CALCULATION OF FILING FEE

Transaction Valuation

\$557,833,454.78

Amount of Filing Fee

\$64,652.90

* Estimated solely for purposes of calculating the filing fee. This calculation is based on the offer to purchase all of the issued and outstanding shares of common stock, par value \$0.001 per share, of CardConnect Corp. (CardConnect), at a purchase price of \$15.00 per share, net to the seller in cash, without interest and subject to any required tax withholding. The Transaction Valuation was calculated based on the sum of: (i) 31,472,060 issued and outstanding shares of common stock of CardConnect, multiplied by \$15.00 per share; (ii) 8,105,169 shares of common stock of CardConnect underlying outstanding options with an exercise price that is less than \$15.00 per share, multiplied by \$6.77 (rounded up to the nearest cent) per share (which is equal to the difference between \$15.00 and \$8.23 (rounded down to the nearest cent), the weighted average exercise price of such options that have an exercise price that is less than \$15.00 per share); and (iii) 10,300,000 shares of common stock of CardConnect underlying outstanding warrants, multiplied by \$3.00 per share (which is equal to the difference between \$15.00 and \$12.00, the weighted average exercise price of such warrants), which calculations reflect the maximum number of options and warrants that are expected to be outstanding at the time the offer is completed. The foregoing numbers of shares of common stock, options and warrants have been provided by the issuer to the offeror and are as of the close of business on June 5, 2017, the most recent practicable date.

** The filing fee was calculated in accordance with Rule 0-11 under the Securities Exchange Act of 1934, as amended, and Fee Rate Advisory No. 1 for Fiscal Year 2017, issued August 31, 2016, by multiplying the Transaction Valuation by 0.0001159.

Check the box if any part of the fee is offset as provided by Rule 0-11(a)(2) and identify the filing with which the offsetting fee was previously paid. Identify the previous filing by registration statement number, or the form or schedule and the date of its filing.

Rule 13e-4(i) (Cross-Border Issuer Tender Offer)

Rule 14d-1(d) (Cross-Border Third-Party Tender Offer)

This Amendment No. 3 (this Amendment) amends and supplements the Tender Offer Statement on Schedule TO (together with any subsequent amendments and supplements thereto, the Schedule TO), filed with the U.S. Securities and Exchange Commission on June 7, 2017 by Minglewood Merger Sub Inc., a Delaware corporation (Purchaser) and a wholly-owned subsidiary of First Data Corporation, a Delaware corporation (First Data). The Schedule TO relates to the offer by Purchaser to purchase all of the outstanding shares of common stock, par value \$0.001 per share (the Shares), of CardConnect Corp. (CardConnect), at a purchase price of \$15.00 per Share, net to the seller in cash, without interest and subject to any required tax withholding, on the terms and subject to the conditions set forth in the Offer to Purchase, dated June 7, 2017 (the Offer to Purchase) and in the related Letter of Transmittal (which, together with the Offer to Purchase, as they may be amended or supplemented from time to time, collectively constitute the Offer), copies of which are attached to the Schedule TO as Exhibits (a)(1)(A) and (a)(1)(B), respectively.

Except as otherwise set forth in this Amendment, the information set forth in the Schedule TO remains unchanged and is incorporated herein by reference to the extent relevant to the items in this Amendment. Capitalized terms used but not defined herein have the meanings ascribed to them in the Schedule TO.

Items 1 through 9 and Item 11.

Items 1 through 9 and Item 11 of the Schedule TO are hereby amended and supplemented to include the following:

The Offer and related withdrawal rights expired as scheduled at one minute past 11:59 p.m., Eastern Time, on Wednesday, July 5, 2017 (such date and time, the Expiration Time), without being extended. Purchaser was advised by the depositary and paying agent that, as of the Expiration Time, a total of 22,987,356 Shares had been validly tendered and not validly withdrawn pursuant to the Offer, representing approximately 72% of the aggregate number of then issued and outstanding Shares. Accordingly, the number of Shares validly tendered and not validly withdrawn pursuant to the Offer satisfied the Minimum Condition. In addition, Purchaser was advised by the depositary and paying agent that, as of the Expiration Time, 499,747 Shares had been delivered by Notices of Guaranteed Delivery, representing approximately 2% of the aggregate number of then issued and outstanding Shares. As a result of the satisfaction of the Minimum Condition and each of the other conditions to the Offer, Purchaser has accepted for payment, and expects to promptly pay for, all Shares that were validly tendered and not validly withdrawn pursuant to the Offer.

As a result of its acceptance of the Shares validly tendered and not validly withdrawn pursuant to the Offer, Purchaser will have acquired a number of Shares that is greater than the number of Shares that would be required to adopt the Merger Agreement by a vote of the stockholders of CardConnect. Therefore, following consummation of the Offer and subject to the satisfaction or waiver of the remaining conditions set forth in the Merger Agreement, First Data and Purchaser intend to complete the acquisition of the remaining Shares through the Merger as promptly as practicable without a meeting of stockholders of CardConnect pursuant to Section 251(h) of the DGCL. At the Effective Time and as a result of the Merger, each Share that is issued and outstanding immediately prior to the Effective Time (other than (i) Shares owned by Purchaser or First Data or held in CardConnect's treasury or any direct or indirect wholly-owned subsidiary of First Data or CardConnect immediately prior to the Effective Time, or (ii) Shares held by any stockholder that is entitled to demand and properly demands appraisal of such Shares pursuant to, and who complies in all respects with, Section 262 of the DGCL and who, as of the Effective Time, has neither effectively withdrawn nor lost such stockholder's rights to such appraisal and payment under the DGCL with respect to such Shares) will be converted into the right to receive an amount equal to the Merger Consideration.

Following the Merger, all Shares will be delisted from NASDAQ and deregistered under the Exchange Act.

On July 6, 2017, First Data issued a press release announcing the expiration and results of the Offer. The full text of the press release is attached as Exhibit (a)(5)(B) to the Schedule TO and is incorporated herein by reference.
