TENNECO PRICES \$500 MILLION OF 5.00% SENIOR NOTES DUE 2026

Lake Forest, Illinois, June 6, 2016 Tenneco Inc. (NYSE: TEN) today announced that it has priced an offering of \$500 million 5.00% senior notes due 2026. Tenneco intends to use the net proceeds of this offering, together with cash on hand or available liquidity, to purchase any and all of its outstanding \$500 million 6 7/8% senior notes due 2020 tendered in the tender offer launched June 6, 2016 and to redeem any of such notes that are not tendered. Tenneco anticipates that the refinancing will result in an annualized reduction of its interest expense of approximately \$9 million. Tenneco expects to record a charge in the second quarter of approximately \$25 million in respect of the purchase of its 6 7/8% senior notes. The offering is not conditioned upon the consummation of the tender offer.

The notes will be general senior obligations of Tenneco and will be guaranteed by each of Tenneco's material domestic wholly-owned subsidiaries that also guarantee Tenneco's senior credit facility. These guarantees will be general senior obligations of the guarantors. The notes and guarantees will not be secured by any assets of Tenneco or the guarantors. The sale of the notes is expected to close on or about June 13, 2016, subject to customary closing conditions.
