Item 5.03 Amendment to Articles of Incorporation or Bylaws; Change in Fiscal Year.

On July 23, 2018, Energy Transfer Partners, L.P. (the Partnership) issued 17,800,000 of its 7.625% Series D Fixed-to-Floating Rate Cumulative Redeemable Perpetual Preferred Units representing limited partner interests in the Partnership (the Series D Preferred Units), at a price to the public of \$25.00 per unit, pursuant to the previously filed Underwriting Agreement, dated as of July 16, 2018, by and between the Partnership and J.P. Morgan Securities LLC, Merrill Lynch, Pierce, Fenner & Smith Incorporated, Morgan Stanley & Co. LLC, RBC Capital Markets, LLC and Wells Fargo Securities, LLC (the Underwriters).

On July 23, 2018, in connection with the issuance of the Series D Preferred Units, Energy Transfer Partners GP, L.P. (the General Partner) adopted Amendment No. 3 (the LPA Amendment) to the Fourth Amended and Restated Agreement of Limited Partnership of the Partnership to establish the rights and obligations of the Series D Preferred Units. The Series D Preferred Units entitle their holders to certain rights that are senior to the rights of holders of common units representing limited partner interests in the Partnership (Common Units), such as rights to certain distributions and rights upon liquidation of the Partnership.

The Series D Preferred Units rank senior to the Common Units and to any other class or series of the Partnership's equity interests that may be established after the original issue date of the Series D Preferred Units (the Original Issue Date) and that are not expressly made senior to or on parity with the Series D Preferred Units as to the payment of distributions and amounts payable upon a liquidation event. The Series D Preferred Units rank junior to any other class or series of the Partnership's equity interests that may be established after the Original Issue Date and that are expressly made senior to the Series D Preferred Units as to the payment of distributions and amounts payable upon a liquidation event. The Series D Preferred Units rank on parity with the Partnership's 6.250% Series A Fixed-to-Floating Rate Cumulative Redeemable Perpetual Preferred Units, 6.625% Series B Fixed-to-Floating Rate Cumulative Redeemable Perpetual Preferred Units and 7.375% Series C Fixed-to-Floating Rate Cumulative Redeemable Perpetual Preferred Units. The Series D Preferred Units have no stated maturity and are not subject to mandatory redemption or any sinking fund and will remain outstanding indefinitely unless repurchased or redeemed by the Partnership, as described below.

Distributions on the Series D Preferred Units are cumulative from the Original Issue Date and will be payable quarterly in arrears on the 15th day of February, May, August and November of each year, in each case, when, as, and if declared by the General Partner. A pro-rated initial distribution on the Series D Preferred Units will be payable on November 15, 2018 in an amount equal to approximately \$0.5931 per Series D Preferred Unit. Distributions on the Series D Preferred Units will be payable out of amounts legally available therefor from and including the Original Issue Date to, but not including, August 15, 2023 at a rate equal to 7.625% per annum of the \$25.00 liquidation preference. On and after August 15, 2023, distributions on the Series D Preferred Units will accumulate for each distribution period at a percentage of the \$25.00 liquidation preference equal to an annual floating rate of the three-month LIBOR plus a spread of 4.738%.

The Series D Preferred Units may be redeemed by the Partnership at its option (i) at any time following the occurrence of certain ratings agency events, in whole but not in part, out of funds legally available for such redemption, at a redemption price in cash of \$25.50 per Series D Preferred Unit plus an amount equal to all accumulated and unpaid distributions thereon to, but not including, the date of redemption, whether or not declared, or (ii) at any time on or after August 15, 2023, in whole or in part, out of funds legally available for such redemption, at a redemption price in cash of \$25.00 per Series D Preferred Unit plus an amount equal to all accumulated and unpaid distributions thereon to, but not including, the date of redemption, whether or not declared.

Edgar Filing: Energy Transfer Partners, L.P. - Form 8-K

Holders of Series D Preferred Units will generally have no voting rights, except as required by law and for limited voting rights with respect to (i) potential amendments to the Partnership Agreement that would have a material adverse effect on the existing terms of the Series D Preferred Units, (ii) the creation or issuance of any securities on parity with the Series D Preferred Units if the cumulative distributions payable on then outstanding Series D Preferred Units (or parity securities) are in arrears or (iii) the creation or issuance of any senior securities.

The terms of the Series D Preferred Units are more fully set forth in the LPA Amendment, a copy of which is attached as Exhibit 3.1 to this Current Report on Form 8-K and incorporated into this Item 5.03 by reference.
