Nomura Determines to Make Disposition of Treasury Shares as Stock

Award and Submits Shelf Registration Statement

Tokyo, May 14, 2018 Nomura Holdings, Inc. (the Company) today announced that its Executive Management Board has determined to make a disposition of treasury stock as outlined below (the Decision¹), and, as of today, the Company submitted a shelf registration statement regarding the disposition of treasury stock.

I. Disposition of Treasury Stock

1. Purpose of Disposition of Treasury Stock

As the Company announced in Nomura to Grant Restricted Stock Units (RSUs) issued on April 26, 2018, the Company has determined to introduce a Restricted Stock Unit (RSU) Plan (the Plan) for directors, executive officers, and employees of the Company and its subsidiaries (the Allottees) as deferred compensation using the Company's treasury stock from this fiscal year, in lieu of existing deferred compensation programs such as the issuance of stock acquisition rights (stock options).

Under this Plan, in principle, after the expiration of a deferral period determined beforehand by the Company, the Company will dispose of and allot treasury stock in a number corresponding to the number of RSUs granted to each Allottee which number is determined beforehand by the Company, by having the Allottees make a contribution in kind to the Company of monetary compensation claims granted to the Allottees.

The allotment date for the disposition of treasury stock under the Decision corresponds to the above-mentioned deferral period and is generally a date that is approximately one, two or three years from the date of the Decision, respectively, for RSU No.1 to No.3. As for certain overseas employees who are subject to remuneration regulations in Europe, the allotment date is a date that is approximately four, five, six or seven years from the date of the Decision, respectively, for RSU No.4 to No.7.

2. Number of Shares to be Allotted and Allottees

Shares to be Allotted to Directors and Executive Officers of the Company

¹ Allotment of the disposition of treasury stock to each of the Company's directors and executive officers is in accordance with the decision made by the Compensation Committee.

Shares to be Allotted to Employees, etc.

	Employees of the Company		Directors, Executive Officers, and Employees of the Company's Subsidiaries, etc.	
	Number of Allottees	Number of Shares to be Allotted	Number of Allottees	Number of Shares to be Allotted

RSU No.6	1	7,800	9	116,800
RSU No.7	1	7,800	9	116,600

(Note) The number of shares to be allotted above is based on the assumption that all monetary compensation claims to be granted to the Allottees in accordance with the Plan are contributed. The actual amount of monetary compensation claims to be contributed in kind will be calculated by deducting a certain amount to be granted in cash, the amount of which will be determined in consideration of withholding to be made by the Company with respect to the Plan based on each country's tax regulations, from the amount of such monetary compensation claims, and hence the number of shares to be actually allotted is expected to decrease from the above numbers. In addition, the number of shares to be allotted is an estimated number at this point, and, if the Allottee's continuous service is terminated prior to vesting date due to his/her own reasons, or any other certain events arise, the number of shares to be allotted may decrease without subscription of the Company's shares.

Number of Shares to be Allotted and Allottees above) and the disposition price, etc., listed above could be reasonably adjusted according to the ratio of stock split, etc.

4. Calculation Basis of Disposition Price and its Specific Content

Disposition price of the disposition of treasury stock based on the Decision is 611.4 yen, which is the closing price of shares of common stock of the Company on the Tokyo Stock Exchange as of the business day immediately preceding the date of the Decision (May 11, 2018). The reason to adopt the closing price of such date is that the Company has determined that, in the circumstance where the shares of common stock of the Company are listed and no special condition exists that shows an impossibility to depend on the latest stock price, such stock price is a reasonable one, which reflects corporate performance and market's supply/demand circumstance and excludes arbitrariness, and does not fall under an offering at a favorable price.

II. Shelf Registration

The Company submitted, as of today, the shelf registration statement regarding the disposition of treasury stock with respect to the Plan as follows:

1. Purpose of Shelf Registration	See I. 1. Purpose of Disposition of Treasury Stock above
