ITEM 1.01 Entry into a Material Definitive Agreement

On October 23, 2017, Aflac Incorporated (the Company) issued ¥60,000,000,000 aggregate principal amount of its 2.108% Subordinated Debentures due 2047 (the Debentures). The Debentures were offered by the Company in a public offering pursuant to the Company's Registration Statement on Form S-3ASR (No. 333-203839) (the Registration Statement), prospectus dated May 4, 2015, and related prospectus supplement dated October 17, 2017. The Company intends to use the net proceeds of the issuance to fund all or a portion of the redemption price of the Company's 5.50% Subordinated Debentures due 2052, of which \$500,000,000 principal amount are outstanding. The Company intends to use proceeds in excess of such redemption price, if any, for general corporate purposes.

The Company entered into an underwriting agreement, dated October 17, 2017 (the Underwriting Agreement) with Mizuho International plc, Morgan Stanley & Co. International plc and SMBC Nikko Securities America, Inc., as representatives of the underwriters named therein (together, the Underwriters), related to the offering, issuance and sale of the Debentures. The Underwriting Agreement contains customary terms, conditions, representations and warranties and indemnification provisions.

The Debentures bear interest (i) at an initial rate of 2.108% per annum, from and including the date of issuance to, but excluding, October 23, 2027, or earlier redemption and (ii) thereafter the rate of the interest of the Debentures will be reset on each of October 23, 2027, October 23, 2032, October 23, 2037 and October 23, 2042 (each, a reset date). From and including the day immediately following each reset date to and including the next following reset date or the date of earlier redemption (each such period, a reset interest period), the rate of interest of the Debentures will be equal to the then-current JPY 5-year Swap Offered Rate (as defined in the Indenture) plus 205 basis points. Interest will be payable semi-annually in arrears on April 23 and October 23 of each year (each, an interest payment date), beginning on April 23, 2018. The Company has appointed The Bank of New York Mellon, London Branch, as the calculation agent for purposes of determining the JPY 5-year Swap Offered Rate for each reset interest period. The Debentures are the Company's unsecured obligations and will rank subordinate and junior in right of payment to all of its current and future senior indebtedness.

The Debentures were issued under an indenture, dated as of September 26, 2012 (the Base Indenture), between the Company, as issuer, and The Bank of New York Mellon Trust Company, N.A., as trustee (the Trustee), as supplemented by a second supplemental indenture, dated as of October 23, 2017 (the Second Supplemental Indenture and, together with the Base Indenture, the Indenture), between the Company and the Trustee. The Indenture provides for customary events of default, including, among other things, nonpayment, failure to comply with the other agreements in the Indenture for a period of 90 days, and certain events of bankruptcy, insolvency and reorganization.

The Debentures are redeemable, in whole but not in part, at any time, within 90 days of the occurrence of certain tax events or certain rating agency events, in each case, at a redemption price equal to their principal amount plus accrued and unpaid interest to, but excluding, the date of redemption. On or after October 23, 2027, the Company may redeem the Debentures, in whole or in part, on any interest payment date, at their principal amount plus accrued and unpaid interest to, but excluding, the date of redemption.

The foregoing description of the Underwriting Agreement, the Base Indenture and the Second Supplemental Indenture does not purport to be complete and is qualified in its entirety by reference to the full text of such documents. For a complete description of the terms and conditions of the Base Indenture, please refer to the Base Indenture, filed as Exhibit 4.1 to the Company's Current Report on Form 8-K, filed with the Commission on October 1, 2012 and incorporated herein by reference. The Underwriters and their respective affiliates are full service financial institutions engaged in various activities, including securities trading, commercial and investment banking, financial advisory, investment management, investment research, principal investment, hedging, financing, market making, brokerage and other financial and non-financial activities and services. Certain of the Underwriters and their respective affiliates have, from time to time, performed, and may in the future perform, various financial advisory, commercial banking and investment banking services for the Company, and for persons and entities with relationships with the Company, for which they received or will receive customary fees and expenses.
