Item 5.03 Amendment to Articles of Incorporation or Bylaws; Change in Fiscal Year.

On October 26, 2016, the Board of Directors (the Board) of Parsley Energy, Inc. (the Company) amended and restated the Company's Amended and Restated Bylaws (as so amended and restated, the Bylaws) to allow certain stockholders to include their director nominees in the Company's annual meeting proxy materials (the proxy access Bylaw) and to make certain other changes as described below. Under the proxy access Bylaw, any eligible stockholder, or eligible group of up to 20 stockholders, owning shares representing 3% or more of the voting power entitled to vote generally in the election of the Company's directors continuously for at least three years may, subject to certain limitations, nominate and include in the Company's proxy materials for an annual meeting of stockholders, a number of director nominees not to exceed the greater of (a) two directors or (b) 20% of the directors then serving on the Board (rounded down to the nearest whole number), provided that the eligible stockholder or eligible group of stockholders and the director nominee(s) satisfy the requirements specified in the Bylaws, including the requirement that notice of a nomination be provided to the Company's Secretary at the principal executive offices of the Company not less than 120 days nor more than 150 days prior to the first anniversary of the date the definitive proxy statement was first mailed to stockholders in connection with the preceding year's annual meeting of stockholders. Proxy access will be first available to stockholders for the Company's 2019 Annual Meeting of Stockholders.

In addition, the Bylaws were also amended to, among other things:

Make certain conforming changes and updates to the provision governing stockholder director nominations outside of the proxy access process.

Provide (a) that notice of a special meeting of the Board may be given to each director less than 24 hours before such meeting under certain circumstances and (b) that at any such special meeting at which not all of the directors are present and for which directors received less than 24 hours' notice, two-thirds of the whole Board will be required to (i) establish a quorum for the transaction of business and (ii) act on behalf of the Board at such meeting.

Clarify that the chairman of a stockholder meeting may establish (a) regulations for the opening and closing of the polls and (b) procedures requiring attendees to provide the Company advance notice of their intent to attend and/or participate at the meeting.

Make other non-substantive, procedural, clarifying and conforming changes.

The foregoing description of the Bylaws does not purport to be complete and is qualified in its entirety by reference to the Bylaws, which are filed as Exhibit 3.1 to this Current Report on Form 8-K and incorporated herein by reference.
