Table of Contents

Q: Who may vote at the annual meeting?

A: You may vote all of the common shares that you owned at the close of business on February 26, 2018, the record date for the annual meeting (the record date). On the record date, we had 133,505,522 common shares outstanding and entitled to be voted at the meeting. You may cast one vote for each common share held by you on all matters presented at the meeting.

We also have outstanding 5,600,000 shares of our Series F 6.95% Cumulative Convertible Perpetual Preferred Stock (the Series F Preferred Shares) outstanding, and the holders of such shares generally are entitled to vote together with the holders of common shares, as a single class, on all matters voted upon by our common shareholders. Each holder of Series F Preferred Shares is entitled to one vote for each whole vote that the holder of such Series F Preferred Shares would be entitled to cast had such holder converted all of its Series F Preferred Shares into common shares as of the date immediately prior to the record date for the determination of the shareholders entitled to vote on such matters. As of the record date, the holders of Series F Preferred Shares were entitled to 7,777,777 votes in the aggregate.

You may vote all shares owned by you as of the record date for the annual meeting, including (1) shares held directly in your name as the shareholder of record and (2) shares held for you as the beneficial owner through a broker, trustee or other nominee such as a bank.

Q: What is the difference between holding shares as a shareholder of record and as a beneficial owner?

A: Most of our shareholders hold their shares through a broker or other nominee rather than directly in their own name. As summarized below, there are some distinctions between shares held of record and those owned beneficially.

Shareholder of Record

If your shares are registered directly in your name with our transfer agent, American Stock Transfer & Trust Company, LLC, you are considered, with respect to those shares, the shareholder of record, and these proxy materials are being sent directly to you by us. As the shareholder of record, you have the right to grant your voting proxy directly to us or to vote in person at the meeting. We have enclosed or sent a proxy card for you to use.

Beneficial Owner

If your shares are held in a brokerage account or by another nominee, you are considered the beneficial owner of shares held in street name, and these proxy materials are being forwarded to you by your broker, trustee or nominee together with a voting instruction card. As the beneficial owner, you have the right to direct your broker, trustee or nominee how to vote and are also invited to attend the annual meeting.

Since a beneficial owner is not the shareholder of record, you may not vote these shares in person at the meeting unless you obtain a legal proxy from the broker, trustee or nominee that holds your shares giving you the right to vote the shares at the meeting. Your broker, trustee or nominee has enclosed or provided voting instructions for you to use in directing the broker, trustee or nominee how to vote your shares.

Q: How can I attend the annual meeting?

A: You are entitled to attend the annual meeting only if you were a Seaspan shareholder as of the close of business on the record date or you hold a valid proxy for the annual meeting. You should be prepared to present photo identification for admittance to the annual meeting. In addition, if you are a shareholder of record, your name will be verified against the list of shareholders of record on the record date prior to your being admitted to the annual meeting. If you are not a shareholder of record but hold shares through a broker, trustee or nominee (i.e., in street name), you should provide proof of beneficial ownership on the record date, such as your most recent account statement prior to the record date, a copy of the voting instruction card provided by your broker, trustee or nominee, or other similar evidence of ownership. If you do not provide photo identification or comply with the procedures outlined above upon request, you will not

Table of Contents

be admitted to the annual meeting. The meeting is scheduled to begin promptly at 10:00 a.m. (Hong Kong Time) at the offices of Stephenson Harwood, located at 18/F, United Centre, 95 Queensway, Hong Kong, China.

Q: How can I vote my shares in person at the annual meeting?

A: Shares held in your name as the shareholder of record may be voted in person at the annual meeting. Shares held beneficially in street name may be voted in person only if you obtain a legal proxy from the broker, trustee or nominee that holds your shares giving you the right to vote the shares. Even if you plan to attend the annual meeting, we recommend that you also submit your proxy or voting instructions as described below so that your vote will be counted if you later decide not to attend the meeting.

Q: How can I vote my shares without attending the annual meeting?

A: Whether you hold shares directly as the shareholder of record or beneficially in street name, you may direct how your shares are voted without attending the meeting. Holders of record of our common shares and Series F Preferred Shares may submit proxies by completing, signing and dating their proxy cards and mailing them in the enclosed envelopes or via the Internet as directed on the proxy card. Our shareholders who hold shares beneficially in street name may vote by completing, signing and dating the voting instruction cards provided and mailing them in the enclosed envelopes or via the Internet as directed on the proxy card, or otherwise as directed in the voting instruction card provided by your broker, trustee or nominee.

Q: Can I change my vote?

A: You may change your vote at any time prior to the vote at the annual meeting. If you are the shareholder of record, you may change your vote by granting a new proxy bearing a later date (which automatically revokes the earlier proxy), by providing a written notice of revocation to our Secretary by mail received prior to your shares being voted or by attending the annual meeting and voting in person. Attendance at the meeting will not cause your previously granted proxy to be revoked unless you specifically so request. For shares you hold beneficially in street name, you may change your vote by submitting new voting instructions to your broker, trustee or nominee, or, if you have obtained a legal proxy from your broker or nominee giving you the right to vote your shares, by attending the meeting and voting in person.

Q: Is my vote confidential?

A: Proxy instructions, ballots and voting tabulations that identify individual shareholders are handled in a manner that protects your voting privacy. Your vote will not be disclosed either within Seaspan or to third parties, except (1) as necessary to meet applicable legal requirements, (2) to allow for the tabulation of votes and certification of the vote and (3) to facilitate a successful proxy solicitation. Occasionally shareholders provide written comments on their proxy card, which are then forwarded to our management.

Q: How many shares must be present or represented to conduct business at the annual meeting?

A: A quorum is required for our shareholders to conduct business at the annual meeting. The presence at the meeting, in person or by proxy, of the holders of shares having a majority of the voting power represented by all outstanding shares entitled to vote on the record date will constitute a quorum, permitting us to conduct the business of the meeting. Proxies received but marked as abstentions, if any, will be included in the calculation of the number of shares considered to be present at the meeting for quorum purposes. If less than a quorum is present, a majority of those shares present either in person or by proxy shall have power to adjourn the meeting until a quorum is present.

Table of Contents

Q: How are votes counted?

A: In the election of directors, you may vote FOR all of the nominees or your vote may be WITHHELD with respect to one or more of the nominees. For the other items of business, you may vote FOR, AGAINST or ABSTAIN. If you ABSTAIN, the abstention has the same effect as a vote AGAINST.

If you provide specific instructions for a given item, your shares will be voted as you instruct on such item. If you sign your proxy card or voting instruction card without giving specific instructions, your shares will be voted in accordance with the recommendations of the Board (i.e., FOR our nominees to the Board, FOR ratification of the independent auditors, FOR the Common Share Amendment and in the discretion of the proxy holders on any other matters that properly come before the meeting).

If your broker holds your shares in its name (or street name), the broker is permitted to vote your shares on discretionary matters, even if it does not receive voting instructions from you. The proposal to ratify the appointment of KPMG LLP, Chartered Professional Accountants, as Seaspan's independent auditors for the fiscal year ending December 31, 2018, and the Common Share Amendment are the only discretionary matters proposed for action at the annual meeting. If you hold shares beneficially in street name and do not provide your broker with voting instructions on any of the remaining non-discretionary matters, your shares may constitute broker non-votes. In tabulating the voting result for any particular proposal, shares that constitute broker non-votes are not considered entitled to vote on that proposal. Thus, broker non-votes will not affect the outcome of the election of directors, assuming that a quorum is obtained.

Q: What is the voting requirement to approve each of the proposals?

A: In the election of directors, the seven persons receiving the highest number of FOR votes at the annual meeting will be elected. The proposal to ratify the appointment of KPMG LLP as our independent auditors for the fiscal year ending December 31, 2018 requires the affirmative FOR vote of a majority of those shares present in person or represented by proxy and entitled to vote on that proposal at the annual meeting. Approval of the Common Share Amendment requires the affirmative vote, either in person or by proxy, of the holders of a majority of (1) the outstanding Class A common shares and the Series F Preferred Shares (voting as a single class and, in the case of the Series F Preferred Shares, on an as-converted basis) and (2) the outstanding Class A common shares. Abstentions and broker non-votes will have the same effect as voting AGAINST the adoption of this proposal because the required vote is based on the number of shares outstanding rather than the number of votes cast.

Q: Is cumulative voting permitted for the election of directors?

A: No. We do not allow you to cumulate your vote in the election of directors. For all matters proposed for shareholder action at the annual meeting, all common shares and Series F Preferred Shares outstanding as of the close of business on the record date will be entitled to vote together. Each common share outstanding as of the close of business on the record date is entitled to one vote. Each Series F Preferred Share outstanding as of the close of business on the record date is entitled to one vote for each whole vote that the holder of such Series F Preferred Shares would be entitled to cast had such holder converted all of its Series F Preferred Shares into common shares as of the date immediately prior to the record date. As of the record date, the holders of Series F Preferred Shares were entitled to 7,777,777 votes in the aggregate.

Q: What happens if additional matters are presented at the annual meeting?

A: Other than the three items of business described in this proxy statement, we are not aware of any business to be acted upon at the annual meeting. If you grant a proxy, the persons named as proxyholders, Bing Chen and Mark Chu, or any of them, will have the discretion to vote your shares on any additional matters properly presented for a vote at the meeting. If for any unforeseen reason any of our nominees is not available as a candidate for director, the persons named as proxyholder will vote your proxy for such candidate or candidates as may be nominated by the Board, unless the Board chooses to reduce the number of directors serving on the Board.

Table of Contents

Q: What should I do if I receive more than one set of voting materials?

A: You may receive more than one set of voting materials, including multiple copies of this proxy statement and multiple proxy or voting instruction cards. For example, if you hold your shares in more than one brokerage account, you may receive a separate voting instruction card for each brokerage account in which you hold shares. If you are a shareholder of record and your shares are registered in more than one name, you will receive more than one proxy card. Please complete, sign, date and return each proxy card and voting instruction card that you receive or follow the instructions on each card to vote via the Internet.

Q: How may I obtain a separate set of voting materials?

A: If you share an address with another shareholder, you may receive only one set of the proxy statement unless you have provided contrary instructions. If you wish to receive a separate set of proxy materials now or in the future, you may contact us to request a separate copy of these materials at:

Secretary

Seaspan Corporation

Unit 2, 2nd Floor, Bupa Centre,

141 Connaught Road West,

Hong Kong China

Fax: +852-2540-1689

Similarly, if you share an address with another shareholder and have received multiple copies of our proxy materials, you may contact us as indicated above to request delivery of a single copy of these materials.

Q: Who will bear the cost of soliciting votes for the annual meeting?

A: We are making this solicitation and will pay the entire cost of preparing, assembling, printing, mailing and distributing these proxy materials and soliciting votes. In addition to the mailing of these proxy materials, the solicitation of proxies or votes may be made in person, by telephone or by electronic communication by our directors, officers and employees, who will not receive any additional compensation for such solicitation activities. Upon request, we will reimburse brokerage houses and other custodians, nominees and fiduciaries for forwarding proxy and solicitation materials to shareholders.

Q: Where can I find the voting results of the annual meeting?

A: We intend to announce preliminary voting results at the annual meeting and publish final results in a report on Form 6-K filed by us after the annual meeting.

Q: What is the deadline to propose actions for consideration at next year's annual meeting of shareholders or to nominate individuals to serve as directors?

Any such recommendation should include the nominee's name and qualifications for Board membership and should be directed to our Secretary at the address set forth above. To nominate a director, the shareholder must deliver a proxy statement and form of proxy to holders of a sufficient number of our common shares (including common shares issuable upon conversion of our outstanding Series F Preferred Shares) to elect such nominee and provide the information required by Seaspan's bylaws. In addition, the shareholder must give timely notice to our Secretary in accordance with the bylaws, which, in general, require that the notice be received by the Secretary not less than 90 days nor more than 120 days prior to the anniversary date of the immediately preceding annual meeting of shareholders. CORPORATE GOVERNANCE PRINCIPLES AND BOARD MATTERS

We are committed to sound corporate governance principles. These principles contribute to our business success and are essential to maintaining our integrity in the marketplace. Our Corporate Governance Guidelines and Code of Business Conduct and Ethics are available under Corporate Governance in the Investor Relations section of our website at www.seaspancorp.com.

Board Practices

General

The Board currently consists of nine members, but will be reduced to seven members effective immediately before the 2018 annual meeting of shareholders. Each member of the Board is elected to hold office until the next succeeding annual meeting of shareholders and until such director's successor is elected and has been qualified. The chairman of the Board is David Sokol. The deputy chairman of the Board is Peter S. Shaerf.

The Board has determined that each of the seven nominees for election as members of the Board, other than Bing Chen, has no material relationship with us, either directly or as a partner, shareholder or officer of an organization that has a relationship with us, and is, therefore, independent from management.

The independent directors on our board considered the independence of directors David Sokol and Lawrence R. Simkins, in light of their relationships with Dennis Washington, who controls entities that together represent our largest shareholder (including the transfer of 1,000,000 shares of our common stock to Mr. Sokol upon his appointment as our chairman of the board, and their positions as directors and/or officers of The Washington Companies and of Mr. Simkins' position as manager of Deep Water Holdings, LLC, each being affiliates of Mr. Washington), and determined after thoughtful deliberation that both Mr. Sokol and Mr. Simkins are independent directors in accordance with Seaspan's independent director standards. The independent directors on our board also considered the independence of director nominee Lawrence Chin, in light of his position as managing director of Hamblin Watsa Investment Counsel (Fairfax Financial), an affiliate of Fairfax Financial Holdings Limited, and determined after thoughtful deliberation that Mr. Chin meets Seaspan's independent director standards. Affiliates of Fairfax Financial Holdings Limited purchased from us in a private placement in February 2018 an aggregate amount of \$250 million principal amount of our 5.50% senior notes due 2025 and warrants to purchase 38,461,539 or of our Class A common shares, for an aggregate purchase price of \$250 million. For additional information about the relationships of Mr. Sokol and Mr. Simkins with Dennis Washington and his affiliates, and for additional information about our private placement with affiliates of Fairfax Financial Holdings Limited, please read Item 7. Major Shareholders and Related Party Transactions B. Related Party Transactions in our 2017 Annual Report on Form 20-F.

Committees

As of the date hereof, the Board has the following four committees: audit committee, compensation committee, governance and conflicts committee and executive committee. The membership of the committees, both in 2017 and as of the date hereof, and the function of each of the committees, as of the date hereof, are described below. Each of our committees operates under a written charter adopted by the Board. All of the current committee charters are available under Corporate Governance in the Investor Relations section of our website at www.seaspancorp.com.

During 2017, the Board held seven meetings, the audit committee held four meetings, the compensation committee held five meetings, the governance and conflicts committee held five meetings and the executive committee held five meetings. The governance and conflicts committee was actively involved in business and strategic matters over the course of 2017.

The audit committee of the Board is composed entirely of directors who satisfy applicable New York Stock Exchange (NYSE) and SEC audit committee independence standards. In 2017 and currently, the audit

committee members were and are Nicholas Pitts-Tucker (chair), John C. Hsu and Peter S. Shaerf. All members of the committee are financially literate, and the Board determined that Mr. Pitts-Tucker qualifies as a financial expert. The audit committee assists the Board in fulfilling its responsibilities for general oversight of: (1) the integrity of our consolidated financial statements; (2) our compliance with legal and regulatory requirements; (3) the independent auditors' qualifications and independence; and (4) the performance of our internal audit function and independent auditors.

The executive committee of our board of directors was established in April 2017 to support the efficient functioning of the Board by identifying, evaluating and coordinating, on behalf of the Board, such matters as the committee determines should be preliminarily considered by the committee prior to consideration of such matters by the full Board, and advising the Board on such matters. Such matters include (1) succession planning for our CEO, executive officers and members of senior management, (2) advising senior management with respect to capital formation and liquidity needs, (3) aiding the Board in handling matters as to which, subject to applicable law, the Board may expressly delegate authority to approve to the committee from time to time and (4) reviewing and providing input to senior management regarding material corporate policies. As of the date hereof, the executive committee consists of Bing Chen, David Sokol and Lawrence Simkins.

The compensation committee of the Board during 2017 was, and is, composed entirely of directors who satisfy applicable NYSE independence standards. The compensation committee consisted from January through April, 2017 of John C. Hsu (chair), Nicholas Pitts-Tucker and Peter S. Shaerf; David Sokol joined the compensation committee in April 2017.

The governance and conflicts committee of the Board during 2017 was, and is, composed of Peter S. Shaerf (chair), Harald H. Ludwig, David Lyall and Nicholas Pitts-Tucker. Each member of the committee satisfies applicable NYSE and SEC audit committee independence standards.

On February 22, 2018, the Board approved the restructuring of the Board committees by combining the formerly separate compensation committee and the governance and conflicts committee into a combined compensation and governance committee effective April 27, 2018. The new compensation and governance committee will: (1) review, evaluate and approve our agreements, plans, policies and programs to compensate our officers and directors; (2) produce a report on executive compensation, which is included in our proxy statement; (3) otherwise discharge the Board's responsibilities relating to the compensation of our officers and directors; (4) assist the Board with corporate governance practices, evaluating director independence and conducting periodic performance evaluations of the members of the Board; and (5) perform such other functions as the Board may assign to the committee from time to time. In addition, effective April 27, 2018 the audit committee will have the mandate to oversee certain potential conflicts and related party transactions, which currently resides with the existing governance and conflicts committee.

The report of the compensation committee is included beginning on page 15 of this proxy statement and the report of the audit committee is included on page 24.

Exemptions from NYSE Corporate Governance Rules

As a foreign private issuer, we are exempt from certain corporate governance rules that apply to U.S. domestic companies under NYSE listing standards. The significant ways in which our corporate governance practices differ from those followed by U.S. domestic companies are that (1) we are not required to obtain shareholder approval prior to the adoption of equity compensation plans or certain equity issuances, including, among others, issuing 20% or more of our outstanding common shares or voting power in a transaction, and (2) the Board, rather than a separate nominating committee of independent directors, evaluates and approves our director nominees.

Unlike domestic companies listed on the NYSE, foreign private issuers are not required to have a majority of independent directors or a compensation committee or a nominating/corporate governance committee, and the

Table of Contents

standard for independence applicable to foreign private issuers may differ from the standard that is applicable to domestic issuers. The Board has determined that seven of our current nine directors (being John C. Hsu, Harald H. Ludwig, David Lyall, Lawrence Simkins, David Sokol, Nicholas Pitts-Tucker and Peter S. Shaerf) and both director nominees Lawrence Chin and Stephen Wallace satisfy the NYSE's independence standards for domestic companies.

Consideration of Director Nominees

Shareholder Nominees

The Board will consider properly submitted shareholder nominations for Board candidates. In evaluating these nominations, the Board considers, among other things, the balance of reputation, knowledge, experience, diversity of viewpoints, background, experience and other demographics and capability on the Board. Any shareholder nominations proposed for consideration by the Board should include the nominee's name and qualifications for Board membership as required by our bylaws and should be mailed or faxed, addressed to:

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

From time to time since our initial public offering in 2005, we have entered into agreements and have consummated transactions with certain related parties. For more information on these agreements and transactions, please read Item 7. Major Shareholders and Related Party Transactions B. Related Party Transactions in our 2017 Annual Report on Form 20-F. Effective April 27, 2018, we will consolidate our Board committee structure and reallocate to the audit committee this related party transaction oversight responsibility.

In 2017, the chairman of the board was granted 1.0 million fully-vested Class A common shares. The chairman will not receive any further cash or share-based compensation from us for his services through to the end of 2020.

Equity Incentive Plan

In December 2005, our board of directors adopted the Seaspan Corporation Stock Incentive Plan (the Plan), which is administered by our board of directors and, under which our officers, employees and directors may be granted options, restricted shares, phantom share units and other stock based awards as may be determined by our board of directors. In December 2017, we amended and restated the Plan to increase the

number of common shares reserved for issuance under the Plan from 3,000,000 to 5,000,000. On January 1, 2017, each of our non-employee directors was awarded 12,737 restricted shares, which vested on January 1, 2018. On April 24, 2017, Larry Simkins and David Sokol were granted 9,317 and 8,794 restricted shares, respectively, which vested on January 1, 2018. In 2017, we also granted an aggregate of 90,000 phantom share units to our executive officers, other than our chief executive officer under the Plan, which are subject to a three-year annual vesting period which began on January 1, 2018.

In connection with his retirement, and as more fully described in our 2017 Annual Report on Form 20-F at Item 7. Major Shareholders and Related Party Transactions B. Related Party Transactions Employment Agreement with Gerry Wang , we issued under the Plan 200,000 common shares to Gerry Wang in exchange for the cancellation of outstanding performance stock units granted to him in May 2016. Mr. Wang also received accelerated vesting of the restricted stock units granted to him in May 2016, but this stock was granted outside of the Plan. The 1,000,000 shares of common stock issued by us to David Sokol in connection with this appointment as chairman of the board were also issued outside of the Plan.

Seaspan Ship Management Ltd., one of our subsidiaries, has a Cash and Share Bonus Plan under which its key employees may be granted awards comprised of 50% cash and 50% common shares of Seaspan issued under the Plan. The purpose of the Cash and Share Bonus Plan is to align the interests of SSML s management with our interests, and the awards granted under the Cash and Share Bonus Plan are subject to the terms and conditions of the Plan (including the maximum number of issuable shares). Our executive officers who participate in the Plan are also eligible to participate in the Cash and Share Bonus Plan in their capacities as employees of SSML. In 2017, SSML granted awards to our executive officers under the Cash and Share Bonus Plan comprised of an aggregate of \$0.2 million cash and 19,136 common shares of Seaspan.

In 2013, we granted 1,664,457 stock appreciation rights, or SARs, to certain members of management, or the Participants, which vest and become exercisable in three tranches when and if the fair market value of the common shares equals or exceeds the applicable base price for the applicable tranche for any 20 consecutive trading days on or before the expiration date of such tranche. The Participants may exercise each vested tranche of SARs and receive common shares with a value equal to the difference between the applicable base price and the fair market value of the common shares on the exercise date. The common shares received on the exercise of SARs are subject to a retention requirement where the Participant is required to retain ownership of 50% of the net after tax number of shares until the later of March 22, 2018 or 120 days after the exercise date. The remaining SARs expired on December 31, 2017. Please see note 15 to our consolidated financial statements in our 2017 Annual Report on Form 20-F.

**REPORT OF THE COMPENSATION COMMITTEE
OF THE BOARD OF DIRECTORS ON EXECUTIVE COMPENSATION**

Our executive compensation program is administered by the compensation committee of the Board, which, after April 27, 2018, will be the compensation and governance committee.

Executive Compensation Philosophy

The compensation committee is responsible, among other things, for reviewing and evaluating the executive compensation of our chief executive officer, our chief financial officer and other senior officers, and our directors. Generally, the goals of our compensation program are to:

attract, retain and motivate a high-caliber executive leadership team;

pay competitively and consistently within an appropriately defined market;

align executive compensation with shareholder interests; and

link compensation to our performance and the individual performance of our executive officers and directors.

Executive Compensation Practices

Each year, we survey the executive compensation practices of our industry peer groups. The level of executive compensation will be commensurate with our performance both within and outside our peer group.

Components of Executive Compensation

Base Pay

Base pay is baseline cash compensation and is determined by the competitive market and individual performance. The base pay for our former chief executive officer for 2017 was established by an employment agreement, as amended, between us and Gerry Wang. For more information about our employment agreement with Mr. Wang, please read Item 7. Major Shareholders and Related Party Transactions B. Related Party Transactions Employment Agreement with Gerry Wang in our 2017 Annual Report on Form 20-F.

The base pay for our current chief executive officer, Bing Chen, was established by an employment agreement between us and Mr. Chen, which was entered into in October 28, 2017; Mr. Chen commenced employment with us on January 8, 2018. For more information about our employment agreement with Mr. Chen, please read Item 7. Major Shareholders and Related Party Transactions B. Related Party Transactions Employment Agreement with Current CEO Bing Chen in our 2017 Annual Report on Form 20-F.

The base pay for our other executive officers is also established by employment agreements between each such officer and our subsidiary Seaspan Ship Management Ltd. For more information about our employment agreement with Messrs. Curtis, Chu and Spivak, please read Item 7. Major Shareholders and Related Party Transactions B. Related Party Transactions Employment Agreement with Senior Management in our 2017 Annual Report on Form 20-F.

Annual Bonus

Our annual bonus program for our executive officers, including Mr. Chen, focuses on matching reward with the individual's performance and our financial performance in the fiscal year through comparison to established targets and the financial performance of peer companies. The bonus includes cash and stock-based compensation, which will be evaluated and determined by the compensation committee in conjunction with the

chief executive officer.

PROPOSAL NO. 3

**AMENDMENT TO THE AMENDED AND RESTATED ARTICLES OF INCORPORATION
TO INCREASE THE NUMBER OF AUTHORIZED CLASS A AND COMMON SHARES AND
AUTHORIZED SHARES OF CAPITAL STOCK**

Introduction

Our Amended and Restated Articles of Incorporation currently authorize 225,000,100 common shares, consisting of 200,000,000 Class A common shares, 25,000,000 Class B common shares and 100 Class C common shares, and 150,000,000 preferred shares, in each case with a par value of US\$0.01. We currently do not have outstanding, or intend to issue, any Class B or Class C common shares. As of February 15, 2018, there were outstanding 133,505,518 Class A common shares and approximately 55,000,000 additional Class A common shares were reserved for issuance upon the exercise of outstanding warrants, upon the conversion of outstanding Series F Preferred Shares and in connection with equity-based awards to directors, officers and employees. Accordingly, as of February 15, 2018 we only had approximately 11,500,000 of authorized but unissued or unreserved Class A common shares.

Description of the Amendment

On February 22, 2018, the Board unanimously approved an amendment to Section 3.1 of Article III of the Amended and Restated Articles of Incorporation, subject to shareholder approval, to increase the number of authorized Class A common shares from 200,000,000 to 400,000,000, with corresponding increases in the number of authorized common shares from 225,000,100 to 425,000,100 and in the number of authorized shares of capital stock from 375,000,100 to 575,000,100 (the Common Share Amendment). The proposed Common Share Amendment will not, if adopted, result in an increase in the number of authorized preferred shares.

The Board is recommending this increase in the number of authorized Class A and common shares and shares of authorized capital stock primarily to: provide us additional flexibility to raise capital through the issuance of additional Class A common shares; provide equity as a potential form of consideration for future acquisitions; and continue the stock-based compensation of our directors, executives and employees. However, the newly authorized Class A common shares would be issuable for any proper corporate purpose. The Class A common shares may be issued by the Board in its discretion upon the terms as the Board or an applicable Board committee deems appropriate.

The Board believes that these additional Class A common shares will provide us with the ability to timely act on favorable market conditions in the future without the potential expense and delay incident to obtaining shareholder approval for an amendment to the Amended and Restated Articles of Incorporation at that time.

Effect of the Amendment

The increase in the number of Class A common shares, common shares and shares of capital stock authorized for issuance will have no dilutive effect upon the proportionate voting power of our present shareholders. Any subsequent issuance of the Class A common shares would have a dilutive effect upon the voting power and could have a dilutive effect upon the economic interest of our present shareholders.

Effectiveness

The Common Share Amendment will become effective upon the filing of an amendment to our Amended and Restated Articles of Incorporation with the Registrar of Corporations of the Marshall Islands after approval by our shareholders.

Table of Contents

Required Vote

Approval of the Common Share Amendment requires the affirmative vote, either in person or by proxy, of the holders of a majority of each of (1) the outstanding Class A common shares and the Series F Preferred Shares (voting as a single class and, in the case of the Series F Preferred Shares, on an as-converted basis) and (2) the outstanding Class A common shares. Abstentions and broker non-votes will have the same effect as voting AGAINST the adoption of this proposal because the required vote is based on the number of shares outstanding rather than the number of votes cast.

The Board recommends a vote FOR the Common Share Amendment.
