Morgan Securities LLC and Piper Jaffray & Co., as representatives of the several underwriters named therein (collectively, the Underwriters), relating to the issuance and sale of 2,500,000 shares of common stock of the Company (the Underwritten Shares). The price to the public in the offering is \$30.75 per share and the Underwriters have agreed to purchase the shares of common stock from the Company pursuant to the Underwriting Agreement at a price of \$28.905 per share. The net proceeds to the Company from this offering are expected to be approximately \$72.0 million (or \$82.8 million if the underwriters exercise their option to purchase additional shares of our common stock in full), after deducting underwriting discounts and commissions and estimated offering expenses. The Company has granted the Underwriters a 30-day option to purchase up to an additional 375,000 shares of common stock (together with the Underwritten Shares, the Shares). The closing of the offering is expected to occur on or about October 10, 2018, subject to the satisfaction of customary closing conditions.

The offering is being made pursuant to the Company s effective registration statement on Form S-3 (Registration Statement No. 333-212088) (the Registration Statement) previously filed with the Securities and Exchange Commission and a related prospectus included in the Registration Statement, and related prospectus supplement dated October 4, 2018.

The representations, warranties and covenants contained in the Underwriting Agreement were made only for purposes of such agreement and as of specific dates, were solely for the benefit of the parties to such agreement, and may be subject to limitations agreed upon by the contracting parties.
