MERGER PROPOSED YOUR VOTE IS VERY IMPORTANT

October 5, 2017

Dear Stockholder of Hawaiian Telcom Holdco, Inc.:

On July 9, 2017, Hawaiian Telcom Holdco, Inc. (Hawaiian Telcom) entered into an Agreement and Plan of Merger (as it may be amended from time to time, the merger agreement), with Cincinnati Bell Inc., an Ohio corporation (Cincinnati Bell), and Twin Acquisition Corp., a Delaware corporation and a direct wholly owned subsidiary of Cincinnati Bell (Merger Sub).

The merger agreement provides for Merger Sub to be merged with and into Hawaiian Telcom (the merger), after which Hawaiian Telcom will survive the merger as a wholly owned subsidiary of Cincinnati Bell. If the merger is completed, for each share of Hawaiian Telcom common stock you own, you will receive (unless you seek appraisal and comply with all related statutory requirements of the General Corporation Law of the State of Delaware (the DGCL)), at your election, any one of the following less applicable withholding taxes (the merger consideration): (a) 1.6305 common shares, par value \$0.01 per share, of Cincinnati Bell (the Cincinnati Bell common shares), plus cash in lieu of fractional shares (the share consideration), (b) 0.6522 Cincinnati Bell common shares and \$18.45 in cash, without interest, plus cash in lieu of fractional shares (the mixed consideration), or (c) \$30.75 in cash, without interest (the cash consideration). You will have an opportunity to specify the number of shares with respect to which you elect to receive the share consideration, mixed consideration or cash consideration. Both the election to receive the cash consideration and the election to receive the share consideration will be subject to proration procedures to ensure the total amount of cash paid and the total number of Cincinnati Bell common shares issued in the merger, as a whole, will equal the total amount of cash and number of Cincinnati Bell common shares that would have been paid and issued if all Hawaiian Telcom stockholders received the mixed consideration. Each share as to which you do not make an election will receive the mixed consideration. Changes in the market price of Cincinnati Bell common shares prior to the completion of the merger will affect the value of the share consideration and the mixed consideration. Accordingly, we urge you to obtain current market quotations for Cincinnati Bell common shares before deciding whether to vote for adoption of the merger agreement. Shares of Hawaiian Telcom common stock are currently traded on the Nasdaq Stock Market (NASDAQ) under the symbol HCOM , and Cincinnati Bell common shares are currently traded on the New York Stock Exchange (NYSE) under the symbol CBB .

In connection with the merger, Hawaiian Telcom will hold a special meeting of its stockholders (the special meeting) to adopt the merger agreement and to consider and vote on certain other matters. The affirmative vote of the holders of

a majority of all outstanding shares of Hawaiian Telcom common stock entitled to vote on the merger proposal is required to adopt the merger agreement. Stockholders of record as of September 26, 2017 (the record date) are entitled to vote to adopt the merger agreement and for the other proposals presented at the special meeting. In connection with the signing of the merger agreement, Twin Haven Capital Partners L.L.C. and certain of its affiliates, who, collectively and in the aggregate, hold voting power over approximately 22.5% of the outstanding shares of Hawaiian Telcom common stock as of the record date, entered into a voting agreement with Cincinnati Bell. Pursuant to the voting agreement, among other things, such stockholders agreed to vote in favor of adoption of the merger agreement the lesser of 25% of the outstanding shares of Hawaiian Telcom common stock or the total number of shares of Hawaiian Telcom common stock then held by such stockholders.

YOUR VOTE IS VERY IMPORTANT

Information about the special meeting, the merger and the other business to be considered by the Hawaiian Telcom stockholders at the special meeting is contained in the accompanying proxy statement/prospectus, which we urge you to read in its entirety. In particular, see the section titled Risk Factors beginning on page 40 of the accompanying document.

The Hawaiian Telcom board of directors has adopted resolutions approving the merger agreement and declaring it advisable, fair to and in the best interests of Hawaiian Telcom and its stockholders for Hawaiian Telcom to enter into the merger agreement, complete the transactions contemplated thereby, including the merger, and perform Hawaiian Telcom's obligations thereunder, and has adopted, approved and declared advisable and authorized in all respects the merger agreement, the merger and the other transactions contemplated by the merger agreement. The Hawaiian Telcom board of directors recommends that the Hawaiian Telcom stockholders vote (1) **FOR the proposal to adopt the merger agreement; (2) **FOR** the proposal to approve, on a nonbinding, advisory basis, certain compensation that will be paid or may become payable to Hawaiian Telcom's named executive officers that is based on or otherwise relates to the merger as disclosed pursuant to Item 402(t) of Regulation S-K (the merger-related compensation); and (3) **FOR** any adjournment of the special meeting, if necessary or appropriate, to solicit additional proxies in favor of the proposal to adopt the merger agreement.**

QUESTIONS AND ANSWERS

Set forth below are questions that you, as a stockholder of Hawaiian Telcom, may have regarding the merger and the special meeting, and brief answers to those questions. These questions and answers may not address all questions that are important to you. For a more complete description of the legal and other terms of the merger, we encourage you to read carefully this entire document, including the merger agreement, which is attached as Annex A to this proxy statement/prospectus, and the documents incorporated by reference into this document. You may obtain the information incorporated by reference into this document without charge by following the instructions in the section of this proxy statement/prospectus titled **Where To Find More Information** beginning on page 193.

Q: Why am I receiving these materials?

A: On July 9, 2017, Hawaiian Telcom, Cincinnati Bell and Merger Sub entered into the merger agreement, which provides for the merger of Merger Sub, a direct wholly owned subsidiary of Cincinnati Bell, with and into Hawaiian Telcom, with Hawaiian Telcom surviving the merger as a direct wholly owned subsidiary of Cincinnati Bell. In order to complete the merger, Hawaiian Telcom stockholders must vote to adopt the merger agreement. This document is being delivered to you as both a proxy statement of Hawaiian Telcom and a prospectus of Cincinnati Bell in connection with the merger. It is the proxy statement by which the Hawaiian Telcom board of directors is soliciting proxies from you to vote in favor of the proposal to adopt the merger agreement at the special meeting or at any adjournment or postponement of the special meeting. Hawaiian Telcom stockholders are also being asked to vote on a proposal to approve, on a nonbinding, advisory basis, the merger-related compensation. This document is also the prospectus for the offering by Cincinnati Bell of Cincinnati Bell common shares to pay for the share portion of the merger consideration, as described below.

Q: What is the proposed transaction?

A: The proposed transaction is the merger of Merger Sub with and into Hawaiian Telcom pursuant to the merger agreement. Following the effective time of the merger, Hawaiian Telcom would be a direct wholly owned subsidiary of Cincinnati Bell. Cincinnati Bell will issue approximately 7.9 million Cincinnati Bell common shares to Hawaiian Telcom stockholders in the merger (including Cincinnati Bell common shares to be issued in connection with outstanding Hawaiian Telcom equity awards). As a result of these issuances, current Cincinnati Bell shareholders and Hawaiian Telcom stockholders are expected to hold approximately 85% and 15%, respectively, of Cincinnati Bell's outstanding common shares immediately following completion of the merger.

Q: What is the amount of cash and/or the number of Cincinnati Bell common shares that I will be entitled to receive for my shares of Hawaiian Telcom common stock?

A: If the merger agreement is adopted by the Hawaiian Telcom stockholders and the merger is subsequently completed, each issued and outstanding share of Hawaiian Telcom common stock (other than shares of Hawaiian Telcom common stock that are held by Hawaiian Telcom, are held by Cincinnati Bell or Merger Sub or are owned by any direct or indirect wholly owned subsidiary of Cincinnati Bell or Hawaiian Telcom, and dissenting

Edgar Filing: CINCINNATI BELL INC - Form 424B3

shares as described below) will be converted into the right to receive, at the holder's election and subject to proration as set forth in the merger agreement and as described below, any of the following forms of consideration (the merger consideration):

1.6305 Cincinnati Bell common shares, plus cash in lieu of fractional shares (the share consideration);

0.6522 Cincinnati Bell common shares and \$18.45 in cash, without interest, plus cash in lieu of fractional shares (the mixed consideration); or

\$30.75 in cash, without interest (the cash consideration).

Table of Contents

We refer to an election to receive the share consideration as a **share election**, an election to receive the mixed consideration as a **mixed election** and an election to receive the cash consideration as a **cash election**. Hawaiian Telcom stockholders who make a share election or a cash election with respect to any of their shares of Hawaiian Telcom common stock will be subject to proration to ensure that the aggregate number of Cincinnati Bell common shares to be issued by Cincinnati Bell in the merger and the aggregate amount of cash to be paid in the merger will be the same as if all Hawaiian Telcom stockholders received the mixed consideration.

Whether you receive the amount of cash and/or Cincinnati Bell common shares you request in your election form/letter of transmittal (together, the **election form**) will depend in part on the elections of other Hawaiian Telcom stockholders. You may not receive the form of consideration that you elect in the merger, and you may instead receive a prorated amount of cash and/or Cincinnati Bell common shares.

The greater the oversubscription of the share consideration, the fewer shares and more cash a Hawaiian Telcom stockholder making the share election will receive. Reciprocally, the greater the oversubscription of the cash consideration, the less cash and more Cincinnati Bell common shares a Hawaiian Telcom stockholder making the cash election will receive. However, in no event will a Hawaiian Telcom stockholder who makes a cash election or share election receive less cash and more Cincinnati Bell common shares, or fewer Cincinnati Bell common shares and more cash, respectively, than a stockholder who makes a mixed election. For further information, please see the sections titled **The Merger Merger Consideration**, **The Merger Election Materials and Procedures** and **The Merger Proration Procedures** on pages 66-68.

Hawaiian Telcom stockholders who elect to receive the mixed consideration for their shares of Hawaiian Telcom common stock will not be subject to proration for such shares. Hawaiian Telcom stockholders who do not make a valid election prior to the election deadline, or who withdraw their elections prior to the election deadline, will receive the mixed consideration for their shares of Hawaiian Telcom common stock and will not be subject to proration for such shares.

Cincinnati Bell will not issue any fractional shares of Cincinnati Bell common shares in the merger. Instead, a Hawaiian Telcom stockholder who otherwise would have received a fraction of a Cincinnati Bell common share will receive an amount in cash equal to such fractional amount multiplied by the closing sale price of Cincinnati Bell common shares on the NYSE on the last trading day prior to the effective time of the merger. See the sections of this proxy statement/prospectus titled **The Merger Merger Consideration**, **The Merger Election Materials and Procedures** and **The Merger Proration Procedures** beginning on pages 66-68.

Q: What will the holders of Hawaiian Telcom restricted stock units (RSUs) receive in the merger?

A: At the effective time of the merger, each outstanding Hawaiian Telcom RSU granted on or after January 1, 2017 that does not provide for automatic vesting upon the completion of the merger (each such RSU, a **rollover RSU**) will be converted into a time-based RSU of Cincinnati Bell, with respect to a number of Cincinnati Bell common shares (rounded down to the nearest whole share) determined by multiplying the number of shares of Hawaiian Telcom common stock subject to such rollover RSU by a ratio based upon the value of the mixed consideration, subject to substantially the same terms and conditions as were applicable to such rollover RSU immediately prior to the completion of the merger, with any applicable performance criteria deemed satisfied at target levels.

At the effective time of the merger, each other outstanding Hawaiian Telcom RSU (each, a **cash-out RSU**) will be canceled and converted into the right to receive in respect of each share of Hawaiian Telcom common stock subject to

each cash-out RSU (i) the merger consideration (as determined by the holder's election or non-election, as applicable, of the share consideration, mixed consideration or cash consideration) and (ii) a cash payment equal to any accrued dividend equivalents in respect of each such RSU, with any applicable performance criteria based upon actual performance as of immediately prior to the effective time of the merger, as reasonably determined by the Hawaiian Telcom board of directors in consultation with Cincinnati Bell in respect of any performance period that has not concluded prior to the effective time of the merger.

Table of Contents

Q: Will I receive the form of merger consideration that I elect?

A: If you make a mixed election with respect to any shares of Hawaiian Telcom common stock, you will receive the mixed consideration in respect of such shares. If you make a share election or a cash election with respect to any shares of Hawaiian Telcom common stock, you may not receive the exact form of consideration that you elect in respect of such shares. If you make no election with respect to any shares of Hawaiian Telcom common stock and do not properly demand appraisal in accordance with the DGCL, you will receive the mixed consideration in respect of such shares.

Whether you receive the amount of cash and/or Cincinnati Bell common shares you request in your election form will depend in part on the elections of other Hawaiian Telcom stockholders. You may not receive the form of consideration that you elect in the merger, and you may instead receive a prorated amount of cash and/or Cincinnati Bell common shares.

The greater the oversubscription of the share consideration, the fewer shares and more cash a Hawaiian Telcom stockholder making the share election will receive. Reciprocally, the greater the oversubscription of the cash consideration, the less cash and more Cincinnati Bell common shares a Hawaiian Telcom stockholder making the cash election will receive. However, in no event will a Hawaiian Telcom stockholder who makes a cash election or share election receive less cash and more Cincinnati Bell common shares, or fewer Cincinnati Bell common shares and more cash, respectively, than a stockholder who makes a mixed election. For further information, please see the sections titled *The Merger Merger Consideration*, *The Merger Election Materials and Procedures* and *The Merger Proration Procedures* beginning on pages 66-68.

The mix of consideration payable to Hawaiian Telcom stockholders who make the share election and/or the cash election will not be known until the exchange agent tallies the results of the elections made by Hawaiian Telcom stockholders, which will not occur until after the special meeting.
