persons, professionals or experts.

Management is also responsible for adequately identifying the material risks of the Company; implementing appropriate risk-management strategies that are responsive to the Company s risk profile; integrating consideration of risk and risk-management into the decision-making process of the Company; and if necessary, promulgating policies

and procedures and ensuring such policies and procedures adequately transmit necessary information with respect to material risks to senior executives of the Company, this Committee and the Board as appropriate.

Table of Contents

The Committee, in discharging its oversight role, may conduct or authorize investigations into any matters within the scope of the duties and responsibilities delegated to the Committee and shall have the authority to retain outside counsel or other experts for this purpose, including the authority to approve the fees payable to such counsel or experts and any other terms of retention.

II. Membership

The Committee shall consist of no fewer than three members of the Board. Each Committee member shall be financially literate as determined by the Board in its business judgment or must become financially literate within a reasonable period of time after his or her appointment to the Committee. In addition, at least one member of the Committee shall have accounting or related financial management expertise as determined by the Board in its business judgment, and at least one member of the Committee shall be an audit committee financial expert within the definition adopted by the SEC or the Company shall disclose in its periodic reports required pursuant to the Securities Exchange Act of 1934, as amended (the Exchange Act) the reasons why at least one member of the Committee is not an audit committee financial expert. The designation or determination by the Board of a person as an audit committee financial expert will not impose on such person any greater duties, obligations or liability than would exist in the absence of such a designation or determination.

Each Committee member shall satisfy the independence requirements of the New York Stock Exchange and Rule 10A-3 under the Exchange Act. No Committee members may simultaneously serve on the audit committee of more than two other public companies, unless the Board determines that such simultaneous service would not impair the ability of such member to effectively serve on the Committee and such determination is disclosed in the Company's annual proxy statement.

The members of the Committee, including the Chair of the Committee, shall be appointed by the Board on the recommendation of the Compensation and Nominating Governance Committee. Committee members may be removed from the Committee, with or without cause, by the Board.

III. Meetings and Procedures

The Chair (or in his or her absence, a member designated by the Chair) shall preside at each meeting of the Committee and set the agendas for Committee meetings. The Committee shall have the authority to establish its own rules and procedures for notice and conduct of its meetings, so long as they are not inconsistent with any provisions of the Company's bylaws that are applicable to the Committee.

The Committee shall meet at least once during each fiscal quarter and more frequently as the Committee deems desirable. The Committee shall meet periodically with management, the internal auditor and the independent auditor in separate executive sessions.

The Committee may, at its discretion, include in its meetings members of the Company's management, representatives of the independent auditor, the internal auditor, and any other financial personnel employed or retained by the Company or any other persons whose presence the Committee believes to be necessary or appropriate.

The Committee has the authority to engage any independent counsel, experts or advisors (accounting, financial or otherwise) that the Committee believes to be necessary or appropriate. The Committee may also utilize the services of legal counsel or other advisors to the Company. The Company shall provide for appropriate funding, as determined by

the Committee, for payment of compensation to the independent auditor for the purpose of rendering or issuing an audit report or performing other audit, review or attest services for payment of compensation to any advisors employed by the Committee and for ordinary administrative expenses of the Committee that are necessary or appropriate in carrying out its duties.

B. Pre-Approval of Services. Before the independent auditor is engaged by the Company or its subsidiaries to render audit or non-audit services, the Committee shall pre-approve the engagement. Committee pre-approval of audit and non-audit services will not be required if the engagement for the services is entered into pursuant to pre-approval policies and procedures established by the Committee regarding the Company's engagement of the independent auditor. The Committee may delegate to one or more designated members of the Committee the authority to grant pre-approvals, provided such approvals are presented to the Committee at a subsequent meeting. If the Committee elects to establish pre-approval policies and procedures regarding non-audit services, the Committee must be informed of each non-audit service provided by the independent auditor. - (ii) The Committee shall (A) discuss with the independent auditor its independence from the Company, including whether the provision by the independent auditor of permitted non-audit services is compatible with independence, and (B) obtain and review a written statement prepared by the independent auditor describing all relationships between the independent auditor and the Company, consistent with applicable SEC and Public Company Accounting Oversight Board (PCAOB) rules and guidance with respect to auditor independence, and consider the impact that any relationships or services may have on the objectivity and independence of the independent auditor;
- (iii) The Committee shall confirm with the independent auditor that the independent auditor is in compliance with the partner rotation requirements established by the SEC; and
