**Item 2.03 Creation of a Direct Financial Obligation or an Obligation under an Off-Balance Sheet Arrangement of a Registrant.**

The information set forth in Item 8.01 regarding the Euro Notes (as defined below) is incorporated herein by reference.

**Item 8.01 Other Events.**

On February 7, 2018, McKesson Corporation (the Company) entered into an Underwriting Agreement (the Euro Notes Underwriting Agreement) with the several underwriters named therein (the Euro Notes Underwriters), pursuant to which the Company agreed to issue and sell to the Euro Notes Underwriters 250,000,000 aggregate principal amount of its Floating Rate Notes due 2020 (the Floating Rate Notes) and 500,000,000 aggregate principal amount of its 1.625% Notes due 2026 (the Fixed Rate Notes, and, together with the Floating Rate Notes, the Euro Notes).

On February 7, 2018, McKesson Corporation (the Company) entered into an Underwriting Agreement (the USD Notes Underwriting Agreement and, together with the Euro Notes Underwriting Agreement, the Underwriting Agreements) with the several underwriters named therein (the USD Notes Underwriters, and, together with the Euro Notes Underwriters, the Underwriters), pursuant to which the Company agreed to issue and sell to the USD Notes Underwriters \$600,000,000 aggregate principal amount of its 3.950% Notes due 2028 (the USD Notes). The offering of the USD Notes is expected to close on February 16, 2018, subject to customary closing conditions.

On February 12, 2018, the Euro Notes were issued pursuant to the Indenture, dated as of December 4, 2012 (the Indenture) between the Company and Wells Fargo Bank, National Association, as trustee (the Trustee), as supplemented by an Officer's Certificate, dated as of February 12, 2018, setting forth certain terms of the Euro Notes (the Officer's Certificate).

The Floating Rate Notes will bear interest at a floating rate equal to three-month EURIBOR plus 0.15% per year (provided, however, that the minimum interest rate shall be zero), and the Fixed Rate Notes will bear interest at the rate of 1.625% per year. Interest on the Floating Rate Notes is payable on February 12, May 12, August 12 and November 12 of each year, beginning on May 12, 2018. Interest on the Fixed Rate Notes is payable on October 30 of each year, beginning on October 30, 2018.

Upon at least 15 days and not more than 45 days notice to holders of the Fixed Rate Notes, (1) the Company may redeem the Fixed Rate Notes for cash in whole, at any time, or in part, from time to time, prior to maturity, at a redemption price that includes accrued and unpaid interest and a make-whole premium, and (2) the Company may redeem any series of the Euro Notes for cash in whole, but not in part, at any time prior to maturity at a price equal to 100% of, plus accrued and unpaid interest, if certain tax events occur, in each case, as specified in the Indenture and the Officer's Certificate. The Indenture and the Officer's Certificate include certain covenants, including limitations on the Company's ability to create certain liens on its assets or enter into sale and leaseback transactions with respect to its properties, or consolidate, merge or sell all or substantially all of its assets, subject to a number of important exceptions as specified in the Indenture. The Euro Notes are unsecured and unsubordinated obligations of the Company and rank equally with all of the Company's existing and future unsecured and unsubordinated indebtedness from time to time outstanding. The Indenture contains customary event of default provisions. In the event of the occurrence of both (1) a change of control of the Company and (2) a downgrade of a series of Euro Notes below an investment grade rating by each of the Ratings Agencies (as defined in the Officer's Certificate) within a specified period, unless the Company has previously exercised its optional redemption right with respect to that series of Euro Notes in whole, the Company will be required to offer to repurchase the Euro Notes of that series from the holders at a price in cash equal to 101% of the then outstanding principal amount of such series of Euro Notes, plus accrued and unpaid interest to, but not including, the date of repurchase.

Edgar Filing: MCKESSON CORP - Form 8-K

The public offering price of the Floating Rate Notes was 100.400% of the principal amount and the public offering price of the Fixed Rate Notes was 99.898% of the principal amount.
