ITEM 1.01 ENTRY INTO A MATERIAL DEFINITIVE AGREEMENT

On March 7, 2018, Stryker Corporation (the Company) completed a public offering (the Offering) of \$600,000,000 aggregate principal amount of the Company's 3.650% notes due 2028 (the Notes). The Notes were offered pursuant to its Automatic Shelf Registration Statement on Form S-3 (File No. 333-209526) and the Prospectus included therein, filed with the Securities and Exchange Commission on February 12, 2016 and supplemented by the Prospectus Supplement dated February 26, 2018.

The Notes were issued under an Indenture, dated January 15, 2010 (the Base Indenture), between the Company and U.S. Bank National Association, as trustee (the Trustee), as supplemented by the Fourteenth Supplemental Indenture, dated March 7, 2018, between the Company and the Trustee (the Supplemental Indenture and the Base Indenture as so supplemented, the Indenture). The Notes will bear interest at a rate of 3.650% per year. Interest on the Notes is payable on March 7 and September 7 of each year, commencing on September 7, 2018. The Notes will mature on March 7, 2028.

The Company may redeem the Notes prior to their maturity at the Company's option for cash, any time in whole or from time to time in part, at redemption prices that include accrued and unpaid interest and a make-whole premium, as specified in the Indenture. However, no make-whole premium will be paid for redemption of the Notes on or after the par call date specified in the Indenture.

The public offering price of the Notes was 99.958% of the principal amount. The Company expects to receive net proceeds of approximately \$595 million, after deducting the underwriting discount and its expenses related to the Offering. The Company intends to use these net proceeds to repay \$600 million of its outstanding 1.300% notes due April 1, 2018 at maturity.

The Company may issue additional debt from time to time pursuant to the Indenture. The Indenture contains covenants that limit the Company's ability to, among other things, incur certain liens securing indebtedness, engage in certain sale and leaseback transactions, and enter into certain consolidations, mergers, conveyances, transfers or leases of all or substantially all of the Company's assets. Subject to certain limitations, in the event of the occurrence of both (1) a change of control of the Company and (2) a downgrade of the Notes below investment grade rating by both Moody's Investors Services, Inc. and Standard & Poor's Ratings Services within a specified time period, the Company will be required to make an offer to purchase the Notes at a price equal to 101% of the principal amount of the Notes, plus accrued and unpaid interest to the date of repurchase.

The foregoing description of the Base Indenture and Supplemental Indenture does not purport to be complete and is qualified in its entirety by reference to the full text of such documents, which are filed as Exhibits 4.1 and 4.2, respectively, and incorporated herein by reference.

The Underwriters and their affiliates have performed, from time to time, and may in the future perform, various investment banking, commercial lending, financial advisory and other services for the Company for which they received or will receive customary fees and expenses.

ITEM 2.03 CREATION OF A DIRECT FINANCIAL OBLIGATION OR AN OBLIGATION UNDER AN OFF-BALANCE SHEET ARRANGEMENT OF A REGISTRANT

The information set forth in Item 1.01 above with respect to the Notes is hereby incorporated by reference into this Item 2.03, insofar as it relates to the creation of a direct financial obligation.

ITEM 9.01 FINANCIAL STATEMENTS AND EXHIBITS

The agreements included as exhibits to this Current Report on Form 8-K contain representations and warranties by each of the parties to the applicable agreement. These representations and warranties were made solely for the benefit of the other parties to the applicable agreement and (i) were not intended to be treated as categorical statements of fact, but rather as a way of allocating the risk to one of the parties if those statements prove to be inaccurate; (ii) may have been qualified in such agreement by disclosures that were made to the other party in connection with the negotiation of the applicable agreement; (iii) may apply contract standards of materiality that are different from materiality under the applicable securities laws; and (iv) were made only as of the date of the applicable agreement or such other date or dates as may be specified in the agreement.

The Company acknowledges that, notwithstanding the inclusion of the foregoing cautionary statements, it is responsible for considering whether additional specific disclosures of material information regarding material contractual provisions are required to make the statements in this Current Report on Form 8-K not misleading.
