Item 8.01. Other Events.

On May 26, 2016, Realogy Holdings Corp., a Delaware corporation (the Company), Realogy Group LLC, a Delaware limited liability company and the Company's indirect, wholly-owned subsidiary (Realogy Group), Realogy Co-Issuer Corp., a Florida corporation and the Company's indirect, wholly-owned subsidiary (the Co-Issuer and, together with Realogy Group, the Issuers), and the subsidiary guarantors named therein entered into a Purchase Agreement (the Purchase Agreement) with the several initial purchasers named in Schedule A thereto, relating to the sale by the Issuers of \$500 million aggregate principal amount of the Issuers' 4.875% senior notes due 2023 at an issue price of 99.269% (the Notes).

The Notes will be issued in a private offering that is exempt from the registration requirements of the Securities Act of 1933, as amended (the Securities Act) to qualified institutional buyers in accordance with Rule 144A and to persons outside of the United States pursuant to Regulation S under the Securities Act.

The Notes will be guaranteed on an unsecured senior basis by each of Realogy Group's domestic subsidiaries (other than the Co-Issuer) that is a guarantor under its senior secured credit facilities and its outstanding senior notes. The Notes will also be guaranteed by the Company on an unsecured senior subordinated basis. The Notes will be effectively subordinated to all of Realogy Group's existing and future senior secured debt, including its senior secured credit facilities, to the extent of the value of the assets securing such debt. Subject to customary closing conditions, the sale of the Notes is expected to close on or about June 1, 2016.

The Purchase Agreement contains customary representations, warranties and agreements by the Issuers and the guarantors. In addition, the Issuers and the guarantors have agreed to indemnify the initial purchasers against certain liabilities, including liabilities under the Securities Act, or to contribute to payments the initial purchasers may be required to make in respect of those liabilities. Furthermore, the Issuers and the guarantors have agreed with the initial purchasers not to offer or sell any similar debt securities for a period of 60 days after the closing date without the prior written consent of the representative of the initial purchasers.

The Company intends to use a portion of the net proceeds from this offering to reduce outstanding borrowings under its revolving credit facility and the remaining proceeds for general corporate purposes, which may include additional debt transactions. The Company continues to evaluate a potential debt transaction in which the Company would extend the maturity date on its Term Loan B facility and reduce the outstanding principal amount under such facility. There can be no assurances that the Company will be able to complete any such transaction on acceptable terms or at all, and its ability to do so will depend upon numerous factors such as market conditions, many of which are outside the Company's control.
