Item 2.01 Completion of Acquisition or Disposition of Assets.

On September 20, 2018, Legacy Reserves LP, a Delaware limited partnership (the Partnership), completed the previously announced transactions contemplated by the Amended and Restated Agreement and Plan of Merger (the Merger Agreement), dated July 9, 2018, by and among the Partnership, Legacy Reserves Inc., a Delaware corporation (the Company), Legacy Reserves GP, LLC, a Delaware limited liability company and general partner of the Partnership (the General Partner), and Legacy Reserves Merger Sub LLC, a Delaware limited liability company and a wholly owned subsidiary of the Company (Merger Sub), and the GP Purchase Agreement (the GP Purchase Agreement), dated March 23, 2018, by and among the Partnership, the General Partner, the Company, Lion GP Interests, LLC (Lion LLC), Moriah Properties Limited, and Brothers Production Properties, Ltd., Brothers Production Company, Inc., Brothers Operating Company, Inc., J&W McGraw Properties, Ltd., DAB Resources, Ltd. and H2K Holdings, Ltd. (such transactions referred to herein collectively as the Corporate Reorganization). Pursuant to the terms and conditions set forth in the Merger Agreement and the GP Purchase Agreement, upon the consummation of the Corporate Reorganization:

the Company, which, prior to the Corporate Reorganization, was a wholly owned subsidiary of the General Partner, acquired all of the issued and outstanding limited liability company interests in the General Partner (the GP Interests) and became the sole member of the General Partner with the General Partner becoming a subsidiary of the Company; and

the Partnership merged with Merger Sub (the Merger), with the Partnership continuing as the surviving entity and as a subsidiary of the Company, with the limited partner interests in the Partnership (other than the incentive distribution units in the Partnership (the IDUs)) being exchanged for shares of common stock, par value \$0.01, of the Company (the Common Stock) and the General Partner interest remaining outstanding.

Merger Agreement

Pursuant to the Merger Agreement, at the effective time of the Merger (the Effective Time), (i) each outstanding unit representing a limited partner interest in the Partnership (a Unit and collectively, the Units) was converted into the right to receive one share of Common Stock, (ii) each outstanding 8% Series A Fixed-to-Floating Rate Cumulative Redeemable Perpetual Preferred Unit representing a limited partner interest in the Partnership (a Series A Preferred Unit and collectively, the Series A Preferred Units) was converted into the right to receive 2.92033118 shares of Common Stock, with any rights to accumulated and unpaid distributions discharged, and (iii) each outstanding 8% Series B Fixed-to-Floating Rate Cumulative Redeemable Perpetual Preferred Unit representing a limited partner interests in the Partnership (a Series B Preferred Unit and collectively, the Series B Preferred Units and, together with the Units and Series A Preferred Units, the Partnership Equity) were converted into the right to receive 2.90650421 shares of Common Stock, with any rights to accumulated and unpaid distributions discharged (such amounts, collectively, the Merger Consideration).

All IDUs issued and outstanding prior to the Corporate Reorganization were automatically cancelled and ceased to exist. Following the Corporate Reorganization, the General Partner's general partner interest remains outstanding in the Partnership, unaffected by the Merger. No fractional shares of Common Stock were issued in the Merger; holders of Series A Preferred Units and Series B Preferred Units will receive cash in lieu of such fractional shares.

Pursuant to the Merger Agreement and the approval of the board of directors of the General Partner (the "GP Board"), for each named executive officer of the General Partner and for all of the employees of the Partnership, each award previously granted pursuant to the Amended and Restated Legacy Reserves LP Long-Term Incentive Plan, as amended (the "Partnership LTIP"), held by such person that is outstanding and unvested immediately prior to the Effective Time will, automatically and without any action on the part of the holder, fully vest or become exercisable in full, as the case may be, and shall be settled in accordance with each award's applicable award agreement. Certain of these award agreements relating to outstanding phantom units under the Partnership LTIP granted to certain of the General Partner's executive officers, including each of the named executive officers, provide that such phantom units be settled in cash (the "Cash Settled Awards"). Pursuant to the Amendments to Grant of Phantom Units Agreement approved by each of the Compensation Committee of the GP Board, the GP Board and the board of directors of the Company (the "Board of Directors") and entered into by certain of the General Partner's executive officers that have Cash Settled Awards, including each of the named executive officers (the "Amendments"), each of such executive officers have the option to elect to reinvest any portion of the cash received pursuant to the Cash Settled Awards in Common Stock (a "Stock Purchase Election"). Additionally, pursuant to the Amendments, each of the General Partner's executive officers that are to receive Cash Settled Awards have agreed to make a Stock Purchase Election as necessary such that the aggregate amount of cash paid in settlement of any incentive equity-based awards being settled in connection with the Corporate Reorganization will not exceed \$30 million. Lastly, all amounts previously credited to the named executive officers as distribution equivalent rights under awards granted pursuant to the Partnership LTIP shall continue to remain so credited and payable on the same payment date set forth in the respective award agreements, subject to the same time-based vesting schedule previously included in the award, but without application of any performance factor.

Pursuant to the Merger Agreement, the Company issued approximately 106.1 million shares of Common Stock to the holders of Partnership Equity as the Merger Consideration as described above.

The summary of the Merger Agreement in this Current Report on Form 8-K does not purport to be complete and is qualified by reference to the full text of the Merger Agreement, which was filed as Exhibit 2.1 to the Partnership's Current Report on Form 8-K filed with the Securities and Exchange Commission (the "SEC") on July 12, 2018 and incorporated herein by reference.

Item 3.03. Material Modification to Rights of Security Holders.

Pursuant to the terms of the Merger Agreement, at the Effective Time, (i) each Unit issued and outstanding was converted into the right to receive one share of Common Stock, (ii) each Series A Preferred Unit issued and outstanding was converted into the right to receive 2.92033118 shares of Common Stock, with any rights to accumulated and unpaid distributions discharged, and (iii) each Series B Preferred Unit issued and outstanding was converted into the right to receive 2.90650421 shares of Common Stock, with any rights to accumulated and unpaid distributions discharged.
