- (1) Pursuant to Rule 416(a) under the Securities Act of 1933, as amended (the Securities Act), this registration statement also covers any additional shares of common stock, par value \$1.00 per share (Common Stock), of KeyCorp (the Registrant) that may become issuable in respect of the securities identified in the above table by reason of any stock dividend, stock split, recapitalization, merger, consolidation, reorganization, or other similar transaction which results in an increase in the number of outstanding shares of Common Stock.
- (2) Pursuant to Rule 416(c) under the Securities Act, this registration statement also covers an indeterminate amount of interests to be offered or sold pursuant to the 401(k) Savings Plan of First Niagara.
- (3) Pursuant to Rule 457(c) and Rule 457(h) under the Securities Act, the registration fee is calculated based upon the average of the high and low price of the shares of the Registrant s Common Stock on July 28, 2016. The registration fee payable in respect of 8,727,860 of the shares to be registered was previously paid in connection with the filing with the Securities and Exchange Commission (the Commission) of the Registration Statement on Form S-4 (Registration No. 333-208272) on November 30, 2015, as amended by Pre-Effective Amendments Nos. 1, 2, and 3 filed with the Commission on January 12, 2016, January 22, 2016, and February 4, 2016, respectively (the Form S-4). Accordingly, the registration fee for the shares registered under this Post-Effective Amendment No. 1 on Form S-8 to the Form S-4 is calculated with reference to the 1,560,223 shares of the Registrant s Common Stock for which no registration fee has previously been paid (with respect to each plan listed in the fee table, in proportion to the total number of shares registered under such plan).

EXPLANATORY NOTE

KeyCorp, an Ohio corporation (the Registrant), hereby amends its Registration Statement on Form S-4 (Registration No. 333-208272) filed with the Securities and Exchange Commission (the Commission) on November 30, 2015, as amended by Pre-Effective Amendments Nos. 1, 2, and 3 filed with the Commission on January 12, 2016, January 22, 2016, and February 4, 2016, respectively (the Form S-4), which the Commission declared effective on February 4, 2016, by filing this Post-Effective Amendment No. 1 on Form S-8 (this Registration Statement or Post-Effective Amendment). Of the 10,288,083 shares of the Registrant s common stock, par value \$1.00 per share (Common Stock), covered by this Post-Effective Amendment, 8,727,860 were originally registered under the Form S-4, but will now be subject to issuance pursuant to this Post-Effective Amendment.

The Registrant filed the Form S-4 in connection with the merger (the Merger) contemplated by the Agreement and Plan of Merger, dated as of October 30, 2015 (the Merger Agreement), by and between the Registrant and First Niagara Financial Group, Inc., a Delaware corporation (First Niagara). On August 1, 2016, pursuant to the terms of the Merger Agreement, First Niagara merged with and into the Registrant, with the Registrant surviving the Merger.

Pursuant to the terms of the Merger Agreement, at the effective time of the Merger, each right to receive shares of First Niagara common stock, par value \$0.01 per share (First Niagara Common Stock), issuable upon the exercise or settlement of options, restricted shares, restricted units, and other equity awards granted under (i) the First Niagara Financial Group, Inc. 2012 Equity Incentive Plan, as amended,(ii) the First Niagara Financial Group, Inc. Amended and Restated 2002 Long-Term Incentive Stock Benefit Plan, (iii) the Chester Valley Bancorp Inc. 1997 Stock Option Plan, as amended, (iv) the NewAlliance Bancshares, Inc. 2005 Long-Term Compensation Plan and (v) the Willow Financial Bancorp, Inc. Amended and Restated 2002 Stock Option Plan (collectively, the Equity Plans) converted into the right to receive shares of the Registrant s Common Stock, pursuant to a formula set forth in the Merger Agreement. In addition, at the effective time of the Merger, shares of First Niagara Common Stock held by the 401(k) Savings Plan of First Niagara (the First Niagara 401(k) Plan), which the Registrant assumed in connection with the Merger, were converted into shares of Common Stock pursuant to a formula set forth in the Merger Agreement.

The Registrant is amending the Form S-4 by filing this Post-Effective Amendment for the purpose of registering the shares of Common Stock issuable in connection with the Equity Plans and the First Niagara 401(k) Plan.

Item 4. Description of Securities.

Not applicable.

Item 5. Interests of Named Experts and Counsel.

Not applicable.

Item 6. Indemnification of Directors and Officers.

The Registrant is incorporated under the laws of the state of Ohio. Under Ohio law, Ohio corporations are authorized to indemnify directors, officers, employees, and agents within prescribed limits and must indemnify them under certain circumstances. Ohio law does not provide statutory authorization for a corporation to indemnify directors, officers, employees, and agents for settlements, fines, or judgments in the context of derivative suits. However, it provides that directors (but not officers, employees, and agents) are entitled to mandatory advancement of expenses, including attorneys' fees, incurred in defending any action, including derivative actions, brought against the director, provided the director agrees to cooperate with the corporation concerning the matter and to repay the amount

advanced if it is proved by clear and convincing evidence that his act or failure to act was done with deliberate intent to cause injury to the corporation or with reckless disregard to the corporation's best interests.

Ohio law does not authorize payment of judgments to a director, officer, employee, or agent after a finding of negligence or misconduct in a derivative suit absent a court order. Indemnification is required, however, to the extent such person succeeds on the merits. In all other cases, if a director, officer, employee, or agent acted in good faith and in a manner he reasonably believed to be in or not opposed to the best interests of the corporation, indemnification is discretionary except as otherwise provided by a corporation's articles, code of regulations, or by contract except with respect to the advancement of expenses of directors.

Under Ohio law, a director is not liable for monetary damages unless it is proved by clear and convincing evidence that his action or failure to act was undertaken with deliberate intent to cause injury to the corporation or with reckless disregard for the best interests of the corporation. There is, however, no comparable provision limiting the liability of officers, employees, or agents of a corporation. The statutory right to indemnification is not exclusive in Ohio, and Ohio corporations may, among other things, procure insurance for such persons.

The Registrant's regulations provide that the Registrant shall indemnify to the fullest extent permitted by law any person made or threatened to be made a party to any action, suit, or proceeding by reason of the fact that he is or was a director, officer, or employee of the Registrant or of any other bank, corporation, partnership, trust, or other enterprise for which he was serving as a director, officer, or employee at the request of the Registrant.

Under the terms of the Registrant's directors' and officers' liability and company reimbursement insurance policy, directors and officers of the Registrant are insured against certain liabilities, including liabilities arising under the Securities Act.

The Registrant is also party to Change of Control Agreements with certain executive officers pursuant to which the Registrant has agreed to indemnify the officer, to the full extent permitted or authorized by Ohio law, if the officer is made or threatened to be made a party to any action, suit, or proceeding by reason of the officer's serving as employee, officer, or director of the Registrant and/or any of its subsidiaries, and the Registrant has agreed to advance expenses incurred by the officer in defending any such action, suit, or proceeding.

Item 7. Exemption from Registration Claimed.

Not applicable.

Item 8. Exhibits.

The list of exhibits is set forth under "Exhibit Index" at the end of this Registration Statement and is incorporated by reference herein.

The Registrant intends to merge the First Niagara 401(k) Plan with the Registrant's 401(k) Savings Plan, which has received from the Internal Revenue Service ("IRS") a determination letter that such plan is qualified under Section 401 of the Internal Revenue Code. If the First Niagara 401(k) Plan is not merged with the Registrant's 401(k) Savings Plan, the Registrant will submit any amendment to the First Niagara 401(k) Plan to the IRS in a timely manner and will make any changes required by the IRS in order to qualify the First Niagara 401(k) Plan under Section 401 of the Internal Revenue Code.

Item 9. Undertakings.

(a) The Registrant hereby undertakes:

(1) To file, during any period in which offers or sales are being made, a post-effective amendment to this Registration Statement:

(i) to include any prospectus required by Section 10(a)(3) of the Securities Act;

(ii) to reflect in the prospectus any facts or events arising after the effective date of the Registration Statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in the Registration Statement.

Notwithstanding the foregoing, any increase or decrease in volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of prospectus filed with the Commission pursuant to Rule 424(b) if, in the aggregate, the changes in volume and price represent no more than 20% change in the maximum aggregate offering price set forth in the Calculation of Registration Fee table in the effective Registration Statement; and

(iii) to include any material information with respect to the plan of distribution not previously disclosed in the Registration Statement or any material change to such information in the Registration Statement;

provided, however, that paragraphs (a)(1)(i) and (a)(1)(ii) do not apply if the Registration Statement is on Form S-8, and the information required to be included in a post-effective amendment by those paragraphs is contained in reports filed with or furnished to the Commission by the Registrant pursuant to Section 13 or Section 15(d) of the Exchange Act that are incorporated by reference in the Registration Statement.

(2) That, for the purpose of determining any liability under the Securities Act, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial *bona fide* offering thereof.

(3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

(b) The Registrant hereby undertakes that, for purposes of determining any liability under the Securities Act, each filing of the Registrant's annual report pursuant to Section 13(a) or Section 15(d) of the Exchange Act (and, where applicable, each filing of an employee benefit plan's annual report pursuant to Section 15(d) of the Exchange Act) that is incorporated by reference in the Registration Statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial *bona fide* offering thereof.

(c) Insofar as indemnification for liabilities arising under the Securities Act may be permitted to directors, officers and controlling persons of the Registrant pursuant to the foregoing provisions, or otherwise, the Registrant has been advised that in the opinion of the Commission such indemnification is against public policy as expressed in the Securities Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the Registrant of expenses incurred or paid by a director, officer, or controlling person of the Registrant in the successful defense of any action, suit, or proceeding) is asserted by such director, officer, or controlling person in connection with the securities being registered, the Registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Securities Act and will be governed by the final adjudication of such issue.
