MERGER PROPOSAL YOUR VOTE IS VERY IMPORTANT

Dear Nutrisystem, Inc. Stockholder:

You are cordially invited to attend a special meeting of stockholders of Nutrisystem, Inc. (*Nutrisystem*), to be held on March 5, 2019, at Fort Washington Executive Center, 600 Office Center Drive, Fort Washington, PA 19034, at 9:00 a.m., local time. At the Nutrisystem special meeting, Nutrisystem stockholders as of the close of business on January 23, 2019 will be asked to adopt the Agreement and Plan of Merger, dated as of December 9, 2018, as it may be amended from time to time (the *Merger Agreement*), which provides for a merger in which Nutrisystem will become a wholly owned subsidiary of Tivity Health, Inc. (*Tivity Health*). Nutrisystem's board of directors unanimously determined that the Merger Agreement, the merger and the other transactions contemplated by the Merger Agreement are fair to, and in the best interests of, Nutrisystem and its stockholders and unanimously approved the Merger Agreement, the merger and the other transactions contemplated by the Merger Agreement.

If the merger is completed, you will have the right to receive, in exchange for each share of Nutrisystem common stock you own immediately prior to the merger, \$38.75 in cash, without interest, and 0.2141 of a share of Tivity Health common stock. Based on the number of shares of Nutrisystem common stock outstanding as of January 30, 2019 (the most recent practicable trading day prior to this notice), and the number of shares of Tivity Health common stock outstanding as of such date, it is expected that, immediately after completion of the merger, former Nutrisystem stockholders will own approximately 14% of the outstanding shares of Tivity Health common stock. The Nutrisystem common stock and the Tivity Health common stock are traded on Nasdaq under the symbols *NTRI* and *TVTY* , respectively.

We cannot complete the merger unless Nutrisystem stockholders adopt the Merger Agreement. **Your vote is very important, regardless of the number of shares you own. Whether or not you expect to attend the Nutrisystem special meeting, please vote or otherwise submit a proxy to vote your shares as promptly as possible so that your shares may be represented and voted at the Nutrisystem special meeting.**

In addition, at the Nutrisystem special meeting you also will be asked to approve the adjournment of the Nutrisystem special meeting under certain circumstances and to approve, on an advisory (non-binding) basis, the compensation that may be paid or become payable by Nutrisystem to its named executive officers in connection with, or following, the closing of the merger (the *Merger-Related Compensation*).

The Nutrisystem board of directors unanimously recommends that Nutrisystem stockholders vote FOR the adoption of the Merger Agreement, FOR the adjournment of the Nutrisystem special meeting from time to

time if necessary or appropriate as determined by the Nutrisystem board of directors, including to solicit additional proxies if there are not sufficient votes to adopt the Merger Agreement at the time of the Nutrisystem special meeting or in the absence of a quorum and FOR the Merger-Related Compensation proposal.

The accompanying proxy statement/prospectus provides important information regarding the Nutrisystem special meeting and a detailed description of the Merger Agreement, the merger, the adjournment proposal and the Merger-Related Compensation proposal. **We urge you to read the accompanying proxy statement/prospectus (and any documents incorporated by reference into the accompanying proxy statement/prospectus) carefully. Please pay particular attention to the section entitled Risk Factors beginning on page 47.** You can also obtain information about Tivity Health and Nutrisystem from documents that Nutrisystem and Tivity Health previously have filed with the Securities and Exchange Commission.

QUESTIONS AND ANSWERS ABOUT THE MERGER AND THE NUTRISYSTEM SPECIAL MEETING

*The following are some questions that you, as a stockholder of Nutrisystem, Inc., which is referred to in this proxy statement/prospectus as **Nutrisystem**, may have regarding the merger, the adjournment proposal, the merger-related compensation proposal and the Nutrisystem special meeting and brief answers to those questions. You are urged to read carefully this proxy statement/prospectus and the other documents referred to in this proxy statement/prospectus in their entirety because this section may not provide all of the information that is important to you with respect to the merger, the adjournment proposal, the merger-related compensation proposal and the Nutrisystem special meeting. Additional important information is contained in the annexes to, and the documents incorporated by reference into, this proxy statement/prospectus.*

Q: Why am I receiving this document?

A: Tivity Health, Inc., which is referred to in this proxy statement/prospectus as **Tivity Health**, and Nutrisystem have agreed to a merger, pursuant to which Nutrisystem will become a wholly owned subsidiary of Tivity Health and will no longer be a publicly held corporation in a transaction that is referred to in this proxy statement/prospectus as the **Merger**. In order to complete the Merger, Nutrisystem stockholders must vote to adopt the Agreement and Plan of Merger, dated as of December 9, 2018, among Tivity Health, Nutrisystem and Merger Sub, as it may be amended from time to time, which is referred to in this proxy statement/prospectus as the **Merger Agreement**. Nutrisystem is holding a special meeting of stockholders to obtain that stockholder approval. Nutrisystem stockholders will also be asked to approve the adjournment of the Nutrisystem special meeting under certain circumstances, and to approve, on an advisory (non-binding) basis, the compensation that may be paid or become payable by Nutrisystem to its named executive officers in connection with, or following, the closing of the Merger, which is referred to in this proxy statement/prospectus as the **Merger-Related Compensation**.

In the Merger, in addition to the payment of cash, Tivity Health will issue shares of Tivity Health common stock as part of the consideration to be paid to holders of Nutrisystem common stock. This document is being delivered to you as both a proxy statement of Nutrisystem and a prospectus of Tivity Health in connection with the Merger. It is the proxy statement by which the Nutrisystem board of directors, referred to in this proxy statement/prospectus as the **Nutrisystem Board**, is soliciting proxies from you to vote at the Nutrisystem special meeting, or at any adjournment or postponement of the Nutrisystem special meeting, on the adoption of the Merger Agreement, the approval of the adjournment of the Nutrisystem special meeting under certain circumstances and the approval, on an advisory (non-binding) basis, of the Merger-Related Compensation. It is also the prospectus by which Tivity Health will issue shares of Tivity Health common stock to you in the Merger.

Q: What will happen in the Merger?

A: In the Merger, Sweet Acquisition, Inc., a wholly owned subsidiary of Tivity Health, and referred to in this proxy statement/prospectus as **Merger Sub**, will be merged with and into Nutrisystem. Nutrisystem will be the surviving corporation in the Merger and will be a wholly owned subsidiary of Tivity Health following completion of the Merger and will no longer be a publicly held corporation.

Q: What will I receive in the Merger?

A: If the Merger is completed, each of your shares of Nutrisystem common stock automatically will be cancelled and converted into the right to receive \$38.75 in cash, without interest, referred to in this proxy statement/prospectus as the **Cash Consideration** , and 0.2141 (which is referred to in this proxy statement/prospectus as the **Exchange Ratio**) of a share Tivity Health common stock, referred to in this proxy statement/prospectus as the **Stock Consideration** , subject to a cap on the issuance of Tivity Health common stock (including the number of shares of Tivity Health common stock that would be available for issuance immediately following the closing of the Merger in respect of the remaining shares reserved and

Table of Contents

available for issuance under Nutrisystem's equity compensation plan assumed by Tivity Health) of 19.9% of Tivity Health common stock outstanding immediately prior to the effective time of the Merger, which is referred to in this proxy statement/prospectus as the **Effective Time**.

Under the terms of the Merger Agreement, if the number of shares of Tivity Health common stock issuable as a result of the Merger (including shares of Tivity Health common stock underlying Nutrisystem equity awards to be assumed by Tivity Health pursuant to the terms of the Merger Agreement and shares of Tivity Health common stock that will be available for issuance under the assumed Nutrisystem equity compensation plan) would exceed 19.9% of the issued and outstanding shares of Tivity Health common stock immediately prior to the Effective Time, (i) first, Nutrisystem will (at Tivity Health's request) amend its equity compensation plan to reduce the number of shares remaining reserved and available for issuance by the minimum extent necessary to cause such total issuance not to exceed such threshold (but in no event below an amount equal to the number of shares of Nutrisystem common stock subject to any issued and outstanding Nutrisystem equity awards immediately prior to the closing of the Merger), and (ii) then, if such reduction in Nutrisystem's equity compensation plan is insufficient to cause such total issuance not to exceed such threshold, the Exchange Ratio will be adjusted downward by the minimum amount necessary so that no more than such number of shares of Tivity Health common stock becomes issuable in the Merger, and the Cash Consideration will be correspondingly increased as set forth in the Merger Agreement. Each Nutrisystem stockholder will receive cash for any fractional share of Tivity Health common stock that the stockholder would otherwise receive in the Merger.

Based on the closing price of Tivity Health common stock on the Nasdaq Global Select Market, referred to in this proxy statement/prospectus as **Nasdaq**, on December 7, 2018, the last trading day before the public announcement of the Merger Agreement, the Merger Consideration (as defined below) represented approximately \$47.44 in value for each share of Nutrisystem common stock. Based on the closing price of Tivity Health common stock on Nasdaq on January 30, 2019, the most recent practicable trading day prior to the date of this proxy statement/prospectus, the Merger Consideration represented approximately \$43.48 in value for each share of Nutrisystem common stock. **Because Tivity Health will issue a fixed fraction of a share of Tivity Health common stock in exchange for each share of Nutrisystem common stock, the value of the stock portion of the Merger Consideration that Nutrisystem stockholders will receive in the Merger will depend on the market price of Tivity Health common stock at the time the Merger is completed. The market price of Tivity Health common stock when Nutrisystem stockholders receive those shares after the Merger is completed could be greater than, less than or the same as the market price of Tivity Health common stock on the date of this proxy statement/prospectus or at the time of the Nutrisystem special meeting.**

Q: What happens if the Merger is not completed?

A: If the Merger Agreement is not adopted by Nutrisystem stockholders or if the Merger is not completed for any other reason, you will not receive any payment for your shares of Nutrisystem common stock in connection with the Merger. Instead, Nutrisystem will remain an independent public company and its common stock will continue to be listed and traded on Nasdaq. If the Merger Agreement is terminated under specified circumstances, Nutrisystem may be required to pay Tivity Health a termination fee of \$45.0 million. See **The Merger Agreement Termination Fee** beginning on page 119 of this proxy statement/prospectus for a more detailed discussion of the termination fee.

Q: What am I being asked to vote on?

A: Nutrisystem stockholders are being asked to vote on the following proposals:

to adopt the Merger Agreement, a copy of which is attached as Annex A to this proxy statement/prospectus;

to approve the adjournment of the Nutrisystem special meeting from time to time if necessary or appropriate as determined by the Nutrisystem Board, including to solicit additional proxies if there are not sufficient votes to adopt the Merger Agreement at the time of the Nutrisystem special meeting or in the absence of a quorum; and

Table of Contents

to approve, on an advisory (non-binding) basis, the Merger-Related Compensation. The adoption of the Merger Agreement by Nutrisystem stockholders is a condition to the obligations of Nutrisystem and Tivity Health to complete the Merger. Neither the approval of the proposal to adjourn the Nutrisystem special meeting, if necessary or appropriate, nor the approval of the Merger-Related Compensation proposal is a condition to the obligations of Nutrisystem or Tivity Health to complete the Merger.

Q: Does the Nutrisystem Board recommend that stockholders adopt the Merger Agreement?

A: Yes. The Nutrisystem Board unanimously determined that the Merger Agreement, the Merger and the other transactions contemplated by the Merger Agreement are fair to, and in the best interests of, Nutrisystem and its stockholders and unanimously approved, adopted and declared advisable the Merger Agreement, the Merger and the other transactions contemplated by the Merger Agreement. The Nutrisystem Board unanimously recommends that you vote **FOR** the adoption of the Merger Agreement at the Nutrisystem special meeting. See Proposal I: The Merger Nutrisystem Reasons for the Merger; Recommendation of the Nutrisystem Board beginning on page 73 of this proxy statement/prospectus.

Q: Does the Nutrisystem Board recommend that stockholders approve the adjournment of the Nutrisystem special meeting, if necessary or appropriate?

A: Yes. The Nutrisystem Board unanimously recommends that you vote **FOR** the proposal to adjourn the Nutrisystem special meeting from time to time if necessary or appropriate as determined by the Nutrisystem Board, including to solicit additional proxies if there are not sufficient votes to adopt the Merger Agreement at the time of the Nutrisystem special meeting or in the absence of a quorum. See Proposal II: Adjournment of the Nutrisystem Special Meeting beginning on page 133 of this proxy statement/prospectus.

Q: What is Merger-Related Compensation and why am I being asked to vote on it?

A: The United States Securities and Exchange Commission, referred to in this proxy statement/prospectus as the **SEC**, has adopted rules that require Nutrisystem to seek an advisory (non-binding) vote on Merger-Related Compensation. Merger-Related Compensation or golden parachute compensation is certain compensation that is tied to or based on the Merger and that may be paid or become payable by Nutrisystem to its named executive officers in connection with, or following, the closing of the Merger. This proposal is referred to in this proxy statement/prospectus as the **Merger-Related Compensation Proposal**. See Proposal III: Advisory Vote On Merger-Related Compensation beginning on page 134 of this proxy statement/prospectus.

Q: Does the Nutrisystem Board recommend that stockholders approve the Merger-Related Compensation Proposal?

A:

Yes. The Nutrisystem Board unanimously recommends that you vote **FOR** the proposal to approve the Merger-Related Compensation. See Proposal III: Advisory Vote On Merger-Related Compensation beginning on page 134 of this proxy statement/prospectus.

Q: What happens if the Merger-Related Compensation is not approved?

A: Approval of the Merger-Related Compensation is not a condition to completion of the Merger. The vote is an advisory vote and is not binding. If the Merger is completed, Nutrisystem may pay Merger-Related Compensation to its named executive officers in connection with the Merger even if Nutrisystem stockholders fail to approve the Merger-Related Compensation Proposal.

Q: Do any of Nutrisystem's directors or executive officers have interests in the Merger that may be different from, or in addition to, those of Nutrisystem stockholders?

A: Yes, Nutrisystem's directors and executive officers have interests in the Merger that may be different from, or in addition to, the interests of Nutrisystem stockholders. See Interests of Certain Persons in the Merger

Table of Contents

beginning on page 125 of this proxy statement/prospectus. The members of Nutrisystem Board were aware of and considered these interests, among other matters, in evaluating the Merger Agreement and the Merger, and its recommendations to the Nutrisystem stockholders.

Q: Are there any risks about the Merger or Tivity Health's business that Nutrisystem stockholders should consider?

A: Yes. Before making any decision on whether and how to vote, Nutrisystem stockholders are urged to read carefully and in its entirety the information contained in Risk Factors beginning on page 47 of this proxy statement/prospectus. Nutrisystem stockholders should also read and carefully consider the risk factors of Nutrisystem and Tivity Health and the other risk factors that are incorporated by reference into this proxy statement/prospectus.

Q: What stockholder vote is required for the approval of each proposal?

A: The following are the vote requirements for the proposals:

Adoption of the Merger Agreement: The affirmative vote of holders of a majority of the shares of Nutrisystem common stock outstanding and entitled to vote on the proposal. Accordingly, an abstention, broker non-vote or other failure to vote will have the same effect as a vote **AGAINST** the proposal.

Adjournment (if necessary or appropriate): The affirmative vote of the holders of a majority in voting power of the Nutrisystem common stock entitled to vote at the Nutrisystem special meeting present in person or represented by proxy at the Nutrisystem special meeting. Abstentions will have the same effect as a vote **AGAINST** the proposal to adjourn the Nutrisystem special meeting. Broker non-votes (if any) or other failures to vote will have no effect on the outcome of any vote to adjourn the Nutrisystem special meeting.

Approval of Merger-Related Compensation: The affirmative vote of the holders of shares of Nutrisystem common stock having a majority of the votes cast by the holders of all shares of Nutrisystem common stock present in person or represented by proxy at the Nutrisystem special meeting and voting on such matter. Abstentions will have no effect on the proposal to approve the Merger-Related Compensation. Broker non-votes (if any) or other failures to vote will have no effect on the proposal to approve the Merger-Related Compensation.

Q: What constitutes a quorum for the Nutrisystem special meeting?

A: The presence at the Nutrisystem special meeting, in person or by proxy, of the holders of a majority of the shares of Nutrisystem common stock issued and outstanding at the Record Date (defined below) and entitled to vote at the Nutrisystem special meeting will constitute a quorum. An abstention will be included in determining the

number of shares present and entitled to vote at the Nutrisystem special meeting for the purpose of determining the presence of a quorum. Because it is expected that all proposals to be voted on at the Nutrisystem special meeting will be non-routine matters, broker non-votes (which are shares of Nutrisystem common stock held by banks, brokers or other nominees with respect to which the bank, broker or other nominee is not instructed by the beneficial owner of such shares how to vote on a particular proposal and the bank, broker or other nominee does not have discretionary voting power on such proposal), if any, will not be counted as present and entitled to vote for purposes of determining quorum.

Q: When is this proxy statement/prospectus being mailed?

A: This proxy statement/prospectus and the proxy card are first being sent to Nutrisystem stockholders on or about February 4, 2019.

As of the close of business on January 23, 2019, there were 29,496,562 shares of Nutrisystem common stock outstanding. Each holder of Nutrisystem common stock is entitled to one vote for each share of Nutrisystem common stock owned at the Record Date.

Q: How do I vote my shares at the Nutrisystem special meeting?

A: Via the Internet or by Telephone

If you hold Nutrisystem common stock directly in your name as a stockholder of record, you may vote via the Internet at www.proxyvote.com or by telephone by calling 1-800-690-6903. Votes submitted via the Internet or by telephone must be received by 11:59 PM (U.S. Eastern Time) on March 4, 2019.

If you hold Nutrisystem common stock in street name through a broker, bank or other holder of record, you may vote via the Internet or by telephone only if Internet or telephone voting is made available by your broker, bank or other holder of record. Please follow the voting instructions provided by your broker, bank or other holder of record with these materials.

By Mail

If you hold Nutrisystem common stock directly in your name as a stockholder of record, you will need to mark, sign and date your proxy card and return it using the postage-paid return envelope provided or return it to Broadridge Financial Solutions, Inc., 51 Mercedes Way, Edgewood, New York 11717. Broadridge Financial Solutions, Inc. must receive your proxy card no later than the close of business on March 4, 2019.

If you hold Nutrisystem common stock in street name through a broker, bank or other holder of record, to vote by mail, you will need to mark, sign and date the voting instruction form provided by your broker, bank or other holder of record and return it in the postage-paid return envelope provided. Your broker, bank or other holder of record must receive your voting instruction form in sufficient time to vote your shares.

In Person

If you hold Nutrisystem common stock directly in your name as a stockholder of record, you may vote in person at the Nutrisystem special meeting. Stockholders of record also may be represented by another person at the Nutrisystem

special meeting by executing a proper proxy designating that person and having that proper proxy be presented to the inspector of elections with the applicable ballot at the Nutrisystem special meeting.

If you hold Nutrisystem common stock in street name through a broker, bank or other holder of record, you must obtain a legal proxy from that institution and present it to the inspector of elections with your ballot to be able to vote in person at the Nutrisystem special meeting. To request a legal proxy, please contact your broker, bank or other holder of record.

Please carefully consider the information contained in this proxy statement/prospectus and, whether or not you plan to attend the Nutrisystem special meeting, vote via the Internet, by telephone or by mail so that your shares will be voted in accordance with your wishes even if you later decide not to attend the Nutrisystem special meeting.

Table of Contents

We encourage you to register your vote via the Internet or by telephone. If you submit a proxy via the Internet or by telephone, please do not return your proxy card by mail. If you attend the meeting, you may also submit your vote in person. Any votes that you previously submitted whether via the Internet, by telephone or by mail will be superseded by any vote that you cast at the Nutrisystem special meeting in person. To vote in person at the Nutrisystem special meeting, beneficial owners will need to contact the broker, bank or other holder of record to obtain a legal proxy and present it to the inspector of elections with your ballot. Whether your proxy is submitted via the Internet, by phone or by mail, if it is properly completed and submitted, and if you do not revoke it prior to or at the Nutrisystem special meeting, your shares will be voted at the Nutrisystem special meeting in the manner set forth in this proxy statement/prospectus or as otherwise specified by you. Again, you may vote via the Internet or by telephone until 11:59 PM (U.S. Eastern Time) on March 4, 2019, or Nutrisystem's agent must receive your paper proxy card by mail no later than the close of business on March 4, 2019.

Q: If my shares are held in street name, will my broker, bank or other holder of record automatically vote my shares for me?

A: No. If your shares are held in an account at a broker, bank or other holder of record, you must instruct the broker, bank or other holder of record on how to vote your shares. Because it is expected that all matters to be voted on at the Nutrisystem special meeting will be non-routine, brokers will not have discretionary authority to vote on any proposal; therefore, if you do not provide voting instructions to your broker, bank or other holder of record, your shares will not count towards determining whether a quorum is present and your shares will not be voted on any proposal. Broker non-votes (if any) will have the same effect as a vote **AGAINST** the adoption of the Merger Agreement. Broker non-votes (if any) will have no effect on the proposal to adjourn the Nutrisystem special meeting, if necessary or appropriate, or the Merger-Related Compensation Proposal.

Q: How will my shares be represented at the Nutrisystem special meeting?

A: If you submit your proxy via the Internet, by telephone or by mail, the officers named in your proxy card will vote your shares in the manner you requested if you correctly submitted your proxy. If you sign your proxy card and return it without indicating how you would like to vote your shares, your proxy will be voted as the Nutrisystem Board unanimously recommends, which is:

FOR the adoption of the Merger Agreement;

FOR the approval of the adjournment of the Nutrisystem special meeting from time to time if necessary or appropriate as determined by the Nutrisystem Board, including to solicit additional proxies if there are not sufficient votes to adopt the Merger Agreement at the time of the Nutrisystem special meeting or in the absence of a quorum; and

FOR the approval, on an advisory (non-binding) basis, of the Merger-Related Compensation.

Q: Who may attend the Nutrisystem special meeting?

A: Nutrisystem stockholders at the Record Date (the close of business on January 23, 2019), or their authorized representatives, may attend the Nutrisystem special meeting. If you hold shares in your name at the Record Date, please be prepared to provide proper identification, such as a driver's license, to gain admission to the Nutrisystem special meeting.

If you are a beneficial owner of Nutrisystem common stock held in street name by a broker, bank or other holder of record at the Record Date, in addition to proper identification, you will also need proof of ownership at the Record Date to be admitted to the Nutrisystem special meeting. A brokerage statement or letter from a bank or broker are examples of proof of ownership. If you want to vote your shares of Nutrisystem common stock held in street name in person at the Nutrisystem special meeting, you will have to get a written proxy in your name

Table of Contents

from the broker, bank or other holder of record who holds your shares. It is suggested you do so in a timely manner to ensure receipt of your legal proxy prior to the Nutrisystem special meeting. The broker, bank or other holder of record who holds your shares will send you separate instructions describing the procedure for voting your shares of Nutrisystem common stock held in street name. Please follow the instructions provided by your broker, bank or other holder of record who holds your shares.

Stockholders may contact Nutrisystem Investor Relations at (646) 277-1254 to obtain directions to the location of the Nutrisystem special meeting.

Q: Is my vote important?

A: Yes, your vote is very important. An abstention, broker non-vote or other failure to vote will have the same effect as a vote **AGAINST** the adoption of the Merger Agreement. If you hold your shares through a broker, bank or other holder of record and you do not give voting instructions to that broker, bank or other holder of record, the broker, bank or other holder of record will not be able to vote your shares on the adoption of the Merger Agreement, and your shares will effectively be voted **AGAINST** the adoption of the Merger Agreement. The Nutrisystem Board unanimously recommends that you vote **FOR** the adoption of the Merger Agreement.

Q. Can I revoke my proxy or change my voting instructions?

A: Yes. You may revoke your proxy or change your vote at any time before your proxy is voted at the Nutrisystem special meeting.

If you are a stockholder of record at the Record Date (the close of business on January 23, 2019), you can revoke your proxy or change your vote by:

sending a written notice of revocation to our Secretary, Ralph J. Mauro at Nutrisystem, Inc., Fort Washington Executive Center, 600 Office Center Drive, Fort Washington, Pennsylvania 19034, which notification must be received prior to 12:00 p.m. (U.S. Eastern Time) on the day preceding the date of the Nutrisystem special meeting, stating that you are revoking your proxy;

submitting a later dated proxy card that is received by Nutrisystem prior to 12:00 p.m. (U.S. Eastern Time) on the day preceding the Nutrisystem special meeting;

voting again by telephone or over the Internet by Nutrisystem prior to 12:00 p.m. (U.S. Eastern Time) on the day preceding the Nutrisystem special meeting; or

attending the Nutrisystem special meeting (or, if the Nutrisystem special meeting is adjourned or postponed, attending the adjourned or postponed meeting) and voting in person, which will automatically cancel any

proxy previously given, or revoking your proxy in person, but your attendance alone will not revoke any proxy previously given.

If you hold your shares in street name through a broker, bank or other holder of record, you must contact your brokerage firm or bank to change your vote or obtain a legal proxy to vote your shares if you wish to cast your vote in person at the Nutrisystem special meeting.

Q: What happens if I sell my shares after the Record Date but before the Nutrisystem special meeting?

A: The Record Date for the Nutrisystem special meeting (the close of business on January 23, 2019) is earlier than the date of the Nutrisystem special meeting and earlier than the date that the Merger is expected to be completed. If you sell or otherwise transfer your shares of Nutrisystem common stock after the Record Date but before the date of the Nutrisystem special meeting, you will retain your right to vote at the Nutrisystem special meeting. However, you will not have the right to receive the Merger Consideration to be received by Nutrisystem stockholders in the Merger. In order to receive the Merger Consideration, you must hold your shares through completion of the Merger.

Table of Contents

Q: What do I do if I receive more than one set of voting materials?

A: You may receive more than one set of voting materials for the Nutrisystem special meeting, including multiple copies of this proxy statement/prospectus, the proxy card or the voting instruction form. This can occur if you hold your shares in more than one brokerage account, if you hold shares directly as a record holder and also in street name, or otherwise through another holder of record, and in certain other circumstances. If you receive more than one set of voting materials, please vote or return each set separately in order to ensure that all of your shares are voted.

Q: Am I entitled to appraisal rights?

A: Yes. Under Delaware law, record holders of Nutrisystem common stock who do not vote in favor of the adoption of the Merger Agreement and who otherwise comply with the procedures for exercising appraisal rights under Delaware law will be entitled to seek appraisal rights in connection with the Merger and, if the Merger is completed, obtain payment in cash of the fair value of their shares of Nutrisystem common stock as determined by the Delaware Chancery Court, instead of receiving the Merger Consideration. To exercise your appraisal rights, you must follow strictly the procedures prescribed by Delaware law. These procedures are summarized in this proxy statement/prospectus. See Proposal I: The Merger Appraisal Rights beginning on page 89 of this proxy statement/prospectus. In addition, the text of the applicable provisions of Delaware law is included as Annex C to this proxy statement/prospectus. Failure to comply strictly with the procedures prescribed by these provisions will result in loss of the right of appraisal.

Q: Is completion of the Merger subject to any conditions?

A: Yes. Tivity Health and Nutrisystem are not required to complete the Merger unless a number of conditions are satisfied (or, to the extent permitted by applicable law, waived). These conditions include the adoption of the Merger Agreement by Nutrisystem stockholders, early termination or expiration of the waiting period under the Hart-Scott-Rodino Antitrust Improvements Act of 1976, as amended, which is referred to in this proxy statement/prospectus as the **HSR Act**. For a more complete summary of the conditions that must be satisfied (or, to the extent permitted by applicable law, waived) prior to completion of the Merger, see The Merger Agreement Conditions to Completion of the Merger beginning on page 117 of this proxy statement/prospectus.

Q: When do you expect to complete the Merger?

A: Nutrisystem and Tivity Health are working towards completing the Merger promptly. As of the date of this proxy statement/prospectus, Nutrisystem and Tivity Health expect to complete the Merger in the first quarter of 2019, subject to adoption of the Merger Agreement by Nutrisystem stockholders and other customary conditions to completion. However, no assurance can be given as to when, or if, the Merger will be completed.

Q: Is the transaction expected to be taxable to Nutrisystem stockholders?

A: Yes. U.S. holders of Nutrisystem common stock will generally be subject to U.S. federal income tax as a result of the exchange of their shares of Nutrisystem common stock for Tivity Health common stock and cash (including cash received in lieu of a fractional Tivity Health common stock) in the Merger. See Proposal I: The Merger Material U.S. Federal Income Tax Consequences beginning on page 92 of this proxy statement/prospectus.

Q: What do I need to do now?

A: Carefully read and consider the information contained in and incorporated by reference into this proxy statement/prospectus, including its annexes. Then, please vote your shares of Nutrisystem common stock, which you may do by:

completing, dating, signing and returning the enclosed proxy card in the accompanying postage-paid return envelope;

submitting your proxy via the Internet or by telephone by following the instructions included on your proxy card; or

If you hold shares in street name through a broker, bank or other holder of record, please instruct your broker, bank or other holder of record to vote your shares by following the instructions that the broker, bank or other holder of record provides to you with these materials.

See How will my shares be represented at the Nutrisystem special meeting? beginning on page 6 of this proxy statement/prospectus.

Q: Should I send in my stock certificates now?

A: No. Nutrisystem stockholders should not send in their stock certificates at this time. After completion of the Merger, Tivity Health's exchange agent will send you a letter of transmittal and instructions for exchanging your shares of Nutrisystem common stock for the Merger Consideration. The shares of Tivity Health common stock you receive in the Merger will be issued in book-entry form and physical certificates will not be issued. See The Merger Agreement Procedures for Surrendering Nutrisystem Stock Certificates beginning on page 99 of this proxy statement/prospectus.

Q: What will holders of Nutrisystem equity awards receive in the Merger?

A: If the Merger is completed, Nutrisystem equity awards will be, with respect to stock options, cancelled and converted into the right to receive cash and, with respect to restricted stock awards and performance-based restricted stock units, converted into equity awards of Tivity Health. For a more complete summary of the treatment of Nutrisystem equity awards pursuant to the Merger Agreement, see the section entitled The Merger Agreement Treatment of Nutrisystem Equity Awards beginning on page 100 of this proxy statement/prospectus.

Sweet Acquisition, Inc.

Merger Sub, a wholly owned subsidiary of Tivity Health, is a Delaware corporation that was formed on December 4, 2018 for the sole purpose of effecting the Merger. Merger Sub has not carried on any activities to date, except for activities incidental to its formation and activities undertaken in connection with the Merger. By operation of the Merger, Merger Sub will be merged with and into Nutrisystem, with Nutrisystem surviving as a wholly owned subsidiary of Tivity Health.

Merger Sub's principal executive office is located at 701 Cool Springs Boulevard, Franklin, Tennessee 37067, and its telephone number is (800) 869-5311.

The Merger (See Page 65)

Tivity Health, Merger Sub and Nutrisystem have entered into the Merger Agreement. Subject to the terms and conditions of the Merger Agreement and in accordance with applicable law, Merger Sub will be merged with and into Nutrisystem, with Nutrisystem continuing as the surviving corporation. Upon completion of the Merger, Nutrisystem will be a wholly owned subsidiary of Tivity Health, and Nutrisystem common stock will no longer be outstanding or publicly traded.

A copy of the Merger Agreement is attached as Annex A to this proxy statement/prospectus. You should read the Merger Agreement carefully because it is the legal document that governs the Merger.

Special Meeting of Stockholders of Nutrisystem (See Page 59)

Meeting. The Nutrisystem special meeting will be held on March 5, 2019, at Fort Washington Executive Center, 600 Office Center Drive, Fort Washington, PA 19034, commencing at 9:00 a.m., local time. At the Nutrisystem special meeting, Nutrisystem stockholders will be asked to consider and vote on the following proposals:

to adopt the Merger Agreement;

to approve the adjournment of the Nutrisystem special meeting from time to time if necessary or appropriate as determined by the Nutrisystem Board, including to solicit additional proxies if there are not sufficient votes to adopt the Merger Agreement at the time of the Nutrisystem special meeting or in the absence of a quorum; and

to approve, on an advisory (non-binding) basis, the Merger-Related Compensation.

Record Date. The Nutrisystem Board has fixed the close of business on January 23, 2019, as the record date for determination of the stockholders entitled to vote at the Nutrisystem special meeting or any adjournment or postponement thereof. Only Nutrisystem stockholders of record at the Record Date are entitled to receive notice of, and to vote at, the Nutrisystem special meeting or any adjournment or postponement of the Nutrisystem special meeting. As of the close of business on the Record Date, there were 29,496,562 shares of Nutrisystem common stock outstanding. Each holder of Nutrisystem common stock is entitled to one vote for each share of Nutrisystem common stock owned at the Record Date.

Quorum. The presence at the Nutrisystem special meeting, in person or by proxy, of the holders of a majority of the shares of Nutrisystem common stock issued and outstanding at the Record Date and entitled to vote at the Nutrisystem special meeting will constitute a quorum. An abstention will be included in determining the number of shares present and entitled to vote at the Nutrisystem special meeting for the purpose of determining the presence of a quorum. Because it is expected that all proposals to be voted on at the Nutrisystem special meeting will be non-routine matters, broker non-votes (which are shares of Nutrisystem common stock held by banks, brokers or other nominees with respect to which the bank, broker or other nominee is not

Table of Contents

instructed by the beneficial owner of such shares how to vote on a particular proposal and the bank, broker or other nominee does not have discretionary voting power on such proposal), if any, will not be counted as present and entitled to vote for purposes of determining quorum. There must be a quorum for business to be conducted at the Nutrisystem special meeting. Failure of a quorum to be represented at the Nutrisystem special meeting will necessitate an adjournment or postponement and will subject Nutrisystem to additional expense. If a quorum is not present, holders of a majority of the shares of Nutrisystem common stock present in person or represented by proxy at the Nutrisystem special meeting may adjourn the meeting until a quorum is present.

Required Vote. To adopt the Merger Agreement, the affirmative vote of holders of a majority of the shares of Nutrisystem common stock outstanding and entitled to vote on the proposal is required. Nutrisystem cannot complete the Merger unless its stockholders adopt the Merger Agreement. Because approval requires the affirmative vote of a majority of the outstanding shares of Nutrisystem common stock entitled to vote on the proposal, abstentions, broker non-votes (if any) and other failures to vote will have the same effect as a vote **AGAINST** the adoption of the Merger Agreement.

To approve the adjournment of the Nutrisystem special meeting from time to time if necessary or appropriate as determined by the Nutrisystem Board, including to solicit additional proxies if there are not sufficient votes to adopt the Merger Agreement at the time of the Nutrisystem special meeting or in the absence of a quorum, the affirmative vote of the holders of a majority in voting power of the shares of Nutrisystem common stock entitled to vote thereat, present in person or represented by proxy, is required (whether or not a quorum is present). Abstentions will have the same effect as a vote **AGAINST** the proposal to adjourn the Nutrisystem special meeting. Broker non-votes (if any) and other failures to vote will have no effect on the approval of the adjournment proposal.

To approve, on an advisory (non-binding) basis, Merger-Related Compensation, the affirmative vote of the holders of shares of Nutrisystem common stock having a majority of the votes cast by the holders of all shares of Nutrisystem common stock present in person or represented by proxy is required. Abstentions will have no effect on the proposal to approve the Merger-Related Compensation. Broker non-votes (if any) or other failures to vote will have no effect on the outcome of any vote to approve the Merger-Related Compensation.

Stock Ownership of and Voting by Nutrisystem Directors and Executive Officers. As of the Record Date for the Nutrisystem special meeting, Nutrisystem's directors and executive officers and their affiliates beneficially owned and had the right to vote 542,484 shares of Nutrisystem common stock at the Nutrisystem special meeting, which represents approximately 2% of the shares of Nutrisystem common stock entitled to vote at the Nutrisystem special meeting.

It is expected that Nutrisystem's directors and executive officers will vote their shares **FOR** the adoption of the Merger Agreement, **FOR** the proposal to adjourn the Nutrisystem special meeting, if necessary or appropriate, and **FOR** the Merger-Related Compensation Proposal, although none of them has entered into any agreement requiring them to do so.

What Nutrisystem Stockholders Will Receive in the Merger (See Page 98)

If the Merger is completed, Nutrisystem stockholders will be entitled to receive, in exchange for each share of Nutrisystem common stock that they own immediately prior to the Merger, \$38.75 in cash, without interest, and 0.2141 of a share of Tivity Health common stock, which, together with cash payable in lieu of any fractional shares as described below, are collectively referred to in this proxy statement/prospectus as the **Merger Consideration**.

Tivity Health will not issue any fractional shares in the Merger. Instead, the total number of shares of Tivity Health common stock that each Nutrisystem stockholder will receive in the Merger will be rounded down to the

Table of Contents

nearest whole number, and each Nutrisystem stockholder will receive cash, without interest, for any fractional shares of Tivity Health common stock that such stockholder would otherwise receive in the Merger. The amount of cash for fractional shares will be calculated by multiplying the fraction of a share of Tivity Health common stock that the Nutrisystem stockholder would otherwise be entitled to receive in the Merger by the average of the volume weighted averages of the trading prices for shares of Tivity Health common stock (as reported by Bloomberg L.P. or, if not reported therein, in another authoritative source mutually selected by Tivity Health and Nutrisystem in good faith) for each of the five consecutive trading days ending on the trading day that is two trading days prior to completion of the Merger, which average is referred to in this proxy statement/prospectus as the **Tivity Health Closing Stock Price**.

Example: If you own 100 shares of Nutrisystem common stock at the time the Merger is completed, you will be entitled to receive \$3,875.00 in cash, without interest, and 21 shares of Tivity Health common stock. In addition, you will be entitled to receive an amount of cash equal to 0.41 of a share of Tivity Health common stock multiplied by the Tivity Health Closing Stock Price.

The Exchange Ratio is fixed, which means that it will not change between now and the date of the Merger, regardless of whether the market price of either Tivity Health or Nutrisystem common stock changes. Therefore, the value of the stock portion of the Merger Consideration will depend on the market price of shares of Tivity Health common stock at the time Nutrisystem stockholders receive shares of Tivity Health common stock in the Merger. **The market price of shares of Tivity Health common stock has fluctuated since the date of the announcement of the Merger Agreement and will continue to fluctuate from the date of this proxy statement/prospectus to the date of the Nutrisystem special meeting and the date the Merger is completed and thereafter. The market price of shares of Tivity Health common stock when received by Nutrisystem stockholders after the Merger is completed could be greater than, less than or the same as the market price of shares of Tivity Health common stock on the date of this proxy statement/prospectus or at the time of the Nutrisystem special meeting.**

Treatment of Nutrisystem Equity Awards (See Page 100)

Each option to purchase shares of Nutrisystem common stock that is outstanding immediately prior to the Effective Time and is vested as of immediately prior to the Effective Time will be cancelled and converted as of immediately prior to the Effective Time into the right to receive in respect of each Net Option Share, if any, subject to such Nutrisystem stock option, an amount in cash equal to the Merger Consideration Value. The terms Net Option Share and Merger Consideration Value are defined in the section entitled The Merger Agreement Treatment of Nutrisystem Equity Awards beginning on page 100 of this proxy statement/prospectus.

Each award of restricted shares of Nutrisystem common stock that is outstanding immediately prior to the Effective Time will be assumed by Tivity Health and converted, as of the Effective Time, into an award of shares of restricted Tivity Health's common stock subject to vesting, repurchase or other restrictions with the same terms and conditions as applied to each such Nutrisystem restricted stock award immediately prior to the Effective Time (including terms relating to vesting protection and the payout of accrued and future dividends (if any) or other distribution equivalents), and relating to the number of shares of Tivity Health's common stock equal the product of (x) the number of shares of Nutrisystem common stock that were subject to such Nutrisystem restricted stock award immediately prior to the Effective Time, multiplied by (y) the sum of (i) the Exchange Ratio, plus (ii) the quotient of (A) the Cash Consideration, divided by (B) the Tivity Health Closing Stock Price, rounded to the nearest one thousandth, with the result rounded to the nearest whole number of shares of Tivity Health common stock.

Each award of performance-based restricted stock units with respect to shares of Nutrisystem common stock (A) designated as a Special 2016 Performance-Based Restricted Stock Unit, (B) granted with respect to the

2017-2018 performance period or (C) granted with respect to the 2018-2019 performance period, in each case, that is outstanding immediately prior to the Effective Time will be assumed by Tivity Health and converted, as of the Effective Time, into a time-vesting restricted stock unit award covering a number of shares of Tivity Health common stock equal to the product of (i) either (x) for each performance-based restricted stock unit granted with respect to the 2017-2018 performance period, the number of shares that may be earned under such award based on actual performance as of immediately prior to the Effective Time relative to the previously established performance metrics applicable thereto as determined by the Nutrisystem Board (or an authorized committee thereof) prior to the Effective Time, or (y) for each performance-based restricted stock unit designated as a Special 2016 Performance-Based Restricted Stock Unit or granted with respect to the 2018-2019 performance period, the maximum number of shares of Nutrisystem common stock that may be earned under such awards as of immediately prior to the Effective Time, assuming maximum performance levels were achieved, multiplied by (ii) the sum of (a) the Exchange Ratio, plus (b) the quotient of (1) the Cash Consideration, divided by (2) the Tivity Health Closing Stock Price, rounded to the nearest one thousandth with the result rounded to the nearest whole number of shares of Tivity Health common stock.

See The Merger Agreement Treatment of Nutrisystem Equity Awards beginning on page 100 of this proxy statement/prospectus for a more detailed description of how these and certain other Nutrisystem equity awards will be treated in the Merger.

Recommendations of the Nutrisystem Board (See Page 73)

After careful consideration, Nutrisystem's board unanimously determined that the Merger Agreement, the Merger and the other transactions contemplated thereby are fair to, and in the best interests of, Nutrisystem and its stockholders, and unanimously approved, adopted and declared advisable the execution and delivery of the Merger Agreement, the Merger and the other transactions contemplated thereby. **The Nutrisystem Board unanimously recommends that you vote FOR the adoption of the Merger Agreement.** For the factors considered by the Nutrisystem Board in reaching this decision, see Proposal I: The Merger Nutrisystem's Reasons for the Merger; Recommendation of the Nutrisystem Board beginning on page 73 of this proxy statement/prospectus.

The Nutrisystem Board unanimously recommends that you vote **FOR** the proposal to approve the adjournment of the Nutrisystem special meeting from time to time if necessary or appropriate as determined by the Nutrisystem Board, including to solicit additional proxies if there are not sufficient votes to adopt the Merger Agreement at the time of the Nutrisystem special meeting or in the absence of a quorum. See Proposal II: Adjournment of the Nutrisystem Special Meeting beginning on page 133 of this proxy statement/prospectus.

In addition, the Nutrisystem Board unanimously recommends that you vote **FOR** the proposal to approve, on an advisory (non-binding) basis, the Merger-Related Compensation. See Proposal III: Advisory Vote On Merger-Related Compensation beginning on page 134 of this proxy statement/prospectus.

Opinion of Nutrisystem's Financial Advisor (See Page 76)

In connection with the Merger, Nutrisystem retained Evercore Group L.L.C. (which is referred to in this proxy statement/prospectus as **Evercore**) to act as its financial advisor. On December 9, 2018, at a meeting of the Nutrisystem Board, Evercore rendered its oral opinion, subsequently confirmed by delivery of a written opinion that, based upon and subject to the assumptions, qualifications, limitations and other matters set forth in its opinion, as of such date, the Merger Consideration was fair, from a financial point of view, to the holders of the shares of common stock of Nutrisystem, other than holders of Excluded Shares or appraisal shares. The term Excluded Shares is defined in the section entitled The Merger Agreement Merger Consideration beginning on page 98 of this proxy statement/prospectus.

Table of Contents

The full text of the written opinion of Evercore, dated December 9, 2018, which describes, among other things, the assumptions made, procedures followed, factors considered and limitations on the review undertaken is attached as Annex B to this document. The summary of Evercore's opinion contained in this proxy statement/prospectus is qualified in its entirety by reference to the full text of the opinion. **Evercore provided its opinion to the Nutrisystem Board (in its capacity as such) for the benefit and use of the Nutrisystem Board in connection with and for purposes of its evaluation of the Merger Consideration from a financial point of view. Evercore's opinion does not address any other aspect of the Merger and no opinion or view was expressed as to the relative merits of the Merger in comparison to other strategies or transactions that might be available to Nutrisystem or as to the underlying business decision of Nutrisystem to engage in the Merger. Evercore's opinion does not address any other aspect of the Merger and does not constitute a recommendation to any stockholder as to how to vote or act in connection with the proposed Merger or any related matter.**

Ownership of Tivity Health After the Merger (See Page 65)

Based on the number of shares of Nutrisystem common stock outstanding as of January 30, 2019 (the most recent practicable trading day prior to the date of this proxy statement/prospectus) and the closing price of Tivity Health common stock on Nasdaq on such date of \$22.08, Tivity Health expects to issue approximately 6,536,640 shares of Tivity Health common stock to Nutrisystem stockholders pursuant to the Merger (including restricted shares of Tivity Health common stock to be issued in respect of awards of restricted shares of Nutrisystem common stock to be assumed by Tivity Health pursuant to the Merger Agreement). The actual number of shares of Tivity Health common stock to be issued pursuant to the Merger will be determined at completion of the Merger based on the Exchange Ratio and the number of shares of Nutrisystem common stock outstanding at that time. Based on the number of shares of Nutrisystem common stock outstanding as of January 30, 2019, and the number of shares of Tivity Health common stock outstanding as of such date, it is expected that, immediately after completion of the Merger, former Nutrisystem stockholders will own approximately 14% of the outstanding shares of Tivity Health common stock.

Tivity Health Stockholder Approval Is Not Required

Tivity Health stockholders are not required to adopt the Merger Agreement or approve the Merger or the issuance of the shares of Tivity Health common stock in connection with the Merger.

Interests of Certain Persons in the Merger (See Page 125)

In considering the recommendation of the Nutrisystem Board to adopt the Merger Agreement, Nutrisystem stockholders should be aware that Nutrisystem's directors and executive officers have interests in the Merger that may be different from, or in addition to, the interests of Nutrisystem stockholders generally. The Nutrisystem Board was aware of these interests and considered them, among other matters, in evaluating and negotiating the Merger Agreement, in reaching its decision to approve the Merger Agreement and in recommending to the stockholders that the Merger Agreement be adopted.

These interests and arrangements include:

certain Nutrisystem executive officers will enter into agreements with Tivity Health to provide for continued employment as officers or employees of Tivity Health following completion of the Merger;

Nutrisystem executive officers eligibility to receive certain severance and other benefits upon a qualifying termination of their employment following completion of the Merger;

certain Nutrisystem executive officers will be granted retention awards by Tivity Health following completion of the Merger;

for one year following the Merger, Tivity Health has agreed to maintain for Nutrisystem employees (including the executive officers) who continue as employees of the surviving corporation following

Table of Contents

completion of the Merger (each of whom is referred to in this proxy statement/prospectus as a **Continuing Employee**) for all or any part of such period (which is referred to in this proxy statement/prospectus as the **Continuation Period**) compensation (including base salary, bonus, commission-based and other incentive compensation opportunities) and employee benefits that, in the aggregate, with respect to each Continuing Employee, are no less favorable than the compensation and employee benefits provided to such employees immediately prior to completion of the Effective Time (except that the base salary of each Continuing Employee may not be reduced during the Continuation Period);

each Nutrisystem executive officer currently holds equity awards consisting of or relating to Nutrisystem common stock and will receive (i) cash equal to the Merger Consideration Value minus the applicable exercise price for outstanding Nutrisystem stock options, (ii) restricted Tivity Health common stock in exchange for outstanding restricted Nutrisystem common stock and (iii) Tivity Health time-vested restricted stock units in exchange for outstanding Nutrisystem performance-based restricted stock units; and

rights to continuing indemnification and directors and officers liability insurance.

Listing of Tivity Health Common Stock and Delisting and Deregistration of Nutrisystem Common Stock (See Page 95)

Tivity Health will apply to have the shares of Tivity Health common stock to be issued in the Merger approved for listing on Nasdaq, where Tivity Health common stock is currently traded. If the Merger is completed, Nutrisystem's common stock will no longer be listed on Nasdaq and will be deregistered under the Securities Exchange Act of 1934, as amended, which is referred to in this proxy statement/prospectus as the **Exchange Act** .

Litigation Relating to the Merger (See Page 95)

As of February 1, 2019, six putative class action complaints have been filed by purported Nutrisystem stockholders challenging the Merger in the United States District Court for the District of Delaware. The complaints are captioned *Klein v. Nutrisystem, Inc. et al.*, Docket No. 1:19-cv-00056 (filed January 9, 2019), *Shaev v. Nutrisystem, Inc. et al.*, Docket No. 1:19-cv-00063 (filed January 10, 2019), *Vladimir Gusinsky Rev. Trust v. Nutrisystem, Inc.*, Docket No. 1:19-cv-00069 (filed January 10, 2019), *Frechter v. Nutrisystem, Inc., et al.*, Docket No. 1:19-cv-00087 (filed January 16, 2019), *Walton v. Nutrisystem, Inc. et al.*, Docket No. 1:19-cv-00112 (filed January 19, 2019), and *Haines v. Nutrisystem, Inc., et al.*, Docket No. 1:19-cv-00137 (filed January 24, 2019). The complaints name as defendants each member of Nutrisystem's board of directors and Nutrisystem itself and, in the case of the *Klein* and *Gusinsky* complaints, Tivity Health and Merger Sub. The complaints allege, among other things, that statements made in the registration statement filed by Tivity Health on January 7, 2019 were materially incomplete and misleading and violated Sections 14(a) and 20(a) of the Exchange Act. In addition, the complaints generally allege that the Merger undervalues Nutrisystem, that the process leading up to the execution of the Merger Agreement was flawed, and that certain provisions of the Merger Agreement improperly favor Tivity Health and improperly impede a potential alternative transaction. Among other remedies, the complaints seek equitable relief rescinding the Merger Agreement and enjoining the defendants from completing the Merger, as well as recovery of litigation costs and attorneys' fees. The defendants intend to defend these actions vigorously.

Appraisal Rights Available (See Page 89)

Under Delaware law, if the Merger is completed, record holders of Nutrisystem common stock who do not vote in favor of the adoption of the Merger Agreement and who otherwise properly assert their appraisal rights will be entitled to seek appraisal for, and obtain payment in cash for the judicially determined fair value of, their shares of Nutrisystem common stock, in lieu of receiving the Merger Consideration. This value could be more than, the same as, or less than the value of the Merger Consideration. The relevant provisions of the General Corporation Law of the State of Delaware (which is referred to in this proxy statement/prospectus as the **DGCL**) are included as Annex C to this proxy statement/prospectus. You are encouraged to read these

Table of Contents

provisions carefully and in their entirety. Moreover, due to the complexity of the procedures for exercising the right to seek appraisal, Nutrisystem stockholders who are considering exercising that right are encouraged to seek the advice of legal counsel. Failure to comply strictly with the procedures prescribed by these provisions will result in loss of the right of appraisal.

Completion of the Merger Is Subject to Certain Conditions (See Page 117)

As more fully described in this proxy statement/prospectus and in the Merger Agreement, the obligation of each of Tivity Health and Merger Sub, on the one hand, and Nutrisystem, on the other hand, to complete the Merger is subject to the satisfaction (or, to the extent permitted by applicable law, waiver) of a number of conditions, including the following:

adoption of the Merger Agreement by holders of a majority of the outstanding shares of Nutrisystem common stock;

approval for the listing on Nasdaq of the shares of Tivity Health common stock to be issued in the Merger;

absence of any law enacted, adopted or promulgated in the United States following December 9, 2018 or order that prohibits, renders illegal or enjoins the consummation of the Merger;

termination or expiration of any waiting periods applicable to the Merger under the HSR Act; and

effectiveness of the registration statement for the shares of Tivity Health common stock being issued in the Merger and the absence of any stop order suspending that effectiveness or any proceedings for that purpose.

In addition, the obligations of Tivity Health and Merger Sub to complete the Merger are subject to the satisfaction (or, to the extent permitted by applicable law, waiver) of certain additional conditions, including (i) the accuracy of the representations and warranties of Nutrisystem set forth in the Merger Agreement, subject in certain cases to a material adverse effect standard (see The Merger Agreement Definition of Material Adverse Effect beginning on page 102 of this proxy statement/prospectus), (ii) the absence of any material breach by Nutrisystem of any of its agreements and covenants required by the Merger Agreement to be performed prior to the closing date, (iii) the absence of the occurrence of a material adverse effect with respect to Nutrisystem, and (iv) receipt of a certificate executed by an executive officer of Nutrisystem as to the satisfaction of such conditions.

In addition, the obligation of Nutrisystem to complete the Merger is subject to the satisfaction (or, to the extent permitted by applicable law, waiver) of certain additional conditions, including (i) the accuracy of the representations and warranties of Tivity Health and Merger Sub set forth in the Merger Agreement, subject in certain cases to a material adverse effect standard (see The Merger Agreement Definition of Material Adverse Effect beginning on page 102 of this proxy statement/prospectus), (ii) the absence of any material breach by Tivity Health and Merger Sub of any of their respective agreements and covenants required by the Merger Agreement to be performed prior to the closing date, (iii) the absence of the occurrence of a material adverse effect with respect to Tivity Health, and (iv) receipt of a certificate executed by an executive officer of Tivity Health and Merger Sub as to the satisfaction of such conditions.

Tivity Health and Nutrisystem cannot be certain when, or if, the conditions to the Merger will be satisfied or waived, or that the Merger will be completed.

The Merger May Not Be Completed Without All Required Regulatory Approvals (See Page 88)

Completion of the Merger is conditioned upon the expiration or early termination of the waiting period relating to the Merger under the HSR Act and the required governmental authorizations having been made or obtained and being in full force and effect.

Table of Contents

Under the HSR Act, certain transactions, including the Merger, may not be completed unless certain waiting period requirements have expired or been terminated. The HSR Act provides that each party must file a pre-merger notification with the Federal Trade Commission, which is referred to in this proxy statement/prospectus as the **FTC**, and the Antitrust Division of the Department of Justice, which is referred to in this proxy statement/prospectus as the **DOJ**. A transaction notifiable under the HSR Act may not be completed until the expiration of a 30-calendar-day waiting period following the parties' filings of their respective HSR Act notification forms or the early termination of that waiting period. If the DOJ or the FTC issues a Request for Additional Information and Documentary Material prior to the expiration of the initial waiting period, the parties must observe a second 30-calendar-day waiting period, which would begin to run only after both parties have substantially complied with the request for additional information, unless the waiting period is terminated earlier. Tivity Health and Nutrisystem each filed its required HSR Act notification and report with respect to the Merger on December 21, 2018 requesting early termination. The waiting period under the HSR Act expired on January 22, 2019 at 11:59 p.m. (U.S. Eastern Time).

Neither Tivity Health nor Nutrisystem is aware of any material governmental approvals or actions that are required for completion of the Merger other than those described above. It is presently contemplated that if any such additional material governmental approvals or actions are required, those approvals or actions will be sought.

Tivity Health and Nutrisystem have agreed to use their respective reasonable best efforts to obtain all regulatory approvals required to consummate the Merger as promptly as practicable. Tivity Health will be obligated to expeditiously comply with any requests or inquiries for additional information or documentation (including any second request) by any governmental entity and to enter into or agree to divestitures, hold separate agreements, the termination, assignment, novation or modification of contracts or other business relationships, the acceptance of restrictions on business operations, the entry into other commitments and limitations, and litigation, including with governmental entities, to obtain the approvals, consents, orders, exemptions or waivers from any governmental authority or other third party required to be obtained prior to the consummation of the Merger; provided, that such actions would not have a material adverse effect on the financial condition, business or operations of Tivity Health and its subsidiaries, taken as a whole, or on Nutrisystem and its subsidiaries, taken as a whole.

Financing (See Page 95)

The Merger Agreement is not subject to a financing condition. On December 9, 2018, Tivity Health entered into a debt commitment letter and corresponding fee letters, as may be amended and restated from time to time, which, as so amended, are collectively referred to in this proxy statement/prospectus as the **Debt Commitment Letter**, with Credit Suisse AG, which is referred to in this proxy statement/prospectus as **CS**, and Credit Suisse Loan Funding LLC, which is referred to in this proxy statement/prospectus as **CSLF**. On December 21, 2018, December 26, 2018, December 27, 2018, December 31, 2018 and January 4, 2019, the Debt Commitment Letter was amended to add SunTrust Robinson Humphrey, Inc., which is referred to in this proxy statement/prospectus as **STRH**, SunTrust Bank, which is referred to in this proxy statement/prospectus as **SunTrust**, Citigroup Global Markets Inc., on behalf of itself and Citibank, N.A., Citicorp USA, Inc., Citicorp North America, Inc. and affiliates thereof, which are referred to collectively in this proxy statement/prospectus as **CGMI**, Citizens Bank, N.A., which is referred to in this proxy statement/prospectus as **Citizens**, Fifth Third Bank, which is referred to in this proxy statement/prospectus as **Fifth Third**, Regions Bank, which is referred to in this proxy statement/prospectus as **Regions Bank**, Regions Capital Markets, a division of Regions Bank, which is referred to in this proxy statement/prospectus as **Regions Capital Markets**, and Goldman Sachs Bank USA, together with its affiliates, including Goldman Sachs Lending Partners LLC, which are referred to collectively in this proxy statement/prospectus as **GS**, and, collectively with CS, CSLF and their respective affiliates, as the **Commitment Parties**, as Commitment Parties under the Debt Commitment Letter and to adjust correspondingly each Commitment Party's commitment with respect to the financing contemplated

Table of Contents

thereby. Under the Debt Commitment Letter, among other things, CSLF, STRH, CGMI, Citizens, Fifth Third, Regions Capital Markets and GS have committed to arrange, and CS, SunTrust, CGMI, Citizens, Fifth Third, Regions Bank and GS have committed to provide, subject to terms and conditions set forth in the Debt Commitment Letter, a senior secured term loan facility in an aggregate principal amount of \$1,210,000,000 and a senior secured revolving credit facility in an aggregate principal amount of \$125,000,000, which are collectively referred to in this proxy statement as the **Financing**. The Financing will be secured by a first priority security interest and lien on substantially all of the assets of Tivity Health and its wholly owned material domestic subsidiaries. The Commitment Parties commitments pursuant to the Debt Commitment Letter are subject to various conditions, including consummation of the Merger in accordance with the Merger Agreement; the negotiation and execution of definitive documentation consistent with the Debt Commitment Letter; delivery of certain audited, unaudited and pro forma financial statements; the absence of a material adverse effect on Nutrisystem after December 9, 2018; the accuracy of representations and warranties of Nutrisystem in the Merger Agreement and specified representations and warranties of Tivity Health to be set forth in the definitive loan documents; the repayment of all outstanding indebtedness and other obligations of Tivity Health and Nutrisystem under their existing credit facilities; and other customary closing conditions. For a more complete description of the Financing, see Proposal I: The Merger Financing of the Merger beginning on page 95 of this proxy statement/prospectus.

The Merger Is Expected to be Completed in the First Quarter of 2019 (See Page 98)

The Merger will occur within three business days after the conditions to its completion have been satisfied or, to the extent permitted by applicable law, waived. As of the date of this proxy statement/prospectus, the Merger is expected to be completed in the first quarter of 2019. However, there can be no assurance as to when, or if, the Merger will occur.

No Solicitation by Nutrisystem; Change of Recommendation (See Page 108)

In accordance with the terms of the Merger Agreement, Nutrisystem agreed, effective immediately upon the signing of the Merger Agreement, to cease and cause to be terminated all discussions or negotiations existing as of December 9, 2018 with any other parties that may have been ongoing with respect to an Acquisition Proposal. The term Acquisition Proposal is defined in the section entitled The Merger Agreement No Solicitation of Alternative Proposals; Changes in Board Recommendation beginning on page 108 of this proxy statement/prospectus.

From December 9, 2018 until the earlier of the Effective Time or the termination of the Merger Agreement in accordance with its terms, subject to certain exceptions described below, Nutrisystem has agreed that it and its subsidiaries will not, and Nutrisystem will instruct each of its representatives not to, directly or indirectly:

whether publicly or otherwise, initiate or solicit the submission of any offer, inquiry, proposal or indication of interest that constitutes, or would reasonably be expected to lead to, an Acquisition Proposal;

furnish to any third party any non-public information relating to Nutrisystem or any of its subsidiaries, or afford to any third party access to the business, books, records or other non-public information, or to any personnel, of Nutrisystem or any of its subsidiaries, in any such case with the intent to encourage or induce the making, submission or announcement of any offer, inquiry, proposal or indication of interest that constitutes, or would reasonably be expected to lead to, any Acquisition Proposal;

enter into, conduct, participate, maintain or engage in any discussions or negotiations with any third party with respect to any offer, inquiry, proposal or indication of interest that constitutes, or would reasonably be expected to lead to, any Acquisition Proposal (other than solely to (x) inform any third party of the existence of the provisions of Merger Agreement prohibiting solicitation of Acquisition Proposals or (y) seek clarification regarding the terms or conditions of any offer, inquiry, proposal or indication of interest); and

Table of Contents

effect a Change of Board Recommendation (the term Change of Board Recommendation is defined in the section entitled The Merger Agreement No Solicitation of Alternative Proposals; Changes in Board Recommendation beginning on page 108 of this proxy statement/prospectus).

Prior to the receipt of the Nutrisystem stockholder vote adopting the Merger Agreement, which is referred to in this proxy statement/prospectus as **Requisite Stockholder Vote** :

upon receipt by Nutrisystem of an unsolicited Acquisition Proposal made after December 9, 2018, if Nutrisystem's Board determines in good faith (after consultation with outside counsel and a financial advisor) that such Acquisition Proposal constitutes or would reasonably be expected to lead to a Superior Proposal (the term Superior Proposal is defined in the section entitled The Merger Agreement Receipt of Acquisition Proposals beginning on page 109 of this proxy statement/prospectus), Nutrisystem may, subject to specified conditions and requirements, furnish nonpublic information to the person making the proposal and participate in discussions or negotiations with such person; and

the Nutrisystem Board may change its recommendation to Nutrisystem's stockholders in response to an Intervening Event (the term Intervening Event is defined in the section entitled The Merger Agreement Receipt of Acquisition Proposals beginning on page 109 of this proxy statement/prospectus) or a Superior Proposal if the Nutrisystem Board determines that, after consultation with outside legal counsel, the failure to do so would be reasonably likely to be inconsistent with its fiduciary duties under applicable law, subject in each case to delivering to Tivity Health four business days' notice (it being understood that any amendment or subsequent amendment to the material terms of the Superior Proposal will require Nutrisystem to deliver to Tivity Health a new two business days' notice) and, to the extent requested by Tivity Health, engaging in good faith negotiations with Tivity Health during such period to amend the Merger Agreement, considering in good faith any adjustments and/or proposed amendments to the Merger Agreement, and after such negotiations and good faith consideration of such offer (if any), making a determination after the negotiations (if any) whether the failure to take such action would still be reasonably likely to be inconsistent with its fiduciary duties under applicable law.

Termination of the Merger Agreement (See Page 118)

As more fully described in this proxy statement/prospectus and in the Merger Agreement, and subject to the terms and conditions described in the Merger Agreement, the Merger Agreement may be terminated at any time before completion of the Merger in any of the following ways:

by mutual written consent of Tivity Health and Nutrisystem;

by either Tivity Health or Nutrisystem if:

the Merger has not been completed on or before June 9, 2019, which is referred to in this proxy statement/prospectus as the **Outside Date** , except that a party may not terminate for this reason if its action or failure to act constitutes a breach or violation of any of its obligations, and that breach has been the principal cause of or directly resulted in (1) the failure to satisfy the conditions to the obligations of the terminating party to consummate the Merger set forth in the Merger Agreement prior

to the Outside Date or (2) the failure of the closing to occur by the Outside Date;

a governmental entity of competent jurisdiction issues an order or takes any other action permanently restraining, enjoining or otherwise prohibiting the Merger and such order or other action has become final and non-appealable, except that a party may not terminate for this reason if the failure of that party to fulfill any obligation under the Merger Agreement resulted in the issuance of such order or the taking of such other action;

Nutrisystem stockholders fail to adopt the Merger Agreement upon a vote taken on a proposal to adopt the Merger Agreement at the Nutrisystem special meeting (or any adjournment or postponement thereof); or

Table of Contents

there has been a breach of any representation or warranty made by, or failure to perform any covenant or agreement to be performed by, the other party, in each case that would cause the failure of the condition to completion related to accuracy of representations and warranties or performance of covenants and agreements, and that breach or failure to perform either is incapable of being cured or has not been cured within 30 days following notice to the breaching or failing-to-perform party;

by Tivity Health if:

the Nutrisystem Board or any committee thereof has effected a Change of Board Recommendation; but Tivity Health's right to terminate the Merger Agreement for this reason is only exercisable prior to receipt of the Nutrisystem stockholder vote adopting the Merger Agreement;

by Nutrisystem if:

after January 30, 2019, (1) all of the conditions to Tivity Health's obligation to effect the Merger have been satisfied or waived (except for those conditions that by their nature or terms are to be satisfied at the closing, which conditions were capable of being satisfied at the time of such failure to consummate the Merger), (2) Nutrisystem has irrevocably confirmed to Tivity Health in writing that Nutrisystem is ready and willing to consummate the Merger, and (3) Tivity Health and Merger Sub fail to consummate the transactions contemplated by the Merger Agreement within three business days following delivery of notice as a result of Tivity Health's failure to receive the proceeds from the Financing; or

prior to obtaining the Requisite Stockholder Vote in order to accept a Superior Proposal, if concurrently with such termination, Nutrisystem pays Tivity Health a termination fee of \$45.0 million.

Termination Fee (See Page 119)

As more fully described in this proxy statement/prospectus and in the Merger Agreement, and subject to the terms and conditions described in the Merger Agreement, Nutrisystem has agreed to pay Tivity Health a termination fee of \$45.0 million if the Merger Agreement is terminated under any of the following circumstances:

by Nutrisystem, in accordance with its right to terminate the Merger Agreement in order to enter into a definitive agreement relating to a Superior Proposal;

by Tivity Health, in accordance with its right to terminate the Merger Agreement because of a Change of Board Recommendation by the Nutrisystem Board; or

prior to the receipt of the Requisite Stockholder Vote, by:

Tivity Health or Nutrisystem, either because the Merger has not been completed by the Outside Date (and at such time the mutual conditions to the obligations of parties to effect the Merger were satisfied) or Nutrisystem stockholders failed to adopt the Merger Agreement upon a vote taken on a proposal to adopt the Merger Agreement at the Nutrisystem special meeting (or any adjournment or postponement thereof);

after December 9, 2018 and prior to the date of termination or the date of the stockholders meeting, an Acquisition Proposal was publicly proposed or announced or otherwise communicated to the Nutrisystem stockholders and not withdrawn prior to the date of termination or the date of the stockholders meeting; and

within 12 months after the date of such termination, Nutrisystem enters into a definitive written agreement with respect to an Acquisition Proposal and the transaction contemplated by such definitive agreement is later consummated.

Table of Contents

Under the Merger Agreement, for purposes of the bullet points preceding this sentence, each reference to 20% in the definition of Acquisition Proposal will be deemed to be a reference to 50%.

Except in the case of intentional fraud, if Tivity Health receives a termination fee in accordance with the provisions of the Merger Agreement, the receipt of the termination fee will be Tivity Health's and Merger Sub's sole and exclusive remedy against Nutrisystem, its subsidiaries and their respective representatives.

See The Merger Agreement Termination Fee beginning on page 119 of this proxy statement/prospectus for a more complete description of the circumstances under which Nutrisystem will be required to pay a termination fee.

Specific Performance; Remedies (See Page 120)

Under the Merger Agreement, each of Tivity Health and Nutrisystem is entitled to seek an injunction or injunctions to prevent breaches of the Merger Agreement or to enforce specifically the terms and provisions of the Merger Agreement, in addition to any other remedy to which that party may be entitled at law or in equity.

Material U.S. Federal Income Tax Consequences (See Page 92)

In general, U.S. holders (as defined under Proposal I: The Merger Material U.S. Federal Income Tax Consequences beginning on page 92 of this proxy statement/prospectus) will recognize capital gain or loss for U.S. federal income tax purposes on the exchange of their Nutrisystem common stock for shares of Tivity Health common stock and cash in an amount equal to the difference, if any, between (i) the sum of the fair market value of the Tivity Health common stock (determined on the date of the exchange) and cash received (including cash received in lieu of a fractional share of Tivity Health common stock) and (ii) the U.S. holder's adjusted tax basis in the Nutrisystem common stock surrendered in the exchange.

The U.S. federal income tax consequences described above may not apply to all holders of Nutrisystem common stock, including certain holders specifically referred to on pages 92-93 of this proxy statement/prospectus. Your tax consequences will depend on your own situation. You should consult your tax advisor to determine the particular tax consequences of the Merger to you.

Accounting Treatment (See Page 94)

The Merger will be accounted for as an acquisition of a business. Tivity Health will record assets acquired and liabilities assumed from Nutrisystem primarily at their respective fair values at the date of completion of the Merger. Any excess of the purchase price (as described under Note 2 under Tivity Health And Nutrisystem Unaudited Pro Forma Combined Financial Statements beginning on page 31 of this proxy statement/prospectus) over the net fair value of such assets and liabilities will be recorded as goodwill.

Rights of Nutrisystem Stockholders Will Change as a Result of the Merger (See Page 135)

Nutrisystem stockholders will have different rights once they become Tivity Health stockholders due to differences between the organizational documents of Tivity Health and Nutrisystem. These differences are described in more detail under Comparison of Stockholder Rights beginning on page 135 of this proxy statement/prospectus.

Risk Factors (See Page 47)

You should also carefully consider the risks that are described in the section entitled Risk Factors beginning on page 47 of this proxy statement/prospectus.

TIVITY HEALTH AND NUTRISYSTEM UNAUDITED PRO FORMA COMBINED FINANCIAL STATEMENTS

The following tables present unaudited pro forma combined financial information about Tivity Health's combined balance sheet and statements of operations after giving effect to the Merger and the Financing. The information under "Unaudited Pro Forma Combined Balance Sheet" in the table below gives effect to the Merger and the Financing as if they had taken place on September 30, 2018. The information under "Unaudited Pro Forma Combined Statements of Operations" in the table below gives effect to the Merger and the Financing as if they had taken place on January 1, 2017. These unaudited pro forma combined financial statements were prepared using the acquisition method of accounting where Tivity Health is considered the acquirer of Nutrisystem for accounting purposes. See the section entitled "The Merger Accounting Treatment" beginning on page 94 of this proxy statement/prospectus.

The assumptions and estimates underlying the unaudited adjustments to the pro forma combined financial statements are described in the accompanying notes, which should be read together with the pro forma combined financial statements. In addition, the unaudited pro forma combined financial statements should be read in conjunction with the following:

Tivity Health's unaudited consolidated financial statements and the related notes thereto as of and for the nine months ended September 30, 2018 included in Tivity Health's Quarterly Report on Form 10-Q for the quarter ended September 30, 2018;

Tivity Health's audited consolidated financial statements and the related notes thereto as of and for the year ended December 31, 2017 included in Tivity Health's Annual Report on Form 10-K for the year ended December 31, 2017;

Nutrisystem's unaudited consolidated financial statements and the related notes thereto as of and for the nine months ended September 30, 2018 included in Nutrisystem's Quarterly Report on Form 10-Q for the quarter ended September 30, 2018; and

Nutrisystem's audited consolidated financial statements and the related notes thereto as of and for the year ended December 31, 2017 included in Nutrisystem's Annual Report on Form 10-K for the year ended December 31, 2017.

The unaudited pro forma combined financial statements have been prepared for illustrative purposes only and are based on assumptions and estimates considered appropriate by Tivity Health's management; however, they do not necessarily reflect what the combined company's financial condition or results of operations would have been had the Merger occurred on the dates set forth above, nor do they purport to be indicative of the future financial condition and results of operations of the combined company. The adjustments included in these unaudited pro forma combined financial statements are preliminary and may be revised. These unaudited pro forma combined financial statements do not consider any impacts of integration costs, potential revenue enhancements, anticipated cost savings and expense efficiencies, or other synergies that may result from the Merger or any strategies that management may consider in order to continue to efficiently manage Tivity Health's operations. In addition, the value of the consideration to be paid by Tivity Health upon consummation of the Merger will be determined based on the closing price of Tivity Health common stock on the closing date of the Merger. Future results may vary significantly from the results reflected due

to various factors, including the final allocation of the purchase price and other risks discussed in the section entitled Risk Factors beginning on page 47 of this proxy statement/prospectus.

The unaudited pro forma combined financial statements have been compiled in a manner consistent with the accounting policies adopted by Tivity Health. Tivity Health's management's review to date has determined that no significant adjustments are necessary to conform Nutrisystem's financial statements to the accounting policies

Table of Contents

used by Tivity Health. However, the unaudited pro forma combined financial statements may not reflect all the adjustments necessary to conform the accounting policies of Nutrisystem to those of Tivity Health as a final review of Nutrisystem's accounting policies will be conducted by Tivity Health as of the closing of the Merger. As a result of that review, differences could be identified between the accounting policies of the two companies that, when conformed, could have a material impact on the unaudited pro forma combined financial statements. Upon the combination of the companies, Tivity Health expects that certain reclassifications will be made to its financial statement presentation in order to present certain balances separately, including marketing expenses and deferred revenue, as they will be material to the combined company. These reclassification adjustments have been presented as pro forma adjustments (refer to Notes 3(i), 3(n) and 3(p)).

Table of Contents**Notes to Unaudited Pro Forma Combined Financial Statements****(In thousands, except share and per share information)****Note 1 Basis of Presentation**

The unaudited pro forma combined financial statements were prepared in accordance with SEC Regulation S-X Article 11. The unaudited pro forma combined balance sheet as of September 30, 2018 combines the historical unaudited consolidated balance sheets of Tivity Health and Nutrisystem as of September 30, 2018, giving effect to (i) the Merger and the Financing as if they had taken place on September 30, 2018 and (ii) the assumptions and adjustments described in the accompanying notes to these unaudited pro forma combined financial statements. The unaudited pro forma combined statements of operations for the nine months ended September 30, 2018 and the fiscal year ended December 31, 2017 combine the historical consolidated statements of operations of Tivity Health and Nutrisystem for such periods, giving effect to (i) the Merger and the Financing as if they had taken place on January 1, 2017 and (ii) the assumptions and adjustments described in the accompanying notes to these unaudited pro forma combined financial statements. Such adjustments are (1) directly attributable to the Merger, (2) factually supportable, and (3) with respect to the unaudited pro forma combined statements of operations, expected to have a continuing impact on the combined results of Tivity Health and Nutrisystem.

The unaudited pro forma combined financial statements have been prepared using the acquisition method of accounting in accordance with Accounting Standards Codification 805, *Business Combinations*, with Tivity Health treated as the accounting acquirer. As of the date of this proxy statement/prospectus, Tivity Health has not completed the detailed valuation procedures necessary to finalize the required estimated fair values and estimated lives of the Nutrisystem assets to be acquired, the estimated fair values of the liabilities to be assumed, and the related allocation of the purchase price. The fair values and purchase price allocation contained within these statements are preliminary and are based on management's estimates after initial consultations with valuation personnel and discussions with Nutrisystem's management. The final allocation of the purchase price will be determined after the Merger is completed and after completion of an analysis to determine the estimated fair value of Nutrisystem's assets and liabilities, and associated tax adjustments. Accordingly, the final acquisition accounting adjustments may be materially different from the unaudited pro forma adjustments.

Note 2 Estimated Merger Consideration and Preliminary Purchase Price Allocation

The estimated fair value of consideration to be transferred upon consummation of the Merger is \$1.3 billion, which includes cash consideration, the fair value of the stock consideration, and the estimated consideration for Nutrisystem equity awards to be assumed by Tivity Health that relate to pre-combination services. The value of the Merger Consideration will change based on fluctuations in the price per share of Tivity Health's common stock between the date of this proxy statement/prospectus and the closing date of the Merger as well as the number of shares of Nutrisystem common stock outstanding on the closing date of the Merger. The following table summarizes the components of the estimated Merger Consideration:

Estimated cash paid for outstanding Nutrisystem shares ⁽¹⁾	\$ 1,135,355
Estimated value of Tivity Health common stock issued in the Merger ⁽²⁾	155,634
Estimated cash for Nutrisystem stock-based compensation awards ⁽³⁾	6,193
Estimated value of Tivity Health replacement awards attributable to pre-combination service ⁽⁴⁾	13,204

Total Estimated Merger Consideration	\$ 1,310,386
--------------------------------------	--------------

- (1) Represents the total cash estimated to be paid to former Nutrisystem stockholders as cash consideration. The estimate is based on 29,299,472 shares of Nutrisystem common stock issued and outstanding as of December 31, 2018, and cash consideration of \$38.75 per share.

Table of Contents

- (2) Represents the fair value of 6,273,017 shares of Tivity Health common stock estimated to be issued for outstanding Nutrisystem shares as stock consideration. The estimate is based on 29,299,472 Nutrisystem shares issued and outstanding as of December 31, 2018, the Exchange Ratio of 0.2141, and closing price per share of Tivity Health common stock on December 31, 2018 of \$24.81.
- (3) Represents the cash consideration to be paid pursuant to the Merger Agreement, for the net settlement of 204,175 Nutrisystem stock options vested and outstanding as of the closing date of the Merger. Pursuant to the Merger Agreement, each vested and outstanding Nutrisystem stock option will be cancelled, and the holder will be entitled to receive a cash payment equal to the Merger Consideration Value minus the applicable exercise price of the stock option. See *The Merger Agreement Treatment of Nutrisystem Equity Awards* beginning on page 100 of this proxy statement/prospectus for a more detailed description of the treatment of the Nutrisystem stock options. The estimated cash payment of \$6,193 is based on the closing price per share of Tivity Health common stock on December 31, 2018 and is recorded to accrued liabilities as it will be paid subsequent to the closing of the Merger.
- (4) Represents the fair value of the shares of Tivity Health common stock underlying Nutrisystem equity awards to be assumed by Tivity Health that relate to pre-combination services. Of this amount, \$4,714 relates to Nutrisystem's outstanding restricted stock awards, and \$8,490 relates to Nutrisystem's outstanding performance-based restricted stock units. Pursuant to the terms of the Merger Agreement, Nutrisystem's restricted stock awards and performance-based restricted stock units that are outstanding immediately prior to the Effective Time will be converted into equity awards of Tivity Health. See *The Merger Agreement Treatment of Nutrisystem Equity Awards* beginning on page 100 of this proxy statement/prospectus for a more detailed description of how these and certain other Nutrisystem equity awards will be treated in the Merger. A portion of the fair value of the shares of Tivity Health common stock underlying Nutrisystem equity awards to be assumed by Tivity Health represents consideration for pre-combination services provided (and is included in the table above), while a portion represents post-combination compensation and will be recorded in the post-combination results of Tivity Health as the services are provided.

The final estimated Merger Consideration could significantly differ from the amounts presented in the unaudited pro forma financial statements due to fluctuations in the price per share of Tivity Health common stock prior to the closing date of the Merger. Fluctuations in the price per share of Tivity Health common stock will not impact the number of shares of Tivity Health common stock issued in the Merger. The following table is a sensitivity analysis related to the potential fluctuation in the price per share of Tivity Health common stock and provides the impact of a hypothetical change of 10% on the price per share of Tivity Health common stock (using the closing price per share of Tivity Health common stock on December 31, 2018) on the purchase price and estimated goodwill.

	Stock Price	Estimated Merger Consideration	Estimated Goodwill
As presented in the pro forma combined results	\$ 24.81	\$ 1,310,386	\$ 470,117
10% increase in the price per share of Tivity Health common stock	\$ 27.29	\$ 1,326,181	\$ 485,912
10% decrease in the price per share of Tivity Health common stock	\$ 22.33	\$ 1,294,587	\$ 454,318

Table of Contents

Tivity Health has performed a preliminary valuation analysis of the fair market value of Nutrisystem's assets and liabilities. The following table sets forth a preliminary allocation of the estimated Merger Consideration to the identifiable tangible and intangible assets acquired and liabilities assumed as if the Merger had taken place on September 30, 2018, with the excess recorded to goodwill:

Cash, cash equivalents, and short-term investments	\$ 92,552
Accounts receivable	19,125
Inventory	30,373
Prepaid expenses and other current assets	8,930
Property and equipment	30,500
Intangible assets	936,000
Other assets/liabilities	2,575
Accounts payable	(35,541)
Accrued salaries and benefits and other liabilities	(6,641)
Deferred revenue	(9,287)
Deferred tax liabilities, net	(228,317)
Total identifiable assets and liabilities acquired	\$ 840,269
Goodwill ⁽¹⁾	470,117
Total Estimated Merger Consideration	\$ 1,310,386

- (1) Goodwill represents the excess of Merger Consideration over the preliminary fair value of the underlying assets acquired and liabilities assumed. Goodwill is attributable to the assembled workforce of experienced personnel at Nutrisystem and synergies expected to be achieved from the combined operations of Tivity Health and Nutrisystem.

This preliminary purchase price allocation has been used to prepare pro forma adjustments in the unaudited pro forma combined balance sheet and unaudited pro forma combined statements of operations. The final purchase price allocation will be determined when Tivity Health has completed the detailed valuations and necessary calculations. The final allocation could differ materially from the preliminary allocation used in the pro forma adjustments. The final allocation may include (1) changes in fair values of property, plant and equipment, (2) changes in allocations to intangible assets such as trade names, customer lists, retail customer relationships, and goodwill and (3) other changes to assets and liabilities.

Table of Contents**Note 3 Pro Forma Adjustments**

The pro forma adjustments are based on our preliminary estimates and assumptions that are subject to change. The following adjustments have been reflected in the unaudited pro forma combined financial statements:

- (a) The estimated adjustment to cash of \$14,459 as result of the Merger and the Financing is set forth in the table below:

Proceeds from Financing	\$ 1,184,000
Cash paid for shares of Nutrisystem common stock	(1,135,355)
Repayment of existing Tivity Health term loan and revolving credit facility	(51,975)
Payment of existing Tivity Health accrued interest	(136)
Contingent transaction fees relating to Merger	(25,850)
Debt issue costs and original issue discount (OID)	(39,537)
Total Uses of cash	(68,853)
Convert short-term investments to cash	54,394
Net impact on cash	\$ (14,459)

- (b) Property and equipment, net has been adjusted to estimated fair value based on a preliminary valuation, and the actual valuation could materially differ from the estimate. The resulting pro forma adjustment is as follows:

Property and equipment, net, elimination of historical	\$ (27,695)
Property and equipment, net, fair value	30,500
Pro-forma property and equipment adjustment	\$ 2,805

The associated pro forma adjustment to record the elimination of historical depreciation expense and recognition of new depreciation expense based on the fair value of the property and the estimated remaining useful lives calculated on a straight-line basis is as follows:

	Pro Forma Nine Months Ended September 30, 2018	Pro Forma Year Ended December 31, 2017
Reversal of Nutrisystem historical depreciation	\$ (10,781)	\$ (14,082)

Depreciation of acquired property and equipment	11,482	15,017
Pro forma depreciation expense adjustment	\$ 701	\$ 935

The fair value of the property and equipment set forth above is an estimate and subject to change. A 10% change in the fair value of the property and equipment would change depreciation expense on a pro forma basis by \$70 for the nine months ended September 30, 2018 and by \$94 for the year ended December 31, 2017.

- (c) The estimated increase in long-term deferred tax liability to \$223,786 primarily results from the \$231,618 increase in deferred tax liabilities related to fair value adjustments for fixed assets and non-deductible intangible assets using a blended federal and state statutory rate of 25%. This increase was reduced by \$3,301 of deferred taxes related to Nutrisystem equity awards to be assumed by Tivity Health that relate to pre-combination services, resulting in a net increase in deferred tax liabilities related to the Merger of \$228,317. This amount was then reduced by a \$4,531 reclassification from long-term deferred tax asset.

Table of Contents

- (d) The net pro forma adjustment of \$923,666 to intangible assets reflects the elimination of \$12,334 of historical Nutrisystem intangible assets, offset by a preliminary fair value estimate of \$936,000 in identifiable intangible assets acquired. Preliminary identifiable intangible assets consist of the following:

	Approximate Fair Value	Estimated Useful Life (in years)
Trade name Nutrisystem	\$ 800,000	Indefinite
Trade name South Beach Diet	9,000	15
Customer list	110,000	7
Retail customer relationship	11,000	10
Noncompetition agreements	6,000	5
Total	\$ 936,000	

The straight-line amortization related to the identifiable intangible assets is reflected as a pro forma adjustment in the unaudited pro forma combined statements of operations based on the estimated useful lives above and as further described in Note 3(k) below. The identifiable intangible assets and related amortization are preliminary and are based on management's estimates after initial consultations with valuation personnel and discussions with Nutrisystem's management. The amount that will ultimately be allocated to identifiable intangible assets and liabilities, and the related amount of amortization, may differ materially from this preliminary allocation.

- (e) The preliminary estimate of goodwill arising from the Merger is approximately \$470,117 (refer to Note 2). The goodwill will not be amortized, but instead will be tested for impairment at least annually and whenever events or circumstances have occurred that may indicate a possible impairment exists. In the event that Tivity Health determines that the value of goodwill has become impaired, Tivity Health will incur an accounting charge for the amount of the impairment during the period in which the determination is made. The goodwill is not expected to be deductible for tax purposes.
- (f) Tivity Health expects that, prior to or simultaneously with the consummation of the Merger, it will execute definitive documentation with respect to a new term loan facility and revolving credit facility on the terms set forth in the Debt Commitment Letter, repay the existing Tivity Health delayed draw term loan and amounts outstanding under the existing revolving credit facility, and pay related fees and expenses. Debt issued and the calculation of pro forma interest expense for the periods presented are as follows:

	Nine Months Ended September 30, 2018			Year Ended December 31, 2017		
	Other long-term assets as of 9/30/18	Long-term debt as of 9/30/18	Effective Interest Rate	Interest Expense	Effective Interest Rate	Interest Expense
Financing	\$	\$ 1,184,000	8.33%	\$ 63,253	8.33%	\$ 88,110

Edgar Filing: TIVITY HEALTH, INC. - Form 424B3

Debt Issuance Costs and OID	2,656	(36,881)	5,170	6,815
Repayment of debt		(51,975)		
Elimination of historical issuance costs and interest	(752)		(7,436)	(15,494)
Totals	\$ 1,904	\$ 1,095,144	\$ 60,987	\$ 79,431
Less current portion of long-term debt		(11,840)		
Long-term debt total		\$ 1,083,304		

Based on current information available, the long-term debt portion of the Financing is preliminarily being accounted for as a debt extinguishment. The estimated debt issuance costs and OID of \$36,881,

Table of Contents

which consist of underwriting and professional fees, were accordingly recorded as a reduction to long-term debt. There were no unamortized debt issuance costs associated with the existing Tivity Health delayed draw term loan as of September 30, 2018.

The revolving credit facility portion of the Financing is also preliminarily being accounted for as a debt extinguishment. The estimated debt issuance costs of \$2,656 were accordingly recorded in other long-term assets, and unamortized costs associated with the existing Tivity Health credit facility of \$752 were removed. Amortization of debt issuance costs for the term loan facility are reflected in the unaudited pro forma combined statements of operations using the effective interest method. Amortization of debt issuance costs for the revolving credit facility are recognized on a straight-line basis.

The effective interest rates for new borrowings in the table above reflect Tivity Health's management's current estimates of the interest rates that will be applicable to such borrowings, which are subject to change. A 0.125% variance in the interest rates would increase or decrease interest expense on a pro forma basis by \$1,047 for the nine months ended September 30, 2018 and by \$1,459 for the year ended December 31, 2017.

- (g) Estimated transaction fees of \$6,283 have been added to accrued liabilities in the combined pro forma balance sheet as of September 30, 2018. This adjustment represents the estimated combined transaction fees (such as professional fees and due diligence costs) to be incurred subsequent to September 30, 2018 for both Nutrisystem and Tivity Health. There were no material costs incurred in connection with the Merger by either company prior to October 1, 2018. Contingent transaction fees relating to the Merger (such as advisory fees) that will be paid at closing by Tivity Health are estimated to be \$25,850.
- (h) The pro forma adjustments to stockholders' equity include (i) the issuance of 6,273,017 shares of Tivity Health common stock estimated to be issued to former stockholders of Nutrisystem in connection with the Merger (as described in Note 2 above); (ii) \$13,204 for the estimated fair value of Nutrisystem stock-based compensation awards assumed for pre-combination service at the closing of the Merger (as described in Note 2 above); (iii) the elimination of the historical equity of Nutrisystem; (iv) contingent transaction fees related to the Merger to be paid at closing of the Merger; (v) the write-off of deferred loan costs related to Tivity Health's existing credit facility; and (vi) the accrual of estimated transaction fees incurred by Tivity and Nutrisystem subsequent to September 30, 2018, as set forth in the table below.

	Common Stock	Additional Paid-In Capital	Retained Earnings	Accumulated Other Comprehensive Loss	Treasury Stock
Estimated value of Tivity Health common stock to be issued for outstanding Nutrisystem common stock	\$ 6	\$ 155,628	\$	\$	\$

- (i) Tivity Health historically classified marketing expenses within cost of services and selling, general, and administrative expenses, while Nutrisystem presented marketing expenses in a separate line item.

Table of Contents

As marketing expense is material to the combined company and for purposes of comparability, Tivity Health reclassified these marketing expenses to a separate line item as follows:

	Pro Forma Nine Months Ended September 30, 2018			Pro Forma Year Ended December 31, 2017		
	Cost of Services	SG&A	Marketing Expense	Cost of Services	SG&A	Marketing Expense
Reclassification of Tivity Health historical marketing costs	\$ (10,971)	\$ (16)	\$ 10,987	\$ (8,388)	\$ (216)	\$ 8,604

- (j) The changes in cost of services, marketing expenses, and selling, general and administrative expenses include the net adjustments to stock-based compensation expense for the post-combination portion of Nutrisystem's equity awards assumed by Tivity Health, which includes the reversal of Nutrisystem's historical expense related to these awards as well as new expense for the fair value of the assumed awards (which includes incremental expense related to the acceleration of performance periods under the 2018 PRSU awards and the 2016 SPRSU awards; see the definition of 2018 PRSU and 2016 SPRSU in the section **Interests of Certain Persons in the Merger - Equity Interests of Nutrisystem's Executive Officers** beginning on page 125 of this proxy statement/prospectus). The new stock-based compensation expense is amortized on a straight-line basis over the remaining vesting periods.

In addition, pro forma adjustments were made for special equity-based retention awards granted to two senior management employees of Nutrisystem in connection with the Merger and consisting of (i) an award of Tivity Health restricted stock units with a grant date fair value of \$2,000, providing for cliff vesting on May 31, 2020; (ii) an award consisting of Tivity Health time-based restricted stock units with a grant date value of \$750 that will become vested in three-year installments; and (iii) an award of performance shares that vest on the third anniversary of the closing of the Merger subject to achievement of certain cumulative earnings before interest, taxes, depreciation and amortization (which is referred to in this proxy statement/prospectus as **EBITDA**) targets in respect of fiscal years 2020 and 2021 with a grant date fair value of \$2,000 (at target) and \$4,000 (at maximum). See **Interests of Certain Persons in the Merger - Employment Agreements** beginning on page 126 of this proxy statement/prospectus for a more detailed description of these special retention awards.

(k)

Pro forma amortization reflects the elimination of Nutrisystem's historical intangible asset amortization and the addition of new straight-line amortization based on the intangible assets described in Note 3(d). Refer to the following table:

	Approximate Fair Value	Estimated Useful Life (in years)	Nine Months Ended September 30, 2018	Year Ended December 31, 2017

Table of Contents

The fair value and useful lives for the intangible assets set forth above are estimates and subject to change. A 10% change in the fair value of the intangible assets would change amortization expense on a pro forma basis by \$1,396 for the nine months ended September 30, 2018 and by \$1,861 for the year ended December 31, 2017.

- (l) The income tax effects of all pro forma adjustments are based on an estimated blended federal and state statutory tax rate of 38% for 2017 (prior to the enactment of the Tax Cuts and Jobs Act of 2017) and 25% for the nine months ended September 30, 2018 (subsequent to the enactment of the Tax Cuts and Jobs Act of 2017).
- (m) The changes to basic and diluted earnings per share from continuing operations (which is referred to in this proxy statement/prospectus as **EPS**) and basic and diluted weighted average shares outstanding reflect the pro forma adjustments shown in the tables below and further described herein. The two-class method was used to calculate EPS as Nutrisystem's unvested restricted stock awards are participating shares with nonforfeitable rights to dividends, and the replacement awards to be issued by Tivity Health for these shares will retain the same nonforfeitable rights. Under the two-class method, earnings per common share are computed by dividing the sum of distributed earnings to common stockholders (which is assumed to be zero as Tivity Health historically has not paid a dividend and has no immediate plans to do so) and undistributed earnings allocated to common stockholders by the weighted average number of common shares outstanding for the period. In applying the two-class method, undistributed earnings are allocated to both common shares and participating securities based on the number of weighted average shares outstanding during the period. The following table sets forth the computation of basic and diluted EPS.

	Pro Forma Nine Months Ended September 30, 2018	Pro Forma Year Ended December 31, 2017

- (1) Represents 6,273,017 shares of Tivity Health common stock estimated to be issued for outstanding shares of Nutrisystem common stock as stock consideration. The estimate is based on 29,299,472 shares of Nutrisystem common stock issued and outstanding as of December 31, 2018 multiplied by the Exchange Ratio.
- (2) New awards include Nutrisystem's equity awards assumed by Tivity Health as well as special equity-based retention awards granted to two senior management employees of Nutrisystem in connection with the Merger, as described in Note 3(j).
- (n) Tivity Health historically classified deferred revenue within accrued liabilities, while Nutrisystem presented deferred revenue in a separate line item. As deferred revenue is material to the combined company and for purposes of comparability, Tivity Health reclassified \$601 of deferred revenue from accrued liabilities into a separate line item.
- (o) The pro forma adjustments to accrued liabilities include (i) a decrease of \$136 related to the payment of interest under Tivity Health's existing credit facility (see Note 3(a)); (ii) an increase of \$6,283 related to estimated transaction fees (see Note 3(g)); (iii) an increase of \$6,193 related to the cash consideration to be paid for the net settlement of outstanding Nutrisystem stock options (see Note 2); (iv) a decrease of \$601 related to the reclassification of Tivity Health's deferred revenue (see Note 3(n)); and (v) a decrease of

\$2,031 related to the reclassification of Nutrisystem's other current liabilities (see Note 3(p)).

- (p) Nutrisystem historically reported a line item other accrued expenses and current liabilities, which totaled \$5,883 at September 30, 2018 (see Selected Historical Consolidated Financial Data of Nutrisystem beginning on page 25 of this proxy statement/prospectus) and is reported in the historical amounts of the unaudited pro forma combined balance sheet as accrued liabilities. This amount includes certain items that, by their nature, would be classified by Tivity Health as other current liabilities. Therefore, for purposes of comparability, \$2,031 has been reclassified from accrued liabilities to other current liabilities.

CAUTIONARY STATEMENT REGARDING FORWARD-LOOKING STATEMENTS

Some of the statements contained in or incorporated by reference into this proxy statement/prospectus are forward-looking statements within the meaning of the federal securities laws, including Section 27A of the Securities Act of 1933, as amended, and Section 21E of the Securities Exchange Act of 1934, as amended. These forward-looking statements are based upon current expectations and include all statements that are not historical statements of fact and those regarding the intent, belief or expectations, including, without limitation, statements that are accompanied by words such as will, expect, outlook, anticipate, intend, plan, believe, seek, see, or other similar words, phrases or expressions and variations or negatives of these words. These forward-looking statements include, but are not limited to, statements regarding the proposed Merger, integration and transition plans, synergies, opportunities and anticipated future performance. These statements are not guarantees of performance or results. Many risks and uncertainties could affect actual results and cause them to vary materially from the expectations contained in the forward-looking statements. These risks and uncertainties include, among other things:

the timing and likelihood of, and any conditions or requirements imposed in connection with, obtaining required stockholder or regulatory approval of the proposed transaction;

the possibility that the closing conditions to the proposed transaction may not be satisfied or waived;

delay in closing the proposed transaction or the possibility of non-consummation of the proposed transaction;

the risk that expected benefits, synergies and growth opportunities of the proposed transaction may not be achieved in a timely manner or at all, including that the proposed transaction may not be accretive within the expected timeframe or to the extent anticipated;

the occurrence of any event that could give rise to termination of the Merger Agreement;

the risk that stockholder litigation in connection with the proposed transaction may affect the timing or occurrence of the proposed transaction or result in significant costs of defense, indemnification and liability;

the risk that Tivity Health and Nutrisystem will be unable to retain or hire key personnel;

the ability to successfully integrate Nutrisystem's business with Tivity Health following the closing;

the risk that the significant indebtedness incurred to fund the purchase price may limit Tivity Health's ability to adapt to changes in the economy or market conditions, expose the company to interest rate risk for the variable rate indebtedness and require a substantial portion of cash flows from operations to be dedicated to

the payment of indebtedness;

the risk that disruption from the proposed transaction may adversely affect Tivity Health's and Nutrisystem's business and their respective relationships with customers, vendors or employees; and

other risks described in Tivity Health's and Nutrisystem's reports filed from time to time with the SEC. For a further discussion of these and other risks, contingencies and uncertainties that may impact Tivity Health, Nutrisystem or the combined company, and that Nutrisystem stockholders should consider prior to deciding whether to vote **FOR** the adoption of the Merger Agreement, see the section entitled "Risk Factors" beginning on page 47 of this proxy statement/prospectus and in Tivity Health's and Nutrisystem's other filings with the SEC incorporated by reference into this proxy statement/prospectus.

Due to these risks, contingencies and other uncertainties, you are cautioned not to place undue reliance on these forward-looking statements, which speak only as of the date of this proxy statement/prospectus as to the forward-looking statements contained in this proxy statement/prospectus, and as of the date of any document incorporated by reference into this proxy statement/prospectus as to any forward-looking statement incorporated

by reference herein. Except as provided by federal securities laws, neither Tivity Health nor Nutrisystem is required to publicly update or revise any forward-looking statement, whether as a result of new information, future events or otherwise. All subsequent written or oral forward-looking statements attributable to Tivity Health or Nutrisystem or any person acting on its or their behalf are expressly qualified in their entirety by the cautionary statements contained or referred to in this section. Tivity Health and Nutrisystem do not undertake any obligation to release publicly any revisions to these forward-looking statements to reflect events or circumstances after the date of this proxy statement/prospectus or to reflect the occurrence of unanticipated events, except as may be required under applicable federal securities laws.

Table of Contents**RISK FACTORS**

In addition to the other information contained or incorporated by reference into this proxy statement/prospectus, including the matters addressed in Cautionary Statement Regarding Forward-Looking Statements and Where You Can Find More Information beginning on pages 45 and 151, respectively, of this proxy statement/prospectus, you should carefully consider the following risk factors in determining whether to vote for the adoption of the Merger Agreement. You should also read and consider the risk factors associated with each of the businesses of Tivity Health and Nutrisystem because these risk factors may affect the operations and financial results of the combined company. These risk factors may be found under Part I, Item 1A, Risk Factors in each company's Annual Report on Form 10-K for the year ended December 31, 2017 and under Part II, Item 1A, Risk Factors in each company's Quarterly Report on Form 10-Q for the quarterly periods ended September 30, 2018, June 30, 2018, and March 31, 2018, as applicable, each of which is on file with the SEC and all of which are incorporated by reference into this proxy statement/prospectus.

Because the Exchange Ratio is fixed and the market price of Tivity Health common stock has fluctuated and will continue to fluctuate, you cannot be sure of the value of the Merger Consideration you will receive.

Upon completion of the Merger, each share of Nutrisystem common stock outstanding immediately prior to the Merger (other than those held by Nutrisystem as treasury stock, by Tivity Health or by any subsidiary of Nutrisystem or Tivity Health or with respect to which appraisal rights have been properly exercised in accordance with the DGCL) will be converted into the right to receive \$38.75 in cash, without interest, and 0.2141 of a share of Tivity Health common stock. Because the Exchange Ratio is fixed (except for the potential adjustment described under The Merger Agreement Merger Consideration beginning on page 98 of this proxy statement/prospectus), the value of the stock portion of the Merger Consideration will depend on the market price of Tivity Health common stock at the time the Merger is completed. The value of the stock portion of the Merger Consideration has fluctuated since the date of the announcement of the Merger Agreement and will continue to fluctuate from the date of this proxy statement/prospectus to the date of the Nutrisystem special meeting and the date the Merger is completed and thereafter. For example, on December 7, 2018, the last trading day before the public announcement of the Merger, the closing price of Tivity Health common stock on Nasdaq was \$40.61; on December 10, 2018, the trading day on which the public announcement of the Merger took place, the closing price of Tivity Health common stock on Nasdaq was \$27.65, and on January 30, 2019, the most recent practicable trading day prior to the date of this proxy statement/prospectus, the closing price of Tivity Health common stock on Nasdaq was \$22.08. Accordingly, at the time of the Nutrisystem special meeting, Nutrisystem stockholders will not know or be able to determine the market value of the Merger Consideration they would receive upon completion of the Merger. Stock price changes may result from a variety of factors, including, among others, general market and economic conditions, changes in Tivity Health's and Nutrisystem's respective businesses, operations and prospects, market assessments of the strategic and operational aspects of the Merger and market assessments of the likelihood that the Merger will be completed, the timing of the Merger and other factors. Many of these factors are beyond Tivity Health's and Nutrisystem's control. You are urged to obtain current market quotations for Tivity Health common stock in deciding whether to vote for the adoption of the Merger Agreement.

The market price of Tivity Health common stock after the Merger may be affected by factors different from those affecting shares of Nutrisystem stock currently.

Upon completion of the Merger, holders of Nutrisystem common stock will become holders of Tivity Health common stock. The businesses of Tivity Health differ from those of Nutrisystem in important respects and, accordingly, the results of operations of Tivity Health after the Merger, as well as the market price of the Tivity Health common stock, may be affected by factors different from those currently affecting the independent results of operations of

Nutrisystem. For further information on the businesses of Tivity Health and Nutrisystem and certain factors to consider in connection with those businesses, see the documents incorporated by reference

Table of Contents

into this proxy statement/prospectus and referred to under "Where You Can Find More Information" beginning on page 151 of this proxy statement/prospectus.

After completion of the Merger, Tivity Health may fail to realize the anticipated benefits and cost savings of the Merger, which could adversely affect the value of Tivity Health common stock.

The success of the Merger will depend, in part, on Tivity Health's ability to realize the anticipated benefits and cost savings from combining the businesses of Tivity Health and Nutrisystem. The ability of Tivity Health to realize these anticipated benefits and cost savings is subject to certain risks including:

Tivity Health's ability to combine successfully the businesses of Tivity Health and Nutrisystem, including with respect to systems and technology integration;

whether the combined businesses will perform as expected;

the possibility that Tivity Health paid more for Nutrisystem than the value it will derive from the acquisition;

the reduction of Tivity Health's cash available for operations and other uses and the incurrence of indebtedness to finance the acquisition; and

the assumption of known and unknown liabilities of Nutrisystem.

If Tivity Health is not able to successfully combine the businesses of Tivity Health and Nutrisystem within the anticipated time frame, or at all, the anticipated cost savings and other benefits of the Merger may not be realized fully or at all or may take longer to realize than expected, the combined businesses may not perform as expected and the value of the Tivity Health common stock (including the stock portion of the Merger Consideration) may be adversely affected.

Tivity Health and Nutrisystem have operated and, until completion of the Merger, will continue to operate, independently, and there can be no assurances that their businesses can be integrated successfully. It is possible that the integration process could result in the loss of key Tivity Health or Nutrisystem employees, the disruption of either company's, or both companies' ongoing businesses or in unexpected integration issues, higher than expected integration costs and an overall post-completion integration process that takes longer than originally anticipated. Specifically, issues that must be addressed in integrating the operations of Nutrisystem and Tivity Health in order to realize the anticipated benefits of the Merger so the combined business performs as expected include, among other things:

integrating the companies' technologies, products and services;

identifying and eliminating redundant and underperforming operations and assets;

harmonizing the companies' operating practices, employee development and compensation programs, internal controls and other policies, procedures and processes;

addressing possible differences in business backgrounds, corporate cultures and management philosophies;

consolidating the companies' corporate, administrative and information technology infrastructure;

coordinating sales, distribution and marketing efforts;

maintaining existing agreements with customers and suppliers and avoiding delays in entering into new agreements with prospective customers and suppliers; and

coordinating geographically dispersed organizations.

In addition, at times, the attention of certain members of either company's, or both companies' management and resources may be focused on completion of the Merger and the integration of the businesses of the two companies and diverted from day-to-day business operations, which may disrupt either company's or both companies' ongoing business and the business of the combined company.

Table of Contents**Tivity Health and Nutrisystem may have difficulty attracting, motivating and retaining executives and other key employees in light of the Merger.**

Uncertainty about the effect of the Merger on Tivity Health and Nutrisystem employees may have an adverse effect on Tivity Health and Nutrisystem and consequently the combined business. This uncertainty may impair Tivity Health's and Nutrisystem's ability to attract, retain and motivate key personnel until the Merger is completed and during the integration phase thereafter. Employee retention may be particularly challenging during the pendency of the Merger, as employees of Tivity Health and Nutrisystem may experience uncertainty about their future roles with the combined business. Additionally, Nutrisystem's officers and employees may hold shares of Nutrisystem common stock or vested options to purchase shares of Nutrisystem common stock and, if the Merger is completed, may therefore be entitled to the Merger Consideration in respect of such shares of Nutrisystem common stock and cash consideration in respect of such stock options, the receipt of which could lead certain officers and employees to no longer pursue employment with the combined business. Additionally, pursuant to employment agreements and equity award agreements with Nutrisystem and letter agreements with Tivity Health, certain key employees of Nutrisystem are entitled to receive severance payments and equity vesting acceleration benefits upon a termination of employment for good reason following completion of the Merger. Severance payments and equity vesting acceleration benefits that could be attained in connection with a good reason termination could lead those key employees to terminate employment with the combined business if there is a basis for them to claim that their employment was terminated for good reason. Furthermore, if key employees of Tivity Health or Nutrisystem depart, including because of issues relating to the uncertainty and difficulty of integration, financial security or a desire not to become employees of the combined business, Tivity Health may have to incur significant costs in identifying, hiring and retaining replacements for departing employees, and Tivity Health's ability to realize the anticipated benefits of the Merger may be adversely affected. See "Interests of Certain Persons in the Merger" beginning on page 125 of this proxy statement/prospectus.

Tivity Health and Nutrisystem may be unable to obtain the regulatory approvals required to complete the Merger or, in order to do so, may be required to satisfy materially adverse conditions or comply with materially adverse restrictions.

Completion of the Merger is conditioned upon the expiration or early termination of the waiting period relating to the Merger under the HSR Act. While neither Tivity Health nor Nutrisystem is aware of any other material governmental approvals or actions that are required for completion of the Merger, to the extent any such additional material governmental approvals or actions are required, there can be no assurance that such approvals will be obtained. Additionally, under the terms of the Merger Agreement, Tivity Health may be required, among other things, to enter into or agree to divestitures, hold separate agreements, the termination, assignment, novation or modification of contracts or other business relationships, the acceptance of restrictions on business operations, the entry into other commitments and limitations, and litigation, including with governmental entities, to obtain the approvals, consents, orders, exemptions or waivers from any governmental authority or other third party required to be obtained prior to the consummation of the Merger. Any such action could adversely affect Tivity Health's or Nutrisystem's business and substantially diminish the advantages that the parties expect from the Merger. See "Proposal 1: The Merger Regulatory Approvals Required for the Merger," "The Merger Agreement Consents, Approvals and Filings" and "The Merger Agreement Conditions to Completion of the Merger" beginning on pages 88, 111 and 117, respectively, of this proxy statement/prospectus.

The Merger is subject to the receipt of approval from Nutrisystem stockholders as to the Merger Agreement. Failure to obtain this approval would prevent the closing of the Merger.

Before the Merger can be completed, Nutrisystem stockholders must adopt the Merger Agreement. There can be no assurance that this approval will be obtained. Failure to obtain the required approval may result in a material delay in,

or the abandonment of, the Merger. Any delay in completing the Merger may materially adversely affect the timing and amount of cost savings and other benefits that are expected to be achieved from the Merger.

Table of Contents

Tivity Health's and Nutrisystem's business relationships may be subject to disruption due to uncertainty associated with the Merger.

Parties with which Tivity Health or Nutrisystem do business may experience uncertainty associated with the transaction, including with respect to current or future business relationships with Tivity Health, Nutrisystem or the combined business. Tivity Health's and Nutrisystem's business relationships may be subject to disruption as customers, suppliers and others may attempt to negotiate changes in existing business relationships or consider entering into business relationships with parties other than Tivity Health, Nutrisystem or the combined business. These disruptions could have an adverse effect on the businesses, financial condition, results of operations or prospects of the combined business, including an adverse effect on Tivity Health's ability to realize the anticipated benefits of the Merger. The adverse effect of such disruptions could be exacerbated by a delay in completion of the Merger or termination of the Merger Agreement.

Certain of Nutrisystem's executive officers and directors have interests in the Merger that may be different from your interests as a stockholder of Nutrisystem.

When considering the recommendation of the Nutrisystem Board that Nutrisystem stockholders vote in favor of the adoption of the Merger Agreement, you should be aware that certain of the executive officers and directors of Nutrisystem have interests in the Merger that may be different from, or in addition to, the interests of Nutrisystem stockholders generally. These include continued employment of certain executive officers of Nutrisystem, rights to continuing indemnification and directors' and officers' liability insurance and payment pursuant to certain equity awards. See "Interests of Certain Persons in the Merger" beginning on page 125 of this proxy statement/prospectus for a more detailed description of these interests. The Nutrisystem Board was aware of these interests and considered them, among other things, in evaluating and negotiating the Merger Agreement and the Merger and in recommending that Nutrisystem stockholders adopt the Merger Agreement.

The Merger Agreement subjects Tivity Health and Nutrisystem to restrictions on their respective business activities prior to the Effective Time.

The Merger Agreement subjects Tivity Health and Nutrisystem to restrictions on their respective business activities and obligates Tivity Health and Nutrisystem to generally operate their businesses in the ordinary course, consistent with past practice, until the Effective Time. These restrictions could prevent Tivity Health and Nutrisystem from pursuing attractive business opportunities that arise prior to the Effective Time and are outside the ordinary course of business. See "The Merger Agreement - Conduct of Business Pending the Merger" beginning on page 104 of this proxy statement/prospectus.

The Merger Agreement limits Nutrisystem's ability to pursue alternatives to the Merger.

The Merger Agreement contains provisions that make it more difficult for Nutrisystem to sell its business to a party other than Tivity Health. These provisions include a general prohibition on Nutrisystem soliciting any acquisition proposal or offer for a competing transaction. Further, there are only limited exceptions to Nutrisystem's agreement that the Nutrisystem Board will not withdraw or modify in a manner adverse to Tivity Health the recommendation of the Nutrisystem Board in favor of the adoption of the Merger Agreement, and Tivity Health generally has a right to match any competing acquisition proposals that may be made. However, at any time prior to the adoption of the Merger Agreement by Nutrisystem stockholders, the Nutrisystem Board is permitted to take certain of these actions and, in certain circumstances, terminate the Merger Agreement if it determines in good faith that the failure to take such action would be reasonably likely to be inconsistent with its fiduciary duties under applicable law. Doing so could in certain circumstances obligate Nutrisystem to pay to Tivity Health a termination fee of \$45.0 million. See

The Merger Agreement No Solicitation of Alternative Proposals; Changes in Board Recommendation , The Merger Agreement Termination of the Merger Agreement and The Merger Agreement Termination Fee beginning on pages 108, 118 and 119, respectively, of this proxy statement/prospectus.

While Nutrisystem believes these provisions are reasonable and not preclusive of other offers, the provisions may discourage a third party that has an interest in acquiring all or a significant part of Nutrisystem

Table of Contents

from considering or proposing that acquisition, even if that party were prepared to pay consideration with a higher per-share value than the currently proposed Merger Consideration. Furthermore, the termination fee may result in a potential competing acquirer proposing to pay a lower per-share price to acquire Nutrisystem than it might otherwise have proposed to pay because of the added expense of the \$45.0 million termination fee that may become payable by Nutrisystem in certain circumstances.

Failure to complete the Merger could negatively impact the stock price and the future business and financial results of Tivity Health and Nutrisystem.

If the Merger is not completed, the ongoing businesses of Tivity Health and Nutrisystem may be adversely affected and, without realizing any of the benefits of having completed the Merger, Tivity Health and Nutrisystem would be subject to a number of risks, including the following:

Tivity Health and Nutrisystem may experience negative reactions from the financial markets, including negative impacts on their respective stock and bond prices, and from their respective customers, suppliers, regulators and employees;

Nutrisystem may be required to pay Tivity Health a termination fee of \$45.0 million if the Merger is terminated under certain circumstances (see The Merger Agreement Termination Fee beginning on page 119 of this proxy statement/prospectus);

Tivity Health and Nutrisystem will be required to pay certain costs relating to the Merger, whether or not the Merger is completed; and

matters relating to the Merger (including integration planning) will require substantial commitments of time and resources by Tivity Health and Nutrisystem management, which would otherwise have been devoted to day-to-day operations and other opportunities that may have been beneficial to either Tivity Health or Nutrisystem as an independent company.

There can be no assurance that the risks described above will not materialize. If any of those risks materialize, they may adversely affect Tivity Health's and Nutrisystem's businesses, financial condition, financial results and stock or bond prices.

In addition, Tivity Health and Nutrisystem could be subject to litigation related to any failure to complete the Merger or related to any enforcement proceeding commenced against Tivity Health or Nutrisystem to perform their respective obligations under the Merger Agreement. If the Merger is not completed, these risks may materialize and may adversely affect Tivity Health's and Nutrisystem's business, financial condition, financial results and stock or bond prices.

The shares of Tivity Health common stock to be received by Nutrisystem stockholders upon completion of the Merger will have different rights from shares of Nutrisystem common stock.

Upon completion of the Merger, Nutrisystem stockholders will no longer be stockholders of Nutrisystem, but will instead become stockholders of Tivity Health, and their rights as stockholders will be governed by the terms of Tivity

Health's certificate of incorporation and bylaws. The terms of Tivity Health's certificate of incorporation and bylaws are in some respects materially different than the terms of Nutrisystem's certificate of incorporation and bylaws, which currently govern the rights of Nutrisystem stockholders. See "Comparison of Stockholder Rights" beginning on page 135 of this proxy statement/prospectus for a discussion of the different rights associated with shares of Tivity Health common stock.

After the Merger, Nutrisystem stockholders will have a significantly lower ownership and voting interest in Tivity Health than in Nutrisystem and will exercise less influence over management.

Based on the number of shares of Nutrisystem common stock and Tivity Health common stock outstanding as of January 30, 2019 (the most recent practicable trading day prior to the date of this proxy statement/prospectus), it is

Table of Contents

expected that, immediately after completion of the Merger, former Nutrisystem stockholders will own approximately 14% of the outstanding shares of Tivity Health common stock. Consequently, Nutrisystem stockholders will have less influence over the management and policies of Tivity Health than they currently have over the management and policies of Nutrisystem.

Lawsuits have been filed and other lawsuits may be filed against Nutrisystem, Tivity Health and their respective boards of directors challenging the Merger. An adverse ruling in any such lawsuit may prevent the Merger from being completed.

As of February 1, 2019, six putative class action complaints have been filed by purported Nutrisystem stockholders challenging the Merger in the United States District Court for the District of Delaware. The complaints are captioned *Klein v. Nutrisystem, Inc. et al.*, Docket No. 1:19-cv-00056 (filed January 9, 2019), *Shaev v. Nutrisystem, Inc. et al.*, Docket No. 1:19-cv-00063 (filed January 10, 2019), *Vladimir Gusinsky Rev. Trust v. Nutrisystem, Inc.*, Docket No. 1:19-cv-00069 (filed January 10, 2019), *Frechter v. Nutrisystem, Inc., et al.*, Docket No. 1:19-cv-00087 (filed January 16, 2019), *Walton v. Nutrisystem, Inc. et al.*, Docket No. 1:19-cv-00112 (filed January 19, 2019), and *Haines v. Nutrisystem, Inc., et al.*, Docket No. 1:19-cv-00137 (filed January 24, 2019). The complaints name as defendants each member of Nutrisystem's board of directors and Nutrisystem itself and, in the case of the *Klein* and *Gusinsky* complaints, Tivity Health and Merger Sub. The complaints allege, among other things, that statements made in the registration statement filed by Tivity Health on January 7, 2019 were materially incomplete and misleading and violated Sections 14(a) and 20(a) of the Exchange Act. In addition, the complaints generally allege that the Merger undervalues Nutrisystem, that the process leading up to the execution of the Merger Agreement was flawed, and that certain provisions of the Merger Agreement improperly favor Tivity Health and improperly impede a potential alternative transaction. Among other remedies, the complaints seek equitable relief rescinding the Merger Agreement and enjoining the defendants from completing the Merger, as well as recovery of litigation costs and attorneys' fees. The defendants intend to defend these actions vigorously.

See Proposal I: The Merger Litigation Relating to the Merger beginning on page 95 of this proxy statement/prospectus for more information about litigation related to the Merger that has been commenced prior to the date of this proxy statement/prospectus. There can be no assurance that additional complaints will not be filed with respect to the Merger.

One of the conditions to completion of the Merger is the absence of any law enacted, adopted or promulgated in the United States following December 9, 2018 or order that prohibits, renders illegal or enjoins the consummation of the Merger. Accordingly, if a plaintiff is successful in obtaining an order prohibiting completion of the Merger, then such order may prevent the Merger from being completed, or from being completed within the expected timeframe.

The closing of the Merger may trigger change in control or other provisions in certain agreements to which Nutrisystem is a party.

The closing of the Merger may trigger change in control or other provisions in certain agreements to which Nutrisystem is a party. If Tivity Health and Nutrisystem are unable to negotiate waivers of those provisions, the counterparties may exercise their rights and remedies under the agreements, potentially terminating the agreements or seeking monetary damages. Even if Tivity Health and Nutrisystem are able to negotiate waivers, the counterparties may require a fee for such waivers or seek to renegotiate the agreements on terms less favorable to Nutrisystem or the combined business.

Table of Contents

The unaudited pro forma combined financial statements and the unaudited prospective financial information included in this proxy statement/prospectus are based on a number of preliminary estimates and assumptions and the actual results of operations and financial position of Tivity Health after the Merger may differ materially.

The unaudited pro forma combined financial statements in this proxy statement/prospectus are presented for illustrative purposes only and are not necessarily indicative of what Tivity Health's actual results of operations and financial position would have been had the Merger been completed on the dates indicated. The unaudited pro forma combined financial statements reflect adjustments, which are based upon preliminary estimates, to record the Nutrisystem identifiable assets to be acquired and liabilities to be assumed at fair value, and the resulting goodwill to be recognized. The purchase price allocation reflected is preliminary, and final allocation of the purchase price will be based upon the actual purchase price and the fair value of the assets acquired and liabilities assumed in the Merger. Accordingly, the final acquisition accounting adjustments may differ materially from the pro forma adjustments reflected in this proxy statement/prospectus. The unaudited pro forma combined financial statements are also based on a number of other estimates and assumptions, including estimates and assumptions of the type and terms of debt to be incurred to pay the cash portion of the Merger Consideration and the related fees and expenses. If the type or terms of the new debt actually incurred differ materially from the estimates and assumptions set out in the accompanying unaudited pro forma combined financial statements, Tivity Health's actual results and financial condition after the closing of the Merger could differ materially from the results and financial condition contemplated by the unaudited pro forma combined financial statements. See "Comparative Historical and Unaudited Pro Forma Per Share Data" and "Tivity Health and Nutrisystem Unaudited Pro Forma Combined Financial Statements" beginning on pages 30 and 31, respectively, of this proxy statement/prospectus.

The unaudited prospective financial information prepared by Nutrisystem in this proxy statement/prospectus was prepared for Nutrisystem's internal purposes and is presented in this proxy statement/prospectus because such forecasts were furnished to the Nutrisystem Board and its financial advisors. The unaudited prospective financial information is based on numerous variables and assumptions that are inherently uncertain and are beyond the control of each company's management team, including assumptions with respect to macro-economic trends, interest rates and anticipated growth rates, and is not necessarily indicative of what each company's actual results of operations, cash flows or financial position would be on the dates indicated. The assumptions used in preparing these forecasts may not prove to be accurate and other factors may affect Tivity Health's actual results and financial condition after the closing of the Merger, which may cause Tivity Health's actual results and financial condition to differ materially from the estimates contained in the unaudited prospective financial information prepared by Nutrisystem. See "Proposal I: The Merger - Nutrisystem Unaudited Prospective Financial Information" beginning on page 85 of this proxy statement/prospectus.

The indebtedness of Tivity Health following completion of the Merger will be substantially greater than Tivity Health's indebtedness on a stand-alone basis and greater than the combined indebtedness of Tivity Health and Nutrisystem existing prior to the transaction. This increased level of indebtedness could adversely affect Tivity Health, including by decreasing Tivity Health's business flexibility, and will increase its borrowing costs.

Upon completion of the Merger, Tivity Health expects to have incurred acquisition-related debt financing of approximately \$1.18 billion. Tivity Health's substantially increased indebtedness and higher debt-to-equity ratio following completion of the Merger in comparison to that of Tivity Health on a recent historical basis will have the effect, among other things, of reducing Tivity Health's flexibility to respond to changing business and economic conditions and will increase Tivity Health's borrowing costs. In addition, the amount of cash required to service Tivity Health's increased indebtedness levels and thus the demands on Tivity Health's cash resources may be greater than the percentages of cash flows required to service the indebtedness of Tivity Health or Nutrisystem individually prior to

the transaction. The increased levels of indebtedness could also reduce funds available for Tivity Health's investments in its programs as well as acquisitions, capital expenditures, share repurchases and other activities and may create competitive disadvantages for Tivity Health relative to other companies with lower debt levels.

Table of Contents

Tivity Health may not be able to service all of the combined company's indebtedness and may be forced to take other actions to satisfy Tivity Health's obligations under Tivity Health's indebtedness, which may not be successful. Tivity Health's failure to meet Tivity Health's debt service obligations could have a material adverse effect on Tivity Health's business, financial condition and results of operations.

Tivity Health depends on cash on hand and cash flows from operations to make scheduled debt payments. Tivity Health expects to be able to meet the estimated cash interest payments on the combined company's debt following the Merger through the expected cash flows from operations of the combined company. However, Tivity Health's ability to generate sufficient cash flow from operations of the combined company and to make scheduled payments will depend on a range of economic, competitive and business factors, many of which are outside of Tivity Health's control. There can be no assurance that these sources will be adequate. If Tivity Health is unable to service Tivity Health's indebtedness and fund Tivity Health's operations, Tivity Health will be forced to reduce or delay capital expenditures, seek additional capital, sell assets or refinance Tivity Health's indebtedness. Any such action may not be successful and Tivity Health may be unable to service Tivity Health's indebtedness and fund Tivity Health's operations, which could have a material adverse effect on Tivity Health's business, financial condition or results of operations.

The agreements that are expected to govern the indebtedness incurred in connection with the Merger, including the credit agreements in connection with Tivity Health's expected term loan facility and revolving credit facility, contain various covenants that impose restrictions on Tivity Health and certain of Tivity Health's subsidiaries that may affect Tivity Health's ability to operate Tivity Health's businesses.

The agreements that are expected to govern the indebtedness incurred in connection with the Merger, including the credit agreements in connection with Tivity Health's term loan facility and revolving credit facility, are expected to contain various affirmative and negative covenants that, subject to certain exceptions, will impose restrictions and limitations on Tivity Health and certain of Tivity Health's subsidiaries with respect to, among other things, indebtedness and disqualified stock; liens; negative pledges; restricted junior payments (*e.g.*, dividends, distributions, buybacks, redemptions, repurchases and payments on junior lien, subordinated or unsecured debt); restrictions on subsidiary distributions; acquisitions and other investments, loans, advances and guarantees; mergers and other fundamental changes; sales and other dispositions of assets (including equity interests in subsidiaries); sale/leaseback transactions; transactions with affiliates; conduct of business; amendments and waivers of organizational documents and material junior debt agreements; permitted activities of Tivity Health; and changes to fiscal year.

In addition, the credit agreements governing Tivity Health's term loan facility and revolving credit facility are expected to require Tivity Health to comply with certain financial covenants, including a total net leverage ratio. The ability of Tivity Health and its subsidiaries to comply with these provisions may be affected by events beyond Tivity Health's control. Failure to comply with these covenants could result in an event of default, which, if not cured or waived, could accelerate Tivity Health's repayment obligations and could result in a default and acceleration under other agreements containing cross-default provisions. Under these circumstances, Tivity Health might not have sufficient funds or other resources to satisfy all of Tivity Health's obligations.

Tivity Health will incur significant transaction and Merger-related costs in connection with the Merger.

Tivity Health expects to incur a number of non-recurring costs associated with the Merger and combining the operations of the two companies. The substantial majority of non-recurring expenses resulting from the Merger will be comprised of transaction costs related to the Merger. Tivity Health also will incur transaction fees and costs related to formulating and implementing integration plans, including facilities and systems consolidation costs and employment-related costs. Tivity Health continues to assess the magnitude of these costs, and additional unanticipated costs may be incurred in the Merger and the integration of the two companies' businesses. Although Tivity Health

expects that the elimination of duplicative costs, as well as the realization of other efficiencies related to the integration of the businesses, should allow Tivity Health to offset incremental integration-related costs over time, this net benefit may not be achieved in the near term, or at all.

The opinion obtained by the Nutrisystem Board from its financial advisor does not and will not reflect changes in circumstances subsequent to December 9, 2018.

On December 9, 2018, at a meeting of the Nutrisystem Board, Evercore rendered its oral opinion, subsequently confirmed by delivery of a written opinion that, based upon and subject to the assumptions, qualifications and limitations and other matters set forth therein, as of such date, the Merger Consideration was fair, from a financial point of view, to the holders of the shares of common stock of Nutrisystem, other than holders of Excluded Shares or appraisal shares. Nutrisystem has not obtained, and will not obtain, an updated opinion from Evercore. Evercore provided its opinion to the Nutrisystem Board (in its capacity as such) for the benefit and use of the Nutrisystem Board in connection with and for purposes of its evaluation of the Merger Consideration from a financial point of view. Evercore's opinion does not address any other aspect of the Merger and no opinion or view was expressed as to the relative merits of the Merger in comparison to other strategies or transactions that might be available to Nutrisystem or as to the underlying business decision of Nutrisystem to engage in the Merger. As a result, the opinion rendered by Evercore does not and will not address the fairness, from a financial point of view, of the Merger Consideration to be received by the holders of shares of Nutrisystem common stock pursuant to the Merger Agreement at the time the Merger is completed or at any time other than December 9, 2018. For a more complete description of the opinion rendered by Evercore, see Proposal I: The Merger Opinion of Nutrisystem's Financial Advisor beginning on page 76 of this proxy statement/prospectus and the full text of the opinion contained in Annex B to this proxy statement/prospectus.

The market price of shares of Tivity Health common stock may decline in the future as a result of the sale of shares of Tivity Health common stock held by former Nutrisystem stockholders or current Tivity Health stockholders.

Based on the number of shares of Nutrisystem common stock outstanding as of January 30, 2019 (other than Excluded Shares) the most recent practicable trading day prior to the date of this proxy statement/prospectus and the closing price of Tivity Health common stock on Nasdaq on such date of \$22.08, Tivity Health expects to issue approximately 6,536,640 shares of Tivity Health common stock to Nutrisystem stockholders in the Merger (including restricted shares of Tivity Health common stock to be issued in respect of awards of restricted shares of Nutrisystem common stock to be assumed by Tivity Health pursuant to the Merger Agreement). Following their receipt of shares of Tivity Health common stock in the Merger, former Nutrisystem stockholders may seek to sell the shares of Tivity Health common stock delivered to them. Other Tivity Health stockholders may also seek to sell shares of Tivity Health common stock held by them following, or in anticipation of, the closing of the Merger. These sales (or the perception that these sales may occur), coupled with the increase in the outstanding number of shares of Tivity Health common stock, may affect the market for, and the market price of, Tivity Health common stock in an adverse manner.

The combined company will record goodwill and other intangible assets that could become impaired and result in material non-cash charges to the results of operations of the combined company in the future.

The Merger will be accounted for as an acquisition by Tivity Health in accordance with accounting principles generally accepted in the United States. Under the acquisition method of accounting, the assets and liabilities of Nutrisystem and its subsidiaries will be recorded, as of completion, at their respective fair values and added to those of Tivity Health. The assets to be recorded at fair value are expected to include goodwill and other intangible assets. The reported financial condition and results of operations of Tivity Health for periods after the closing of the Merger will reflect Nutrisystem balances and results after the closing of the Merger, but will not be restated retroactively to reflect the historical financial position or results of operations of Nutrisystem and its subsidiaries for periods prior to the Merger. See Tivity Health and Nutrisystem Unaudited Pro Forma Combined Financial Statements beginning on page 31 of this proxy statement/prospectus. Tivity Health reviews goodwill and intangible assets not subject to amortization

for impairment on an annual basis (during the fourth quarter) or more frequently whenever events or circumstances indicate that the carrying value may not be recoverable.

Following the Merger, Tivity Health does not expect to pay dividends.

Tivity Health expects that, following the Merger, it will not continue Nutrisystem's quarterly dividend payments. Tivity Health has not paid any cash dividends on shares of Tivity Health common stock, and has no present intention of so doing. Payment of dividends, if any, in the future will be determined by the board of directors of Tivity Health, which is referred to in this proxy statement/prospectus as the **Tivity Health Board**, in light of earnings, financial condition and other relevant considerations.

SPECIAL MEETING OF STOCKHOLDERS OF NUTRISYSTEM

Nutrisystem is providing this proxy statement/prospectus to its stockholders in connection with the solicitation of proxies to be voted at the Nutrisystem special meeting of stockholders (or any adjournment or postponement of the Nutrisystem special meeting) that Nutrisystem has called to consider and vote on a proposal to adopt the Merger Agreement, a proposal to adjourn the Nutrisystem special meeting, if necessary or appropriate, and a proposal to approve, on an advisory (non-binding) basis, the Merger-Related Compensation payments that may be paid or become payable to its named executive officers in connection with, or following, the closing of the Merger.

Date, Time and Location

The Nutrisystem special meeting will be held on March 5, 2019, at Fort Washington Executive Center, 600 Office Center Drive, Fort Washington, PA 19034, commencing at 9:00 a.m., local time.

Only stockholders or their proxy holders may attend the Nutrisystem special meeting. If you hold shares in your name at the Record Date (the close of business on January 23, 2019), please be prepared to provide proper identification, such as a driver's license, to gain admission to the Nutrisystem special meeting.

If you are a beneficial owner of Nutrisystem common stock held in street name by a broker, bank or other holder of record at the Record Date, in addition to proper identification, you will also need proof of ownership at the Record Date to be admitted to the Nutrisystem special meeting. A brokerage statement or letter from a bank or broker are examples of proof of ownership. If you want to vote your shares of Nutrisystem common stock held in street name in person at the Nutrisystem special meeting, you will have to get a written proxy in your name from the broker, bank or other holder of record who holds your shares. It is suggested you do so in a timely manner to ensure receipt of your legal proxy prior to the Nutrisystem special meeting. The broker, bank or other holder of record who holds your shares will send you separate instructions describing the procedure for voting your shares of Nutrisystem common stock held in street name. Please follow the instructions provided by your broker, bank or other holder of record who holds your shares.

Purpose

At the Nutrisystem special meeting, Nutrisystem stockholders will be asked to consider and vote on the following proposals:

to adopt the Merger Agreement;

to approve the adjournment of the Nutrisystem special meeting from time to time if necessary or appropriate as determined by the Nutrisystem Board, including to solicit additional proxies if there are not sufficient votes to adopt the Merger Agreement at the time of the Nutrisystem special meeting or in the absence of a quorum; and

to approve, on an advisory (non-binding) basis, the Merger-Related Compensation.

The Nutrisystem Board does not presently intend to bring any other business before the Nutrisystem special meeting, nor does it expect any other matters to be brought before the Nutrisystem special meeting. However, it is intended that proxies, in the form enclosed, will be voted in respect of any other business that may properly come before the Nutrisystem special meeting in accordance with the judgment of the persons voting such proxies.

Recommendations of the Nutrisystem Board

After careful consideration, the Nutrisystem Board unanimously determined that the Merger Agreement, the Merger and the other transactions contemplated thereby are fair to, and in the best interests of, Nutrisystem and its stockholders, and unanimously approved, adopted and declared advisable the execution and delivery of the Merger Agreement, the Merger and the other transactions contemplated thereby. The Nutrisystem Board

Table of Contents

unanimously recommends that you vote **FOR** the adoption of the Merger Agreement. The Nutrisystem Board further unanimously recommends that you vote **FOR** the proposal to approve the adjournment of the Nutrisystem special meeting from time to time if necessary or appropriate as determined by the Nutrisystem Board, including to solicit additional proxies if there are not sufficient votes to adopt the Merger Agreement at the time of the Nutrisystem special meeting or in the absence of a quorum and **FOR** the proposal to approve, on an advisory (non-binding) basis, Merger-Related Compensation payments that may be paid or become payable by Nutrisystem to its named executive officers in connection with, or following, the closing of the Merger. See Proposal I: The Merger Nutrisystem's Reasons for the Merger; Recommendation of the Nutrisystem Board beginning on page 73 of this proxy statement/prospectus for a more detailed discussion of the recommendation of the Nutrisystem Board that Nutrisystem stockholders adopt the Merger Agreement.

Consummation of the Merger Agreement is conditioned on the adoption of the Merger Agreement by Nutrisystem's stockholders, but it is not conditioned on the approval of any of the other proposals.

Nutrisystem Record Date; Outstanding Shares; Stockholders Entitled to Vote

The Nutrisystem Board has fixed the close of business on January 23, 2019, as the record date for determination of the stockholders entitled to receive notice of, and vote at, the Nutrisystem special meeting or any adjournment or postponement of the Nutrisystem special meeting. As of the close of business on the Record Date, there were 29,496,562 shares of Nutrisystem common stock outstanding and entitled to vote at the Nutrisystem special meeting, held by approximately 537 holders of record (which does not include the number of Nutrisystem stockholders whose shares are held of record by banks, brokers or other nominees, but does include each such institution as one Nutrisystem stockholder). During the ten days prior to the Nutrisystem special meeting, you may inspect a list of stockholders eligible to vote. If you would like to inspect the list, please call Ralph J. Mauro, at 215-706-5300 to arrange a visit to our offices located at Fort Washington Executive Center, 600 Office Center Drive, Fort Washington, Pennsylvania 19034. The stockholder list also will be available at the Nutrisystem special meeting for examination by any stockholder present at the Nutrisystem special meeting.

Quorum

A quorum of stockholders at the Nutrisystem special meeting is required for Nutrisystem's stockholders to adopt the Merger Agreement or approve, on an advisory (non-binding) basis, the Merger-Related Compensation, but not to approve any adjournment or postponement of the Nutrisystem special meeting. The presence at the Nutrisystem special meeting, in person or by proxy, of the holders of a majority of the shares of Nutrisystem common stock issued and outstanding at the Record Date and entitled to vote at the Nutrisystem special meeting will constitute a quorum. An abstention will be included in determining the number of shares present and entitled to vote at the Nutrisystem special meeting for the purpose of determining the presence of a quorum. Because it is expected that all proposals to be voted on at the Nutrisystem special meeting will be non-routine matters, broker non-votes (which are shares of Nutrisystem common stock held by banks, brokers or other nominees with respect to which the bank, broker or other nominee is not instructed by the beneficial owner of such shares how to vote on a particular proposal and the bank, broker or other nominee does not have discretionary voting power on such proposal), if any, will not be counted as present and entitled to vote for purposes of determining quorum.

Required Vote

To adopt the Merger Agreement, the affirmative vote of holders of a majority of the shares of Nutrisystem common stock outstanding and entitled to vote on the proposal is required. Because approval requires the affirmative vote of a majority of the outstanding shares of Nutrisystem common stock entitled to vote on the proposal, a Nutrisystem

stockholder's abstention from voting, the failure of a Nutrisystem stockholder who holds his, her or its shares in street name through a broker, bank or other holder of record to give voting instructions to that broker, bank or other holder of record or a Nutrisystem stockholder's other failure to vote will have the same effect as a vote **AGAINST** the adoption of the Merger Agreement.

Table of Contents

To approve the adjournment of the Nutrisystem special meeting from time to time if necessary or appropriate as determined by the Nutrisystem Board, including to solicit additional proxies if there are not sufficient votes to adopt the Merger Agreement at the time of the Nutrisystem special meeting or in the absence of a quorum, the affirmative vote of the holders of a majority in voting power of the shares of Nutrisystem common stock entitled to vote thereat, present in person or represented by proxy, is required (whether or not a quorum is present). Abstentions will have the same effect as a vote **AGAINST** the proposal to adjourn the Nutrisystem special meeting. Broker non-votes (if any) and other failures to vote will have no effect on the approval of the adjournment proposal.

To approve, on an advisory (non-binding) basis, Merger-Related Compensation, the affirmative vote of the holders of shares of Nutrisystem common stock having a majority of the votes cast by the holders of all shares of Nutrisystem common stock present in person or represented by proxy is required. Abstentions will have no effect on the proposal to approve the Merger-Related Compensation. Broker non-votes (if any) or other failures to vote will have no effect on the outcome of any vote to approve the Merger-Related Compensation.

Stock Ownership of and Voting by Nutrisystem Directors and Executive Officers

As of the Record Date for the Nutrisystem special meeting, Nutrisystem's directors and executive officers and their affiliates beneficially owned and had the right to vote 542,484 shares of Nutrisystem common stock at the Nutrisystem special meeting, which represents approximately 2% of the shares of Nutrisystem common stock entitled to vote at the Nutrisystem special meeting.

It is expected that Nutrisystem's directors and executive officers will vote their shares **FOR** the adoption of the Merger Agreement, **FOR** the proposal to adjourn the Nutrisystem special meeting, if necessary or appropriate, and **FOR** the Merger-Related Compensation Proposal, although none of them has entered into any agreement requiring them to do so.

Voting of Shares

Via the Internet or by Telephone

If you hold Nutrisystem common stock directly in your name as a stockholder of record, you may vote via the Internet at www.proxyvote.com or by telephone by calling 1-800-690-6903. Votes submitted via the Internet or by telephone must be received by 11:59 PM (U.S. Eastern Time) on March 4, 2019.

If you hold Nutrisystem common stock in street name through a broker, bank or other holder of record, you may vote via the Internet or by telephone only if Internet or telephone voting is made available by your broker, bank or other holder of record. Please follow the voting instructions provided by your broker, bank or other holder of record with these materials.

By Mail

If you hold Nutrisystem common stock directly in your name as a stockholder of record, you will need to mark, sign and date your proxy card and return it using the postage-paid return envelope provided or return it to Broadridge Financial Solutions, Inc., 51 Mercedes Way, Edgewood, New York 11717. Broadridge Financial Solutions, Inc. must receive your proxy card no later than the close of business on March 4, 2019.

If you hold Nutrisystem common stock in street name through a broker, bank or other holder of record, to vote by mail, you will need to mark, sign and date the voting instruction form provided by your broker, bank or other holder

of record and return it in the postage-paid return envelope provided. Your broker, bank or other holder of record must receive your voting instruction form in sufficient time to vote your shares.

Table of Contents

In Person

If you hold Nutrisystem common stock directly in your name as a stockholder of record, you may vote in person at the Nutrisystem special meeting. Stockholders of record also may be represented by another person at the Nutrisystem special meeting by executing a proper proxy designating that person.

If you hold Nutrisystem common stock in street name through a broker, bank or other holder of record, you must obtain a legal proxy from that institution and present it to the inspector of elections with your ballot to be able to vote in person at the Nutrisystem special meeting. To request a legal proxy, please contact your broker, bank or other holder of record.

When a stockholder submits a proxy via the Internet or by telephone, his, her or its proxy is recorded immediately. We encourage you to register your vote via telephone or the Internet whenever possible. If you submit a proxy via the Internet or by telephone, please do not return your proxy card by mail. If you attend the meeting, you may also submit your vote in person. Any votes that you previously submitted whether via the Internet, by telephone or by mail will be superseded by any vote that you cast at the Nutrisystem special meeting.

If your shares are held in an account at a brokerage firm or bank, you must instruct that institution on how to vote your shares. Your broker or bank will vote your shares only if you provide instructions on how to vote by following the information provided to you by your broker or bank. If you do not provide voting instructions to your broker or bank, your shares will not be voted on any proposal on which your broker or bank does not have discretionary authority to vote. Because it is expected that all matters to be voted on at the Nutrisystem special meeting will be non-routine, brokers will not have discretionary authority to vote on any proposal; therefore, if you do not provide voting instructions to your broker or bank, your shares likely will not count towards determining whether a quorum is present. Broker non-votes (if any) will have the same effect as a vote **AGAINST** the adoption of the Merger Agreement. Broker non-votes (if any) will have no effect on the proposal to adjourn the Nutrisystem special meeting, if necessary or appropriate, or the proposal to approve the Merger-Related Compensation payments that may be paid or may become payable by Nutrisystem to its named executive officers in connection with, or following, the closing of the Merger.

All shares represented by each properly executed and valid proxy received before the Nutrisystem special meeting will be voted in accordance with the instructions given on the proxy. If a Nutrisystem stockholder executes a proxy card without giving instructions, the shares of Nutrisystem common stock represented by that proxy card will be voted **FOR** the adoption of the Merger Agreement, **FOR** the proposal to approve the adjournment of the Nutrisystem special meeting, if necessary or appropriate, and **FOR** the proposal to approve, on an advisory (non-binding) basis, the Merger-Related Compensation. **Nutrisystem stockholders should NOT send stock certificates with their proxy cards.**

Your vote is very important, regardless of the number of shares you own. Whether or not you expect to attend the Nutrisystem special meeting in person, please vote or otherwise submit a proxy to vote your shares as promptly as possible so that your shares may be represented and voted at the Nutrisystem special meeting.

Revocability of Proxies; Changing Your Vote

You may revoke your proxy or change your vote at any time before your shares are voted at the Nutrisystem special meeting. If you are a stockholder of record at the Record Date (the close of business on January 23, 2019), you can revoke your proxy or change your vote by:

sending a written notice of revocation to our Secretary, Ralph J. Mauro at Nutrisystem, Inc., Fort Washington Executive Center, 600 Office Center Drive, Fort Washington, Pennsylvania 19034, which notification must be received prior to 12:00 p.m. (U.S. Eastern Time) on the day preceding the date of the Nutrisystem special meeting, stating that you are revoking your proxy;

Table of Contents

submitting a later dated proxy card that is received by Nutrisystem prior to 12:00 p.m. (U.S. Eastern Time) on the day preceding the Nutrisystem special meeting;

voting again by telephone or over the Internet prior to 12:00 p.m. (U.S. Eastern Time) on the day preceding the Nutrisystem special meeting; or

attending the Nutrisystem special meeting (or, if the Nutrisystem special meeting is adjourned or postponed, attending the adjourned or postponed meeting) and voting in person, which will automatically cancel any proxy previously given, or revoking your proxy in person, but your attendance alone will not revoke any proxy previously given.

If you hold your shares in street name through a broker, bank or other holder of record, you must contact your brokerage firm or bank to change your vote or obtain a legal proxy to vote your shares if you wish to cast your vote in person at the Nutrisystem special meeting.

Solicitation of Proxies; Expenses of Solicitation

This proxy statement/prospectus is being provided to holders of Nutrisystem common stock in connection with the solicitation of proxies by the Nutrisystem Board to be voted at the Nutrisystem special meeting and at any adjournments or postponements of the Nutrisystem special meeting. Nutrisystem will bear all costs and expenses in connection with the solicitation of proxies, including the costs of filing, printing and mailing this proxy statement/prospectus for the Nutrisystem special meeting. Nutrisystem has engaged MacKenzie Partners, Inc., a professional proxy solicitation firm, to assist in the solicitation of proxies for the Nutrisystem special meeting and will pay MacKenzie Partners, Inc. a fee of approximately \$12,500, plus reimbursement of reasonable and customary expenses.

In addition to solicitation by mail, directors, officers and employees of Nutrisystem or its subsidiaries may solicit proxies from stockholders by telephone, telegram, e-mail, personal interview or other means. Nutrisystem currently expects not to incur any costs beyond those customarily expended for a solicitation of proxies in connection with a merger agreement. Directors, officers and employees of Nutrisystem will not receive additional compensation for their solicitation activities, but may be reimbursed for reasonable out-of-pocket expenses incurred by them in connection with the solicitation. Brokers, dealers, commercial banks, trust companies, fiduciaries, custodians and other nominees have been requested to forward proxy solicitation materials to their customers and such nominees will be reimbursed for their reasonable expenses.

Householding

Some banks, brokers and other nominee record holders may participate in the practice of householding proxy statements, annual reports and notices of Internet availability of proxy materials. This means that only one copy of this proxy statement/prospectus may have been sent to multiple stockholders in your household. We will promptly deliver a separate copy of any such documents to you if you write, e-mail or call our Investor Relations Department at Nutrisystem, Inc., Fort Washington Executive Center, 600 Office Center Drive, Fort Washington, Pennsylvania 19034, ir@nutrisystem.com or (646) 277-1254.

If you want to receive separate copies in the future, or if you are receiving multiple copies and would like to receive only one copy for your household, you should contact your bank, broker, or other nominee record holder, or you may contact our Investor Relations Department, in writing, at the address listed above.

Adjournment

Nutrisystem stockholders are being asked to approve a proposal that will give the Nutrisystem Board authority to adjourn the Nutrisystem special meeting from time to time, if necessary or appropriate as determined by the Nutrisystem Board, including to solicit additional proxies if there are not sufficient votes to adopt the

Table of Contents

Merger Agreement at the time of the Nutrisystem special meeting or in the absence of a quorum. If this proposal is approved, the Nutrisystem special meeting could be successively adjourned to any date. Under Nutrisystem's bylaws, the chairman of the Nutrisystem special meeting also has the authority to adjourn such meeting (whether or not a quorum is present). In addition, the Nutrisystem Board could postpone the Nutrisystem special meeting before it commences, whether for the purpose of soliciting additional proxies or for other reasons. If the Nutrisystem special meeting is adjourned, Nutrisystem stockholders who have already submitted their proxies will be able to revoke them at any time prior to their use. If you return a proxy and do not indicate how you wish to vote on any proposal, or if you indicate that you wish to vote in favor of the adoption of the Merger Agreement but do not indicate a choice on the adjournment proposal, your shares will be voted in favor of the adjournment proposal. But if you indicate that you wish to vote against the adoption of the Merger Agreement, your shares will only be voted in favor of the adjournment proposal if you indicate that you wish to vote in favor of that proposal.

Any adjournment may be made without notice to another time or place if the date, time and place to which the meeting is adjourned are announced at the meeting at which the adjournment is taken. At the adjourned meeting any business may be transacted that might have been transacted on the original date of the meeting. If the Nutrisystem Board fixes a new record date for the adjourned meeting, or if an adjournment is for 30 days or more, a notice of the adjourned meeting will be given to each stockholder of record entitled to vote at the adjourned meeting.

Other Information

The matters to be considered at the Nutrisystem special meeting are of great importance to the stockholders of Nutrisystem. Accordingly, you are urged to read and carefully consider the information contained in or incorporated by reference into this proxy statement/prospectus and submit your proxy via the Internet or by telephone or complete, date, sign and promptly return the enclosed proxy in the enclosed postage-paid envelope. **If you submit your proxy via the Internet or by telephone, you do not need to return the enclosed proxy card.**

Stockholders should not send any stock certificates at this time. A transmittal form with instructions for the surrender of stock certificates for Nutrisystem common stock will be mailed to you as soon as practicable after completion of the Merger.

General

This proxy statement/prospectus is being provided to holders of Nutrisystem common stock in connection with the solicitation of proxies by the Nutrisystem Board to be voted at the Nutrisystem special meeting and at any adjournments or postponements of the Nutrisystem special meeting. At the Nutrisystem special meeting, Nutrisystem will ask its stockholders to vote on (i) a proposal to adopt the Merger Agreement, (ii) a proposal to adjourn the Nutrisystem special meeting from time to time if necessary or appropriate as determined by the Nutrisystem Board, including to solicit additional proxies if there are not sufficient votes to adopt the Merger Agreement at the time of the Nutrisystem special meeting or in the absence of a quorum and (iii) a proposal to approve, on an advisory (non-binding) basis, the Merger-Related Compensation.

The Merger Agreement provides for the Merger of Merger Sub with and into Nutrisystem, with Nutrisystem continuing as the surviving corporation and a wholly owned subsidiary of Tivity Health. **The Merger will not be completed unless Nutrisystem stockholders adopt the Merger Agreement.** A copy of the Merger Agreement is attached as Annex A to this proxy statement/prospectus. You are urged to read the Merger Agreement in its entirety because it is the legal document that governs the Merger. For additional information about the Merger, see *The Merger Agreement Structure of the Merger* and *The Merger Agreement Merger Consideration* beginning on pages 97 and 98, respectively, of this proxy statement/prospectus.

Upon completion of the Merger, each share of Nutrisystem common stock will be converted into the right to receive \$38.75 in cash, without interest, and 0.2141 of a share of Tivity Health common stock. Based on the number of shares of Nutrisystem common stock outstanding as of January 30, 2019 (the most recent practicable trading day prior to the date of this proxy statement/prospectus) and the closing price of Tivity Health common stock on Nasdaq on such date of \$22.08, Tivity Health expects to issue approximately 6,536,640 shares of Tivity Health common stock to Nutrisystem stockholders pursuant to the Merger (including restricted shares of Tivity Health common stock to be issued in respect of awards of restricted shares of Nutrisystem common stock to be assumed by Tivity Health pursuant to the Merger Agreement). The actual number of shares of Tivity Health common stock to be issued pursuant to the Merger will be determined at completion of the Merger based on the Exchange Ratio and the number of shares of Nutrisystem common stock outstanding at such time. Based on the number of shares of Nutrisystem common stock outstanding as of January 30, 2019 (the most recent practicable trading day prior to the date of this proxy statement/prospectus), and the number of shares of Tivity Health common stock outstanding as of January 30, 2019 (the most recent practicable trading day prior to the date of this proxy statement/prospectus), it is expected that, immediately after completion of the Merger, former Nutrisystem stockholders will own approximately 14% of the outstanding shares of Tivity Health common stock.

Background of the Merger

The following chronology summarizes the key meetings and events that led to the signing of the Merger Agreement. The following chronology does not purport to catalogue every conversation among the Nutrisystem Board or the Tivity Health Board, or the representatives of each company, their respective advisors or any other persons.

As part of the ongoing evaluation of Nutrisystem's business, members of Nutrisystem's senior management and the Nutrisystem Board periodically review and assess the company's operations, financial performance and industry conditions as they may each impact the company's long-term strategic goals and plans, including a review of potential opportunities to maximize stockholder value.

During the weeks of September 10 and September 17, 2018, representatives of Tivity Health reached out to Dawn Zier, President and Chief Executive Officer of Nutrisystem, directly and through members of the Nutrisystem Board, including on September 17, 2018 when Paul Wimer, Chief Strategy and Experience Officer of Tivity Health, emailed Ms. Zier to set up a meeting with Donato Tramuto, Chief Executive Officer of Tivity Health, regarding a potential strategic transaction between the two companies.

I would like to discuss the details of our interest and make myself immediately available to meet with you in person.

On September 22, 2018, following a series of emails during the preceding days, Mr. Tramuto and Ms. Zier held an introductory telephone conversation and scheduled an in-person meeting for October 1, 2018 to discuss a potential strategic transaction involving Nutrisystem and Tivity Health.

On September 25, 2018, representatives of Tivity Health sent a draft confidentiality agreement to representatives of Nutrisystem to facilitate further discussions between the parties regarding a potential strategic transaction.

During the week of September 24, 2018, and periodically thereafter through December 9, 2018, Ms. Zier provided Michael Hagan, Chairman of the Nutrisystem Board, with updates of the status of discussions regarding a potential strategic transaction between Nutrisystem and Tivity Health.

On September 27, 2018, after negotiation of the terms thereof, Nutrisystem and Tivity Health entered into a mutual confidentiality agreement in order to facilitate the exchange of certain non-public information regarding the two companies in connection with the consideration of a potential strategic transaction.

On October 1, 2018, senior management representatives of each of Nutrisystem and Tivity Health held an in-person meeting at Nutrisystem's offices in Fort Washington, Pennsylvania in order to initiate a more formal dialogue relating to a potential strategic transaction. Nutrisystem representatives in attendance included Ms. Zier, Michael Monahan, Executive Vice President and Chief Financial Officer, and Ralph Mauro, Senior Vice President and General Counsel. Tivity Health representatives in attendance included Mr. Tramuto, Mary Flipse, Chief Legal and Administrative Officer, Adam Holland, Chief Financial Officer, and Mr. Wimer. At the meeting, Mr. Tramuto gave a presentation explaining Tivity Health's strategic rationale for a potential strategic transaction involving Nutrisystem, including combining the companies to offer a more comprehensive set of health and wellness solutions to the market, and stated that Tivity Health hoped to be in a position to execute definitive agreements ahead of Tivity Health's upcoming earnings call in early November 2018. Mr. Tramuto also stated that Tivity Health was prepared to make an all cash proposal at a 25% premium. Ms. Zier responded that she would discuss Tivity Health's interest with the Nutrisystem Board.

On October 2, 2018, the Nutrisystem Board held a telephonic meeting, during which Ms. Zier updated the Nutrisystem Board on her recent discussions with Mr. Tramuto and the in-person meeting held with the Tivity Health representatives on October 1, 2018. Representatives of Nutrisystem's senior management participated in the meeting. Ms. Zier also provided the Nutrisystem Board with an overview of Tivity Health and its core business operations and relayed Mr. Tramuto's views regarding the merits of a strategic transaction involving Nutrisystem.

On October 3, 2018, Ms. Zier and Mr. Tramuto held a telephone conversation during which Ms. Zier notified Mr. Tramuto that the Nutrisystem Board had been informed of Tivity Health's interest and was in the process of retaining Evercore as its financial advisor in connection with a potential strategic transaction. Mr. Tramuto identified Credit Suisse Securities (USA) LLC (which is referred to in this proxy statement/prospectus as **Credit Suisse**) as Tivity Health's financial advisor. Ms. Zier informed Mr. Tramuto that any proposal, including the financing terms thereof, to be provided to the Nutrisystem Board should be made in writing.

On October 4, 2018, Ms. Zier received a letter from Mr. Tramuto setting forth Tivity Health's non-binding interest in acquiring Nutrisystem at a price per share in cash approximating a 25% premium to Nutrisystem's stock price as of

October 1. The written indication did not specify a specific price or offer further information to

support Tivity Health's ability to finance the purchase price, other than to state that Tivity Health was confident in its ability to finance the transaction as proposed. On October 5, 2018, Ms. Zier informed Mr. Tramuto that in order to properly evaluate Tivity Health's proposal, the Nutrisystem Board would need further specificity around price and assurances around Tivity Health's ability to finance the transaction.

On October 6, 2018, Mr. Tramuto informed Ms. Zier that he expected Credit Suisse to deliver a highly confident letter for the financing of Tivity Health's proposed transaction in a few days, and Mr. Tramuto requested a response from Nutrisystem before Tivity Health's upcoming board meeting then-scheduled for October 11, 2018. Ms. Zier responded that she would relay this information to the Nutrisystem Board but Nutrisystem likely would not be able to respond in the requested time frame.

On October 7, 2018, Mr. Tramuto sent Ms. Zier a revised non-binding proposal for Tivity Health to acquire all of Nutrisystem's outstanding shares of common stock for \$46.36 per share, representing a 25% premium to the volume weighted average price for Nutrisystem's shares for the 30-day period ended October 1, 2018. The proposal stated that Tivity Health had engaged Credit Suisse as its financial advisor and that Tivity Health would deliver a highly confident letter to Nutrisystem confirming Credit Suisse's ability to arrange financing for the transaction, which Tivity Health expected to deliver on October 10, 2018.

On October 9, 2018, Nutrisystem received a highly confident letter from Credit Suisse regarding Credit Suisse's ability to arrange financing for the transaction.

On October 10, 2018, the Nutrisystem Board held a telephonic meeting. Representatives of Evercore, Hogan Lovells US LLP (which is referred to in this proxy statement/prospectus as **Hogan Lovells**), Nutrisystem's outside counsel, and senior management participated in the meeting. During the meeting, Ms. Zier reported on Tivity Health's proposal of \$46.36 per share in cash and Credit Suisse's highly confident letter. The Nutrisystem Board discussed the merits of a potential strategic transaction involving Tivity Health. A representative of Hogan Lovells then reviewed with the Nutrisystem Board certain legal matters, including the Nutrisystem Board members' fiduciary duties under Delaware law in connection with their evaluation of Tivity Health's proposal. Representatives of Evercore reviewed with the Nutrisystem Board Evercore's preliminary financial analysis of Tivity Health's recent proposal. The Nutrisystem Board discussed various strategies for responding to Tivity Health. Following discussion, the Nutrisystem Board determined it was advisable and in the best interests of Nutrisystem and its stockholders to continue to engage with Tivity Health, but to advise Tivity Health that Nutrisystem needed additional time to analyze Tivity Health's proposal. Representatives from Evercore were then excused, and a representative of Hogan Lovells reviewed with the Nutrisystem Board the terms and conditions of the Evercore engagement letter. Following discussion, the Nutrisystem Board determined it was advisable and in the best interests of Nutrisystem and its stockholders to execute an engagement letter with Evercore on the terms described. The determination to engage Evercore to act as Nutrisystem's financial advisor was based on, among other things, the qualifications of Evercore and Evercore's familiarity with Nutrisystem.

On October 11, 2018, Ms. Zier and Mr. Tramuto held a telephone conversation during which Ms. Zier advised Mr. Tramuto that the Nutrisystem Board had instructed Nutrisystem's senior management team and their advisors to conduct an analysis of Tivity Health's October 7, 2018 proposal.

On October 12, 2018, Nutrisystem executed an engagement agreement with Evercore on the terms previously approved by the Nutrisystem Board.

On October 14, 2018, the Nutrisystem Board held a telephonic meeting. Representatives of Evercore, Hogan Lovells and senior management participated in the meeting. A representative of Hogan Lovells reviewed with the Nutrisystem

Board members their fiduciary duties in connection with their consideration of the Tivity Health proposals. Representatives of Evercore then reviewed with the Nutrisystem Board their preliminary analysis of Tivity Health's proposal, including several alternatives to a strategic transaction with Tivity Health, including remaining as a stand-alone company, a leveraged buy-out or a strategic transaction involving a different

counterparty. Nutrisystem senior management also provided an overview of their internal five-year financial projections on a stand-alone basis that were being used by Evercore for purposes of conducting its financial analysis and, if requested by the Nutrisystem Board, delivering a fairness opinion. The Nutrisystem Board discussed Nutrisystem's prospects for the upcoming diet season, and the challenges currently facing Nutrisystem and the industry generally. Following discussion, the Nutrisystem Board determined that Tivity Health's October 7, 2018 proposal was inadequate and authorized Evercore to inform Tivity Health that the Nutrisystem Board had determined that Tivity Health's October 7, 2018 proposal did not provide sufficient value for Nutrisystem stockholders to warrant further discussion. Representatives of Evercore subsequently communicated this message to representatives of Credit Suisse.

On October 16, 2018, Nutrisystem received a revised proposal from Tivity Health of \$47.00 per share in cash. Later that day, the Nutrisystem Board held a telephonic meeting to discuss the revised proposal. Representatives of Evercore, Hogan Lovells and senior management participated in the meeting. Following discussion, the Nutrisystem Board determined it was advisable and in the best interests of Nutrisystem and its stockholders to engage in further discussion with Tivity Health and authorized Evercore to permit Tivity Health to conduct due diligence with the intention that Tivity Health would find additional value in Nutrisystem's business and increase the purchase price it was willing to pay for the company. Representatives of Evercore subsequently communicated the Nutrisystem Board's determination to representatives of Credit Suisse.

On October 18, 2018, the Nutrisystem Board held a telephonic meeting. Representatives of Evercore, Hogan Lovells and senior management participated in the meeting. A representative of Evercore informed the Nutrisystem Board that, based on their discussions with representatives of Credit Suisse, representatives of Credit Suisse hoped to be in a position to execute definitive agreements in approximately 4-6 weeks, a more extended timeline than had previously been suggested by representatives of Tivity Health, in order to allow Tivity Health and its representatives to conduct due diligence review of Nutrisystem. The Nutrisystem Board weighed this extended timeline to signing against the potential for deterioration in Nutrisystem's stock price, including in light of the volatility in the weight loss industry. Following discussion, the Nutrisystem Board determined that it was advisable and in the best interests of Nutrisystem and its stockholders to allow Tivity Health to continue its due diligence investigation.

Over the next few weeks, Nutrisystem provided certain due diligence information to Tivity Health and its representatives, and Nutrisystem and Tivity Health held various diligence calls with members of their respective senior management teams and outside advisors.

On October 22, 2018, the Nutrisystem Board held an update call to discuss the current status of Tivity Health's proposal to acquire Nutrisystem.

Table of Contents

On November 11, 2018, Ms. Zier provided an email update to the Nutrisystem Board regarding Tivity Health's due diligence review and the transaction process more generally. Ms. Zier informed the Nutrisystem Board that she had spoken with Mr. Tramuto and expressed disappointment regarding the amount of time it was taking for Tivity Health to present an updated proposal to the Nutrisystem Board. Ms. Zier relayed that Mr. Tramuto had reiterated Tivity Health's interest and agreed to provide an updated proposal by November 14, 2018, and Mr. Tramuto confirmed Tivity Health's commitment to work expeditiously toward the proposed transaction with Nutrisystem as a top strategic priority.

On November 13, 2018, representatives of Credit Suisse informed representatives of Evercore that, in light of its due diligence review, Tivity Health was prepared to pay \$48.50 per share, consisting of \$39.50 per share in cash and approximately \$9.00 per share in Tivity Health common stock, with the stock component based on a fixed exchange ratio to be set closer to the date of announcement.

On November 14, 2018, the Nutrisystem Board held a telephonic meeting. Representatives of Evercore, Hogan Lovells and senior management participated in the meeting. Representatives of Evercore provided an updated financial analysis to the Nutrisystem Board reflecting Tivity Health's November 13, 2018 proposal. The Nutrisystem Board determined it was advisable and in the best interests of Nutrisystem and its stockholders to engage in further discussion with Tivity Health and discussed and approved a counter-offer at a price of \$49.50 per share, consisting of \$40.50 per share in cash and \$9.00 per share in Tivity Health stock, based on a fixed exchange ratio to be agreed before signing, subject to negotiation of the other key terms and conditions, and that the transaction would need to be announced no later than December 6, 2018. Additionally, in light of the stock component of the consideration, the Nutrisystem Board instructed Nutrisystem senior management and its advisors to conduct legal and financial due diligence on Tivity Health.

On November 15, 2018, representatives of Evercore informed representatives of Credit Suisse that the Nutrisystem Board would be willing to proceed at a price of \$49.50 per share, consisting of \$40.50 per share in cash and \$9.00 per share in Tivity Health stock, based on a fixed exchange ratio to be agreed before signing, subject to negotiation of the other key terms and conditions. Representatives of Evercore also notified representatives of Credit Suisse of Nutrisystem's position that the transaction would need to be announced no later than December 6, 2018.

Later that day, Tivity Health reaffirmed its prior offer price of \$48.50 per share, but offered to increase the cash component to \$40.00 per share, with a corresponding reduction in the value of the stock component, which would be calculated using a fixed exchange ratio to be set closer to the date of announcement. Tivity Health also agreed to use its best efforts to be in a position to enter into definitive transaction documentation by the December 6, 2018 deadline to announce the transaction.

On November 16, 2018, representatives of Evercore held a call with Nutrisystem's two new board members, Mr. Kirshner and Ms. Han, during which they reviewed the materials presented to the Nutrisystem Board at the October 14 meeting and generally brought them up to speed on the transaction to date. Ms. Zier and Mr. Monahan also participated on the call.

Later that day, the Nutrisystem Board held a telephonic meeting to review Tivity Health's updated proposal from November 15, 2018. Representatives of Evercore and senior management participated in the meeting. During the meeting, Evercore provided an updated financial analysis reflecting Tivity Health's November 15, 2018 proposal. A discussion ensued regarding the proposal, and various other terms of a potential strategic transaction, including the

advisability of conducting a pre-signing market check to gauge the interest of other potential counterparties in a strategic transaction with Nutrisystem. The Nutrisystem Board agreed that potential counterparties should be offered sufficient opportunity to undertake due diligence on Nutrisystem, but also considered, among other things, the effect that a broad and extended due diligence process could have on Nutrisystem's ongoing operations, the risk of leaks inherent in such a process, and the risk to Nutrisystem and its

Table of Contents

stockholders if Nutrisystem failed to enter into a definitive agreement expeditiously. Following discussion, the Nutrisystem Board determined that it was advisable and in the best interests of Nutrisystem and its stockholders for Evercore to invite a limited set of parties identified by Nutrisystem management after discussion with Evercore, based on, among other factors, their financial resources, degree of competitive overlap and perceived potential interest in, and ability to execute expeditiously, a transaction with Nutrisystem that would be more favorable to Nutrisystem stockholders, to make a proposal to acquire Nutrisystem, and that in the meantime senior management and their advisors should continue to conduct due diligence on Tivity Health and to negotiate definitive agreements with Tivity Health on the basis of their November 15 proposal.

During the next several weeks, Nutrisystem and its representatives conducted due diligence on Tivity Health. Members of senior management of both parties and their representatives also engaged in several in-person and telephonic discussions in respect of the due diligence effort, including an in-person senior management meeting on November 26, 2018 in Nashville, Tennessee.

On November 18, 2018, Nutrisystem retained Davis Polk & Wardwell LLP (which is referred to in this proxy statement/prospectus as **Davis Polk**) as its legal counsel in connection with a potential strategic transaction. The decision was based on, among other things, the qualifications of Davis Polk.

Commencing on November 20, 2018 and continuing for several weeks, Nutrisystem's senior management and representatives of Evercore had preliminary exploratory conversations with representatives of several publicly traded companies, which are referred to herein as Party A, Party B and Party C, regarding each company's interest in a potential strategic transaction involving Nutrisystem.

On November 20, 2018, representatives of Party B informed representatives of Evercore that Party B was interested in conducting due diligence and exploring a potential acquisition of Nutrisystem and, subject to Party B's review of certain due diligence information regarding Nutrisystem, could be in a position to provide an indicative valuation range in the near term.

On November 21, 2018, Nutrisystem and Party B entered into a confidentiality agreement. This confidentiality agreement does not currently restrict Party B from making a proposal to Nutrisystem regarding a potential business combination with Nutrisystem.

On November 24, 2018, Bass, Berry & Sims PLC (which is referred to in this proxy statement/prospectus as **Bass Berry**), legal counsel to Tivity Health, delivered an initial draft of the Merger Agreement to Davis Polk. From November 24, 2018 to December 9, 2018, Nutrisystem, assisted by its advisors, and Tivity Health, assisted by its advisors, negotiated the terms of a definitive Merger Agreement and disclosure schedules. Significant areas of discussion and negotiation included Tivity Health's proposed allocation of financing risk, which would have limited Tivity Health's liability in the event the proposed transaction did not close due to a financing failure, Nutrisystem's ability to continue paying its regular quarterly dividend, the no-shop provisions and the size of the termination fee that would be payable by Nutrisystem if its agreement with Tivity Health is terminated in certain circumstances, the scope of Tivity Health's undertaking to obtain required regulatory approvals and various employee-related matters. During this time, members of Tivity Health's management and representatives of Tivity Health's advisors also performed additional due diligence and had numerous telephonic conversations with members of Nutrisystem's senior management regarding Nutrisystem's business and operations.

On November 26, 2018, Nutrisystem's senior management and representatives of Evercore attended a management presentation at Tivity Health's offices in Nashville, Tennessee, during which members of Tivity Health's senior management reviewed Tivity Health's business and responded to questions from the Nutrisystem representatives as

Table of Contents

Later on November 26, 2018, Davis Polk delivered a revised draft of the Merger Agreement to Bass Berry.

On November 27, 2018, the Nutrisystem Board held a telephonic meeting. Representatives of Evercore, Davis Polk and senior management attended the meeting. A representative of Davis Polk reviewed with the Nutrisystem Board members their fiduciary duties in connection with its evaluation of the potential acquisition. A representative of Evercore updated the Nutrisystem Board regarding conversations held with Party A, Party B and Party C. Ms. Zier provided an update of the transaction process since the previous Nutrisystem Board meeting on November 16, 2018. Davis Polk reviewed with the Nutrisystem Board the key terms of the draft Merger Agreement. Discussion ensued with particular focus on the allocation of financing risk and Tivity Health's business model. The Nutrisystem Board also discussed the appropriate time for Ms. Zier to begin engaging with Tivity Health regarding the terms of her employment with Tivity Health following the consummation of the potential transaction. Ms. Zier and Nutrisystem's advisors informed the Nutrisystem Board that representatives of Tivity Health had noted the importance to Tivity Health of retaining members of Nutrisystem's senior management team in light of the two companies' differing lines of business and had therefore requested access at an appropriate juncture to the Nutrisystem senior management team for this purpose. Nutrisystem senior management and Nutrisystem's advisors had in response to Tivity Health's request noted the need to defer those discussions until the key business terms of the potential transaction had been agreed, and Ms. Zier confirmed that no such discussions had yet taken place. Following discussion, and in light of the progress made to date and the importance to Tivity Health and the transaction generally of assuring Tivity Health that Ms. Zier and other key members of Nutrisystem senior management would remain with Tivity Health after the closing, the Nutrisystem Board determined that it would be appropriate at this stage for those discussions to commence.

On November 27, 2018, representatives of Bass Berry delivered to representatives of Davis Polk a draft of the Debt Commitment Letter under negotiation between Tivity Health and the Commitment Parties for review by Nutrisystem and its advisors.

On November 29, 2018, Party B informed Evercore that Party B would not proceed with a potential transaction with Nutrisystem. Also on November 29, 2018, representatives of Bass Berry delivered a revised draft of the Merger Agreement to representatives of Davis Polk.

On November 29, 2018, Ms. Zier (and, subsequently, Ms. Krausz and Mr. Monahan) retained Proskauer Rose LLP (which is referred to in this proxy statement/prospectus as **Proskauer**) as legal counsel in connection with the negotiation of certain employment and retention arrangements with Tivity Health.

Throughout the day on December 3, 2018, representatives of Evercore and Credit Suisse held conversations regarding the appropriate observation period for purposes of determining the exchange ratio and the restriction on Nutrisystem's ability to continue paying its regular quarterly dividend. Following such conversations, Nutrisystem and Tivity Health agreed to an exchange ratio of 0.2206 of a share of Tivity Health common stock per

share of Nutrisystem common stock, based on the volume weighted average price for Tivity Health's shares for the 10-trading day period ended December 3, 2018, and to retain the prohibition on Nutrisystem paying its regular quarterly dividend.

Throughout the day on December 7, 2018, representatives of Nutrisystem and Tivity Health negotiated mutually acceptable resolutions to all of the remaining material issues in the Merger Agreement, and Ms. Zier and Ms. Krausz finalized the terms of their retention and employment arrangements with Tivity Health.

Later in the evening on December 7, 2018, representatives of Credit Suisse informed representatives of Evercore that, due to recent fluctuations in Nutrisystem's and Tivity Health's stock prices and market conditions generally, Tivity Health was no longer willing to proceed at the previously agreed price, but would proceed at \$46.75 per share, consisting of \$38.50 in cash and 0.2141 of a share of Tivity Health stock (which was based on the volume weighted average price for Tivity Health's shares for the 10-trading day period ended December 3, 2018).

On the morning of December 8, 2018, the Nutrisystem Board held a telephonic meeting to discuss Tivity Health's revised proposal from the previous day. Nutrisystem's advisors confirmed that all of the material terms of the Merger Agreement and Ms. Zier's and Ms. Krausz's employment and retention arrangements had been resolved, the key terms of which were summarized by representatives of Davis Polk. Following discussion, the Nutrisystem Board determined that Tivity Health's revised proposal remained advisable and in the best interests of Nutrisystem and its stockholders. The Nutrisystem Board instructed representatives of Evercore to seek to obtain an additional \$0.50 per share of consideration and assurances that the Merger Agreement would be executed on December 9, 2018. Representatives of Evercore informed representatives of Credit Suisse that the Nutrisystem Board would continue to support the transaction if Tivity Health offered an additional \$0.50 per share and executed the Merger Agreement by December 9, 2018. Later that day, representatives of Credit Suisse informed representatives of Evercore that Tivity Health was willing to increase the cash component of the Merger Consideration by \$0.25 per share to \$38.75 and expected to be in a position to sign the Merger Agreement following its board meeting scheduled for the afternoon of December 9, 2018.

On the evening of December 8, 2018, Ms. Zier informed the Nutrisystem Board by email that Tivity Health had offered an additional \$0.25 per share in cash and agreed to execute definitive agreements on the timeline proposed by Nutrisystem. Mr. Hagan informed Ms. Zier and representatives of Evercore that he believed the Nutrisystem Board would be supportive of a transaction on that basis, and representatives of Evercore relayed that information to representatives of Credit Suisse.

On the evening of December 8, 2018 Mr. Monahan finalized the terms of his employment arrangement.

On December 9, 2018, the Nutrisystem Board held a telephonic meeting to discuss Tivity Health's revised proposal. Representatives of Evercore, Davis Polk and senior management participated in the meeting. Representatives of Evercore updated the Nutrisystem Board and reviewed Tivity Health's most recent proposal of \$38.75 per share in cash and 0.2141 of a share of Tivity Health common stock per share of Nutrisystem common stock, increasing the value of the total consideration to an implied value of approximately \$47.44 per share, based on the closing price of Tivity Health's stock on December 7, 2018, and that Tivity Health was committed to signing definitive documentation on December 9, 2018. Representatives of Davis Polk reviewed with the Nutrisystem Board its fiduciary duties in connection with its evaluation of the proposed transaction. Representatives of Davis Polk then summarized the terms of the Merger Agreement, with reference to the latest draft of the Merger Agreement, which had been circulated to the Nutrisystem directors in advance of the meeting. Representatives of Evercore reviewed their financial analysis and, at the request of the Nutrisystem Board, delivered an oral opinion, which was confirmed by the delivery of a written opinion, dated December 9, 2018, addressed to the Nutrisystem Board, to the effect that, as of the date of the opinion and based on and subject to the assumptions, qualifications, limitations and other matters set forth therein, the Merger

Consideration is fair, from a financial point of view, to the holders of the shares of common stock of Nutrisystem, other than holders of Excluded Shares or appraisal shares. Based on the discussions and deliberations at this meeting and prior meetings, the various presentations of Davis Polk and Evercore, including financial analyses presented by Evercore, and various factors, including those described in Nutrisystem's Reasons for the Merger; Recommendation of the Nutrisystem Board, the Nutrisystem Board unanimously (1) determined that the Merger Agreement, the Merger and the other transactions contemplated thereby are fair to, and in the best interests of, Nutrisystem and its stockholders, (2) unanimously approved, adopted and declared advisable the execution and delivery thereof and (3) recommended that Nutrisystem's stockholders approve and adopt the Merger Agreement, the Merger and the other transactions contemplated thereby.

On December 10, 2018, Nutrisystem and Tivity Health publicly announced the transaction prior to the Nasdaq market opening.

Nutrisystem's Reasons for the Merger; Recommendation of the Nutrisystem Board

In evaluating the Merger Agreement and the Merger, the Nutrisystem Board consulted extensively with Nutrisystem's management and legal and financial advisors and considered other potential strategic alternatives and, in reaching its decision to approve the Merger Agreement and to recommend that Nutrisystem's stockholders vote for the adoption of the Merger Agreement, the Nutrisystem Board considered a variety of factors, including the following (which are not necessarily presented in order of relative importance):

the review of Nutrisystem's business, strategy, current and projected financial condition, current earnings and earnings prospects;

the aggregate value of the consideration to be received by Nutrisystem stockholders in the Merger, which, based on the closing price of Tivity Health common stock on December 7, 2018 (the last trading day prior to the announcement of the Merger Agreement), represented a premium of approximately:

38.7% over \$34.20, the closing price per share of Nutrisystem's common stock on the same date; and

31.7% over \$36.01, the volume-weighted average trading price per share of Nutrisystem's common stock over the 30 days ended on the same date;

the fact that the Merger Consideration consists primarily of cash, providing Nutrisystem stockholders with certainty of value and liquidity upon completion of the Merger, along with a stock component, which provides Nutrisystem stockholders with the ability to participate in the future growth and earnings of the combined company resulting from the Merger;

the Nutrisystem Board's belief that the price per share of Nutrisystem common stock was not likely to trade at or above the implied \$47.44 Merger Consideration (based on the closing price of Tivity Health common stock on December 7, 2018, the last trading day prior to the announcement of the Merger Agreement) in the

foreseeable future, which belief was based on a number of factors, including:

the general risks of market conditions that could affect the price of Nutrisystem common stock;

the other risks and uncertainties discussed in Nutrisystem's public filings with the SEC;

the Nutrisystem Board's review of other strategic alternatives for Nutrisystem based on the Nutrisystem Board's knowledge of Nutrisystem's business, competitive position in the industry, financial condition and results of operations, on both historical and prospective bases, and of the probabilities potentially associated with achieving Nutrisystem's long-term strategic plan as a stand-alone company as compared to the certainty of value and opportunity afforded to Nutrisystem stockholders by way of the Merger Consideration; and

the inherent uncertainty of attaining management's internal financial projections, including the fact that Nutrisystem's actual financial results in future periods could differ from the projected results;

the review of Tivity Health's business, strategy, current and projected financial condition, current earnings and earnings prospects;

the opinion of Evercore rendered on December 9, 2018 to the Nutrisystem Board that, based upon and subject to the assumptions, qualifications and limitations and other matters set forth therein, as of such date, the Merger Consideration was fair, from a financial point of view, to the holders of the shares of common stock of Nutrisystem, other than holders of Excluded Shares or appraisal shares, and the financial analyses related thereto prepared by Evercore and described under Opinion of Nutrisystem's Financial Advisor beginning on page 76 of this proxy statement/prospectus;

the Nutrisystem Board's belief that it was preferable to negotiate on a confidential basis with Tivity Health rather than to conduct a broader auction or sale process for Nutrisystem, particularly in light of (1) the Nutrisystem Board's belief that, after considering a range of other potential acquirers (including Party A, Party B and Party C), and, after consultation with Nutrisystem's management and Nutrisystem's financial and legal advisors, Tivity Health was best situated with respect to financial resources, degree of competitive overlap and current interest in a transaction with Nutrisystem to engage in a transaction with a strong likelihood of obtaining antitrust and other required regulatory approvals expeditiously that would maximize Nutrisystem's stockholder value, (2) the fact that Nutrisystem would be permitted, under circumstances described in the Merger Agreement, to provide information to and engage in discussions or negotiations with a third party that makes an unsolicited bona fide acquisition proposal, (3) the fact that Nutrisystem would also be permitted, under circumstances described in the Merger Agreement, to terminate the Merger Agreement in order to enter into an agreement with respect to a Superior Proposal, as described under The Merger Agreement No Solicitation of Alternative Proposals; Changes in Board Recommendation beginning on page 108 of this proxy statement/prospectus, after giving Tivity Health an opportunity to match such offer and upon payment to Tivity Health of a termination fee of \$45.0 million, as described under The Merger Agreement Termination Fee beginning on page 119 of this proxy statement/prospectus, (4) the risk to Nutrisystem's business in the future if competitively sensitive confidential information were disclosed to its competitors and (5) the risk that engaging in a broad auction or sale process could adversely affect the ability to conclude the negotiations and enter into a binding agreement with Tivity Health;

the Nutrisystem Board's assessment, after consultation with Evercore and a review of Tivity Health's financing commitments, that Tivity Health will have adequate financial resources to pay the Merger Consideration as described below under The Merger Agreement Financing and Financing Cooperation beginning on page 112 of this proxy statement/prospectus, Tivity Health's representations and covenants contained in the Merger Agreement relating to such financing, and the Nutrisystem Board's assessment, after consultation with the company's financial advisors, of Tivity Health's ability to obtain financing; and

the Nutrisystem Board's belief that the terms of the Merger Agreement were consistent with market practice and would not preclude or deter a willing and financially capable third party, were one to exist, from making a superior transaction proposal following the announcement of the Merger Agreement.

The Nutrisystem Board also considered the following specific aspects of the Merger Agreement (which are not necessarily presented in order of relative importance):

the Nutrisystem Board's belief that the terms of the Merger Agreement, including the representations, warranties and covenants, and the conditions to each party's obligations, are reasonable;

Nutrisystem's ability to, under certain circumstances and subject to certain conditions, provide information to and engage in discussions or negotiations with a third party that makes an acquisition proposal for a business combination or acquisition of Nutrisystem that constitutes or would reasonably be expected to lead to a Superior Proposal and to change its recommendation in favor of the Merger or terminate the Merger Agreement in order to enter into a definitive agreement relating to a Superior Proposal, subject to giving Tivity Health an opportunity to propose changes to the Merger Agreement and the payment of a termination fee of \$45.0 million in the event of actual termination;

Table of Contents

Nutrisystem's ability to, under certain circumstances and subject to certain conditions, change its recommendation in favor of the Merger in response to an Intervening Event, even if there is no competing or Superior Proposal, if the Nutrisystem Board determines that the failure to take such action would be reasonably likely to be inconsistent with its fiduciary duties under applicable law, subject to giving Tivity Health an opportunity to propose changes to the Merger Agreement and the payment of a termination fee of \$45.0 million in the event Tivity Health exercises its right to terminate the Merger Agreement as a result of such change in recommendation;

the Nutrisystem Board's belief that such fee was consistent with market practice and would not preclude or deter a willing and financially capable third party, were one to exist, from making a Superior Proposal following the announcement of the transaction with Tivity Health;

Tivity Health's representations, warranties and covenants related to obtaining the Financing and the delivery by Tivity Health of letters setting forth the commitments available to Tivity Health to complete the transaction;

Nutrisystem's ability to seek to specifically enforce Tivity Health's obligations under the Merger Agreement, including Tivity Health's obligations to complete the Merger; and

the commitment by Tivity Health to obtain applicable regulatory approvals, including Tivity Health's undertaking to divest assets and engage in litigation.

In the course of its deliberations, the Nutrisystem Board also considered a variety of risks and other potentially negative factors, including the following (which are not necessarily presented in order of relative importance):

the fact that Nutrisystem engaged in negotiations primarily with Tivity Health regarding a potential transaction rather than conducting a broad auction or sale process for Nutrisystem;

the fact that the stock portion of the Merger Consideration is based on a fixed exchange ratio, which exposes Nutrisystem stockholders to the risk that the value of the Merger Consideration at completion could be less than at the time the Merger Agreement was approved by the Nutrisystem Board or at the time of the Nutrisystem special meeting;

the deal protection measures in the Merger Agreement, including the restrictions on Nutrisystem's ability to solicit alternative transactions prior to closing and its ability to terminate the Merger Agreement, including the requirement that Nutrisystem pay a \$45.0 million termination fee in the circumstances described under

The Merger Agreement Termination Fee beginning on page 119 of this proxy statement/prospectus, and the possibility that the requirement to pay a termination fee could potentially deter a potential acquirer from proposing an alternative transaction that would provide superior value to Nutrisystem stockholders than the Merger;

the expected increase in Tivity Health's leverage immediately following the Merger and the risk that, while there is no financing condition in the Merger Agreement, the debt financing for the Merger may not ultimately be available at all or on the terms anticipated;

the risks and costs to Nutrisystem if the Merger is not completed, including the diversion of management and employee attention, potential employee attrition, the potential effect on Nutrisystem's business and relations with customers, suppliers and vendors and the potential impact on its stock price, and that, while the Merger is expected to be completed, there is no assurance that all conditions to the parties' obligations to complete the Merger will be satisfied or waived, and as a result, it is possible that the Merger might not be completed even if approved by Nutrisystem's stockholders;

the fact that Nutrisystem's operations will be restricted by interim operating covenants under the Merger Agreement during the period between signing the Merger Agreement and completion of the Merger, which could effectively prohibit Nutrisystem from undertaking material strategic initiatives or other material transactions to the detriment of Nutrisystem and its stockholders;

Table of Contents

the fact that Nutrisystem has incurred and will continue to incur significant transaction costs and expenses in connection with the proposed transaction, regardless of whether the Merger is completed;

the fact that completion of the Merger, and the lower percentage of the outstanding capital stock of the combined company held by former Nutrisystem stockholders as a result of the Merger, will provide Nutrisystem stockholders with less of an opportunity to participate in the combined company's future earnings growth and the future appreciation of the value of its capital stock than would be anticipated if Nutrisystem were to remain a stand-alone entity and its strategic plan were successfully implemented;

the fact that the Merger Consideration will be taxable to Nutrisystem's stockholders;

the fact that certain of Nutrisystem's directors and executive officers may have interests in the Merger that are different from, or in addition to, those of Nutrisystem stockholders generally, including certain interests arising from the employment and compensation arrangements of Nutrisystem's executive officers and the manner in which they would be affected by the Merger (see *Interests of Certain Persons in the Merger* beginning on page 125 of this proxy statement/prospectus);

the restriction on Nutrisystem's ability to continue paying its regular quarterly dividend; and

various other risks described in the section entitled *Risk Factors*.

The Nutrisystem Board considered all of these factors as a whole and, after careful consideration, unanimously determined that the Merger Agreement, the Merger and the other transactions contemplated thereby are fair to, and in the best interests of, Nutrisystem and its stockholders and unanimously approved, adopted and declared advisable the execution and delivery of the Merger Agreement, the Merger and the other transactions contemplated thereby. The foregoing discussion of the information and factors considered by the Nutrisystem Board is not exhaustive but is intended to reflect the material factors considered by the Nutrisystem Board in its consideration of the Merger Agreement and the Merger. In view of the complexity, and the large number, of the factors considered, the Nutrisystem Board did not consider it practical to, nor did it attempt to, quantify, rank or otherwise assign any relative or specific weight to any of the various factors that it considered in reaching its decision. Rather, the Nutrisystem Board based its recommendation on the totality of the information presented to and considered by it. In addition, individual members of the Nutrisystem Board may have viewed different factors differently or given different weight or merit to different factors.

The foregoing discussion of the information and factors considered by the Nutrisystem Board is forward-looking in nature. This information should be read in light of the factors described in the section entitled *Cautionary Statement Regarding Forward-Looking Statements* beginning on page 45 of this proxy statement/prospectus.

estimates and good faith judgments of the management of Nutrisystem as to the future financial performance of Nutrisystem under the assumptions reflected therein. Evercore expressed no view as to any projected financial data relating to Nutrisystem or the assumptions on which they were based.

For purposes of rendering its opinion, Evercore assumed, in all respects material to its analysis, that the representations and warranties of each party contained in the Merger Agreement were true and correct, that each party will perform all of the covenants and agreements required to be performed by it under the Merger Agreement in all material respects and that all conditions to the consummation of the Merger will be satisfied without material waiver or modification thereof. Evercore further assumed that all governmental, regulatory or other consents, approvals or releases necessary for the consummation of the Merger will be obtained without any material delay, limitation, restriction or condition, in each case, that would have an adverse effect on Nutrisystem or the consummation of the Merger or materially reduce the benefits of the Merger to the holders of Nutrisystem common stock. Evercore also assumed that the executed Merger Agreement would not differ in any material respect from the draft Merger Agreement dated December 7, 2018 reviewed by Evercore.

Evercore did not make or assume any responsibility for making any physical inspection, independent valuation or appraisal of the assets or liabilities of Nutrisystem or Tivity Health, nor was Evercore furnished with any such inspection, valuation or appraisal, nor did Evercore evaluate the solvency or fair value of Nutrisystem or Tivity Health under any state, federal or foreign laws relating to bankruptcy, insolvency or similar matters. Evercore's opinion was necessarily based upon information made available to it as of the date of the opinion and financial, economic, market and other conditions as they existed and as could be evaluated on the date of the opinion. Subsequent developments may affect Evercore's opinion, and Evercore did not undertake any obligation to update, revise or reaffirm its opinion.

Evercore was not asked to pass upon, and expressed no opinion with respect to, any matter other than the fairness, from a financial point of view, of the Merger Consideration to the holders of the shares of Nutrisystem common stock, other than holders of Excluded Shares or appraisal shares. Evercore did not express any view on, and its opinion did not address, the fairness of the Merger to, or any consideration received in connection therewith by, the holders of any other securities, creditors or other constituencies of Nutrisystem, nor as to the fairness of the amount or nature of any compensation to be paid or payable to any of the officers, directors or employees of Nutrisystem, or any class of such persons, whether relative to the Merger Consideration or otherwise (other than, in each case, in their capacity as holders of Nutrisystem common stock).

Evercore assumed that any modification to the structure of the transaction would not vary its analysis in any material respect. Evercore's opinion did not address the relative merits of the Merger as compared to other business or financial strategies that might be available to Nutrisystem, nor did it address the underlying business decision of Nutrisystem to engage in the Merger. Evercore's opinion did not constitute a recommendation to the Nutrisystem Board or to any other persons in respect of the Merger, including as to how any holder of shares of Nutrisystem common stock should vote or act in respect of the Merger. Evercore expressed no opinion as to the price at which shares of Nutrisystem common stock or Tivity Health common stock will trade at any time. Evercore is not a legal, regulatory, accounting or tax expert and assumed the accuracy and completeness of assessments by Nutrisystem and its advisors with respect to legal, regulatory, accounting and tax matters.

Summary of Material Financial Analysis

Set forth below is a summary of the material financial and other analyses performed by Evercore and reviewed with the Nutrisystem Board on December 9, 2018, in connection with rendering its opinion. The following summary, however, does not purport to be a complete description of the analyses performed by Evercore. The order of the analyses described and the results of these analyses do not represent relative importance or weight given to these

analyses by Evercore. Except as otherwise noted, the following quantitative information, to the extent that it is based on market data, is based on market data that existed on or before December 7, 2018, and is not necessarily indicative of current market conditions.

Table of Contents

The following summary of financial analyses includes information presented in tabular format. These tables must be read together with the text of each summary in order to understand fully the financial analyses. The tables alone do not constitute a complete description of the financial analyses. Considering the tables below without considering the full narrative description of the financial analyses, including the methodologies and assumptions underlying the analyses, could create a misleading or incomplete view of Evercore's financial analyses.

Selected Peer Trading Analysis

In performing a selected peer trading analysis of Nutrisystem, Evercore reviewed and compared certain financial, operating and market information relating to Nutrisystem and corresponding information of the publicly traded companies listed in the tables below, which Evercore deemed most relevant to consider in relation to Nutrisystem based on its professional judgment and experience. Although none of the selected companies is directly comparable to Nutrisystem, Evercore selected these companies based on its professional judgment because they are companies in the vitamins, supplements, minerals and weight loss sector, with business characteristics that for purposes of its analysis Evercore considered similar to the business characteristics of Nutrisystem.

Evercore reviewed, among other things, total enterprise value (which is referred to in this proxy statement/prospectus as **TEV**) of the selected companies as a multiple of estimated EBITDA adjusted to exclude non-cash employee compensation expense and certain one-time items (which is referred to in this proxy statement/prospectus as **Adjusted EBITDA**) for 2018 and 2019. Enterprise values were calculated for the purpose of this analysis as equity value (based on the per share closing price of each selected company on December 7, 2018, multiplied by the fully diluted number of such company's outstanding equity securities on such date), plus debt, plus minority interest, less cash and cash equivalents (in the case of debt, cash and cash equivalents, and minority interest, as applicable, as set forth on the most recently publicly available balance sheet of such company). In calculating the enterprise values of Nutrisystem, net debt included in such calculations was as of September 30, 2018. The other financial data of the selected peer companies used by Evercore for this analysis were based on publicly available research analysts' estimates. The financial data of Nutrisystem were based on the projections provided by the management of Nutrisystem, as described under **Proposal I: The Merger Nutrisystem Unaudited Financial Information** beginning on page 85 of this proxy statement/prospectus.

For Nutrisystem and each of the selected companies, Evercore also calculated the closing share prices as of December 7, 2018 as a multiple of estimated earnings per share, or the ratio of share price over earnings (which is referred to in this proxy statement/prospectus as **P/E ratio**), obtained from equity research analysts' consensus estimates for 2019 from FactSet.

Table of Contents

The TEV to Adjusted EBITDA multiples and the P/E ratios for the selected peer companies are set forth in the table below for 2019:

Herbalife Nutrition LTD.	12.6x	17.8x
Medifast, Inc.	15.2x	23.2x
The Simply Good Foods Company	17.3x	27.3x
Usana Health Sciences, Inc.	11.0x	20.7x
Vitamin Shoppe, Inc.	4.1x	22.1x

<u>Reference:</u>		
Nutrisystem (Management Projection)	7.8x	14.0x
Nutrisystem (Wall Street Estimate) ⁽¹⁾	7.9x	14.2x

(1) Wall Street Estimate reflects the average of broker estimates for the period disclosed.

Evercore applied a reference range of TEV/Adjusted EBITDA multiples of 8.5x to 11.5x to the Adjusted EBITDA estimates of Nutrisystem for the year ending December 31, 2019 (which is referred to in this proxy statement/prospectus as the **2019E Adjusted EBITDA multiples**), and a reference range of P/E multiples of 15.0x to 20.0x to the estimated earnings per share for Nutrisystem for the year ending December 31, 2019 (which is referred to in this proxy statement/prospectus as **2019E P/E multiples**), to derive a range of implied equity values. All reference ranges were derived by Evercore based on its review of the respective peer companies selected and its experience and professional judgment and projections provided by the management of Nutrisystem as well as Wall Street Estimates.

Using the 2019E Adjusted EBITDA multiples, this analysis indicated an implied equity value per-share reference range for Nutrisystem of approximately \$37.06 to \$49.02. Using the 2019E P/E multiples, this analysis indicated an implied equity value per-share reference range for Nutrisystem of approximately \$36.70 to \$48.93.

Evercore compared the results of this analysis to the closing price of Nutrisystem common stock on December 7, 2018 of \$34.20, and an implied value for the Merger Consideration of \$47.44 per share, which was calculated by Evercore by adding the \$38.75 in the cash component of the Merger Consideration to an implied value of \$8.69 for the 0.2141 of a share of Tivity Health common stock included in the Merger Consideration (based on the closing price per share of Tivity Health common stock on December 7, 2018).

No company utilized in the peer company trading analysis is identical to Nutrisystem. Accordingly, an analysis of the results of the foregoing necessarily involves complex considerations and judgments concerning differences in financial, operating and market characteristics of Nutrisystem and other factors that could affect the public trading value of the companies to which they are being compared. In evaluating the peer companies selected, Evercore made judgments and assumptions with regard to industry performance, general business, economic, market and financial conditions and other matters, many of which are beyond the control of Nutrisystem, such as the impact of competition on Nutrisystem and the industry generally, industry growth and the absence of any adverse material change in the financial conditions and prospects of Nutrisystem, the industry or the financial markets in general. Mathematical

analysis, such as determining the mean, median or average, is not in itself a meaningful method of using peer company trading data.

Table of Contents**Selected Precedent Transaction Analysis**

Evercore performed an analysis of selected precedent transactions to compare multiples paid in other transactions to the multiple implied by the Merger Consideration. Evercore analyzed 20 transactions that were announced between 2010 and 2018 involving acquisitions in the vitamins, supplements, minerals and weight loss sector.

While none of the companies included in the selected precedent transactions is directly comparable to Nutrisystem and none of the transactions in the selected precedent transactions analysis is directly comparable to the Merger, Evercore selected these transactions because each of the target companies was in the vitamins, supplements, minerals and weight loss sector and had operating characteristics, products and services that for purposes of analysis may be considered similar to certain of Nutrisystem's operating characteristics, products and services.

For each of the selected transactions, Evercore reviewed transaction values and calculated the TEV implied for each target company based on the consideration paid in the selected transaction, as a multiple of the target company's last twelve months Adjusted EBITDA (which is referred to in this proxy statement/prospectus as **LTM Adjusted EBITDA**).

Evercore's analysis indicated average and median TEV to LTM Adjusted EBITDA multiples of 12.7x and 11.4x, respectively. The selected precedent transactions and the TEV to LTM Adjusted EBITDA multiple related thereto are set forth in the table below:

Table of Contents

Evercore then applied a reference range of LTM Adjusted EBITDA multiples of 11.0x to 13.0x, derived by Evercore based on its review of the selected precedent transactions and its experience and professional judgment, to the estimated Adjusted EBITDA of Nutrisystem for the year ending December 31, 2018, to derive a range of implied enterprise values for Nutrisystem. This analysis indicated an implied per-share equity value range for Nutrisystem of \$41.76 to \$48.78.

Evercore compared the results of this analysis to the closing price of Nutrisystem common stock on December 7, 2018 of \$34.20, and an implied value for the Merger Consideration of \$47.44 per share, which was calculated by Evercore by adding the \$38.75 in the cash component of the Merger Consideration to an implied value of \$8.69 for the 0.2141 of a share of Tivity Health common stock included in the Merger Consideration (based on the closing price per share of Tivity Health common stock on December 7, 2018).

Discounted Cash Flow Analysis

Evercore performed a discounted cash flow analysis of Nutrisystem to calculate the estimated present value of the standalone unlevered, after-tax free cash flow that Nutrisystem was projected to generate from September 30, 2018 through calendar year 2022, based on financial projections for Nutrisystem that were provided by Nutrisystem management, as described under Proposal I: The Merger Nutrisystem Unaudited Prospective Financial Information beginning on page 85 of this proxy statement/prospectus. For purposes of its discounted cash flow analysis, unlevered free cash flow refers to a calculation of the future cash flows generated by an asset without including in such calculation any debt servicing costs, and was defined as Adjusted EBITDA less capital expenditures, less (or plus) any increase (or decrease) in working capital, less cash taxes and less non-cash employee compensation expense. Present value refers to the current value of the cash flows generated by an asset, and is derived by discounting those cash flows back to the present using an appropriate discount rate and applying a discounting convention that assumes that all cash flows were generated at the midpoint of each period.

For purposes of this analysis, Evercore calculated ranges of terminal values for Nutrisystem by applying a perpetuity growth rate, based on its professional judgment given the nature of Nutrisystem and its business and industry, of 3.0% to 4.0%, to the unlevered, after-tax free cash flow, in each case in the terminal year. Terminal value refers to the present value of all future cash flows generated by an asset for periods beyond the projection period.

The terminal values for Nutrisystem were then discounted to present value as of September 30, 2018 using a discount rate of 9.5% to 10.5%, based on an estimate of Nutrisystem's weighted average cost of capital, to derive respective ranges of implied enterprise values for Nutrisystem.

Ranges of implied equity values for Nutrisystem were then calculated by reducing the range of implied enterprise values by the amount of Nutrisystem's net debt (calculated as debt less cash and cash equivalents) as of September 30, 2018.

Evercore performed this analysis for Nutrisystem on a standalone basis. Evercore's analysis indicated an implied per-share equity value reference range for Nutrisystem on a standalone basis of approximately \$37.64 to \$49.08.

Evercore compared the results of this analysis to the closing price of Nutrisystem common stock on December 7, 2018 of \$34.20, and an implied value for the Merger Consideration of \$47.44 per share, which was calculated by Evercore by adding the \$38.75 in the cash component of the Merger Consideration to an implied value of \$8.69 for the 0.2141 of a share of Tivity Health common stock included in the Merger Consideration (based on the closing price per share of Tivity Health common stock on December 7, 2018).

Table of Contents**Net Present Value of Future Stock Price Analysis**

Evercore performed an illustrative analysis of the net present value of the future stock price of Nutrisystem, which is designed to provide an indication of the present value of a theoretical future value of a company as a function of such company's estimated future Adjusted EBITDA and its assumed TEV to next 12 months (which is referred to in this proxy statement/prospectus as **NTM**) Adjusted EBITDA multiple (based on the succeeding 12-month period), plus anticipated dividends. Evercore used financial projections for Nutrisystem provided by the management of Nutrisystem through calendar year 2021. Evercore assumed, at Nutrisystem's direction, quarterly cash dividends of \$0.25 per share in the projection period.

Evercore first multiplied the Adjusted EBITDA estimate for each calendar year through 2021 by TEV to NTM Adjusted EBITDA multiples of 8.5x and 11.5x to calculate the implied future enterprise values. Evercore then discounted the projected per-share equity value as of December 31, 2021, to September 30, 2018 using a discount rate of 10.50%. The discount rate was determined based on Evercore's analysis of the cost of equity for Nutrisystem. Finally, Evercore added the cumulative present value of anticipated future dividends per share of Nutrisystem common stock payable to Nutrisystem stockholders through the end of fiscal year 2021, determined using the same discount rate of 10.5%.

This analysis resulted in an implied per-share equity value reference range of approximately \$38.23 to \$48.96. Evercore compared the results of this analysis to the closing price of Nutrisystem common stock on December 7, 2018 of \$34.20, and an implied value for the Merger Consideration of \$47.44 per share, which was calculated by Evercore by adding the \$38.75 in the cash component of the Merger Consideration to an implied value of \$8.69 for the 0.2141 of a share of Tivity Health common stock included in the Merger Consideration (based on the closing price per share of Tivity Health common stock as of December 7, 2018).

Other Factors

Evercore also reviewed and considered other factors, which were not considered part of its financial analyses in connection with rendering its advice, but were referenced for informational purposes, including, among other things, the 52-week trading range, the analysts' price targets, precedent premia and leveraged buyout analyses described below. In each case, Evercore compared the results of these analyses to the closing price of Nutrisystem common stock on December 7, 2018 of \$34.20, and an implied value for the Merger Consideration of \$47.44 per share, which was calculated by Evercore by adding the \$38.75 in the cash component of the Merger Consideration to an implied value of \$8.69 for the 0.2141 of a share of Tivity Health common stock included in the Merger Consideration (based on the closing price per share of Tivity Health common stock on December 7, 2018).

52-Week Trading Range

Evercore reviewed historical trading prices of Nutrisystem common stock during the 52-week period ended December 7, 2018, noting that the low and high closing prices during such period ranged from \$26.95 to \$54.35.

Analyst Price Targets

Evercore reviewed publicly available share price targets of research analysts' estimates known to Evercore as of December 7, 2018. Evercore noted that the low and high share price targets ranged from \$36.00 to \$53.00 for Nutrisystem.

Precedent Premia Paid

Evercore reviewed and analyzed premia paid in transactions with greater than 50% cash consideration (excluding mergers of equals, reverse mergers, restructurings and non-control acquisitions) since 2013 involving

Table of Contents

U.S. target companies with an enterprise value greater than \$1 billion. Based on its professional judgment and premia in the precedent transactions assessed, Evercore applied reference ranges of premia of 25% to 40% to the Nutrisystem share price as of December 7, 2018 of \$34.20. This analysis indicated a per-share equity value reference range of approximately \$42.75 to \$47.88 for Nutrisystem.

Leveraged Buyout Analysis

Evercore performed an illustrative leveraged buyout analysis based on a range of 4.75x to 5.75x leverage relative to estimated LTM Adjusted EBITDA. Evercore's analysis assumed a sale of Nutrisystem at a reference range of estimated Adjusted EBITDA multiples for the 12 months ended December 31, 2022 of 10.0x to 12.0x and a required internal rate of return on investment ranging from 20.0% to 25.0%, which ranges were selected by Evercore based on its professional judgment. Using estimated Adjusted EBITDA provided by Nutrisystem management for the 12 months ended December 31, 2022, Evercore calculated a purchase price per share of Nutrisystem common stock ranging from \$33.80 to \$41.33.

Miscellaneous

The foregoing summary of certain material financial analyses does not purport to be a complete description of the analyses or data presented by Evercore. In connection with the review of the Merger by the Nutrisystem Board, Evercore performed a variety of financial and comparative analyses for purposes of rendering its opinion. The preparation of a fairness opinion is a complex process and is not necessarily susceptible to partial analysis or summary description. Selecting portions of the analyses or of the summary described above, without considering the analyses as a whole, could create an incomplete view of the processes underlying Evercore's opinion. In arriving at its fairness determination, Evercore considered the results of all the analyses and did not draw, in isolation, conclusions from or with regard to any one analysis or factor considered by it for purposes of its opinion. Rather, Evercore made its determination as to fairness on the basis of its experience and professional judgment after considering the results of all the analyses. In addition, Evercore may have given various analyses and factors more or less weight than other analyses and factors, and may have deemed various assumptions more or less probable than other assumptions. As a result, the ranges of valuations resulting from any particular analysis or combination of analyses described above should not be taken to be the view of Evercore with respect to the actual value of Nutrisystem common stock. No company used in the above analyses as a comparison is directly comparable to Nutrisystem, and no transaction used is directly comparable to the Merger. Further, Evercore's analyses involve complex considerations and judgments concerning financial and operating characteristics and other factors that could affect the acquisition, public trading or other values of the companies or transactions used, including judgments and assumptions with regard to industry performance, general business, economic, market and financial conditions and other matters, many of which are beyond the control of Nutrisystem and its advisors.

Evercore prepared these analyses for the purpose of providing an opinion to the Nutrisystem Board as to the fairness of the Merger Consideration, from a financial point of view, to the holders of the shares of Nutrisystem common stock, other than holders of Excluded Shares or appraisal shares. These analyses do not purport to be appraisals or to necessarily reflect the prices at which the business or securities actually may be sold. Any estimates contained in these analyses are not necessarily indicative of actual future results, which may be significantly more or less favorable than those suggested by such estimates. Accordingly, estimates used in, and the results derived from, Evercore's analyses are inherently subject to substantial uncertainty, and Evercore assumes no responsibility if future results are materially different from those forecasted in such estimates.

Pursuant to the terms of Evercore's engagement letter with Nutrisystem, a fee of \$1.5 million was payable to Evercore upon the delivery of its opinion. Evercore will be entitled to receive an additional fee, which is estimated, based on the

information available as of the date of the Merger Agreement, to be approximately \$16.4 million, following the consummation of the Merger. In addition, Nutrisystem has agreed to reimburse Evercore's reasonable expenses and indemnify Evercore against certain potential liabilities arising out of its engagement.

Table of Contents

Prior to Evercore's engagement in connection with the Merger, Evercore and its affiliates acted as agent to Nutrisystem on the execution of its open-market share repurchase program (which is referred to in this proxy statement/prospectus as the **Share Repurchase Program**) and received commissions in connection therewith. During the two-year period prior to the delivery of its opinion, no material relationship existed between Evercore or any of its affiliates and Nutrisystem (other than the engagements in connection with (i) the Merger and (ii) the Share Repurchase Program) or Tivity Health (including for this purpose Tivity Health Administrative Center, LP and those subsidiaries listed on Exhibit 21 to Tivity Health's annual report on Form 10-K for the fiscal year ended December 31, 2017) pursuant to which compensation was received by Evercore or its affiliates as a result of such a relationship or, in either case, pursuant to which or any of its affiliates expects to receive any compensation. Evercore may provide financial or other services to Tivity Health in the future and in connection with any such services Evercore may receive compensation.

In the ordinary course of business, Evercore or its affiliates may actively trade the securities, or related derivative securities, or financial instruments of Nutrisystem, Tivity Health and their respective affiliates, for its own account and for the accounts of its customers and, accordingly, may at any time hold a long or short position in such securities or instruments.

The issuance of the fairness opinion was approved by an Opinion Committee of Evercore.

The Nutrisystem Board engaged Evercore to act as a financial advisor based on, among other things, its qualifications and its familiarity with Nutrisystem. Evercore is an internationally recognized investment banking firm and is regularly engaged in the valuation of businesses in connection with mergers and acquisitions, leveraged buyouts, competitive biddings, private placements and valuations for corporate and other purposes.

Nutrisystem Unaudited Prospective Financial Information

Other than quarterly and full year guidance, including the guidance included in Nutrisystem's earnings release dated October 30, 2018 (which is referred to in this proxy statement/prospectus as the **Nutrisystem Earnings Guidance**), with respect to consolidated revenues, select other generally accepted accounting principles in the United States (which is referred to in this proxy statement/prospectus as **GAAP**) line items and certain other performance measures, which guidance Nutrisystem presents as a range, Nutrisystem does not, as a matter of course, publicly disclose forecasts as to future performance, earnings or other results due to the unpredictability of the underlying assumptions and estimates. However, Nutrisystem has included below certain financial forecasts of Nutrisystem that, to the extent described below, were furnished to the Nutrisystem Board, Nutrisystem's financial advisor and Tivity Health, in connection with the Merger, including, in the case of Nutrisystem's financial advisor, in connection with its financial analyses summarized under **The Merger Agreement Opinion of Nutrisystem's Financial Advisor** beginning on page 76 of this proxy statement/prospectus.

These financial forecasts were not prepared with a view toward public disclosure or with a view toward complying with the guidelines established by the American Institute of Certified Public Accountants for preparation and presentation of prospective financial data, published guidelines of the SEC regarding forward-looking statements or GAAP. A summary of this information is presented below.

While the financial forecasts were prepared in good faith, no assurance can be made regarding future events. The estimates and assumptions underlying these financial forecasts involve judgments with respect to, among other things, future economic, competitive, regulatory and financial market conditions and future business decisions that may not be realized and that are inherently subject to significant business, economic, competitive and regulatory uncertainties and contingencies, including, among other things, the inherent uncertainty of the business and economic conditions affecting the industries in which Nutrisystem operates, and the risks and uncertainties described under **Cautionary**

Information Regarding Forward-Looking Statements beginning on page 45 of this proxy statement/prospectus, all of which are difficult to predict and many of which are outside the

Table of Contents

control of Nutrisystem and, upon the closing of the Merger, will be beyond the control of Tivity Health and the surviving corporation. Nutrisystem stockholders are urged to review Nutrisystem's SEC filings for a description of risk factors with respect to Nutrisystem's business. There can be no assurance that the underlying assumptions will prove to be accurate or that the projected results will be realized and actual results likely will differ, and may differ materially, from those reflected in the financial forecasts, whether or not the Merger is completed. The inclusion in this proxy statement/prospectus of the financial forecasts below should not be regarded as an indication that Nutrisystem, Tivity Health, their respective boards of directors or their respective financial advisors considered, or now consider, these forecasts to be a reliable predictor of future results. The financial forecasts are not fact and should not be relied upon as being necessarily indicative of future results, and readers of this proxy statement/prospectus are cautioned not to place undue, if any, reliance on this information. The financial forecasts assume that Nutrisystem continues to operate as a standalone company and do not reflect any impact of the Merger.

The financial forecasts include certain non-GAAP financial measures, including Adjusted EBITDA and Unlevered Free Cash Flow (in each case, as defined below). Nutrisystem's management included forecasts of Adjusted EBITDA in the financial forecasts because Nutrisystem's management believes Adjusted EBITDA provides useful information because it is commonly used by investors to assess financial performance and operating results of ongoing business operations, and because Nutrisystem's management also believes that EBITDA is useful in evaluating the business, potential operating performance and cash flow of Nutrisystem. Nutrisystem's management included forecasts of Unlevered Free Cash Flow in the financial forecasts because Nutrisystem's management believes that Unlevered Free Cash Flow is useful in evaluating the future cash flows generated by Nutrisystem without including in such calculation any debt servicing costs.

Investors should note that these non-GAAP financial measures presented in this proxy statement/prospectus (a) are not prepared under any comprehensive set of accounting rules or principles and do not reflect all of the amounts associated with Nutrisystem's results of operations as determined in accordance with GAAP and (b) have no standardized meaning prescribed by GAAP and, therefore, have limits in their usefulness to investors. Because of the non-standardized definitions, the non-GAAP financial measures as used by Nutrisystem in this proxy statement/prospectus and the accompanying footnotes may be calculated differently from, and therefore may not be directly comparable to, similarly titled measures used by Nutrisystem in its other filings with the SEC or by Nutrisystem's competitors and other companies.

Due to the inherent limitations of non-GAAP financial measures, investors should consider non-GAAP measures only as a supplement to, not as a substitute for or as a superior measure to, measures of financial performance prepared in accordance with GAAP. The footnotes to the tables below provide certain supplemental information with respect to the calculation of these non-GAAP financial measures. All of the financial forecasts summarized in this section were prepared by Nutrisystem's management. Neither KPMG LLP (Nutrisystem's independent registered public accounting firm) nor any other independent registered public accounting firm has examined, compiled or otherwise performed any procedures with respect to the prospective financial information contained in these financial forecasts and, accordingly, neither KPMG LLP nor any other independent registered public accounting firm has expressed any opinion or given any other form of assurance with respect thereto and no independent registered public accounting firm assumes any responsibility for the prospective financial information. The KPMG LLP reports incorporated by reference in this proxy statement/prospectus relate to the historical financial information of Nutrisystem. Those reports do not extend to the financial forecasts and should not be read to do so.

By including in this proxy statement/prospectus the financial forecasts below, neither Nutrisystem nor Tivity Health nor any of their respective representatives has made or makes any representation to any person regarding the ultimate performance of Nutrisystem compared to the information contained in the financial forecasts. Accordingly, the financial forecasts should not be construed as financial guidance, nor relied upon as such, and the financial forecasts

may differ in important respects from the Nutrisystem Earnings Guidance, which are presented as a range. Further, the inclusion of the financial forecasts in this proxy statement/prospectus

Table of Contents

does not constitute an admission or representation by Nutrisystem that this information is material. The financial forecasts summarized in this section reflected the estimates and judgments available to Nutrisystem's management at the time they were prepared and have not been updated to reflect any changes since such financial forecasts were prepared. Neither Nutrisystem, Tivity Health nor, after the closing of the Merger, the surviving corporation undertakes any obligation, except as required by law, to update or otherwise revise the financial forecasts to reflect circumstances existing since their preparation or to reflect the occurrence of unanticipated events, even in the event that any or all of the underlying assumptions are shown to be in error, or to reflect changes in general economic or industry conditions.

The summary of the financial forecasts is not included in this proxy statement/prospectus to induce any stockholder to vote in favor of the adoption of the Merger Agreement or any other proposals to be voted on at the special meeting, but instead to provide Nutrisystem stockholders access to certain non-public information that was made available to the Nutrisystem Board, Nutrisystem's financial advisor and Tivity Health.

The following table sets forth a summary of certain financial forecasts prepared by Nutrisystem management:

	Fiscal Year Ending December 31,				
	<i>(\$ in millions)</i>				
	2018E⁽³⁾	2019E	2020E	2021E	2022E
Revenue	\$ 693	\$ 763	\$ 825	\$ 882	\$ 939
Adjusted EBITDA ⁽¹⁾	\$ 106	\$ 121	\$ 131	\$ 140	\$ 150
Unlevered Free Cash Flow ⁽²⁾	\$ 63	\$ 64	\$ 72	\$ 78	\$ 85

- (1) Nutrisystem's Adjusted EBITDA represents net income before deducting interest expense, taxes, depreciation and amortization, further adjusted to exclude non-cash employee compensation expense and certain one-time expenses. Adjusted EBITDA is a non-GAAP financial measure and should not be considered as an alternative to net income or operating income as a measure of operating performance or cash flows or as a measure of liquidity.
- (2) Nutrisystem's Unlevered Free Cash Flow is calculated as Adjusted EBITDA less capital expenditures, less (or plus) any increase (or decrease) in working capital, less cash taxes and less non-cash employee compensation expense.
- (3) 2018E includes Q4 Revenue estimate of \$132, Q4 Adjusted EBITDA estimate of \$30 and Q4 Unlevered Free Cash Flow estimate of \$2, each of which were prepared by Nutrisystem's management and furnished to the Nutrisystem Board, Evercore and Tivity Health, in connection with the Merger.

In connection with the Merger, Nutrisystem and Evercore requested that Tivity Health provide its standalone budget and certain forward looking financial forecasts for 2019 and beyond. In response to Nutrisystem's request, Tivity Health management provided a high-level preliminary guidance range covering revenue, adjusted EBITDA and certain other metrics for 2018, and growth estimates and other data to enable an extrapolation of guidance for 2019 and for 2020 and beyond. However, such information was accompanied by a disclaimer that the financial information provided was prepared by Tivity Health management in response to Nutrisystem's request, was not reviewed with the Tivity Health Board and was preliminary in nature. Tivity Health made no representation or warranty regarding the preliminary financial guidance (including the reasonableness of the assumptions underlying such guidance) and instructed Nutrisystem and Evercore not to rely on it. The I/B/E/S estimates were not materially different than the preliminary financial guidance provided by Tivity Health. As a result, Nutrisystem and Evercore did not rely on or otherwise use the preliminary financial guidance provided by Tivity Health.

Regulatory Approvals Required for the Merger

General

Tivity Health and Nutrisystem have agreed to use their respective reasonable best efforts to obtain all regulatory approvals required to consummate the Merger as promptly as practicable. Tivity Health will be obligated to expeditiously comply with any requests or inquiries for additional information or documentation (including any second request) by any governmental entity and to enter into or agree to divestitures, hold separate agreements, the termination, assignment, novation or modification of contracts or other business relationships, the acceptance of restrictions on business operations, the entry into other commitments and limitations, and litigation, including with governmental entities, to obtain the approvals, consents, orders, exemptions or waivers from any governmental authority or other third party required to be obtained prior to the consummation of the Merger; provided, that such actions would not have a material adverse effect on the financial condition, business or operations of Tivity Health and its subsidiaries, taken as a whole, or on Nutrisystem and its subsidiaries, taken as a whole.

Each of Tivity Health's, Nutrisystem's and Merger Sub's obligation to effect the Merger is conditioned upon, among other things, the expiration or early termination of the applicable waiting period under the HSR Act and the absence of any law enacted, adopted or promulgated after December 9, 2018 in the United States or any order, write injunction, decree, judgment, award, settlement, or stipulation issued, promulgated, made, rendered or entered into by or with any federal or state court or other tribunal of competent jurisdiction prohibiting, rendering illegal or enjoining the consummation of the Merger. See The Merger Agreement Conditions to Completion of the Merger beginning on page 117 of this proxy statement/prospectus.

Department of Justice, Federal Trade Commission and Other U.S. Antitrust Authorities

Under the HSR Act, certain transactions, including the Merger, may not be completed unless certain waiting period requirements have expired or been terminated. The HSR Act provides that each party must file a pre-merger notification with the FTC and the DOJ. A transaction notifiable under the HSR Act may not be completed until the expiration of a 30-calendar-day waiting period following the parties' filings of their respective HSR Act notification forms or the early termination of that waiting period. If the DOJ or the FTC issues a Request for Additional Information and Documentary Material prior to the expiration of the initial waiting period, the parties must observe a second 30-calendar-day waiting period, which would begin to run only after both parties have substantially complied with the request for additional information, unless the waiting period is terminated earlier.

Tivity Health and Nutrisystem each filed its respective required HSR Act notification and report with respect to the Merger on December 21, 2018 requesting early termination. The waiting period under the HSR Act expired on January 22, 2019 at 11:59 p.m. (U.S. Eastern Time).

At any time before or after the Merger is completed, either the DOJ or the FTC could take action under the antitrust laws in opposition to the Merger, including seeking to enjoin completion of the Merger, condition approval of the Merger upon the divestiture of assets of Tivity Health, Nutrisystem or their respective subsidiaries or impose restrictions on Tivity Health's post-Merger operations. In addition, U.S. state attorneys general could take action under the antitrust laws as they deem necessary or desirable in the public interest including, without limitation, seeking to enjoin completion of the Merger or permitting completion subject to regulatory concessions or conditions. Private parties also may seek to take legal action under the antitrust laws under some circumstances.

Other Governmental Approvals

Neither Tivity Health nor Nutrisystem is aware of any material governmental approvals or actions that are required for completion of the Merger other than those described above. It is presently contemplated that if any such additional material governmental approvals or actions are required, those approvals or actions will be sought.

Table of Contents

Timing; Challenges by Governmental and Other Entities

There can be no assurance that any of the regulatory approvals described above will be obtained and, if obtained, there can be no assurance as to the timing of any approvals, the ability to obtain the approvals on satisfactory terms or the absence of any litigation challenging such approvals.

In addition, there can be no assurance that any of the governmental or other entities described above, including the DOJ, the FTC, U.S. state attorneys general and private parties, will not challenge the Merger on antitrust or competition grounds and, if such a challenge is made, there can be no assurance as to its result.

Appraisal Rights

Record holders of Nutrisystem common stock who comply with the procedures summarized below will be entitled to appraisal rights if the Merger is completed. Under Section 262 of the DGCL (which is referred to in this proxy statement/prospectus as **Section 262**), holders of shares of Nutrisystem common stock with respect to which appraisal rights are properly demanded and perfected and not withdrawn or lost are entitled, in lieu of receiving the Merger Consideration, to have the fair value of their shares (exclusive of any element of value arising from the accomplishment or expectation of the Merger) at the Effective Time judicially determined and paid to them in cash by complying with the provisions of Section 262. Nutrisystem is required to send a notice to that effect to each stockholder not less than 20 days prior to the Nutrisystem special meeting. This proxy statement/prospectus constitutes that notice to you.

The following is a summary of Section 262, which sets forth the procedures for demanding statutory appraisal rights. This summary is qualified in its entirety by reference to Section 262, a copy of the text of which is attached to this proxy statement/prospectus as Annex C. The following summary does not constitute any legal or other advice nor does it constitute a recommendation that stockholders exercise their appraisal rights under Section 262.

Stockholders of record who desire to exercise their appraisal rights must do all of the following: (i) not vote in favor of the adoption of the Merger Agreement, (ii) deliver in the manner set forth below a written demand for appraisal of the stockholder's shares to Nutrisystem before the vote on the adoption of the Merger Agreement at the Nutrisystem special meeting, (iii) continuously hold the shares of record from the date of making the demand through the Effective Time and (iv) otherwise comply with the requirements of Section 262.

Only a holder of record of Nutrisystem common stock is entitled to demand an appraisal of the shares registered in that holder's name. A demand for appraisal must be executed by or for the stockholder of record, fully and correctly, as the stockholder's name appears on the certificates representing shares. If shares are owned of record by a person other than the beneficial owner, including a broker, fiduciary (such as a trustee, guardian or custodian), depository or other nominee, such demand must be executed by the or for the record owner. If shares are owned of record by more than one person, as in a joint tenancy or tenancy in common, the demand must be executed by or on behalf of all joint owners. An authorized agent, including an agent of two or more joint owners, may execute the demand for appraisal for a stockholder of record; however, the agent must identify the record owner and expressly disclose that, in exercising the demand, the agent is acting as agent for the record owner.

A record owner, such as a broker, who holds shares as a nominee for several beneficial owners may exercise appraisal rights with respect to the shares held for one or more beneficial owners while not exercising such rights with respect to the shares held for other beneficial owners. In that case, the written demand must set forth the number of shares covered by the demand. Where the number of shares is not expressly stated, the demand will be presumed to cover all shares held in the name of the record owner.

Beneficial owners who are not record owners and who intend to exercise appraisal rights should consult with the record owner to determine the appropriate procedures for having the record holder make a demand for

Table of Contents

appraisal with respect to the beneficial owner's shares. A person having a beneficial interest in shares that are held of record in the name of another person, such as a broker, fiduciary, depository or other nominee who desires appraisal rights with respect to those shares must take such actions as may be necessary to ensure that a timely and proper demand for appraisal is made by the record owner of the shares. Shares held through brokerage firms, banks and other financial institutions are frequently deposited with and held of record in the name of a nominee of a central security depository, such as Cede & Co., The Depository Trust Company's nominee. Any beneficial holder of shares desiring appraisal rights with respect to such shares which are held through a brokerage firm, bank or other financial institution is responsible for ensuring that the demand for appraisal is made by or for the record holder and must identify the identity depository nominee by name.

As required by Section 262, a demand for appraisal must be in writing and must reasonably inform Nutrisystem of the identity of the record holder (which might be a nominee as described above) and that such holder intends thereby to demand appraisal of the holder's shares.

Stockholders of record who elect to demand appraisal of their shares must mail or deliver their written demand to: Nutrisystem, Fort Washington Executive Center, 600 Office Center Drive, Fort Washington, Pennsylvania 19034, Attention: Secretary. The written demand for appraisal should specify the stockholder's name and mailing address, the number of shares owned, and that the stockholder is demanding appraisal of his, her or its shares. The written demand must be received by Nutrisystem prior to the Nutrisystem special meeting. Neither voting (in person or by proxy) against, abstaining from voting on or failing to vote on the adoption of the Merger Agreement will alone suffice to constitute a written demand for appraisal within the meaning of Section 262. In addition, the stockholder must not vote its shares of Nutrisystem common stock in favor of adoption of the Merger Agreement. An executed proxy that does not contain voting instructions will, unless revoked, be voted in favor of adoption of the Merger Agreement and will cause the stockholder's right of appraisal to be lost. Therefore, a stockholder who desires to exercise appraisal rights should either (x) refrain from executing and submitting the enclosed proxy card or (y) vote by proxy against the adoption of the Merger Agreement or affirmatively register an abstention with respect thereto.

Within 120 days after the Effective Time, but not thereafter, either the surviving corporation in the Merger or any stockholder who has timely and properly demanded appraisal of such stockholder's shares and who has complied with the requirements of Section 262 and is otherwise entitled to appraisal rights may commence an appraisal proceeding by filing a petition in the Delaware Court of Chancery demanding a determination of the fair value of the shares of all stockholders who have properly demanded appraisal. There is no present intent on the part of the surviving corporation to file an appraisal petition and stockholders seeking to exercise appraisal rights should not assume that the surviving corporation will file such a petition or that the surviving corporation will initiate any negotiations with respect to the fair value of such shares. Accordingly, stockholders who desire to have their shares appraised should initiate any petitions necessary for the perfection of their appraisal rights within the time periods and in the manner prescribed in Section 262.

Within 120 days after Effective Time, any stockholder who has complied with the applicable provisions of Section 262 will be entitled, upon written request, to receive from the surviving corporation a statement setting forth the aggregate number of shares of Nutrisystem common stock not voted in favor of the Merger and with respect to which demands for appraisal were received by the surviving corporation and the number of holders of such shares. A person who is the beneficial owner of shares held in a voting trust or by a nominee on behalf of such person may, in such person's own name, file a petition or request from the corporation for the statement described in the previous sentence. Such statement must be mailed within 10 days after the written request therefor has been received by the surviving corporation.

If a petition for an appraisal is timely filed, at the hearing on such petition, the Delaware Court of Chancery will determine which stockholders are entitled to appraisal rights. The Delaware Court of Chancery may require the stockholders who have demanded an appraisal for their shares and who hold stock represented by certificates to submit their certificates of stock to the Register in Chancery for notation thereon of the pendency of the

Table of Contents

appraisal proceedings; and if any stockholder fails to comply with such direction, the Delaware Court of Chancery may dismiss the proceedings as to such stockholder. Where proceedings are not dismissed, the appraisal proceeding will be conducted, as to the shares of Nutrisystem common stock owned by such stockholders, in accordance with the rules of the Delaware Court of Chancery, including any rules specifically governing appraisal proceedings. In addition, the Delaware Court of Chancery will dismiss appraisal proceedings as to all Nutrisystem stockholders who assert appraisal rights unless (x) the total number of Nutrisystem common stock for which appraisal rights have been pursued and perfected exceeds 1% of the outstanding shares of Nutrisystem common stock measured in accordance with subsection (g) of Section 262 of the DGCL or (y) the value of the Merger Consideration in respect of the Nutrisystem common stock for which appraisal rights have been pursued and perfected exceeds \$1 million.

Through such proceeding, the Delaware Court of Chancery will determine the fair value of the shares exclusive of any element of value arising from the accomplishment or expectation of the merger, together with interest to be paid, if any, upon the amount determined to be the fair value. Unless the Delaware Court of Chancery in its discretion determines otherwise for good cause shown, interest on an appraisal award from the date the Merger is completed through the date of payment of the judgment will be compounded quarterly and will accrue at 5% over the Federal Reserve discount rate (including any surcharges) as established from time to time during the period between the date the Merger is completed and the date of payment of the judgment. At any time before the entry of judgment in the appraisal proceeding, the surviving corporation may pay to each stockholder entitled to appraisal an amount in cash, in which case interest shall accrue thereafter as provided in the preceding sentence only upon the sum of (1) the difference, if any, between the amount so paid and the fair value of shares as determined by the Delaware Court of Chancery and (2) interest theretofore accrued, unless paid at that time.

In determining fair value, the Delaware Court of Chancery is required to take into account all relevant factors. In *Weinberger v. UOP, Inc.* the Delaware Supreme Court discussed the factors that could be considered in determining fair value in an appraisal proceeding, stating that proof of value by any techniques or methods which are generally considered acceptable in the financial community and otherwise admissible in court should be considered and that [f]air price obviously requires consideration of all relevant factors involving the value of a company. The Delaware Supreme Court has stated that in making this determination of fair value the court may consider market value, asset value, dividends, earnings prospects, the nature of the enterprise and any other facts which could be ascertained as of the date of the merger which throw any light on future prospects of the merged corporation. Section 262 provides that fair value is to be exclusive of any element of value arising from the accomplishment or expectation of the merger.

Stockholders considering seeking appraisal should bear in mind that the fair value of their shares determined under Section 262 could be more than, the same as, or less than the merger consideration they are entitled to receive pursuant to the Merger Agreement if they do not seek appraisal of their shares, and that opinions of investment banking firms as to the fairness from a financial point of view of the consideration payable in a transaction are not opinions as to fair value under Section 262. The surviving corporation and reserves the right to assert, in any appraisal proceeding, that for purposes of Section 262, the fair value of a share of Nutrisystem common stock is less than the applicable merger consideration.

The cost of the appraisal proceeding may be determined by the Delaware Court of Chancery and taxed upon the parties as the Delaware Court of Chancery deems equitable in the circumstances. However, costs do not include attorneys and expert witness fees. Each dissenting stockholder is responsible for his or her attorneys and expert witness expenses, although, upon application of a dissenting stockholder of Nutrisystem, the Delaware Court of Chancery may order that all or a portion of the expenses incurred by such stockholder in connection with the appraisal proceeding, including, without limitation, reasonable attorneys fees and the fees and expenses of experts, be charged pro rata against the value of all shares entitled to appraisal.

Any stockholder who has duly demanded appraisal in compliance with Section 262 will not, after the Effective Time, be entitled to vote for any purpose any shares subject to such demand or to receive payment of

Table of Contents

dividends or other distributions on such shares, except for dividends or distributions payable to stockholders of record at a date prior to the Effective Time.

At any time within 60 days after the Effective Time, any stockholder who has demanded appraisal and who has not commenced an appraisal proceeding or joined that proceeding as a named party will have the right to withdraw such stockholder's demand for appraisal and to accept the terms offered in the Merger. After this period, the stockholder may withdraw such stockholder's demand for appraisal only with the consent of the surviving corporation. If no petition for appraisal is filed with the Delaware Court of Chancery within 120 days after the Effective Time, stockholders' rights to appraisal will cease and all stockholders will be entitled only to receive the Merger Consideration as provided for in the Merger Agreement. Any stockholder may withdraw such stockholder's demand for appraisal by delivering to the surviving corporation a written withdrawal of his or her demand for appraisal and acceptance of the Merger Consideration, except (i) that any such attempt to withdraw made more than 60 days after the Effective Time will require written approval of the surviving corporation and (ii) that no appraisal proceeding in the Delaware Court of Chancery shall be dismissed as to any stockholder without the approval of the Delaware Court of Chancery and such approval may be conditioned upon such terms as the Delaware Court of Chancery deems just. However, the preceding sentence will not affect the right of any stockholder who has not commenced an appraisal proceeding or joined the proceeding as a named party to withdraw such stockholder's demand for appraisal and to accept the terms offered upon the Merger within 60 days after the Effective Time.

The foregoing is a brief summary of Section 262 that sets forth the procedures for demanding statutory appraisal rights. This summary, however, is not a complete statement of all applicable requirements and is qualified in its entirety by reference to Section 262, a copy of the text of which is attached as Annex C to this proxy statement/prospectus.

Failure to comply strictly with all the procedures set forth in Section 262 will result in the loss of a stockholder's statutory appraisal rights. Consequently, if you wish to exercise your appraisal rights, you are strongly urged to consult a legal advisor before attempting to exercise your appraisal rights.

Material U.S. Federal Income Tax Consequences

The following are the material U.S. federal income tax consequences of the Merger to U.S. holders and non-U.S. holders (in each case, as defined below) of Nutrisystem common stock. This discussion applies only to holders that hold their Nutrisystem common stock as capital assets within the meaning of Section 1221 of the Internal Revenue Code of 1986, as amended (which is referred to in this proxy statement/prospectus as the **Code**) (generally, property held for investment). This discussion does not describe all of the tax consequences that may be relevant to a holder in light of the holder's particular circumstances, including Medicare contribution tax consequences and consequences under Section 451(b) of the Code, or to holders subject to special rules, such as:

Dealers or traders subject to a mark-to-market method of tax accounting with respect to Nutrisystem common stock;

Persons holding Nutrisystem common stock as part of a straddle, hedging transaction, conversion transaction, integrated transaction or constructive sale transaction;

U.S. holders whose functional currency is not the U.S. dollar;

Partnerships or other entities classified as partnerships or pass through entities for U.S. federal income tax purposes;

Persons who acquired Nutrisystem common stock through the exercise of employee stock options or otherwise as compensation;

Certain financial institutions and insurance companies;

Table of Contents

Regulated investment companies;

Real estate investment trusts;

Certain former citizens or residents of the United States;

Holders of Nutrisystem common stock who exercise dissenters' rights;

Tax-exempt entities, including an individual retirement account or Roth IRA; or

Persons subject to the United States alternative minimum tax.

If an entity that is classified as a partnership for U.S. federal income tax purposes holds Nutrisystem common stock, the U.S. federal income tax treatment of a partner will generally depend on the status of the partner and the activities of the partnership. Partnerships holding Nutrisystem common stock and partners in such partnerships should consult their tax advisors as to the particular U.S. federal income tax consequences of the Merger to them.

This discussion is based on the Code, administrative pronouncements, judicial decisions and final and temporary Treasury regulations, all as of the date hereof, any of which is subject to change, possibly with retroactive effect. Federal estate tax considerations and tax considerations under state, local and foreign laws are not addressed.

U.S. Holders

For purposes of this proxy statement/prospectus, the term **U.S. holder** means a beneficial owner of Nutrisystem common stock that is:

A citizen or individual resident of the United States;

A corporation, or other entity taxable as a corporation for U.S. federal income tax purposes, created or organized in or under the laws of the United States, any state thereof or the District of Columbia;

An estate the income of which is subject to U.S. federal income taxation regardless of its source; or

A trust (A) if a U.S. court is able to exercise primary supervision over the administration of the trust and one or more U.S. persons have the authority to control all substantial decisions of the trust, or (B) that has elected to be treated as a U.S. person under applicable U.S. Treasury regulations.

The receipt of Tivity Health common stock and cash in exchange for Nutrisystem common stock pursuant to the Merger will be a taxable transaction for U.S. federal income tax purposes. In general, a U.S. holder will recognize capital gain or loss for U.S. federal income tax purposes on the exchange of Nutrisystem common stock for Tivity

Health common stock and cash in an amount equal to the difference, if any, between (i) the sum of the fair market value of the Tivity Health common stock (determined on the date of the exchange) and cash received (including cash received in lieu of fractional shares of Tivity Health common stock) and (ii) the U.S. holder's adjusted tax basis in the Nutrisystem common stock surrendered in the exchange. Gain or loss, as well as the U.S. holder's holding period, will be determined separately for each block of Nutrisystem common stock (i.e., shares acquired at the same cost in a single transaction) exchanged for Tivity Health common stock and cash pursuant to the Merger. Such gain or loss generally will be treated as long-term capital gain or loss if the U.S. holder's holding period in the Nutrisystem common stock is more than one year at the time of the completion of the Merger. Long-term capital gains of non-corporate U.S. holders are subject to U.S. federal income tax at preferential rates of taxation. The deductibility of capital losses is subject to certain limitations.

Non-U.S. Holders

A beneficial owner of Nutrisystem common stock that is not a U.S. holder or a partnership is referred to in this proxy statement/prospectus as a **non-U.S. holder**. The receipt of Tivity Health common stock and cash by

Table of Contents

a non-U.S. holder in exchange for shares of Nutrisystem common stock pursuant to the Merger generally will not be subject to U.S. federal income tax unless:

The gain, if any, on such shares is effectively connected with a trade or business of the non-U.S. holder in the United States (or, if required by an applicable income tax treaty, is attributable to the non-U.S. holder's permanent establishment or fixed base in the United States);

The non-U.S. holder is an individual who is present in the United States for 183 days or more in the taxable year of the exchange of shares of Nutrisystem common stock pursuant to the Merger and certain other conditions are met; or

The non-U.S. holder owned, directly or under certain constructive ownership rules of the Code, more than 5% of the Nutrisystem common stock at any time during the five-year period preceding the Merger, and Nutrisystem is or has been a United States real property holding corporation for U.S. federal income tax purposes at any time during the shorter of the five-year period preceding the Merger or the period that the non-U.S. holder held Nutrisystem common stock.

A non-U.S. holder described in the first bullet point immediately above will be subject to regular U.S. federal income tax on any gain realized as if the non-U.S. holder were a U.S. holder, subject to an applicable income tax treaty providing otherwise. If such non-U.S. holder is a foreign corporation, it may also be subject to a branch profits tax equal to 30% of its effectively connected earnings and profits (or a lower treaty rate). A non-U.S. holder described in the second bullet point immediately above will be subject to tax at a rate of 30% (or a lower treaty rate) on any gain realized, which may be offset by certain U.S.-source capital losses recognized in the same taxable year, even though the individual is not considered a resident of the United States. Nutrisystem believes that it has not been a United States real property holding corporation for U.S. federal income tax purposes at any time during the five-year period preceding the Merger.

Information Reporting and Backup Withholding

Payments made in exchange for shares of Nutrisystem common stock (including cash paid in lieu of fractional shares) pursuant to the Merger generally will be subject to information reporting unless the holder is an exempt recipient and may also be subject to backup withholding at a rate of 24%. To avoid backup withholding, U.S. holders that do not otherwise establish an exemption should complete and return Internal Revenue Service Form W-9, certifying that such U.S. holder is a U.S. person, the taxpayer identification number provided is correct and such U.S. holder is not subject to backup withholding. A non-U.S. holder that provides the applicable withholding agent with the appropriate Internal Revenue Service Form W-8 will generally establish an exemption from backup withholding.

Amounts withheld under the backup withholding rules are not additional taxes and may be refunded or credited against a holder's U.S. federal income tax liability, provided the relevant information is timely furnished to the Internal Revenue Service.

You are urged to consult your tax advisor with respect to the application of U.S. federal income tax laws to your particular circumstances as well as any tax consequences arising under the U.S. federal estate or gift tax rules, or under the laws of any state, local or foreign tax laws.

Accounting Treatment

The Merger will be accounted for using the acquisition method of accounting with Tivity Health considered the acquirer of Nutrisystem. Tivity Health will record assets acquired, including identifiable intangible assets, and liabilities assumed from Nutrisystem at their respective fair values at the effective date of the Merger. Any excess of the purchase price (as described under Note 2 under Tivity Health and Nutrisystem Unaudited Pro Forma Combined Financial Statements Notes to the Unaudited Pro Forma Combined Financial Statements contained in this proxy statement/prospectus) over the net fair value of such assets and liabilities will be recorded as goodwill.

Table of Contents

The financial condition and results of operations of Tivity Health following the Merger will include the results of operations of Nutrisystem after the closing of the Merger, but will not be restated retroactively to reflect the historical financial condition or results of operations of Nutrisystem. The earnings of Tivity Health after the closing of the Merger will reflect acquisition accounting adjustments, including the effect of changes in the carrying value of Nutrisystem's assets and liabilities on Tivity Health's depreciation expense, amortization expense and interest expense. Indefinite-lived intangible assets and goodwill will not be amortized but will be tested for impairment at least annually, and all tangible and intangible assets including goodwill will be tested for impairment when certain indicators are present.

Listing of Tivity Health Common Stock and Delisting and Deregistration of Nutrisystem Common Stock

Application will be made to have the shares of Tivity Health common stock to be issued in the Merger approved for listing on Nasdaq, where Tivity Health's common stock is currently traded. If the Merger is completed, Nutrisystem's common stock will no longer be listed on Nasdaq and will be deregistered under the Exchange Act.

Litigation Relating to the Merger

As of February 1, 2019, six putative class action complaints have been filed by purported Nutrisystem stockholders challenging the Merger in the United States District Court for the District of Delaware. The complaints are captioned *Klein v. Nutrisystem, Inc. et al.*, Docket No. 1:19-cv-00056 (filed January 9, 2019), *Shaev v. Nutrisystem, Inc. et al.*, Docket No. 1:19-cv-00063 (filed January 10, 2019), *Vladimir Gusinsky Rev. Trust v. Nutrisystem, Inc.*, Docket No. 1:19-cv-00069 (filed January 10, 2019), *Frechter v. Nutrisystem, Inc., et al.*, Docket No. 1:19-cv-00087 (filed January 16, 2019), *Walton v. Nutrisystem, Inc. et al.*, Docket No. 1:19-cv-00112 (filed January 19, 2019), and *Haines v. Nutrisystem, Inc., et al.*, Docket No. 1:19-cv-00137 (filed January 24, 2019). The complaints name as defendants each member of Nutrisystem's board of directors and Nutrisystem itself and, in the case of the *Klein* and *Gusinsky* complaints, Tivity Health and Merger Sub. The complaints allege, among other things, that statements made in the registration statement filed by Tivity Health on January 7, 2019 were materially incomplete and misleading and violated Sections 14(a) and 20(a) of the Exchange Act. In addition, the complaints generally allege that the Merger undervalues Nutrisystem, that the process leading up to the execution of the Merger Agreement was flawed, and that certain provisions of the Merger Agreement improperly favor Tivity Health and improperly impede a potential alternative transaction. Among other remedies, the complaints seek equitable relief rescinding the Merger Agreement and enjoining the defendants from completing the Merger, as well as recovery of litigation costs and attorneys' fees. The defendants intend to defend these actions vigorously.

Financing of the Merger

Consummation of the Merger is not conditioned upon Tivity Health's ability to obtain financing. Tivity Health expects to use cash on hand and debt to fund the cash component of the Merger Consideration.

In connection with the execution of the Merger Agreement, on December 9, 2018, Tivity Health entered into the Debt Commitment Letter with the Commitment Parties. Under the Debt Commitment Letter, among other things, CSLF has committed to arrange, and CS has committed to provide, subject to terms and conditions of the Debt Commitment Letter, the Financing. The Financing will be secured by a first priority security interest and lien on substantially all of the assets of Tivity Health and its wholly owned domestic subsidiaries. The Commitment Parties' commitments pursuant to the Debt Commitment Letter are subject to various conditions, including consummation of the Merger in accordance with the Merger Agreement; the negotiation and execution of definitive documentation consistent with the Debt Commitment Letter; delivery of certain audited, unaudited and pro forma financial statements; the absence of a material adverse effect on Nutrisystem after December 9, 2018; the accuracy of specified representations and

warranties of Nutrisystem in the Merger Agreement and specified representations and warranties of Tivity Health to be set forth in the definitive loan documents; the repayment of all outstanding indebtedness and other obligations of Tivity Health and Nutrisystem under their existing credit facilities; and other customary closing conditions.

Table of Contents

On December 21, 2018, December 26, 2018, December 27, 2018, December 31, 2018 and January 4, 2019, the Debt Commitment Letter was amended to add STRH, SunTrust, CGMI, Citizens, Fifth Third, Regions Bank, Regions Capital Markets and GS as Commitment Parties under the Debt Commitment Letter and to adjust correspondingly each Commitment Party's commitment with respect to the Financing.

Tivity Health expects that, prior to or simultaneously with the consummation of the Merger, it will execute definitive documentation with respect to the term loan facility and the revolving credit facility on the terms set forth in the Debt Commitment Letter. The proceeds of the term loans are expected to be available to finance the Merger, to repay existing indebtedness of Tivity Health and Nutrisystem, to pay fees and expenses related to the Merger and the Financing, to fund any original issue discount in connection with the Financing and for general corporate purposes. Subject to certain limitations, the proceeds of the revolving credit facility are expected to be available to fund any original issue discount in connection with the Financing and for general corporate purposes.

THE MERGER AGREEMENT

The following is a summary of the material terms and conditions of the Merger Agreement. This summary may not contain all the information about the Merger Agreement that is important to you. This summary is qualified in its entirety by reference to the Merger Agreement attached as Annex A to, and incorporated by reference into, this proxy statement/prospectus. You are encouraged to read the Merger Agreement in its entirety because it is the legal document that governs the Merger.

Explanatory Note Regarding the Merger Agreement and the Summary of the Merger Agreement: Representations, Warranties and Covenants in the Merger Agreement Are Not Intended to Function or Be Relied on as Public Disclosures

The Merger Agreement and the summary of its terms in this proxy statement/prospectus have been included to provide information about the terms and conditions of the Merger Agreement. The terms and information in the Merger Agreement are not intended to provide any other public disclosure of factual information about Tivity Health, Nutrisystem or any of their respective subsidiaries or affiliates. The representations, warranties, covenants and agreements contained in the Merger Agreement are made by Tivity Health, Nutrisystem and Merger Sub only for the purposes of the Merger Agreement and are qualified by and subject to certain limitations and exceptions agreed to by Tivity Health, Nutrisystem and Merger Sub in connection with negotiating the terms of the Merger Agreement. In particular, in your review of the representations and warranties contained in the Merger Agreement and described in this summary, it is important to bear in mind that the representations and warranties were made solely for the benefit of the parties to the Merger Agreement and were negotiated for the purpose of allocating contractual risk among the parties to the Merger Agreement rather than to establish matters as facts. The representations and warranties may also be subject to a contractual standard of materiality or material adverse effect different from those generally applicable to stockholders and reports and documents filed with the SEC and in some cases may be qualified by disclosures made by one party to the other, which are not necessarily reflected in the Merger Agreement. Moreover, information concerning the subject matter of the representations and warranties, which do not purport to be accurate as of the date of this proxy statement/prospectus, may have changed since the date of the Merger Agreement.

For the foregoing reasons, the representations, warranties, covenants and agreements and any descriptions of those provisions herein should not be read alone or relied upon as characterizations of the actual state of facts or condition of Tivity Health, Nutrisystem or any of their respective subsidiaries or affiliates. Instead, such provisions or descriptions should be read only in conjunction with the other information provided elsewhere in this document or incorporated by reference into this proxy statement/prospectus.

The Merger is a taxable transaction, and the receipt of shares of Tivity Health common stock and cash in exchange for Nutrisystem common stock in the Merger will generally be taxable to Nutrisystem stockholders. See Proposal I: The Merger Material U.S. Federal Income Tax Consequences beginning on page 92 of this proxy statement/prospectus.

Structure of the Merger

The Merger Agreement provides for a transaction in which Merger Sub will merge with and into Nutrisystem. Nutrisystem will be the surviving corporation in the Merger and will, following completion of the Merger, be a wholly owned subsidiary of Tivity Health. After completion of the Merger, the certificate of incorporation set forth as Exhibit A to the Merger Agreement and the bylaws of Merger Sub in effect as of completion of the Merger will be the certificate of incorporation and bylaws, respectively, of the surviving corporation, in each case until amended in accordance with applicable law. After completion of the Merger, the directors of Merger Sub and the officers of Nutrisystem will be the directors and officers, respectively, of the surviving corporation until their successors are duly

elected or appointed and qualified in accordance with the surviving corporation's certificate of incorporation, bylaws and applicable law.

Table of Contents**Completion and Effectiveness of the Merger**

The Merger will be completed and become effective at such time as the certificate of merger is duly filed with the Delaware Secretary of State (or at such later time as agreed to by Nutrisystem and Tivity Health and specified in the certificate of Merger). Unless another date and time are agreed to by Tivity Health and Nutrisystem, completion of the Merger will occur on the third business day following satisfaction or, to the extent permitted by applicable law, waiver, of the conditions to completion of the Merger (other than those conditions that by their nature are to be satisfied at completion of the Merger, but subject to the satisfaction or, to the extent permitted by applicable law, waiver of such conditions), except that Tivity Health and Merger Sub will not in any event be obligated to effect the completion of the Merger prior to January 30, 2019, as further described under **Conditions to Completion of the Merger** beginning on page 117 of this proxy statement/prospectus.

As of the date of this proxy statement/prospectus, the Merger is expected to be completed in the first quarter of 2019. However, completion of the Merger is subject to the satisfaction or, to the extent permitted by applicable law, waiver of the conditions to completion of the Merger, which are summarized below. There can be no assurances as to when, or if, the Merger will occur. If the Merger is not completed on or before the Outside Date, either Tivity Health or Nutrisystem may terminate the Merger Agreement. The right to terminate the Merger Agreement on the Outside Date will not be available to Tivity Health or Nutrisystem if that party's breach of any provision of the Merger Agreement was the principal cause of the failure of the conditions to its obligations to be satisfied by the Outside Date or the failure of the Merger to be completed by that date. See **Conditions to Completion of the Merger** and **Termination of the Merger Agreement** beginning on pages 117 and 118, respectively, of this proxy statement/prospectus.

Merger Consideration

At completion of the Merger, each share of Nutrisystem common stock outstanding immediately prior to completion of the Merger, except for shares held by Nutrisystem as treasury stock, shares owned by Tivity Health or by any subsidiary of Tivity Health or Nutrisystem, which are referred to in this proxy statement/prospectus as **Excluded Shares**, and shares with respect to which appraisal rights have been properly exercised in accordance with the DGCL, will be converted into the right to receive \$38.75 in cash, without interest, and 0.2141 of a share of Tivity Health common stock (with cash payable in lieu of any fractional shares as described under **Fractional Shares** beginning on page 99 of this proxy statement/prospectus). Each Excluded Share will be cancelled and will cease to exist, with no consideration paid in exchange therefor.

If (v) the aggregate number of shares of Tivity Health common stock to be issued in connection with the Merger, plus (w) the aggregate number of shares of Tivity Health common stock subject to assumed restricted stock awards of Nutrisystem as of immediately following the Effective Time plus (x) the aggregate number of shares of Tivity Health common stock subject to assumed performance unit awards as of immediately following the Effective Time, plus (y) the number of shares of Tivity Health common stock that would be available for issuance immediately following the Effective Time in respect of the remaining shares reserved and available for issuance under Nutrisystem's equity compensation plan assumed by Tivity Health, plus (z) any other shares required to be taken into account for purposes of Nasdaq's listing rules would exceed 19.9% of the issued and outstanding shares of Tivity Health common stock immediately prior to the Effective Time, then (i) first, Nutrisystem must, at Tivity Health's request at least two business days prior to the closing date, amend its equity compensation plan to reduce the number of shares remaining reserved and available for issuance thereunder by the minimum extent necessary to cause such total issuance (as so reduced) not to exceed such threshold (but in no event below an amount equal to the number of shares of Nutrisystem common stock subject to any issued and outstanding Nutrisystem equity awards immediately prior to the closing of the Merger), and (ii) then, if such reduction in Nutrisystem's equity compensation plan is insufficient to cause such total issuance (as so reduced) not to exceed such threshold, (A) the Exchange Ratio with respect to the Stock

Consideration will be reduced to the minimum extent necessary (rounded down to the nearest ten-thousandth) such that the total issuance of shares

Table of Contents

of Tivity Health common stock does not exceed such threshold and (B) the Cash Consideration for all purposes under the Merger Agreement will be increased on a per-share basis by the amount of such reduction in the Exchange Ratio multiplied by Tivity Health Closing Stock Price (rounded to the nearest ten-thousandth of a cent).

If, between December 9, 2018 and the Effective Time, any change in the outstanding shares of capital stock of Nutrisystem or Tivity Health occurs as a result of any reclassification, stock split (including a reverse stock split), recapitalization, split-up, combination, subdivision, exchange of shares, readjustment, or other similar transaction, or a stock dividend or stock distribution thereon is declared with a Record Date within said period, the Merger Consideration and any other similarly dependent items, as the case may be, will be equitably adjusted to provide the holders of shares of Nutrisystem common stock the same economic effect as contemplated by the Merger Agreement prior to such event.

Fractional Shares

No fractional shares of Tivity Health common stock will be issued and any holder of shares of Nutrisystem common stock entitled to receive a fractional share of Tivity Health common stock will instead be entitled to receive a cash payment in lieu thereof, without interest, rounded down to the nearest whole cent, which payment will be calculated by the exchange agent appointed by Tivity Health and will be an amount equal to the product of (i) the Tivity Health Closing Stock Price multiplied by (ii) the fraction of a share of Tivity Health common stock (after taking into account all shares of Nutrisystem common stock held by such holder at the Effective Time and rounded to the nearest one thousandth when expressed in decimal form) to which such holder would otherwise be entitled. No such holder will be entitled to dividends, voting rights or any other rights in respect of any fractional shares of Tivity Health common stock.

Shares Subject to Properly Exercised Appraisal Rights

The shares of Nutrisystem common stock that are issued and outstanding immediately prior to the closing of the Merger and held by Nutrisystem stockholders who do not vote for adoption of the Merger Agreement and who otherwise properly exercise and perfect appraisal rights for their shares in accordance with the DGCL will not be converted into the right to receive the Merger Consideration to which they would otherwise be entitled pursuant to the Merger Agreement, but will instead be entitled to payment by the surviving corporation of such consideration as may be determined to be due with respect to such shares pursuant to and subject to the requirements of the DGCL. If any Nutrisystem stockholder fails to perfect or otherwise waives, withdraws or loses the right to appraisal under the DGCL with respect to such stockholder's shares of Nutrisystem common stock, then the right of such holder to seek appraisal of such shares will cease and such shares will be deemed to have been converted as of the Effective Time into, and to have become exchangeable solely for, the right to receive the Merger Consideration as described above.

Procedures for Surrendering Nutrisystem Stock Certificates

The conversion of Nutrisystem common stock into the right to receive the Merger Consideration will occur automatically at completion of the Merger. Prior to completion of the Merger, Tivity Health will appoint an exchange agent reasonably acceptable to Nutrisystem to handle the exchange of certificates or book-entry shares representing shares of Nutrisystem common stock for the Merger Consideration. Tivity Health will deposit or make available as needed the cash and shares of Tivity Health common stock comprising the Merger Consideration payable in respect of Nutrisystem common stock (except for Excluded Shares and shares with respect to which appraisal rights have been properly exercised in accordance with the DGCL). Promptly after completion of the Merger, Tivity Health will, or will cause the exchange agent to, send a letter of transmittal to each person who is a record holder of Nutrisystem common stock at completion of the Merger for use in the exchange and instructions explaining how to surrender

Nutrisystem stock certificates or transfer uncertificated shares of Nutrisystem common stock to the exchange agent.

Table of Contents

Nutrisystem stockholders who submit a properly completed letter of transmittal, together with their share certificates (in the case of certificated shares) or other evidence of transfer requested by the exchange agent (in the case of book-entry shares), will receive the Merger Consideration into which the shares of Nutrisystem common stock were converted in the Merger. The shares of Tivity Health common stock constituting part of such Merger Consideration will be delivered to Nutrisystem stockholders in book-entry form unless a physical certificate is requested by a Nutrisystem stockholder or otherwise required under applicable law. After completion of the Merger, each certificate that previously represented shares of Nutrisystem common stock and each uncertificated share of Nutrisystem common stock that previously was registered to a holder on Nutrisystem's stock transfer books will only represent the right to receive the Merger Consideration into which those shares of Nutrisystem common stock have been converted.

Neither Tivity Health nor Nutrisystem will be responsible for transfer or other similar taxes and fees incurred by holders of Nutrisystem common stock in connection with the Merger. Those taxes and fees, if any, will be the sole responsibility of such holders. In addition, if there is a transfer of ownership of Nutrisystem common stock that is not registered in the records of Nutrisystem's transfer agent, payment of the Merger Consideration as described above will be made to a person other than the person in whose name the certificate or uncertificated share so surrendered is registered only if the certificate is properly endorsed or otherwise is in proper form for transfer or the uncertificated shares are properly transferred, and the person requesting the exchange must pay to the exchange agent any transfer or other taxes to be paid or satisfy the exchange agent that any transfer or other taxes have been paid or that no payment of those taxes is necessary.

After completion of the Merger, Tivity Health will not pay dividends with a Record Date after completion of the Merger to any holder of any Nutrisystem stock certificates or uncertificated shares of Nutrisystem common stock until the holder surrenders or transfers the Nutrisystem stock certificates or uncertificated shares of Nutrisystem common stock. However, once those certificates or uncertificated shares of Nutrisystem common stock are surrendered or transferred, Tivity Health will pay to the holder, without interest, any dividends that have been declared after completion of the Merger on the shares of Tivity Health common stock into which those Nutrisystem common stock have been converted. However, Tivity Health has never declared or paid a cash dividend on its common stock, and does not expect to declare or pay any cash dividends in the foreseeable future.

Treatment of Nutrisystem Equity Awards

Stock Options. Each option to purchase shares of Nutrisystem common stock that is outstanding immediately prior to the Effective Time and is vested as of immediately prior to the Effective Time will be cancelled and converted as of immediately prior to the Effective Time into the right to receive in respect of each Net Option Share, if any, subject to such Nutrisystem stock option, an amount in cash equal to the Merger Consideration Value, except that each Nutrisystem stock option with an exercise price equal to or greater than the Merger Consideration Value will be cancelled for no consideration. For purposes of this proxy statement/prospectus, **Net Option Share** means, with respect to a Nutrisystem stock option, the quotient obtained by dividing (i) the product obtained by multiplying (A) the excess, if any, of the Merger Consideration Value over the exercise price per share of Nutrisystem common stock subject to such Nutrisystem stock option immediately prior to the Effective Time by (B) the number of shares of Nutrisystem common stock subject to such Nutrisystem stock option immediately prior to the Effective Time by (ii) the Merger Consideration Value. For purposes of this proxy statement/prospectus, **Merger Consideration Value** means the sum of (1) the Cash Consideration and (2) the product of (x) the Exchange Ratio and (y) the Tivity Health Closing Stock Price.

Company Restricted Stock Awards. Each award of restricted shares of Nutrisystem common stock that is outstanding immediately prior to the Effective Time will, by virtue of the Merger and without further action on the part of the holder thereof, be assumed by Tivity Health and converted, as of the Effective Time, into an award of shares of

restricted Tivity Health common stock subject to vesting, repurchase or other restrictions with the same terms and conditions as applied to each such Nutrisystem restricted stock award immediately prior to the Effective Time (including terms relating to vesting protection and the payout of accrued and future dividends (if

any) or other distribution equivalents), and relating to the number of shares of Tivity Health common stock equal the product of (x) the number of shares of Nutrisystem common stock that were subject to such Nutrisystem restricted stock award immediately prior to the Effective Time, multiplied by (y) the sum of (i) the Exchange Ratio, plus (ii) the quotient of (A) the Cash Consideration, divided by (B) the Tivity Health Closing Stock Price, rounded to the nearest one thousandth, with the result rounded to the nearest whole number of shares of Tivity Health common stock.

Company Performance-Based Restricted Stock Units. Each award of performance-based restricted stock units with respect to shares of Nutrisystem common stock (A) designated as a Special 2016 Performance-Based Restricted Stock Unit, (B) granted with respect to the 2017-2018 performance period or (C) granted with respect to the 2018-2019 performance period, in each case, that is outstanding immediately prior to the Effective Time will, by virtue of the Merger and without further action on the part of the holder thereof, be assumed by Tivity Health and converted, as of the Effective Time, into a time-vesting restricted stock unit award covering a number of shares of Tivity Health common stock equal to the product of (i) either (x) for each performance-based restricted stock unit granted with respect to the 2017-2018 performance period, the number of shares that may be earned under such award based on actual performance as of immediately prior to the Effective Time relative to the previously established performance metrics applicable thereto as determined by the Nutrisystem Board (or an authorized committee thereof) prior to the Effective Time, or (y) for each performance-based restricted stock unit designated as a Special 2016 Performance-Based Restricted Stock Unit or granted with respect to the 2018-2019 performance period, the maximum number of shares of Nutrisystem common stock that may be earned under such awards as of immediately prior to the Effective Time, assuming maximum performance levels were achieved, multiplied by (ii) the sum of (a) the Exchange Ratio, plus (b) the quotient of (1) the Cash Consideration, divided by (2) the Tivity Health Closing Stock Price, rounded to the nearest one thousandth, with the result rounded to the nearest whole number of shares of Tivity Health common stock. Each assumed performance unit award will continue to have, and will be subject to, the same terms and conditions as applied to the corresponding underlying award, as the case may be, immediately prior to the Effective Time (including terms relating to vesting protection and the payout of accrued and future dividends (if any) or other distribution equivalents, and other than with respect to performance metrics thereunder).

Listing of Tivity Health Stock

Tivity Health must file a notification of listing of additional shares (or such other form as may be required) with Nasdaq with respect to the shares of Tivity Health common stock to be issued in the Merger and such other shares of Tivity Health common stock to be reserved for issuance in connection with the Merger, and must use its reasonable best efforts to cause the shares of Tivity Health common stock to be issued in the Merger and such other shares of Tivity Health common stock to be reserved for issuance in connection with the Merger to be approved for listing on Nasdaq, subject to official notice of issuance, prior to the effectiveness of the Merger. Approval for listing on the Nasdaq of the shares of Tivity Health common stock issuable to Nutrisystem stockholders in the Merger and such other shares of Tivity Health common stock to be reserved for issuance in connection with the Merger, subject only to official notice of issuance, is a condition to the obligations of Tivity Health and Nutrisystem to complete the Merger.

Representations and Warranties

The Merger Agreement contains a number of representations and warranties made by both Tivity Health and Nutrisystem that are subject in some cases to exceptions and qualifications (including exceptions that are not material to the party making the representations and warranties and its subsidiaries, taken as a whole, and exceptions that do not have, and would not reasonably be expected to have, individually or in the aggregate, a material adverse effect on the party making the representations and warranties). Table of Contents

For purposes of the Merger Agreement, material adverse effect means, with respect to Tivity Health or Nutrisystem, as the case may be, any event, change, circumstance or effect that, individually or in the aggregate with any other event, change, circumstance or effect, has had, or would reasonably be expected to have, a material adverse effect on the business, results of operations or financial condition of the applicable party, taken as a whole. However, none of the following changes or events will be deemed to constitute, or be taken into account when determining the occurrence of, a material adverse effect with respect to either Tivity Health or Nutrisystem:

any changes in general United States or global economic conditions;

any changes in conditions generally affecting any industry in which the applicable party or any of its subsidiaries operates;

any decline in the market price or trading volume of the applicable party's common stock (but any facts or occurrences giving rise to or contributing to that decline that are not otherwise excluded from the definition of material adverse effect may be deemed to constitute, or be taken into account when determining the occurrence of, a material adverse effect);

any changes in tax, regulatory, legislative or political conditions or securities, credit, financial, debt or other capital markets conditions, including interest or currency exchange rates;

any failure, in and of itself, by the applicable party to meet any internal or published projections, forecasts, estimates or predictions, or analysts' estimates, in respect of revenues, earnings or other financial or operating metrics for any period (but any facts or occurrences giving rise to or contributing to that decline that are not otherwise excluded from the definition of material adverse effect may be deemed to constitute, or be taken into account when determining the occurrence of, a material adverse effect);

(1) the execution and delivery of the Merger Agreement or the public announcement or pendency of the Merger Agreement, the Merger or the taking of any action required or contemplated by the Merger Agreement or the identity of, or any facts or circumstances relating to any other party to the Merger Agreement or that other party's subsidiaries, including the impact of any of the foregoing on the relationships, contractual or otherwise, of the applicable party or any of its subsidiaries with customers, suppliers, officers or employees, (2) any actions taken by the applicable party with the express written consent of the other party that are otherwise expressly prohibited by the Merger Agreement, or (3) any actions omitted to be taken by the applicable party that are expressly prohibited by the Merger Agreement, if the applicable party has requested the consent of the other party to take such action and the other party withholds its consent thereto;

any adoption, implementation, promulgation, repeal, modification, amendment, reinterpretation, change or proposal of any law;

any of the matters set forth in the confidential disclosure schedules delivered to the other party concurrently with execution of the Merger Agreement; or

any litigation relating to the Merger;
except, in the case of the events, changes, developments or occurrences referred to in the first, second, fourth, seventh, eighth, ninth and tenth bullet points in the immediately preceding list, to the extent that those events,

changes, developments or occurrences have a materially disproportionate adverse effect on that party and its subsidiaries, taken as a whole, relative to the adverse effect those changes, developments or occurrences have on other companies operating in the applicable party's industry.

In addition, (i) with respect to Nutrisystem, when determining whether a material adverse effect has occurred, the termination of employment of or by any of Nutrisystem's executive officers or other employees after the public announcement of the Merger Agreement will not be taken into account; and (ii) with respect to Tivity Health, when determining whether a material adverse effect has occurred, whether an event, change, circumstance or effect, that, individually or in the aggregate with any other event, change, circumstance or effect materially impairs, or would reasonably be expected to materially impair, the ability of the applicable party to perform their respective obligations hereunder or prevent or materially delay the consummation of the Merger or the other transactions contemplated by the Merger Agreement will be taken into account.

Obligations with Respect to the Nutrisystem Special Meeting

As soon as reasonably practicable following the date this registration statement is declared effective by the SEC and the SEC advises that it has no further comments on this proxy statement/prospectus or that Nutrisystem

Table of Contents

may commence mailing this proxy statement/prospectus (and in no event later than 45 days after the commencement of the mailing of this proxy statement/prospectus to the stockholders of Nutrisystem), Nutrisystem will, in accordance with applicable law, the rules and regulations of Nasdaq and its certificate of incorporation and bylaws, establish a Record Date (with prior consultation with Tivity Health) for, call, give notice of, convene and hold a meeting of the stockholders of Nutrisystem for the purpose of seeking the Requisite Stockholder Vote. However, in certain circumstances set forth in the Merger Agreement, but subject to the limitations set forth therein, Nutrisystem may (a) extend the date of the Nutrisystem special meeting to the extent Nutrisystem determines in good faith that such delay is reasonably necessary in order to conduct business at the Nutrisystem special meeting or to obtain proxies representing a sufficient number of shares of Nutrisystem common stock to obtain the Requisite Stockholder Vote, (b) delay the stockholders meeting to the extent (and only to the extent) Nutrisystem determines in good faith that such delay is required by applicable law, (c) delay the Nutrisystem special meeting to ensure that any supplement or amendment to this proxy statement/prospectus required under applicable law is timely provided to the Nutrisystem stockholders within a reasonable amount of time in advance of the Nutrisystem special meeting and/or (d) delay the Nutrisystem special meeting to the extent that Tivity Health provides its prior written consent (not to be unreasonably withheld, conditioned or delayed).

Unless Nutrisystem has effected a Change of Board Recommendation (as defined below), Nutrisystem has agreed to use its reasonable best efforts to solicit from its stockholders proxies in favor of the adoption of the Merger Agreement in accordance with Delaware law and to use its reasonable best efforts to secure the Requisite Stockholder Vote at the Nutrisystem special meeting. Nutrisystem has agreed to keep Tivity Health reasonably informed regarding its solicitation efforts and proxy tallies following the mailing of this proxy statement/prospectus, including by allowing Tivity Health to participate in meetings and discussions with Nutrisystem and its proxy solicitor and by directing such proxy solicitor to provide regular reports to Tivity Health.

Even in circumstances where Nutrisystem has effected a Change of Board Recommendation, Nutrisystem is nonetheless required to submit the Merger Agreement to Nutrisystem's stockholders at the Nutrisystem special meeting, unless the Merger Agreement has been terminated in accordance with its terms. Once Nutrisystem has established a Record Date for the Nutrisystem special meeting, Nutrisystem will not change such Record Date or establish a different Record Date without the prior written consent of Tivity Health, which may not be unreasonably withheld, conditioned or delayed. Without the prior written consent of Tivity Health, which may not be unreasonably withheld, conditioned or delayed, the adoption of the Merger Agreement will be the only matter (other than related procedural matters, including those described in Special Meeting of Stockholders of Nutrisystem beginning on page 59 of this proxy statement/prospectus) that Nutrisystem will propose to be acted on by Nutrisystem's stockholders at the Nutrisystem special meeting.

No Solicitation of Alternative Proposals; Changes in Board Recommendation

Pursuant to the Merger Agreement, Nutrisystem agreed, effective immediately upon the signing of the Merger Agreement, to cease and cause to be terminated all discussions or negotiations existing as of December 9, 2018 with any other parties that may have been ongoing with respect to an Acquisition Proposal.

For purposes of the Merger Agreement and as used in this proxy statement/prospectus, the term **Acquisition Proposal** means any proposal or offer from any person (other than Tivity Health or any of its subsidiaries or affiliates or any of their respective representatives) relating to, or that would reasonably be expected to lead to, (1) any direct or indirect acquisition or purchase, in one transaction or a series of related transactions, of assets (including equity securities of any subsidiary of Nutrisystem) or businesses that constitute 20% or more of the assets of Nutrisystem and its subsidiaries, taken as a whole, or 20% or more of any class of equity securities of Nutrisystem, (2) any tender offer or exchange offer that if consummated would result in any person or group of persons beneficially owning (as defined

under Section 13(d) of the Exchange Act) securities of Nutrisystem representing 20% or more of the aggregate voting power of all securities of Nutrisystem, or (3) any transaction, including any merger, consolidation, business combination, recapitalization, liquidation, dissolution, joint venture, share exchange or similar transaction involving Nutrisystem or any of its subsidiaries,

Table of Contents

in each case, pursuant to which any person (other than Nutrisystem or any of its subsidiaries) would own securities of Nutrisystem or of any resulting direct or indirect parent company of Nutrisystem representing 20% or more of the aggregate voting power of all securities of Nutrisystem or of any resulting direct or indirect parent company of Nutrisystem.

From December 9, 2018 until the earlier of the Effective Time or the termination of the Merger Agreement in accordance with its terms, subject to certain exceptions described below, Nutrisystem has agreed that it and its subsidiaries will not, and will instruct each of its representatives not to, directly or indirectly:

whether publicly or otherwise, initiate or solicit the submission of any offer, inquiry, proposal or indication of interest that constitutes, or would reasonably be expected to lead to, any Acquisition Proposal;

furnish to any third party any non-public information relating to Nutrisystem or any of its subsidiaries, or afford to any third party access to the business, books, records or other non-public information, or to any personnel, of Nutrisystem or any of its subsidiaries, in any such case with the intent to encourage or induce the making, submission or announcement of any offer, inquiry, proposal or indication of interest that constitutes, or would reasonably be expected to lead to, any Acquisition Proposal;

enter into, conduct, participate, maintain or engage in any discussions or negotiations with any third party with respect to any offer, inquiry, proposal or indication of interest that constitutes, or would reasonably be expected to lead to, any Acquisition Proposal (other than solely to (x) inform any third party of the existence of the provisions of Merger Agreement prohibiting solicitation of Acquisition Proposals or (y) seek clarification regarding the terms or conditions of any offer, inquiry, proposal or indication of interest);

withdraw (or qualify, amend or modify in any manner adverse to Tivity Health or Merger Sub) its recommendation that the stockholders of Nutrisystem adopt the Merger Agreement;

effect a **Change of Board Recommendation** , which is defined to mean:

any failure to include its recommendation that the stockholders of Nutrisystem adopt the Merger Agreement in this proxy statement/prospectus;

if a tender offer or exchange offer that constitutes any Acquisition Proposal is commenced, any failure to publicly recommend against acceptance of such tender offer or exchange offer by Nutrisystem's stockholders by the close of business on the 10th business day after the commencement of such offer;

any failure to publicly reaffirm its recommendation that the stockholders of Nutrisystem adopt the Merger Agreement within 10 business days following Tivity Health's reasonable written request for the same; or

entry into any letter of intent, memorandum of understanding, agreement in principle or other similar document, or any contract providing for any Acquisition Proposal or requiring Nutrisystem to abandon, terminate or fail to consummate, the Merger.

Receipt of Acquisition Proposals

Notwithstanding the provisions of the Merger Agreement described above, if, prior to obtaining the Requisite Stockholder Vote, (i) Nutrisystem receives a bona fide written Acquisition Proposal that was not solicited in violation of the non-solicitation provisions of the Merger Agreement, (ii) the Nutrisystem Board determines in good faith, after consultation with the financial advisor and outside legal counsel of Nutrisystem, that it constitutes, or would reasonably be expected to lead to, a Superior Proposal (as defined below), and (iii) the Nutrisystem Board determines in good faith, after consultation with the financial advisor and outside legal counsel of Nutrisystem that the failure to take the actions contemplated by this sentence would be

Table of Contents

reasonably likely to be inconsistent with its fiduciary duties under applicable law, Nutrisystem and its representatives may, in response to such acquisition proposal:

furnish information with respect to the Nutrisystem and its subsidiaries, and afford access to the business, books, records or other non-public information, or to any personnel, of Nutrisystem or any of its subsidiaries, to the third party making such offer, inquiry, proposal or indication of interest, its representatives and potential sources of financing, and

enter into, conduct, participate, maintain or engage in discussions or negotiations with the third party making such offer, inquiry, proposal or indication of interest, its representatives and potential sources of financing regarding such offer, inquiry, proposal or indication of interest,

in each case, only if (1) Nutrisystem gives Tivity Health a written notice that states that Nutrisystem has received such offer, inquiry, proposal or indication of interest and includes certain other information with respect thereto as required by the Merger Agreement, and thereafter continues to comply with the related requirements of the Merger Agreement, (2) prior to furnishing any non-public information to such person, Nutrisystem enters into a confidentiality agreement with such person on terms not materially less favorable to Nutrisystem than the terms set forth in the confidentiality agreement between Nutrisystem and Tivity Health (except that the confidentiality agreement need not contain a standstill or similar provision) and (3) prior to or substantially contemporaneously with or within 24 hours following the provision of any non-public information concerning Nutrisystem or its subsidiaries to any such person, Nutrisystem provides such information to Tivity Health (if such information has not previously been furnished to Tivity Health or its representatives).

For the purposes of the Merger Agreement and as used in this proxy statement/prospectus, the term **Superior Proposal** means any *bona fide* written Acquisition Proposal, not solicited in violation of the Merger Agreement, which the Nutrisystem Board determines in good faith, after consultation with its financial advisor and outside legal counsel, is more favorable to the stockholders of Nutrisystem from a financial point of view than the Merger, taking into consideration likelihood of consummation and such other factors determined by the Nutrisystem Board in good faith to be relevant, except that each reference to 20% set forth in the definition of Acquisition Proposal will be replaced with a reference to 50% .

In addition to its other non-solicitation obligations, Nutrisystem has agreed to promptly (and in any event no later than 24 hours) following the receipt by Nutrisystem, any of its subsidiaries or any of their representatives of (i) any Acquisition Proposal, or (ii) any request for information or to engage in negotiations or discussion that would reasonably be expected to lead to an Acquisition Proposal, provide Tivity Health notice of:

- (A) the receipt of such Acquisition Proposal, request or inquiry;
- (B) the identity of the third party making, and the material terms and conditions of, such Acquisition Proposal, request or inquiry; and
- (C) a copy of all material written proposed agreements provided by such third party in connection with such Acquisition Proposal, request or inquiry.

Nutrisystem has agreed to keep Tivity Health reasonably informed, on a prompt basis, of the status of, and the material terms and conditions of, such Acquisition Proposal, indication or request (including any changes thereto) and

to promptly (but in no event later than 24 hours after receipt) provide to Tivity Health copies of all material materials sent to or provided to Nutrisystem or any of its subsidiaries by or on behalf of such third party making such Acquisition Proposal that describe any material terms or conditions of any Acquisition Proposal (as well as written summaries of any material oral communications addressing such matters), in each case to the extent not previously provided.

Notwithstanding anything in the Merger Agreement to the contrary, but subject to compliance with match rights described below, at any time prior to the receipt of the Requisite Stockholder Vote, the Nutrisystem Board

Table of Contents

may effect a Change of Board Recommendation (and, in the case of a Superior Proposal, may terminate the Merger Agreement in order to enter into a definitive agreement providing for a Superior Proposal) in response to either (x) any material change, development or occurrence that was not known or reasonably foreseeable to the Nutrisystem Board as of December 9, 2018 (or, if known or reasonably foreseeable to the Nutrisystem Board at such time, the consequences of such change, development or occurrence were not then known or reasonably foreseeable) and does not relate to or involve an Acquisition Proposal, which is referred to in this proxy statement/prospectus as an **Intervening Event**, or (y) a Superior Proposal. Prior to effecting a Change of Board Recommendation or terminating the Merger Agreement in order to enter into a definitive agreement providing for a Superior Proposal, (i) Nutrisystem must have provided Tivity Health at least four business days prior written notice of its intent to take such action which notice must state expressly that (A) Nutrisystem has received a Superior Proposal or an Intervening Event has occurred, (B) in the case of a Superior Proposal, the material terms and conditions of such Superior Proposal and the identity of the third party making such Superior Proposal, or in the case of an Intervening Event, the material facts and circumstances related to such Intervening Event, and (C) that it intends to effect a Change of Board Recommendation or terminate the Merger Agreement in order to enter into a definitive agreement with respect to a Superior Proposal, (ii) if requested by Tivity Health, during such four business day period, Nutrisystem and its representatives have discussed and negotiated in good faith with Tivity Health regarding any written proposal by Tivity Health to amend the terms of the Merger Agreement, and (iii) after such period, the Nutrisystem Board determines in good faith, after consultation with outside legal counsel and taking into account any binding proposal by Tivity Health to amend the terms of the Merger Agreement, that the failure by the Nutrisystem Board to take the proposed action would still be reasonably likely to be inconsistent with its fiduciary duties under applicable law. Any material amendment to the material terms of such Superior Proposal requires a new written notification from Nutrisystem and commences a new notice period under the preceding sentence, except that such new notice period will be for two business days rather than four business days.

Consents, Approvals and Filings

Tivity Health and Nutrisystem have agreed to use their reasonable best efforts to take, or cause to be taken, and to do, or cause to be done, as promptly as practicable, all actions necessary, proper or advisable to consummate the Merger as promptly as practicable, including to use reasonable best efforts to (i) prepare and file all filings required to be made under the HSR Act or any other antitrust laws, (ii) obtain all consents, orders, actions or nonactions, required under the HSR Act or any other applicable law, and (iii) obtain all necessary consents and make all filings from non-governmental entity third parties; provided that, in each case, in no event will Nutrisystem or its subsidiaries be obligated to pay or to commit to pay to any person whose consent or waiver is being sought any cash or other consideration, or make any accommodation or commitment or incur any liability or other obligation to such person in connection with such consent or waiver. The parties have agreed that Tivity Health's and Merger Sub's obligation to use reasonable best efforts to take, or cause to be taken, and to do, or cause to be done, all actions necessary, proper or advisable to consummate the Merger as promptly as practicable includes the obligation for Tivity Health and Merger Sub to expeditiously comply with any requests or inquiries for additional information or documentation (including any second request) by any governmental entity and to enter into or agree to divestitures, hold separate arrangements, the termination, assignment, novation or modification of contracts or other business relationships, the acceptance of restrictions on business operations, the entry into other commitments and limitations, and litigation, including with governmental entities, to obtain the approvals, consents, orders, registrations, permits, authorizations and other confirmations described herein so long as such actions would not have, individually or in the aggregate, a material adverse effect on the business, results of operations or financial condition of Tivity Health and its subsidiaries, taken as a whole, or Nutrisystem and its subsidiaries, taken as a whole.

Tivity Health and Nutrisystem have also agreed to use their reasonable best efforts to (1) cooperate and coordinate in the taking of actions in connection with the consents, approvals, filings, orders, actions or nonactions required or

necessary to consummate the Merger, (2) provide such assistance as the other party may reasonably request in connection with such consents, approvals, filings, orders, actions or nonactions required or

Table of Contents

necessary to consummate the Merger, including supplying one another with any information that the other party may reasonably request in connection with such actions, and (3) keep the other party reasonably and timely informed of any developments, meetings or discussions with any governmental entity under any antitrust laws, and any inquiries or requests for additional information from any governmental entity under any antitrust laws. Both Tivity Health and Nutrisystem have agreed that if either party receives a request for additional information or documentary material from any governmental entity under any antitrust laws with respect to the Merger or the other transactions contemplated in the Merger Agreement, then such party will use reasonable best efforts to make, or cause to be made, as promptly as reasonably practicable and after consultation with the other party, an appropriate response in compliance with such request. In addition, to the extent practicable, neither of the parties will agree to participate in any substantive meeting or conference with any governmental entity, or any member of the staff of any governmental entity, with respect of any filing, proceeding, investigation, litigation, or other inquiry under any antitrust laws unless it consults with the other party in advance and, where permitted by such governmental entity, allows the other party to participate. To the extent reasonably practicable, legal counsel for Tivity Health and Nutrisystem will have the right to review in advance, and will consult with the other party on and consider in good faith the views of the other party in connection with, all of the information relating to Tivity Health and Nutrisystem, as the case may be, and any of their respective subsidiaries and representatives, that appears in any filing made with, or written materials submitted to, any third party or governmental entity in connection with the consummation of the Merger and the other transactions contemplated by the Merger Agreement. Tivity Health and Nutrisystem also agree not to voluntarily extend any waiting period associated with any consent of any governmental entity or enter into any agreement with any governmental entity not to consummate the Merger and the other transactions contemplated by the Merger Agreement, except with the prior written consent of the other parties to the Merger Agreement.

Tivity Health has agreed not to, directly or indirectly, acquire, purchase, lease or license (or agree to acquire, purchase, lease or license) any business or any corporation, partnership, association or other business organization or division or part thereof, or any securities or collection of assets, or take any other action, if doing so would reasonably be expected to: (i) impose any material delay in the obtaining of, or materially increase the risk of not obtaining, any consent, action or nonaction, waiver, clearance or exemption of any governmental entity necessary to consummate the Merger and the other transactions contemplated by the Merger Agreement or the expiration or termination of any applicable waiting period; (ii) materially increase the risk of any governmental entity seeking entry of an order preventing, restraining, impeding, delaying, enjoining or otherwise prohibiting the consummation of the Merger and the other transactions contemplated by the Merger Agreement; (iii) materially increase the risk of not being able to remove any such order on appeal or otherwise; or (iv) prevent or materially delay the consummation of the Merger and the other transactions contemplated by the Merger Agreement.

Financing and Financing Cooperation*Tivity Health Obligations to Obtain Financing*

Each of Tivity Health and Merger Sub has agreed to use its reasonable best efforts to take, or cause to be taken, all actions and to do, or cause to be done, all things necessary to complete and obtain the Financing on the terms and conditions described in the Debt Commitment Letter, including: (i) to maintain in effect the Debt Commitment Letter, (ii) to negotiate and enter into the definitive agreements with respect thereto on the terms and conditions contained in the Debt Commitment Letter (including, as necessary, the flex provisions contained in any related fee letter) or on other terms and conditions agreed by Tivity Health, Nutrisystem and the financing sources by the closing, (iii) to satisfy or cause to be satisfied on a timely basis all conditions to obtaining the Financing within Tivity Health's control and (iv) to comply with all of its obligations pursuant to the Debt Commitment Letter and the definitive agreements related thereto, in the case of this clause (iv), to the extent the failure to comply with such obligations would reasonably be expected to (x) adversely affect or materially delay the ability of Tivity Health or Merger Sub to

consummate timely the Merger and the other the transactions contemplated by the Merger Agreement or (y) make the timely funding of the Financing or the

Table of Contents

satisfaction of the conditions to obtaining the Financing less likely to occur. In the event that all conditions to funding the commitments contained in the Debt Commitment Letter have been satisfied, each of Tivity Health and Merger Sub must use its reasonable best efforts to cause the financing sources to fund the Financing required to consummate the transactions contemplated by the Merger Agreement and to pay related fees and expenses on the closing date. See

Proposal I: The Merger Financing of the Merger beginning on page 95 of this proxy statement/prospectus.

Tivity Health has agreed to give Nutrisystem prompt notice of, among other things, (i) any material breach or default by any party to the Debt Commitment Letter or the definitive agreements related thereto of which Tivity Health has become aware, or of any termination of the Debt Commitment Letter or such definitive agreements and (ii) the receipt of any written notice or other written communication, in each case received from any financing source with respect to any (1) material breach of Tivity Health's or Merger Sub's obligations under the Debt Commitment Letter or the definitive agreements related thereto, or default, termination or repudiation by any party to the Debt Commitment Letter or the definitive agreements related thereto or (2) material dispute between or among any parties to the Debt Commitment Letter or the definitive agreements related thereto or any provisions of the Debt Commitment Letter, in each case, to the extent any of the foregoing would reasonably be expected to (x) adversely affect or materially delay the ability of Tivity Health or Merger Sub to consummate timely the Merger and the other transactions contemplated by the Merger Agreement or (y) make the timely funding of the Financing or the satisfaction of the conditions to obtaining the Financing less likely to occur.

If any portion of the Financing contemplated by the Debt Commitment Letter becomes unavailable, Tivity Health and Merger Sub must (i) use their reasonable best efforts to obtain alternative debt financing from alternative debt sources as promptly as practicable in an amount sufficient to complete the transactions contemplated by the Merger Agreement and (ii) promptly notify Nutrisystem of such unavailability and the reason for such unavailability.

Tivity Health and Merger Sub may not, without Nutrisystem's prior written consent (not to be unreasonably withheld, conditioned or delayed), permit any amendment or modification to, or any waiver of any provision or remedy under, any Debt Commitment Letter or any of the definitive financing agreements unless the terms of such Debt Commitment Letter or definitive financing agreements, in each case as so amended, modified or waived, are substantially similar to those in such Debt Commitment Letter or definitive financing agreement prior to giving effect to such amendment, modification or waiver (other than economic terms, which must be as good as or better for Tivity Health and Merger Sub as those in the Debt Commitment Letter or definitive financing agreement relating thereto prior to giving effect to such amendment, modification or waiver). However, in the case of amendments or modifications of the Debt Commitment Letter or any of the definitive financing agreements, the foregoing will only apply if such amendment or modification (i) could reasonably be expected to (A) adversely affect the ability or likelihood of Tivity Health or Merger Sub timely completing the transactions contemplated by the Merger Agreement or (B) make the timely funding of the debt financing or the satisfaction of the conditions to obtaining the Financing less likely to occur, (ii) reduces the amount of the Financing or (iii) adversely affects the ability of Tivity Health or Merger Sub to enforce their rights against other parties to the Debt Commitment Letter or any of the definitive financing agreements.

Cooperation of Nutrisystem

Nutrisystem has agreed to, and to cause its subsidiaries to use, its reasonable best efforts to provide such cooperation as may be reasonably requested by Tivity Health in connection with the arrangement of any financing to be completed in connection with the Merger, so long as such requested cooperation does not unreasonably interfere with the ongoing operations of Nutrisystem and its subsidiaries, including, among other things, to:

as promptly as reasonably practicable, provide information (financial or otherwise) relating to Nutrisystem and its subsidiaries to the persons providing the Financing to the extent reasonably requested by Tivity Health to assist in preparation of customary offering or informational documents to be used for completion of the Financing;

Table of Contents

cooperate and assist with the due diligence, rating agency processes and marketing efforts of Tivity Health, its representatives and the financing sources;

reasonably assist in the preparation of customary offering memoranda, rating agency presentations, lender presentations, financial statements, private placement memoranda, prospectuses and other similar documents, including by furnishing certain financial statements of Nutrisystem;

make available, on a customary and reasonable basis and upon reasonable notice, appropriate personnel, documents and information relating to Nutrisystem and its subsidiaries, in each case, as may be reasonably requested by Tivity Health or the financing sources, or as may be requested by the SEC, in connection with the completion of the Financing;

provide to Tivity Health and the financing sources promptly all documentation and other information about Nutrisystem and its affiliates required by the financing sources or regulatory authorities with respect to the Financing under applicable know your customer and anti-money laundering rules and regulations, including the PATRIOT Act, that is required under the Debt Commitment Letter;

obtain any necessary consents from auditors in connection with any filings with the SEC;

obtain customary legal opinions, financing accountants' comfort letters and consents of accountants for use of their reports in any materials relating to the Financing and in connection with any filings required to be made by Tivity Health pursuant to the Securities Act or the Exchange Act;

subject to customary confidentiality provisions, provide customary authorization letters to the financing sources authorizing the distribution of information to prospective lenders or investors;

obtain customary payoff letters and instruments of discharge to be delivered at completion of the Merger to allow for the payoff, discharge and termination in full on such date of Nutrisystem's existing credit facility;

reasonably assist with the pledging of collateral and the preparation of the definitive documentation for the Financing or the alternative financing; and

consent to the use of the trademarks, service marks and logos of Nutrisystem or any of its subsidiaries in connection with the Financing.

The Merger Agreement provides that Tivity Health will, promptly upon request by Nutrisystem, reimburse Nutrisystem for all reasonable and documented out-of-pocket costs and expenses (including reasonable attorneys' fees) incurred by Nutrisystem or any of its subsidiaries in connection with their cooperation in connection with Tivity Health's acquisition-related financing activities. Tivity Health and Merger Sub have also agreed to, on a joint and several basis, indemnify and hold harmless Nutrisystem, its subsidiaries, and their respective representatives from and

against any and all liabilities, losses, damages, claims, costs expenses (including reasonable attorneys fees), interest, awards, judgments and penalties suffered or incurred in connection with any financing or other securities offering of Tivity Health or its subsidiaries or any assistance or activities provided in connection therewith.

Employee Matters

The Merger Agreement provides that during the Continuation Period, the surviving corporation will provide, or cause to be provided, for those employees of Nutrisystem and its subsidiaries who continue as employees of the surviving corporation or any of its subsidiaries during all or a portion of the Continuation Period, compensation (including base salary, bonus, commission-based and other incentive compensation opportunities) and employee benefits that, in the aggregate, with respect to each Continuing Employee, are not less favorable than the compensation and employee benefits provided by Nutrisystem or the applicable subsidiary to such Continuing Employee immediately prior to the Effective Time (except that the base salary of each Continuing Employee will not be reduced during the Continuation Period).

Table of Contents

Tivity Health has agreed that the surviving corporation will (i) waive, or cause to be waived, any applicable pre-existing condition exclusions and waiting periods with respect to participation and coverage requirements in any replacement or successor welfare benefit plan of the surviving corporation in which a Continuing Employee is eligible to participate following the Effective Time to the extent such exclusions or waiting periods were inapplicable to, or had been satisfied by, such Continuing Employee immediately prior to the Effective Time under the analogous Nutrisystem benefit plan in which such Continuing Employee participated, (ii) provide, or cause to be provided, each Continuing Employee with credit for any co-payments and deductibles paid prior to the Effective Time (to the same extent such credit was given under the analogous Nutrisystem benefit plan prior to the Effective Time) in satisfying any applicable deductible or out-of-pocket requirements, and (iii) recognize, or cause to be recognized, service prior to the Effective Time with Nutrisystem or any of its subsidiaries for purposes of eligibility to participate, vesting, determination of level of benefits and benefits accrual to the same extent such service was recognized by Nutrisystem or any of its subsidiaries under the analogous Nutrisystem benefit plan in which such Continuing Employee participated immediately prior to the Effective Time, except that the foregoing will not apply to the extent it would result in any duplication of benefits for the same period of service and the surviving corporation will not be obligated to provide credit for years of service for benefit accrual purposes under any defined benefit pension plan maintained by the surviving corporation or its subsidiaries prior to the date on which the Continuing Employee actually becomes a participant in such plan (it being understood that the surviving corporation must in all cases provide credit for years of service for benefit accrual purposes in accordance with the terms and conditions of each such defined benefit pension plan as in effect immediately prior to the Effective Time).

From and after the Effective Time, Tivity Health will honor and will cause its subsidiaries to honor, in accordance with its terms (1) each employment, change in control, severance and termination protection plan, policy or agreement of or between Nutrisystem or any of its subsidiaries and any current or former officer, director or employee as in effect on December 9, 2018 or adopted thereafter in compliance with the Merger Agreement, (2) all obligations in effect as of the Effective Time under any equity-based or bonus plans, programs or agreements of Nutrisystem or any of its subsidiaries, and (3) all obligations in effect as of the Effective Time pursuant to outstanding retention plans, programs or agreements, and all vested and accrued benefits under any employee benefit, employment compensation or similar plans, programs, agreements or arrangements of Nutrisystem or any of its subsidiaries.

Tivity Health will or will cause the surviving corporation to provide a Continuing Employee whose employment terminates during the Continuation Period with severance benefits not materially less favorable than the severance benefits that would have been provided in accordance with Nutrisystem's past practices or any severance plans, policies or commitments applicable to such Continuing Employee immediately prior to the Effective Time, if any. Nothing contained in the Merger Agreement, whether express or implied, (1) will be treated as an amendment or other modification of any Nutrisystem benefit plan, (2) will create any third party beneficiary rights in any person, or (3) will, subject to the limitations set forth in the employee matters section of the Merger Agreement, limit the right of Tivity Health or the surviving corporation or any of its subsidiaries to amend, terminate or otherwise modify any Nutrisystem benefit plan following the closing of the Merger.

Indemnification and Insurance

The Merger Agreement provides that from and after the completion of the Merger, Tivity Health will (and Tivity Health will cause Nutrisystem, as the surviving corporation in the Merger, to), to the fullest extent permitted by applicable law, indemnify, defend and hold harmless, and, subject to certain conditions, promptly advance expenses from time to time as incurred to, each person who is a present or former director or officer or any of its subsidiaries and any other person who is, or has been at any time, acting as a director, officer, trustee, fiduciary, employee or agent of another person (including any Nutrisystem benefit plan) who is or has acted as such as the request of Nutrisystem or any of its subsidiaries (who are collectively referred to in this proxy statement/prospectus as **Indemnified Persons**)

from and against any and all costs or expenses (including reasonable attorneys' fees, expenses and disbursements), judgments, fines, losses, claims, damages, penalties,

liabilities and amounts paid in settlement in connection with any actual or threatened claim, action, suit, proceeding or investigation arising out of, relating to or in connection with any circumstances, developments or matters in existence, or acts or omissions occurring or alleged to occur, prior to or at completion of the Merger in their capacities as officers, directors and employees of Nutrisystem.

Additionally, the certificate of incorporation and bylaws of the surviving corporation and each of its subsidiaries must include provisions for indemnification, advancement and reimbursement of expenses and exculpation of any Indemnified Persons that are no less favorable to such Indemnified Persons than the provisions for indemnification of such Indemnified Persons as set forth in Nutrisystem's certificate of incorporation and bylaws in effect on December 9, 2018.

The surviving corporation will, and Tivity Health will cause the surviving corporation to either (i) continue to maintain in full force and effect for six years from the Effective Time, if available, the current directors' and officers' liability insurance and fiduciary liability insurance with respect to matters existing or occurring at or prior to the Effective Time (including the Merger and the other transactions contemplated the Merger Agreement) or (ii) purchase a six year extended reporting period endorsement with respect to such current insurance and maintain such reporting tail endorsement in full force and effect for its full term.

Tivity Health and Nutrisystem have agreed that the rights of each Indemnified Person described in this section of this proxy statement/prospectus are in addition to any rights such person may have under Nutrisystem's (or any of its subsidiaries') organizational documents, under any applicable law or under any agreement between such indemnified person and Nutrisystem (or any of its subsidiaries), and Tivity Health will, and will cause Nutrisystem, as the surviving corporation in the Merger, to, honor and perform under all indemnification agreements entered into by Nutrisystem or any of its subsidiaries. Tivity Health's obligations described in this section of this proxy statement/prospectus may not be terminated or modified in a way that adversely affects any indemnified person unless the affected indemnified person consents in writing.

Coordination on Litigation

Each party will promptly notify the other parties in writing of any stockholder litigation or other litigation or proceedings arising from the Merger Agreement or the Merger that is brought against such party or any of its affiliates or members of its board of directors. Each party will keep the other parties sufficiently informed on a reasonably current basis with respect to the status of any such litigation (including by promptly furnishing to the other parties to the Merger Agreement such information relating to the litigation as may reasonably be requested). Nutrisystem will control the defense and, subject to the following sentence, settlement of any such litigation brought against it or any of its affiliates or members of its or their boards of directors, and must give Tivity Health the opportunity to participate in the defense (at Tivity Health's sole cost and subject to a joint defense agreement) of such litigation. Nutrisystem will not agree to any settlement with respect to such litigation or proceeding without the prior written consent of Tivity Health (which consent cannot be unreasonably withheld, conditioned or delayed).

Other Covenants and Agreements

The Merger Agreement contains certain other covenants and agreements, including covenants relating to:

access to Nutrisystem's offices, properties, contracts, books and records;

the preparation and filing of this proxy statement/prospectus;

public announcements with respect to the transactions contemplated by the Merger Agreement;

certain notice requirements with respect to notice or other communications received by a party to the Merger Agreement from certain persons;

ensuring that no state anti-takeover laws become applicable to the Merger;

Conditions to Completion of the Merger

Mutual Conditions to Completion. The obligation of each of Tivity Health, Nutrisystem and Merger Sub to complete the Merger is subject to the satisfaction (or, to the extent permitted by applicable law, waiver) of the following conditions:

adoption of the Merger Agreement by holders of a majority of the outstanding shares of Nutrisystem common stock in accordance with Delaware law and Nutrisystem's certificate of incorporation and bylaws;

approval for listing on the Nasdaq of the shares of Tivity Health common stock issuable to Nutrisystem stockholders in the Merger and such other shares of Tivity Health common stock to be reserved for issuance in connection with the Merger, subject only to official notice of issuance;

absence of any applicable law enacted, adopted or promulgated in the United States following December 9, 2018 or order by any federal or state court or other tribunal of competent jurisdiction prohibiting, rendering illegal or enjoining consummation of the Merger;

termination or expiration of any waiting periods (or any extension thereof) applicable to the Merger under the HSR Act; and

effectiveness of the registration statement for the shares of Tivity Health common stock being issued in the Merger (of which this proxy statement/prospectus forms a part) and the absence of any stop order suspending that effectiveness or any proceedings for that purpose pending before or threatened by the SEC.

Additional Conditions to Completion for the Benefit of Tivity Health and Merger Sub. In addition, the obligation of each of Tivity Health and Merger Sub to complete the Merger is subject to the satisfaction (or, to the extent permitted by applicable law, waiver) of the following conditions:

the accuracy of the representations and warranties of Nutrisystem set forth in the Merger Agreement, subject in certain cases to a material adverse effect standard;

the absence of any material breach by Nutrisystem of any of its agreements and covenants required to be performed by it under the Merger Agreement prior to the closing date;

the absence of the occurrence of material adverse effect with respect to Nutrisystem (see Definition of Material Adverse Effect); and

receipt of a certificate executed by an executive officer of Nutrisystem as to the satisfaction of the conditions described in the preceding three bullet points.

Additional Conditions to Completion for the Benefit of Nutrisystem. In addition, the obligation of Nutrisystem to complete the Merger is subject to the satisfaction (or, to the extent permitted by applicable law, waiver) of the following conditions:

the accuracy of the representations and warranties of Tivity Health and Merger Sub set forth in the Merger Agreement, subject in certain cases to a material adverse effect standard;

the absence of any material breach by Tivity Health and Merger Sub of any of their respective agreements and covenants required to be performed by them under the Merger Agreement prior to the closing date;

the absence of the occurrence of material adverse effect with respect to Tivity Health (see Definition of Material Adverse Effect); and

receipt of a certificate executed by an executive officer of Tivity Health and Merger Sub as to the satisfaction of the conditions described in the preceding three bullet points.

Termination of the Merger Agreement

The Merger Agreement may be terminated and the Merger may be abandoned at any time prior to the completion of the Merger in the following circumstances:

by mutual written consent of Tivity Health and Nutrisystem;

by either Tivity Health or Nutrisystem if:

the Merger has not been completed on or before the Outside Date, except that a party may not terminate for this reason if its action or failure to act constitutes a breach or violation of any of its obligations under the Merger Agreement, and that breach has been the principal cause of or directly resulted in (1) the failure to satisfy the conditions to the obligations of the terminating party to consummate the Merger set forth in the Merger Agreement prior to the Outside Date or (2) the failure of the closing to occur by the Outside Date;

a governmental entity of competent jurisdiction issues an order or takes any other action permanently restraining, enjoining or otherwise prohibiting the Merger and such order or other action has become final and non-appealable, except that a party may not terminate for this reason if the failure of that party to fulfill any obligation under the Merger Agreement resulted in the issuance of such order or the taking of such other action;

Nutrisystem stockholders fail to adopt the Merger Agreement upon a vote taken on a proposal to adopt the Merger Agreement at the Nutrisystem special meeting (or any adjournment or postponement thereof); or

there has been a breach of any representation or warranty made by, or failure to perform any covenant or agreement to be performed by, the other party, in each case that would cause the failure of the condition to completion related to accuracy of representations and warranties or performance of covenants and agreements, and that breach or failure to perform either is incapable of being cured or has not been cured within 30 days following notice to the breaching or failing-to-perform party;

by Tivity Health if:

the Nutrisystem Board or any committee thereof has effected a Change of Board Recommendation; but Tivity Health's right to terminate the Merger Agreement for this reason is only exercisable prior to receipt of the Requisite Stockholder Vote;

by Nutrisystem if:

after January 30, 2019, all of the conditions to Tivity Health's obligation to effect the Merger have been satisfied or waived (except for those conditions that by their nature or terms are to be satisfied at the closing, which conditions were capable of being satisfied at the time of such failure to consummate the Merger), (2) Nutrisystem has irrevocably confirmed to Tivity Health in writing that Nutrisystem is ready and willing to consummate the Merger, and (3) Tivity Health and Merger Sub fail to consummate the Merger within three business days following delivery of notice as a result of Tivity Health's failure to receive the proceeds from the Financing; or

prior to obtaining the Requisite Stockholder Vote, in order to accept a Superior Proposal subject to Nutrisystem's compliance with the solicitation covenants contained in the Merger Agreement, if concurrently with such termination, Nutrisystem pays Tivity Health a termination fee of \$45.0 million.

Table of Contents

If the Merger Agreement is validly terminated, the obligations of the parties will terminate and there will be no liability on the part of any party with respect thereto, except for certain designated provisions, including the provisions regarding the termination fee, which will survive termination; provided, however, that except as set forth under subsection **Exclusive Remedy** beginning on page 120 of this proxy statement/prospectus, if such termination results from the Willful Breach of the Merger Agreement by any party or any intentional fraud by any party, such party will be fully liable for all damages that are the natural, probable and reasonably foreseeable result thereof (which, in the case of a breach by Tivity Health or Merger Sub, will not be limited to reimbursement of expenses or out-of-pocket costs, and will include the benefit of the bargain lost by Nutrisystem's stockholders, which will be deemed to be damages of Nutrisystem) incurred or suffered by the other parties as a result of such failure. Any failure of Tivity Health or Merger Sub to consummate the Merger in breach of the Merger Agreement will be deemed to be a Willful Breach by Tivity Health and Merger Sub (whether or not Tivity Health or Merger Sub had sufficient funds available to consummate the Merger).

For purposes of the Merger Agreement and as used in this proxy statement/prospectus, **Willful Breach** means a material breach of the Merger Agreement that is a consequence of an act or omission by a party taken with the actual knowledge or intention, or in circumstances in which such party should reasonably have known, that the taking of (or failure to take) such act would be a material breach of the Merger Agreement. For the avoidance of doubt, the failure by Tivity Health and Merger Sub to consummate the Merger as a result of Tivity Health's failure to receive the proceeds from the Financing despite Tivity Health's compliance in all material respects with its obligations under the Merger Agreement will not in and of itself constitute a Willful Breach.

Termination Fee

Under the Merger Agreement, Nutrisystem will be required to pay Tivity Health a termination fee equal to \$45.0 million, which is referred to in this proxy statement/prospectus as the **Termination Fee**, if:

the Merger Agreement is terminated by Nutrisystem in accordance with its right to terminate the Merger Agreement to enter into a definitive agreement relating to a Superior Proposal;

the Merger Agreement is terminated by Tivity Health in accordance with its right to terminate the Merger Agreement because the Nutrisystem Board has effected a Change of Board Recommendation; or

prior to the date of the Requisite Stockholder Vote, the Merger Agreement is terminated by:

Tivity Health or Nutrisystem because the Merger has not been completed by the Outside Date (only if, at such time, the mutual conditions to the obligations of parties to effect the Merger were satisfied) or the Requisite Stockholder Vote was not obtained;

after the December 9, 2018 and prior to the date of termination (in the case of termination because the Merger has not been completed by the Outside Date) or the date of the Nutrisystem special meeting (in the case where the Requisite Stockholder Vote was not obtained), an Acquisition Proposal was publicly proposed or announced or otherwise communicated to the Nutrisystem stockholders and not

withdrawn prior to the date of termination or the date of the Nutrisystem special meeting; and

Exclusive Remedy

If Tivity Health is entitled to terminate the Merger Agreement and to receive payment of the Termination Fee from Nutrisystem, except in the case of intentional fraud, such payment will be the sole and exclusive remedy of Tivity Health and Merger Sub against Nutrisystem and its subsidiaries and their respective former, current or future officers, directors, partners, stockholders, managers, members, affiliates and representatives and none of Nutrisystem, any of its subsidiaries or any of their respective former, current or future officers, directors, partners, stockholders, managers, members, affiliates or representatives will have any further liability or obligation relating to or arising out of the Merger Agreement or the transactions contemplated thereby; and (ii) if Tivity Health or Merger Sub receives any payments from Nutrisystem in respect of any breach of the Merger Agreement, and thereafter Tivity Health is entitled to receive the Termination Fee, the amount of such Termination Fee will be reduced by the aggregate amount of any payments made by Nutrisystem to Tivity Health or Merger Sub in respect of any such breaches of the Merger Agreement. The parties have agreed that in no event will Nutrisystem be required to pay the Termination Fee on more than one occasion.

To the extent that the Termination Fee is not promptly paid by Nutrisystem when due, Nutrisystem will also be required to pay any costs and expenses (including reasonable out-of-pocket attorneys' fees and expenses) incurred by Tivity Health in connection with legal action taken to enforce the payment of the Termination Fee, together with interest on the unpaid fee.

Other Expenses

Whether or not the Merger is consummated, all expenses incurred in connection with the Merger Agreement and the transactions contemplated by the Merger Agreement will be paid by the party incurring such expenses, with certain exceptions set forth in the Merger Agreement.

Specific Performance

Each of the parties has agreed that in the event of any breach or threatened breach by any other party of any covenant or obligation in the Merger Agreement, the non-breaching party will be entitled to (in addition to any other remedy that may be available, including monetary damages) (i) an injunction restraining such breach or threatened breach and (ii) an order of specific performance to enforce the performance of such covenant or obligation. In addition, each of the parties has agreed not to raise any objections (including any defense or counterclaim that there is an adequate remedy at law) to the remedy of specific performance or to require the posting of any bond as a condition to such remedy.

Third-Party Beneficiaries

The Merger Agreement is not intended to and does not confer upon any person other than the parties to the Merger Agreement any legal or equitable rights or remedies, except:

from and after completion of the Merger, the right of Nutrisystem stockholders to receive the Merger Consideration and the right of holders of Nutrisystem stock options, restricted stock awards or Nutrisystem performance stock units to receive the consideration described under the respective subsections Merger Consideration and Treatment of Nutrisystem Equity Awards beginning on pages 98 and 100, respectively, of this proxy statement/prospectus;

the right of Nutrisystem, on behalf of its stockholders, to seek equitable relief or to pursue damages suffered by Nutrisystem and its stockholders, which right is hereby expressly acknowledged and agreed by Tivity Health and Merger Sub;

the right of the Indemnified Persons to enforce the obligations described under Indemnification and Insurance beginning on page 115 of this proxy statement/prospectus; and

the right of Tivity Health's financing sources to enforce certain provisions of the Merger Agreement relating to the law governing the Merger Agreement, the jurisdiction and venue for resolution of disputes arising under the Merger Agreement and the waiver of jury trial by the parties to the Merger Agreements.

Amendments; Waivers

The Merger Agreement may be amended by the parties (with respect to Nutrisystem and Merger Sub, by action taken by their respective boards of directors), at any time before or after adoption of the Merger Agreement by the Nutrisystem stockholders, but, after any such adoption, no amendment will be made which by law would require the further approval of Nutrisystem stockholders without first obtaining such approval.

The conditions to each of the parties' obligations to consummate the Merger are for the sole benefit of such party and may be waived by such party in whole or in part to the extent permitted by applicable laws. At any time prior to the Effective Time (but not after the Effective Time), the parties may (in the case of Nutrisystem, by action taken or authorized by the Nutrisystem Board or the authorized officers of Nutrisystem), to the extent permitted by applicable law, (a) extend the time for the performance of any of the obligations or other acts of the other parties, (b) waive any inaccuracies in the representations and warranties contained in the Merger Agreement or in any document delivered pursuant thereto, and (c) waive compliance with any of the agreements or conditions contained in the Merger Agreement. Subject to the preceding sentence, any agreement on the part of a party to any such extension or waiver will be valid only if set forth in a written instrument signed on behalf of such party. The failure of any party to the Merger Agreement to assert any of its rights under the Merger Agreement or otherwise will not constitute a waiver of such rights.

Each of the Zier Tivity Letter Agreement, Monahan Tivity Letter Agreement and the Krausz Tivity Letter Agreement provides that effective as of closing the restrictions will be amended to include Tivity Health's business, customers and employees. The agreements provide for covenants not to compete while employed and after termination for one year (in the case of Mr. Monahan and Ms. Krausz) or two years (in the case of Ms. Zier) and not to solicit employees or former employees while employed and after termination for one year (in the case of Mr. Monahan) or two years (in the case of Ms. Zier and Ms. Krausz) after termination, except that under each of the Zier Tivity Letter Agreement, Monahan Tivity Letter Agreement and the Krausz Tivity Letter Agreement, following the closing of the Merger, the executives may not solicit or hire any person who was employed by Nutrisystem or Tivity Health within six months prior to any solicitation or hiring. Under the nondisclosure and non-compete agreements, each of the executives is also subject to perpetual confidentiality covenants, and Ms. Zier and Ms. Krausz are subject to perpetual non-disparagement covenants.

PROPOSAL II: ADJOURNMENT OF THE NUTRISYSTEM SPECIAL MEETING

Nutrisystem stockholders are being asked to approve a proposal that will give the Nutrisystem Board authority to adjourn the Nutrisystem special meeting from time to time if necessary or appropriate as determined by the Nutrisystem Board, including to solicit additional proxies if there are not sufficient votes to adopt the Merger Agreement at the time of the Nutrisystem special meeting or in the absence of a quorum. If this proposal is approved, the Nutrisystem special meeting could be successively adjourned to any date. In addition, the Nutrisystem Board could postpone the Nutrisystem special meeting before it commences, whether for the purpose of soliciting additional proxies or for other reasons. If the Nutrisystem special meeting is adjourned, Nutrisystem stockholders who have already submitted their proxies will be able to revoke them at any time prior to their use. If you return a proxy and do not indicate how you wish to vote on any proposal, or if you indicate that you wish to vote in favor of the adoption of the Merger Agreement but do not indicate a choice on the adjournment proposal, your shares will be voted in favor of the adjournment proposal. But if you indicate that you wish to vote against the adoption of the Merger Agreement, your shares will only be voted in favor of the adjournment proposal if you indicate that you wish to vote in favor of that proposal.

Nutrisystem does not anticipate calling a vote on this proposal if the adoption of the Merger Agreement is approved by the requisite number of shares of Nutrisystem common stock at the Nutrisystem special meeting.

The affirmative vote of the holders of a majority in voting power of the shares of Nutrisystem common stock entitled to vote thereat, present in person or represented by proxy, is required to approve the adjournment of the Nutrisystem special meeting (whether or not a quorum is present). Abstentions will have the same effect as votes **AGAINST**, but broker non-votes (if any) will have no effect on, the approval of the adjournment proposal. Under Nutrisystem's bylaws, the chairman of the Nutrisystem special meeting also has the authority to adjourn such meeting (whether or not a quorum is present).

The Nutrisystem Board unanimously recommends that you vote FOR the proposal to approve the adjournment of the Nutrisystem special meeting, if necessary or appropriate.

PROPOSAL III: ADVISORY VOTE ON MERGER-RELATED COMPENSATION

Under Section 14A of the Exchange Act and the applicable SEC rules issued thereunder, Nutrisystem is required to submit a proposal to its stockholders for an advisory (non-binding) vote to approve the Merger-Related Compensation payments that may be paid or become payable by Nutrisystem to its named executive officers in connection with, or following, the closing of the Merger. This proposal, commonly known as “say-on-golden parachute” and which is referred to in this proxy statement/prospectus as the Merger-Related Compensation Proposal, gives Nutrisystem stockholders the opportunity to vote on an advisory (non-binding) basis on the Merger-Related Compensation that may be paid or become payable by Nutrisystem to its named executive officers in connection with, or following, the closing of the Merger.

The Merger-Related Compensation that Nutrisystem’s named executive officers may be entitled to receive from Nutrisystem in connection with the Merger is summarized in the table entitled “Merger-Related Compensation, under Interests of Certain Persons in the Merger – Quantification of Potential Payments to Nutrisystem Named Executive Officers in Connection with the Merger” beginning on page 130 of this proxy statement/prospectus. That summary includes all compensation and benefits that may be paid or become payable by Nutrisystem to its named executive officers in connection with, or following, the closing of the Merger.

The Nutrisystem Board encourages you to review carefully the Merger-Related Compensation information disclosed in this proxy statement/prospectus.

The Nutrisystem Board unanimously recommends that the stockholders of Nutrisystem approve the following resolution:

RESOLVED, that the stockholders of Nutrisystem approve, on an advisory (non-binding) basis, the compensation that may be paid or become payable to the named executive officers of Nutrisystem in connection with, or following, the closing of the Merger, as disclosed pursuant to Item 402(t) of Regulation S-K in the Merger-Related Compensation table, the footnotes thereto and the related narrative disclosures, and the agreements and plans pursuant to which such compensation may be paid or become payable.

The vote on the Merger-Related Compensation Proposal is a vote separate and apart from the vote on the adoption of the Merger Agreement. Accordingly, you may vote to approve the adoption of the Merger Agreement and vote not to approve the Merger-Related Compensation Proposal and vice versa. Because the vote on the Merger-Related Compensation Proposal is advisory only, it will not be binding on either Nutrisystem or Tivity Health. Accordingly, if the Merger Agreement is adopted and the Merger is completed, the compensation payments that are contractually required to be paid by Nutrisystem to its named executive officers may be paid or become payable, subject only to the conditions applicable thereto, regardless of the outcome of the advisory (non-binding) vote of Nutrisystem stockholders.

To approve, on an advisory (non-binding) basis, Merger-Related Compensation, the affirmative vote of the holders of shares of Nutrisystem common stock having majority of the votes cast by the holders of all shares of Nutrisystem common stock present in person or represented by proxy is required. Abstentions, broker non-votes (if any) and other failures to vote will have no effect on the proposal to approve the Merger-Related Compensation.

The Nutrisystem Board unanimously recommends that you vote **FOR the Merger-Related Compensation.**

Table of Contents**COMPARISON OF STOCKHOLDER RIGHTS**

If the Merger is completed, Nutrisystem stockholders will receive as part of the per share Merger Consideration shares of Tivity Health common stock. The following is a summary of certain material differences between (i) the current rights of Tivity Health stockholders under the Tivity Health certificate of incorporation and the Tivity Health bylaws and (ii) the current rights of Nutrisystem stockholders under the Nutrisystem certificate of incorporation and the Nutrisystem bylaws. Because both Tivity Health and Nutrisystem are incorporated in Delaware and governed by the DGCL, these differences arise from their respective certificates of incorporation and bylaws.

The following summary does not reflect any rules of Nasdaq or any federal securities laws that may apply to Tivity Health or Nutrisystem in connection with the matters discussed. In addition, this summary is not a complete statement of the rights of stockholders of the two companies or a complete description of the specific provisions referred to below. Furthermore, the identification of some of the differences in the rights of such stockholders as material is not intended to indicate that other differences that may be equally important do not exist. This summary is qualified in its entirety by reference to the DGCL and Tivity Health and Nutrisystem's respective certificate of incorporation and bylaws, which we urge you to read carefully and in their entirety. Copies of the respective companies' certificates of incorporation and bylaws have been filed with the SEC. FUTURE STOCKHOLDER PROPOSALS

It is not expected that Nutrisystem will hold its 2019 annual meeting of stockholders unless the Merger is not completed within the currently anticipated timeline.

If the Merger is not completed by the expected date of Nutrisystem's 2019 annual meeting of stockholders, Nutrisystem plans to hold such annual meeting. Nutrisystem's 2019 annual meeting of stockholders is expected to be held in May 2019, approximately one year following Nutrisystem's 2018 annual meeting of stockholders (May 9, 2018), although this date may be subject to change.

Eligible Nutrisystem stockholders may submit proposals for consideration at Nutrisystem's 2019 annual meeting of stockholders. In order for a stockholder proposal to be considered for inclusion in the proxy materials for Nutrisystem's 2019 annual meeting of stockholders, proposals must comply with provisions of Rule 14a-8 of the Exchange Act and must have been received by Nutrisystem's Secretary at Nutrisystem's offices at Nutrisystem, Inc., Fort Washington Executive Center, 600 Office Center Drive, Fort Washington, Pennsylvania 19034 no later than December 4, 2018. If, however, the date of Nutrisystem's 2019 annual meeting of stockholders will be on or before April 9, 2019 or on or after June 8, 2019, then the deadline will be a reasonable time before Nutrisystem begins to print and send out its proxy materials. The dates referenced below with respect to proposing an item of business at Nutrisystem's 2019 annual meeting will not affect any rights of stockholders to request inclusion of proposals in its proxy statement pursuant to Rule 14a-8 of the Exchange Act.

In addition, under Nutrisystem's bylaws, a stockholder must follow certain procedures to nominate persons for election as directors or to introduce an item of business at an annual meeting of stockholders. These procedures provide that a nomination for director nominee(s) and/or an item of business to be introduced at an annual meeting of stockholders must be submitted in writing to Nutrisystem's Secretary at Nutrisystem's offices at Nutrisystem, Inc., Fort Washington Executive Center, 600 Office Center Drive, Fort Washington, Pennsylvania 19034. Nutrisystem must receive written notice of your intention to introduce a nomination or to propose an item of business at its 2019 annual meeting of stockholders on or after January 9, 2019, but on or before February 8, 2019, or, if Nutrisystem's 2019 annual meeting of stockholders will be held before April 14, 2019 or after June 3, 2019, then no later than the close of business on the 10th day following the date on which notice of the date of Nutrisystem's 2019 annual meeting of stockholders is mailed or public disclosure of the date of the 2019 Annual Meeting of Stockholders is made, whichever first occurs.

Any such notice must include all of the information required to be in such notice pursuant to Nutrisystem's bylaws. We advise you to review the Nutrisystem bylaws, which contain these and other requirements with respect to advance notice of stockholder proposals and director nominations, including certain information that must be included concerning the Nutrisystem stockholder making the proposal, each nominee and the proposal itself. The Nutrisystem bylaws were filed as an exhibit to Nutrisystem's Current Report on Form 8-K filed with the SEC on July 22, 2009 with subsequent amendments filed as exhibits to Nutrisystem's Current Reports on Form 8-K filed with the SEC on January 7, 2016 and April 5, 2017. RECITALS

WHEREAS, subject to the terms and conditions of this Agreement and in accordance with the General Corporation Law of the State of Delaware (the *DGCL*), the parties intend that Merger Sub be merged with and into the Company, with the Company surviving the merger as a direct, wholly-owned Subsidiary of Parent (the *Merger*) pursuant to Section 251 of the DGCL;

WHEREAS, on the terms and subject to the conditions set forth herein, the Board of Directors of the Company has unanimously (i) approved and declared this Agreement, the Merger and the other transactions contemplated hereby advisable and in the best interests of the Company and its stockholders, (ii) approved the execution, delivery and performance of this Agreement by the Company and the consummation of the Merger and the other transactions contemplated hereby, (iii) directed that the adoption of this Agreement be submitted to the stockholders of the Company, and (iv) resolved, subject to Section 6.3, to recommend the adoption of this Agreement by the holders of Company Common Stock;

WHEREAS, (i) the Board of Directors of Merger Sub has unanimously approved and declared this Agreement, the Merger and the other transactions contemplated hereby advisable and in the best interests of Merger Sub and its sole stockholder, and (ii) the Boards of Directors of both of Parent and Merger Sub have unanimously approved this Agreement, the Merger and the other transactions contemplated hereby (including, in the case of the Board of Directors of Parent, the approval of the issuance of the shares of Parent Common Stock comprising the Stock Consideration pursuant to the terms and conditions hereof) and approved the execution, delivery and performance of this Agreement by Parent and Merger Sub, respectively, and the consummation of the Merger and the other transactions contemplated hereby; and

WHEREAS, Parent, Merger Sub and the Company desire to make certain representations, warranties, covenants and agreements specified herein in connection with the Merger and the other transactions contemplated hereby and to prescribe certain conditions to the Merger.

NOW, THEREFORE, in consideration of the foregoing and the representations, warranties, covenants and agreements set forth in this Agreement, and intending to be legally bound hereby, the parties hereto agree as follows:

(b) The Merger shall have the effects set forth in this Agreement and the applicable provisions of the DGCL. Without limiting the generality of the foregoing and subject thereto, at the Effective Time, all the property, rights, privileges, immunities, powers and franchises of the Company and Merger Sub shall vest in the Surviving Corporation and all debts, liabilities and duties of the Company and Merger Sub shall become the debts, liabilities and duties of the Surviving Corporation, all as provided under the DGCL and other applicable Law.

Section 1.2 Closing. Unless this Agreement is earlier terminated pursuant to Section 8.1 hereof, and subject to the terms and conditions of this Agreement, the closing of the Merger (the **Closing**) shall take place at 10:00 a.m. (Central Time), on the third Business Day following the date on which the last of the conditions set forth in Article VII is satisfied or, to the extent permitted by applicable Law, waived by the party entitled to waive such condition (other than those conditions that, by their nature or terms, can only be satisfied at Closing, but subject to the satisfaction or, to the extent permitted by applicable Law, waiver of such conditions), at the offices of Bass, Berry & Sims PLC, 150 Third Avenue South, Suite 2800, Nashville, Tennessee, or such other time, date or place as is agreed to in writing by the parties hereto; provided, however, that notwithstanding the satisfaction or waiver of the conditions set forth in Article VII, Parent and Merger Sub shall not be obligated to effect the Closing prior to January 30, 2019 (the **Inside Date**), but subject to the satisfaction (or, to the extent permitted, waiver) of the conditions set forth in Article VII (other than those conditions that by their nature are only capable of being satisfied at the Closing, but subject to the satisfaction or, to the extent permitted by applicable Law, waiver of such conditions at the Closing). The date on which the Closing actually occurs is hereinafter referred to as the **Closing Date**.

Section 1.3 Effective Time. At the Closing on the Closing Date, the parties shall cause the Merger to be consummated by filing a certificate of merger relating to the Merger (the **Certificate of Merger**), together with any required related certificates, filings or recordings, with the Secretary of State of the State of Delaware, in such form as required by, and executed and acknowledged in accordance with, the applicable provisions of the DGCL (the date and time of such filing, or if another date and time is agreed to by the parties and specified in such filing, such specified date and time, being the **Effective Time**).

Section 1.4 Certificate of Incorporation. Subject to Section 6.8(c) hereof, at the Effective Time, the certificate of incorporation of the Surviving Corporation shall be amended in its entirety to read as set forth on Exhibit A hereto, until thereafter amended in accordance with its terms and the DGCL.

Subject to applicable Law, the parties hereto shall take all requisite action such that the directors of Merger Sub immediately prior to the Effective Time, from and after the Effective Time, shall be the initial directors of the Surviving Corporation and shall hold such office until the earlier of their death, resignation or removal or until their respective successors are duly elected and qualified.

Section 1.7 Officers. The officers of the Company immediately prior to the Effective Time, from and after the Effective Time, shall be the officers of the Surviving Corporation until the earlier of their death, resignation or removal or until their respective successors are duly appointed and qualified.

Table of Contents**ARTICLE II****EFFECT OF THE MERGER ON CAPITAL STOCK; EXCHANGE OF CERTIFICATES**

Section 2.1 Effect on Capital Stock. At the Effective Time, by virtue of the Merger and without any action on the part of the Company, Parent, Merger Sub or any holder of any shares of common stock, \$0.001 par value per share, of the Company (the *Company Common Stock*):

(a) Subject to Section 2.3, each share of Company Common Stock issued and outstanding immediately prior to the Effective Time (other than Appraisal Shares and Excluded Shares) shall be converted into, and become exchangeable for, the right to receive (i) \$38.75 in cash (the *Cash Consideration*) and (ii) 0.2141 (the *Exchange Ratio*) of a validly issued, fully paid and non-assessable share (the *Stock Consideration*), together with the Cash Consideration, the *Merger Consideration* of common stock, par value \$0.001 per share, of Parent (*Parent Common Stock*). At the Effective Time, all of the shares of Company Common Stock (other than Excluded Shares and Appraisal Shares) shall cease to be outstanding, shall automatically be cancelled and shall cease to exist and each certificate (a *Certificate*) formerly representing any of the shares of Company Common Stock, and each non-certificated share of Company Common Stock represented by book entry (each, a *Book Entry Company Share*), other than in each case those representing Excluded Shares or Appraisal Shares, shall thereafter represent only the right to receive, without interest, (A) the Merger Consideration, and (B) with respect to the Stock Consideration, the right, if any, to receive (1) pursuant to Section 2.2(f) cash in lieu of fractional shares of Parent Common Stock into which such shares of Company Common Stock have been converted pursuant to this Section 2.1(a) and (2) any distribution or dividend payable pursuant to Section 2.2(d).

(b) If (v) the aggregate number of shares of Parent Common Stock to be issued in connection with the Merger, plus (w) the aggregate number of shares of Parent Common Stock subject to Assumed Restricted Stock Awards as of immediately following the Effective Time plus (x) the aggregate number of shares of Parent Common Stock subject to Assumed Performance Unit Awards as of immediately following the Effective Time, plus (y) the number of shares of Parent Common Stock that would be available for issuance immediately following the Effective Time in respect of the remaining shares reserved and available for issuance under the Company Stock Plan assumed pursuant to Section 2.5(d), plus (z) any other shares required to be taken into account for purposes of Nasdaq Listing Rule 5635 (or any successor thereto) (the *Total Issuance*) would exceed 19.9% of the issued and outstanding shares of Parent Common Stock immediately prior to the Effective Time (the *Stock Threshold*), then (i) first, the Company shall, at Parent's request at least two Business Days prior to the Closing Date, amend the Company Stock Plan to reduce the number of shares remaining reserved and available for issuance thereunder by the minimum extent necessary to cause the Total Issuance (as so reduced) not to exceed the Stock Threshold (but in no event below an amount equal to the number of shares of Company Common Stock subject to Company Equity Awards immediately prior to the Effective Time)) (the *Company Stock Plan Reduction*), and (ii) then, if the Company Stock Plan Reduction is insufficient to cause the Total Issuance (as reduced by the Company Stock Plan Reduction) not to exceed the Stock Threshold, (A) the Exchange Ratio shall be reduced to the minimum extent necessary (rounded down to the nearest ten-thousandth) such that the Total Issuance (as reduced by the Company Stock Plan Reduction and such reduction in the Exchange Ratio) does not exceed the Stock Threshold and (B) the Cash Consideration for all purposes under this Agreement will be increased on a per-share basis by the amount of such reduction in the Exchange Ratio multiplied by the Parent Stock Price (rounded to the nearest ten-thousandth of a cent).

(c) Each share of Company Common Stock that is an Excluded Share shall be cancelled and shall cease to exist, with no consideration paid in exchange therefor.

(d) Each share of common stock, par value \$0.001 per share, of Merger Sub issued and outstanding immediately prior to the Effective Time shall be converted into one validly issued, fully paid and non-assessable share of common stock, par value \$0.001 per share, of the Surviving Corporation.

Section 2.2 Exchange of Shares of Company Common Stock.

(a) Parent shall deposit, or shall cause to be deposited, with an exchange agent selected by Parent and reasonably acceptable to the Company (the *Exchange Agent*), for the benefit of the holders of shares of

Company Common Stock, (i) at the Effective Time, certificates (or at Parent's option, evidence of non-certificated shares of Parent Common Stock in book-entry form (*Book Entry Parent Shares*)), constituting at least the amounts necessary for the aggregate Stock Consideration required to be issued pursuant to Section 2.1(a), (ii) at the Effective Time, cash in immediately available funds constituting at least the amounts necessary for the aggregate Cash Consideration required to be paid pursuant to Section 2.1(a), plus any cash payable in lieu of fractional shares of Parent Common Stock pursuant to Section 2.2(f), and (iii) as necessary from time to time after the Effective Time, if applicable, any cash and dividends or other distributions with respect to the shares of Parent Common Stock to be issued or to be paid pursuant to Section 2.2(d), in exchange for shares of Company Common Stock outstanding immediately prior to the Effective Time, deliverable upon due surrender of the Certificates (or affidavits of lost, stolen or destroyed Certificates in lieu thereof as provided in Section 2.2(h)) or Book Entry Company Shares pursuant to the provisions of this Article II (such cash, certificates for shares of Parent Common Stock and evidence of Book Entry Parent Shares, together with the amount of any dividends or other distributions payable pursuant to this Article II with respect thereto, in the aggregate, the *Exchange Fund*). The Exchange Agent shall invest the cash available in the Exchange Fund as directed by Parent; provided that such investments shall be in obligations, funds or accounts typical for (including having liquidity typical for) transactions of this nature. To the extent that there are losses with respect to such investments, or the Exchange Fund diminishes for other reasons below the level required to make prompt cash payment of the aggregate Cash Consideration required to be paid pursuant to Section 2.1(a), plus cash in lieu of fractional shares of Parent Common Stock payable pursuant to Section 2.2(f), plus any dividends or distributions that the holders have the right to receive pursuant to Section 2.2(d), as contemplated hereby, Parent shall promptly replace or restore the cash in the Exchange Fund lost through such investments or other events so as to ensure that the Exchange Fund is at all times maintained at a level sufficient to make such cash payments. Any interest and other income resulting from such investment shall become a part of the Exchange Fund, and any amounts in excess of the amounts payable under Section 2.1(a) shall be promptly returned to Parent as provided in Section 2.2(g). The Exchange Agent shall also act as the agent for the Company's stockholders for the purpose of receiving and holding their Certificates and Book Entry Company Shares and shall obtain no rights or interests in the shares represented thereby.

(b) As promptly as practicable after the Effective Time, Parent shall instruct the Exchange Agent to mail to each holder of record of shares of Company Common Stock (other than Excluded Shares) that are evidenced by Certificates or Book Entry Company Shares not held through the Depository Trust Company (*DTC*) (i) a letter of transmittal (which shall be in customary form reasonably acceptable to the Company and shall specify that delivery shall be effected, and risk of loss and title to the Certificates or Book Entry Company Shares shall pass only upon delivery of the Certificates (or affidavits of lost, stolen or destroyed Certificates in lieu of the Certificates as provided in Section 2.2(h)) or transfer of the Book Entry Company Shares to the Exchange Agent (including customary provisions with respect to delivery of an agent's message with respect to Book Entry Company Shares)) and (ii) instructions for use in effecting the surrender of the Certificates (or affidavits of lost, stolen or destroyed Certificates in lieu of the Certificates) or transferring the Book Entry Company Shares to the Exchange Agent in exchange for the Merger Consideration and any cash paid in lieu of fractional shares of Parent Common Stock payable pursuant to Section 2.2(f) and any dividends or distributions, in each case, to which the holder has the right to receive pursuant to Section 2.2(d). With respect to Book Entry Company Shares held through DTC, Parent and the Company shall cooperate to establish procedures with the Exchange Agent and DTC to ensure that the Exchange Agent will transmit to DTC or its nominees as soon as reasonably practicable on or after the Closing Date, upon surrender of shares of Company Common Stock (other than Excluded Shares) held of record by DTC or its nominees in accordance with DTC's customary surrender procedures, the Merger Consideration, any cash in lieu of fractional shares of Parent Common Stock pursuant to Section 2.2(f) and any dividends or distributions, in each case, to which the beneficial owners thereof are entitled pursuant to the terms of this Agreement.

(c) Procedures for Surrender.

(i) After the Effective Time, and (A) upon surrender to the Exchange Agent of shares of Company Common Stock (other than Excluded Shares) that are Certificates, by physical surrender of such Certificates

(or affidavit of lost, stolen or destroyed Certificate in lieu of a Certificate, as provided in Section 2.2(h)) in accordance with the terms of the letter of transmittal and accompanying instructions, (B) upon the transfer of shares of Company Common Stock (other than Excluded Shares) that are Book Entry Company Shares not held through DTC, in accordance with the terms of the letter of transmittal and accompanying instructions (including the delivery of any other documents the Exchange Agent may reasonably require), or (C) upon the transfer of shares of Company Common Stock (other than Excluded Shares) that are Book Entry Company Shares held through DTC, including by delivery of an agent's message, in accordance with DTC's customary procedures and such other customary procedures as agreed by Parent, the Exchange Agent and DTC, the holder of such shares of Company Common Stock shall be entitled to receive in exchange therefor, and Parent and the Surviving Corporation shall cause the Exchange Agent to pay and deliver in exchange thereof as promptly as practicable, (1) the aggregate amount of Cash Consideration that such holder is entitled to receive pursuant to Section 2.1(a), (2) the number of Certificates of shares of Parent Common Stock or Book Entry Parent Shares representing, in the aggregate, the whole number of shares that such holder has a right to receive pursuant to Section 2.1(a), (3) any dividends or other distributions payable that such holder is entitled to receive pursuant to Section 2.2(d), and (4) any cash in lieu of fractional shares of Parent Common Stock that such holder is entitled to receive pursuant to Section 2.2(f), if applicable.

(ii) In the event of a transfer of ownership of shares of Company Common Stock that are not registered in the transfer records of the Company, the Exchange Agent may make payment of the proper amount of Merger Consideration to such transferee if (A) in the case of Book Entry Company Shares, written instructions authorizing the transfer of the Book Entry Company Shares are presented to the Exchange Agent, (B) in the case of Certificates, the Certificates formerly representing such shares of Company Common Stock are surrendered to the Exchange Agent, and (C) the written instructions, in the case of clause (A), and Certificates, in the case of clause (B), are accompanied by all documents required to evidence and effect such transfer and to evidence that any applicable stock transfer Taxes have been paid or are not applicable, in each case, in form and substance, reasonably satisfactory to Parent and the Exchange Agent. If any shares of Parent Common Stock are to be delivered to a Person other than the holder in whose name any shares of Company Common Stock are registered, it shall be a condition of such exchange that the Person requesting such delivery shall pay any transfer or other similar Taxes required by reason of the transfer of shares of Parent Common Stock to a Person other than the registered holder of any shares of Company Common Stock, or shall establish to the satisfaction of Parent and the Exchange Agent that such Tax has been paid or is not applicable.

(iii) No interest shall be paid or accrue on any cash payable upon surrender of the shares of Company Common Stock. Any Certificate that has been surrendered shall be cancelled by the Exchange Agent.

(d) Distributions with Respect to Unexchanged Shares of Company Common Stock. All shares of Parent Common Stock to be issued pursuant to the Merger shall be deemed issued and outstanding as of the Effective Time and, whenever a dividend or other distribution is declared by Parent in respect of shares of Parent Common Stock, the record date for which is at or after the Effective Time, that declaration shall include dividends or other distributions in respect of all Stock Consideration issuable pursuant to this Agreement. No dividends or other distributions in respect of the shares of Parent Common Stock shall be paid to any holder of any unsurrendered Certificate or untransferred Book Entry Company Share until such Certificate (or affidavits of lost, stolen or destroyed Certificates in lieu of the Certificate as provided in Section 2.2(h)) or Book Entry Company Share is transferred for exchange in accordance with this Article II. Subject to the effect of applicable Laws, following surrender of any such Certificate (or affidavits of lost, stolen or destroyed Certificates in lieu of the Certificate as provided in Section 2.2(h)) or transfer of such Book Entry Company Share that has been converted into the right to receive the Merger Consideration, there shall be issued and/or paid to the holder of the certificates representing whole shares of Parent Common Stock (or as applicable, Book Entry Parent Shares) issued in exchange therefor, without interest, (i) at the time of such surrender or transfer, the dividends or other distributions with a record date after the Effective Time theretofore payable with respect to such whole shares of Parent Common Stock and not paid and (ii) at the appropriate payment date, the dividends or other

distributions payable with respect to such

whole shares of Parent Common Stock with a record date after the Effective Time but with a payment date subsequent to surrender or transfer, as applicable.

(e) Transfers. From and after the Effective Time, there shall be no transfers on the stock transfer books of the Company of the shares of Company Common Stock that were outstanding immediately prior to the Effective Time. If, after the Effective Time, any Certificate or Book Entry Company Share is presented to the Surviving Corporation, Parent or the Exchange Agent for transfer, it shall be cancelled and exchanged for the aggregate Merger Consideration (and to the extent applicable, cash in lieu of fractional shares of Parent Common Stock payable pursuant to Section 2.2(f) and/or any dividends or other distributions pursuant to Section 2.2(d)) to which the holder thereof is entitled pursuant to this Article II.

(f) Fractional Shares of Company Common Stock. Notwithstanding any other provision of this Agreement, no fractional shares of Parent Common Stock will be issued and any holder of shares of Company Common Stock entitled to receive a fractional share of Parent Common Stock but for this Section 2.2(f) shall be entitled to receive a cash payment in lieu thereof, without interest, rounded down to the nearest whole cent, which payment shall be calculated by the Exchange Agent and shall be an amount equal to the product of (i) the Parent Stock Price multiplied by (ii) the fraction of a share of Parent Common Stock (after taking into account all shares of Company Common Stock held by such holder at the Effective Time and rounded to the nearest one thousandth when expressed in decimal form) to which such holder would otherwise be entitled. No such holder shall be entitled to dividends, voting rights or any other rights in respect of any fractional shares of Parent Common Stock.

(g) Termination of Exchange Fund. Any portion of the Exchange Fund (including the proceeds of any investments of the Exchange Fund and any shares of Parent Common Stock) that remains unclaimed by the stockholders of the Company for one year after the Effective Time shall be delivered to Parent. Any holder of shares of Company Common Stock (other than Excluded Shares) who has theretofore not complied with this Article II shall thereafter look only to Parent for delivery of any Merger Consideration (and to the extent applicable, cash in lieu of fractional shares of Parent Common Stock payable pursuant to Section 2.2(f) and/or any dividends or other distributions pursuant to Section 2.2(d)), payable and/or issuable pursuant to Section 2.1 and Section 2.2 upon due surrender of their Certificates (or affidavits of lost, stolen or destroyed Certificates in lieu of the Certificates as provided in Section 2.2(h)) or transfer of Book Entry Company Shares, in each case, without any interest thereon.

Notwithstanding the foregoing, none of the Surviving Corporation, Parent, the Exchange Agent or any other Person shall be liable to any former holder of shares of Company Common Stock for any amount properly delivered to a public official pursuant to applicable abandoned property, escheat or similar Laws. Any portion of the Exchange Fund which remains undistributed to the holders of shares of Company Common Stock immediately prior to the time at which the Exchange Fund would otherwise escheat to, or become property of, any Governmental Entity, shall, to the extent permitted by Law, become the property of Parent, free and clear of all claims or interest of any Person previously entitled thereto.

(h) Lost, Stolen or Destroyed Certificates. In the event any Certificate shall have been lost, stolen or destroyed, upon the making of an affidavit of that fact by the Person claiming such Certificate to be lost, stolen or destroyed and, if required by Parent, the posting by such Person of a bond in customary amount and upon such terms as may be required by Parent as indemnity against any claim that may be made against Parent, the Exchange Agent or any of Parent's Subsidiaries with respect to such Certificate, the Exchange Agent will issue, in exchange for such lost, stolen or destroyed Certificate, the applicable Merger Consideration, and (to the extent applicable) any cash pursuant to Section 2.2(f) or unpaid dividends or other distributions pursuant to Section 2.2(d), that would have been payable or deliverable in respect thereof pursuant to this Agreement had such lost, stolen or destroyed Certificate been surrendered.

but rather the holders of Appraisal Shares shall be entitled to payment by the Surviving Corporation of such consideration as may be determined to be due with respect to such Appraisal Shares pursuant to and subject to the requirements of the DGCL; provided, however, that if any such holder shall fail to perfect or otherwise shall waive, withdraw or lose the right to appraisal under Section 262 of the DGCL with respect to Appraisal Shares, then the right of such holder to seek appraisal of such shares of Company Common Stock shall cease and such shares of Company Common Stock shall be deemed to have been converted as of the Effective Time into, and to have become exchangeable solely for, the right to receive the Merger Consideration as provided in Section 2.1(a), without interest (and to the extent applicable, cash in lieu of fractional shares of Parent Common Stock payable pursuant to Section 2.2(f) and/or any dividends or other distributions pursuant to Section 2.2(d)). The Company shall give prompt notice to Parent of any demands received by the Company for appraisal of any shares of Company Common Stock and any withdrawals of such demands, and Parent shall participate in and control all negotiations and proceedings with respect to such demands. Prior to the Effective Time, the Company shall not, without the prior written consent of Parent, make any payment with respect to, or settle or offer to settle, any such demands, or agree to do any of the foregoing.

Each option to purchase shares of Company Common Stock that is outstanding immediately prior to the Effective Time (each, a ***Company Stock Option***) and is vested as of immediately prior to the Effective Time shall be cancelled and converted as of immediately prior to the Effective Time into the right to receive in respect of each Net Option Share, if any, subject to such Company Stock Option, an amount in cash equal to the Merger Consideration Value. For purposes of this Agreement, ***Net Option Share*** means, with respect to a Company Stock Option, the quotient obtained by dividing (i) the product obtained by multiplying (A) the excess, if any, of the Merger Consideration Value over the exercise price per share of Company Common Stock subject to such Company Stock Option immediately prior to the Effective Time by (B) the number of shares of Company Common Stock subject to such Company Stock Option immediately prior to the Effective Time by (ii) the Merger Consideration Value. (c) Company Performance-Based Restricted Stock Units. Each award of performance-based restricted stock units with respect to shares of Company Common Stock (each, a ***Company PRSU Award***) (A) designated as a Special 2016 Performance-Based Restricted Stock Unit (each, a ***2016 SPRSU Award***), (B) granted with respect to the 2017-2018 performance period (each, a ***2017 PRSU Award***) or (C) granted with respect to the 2018-2019 performance period (each, a ***2018 PRSU Award***), in each case, that is outstanding immediately prior to the Effective Time shall, by virtue of the Merger and without further action on the part of the holder thereof, be assumed by Parent and converted, as of the Effective Time, into a time-vesting restricted unit award (each, an ***Assumed Performance Unit Award***); provided that each Assumed Performance Unit Award shall cover that number of shares of Parent Common Stock equal to the product of (i) either (x) for each 2017 PRSU Award, the number of shares that may be earned under such 2017 PRSU Award based on actual performance as of immediately prior to the Effective Time relative to the previously established performance metrics applicable thereto as determined by the Board of Directors of the Company (or an authorized committee thereof) prior to the Effective Time, or (y) for each 2016 SPRSU Award and each 2018 PRSU Award, the maximum number of shares of Company Common Stock that may be earned under such 2016 SPRSU Award or 2018 PRSU Award as of immediately prior to the Effective Time, assuming maximum performance levels were achieved, multiplied by (ii) the Equity Award Exchange Ratio, with the result rounded to the nearest whole number of shares of Parent Common Stock. Except as provided in this Section 2.5(c), each Assumed Performance Unit Award shall continue to have, and shall be subject to, the same terms and conditions as applied to the corresponding 2016 SPRSU Award, 2017 PRSU Award or 2018 PRSU Award, as the case may be, immediately prior to the Effective Time (including terms relating to vesting protection and the payout of accrued and future dividend or other distribution equivalents, and other than with respect to performance metrics thereunder)

(d) Assumption of Company Stock Plan and Award Agreements. At the Effective Time, Parent shall assume all the obligations of Company under the Company Stock Plan with respect to each Assumed Restricted Stock Award and Assumed Performance Unit Award outstanding at the Effective Time and the agreements evidencing the grants thereof, in each case, subject to the adjustments in this Section 2.5. As soon as practicable after the Effective Time, Parent shall deliver to the holders of Assumed Restricted Stock Awards and Assumed Performance Unit Awards appropriate notices setting forth such holders' rights pursuant to the applicable Company Stock Plan, and the agreements evidencing the grants of such Assumed Restricted Stock Awards and Assumed Performance Unit Awards shall continue in effect on the same terms and conditions, subject to the adjustments required by this Section 2.5 after giving effect to the Merger.

(e) Reservation of Shares. As of the Closing Date, Parent shall take all actions to reserve the necessary shares and file a registration statement on Form S-8 (or any successor form) with respect to the issuance of the shares of Parent Common Stock subject to the Assumed Restricted Stock Awards and the Assumed Performance Unit Awards and shall use its reasonable best efforts to maintain the effectiveness of such registration statement or registration statements (and maintain the current status of the prospectus or prospectuses contained therein) for so long as the Assumed Restricted Stock Awards and Assumed Performance Unit Awards remain outstanding.

(f) Board Actions. Prior to the Effective Time, the Board of Directors of the Company (and/or the Compensation Committee, or other applicable committee, of the Board of Directors of the Company) and the Board of Directors of Parent (and/or the Compensation Committee, or other applicable committee, of the Board of Directors of Parent) shall adopt such resolutions as are necessary to give effect to the transactions contemplated by this Section 2.5.

(a) The Company has timely filed with or furnished to the SEC all reports, schedules, forms, statements, prospectuses, registration statements, certifications and other documents required to be filed with or furnished to the SEC by the Company after December 31, 2015 (collectively, together with any exhibits and schedules thereto and other information incorporated by reference therein, as such statements and reports may have been amended after the date of their filing, the *Company SEC Documents*) except as would not reasonably be expected to be, individually or in the aggregate, material to the Company and its Subsidiaries, taken as a whole. No Subsidiary of the Company is required to file any report, schedule, form, statement, prospectus, registration statement or other document with the SEC.

(b) As of its filing date (or, if amended or superseded by a filing prior to the date hereof, on the date of such filing), each Company SEC Document filed prior to the date hereof complied, and each Company SEC Document filed subsequent to the date hereof will when so filed comply, in all material respects with the applicable requirements of Nasdaq, the Securities Act, the Exchange Act and the Sarbanes-Oxley Act, as the case may be.

(c) As of its filing date (or, if amended or superseded by a filing prior to the date hereof, on the date of such filing), each Company SEC Document filed prior to the date hereof did not, and each Company SEC Document filed subsequent to the date hereof will not when so filed, contain any untrue statement of a material fact or omit to state any material fact required to be stated therein or necessary in order to make the statements made therein, in light of the circumstances under which they were made, not misleading.

Company, including its consolidated Subsidiaries, required to be included in the Company's periodic and current reports required under the Exchange Act, is made known to the Company's principal executive officer and its principal financial officer by others within those entities. Such disclosure controls and procedures are effective in timely alerting the Company's principal executive officer and principal financial officer to material information required to be included in the Company's periodic and current reports required under the Exchange Act. For purposes of this Agreement, principal executive officer and principal financial officer shall have the meanings given to such terms in the Sarbanes-Oxley Act.

The Company SEC Financial Statements fairly present in all material respects the consolidated financial position of the Company and its consolidated Subsidiaries, as at the respective dates thereof, and the consolidated results of their operations, stockholders' equity and consolidated cash flows for the respective periods then ended (subject, in the case of the unaudited statements, to normal year-end audit adjustments and to the absence of information or notes not required by GAAP to be included in interim financial statements), all in conformity with GAAP applied on a consistent basis during the periods involved (except as may be indicated therein or in the notes thereto).

(b) Following December 31, 2015 through the date of this Agreement, the Company has not received written notice from the SEC or any other Governmental Entity indicating that any of its material accounting policies or practices are the subject of any review, inquiry, investigation or challenge by the SEC or any other Governmental Entity.

Section 3.8 No Undisclosed Liabilities. There are no off-balance sheet arrangements of any type pursuant to any off-balance sheet arrangement required to be disclosed pursuant to Item 303(a)(4) of Regulation S-K promulgated under the Exchange Act (*Regulation S-K*) that have not been so described in the Company SEC Documents.

Section 3.9 Absence of Certain Changes or Events. After December 31, 2017 through the date of this Agreement, except for liabilities or obligations incurred in connection with, or expressly contemplated by, this Agreement, the Merger and the other transactions contemplated hereby, (a) the Company and its Subsidiaries have conducted their respective businesses in the Ordinary Course, (b) there has not been any event, change, effect, development or occurrence that has had or would reasonably be expected to have, individually or in the aggregate, a Company Material Adverse Effect, and (c) neither the Company nor any of its Subsidiaries has taken any action that would, if occurring after the date of this Agreement, constitute a material breach of Section 5.2(c) (M&A), Section 5.2(l) (Dispositions), Section 5.2(m) (Company Benefit Plans), Section 5.2(n) (Litigation), Section 5.2(o) (Accounting Methods, Principles and Practices), Section 5.2(p) (Tax Elections) or Section 5.2(q) (WARN).

A true, complete and correct copy of each Parent Material Contract in effect as of the date hereof has been made available to the Company prior to the date hereof. Each Parent Material Contract, and each other material Contract with a Top Parent Counterparty, is valid, binding and in full force and effect with respect to Parent and any of its Subsidiaries to the extent a party thereto and, to the Knowledge of Parent, each other party thereto, subject to the Bankruptcy and Equity Exception. To the Knowledge of Parent, no Person is seeking to terminate or challenging the validity or enforceability of any Parent Material Contract, or each other material Contract with a Top Parent Counterparty, except such terminations or challenges which have not had and would not reasonably be expected to have, individually or in the aggregate, a Parent Material Adverse Effect. Neither Parent nor any of its Subsidiaries, nor to the Knowledge of Parent, any of the other parties thereto has violated any provision of, or committed or failed to perform any act which (with or without notice, lapse of time or both) would constitute a default under any provision of, and neither Parent nor any of its Subsidiaries has received written notice that it has violated or defaulted under, any Parent Material Contract or each other material Contract with a Top Parent Counterparty, except for those violations and defaults (or potential defaults) which have not had and would not reasonably be expected to have, individually or in the aggregate, a Parent Material Adverse Effect.

Section 4.14 Insurance. Except as has not had and would not reasonably be expected to have, individually or in the aggregate, a Parent Material Adverse Effect, as of the date of this Agreement, (a) all of the insurance policies relating to the business, employees, officers, directors, assets or operations of Parent or any of its Subsidiaries are in full force and effect and all premiums thereon have been timely paid, (b) there is no claim pending under Parent s or any of its Subsidiaries insurance policies as to which coverage has been questioned, denied or disputed by the underwriters of such policies, (c) Parent and its Subsidiaries are in compliance with the terms of such policies and (d) Parent has no Knowledge of any threatened termination of, or premium increase with respect to, any of such policies. Parent and its Subsidiaries maintain insurance coverage with reputable insurers in such amounts and covering such risks as Parent reasonably believes, based on past experience, is adequate for the businesses and operations of Parent and its Subsidiaries (taking into account the cost and availability of such insurance).

Section 4.15 Top Parent Counterparties. Following December 31, 2017 and prior to the date of this Agreement, none of the Top Parent Counterparties has cancelled or otherwise terminated or, to the Knowledge of Parent, threatened, or notified Parent in writing that it intends, to cancel or terminate or otherwise materially and adversely modify, its relationship with Parent or any of its Subsidiaries (excluding ordinary course renewals or renegotiations of contractual terms).

Section 4.16 No Vote of Parent Stockholders. Assuming the performance by the Company of its obligations pursuant to Section 2.1(b) and the accuracy of the representations set forth in Section 3.24 (No Ownership of Parent Common Stock), no vote of the stockholders of Parent or the holders of any other securities of Parent (equity or

otherwise) is required by Law, the Parent Charter or Parent Bylaws or the applicable rules of Nasdaq in order for Parent to consummate the transactions contemplated by this Agreement, including the Merger.

Section 4.17 Brokers and Finders Fees. Except for Credit Suisse Securities (USA) LLC, the fees and expenses of which will be paid exclusively by Parent or Merger Sub, no broker, investment banker, financial advisor or other Person is entitled to any broker's, finder's, financial advisor's or other similar fee or commission in connection with the Merger or any of the other transactions contemplated by this Agreement based upon arrangements made by or on behalf of Parent or any of its Subsidiaries.

Section 4.18 Financing.

(a) Parent has delivered to the Company complete and correct copies of the fully executed Commitment Letter from the Financing Sources named therein, pursuant to which such Financing Sources have committed, upon the terms and subject only to the conditions set forth therein, to provide the debt financing described therein in connection with the transactions contemplated by this Agreement.

(b) The Commitment Letter is in full force and effect and sets forth the legal, valid and binding obligations of Parent, Merger Sub and, to the Knowledge of Parent, the other parties thereto and is enforceable in accordance with its terms against each of the parties thereto, subject, in each case, to the Bankruptcy and Equity Exception. All commitment fees and other fees required to be paid thereunder have been paid in full or will be duly paid in full as and when due, and Parent and Merger Sub have otherwise satisfied all of the other terms and conditions required to be satisfied by them pursuant to the terms of the Commitment Letter on or prior to the date hereof. The Commitment Letter has not been amended, modified, rescinded, withdrawn or terminated in any respect on or prior to the date hereof, and no such amendment, modification or termination is contemplated or the subject of current discussions as of the date hereof other than as would not require a Consent or waiver of this Agreement. As of the date hereof no event has occurred which, with or without notice, lapse of time or both, would constitute or reasonably be expected to constitute a breach or default by Parent or Merger Sub or any of its Affiliates or, to the Knowledge of Parent, any other Person, thereunder or otherwise result in any portion of the Financing contemplated thereby to be unavailable. The consummation of the Financing and the obligation of the Financing Sources party to the Commitment Letter to make the full amount of the Financing available to Parent at the Closing are subject to no conditions precedent other than those expressly set forth in the copy of the Commitment Letter delivered to the Company. Except for the Commitment Letter, as of the date hereof, there are no side letters or other agreements, Contracts, understandings or arrangements related to the funding of the Financing (except for customary fee or fee credit letters relating to the Financing, a true, complete and fully executed copy of each of which has been provided to the Company, with only the fee amounts, market flex, pricing terms, pricing caps and other commercially sensitive terms redacted). As of the date hereof, neither Parent nor Merger Sub has any reason to believe that any of the conditions to the funding of the full amount of the Financing will not be satisfied or the Financing will not be consummated and available in full on or before the date of the Closing. The aggregate proceeds of the Financing will be sufficient to enable Parent and Merger Sub to consummate the Merger on the terms contemplated by this Agreement, and to make all payments contemplated by this Agreement, including payment of the Merger Consideration, repayment or refinancing of any indebtedness required as a result of the consummation of the Merger, and all fees and expenses in connection with the Merger and the other transactions contemplated hereby.

(c) A breach of this Section 4.18 shall not result in a failure of a condition pursuant to Section 7.3(a) if Parent is capable of financing the transactions contemplated by this Agreement on the Closing Date, notwithstanding the provisions of this Section 4.18.

Section 4.19 No Ownership of Company Common Stock. Neither Parent nor any of its Subsidiaries (including Merger Sub) nor any of Parent's affiliates or associates (as such terms are defined in Section 203 of the DGCL), currently, or at any time in the three years prior to the date of this Agreement, (a) beneficially owns or owned, directly or indirectly, any shares of Company Common Stock or other securities convertible into, exchangeable for or

exercisable for shares of Company Common Stock or any securities of any Subsidiary of the Company, (b) has or had any rights to acquire any shares of Company Common Stock except pursuant to this Agreement, and (c) is or was an interested stockholder of the Company (as such term is defined in Section 203

of the DGCL). There are no voting trusts or other agreements or understandings to which Parent or any of its Subsidiaries (including Merger Sub) is a party with respect to the voting of the capital stock or other equity interest of the Company or any of its Subsidiaries.

Section 4.20 Solvency. Assuming (i) the satisfaction of the conditions to Parent's obligation to consummate the Merger, (ii) the accuracy of the representations and warranties set forth in Article III (for such purposes, without giving effect to any Knowledge, materiality or Material Adverse Effect qualifications or exceptions therein), (iii) the estimates, projections or forecasts provided by or on behalf of the Company or its Subsidiaries to Parent or Merger Sub, or any of their respective Representatives, prior to the date hereof have been prepared in good faith on assumptions that were, and continue to be, reasonable, at and immediately after Closing, and (iv) immediately prior to the Effective Time the Company is Solvent, after giving effect to the transactions contemplated by this Agreement, including the Financing, any Alternative Financing, the payment of the aggregate Merger Consideration, any repayment or refinancing of debt contemplated in this Agreement or the Commitment Letter and the payment of all related fees and expenses, the Surviving Corporation on a consolidated basis will be Solvent as of the Effective Time and immediately after the consummation of the transactions contemplated hereby. For purposes of this Agreement,

Solvent when used with respect to any Person, means that such Person (a) has assets with an aggregate fair value greater than the total amount of their debts and liabilities, contingent, subordinated or otherwise (it being understood that the amount of contingent liabilities at any time shall be computed as the amount that, in light of all the facts and circumstances existing at such time, can reasonably be expected to become an actual or matured liability), (b) has assets with present fair salable value not less than the amount that will be required to pay their liability on their debts as they become absolute and matured, (c) will be able to pay its debts and liabilities, subordinated, contingent or otherwise, as they become absolute and matured and (d) are not engaged in business or a transaction, and are not about to engage in business or a transaction, for which they have unreasonably small capital.

Section 4.21 No Other Representations and Warranties; Disclaimers. Except for the representations and warranties expressly contained in Article III, Parent and Merger Sub agree and acknowledge that none of the Company or any Person on behalf of the Company is making or has made, and each of Parent and Merger Sub hereby agrees it is not relying upon, any other express or implied representation or warranty with respect to the Company or any of its Subsidiaries, their respective businesses, operations, assets, liabilities, financial condition, results of operations, future operating or financial results, estimates, projections, forecasts, plans or prospects (including the reasonableness of the assumptions underlying such estimates, projections, forecasts, plans or prospects), or with respect to any other information provided or made available to Parent or Merger Sub or their Representatives in connection with the transactions contemplated by this Agreement, including information conveyed at management presentations, in virtual data rooms or in due diligence sessions and, without limiting the foregoing, including any estimates, projections, predictions or other forward-looking information.

In addition, the information supplied or to be supplied by or on behalf of either party hereto for inclusion in any filing pursuant to Rule 165 and Rule 425 under the Securities Act or Rule 14a-12 under the Exchange Act (each, a ***Regulation M-A Filing***) shall not, at the time any such Regulation M-A Filing is filed with the SEC, contain any untrue statement of a material fact or omit to state any material fact required to be stated therein or necessary in order to make the statements therein, in the light of the circumstances under which they were made, not misleading; provided that, neither party makes any such covenant with respect to information supplied by the other party.

(e) Without limiting the generality of the foregoing, prior to the Effective Time (i) the Company and Parent shall notify each other as promptly as practicable upon becoming aware of any event or circumstance which should be described in an amendment of, or supplement to, the Form S-4, Proxy Statement/Prospectus or any Regulation M-A Filing so that any such document would not include any misstatement of material fact or omit to state any material fact necessary to make the statements therein, in light of the circumstances under which they are made, not misleading, and as promptly as practicable thereafter, an appropriate amendment or supplement describing such information shall be filed promptly with the SEC and, to the extent required by applicable Law or the SEC, disseminated to the stockholders of the Company. The Company and Parent shall each notify the other as promptly as practicable after the receipt by such party of any written or oral comments of the SEC or its staff on, or of any written or oral request by the SEC or its staff for amendments or supplements to, the Form S-4, the Proxy Statement/Prospectus or any Regulation M-A Filing, and shall promptly supply the other with copies of all correspondence between it or any of its Representatives and the SEC or its staff with respect to any of the foregoing filings. Notwithstanding the foregoing, prior to filing the Proxy Statement/Prospectus and Form S-4 or responding to any comments of the SEC or its staff with respect thereto, each of the Company and Parent shall provide the other and its counsel a reasonable opportunity to review such document or response (including the proposed final version of such document or response) and consider in good faith the comments of the other party in connection with any such document or response. None of the Company, Parent or their respective Representatives shall participate in any material or substantive meeting or conference (including by telephone) with the SEC, or any member of the staff thereof, in respect of the Form S-4 or the Proxy Statement/Prospectus unless it consults with the other party in advance and, to the extent permitted by the SEC, allows the other party to participate. Parent shall advise the Company, promptly after receipt of notice thereof, of the time of effectiveness of the Form S-4, and the issuance of any stop order relating thereto or the suspension of the qualification of shares of Parent Common Stock for offering or sale in any jurisdiction, and each of the Company and Parent shall use its reasonable best efforts to have any such stop order or suspension lifted, reversed or otherwise terminated.

(f) Each of the Company and Parent shall make any other necessary filings with respect to the Merger under the Securities Act and the Exchange Act and the rules and regulations thereunder and shall use reasonable best efforts to ensure that such filings after the date of this Agreement and prior to the Closing Date (and, if amended or superseded by a filing prior to the Closing Date, then on the date of such filing) will not contain any untrue statement of a material fact or omit (or will have omitted) to state a material fact required to be stated therein or necessary in order to make the statements therein, in the light of the circumstances under which they were made, not misleading; provided that neither party makes any such covenant with respect to information supplied by the other party. In addition, Parent shall use reasonable best efforts to take all actions required under any applicable federal or state securities or blue sky Laws in connection with the issuance of shares of Parent Common Stock in the Merger.

Section 6.2 Company Stockholders Meeting; Company Board Recommendation. Subject to applicable Law, the rules and regulations of Nasdaq, the Company Charter and the Company Bylaws, the Company shall establish a

record date (with prior consultation with Parent) for, call, give notice of, convene and hold a meeting of the stockholders of the Company (the ***Company Stockholders Meeting***) as soon as reasonably practicable

following the date the Form S-4 is declared effective by the SEC and the SEC Staff advises that it has no further comments on the Proxy Statement/Prospectus or that the Company may commence mailing the Proxy Statement/Prospectus (and in no event later than 45 days after the commencement of the mailing of the Proxy Statement/Prospectus to the stockholders of the Company) for the purpose of voting upon the adoption of this Agreement in accordance with the DGCL. Notwithstanding the foregoing, (a) if (1) there are insufficient shares of the Company Common Stock necessary to conduct business at the Company Stockholders Meeting, or (2) the Company has not received proxies representing a sufficient number of shares of Company Common Stock to obtain the Company Stockholder Approval, the Company may extend the date of the Company Stockholders Meeting to the extent (and only to the extent) the Company determines in good faith that such delay is reasonably necessary in order to conduct business at the Company Stockholders Meeting or obtain proxies representing a sufficient number of shares of Company Common Stock to obtain the Company Stockholder Approval, as applicable; provided that in no event shall the Company postpone or adjourn the Company Stockholders Meeting pursuant to clause (a) of this Section 6.2 for more than 10 Business Days later than the most recently adjourned meeting or to a date more than 30 Business Days after the original date of the Company Stockholders Meeting, (b) the Company may delay the Company Stockholders Meeting to the extent (and only to the extent) the Company determines in good faith that such delay is required by applicable Law (including the applicable rules and regulations of Nasdaq), including to comply with comments made by the SEC with respect to the Proxy Statement/Prospectus or the Form S-4, (c) the Company may delay the Company Stockholders Meeting to ensure that any supplement or amendment to the Proxy Statement/Prospectus required under applicable Law (including the applicable rules and regulations of Nasdaq) is timely provided to the stockholders of the Company within a reasonable amount of time, in the good faith judgment of the Company (after consultation with its outside legal counsel), in advance of the Company Stockholders Meeting, and/or (d) the Company may delay the Company Stockholders Meeting to the extent (and only to the extent) that Parent provides its prior written consent (not to be unreasonably withheld, conditioned or delayed). Unless the Company has effected a Change of Board Recommendation as provided in Section 6.3, the Company shall use its reasonable best efforts to solicit from stockholders of the Company proxies in favor of the adoption of this Agreement in accordance with the DGCL and shall use its reasonable best efforts to secure the Company Stockholder Approval at the Company Stockholders Meeting. The Company shall keep Parent reasonably informed regarding its solicitation efforts and proxy tallies following the mailing of the Proxy Statement/Prospectus, including by allowing Parent and its Representatives to participate in meetings and discussions with the Company and its proxy solicitor and by directing such proxy solicitor to provide regular reports to Parent. Notwithstanding any Change of Board Recommendation pursuant to Section 6.3, unless this Agreement is otherwise terminated in accordance with its terms, this Agreement shall be submitted to the Company's stockholders at the Company Stockholders Meeting for the purpose of obtaining the Company Stockholder Approval, and nothing contained herein shall be deemed to relieve the Company of such obligation. Once the Company has established a record date for the Company Stockholders Meeting, the Company will not change such record date or establish a different record date without the prior written consent of Parent, which shall not be unreasonably withheld, conditioned or delayed. Without the prior written consent of Parent, which shall not be unreasonably withheld, conditioned or delayed, the adoption of this Agreement will be the only matter (other than related procedural matters) that the Company will propose to be acted on by the Company's stockholders at the Company Stockholders Meeting.

Section 6.3 No Solicitation.

(a) Except as otherwise permitted by the other clauses of this Section 6.3, from and after the date hereof until the Effective Time or, if earlier, the termination of this Agreement in accordance with Article VIII, none of the Company or any of its Subsidiaries shall, and the Company shall instruct its Representatives not to, directly or indirectly, (i) whether publicly or otherwise, initiate or solicit the submission of any offer, inquiry, proposal or indication of interest that constitutes, or would reasonably be expected to lead to, an Acquisition Proposal, (ii) furnish to any third party any non-public information relating to the Company or any of its Subsidiaries, or afford to any third party access

to the business, books, records or other non-public information, or to any personnel, of the Company or any of the Subsidiaries of the Company, in any such case with the intent to encourage or induce the making, submission or announcement of any offer, inquiry, proposal or indication of

interest that constitutes, or would reasonably be expected to lead to, an Acquisition Proposal, (iii) enter into, conduct, participate, maintain or engage in any discussions or negotiations with any third party with respect to any offer, inquiry, proposal or indication of interest that constitutes, or would reasonably be expected to lead to, an Acquisition Proposal (other than solely to (x) inform any third party of the existence of the provisions contained in this [Section 6.3](#) or (y) seek clarification regarding the terms or conditions of any offer, inquiry, proposal or indication of interest), (iv) approve, adopt, declare advisable or recommend an Acquisition Proposal, (v) withdraw (or qualify, amend or modify in any manner adverse to Parent or Merger Sub) the Company Board Recommendation, (vi) fail to include the Company Board Recommendation in the Proxy Statement/Prospectus, (vii) if a tender offer or exchange offer that constitutes an Acquisition Proposal is commenced, fail to publicly recommend against acceptance of such tender offer or exchange offer by the Company's stockholders (including, for these purposes, by disclosing that it is taking no position with respect to the acceptance of such tender offer or exchange offer by the Company's stockholders, which shall constitute a failure to recommend against acceptance of such tender offer or exchange offer) by the close of business on the 10th business day after the commencement thereof pursuant to Rule 14d-2 under the Exchange Act (it being understood and agreed that the Company's Board of Directors may take no position with respect to such tender offer or exchange offer during the period referred to in this clause), (viii) other than with respect to any tender offer or exchange offer, fail to publicly reaffirm the Company Board Recommendation within 10 Business Days following Parent's reasonable written request for the same, (ix) enter into any letter of intent, memorandum of understanding, agreement in principle or other similar document, or any Contract providing for any Acquisition Proposal or requiring the Company to abandon, terminate or fail to consummate, the Merger, or (x) resolve, publicly propose or agree to do any of the foregoing (any action set forth in the foregoing clauses (iv), (v), (vi), (vii), (viii) or (x) (to the extent related to the foregoing clauses (iv), (v), (vi), (vii), or (viii)), a ***Change of Board Recommendation***). The Company shall immediately cease and cause to be terminated any and all existing activities, discussions or negotiations with any Persons (other than Parent) conducted prior to or as of the date hereof by the Company or any of its Subsidiaries, and will instruct its Representatives to cease and cause to be terminated any and all existing activities, discussions or negotiations, that would reasonably be expected to lead to any Acquisition Proposal, and shall, as promptly as practicable, terminate access by each such Person and its Representatives to any online or other data rooms containing any non-public information in respect of the Company or any of its Subsidiaries for the purpose of permitting such Persons to evaluate a potential Acquisition Proposal. The Company shall, as soon as practicable following the date hereof, request of each Person that has, during the 12 months prior to the date hereof, executed a confidentiality agreement in connection with its consideration of an Acquisition Proposal, to promptly return or destroy all confidential information furnished prior to the execution of this Agreement to or for the benefit of such Person by or on behalf of the Company or any of its Subsidiaries.

(b) Notwithstanding anything to the contrary contained in Section 6.3(a), but subject to [Section 6.3\(c\)](#), if at any time following the date hereof and prior to the time that the Company Stockholder Approval is obtained (i) the Company receives a *bona fide* written offer, inquiry, proposal or indication of interest with respect to an Acquisition Proposal that was not solicited in violation of [Section 6.3\(a\)](#) and (ii) the Board of Directors of the Company determines in good faith, after consultation with the Company's financial advisor and outside legal counsel, that such offer, inquiry, proposal or indication of interest constitutes or would reasonably be expected to lead to a Superior Proposal, then the Company may in response to such offer, inquiry, proposal or indication of interest (A) furnish information with respect to the Company and the Subsidiaries of the Company, and afford access to the business, books, records or other non-public information, or to any personnel, of the Company or any of the Subsidiaries of the Company, to the third party making such offer, inquiry, proposal or indication of interest, its Representatives and potential sources of financing and (B) enter into, conduct, participate, maintain or engage in discussions or negotiations with the third party making such offer, inquiry, proposal or indication of interest, its Representatives and potential sources of financing regarding such offer, inquiry, proposal or indication of interest, in each case, only if (1) the Company gives Parent a written notice that states that the Company has received such offer, inquiry, proposal or indication of interest and includes all the information required by [Section 6.3\(c\)](#) in accordance with [Section 6.3\(c\)](#) and thereafter continues

to comply with Section 6.3(c) and Section 6.3(d), (2) prior to furnishing any non-public information to such Person, the Company shall have entered into an Acceptable Confidentiality Agreement with such Person and prior to or

substantially contemporaneously with or within 24 hours following the provision of any non-public information concerning the Company or the Subsidiaries of the Company to any such Person, the Company provides such information to Parent (if such information has not previously been furnished to Parent or its Representatives) and (3) the Board of Directors of the Company shall have determined in good faith, after consultation with the Company's financial advisor and outside legal counsel, that the failure to take such action would be reasonably likely to be inconsistent with its fiduciary duties under applicable Law.

(c) Promptly (and in any event within 24 hours) following the receipt by the Company, any of its Subsidiaries or any of their Representatives of (i) an Acquisition Proposal or (ii) any request for information or to engage in negotiations or discussions that would reasonably be expected to lead to an Acquisition Proposal, the Company shall provide Parent notice of (A) the receipt of such Acquisition Proposal, request or inquiry, (B) the identity of the third party making, and the material terms and conditions of, such Acquisition Proposal, request or inquiry and (C) a copy of all material written proposed agreements provided by such third party in connection with such Acquisition Proposal, request or inquiry. The Company shall keep Parent reasonably informed, on a prompt basis, of the status of, and the material terms and conditions of, such Acquisition Proposal, indication or request (including any changes thereto) and shall promptly (but in no event later than 24 hours after receipt) provide to Parent copies of all material materials sent to or provided to the Company or any of its Subsidiaries by or on behalf of such third party making such Acquisition Proposal that describe any material terms or conditions of any Acquisition Proposal (as well as written summaries of any material oral communications addressing such matters), in each case to the extent not previously provided.

(d) Notwithstanding anything to the contrary contained in Section 6.3(a), at any time prior to the time that the Company Stockholder Approval is obtained, the Board of Directors of the Company may, subject to compliance with the rest of this Section 6.3(d), in response to either an Intervening Event or a Superior Proposal, effect a Change of Board Recommendation or, solely in response to a *bona fide* written Acquisition Proposal, terminate this Agreement pursuant to Section 8.1(d)(iii) in order to enter into a definitive agreement with respect to a Superior Proposal. The Company shall not be entitled to effect a Change of Board Recommendation or terminate this Agreement pursuant to Section 8.1(d)(iii) in order to enter into a definitive agreement with respect to a Superior Proposal or Intervening Event pursuant to this Section 6.3(d) unless (A) the Company shall have provided to Parent at least four Business Days prior written notice (the **Notice Period**) of the Company's intention to take such action, which notice shall state expressly (1) that the Company has received a Superior Proposal or an Intervening Event has occurred, (2) in the case of a Superior Proposal, the material terms and conditions of such Superior Proposal and the identity of the Third Party making such Superior Proposal, or, in the case of an Intervening Event, the material facts and circumstances (based on information then reasonably available) related to such Intervening Event, and (3) that it intends to effect a Change of Board Recommendation or terminate this Agreement pursuant to Section 8.1(d)(iii) in order to enter into a definitive agreement with respect to a Superior Proposal and (B) the Board of Directors of the Company shall have determined in good faith, after consultation with outside legal counsel, that the failure to take such action would be reasonably likely to be inconsistent with its fiduciary duties under applicable Law. During the Notice Period, if requested by Parent, the Company shall engage in good faith negotiations with Parent and its Representative regarding any amendment to this Agreement proposed in writing by Parent, and the Board of Directors of the Company shall consider in good faith any adjustments and/or proposed amendments to this Agreement (including a change to the price terms hereof) that, if accepted by the Company, would be binding upon Parent (the **Proposed Changed Terms**), by no later than 11:59 p.m. (Central Time), on the last day of the Notice Period. Notwithstanding anything in this Section 6.3(d) to the contrary, the Board of Directors of the Company may not effect a Change of Board Recommendation or terminate this Agreement pursuant to Section 8.1(d)(iii) in order to enter into a definitive agreement with respect to a Superior Proposal until the expiration of the Notice Period and unless and until the Board of Directors of the Company concludes in good faith, after considering the Proposed Changed Terms (if any are proposed by Parent) and consultation with outside legal counsel, that the failure to take such action would still be reasonably likely to be inconsistent with its fiduciary duties under applicable Law. In the event of any material

revisions or modifications to the material terms of such Superior Proposal, the Company shall be required to promptly (but in any event within 24 hours) deliver a new written notice to Parent and again comply with the requirements of this Section 6.3(d) with respect to such new written notice, except that the

Notice Period shall be two Business Days with respect to any such revised Superior Proposal, but no such new written notice shall shorten the original Notice Period.

(e) Nothing contained in this Section 6.3 shall prohibit the Board of Directors of the Company from (i) disclosing to the stockholders of the Company a position contemplated by Rule 14e-2(a), Rule 14d-9 and Item 1012(a) of Regulation M-A promulgated under the Exchange Act (or any similar communication to stockholders in connection with the making or amendment of a tender offer or exchange offer) or (ii) making any disclosure that constitutes a stop, look and listen (or similar) statement pending disclosure of its position, as contemplated by Rules 14d-9 and 14e-2(a) promulgated under the Exchange Act, which actions shall not constitute or be deemed to constitute a Change of Board Recommendation; provided that, (A) in the case of the foregoing clause (i), if such disclosure does not reaffirm the Company Board Recommendation, this Section 6.3(e) shall not prevent disclosure from being treated as a Change of Board Recommendation in accordance with the terms of Section 6.3(a) and (B) the issuance by the Company or the Board of Directors of the Company of a stop, look and listen statement pending disclosure of its position, as contemplated by Rules 14d-9 and 14e-2(a) promulgated under the Exchange Act, shall not constitute a Change of Board Recommendation and Parent not shall have the right to terminate this Agreement as set forth in Section 8.3(a).

Section 6.4 Access to Information. The Company shall, and shall cause each of its Subsidiaries to, afford the Representatives of Parent reasonable access during normal business hours and upon reasonable advance notice to its and its Subsidiaries properties, books and records (including Tax records and information necessary to confirm disclosures in the Proxy Statement/Prospectus and Form S-4) and personnel, and shall use its reasonable best efforts to furnish, or cause to be furnished, promptly to Parent consistent with its legal obligations and obligations pursuant to Contracts all other information concerning the Company s and its Subsidiaries business, properties and personnel as Parent may reasonably request; provided, however, that (a) such access or provision of information shall not unreasonably interfere with the business or operations of the Company and its Subsidiaries, (b) the Company shall not be obligated to provide such access or information if the Company determines, in its reasonable judgment, that doing so would violate applicable Law or a Contract or obligation of confidentiality owing to a third party, jeopardize the protection of the attorney-client or any other privilege, or expose such party to risk of liability for disclosure of sensitive or personal information (any such information, the ***Restricted Information***); provided that the Company shall use its reasonable best efforts to allow for such access or disclosure in a manner that would not violate any such Law, Contract or obligation or jeopardize the protection of the attorney-client or other privilege, or expose any such party to risk of liability for disclosure of sensitive or personal information, and (c) the Company will be permitted to redact any information or documentation provided to the extent that such information or documentation includes competitively or commercially sensitive information; provided, further, that the Company may restrict the foregoing access to those Persons who have entered into or are bound by a confidentiality agreement with it or Parent and to the extent required by applicable Law or Contract to which the Company or its respective Subsidiaries is a party. In conducting any inspection of any properties of the Company and its Subsidiaries, Parent and its Representatives shall not (i) unreasonably interfere with the business conducted at such property or (ii) damage any property or any portion thereof. All information obtained pursuant to this Section 6.4 shall continue to be governed by the Confidentiality Agreement which shall remain in full force and effect in accordance with its terms. Nothing in this Section 6.4 shall require the Company to permit the inspection of, or to disclose, any Acquisition Proposals or any information regarding or related to the deliberations of the Board of Directors of the Company with respect to the transactions contemplated by this Agreement, the entry into the Agreement, any of the matters referred to in Section 6.3 or any materials provided to the Board of Directors of the Company in connection therewith, in each case, except to the extent such information is required to be disclosed in the Form S-4 or Proxy Statement/Prospectus.

Section 6.5 Consents, Approvals and Filings.

(a) Upon the terms and subject to the conditions set forth in this Agreement, Parent, Merger Sub and the Company shall, and shall cause their respective Subsidiaries to, use their reasonable best efforts to take, or cause to be taken, and to do, or cause to be done, as promptly as practicable, all actions necessary, proper or advisable

to consummate the Merger as promptly as practicable, including to use reasonable best efforts to, as promptly as practicable, (i) prepare and file all Filings required to be made under the HSR Act or any other Antitrust Laws, (ii) obtain all Consents, Orders, actions or nonactions, required under the HSR Act or any other applicable Law, and (iii) obtain all necessary Consents and make all Filings from non-Governmental Entity third parties; provided that, in each case, in no event shall the Company or its Subsidiaries be obligated to pay or to commit to pay to any Person whose Consent or waiver is being sought any cash or other consideration, or make any accommodation or commitment or incur any liability or other obligation to such Person in connection with such consent or waiver. The parties understand and agree that Parent's and Merger Sub's obligation to use reasonable best efforts to take, or cause to be taken, and to do, or cause to be done, all actions necessary, proper or advisable to consummate the Merger as promptly as practicable pursuant to this Section 6.5(a) includes the obligation for Parent and Merger Sub to expeditiously comply with any requests or inquiries for additional information or documentation (including any second request) by any Governmental Entity and to enter into or agree to divestitures, hold separate arrangements, the termination, assignment, novation or modification of Contracts or other business relationships, the acceptance of restrictions on business operations, the entry into other commitments and limitations, and litigation, including with Governmental Entities, to obtain the approvals, Consents, Orders, registrations, Permits, authorizations and other confirmations described in clause (i) and (ii) of this Section 6.5(a) required to be obtained from any Governmental Entity required to consummate the transactions contemplated hereby so long as such actions would not have, individually or in the aggregate, a material adverse effect on the business, results of operations or financial condition of Parent and its Subsidiaries, taken as a whole, or on the Company and its Subsidiaries, taken as a whole. In furtherance and not in limitation thereof, not later than 10 Business Days following the date of this Agreement, the Company and Parent shall each make an appropriate filing of a notification and report form pursuant to the HSR Act with the Federal Trade Commission and the Antitrust Division of the United States Department of Justice with respect to the Merger and the transactions contemplated hereby. Parent and the Company shall promptly notify the other party of any notice or other communication from any Governmental Entity received by such party alleging that such Governmental Entity's consent is or may be required in connection with or as a condition of the Merger.

(b) The Company and Parent shall use reasonable best efforts to (i) cooperate and coordinate with the other party in the taking of the actions contemplated by Section 6.5(a), (ii) provide such assistance as the other party may reasonably request in connection with the foregoing, including supplying the other party with any information that the other party may reasonably request in order to effectuate the taking of such actions, and (iii) keep the other party reasonably and timely informed of any developments, meetings, or discussions with any Governmental Entity under any Antitrust Laws, and any inquiries or requests for additional information, from any Governmental Entity under any Antitrust Laws. If the Company or Parent receives a formal or informal request for additional information or documentary material from any Governmental Entity under any Antitrust Laws with respect to the Merger or the other transactions contemplated hereby, then it shall use reasonable best efforts to make, or cause to be made, as promptly as reasonably practicable and after consultation with the other party, an appropriate response in compliance with such request. In addition, to the extent practicable, none of the parties shall agree to participate in any substantive meeting or conference (telephone, in-person or otherwise) with any Governmental Entity, or any member of the staff of any Governmental Entity, in respect of any Filing, Proceeding, investigation (including any settlement of the investigation), litigation, or other inquiry under any Antitrust Laws unless it consults with the other party in advance and, where permitted by such Governmental Entity, allows the other party to participate. To the extent reasonably practicable, legal counsel for Parent and for the Company shall have the right to review in advance, and will consult with the other party on and consider in good faith the views of the other party in connection with, all of the information relating to Parent or the Company, as the case may be, and any of their respective Subsidiaries and Representatives, that appears in any filing made with, or written materials submitted to, any third party or Governmental Entity in connection with the Merger and the other transactions contemplated hereby. In exercising the foregoing rights, each of Parent and the Company shall act reasonably and as promptly as practicable. Information disclosed pursuant to this Section 6.5 shall be subject to the Confidentiality Agreement and Section 6.5(d) hereof.

Neither Parent nor the Company shall be required to comply with any of the foregoing provisions of this Section 6.5(b) to the extent that such compliance would be prohibited by applicable Law. The parties shall not voluntarily extend any waiting period

associated with any Consent of any Governmental Entity or enter into any agreement with any Governmental Entity not to consummate the Merger and the other transactions contemplated hereby, except with the prior written consent of the other parties (not to be unreasonably withheld, conditioned or delayed).

(c) Parent shall not, and shall cause its Affiliates not to, directly or indirectly, acquire, purchase, lease or license (or agree to acquire, purchase, lease or license), whether by merging with or into or consolidating with, or by purchasing a substantial portion of the assets of or equity in, or by any other manner, any Person or any business or any corporation, partnership, association or other business organization or division or part thereof, or any securities or collection of assets, or take any other action, if doing so would reasonably be expected to: (i) impose any material delay in the obtaining of, or materially increase the risk of not obtaining, any Consent, action or nonaction, waiver, clearance or exemption of any Governmental Entity necessary to consummate the Merger and the other transactions contemplated hereby or the expiration or termination of any applicable waiting period; (ii) materially increase the risk of any Governmental Entity seeking entry of an Order preventing, restraining, impeding, delaying, enjoining or otherwise prohibiting the consummation of the Merger and the other transactions contemplated hereby; (iii) materially increase the risk of not being able to remove any such Order on appeal or otherwise; or (iv) prevent or materially delay the consummation of the Merger and the other transactions contemplated hereby.

(d) Notwithstanding anything to the contrary in this Section 6.5, (i) if any information or documentation provided by the delivering party to the other party pursuant to this Section 6.5 contains competitively or commercially sensitive material, if requested by the delivering party, such information or documentation will only be provided to outside antitrust counsel of the receiving party (and/or to such other individuals of the receiving party or the Representatives thereof to whom the delivering party expressly provides permission (the *Permitted Individuals*)) and shall not be disclosed by such outside antitrust counsel or other Permitted Individuals to any individuals other than Permitted Individuals (including employees, officers or directors of the receiving party) unless express permission is obtained in advance from the delivering party and (ii) any information or documentation provided pursuant to this Section 6.5 may be redacted to the extent necessary (A) to comply with any contractual arrangement, (B) to remove references concerning valuation, or (C) to address privilege or confidentiality concerns.

Section 6.6 Employee Matters.

(a) Until the 12 month anniversary of the Effective Time (the *Benefits Continuation Period*), the Surviving Corporation shall provide, or cause to be provided, for those employees of the Company and its Subsidiaries who continue as employees of the Surviving Corporation or any of its Subsidiaries during all or a portion of the Benefits Continuation Period (the *Continuing Employees*), compensation (including base salary, bonus, commission-based and other incentive compensation opportunities) and employee benefits that, in the aggregate, with respect to each Continuing Employee, are not less favorable than the compensation and employee benefits provided by the Company or the applicable Subsidiary to such Continuing Employee immediately prior to the Effective Time (provided that the base salary of each Continuing Employee shall not be reduced during the Benefits Continuation Period). Nothing herein shall be deemed to be a guarantee of employment for any current or former employee of the Company or any of its Subsidiaries, or other than as provided in any applicable employment agreement or other Contract, to restrict the right of Parent or the Surviving Corporation to terminate the employment of any such employee.

(b) The Surviving Corporation shall (i) waive, or cause to be waived, any applicable pre-existing condition exclusions and waiting periods with respect to participation and coverage requirements in any replacement or successor welfare benefit plan of the Surviving Corporation or any of its Affiliates in which a Continuing Employee is eligible to participate following the Effective Time to the extent such exclusions or waiting periods were inapplicable to, or had been satisfied by, such Continuing Employee immediately prior to the Effective Time under the analogous Company Benefit Plan in which such Continuing Employee participated, (ii) provide, or cause to be provided, each Continuing

Employee with credit for any co-payments and deductibles paid prior to the Effective Time (to the same extent such credit was given under the analogous Company Benefit Plan prior to the Effective Time) in satisfying any applicable deductible or out-of-pocket requirements, and (iii) recognize, or

cause to be recognized, service prior to the Effective Time with the Company or any of its Subsidiaries for purposes of eligibility to participate, vesting, determination of level of benefits and benefits accrual to the same extent such service was recognized by the Company or any of its Subsidiaries under the analogous Company Benefit Plan in which such Continuing Employee participated immediately prior to the Effective Time; provided, however, that the foregoing shall not apply to the extent it would result in any duplication of benefits for the same period of service; and, provided further, that the Surviving Corporation shall not be obligated to provide credit for years of service for benefit accrual purposes under any defined benefit pension plan maintained by the Surviving Corporation or its Subsidiaries prior to the date on which the Continuing Employee actually becomes a participant in such plan (it being understood that the Surviving Corporation shall in all cases provide credit for years of service for benefit accrual purposes in accordance with the terms and conditions of each such defined benefit pension plan as in effect immediately prior to the Effective Time).

(c) From and after the Effective Time, Parent shall honor, and shall cause its Subsidiaries to honor, in accordance with its terms, (i) each employment, change in control, severance and termination protection plan, policy or agreement of or between the Company or any of its Subsidiaries and any current or former officer, director or employee, as in effect as of the date of this Agreement or adopted thereafter in compliance with Section 5.2, including those described in Section 6.6(c) of the Company Disclosure Letter and previously provided to Parent, (ii) all obligations in effect as of the Effective Time under any equity-based or bonus plans, programs or agreements of the Company or any of its Subsidiaries, and (iii) all obligations in effect as of the Effective Time pursuant to outstanding retention plans, programs or agreements, and all vested and accrued benefits under any employee benefit, employment compensation or similar plans, programs, agreements or arrangements of the Company or any of its Subsidiaries. Parent and Merger Sub acknowledge that the consummation of the Merger and the transactions contemplated by this Agreement will constitute a change in control of the Company under the terms of the Company's employee plans, programs, arrangements and contracts containing provisions triggering payment, vesting or other rights upon a change in control or similar transaction.

(d) Parent shall cause the Surviving Corporation and each of its Subsidiaries, for a period commencing at the Effective Time and ending 90 days thereafter, not to effectuate a plant closing or mass layoff as those terms are defined in WARN affecting in whole or in part any site of employment, facility, or operating unit of the Surviving Corporation or any of its Subsidiaries, and shall cause the Surviving Corporation and each of its Subsidiaries not to take any such action after such 90-day period without complying with all provisions of WARN.

(e) Notwithstanding any other provision of this Agreement to the contrary, Parent shall or shall cause the Surviving Corporation to provide Continuing Employees whose employment terminates during the Benefits Continuation Period with severance benefits not materially less favorable than the severance benefits that would have been provided in accordance with the Company's past practices or any severance plans, policies or commitments applicable to such Continuing Employee immediately prior to the Effective Time, if any.

(f) Nothing contained in this Agreement, whether express or implied, (i) shall be treated as an amendment or other modification of any Company Benefit Plan, (ii) shall create any third-party beneficiary rights in any Person, or (iii) subject to the requirements of this Section 6.6, shall limit the right of Parent or the Surviving Corporation or any of its Subsidiaries to amend, terminate or otherwise modify any Company Benefit Plan following the Closing Date.

Section 6.7 Expenses. Whether or not the Merger is consummated, all costs and expenses incurred in connection with this Agreement, the Merger and the other transactions contemplated by this Agreement shall be paid by the party incurring such expense.

Section 6.8 Directors and Officers Indemnification and Insurance.

(a) From and after the Effective Time, Parent shall, and shall cause the Surviving Corporation and each of its Subsidiaries to, jointly and severally, to the fullest extent permitted by Law (including to the fullest extent

authorized or permitted by any amendments to or replacements of applicable Law adopted after the date of this Agreement that increase the extent to which indemnification may be provided), indemnify, defend and hold harmless (and promptly advance expenses from time to time as incurred to the fullest extent permitted by Law; provided the Person to whom expenses are advanced provides a reasonable and customary undertaking (which shall not include posting of any collateral) to repay such advances, if it is ultimately determined that such Person is not entitled to indemnification) each Person who is now, or has been at any time prior to the Effective Time or who becomes prior to the Effective Time, a director or officer of the Company or any of its Subsidiaries and any Person acting as director, officer, trustee, fiduciary, employee or agent of another Person (including any Company Benefit Plan) who is or has acted as such at the request of the Company or any such Subsidiary (each an ***Indemnified Party***) from and against any and all costs or expenses (including reasonable attorneys' fees, expenses and disbursements), judgments, fines, losses, claims, damages, penalties, liabilities and amounts paid in settlement or incurred in connection with any actual or threatened claim (including a claim of violation of applicable Law), action, audit, demand, suit, other Proceeding or investigation, whether civil, criminal, administrative, regulatory or investigative or other Proceeding at law or in equity or order or ruling, by reason of the fact that the Indemnified Party is or was a director or officer of the Company or its Subsidiaries or is or was a director, officer, trustee, fiduciary, employee or agent of another Person at the request of the Company, including the approval of this Agreement and the Merger and the other transactions contemplated hereby or arising out of or pertaining to the Merger and the other transactions contemplated hereby, whether asserted or claimed prior to, at or after the Effective Time. Parent and the Surviving Corporation shall cooperate with any Indemnified Party in the defense of any matter covered by this Section 6.8. Without limitation of the foregoing or any other provision of this Section 6.8, Parent and the Company agree that all rights to indemnification and exculpation from liability for acts or omissions occurring at or prior to the Effective Time and the rights to advancement of expenses relating thereto now existing in favor of any Indemnified Party, whether provided in the certificate of incorporation or bylaws (or comparable organizational documents) of the Company or any of its Subsidiaries or in any indemnification agreement between such Indemnified Party and the Company or any of its Subsidiaries, shall survive the Merger, be honored by Parent, the Surviving Corporation and its Subsidiaries and continue in full force and effect, and shall not be amended, repealed or otherwise modified in any manner that would adversely affect any right thereunder of any such Indemnified Party.

(b) Subject to the following sentence, the Surviving Corporation shall, and Parent shall cause the Surviving Corporation and each Subsidiary thereof to (including by providing sufficient funds to the Surviving Corporation or the applicable Subsidiary), at no expense to the beneficiaries, either (i) continue to maintain in full force and effect for six years from the Effective Time, if available, the current directors' and officers' liability insurance and fiduciary liability insurance (the ***Current Insurance***) with respect to matters existing or occurring at or prior to the Effective Time (including the Merger and the other transactions contemplated hereby); provided that the Surviving Corporation may substitute for the Current Insurance policies of at least the same coverage containing terms and conditions that are not less favorable with respect to matters existing or occurring at or prior to the Effective Time (including the Merger and the other transactions contemplated hereby); or (ii) purchase a six year extended reporting period endorsement with respect to the Current Insurance (a ***Reporting Tail Endorsement***) and maintain such Reporting Tail Endorsement in full force and effect for its full term. To the extent purchased after the date of this Agreement and prior to the Effective Time, such insurance policies shall be placed through such broker(s) and with such insurance carriers as may be specified by Parent and as are reasonably acceptable to the Company; provided that such insurance carrier has at least an A rating by A.M. Best with respect to directors' and officers' liability insurance and fiduciary liability insurance. Notwithstanding the first sentence of this Section 6.8(b), but subject to the second sentence of this Section 6.8(b), the Company shall be permitted at its sole and exclusive option to purchase a Reporting Tail Endorsement prior to the Effective Time. Notwithstanding the foregoing, in no event shall Parent or the Surviving Corporation be required to expend for such policies an annual premium amount in excess of 300% of the annual premiums currently paid by the Company for such insurance; and, if the annual premiums of such insurance coverage exceed such amount, the Surviving Corporation shall obtain a policy with the greatest coverage available for a cost not

exceeding such amount; provided that in the event of the Current Insurance, Parent or the Surviving Corporation shall be

A-46

required to obtain as much coverage as is possible under substantially similar policies for such maximum annual amount in aggregate annual premiums.

(c) The certificate of incorporation and bylaws of the Surviving Corporation and each of its Subsidiaries shall include provisions for indemnification, advancement and reimbursement of expenses and exculpation of the Indemnified Parties that are no less favorable to the Indemnified Parties than the provisions for indemnification, advancement and reimbursement of expenses and exculpation of the Indemnified Parties as set forth in the Company Charter and the Company Bylaws in effect on the date of this Agreement. Following the Effective Time, the Surviving Corporation shall, and Parent shall cause the Surviving Corporation and its Subsidiaries to, maintain in effect and honor the provisions in its certificate of incorporation and bylaws providing for indemnification, advancement and reimbursement of expenses and exculpation of Indemnified Parties, as applicable, with respect to the facts or circumstances occurring at or prior to the Effective Time, to the fullest extent permitted from time to time under applicable Law, which provisions shall not be amended except as required by applicable Law or except to make changes permitted by applicable Law that would enlarge the scope of the Indemnified Parties' indemnification and advancement rights thereunder.

(d) If Parent or the Surviving Corporation or any of their respective successors or assigns (i) consolidates with or merges into any other Person and is not the continuing or surviving corporation or entity of such consolidation or merger or (ii) transfers all or substantially all of its properties and assets to any Person, then, and in each such case, Parent shall cause proper provisions to be made prior to the consummation of any transaction of the type described in clause (i) or clause (ii) of this sentence so that the successors and assigns of Parent or the Surviving Corporation, as the case may be, shall assume all of the obligations set forth in this Section 6.8.

(e) From and after the Effective Time, Parent and the Surviving Corporation shall not, directly or indirectly, amend, modify, limit or terminate the advancement and reimbursement of expenses, exculpation, indemnification provisions of the agreements listed in Section 6.8(e) of the Company Disclosure Letter between the Company or any Subsidiary and any of the Indemnified Parties, or any such provisions contained in the Surviving Corporation bylaws.

(f) This Section 6.8 is intended for the irrevocable benefit of, and to grant third-party rights to, the Indemnified Parties and shall be binding on all successors and assigns of Parent and the Surviving Corporation. The obligations of Parent and the Surviving Corporation under this Section 6.8 shall not be terminated or modified in such a manner as to adversely affect any Indemnified Party unless the affected Indemnified Party shall have consented in writing to such termination or modification. It is expressly agreed that each Indemnified Party shall be a third-party beneficiary of this Section 6.8, and entitled to enforce the covenants contained in this Section 6.8. If any Indemnified Party makes any claim for indemnification or advancement of expenses under this Section 6.8 that is denied by Parent and/or the Surviving Corporation, and a court of competent jurisdiction determines that the Indemnified Party is entitled to such indemnification or advancement, then Parent or the Surviving Corporation shall pay such Indemnified Party's costs and expenses, including legal fees and expenses, incurred in connection with pursuing such claim against Parent and/or the Surviving Corporation. The rights of the Indemnified Parties under this Section 6.8 shall be in addition to, and not in substitution for, any rights such Indemnified Parties may have under the Company Charter and the Company Bylaws, the certificate of incorporation and bylaws (or comparable organizational documents) of any of the Company's Subsidiaries or the certificate of incorporation and bylaws of the Surviving Corporation or under any applicable Contracts, insurance policies or Laws and Parent shall, and shall cause the Surviving Corporation and each of its Subsidiaries to, honor and perform under all indemnification agreements entered into by the Company or any of its Subsidiaries.

(g) Nothing in this Agreement is intended to, shall be construed to or shall release, waive or impair any rights to directors' and officers' insurance claims under any policy that is or has been in existence with respect to the Company

or any of its respective Subsidiaries for any of their respective directors, officers or other employees, it being understood and agreed that the indemnification provided for in this Section 6.8 is not prior to or in substitution for any such claims under such policies.

Section 6.9 Public Announcements. The initial press release concerning this Agreement and the transactions contemplated hereby shall be a joint press release to be reasonably agreed upon by the Company and

A-47

Parent. Following such initial press release, Parent and the Company shall consult with each other before issuing any additional press release, making any other public statement or scheduling or participating in any press conference, conference call, media interview or meeting with investors or analysts with respect to this Agreement or the transactions contemplated hereby and, except as may be required by Applicable Law or any listing agreement with or rule of any national securities exchange or association, shall not issue any such press release, make any such other public statement or schedule or participate in any such event before such consultation (and, to the extent applicable, shall provide copies of any such press release, statement or agreement (or any scripts for any statements to be made orally) to the other party and shall consider in good faith the comments of the other party); provided that the restrictions set forth in this Section 6.9 shall not apply to (i) any release or public statement made or proposed to be made by the Company in compliance with Section 6.3 (including any release or public statement made or proposed to be made by the Company with respect to a Change of Board Recommendation), or in connection with any dispute between the parties regarding this Agreement, the Merger or the other transactions contemplated hereby, (ii) any customary announcements and other customary communications, including preparation and distribution of marketing materials, in connection with the Financing or (iii) any public statements by either party with respect to this Agreement and the transactions contemplated hereby, including their effect on either party's business and its financial projections, with investors, analysts and Financing Sources, including on its periodic earnings calls and in any road show, so long as such party's comments are consistent with the information contained in the press releases or other documents or communications previously issued and agreed upon by the parties. Notwithstanding the foregoing sentence, without prior consultation, each party may disseminate information included in a press release or other documents or communications already approved for external distribution by the other parties.

Section 6.10 Transaction Litigation. Each party shall promptly notify the other parties in writing of any stockholder litigation or other litigation or other Proceedings arising from this Agreement or the Merger that is brought against such party or any of its Affiliates or members of its board of directors (*Transaction Litigation*). Each party shall keep the other parties sufficiently informed on a reasonably current basis with respect to the status of any Transaction Litigation (including by promptly furnishing to the other parties hereto such information relating to the Transaction Litigation as may be reasonably requested). The Company shall control the defense and, subject to the following sentence, settlement of any Transaction Litigation brought against it or any of its Affiliates or members of its or their boards of directors, and shall give Parent the opportunity to participate in the defense (at Parent's sole cost and subject to a joint defense agreement) of such Transaction Litigation. No settlement of any Transaction Litigation shall be agreed to by the Company without Parent's prior written consent (which consent shall not be unreasonably withheld, conditioned or delayed).

Section 6.11 State Takeover Laws. The Company and Parent shall each use reasonable best efforts to ensure that no Takeover Statute (or any comparable anti-takeover provisions of the Company Charter or Company Bylaws) is or becomes applicable to this Agreement, the Merger or the other transactions contemplated hereby. If any Takeover Statute (or any comparable anti-takeover provisions of the Company Charter or Company Bylaws) becomes applicable to this Agreement, the Merger or the other transactions contemplated hereby, the Company and Parent shall each use reasonable best efforts to ensure that the Merger and the other transactions contemplated hereby may be consummated as promptly as practicable on the terms contemplated by this Agreement and otherwise to minimize the effect of such Law (or provision) on this Agreement, the Merger and the other transactions contemplated hereby.

Section 6.12 Nasdaq Matters.

(a) Parent shall file a notification of listing of additional shares (or such other form as may be required) with Nasdaq with respect to the shares of Parent Common Stock to be issued in the Merger and such other shares of Parent Common Stock to be reserved for issuance in connection with the Merger, and shall use reasonable best efforts to cause the shares of Parent Common Stock to be issued in the Merger and such other shares of Parent Common Stock

to be reserved for issuance in connection with the Merger to be approved for listing on Nasdaq, subject to official notice of issuance, prior to the Effective Time.

(b) Parent and the Company agree to cooperate in taking, or causing to be taken, all actions necessary to delist the Company Common Stock from Nasdaq and terminate its registration under the Exchange Act, in each case, as promptly as practicable after the Effective Time; provided that such delisting and termination shall not be effective until after the Effective Time.

Section 6.13 Section 16(b). The Company and Parent shall take all steps reasonably necessary to cause the transactions contemplated hereby and any other dispositions of equity securities of the Company (including derivative securities) in connection with the transactions contemplated hereby by each individual who is a director or executive officer of the Company to be exempt under Rule 16b-3 promulgated under the Exchange Act.

Section 6.14 280G Calculation. As soon as practicable, but in no event later than 45 Business Days after the date hereof, the Company will make available to Parent true and correct copies of its preliminary Section 280G calculations (based on the assumptions set forth in the applicable calculations) with respect to each disqualified individual (within the meaning of Section 280G of the Code) who is reasonably likely to receive payments or benefits in connection with the transactions contemplated by this Agreement that would not be deductible under Section 280G of the Code.

Section 6.15 Director and Officer Resignations. Prior to the Closing Date, unless Parent instructs the Company otherwise, the Company shall use its reasonable best efforts to obtain the resignation of each individual serving as a director or officer of (or comparable position with) the Company and its Subsidiaries as of immediately following the Effective Time from his or her position as a director or officer of (or comparable position with) the Company and its Subsidiaries (and not as an employee, if applicable, of the Company or any of its Subsidiaries), which resignations shall be effective immediately following the Effective Time. For the avoidance of doubt, such resignation shall not (i) prejudice in any manner any contractual rights such officer or director may have with the Company or any of its Subsidiaries, (ii) cause such officer or director to cease to become entitled to any benefit under any Company Benefit Plan to which he/she would otherwise be entitled in his or her position as an employee of the Company or its Subsidiaries, as applicable or (iii) terminate or modify the terms of any officer's employment relationship with the Company or its Subsidiaries.

Section 6.16 Financing.

(a) Each of Parent and Merger Sub shall, and shall use its reasonable best efforts to cause each of their Affiliates to, take (or cause to be taken) all actions and do (or cause to be done) all things necessary to obtain and consummate the Financing on the terms and conditions described in the Commitment Letter, including: (i) to maintain in effect the Commitment Letter, (ii) to negotiate and enter into the definitive agreements with respect thereto on the terms and conditions contained in the Commitment Letter (including, as necessary, the flex provisions contained in any related fee letter) or on other terms and conditions agreed by Parent, the Company and the Financing Sources by the Closing Date, (iii) to satisfy or cause to be satisfied (or, if determined advisable by Parent, obtain the waiver of) on a timely basis all conditions to obtaining the Financing within Parent's control and (iv) to comply with all of its obligations pursuant to the Commitment Letter and the definitive agreements related thereto, in the case of this clause (iv), to the extent the failure to comply with such obligations would reasonably be expected to (x) adversely affect or materially delay the ability of Parent or Merger Sub to consummate timely the Merger and the other the transactions contemplated by this Agreement or (y) make the timely funding of the Financing or the satisfaction of the conditions to obtaining the Financing less likely to occur. In the event that all conditions to funding the commitments contained in the Commitment Letter have been satisfied, each of Parent and Merger Sub shall use its reasonable best efforts to cause the Financing Sources to fund the Financing required to consummate the transactions contemplated by this Agreement (including by enforcing their rights (including through litigation) under the Commitment Letter) and to pay related fees and expenses on the Closing Date.

(b) Parent shall give the Company prompt notice of (i) any material breach or default by any party to the Commitment Letter or the definitive agreements related thereto of which Parent has become aware, or of any

termination of the Commitment Letter or such definitive agreements and (ii) the receipt of any written notice or other written communication, in each case received from any Financing Source with respect to any (1) material breach of Parent's or Merger Sub's obligations under the Commitment Letter or the definitive agreements related thereto, or default, termination or repudiation by any party to the Commitment Letter or the definitive agreements related thereto or (2) material dispute between or among any parties to the Commitment Letter or the definitive agreements related thereto or any provisions of the Commitment Letter, in each case, to the extent any of the foregoing described in clauses (i) or (ii) would reasonably be expected to (x) adversely affect or materially delay the ability of Parent or Merger Sub to consummate timely the Merger and the other the transactions contemplated by this Agreement or (y) make the timely funding of the Financing or the satisfaction of the conditions to obtaining the Financing less likely to occur. As soon as reasonably practicable, but in any event within 5 Business Days following the date the Company delivers to Parent or Merger Sub a written request, Parent and Merger Sub shall provide any information (other than Restricted Information) reasonably requested by the Company relating to a circumstance referred to in clauses (i) or (ii) of the immediately preceding sentence. In the event that any portion of the Financing becomes unavailable and such portion is necessary to consummate the transactions contemplated by this Agreement (unless concurrently replaced on a dollar-for-dollar basis by commitments on terms and conditions no less favorable to Parent and Merger Sub than those set forth in the Commitment Letter (including after giving effect to the market flex provisions) from other financing sources or from proceeds of other sources of financing or cash), Parent and Merger Sub shall (i) use their reasonable best efforts to obtain, as promptly as practicable following the occurrence of such event, alternative Financing for any such portion from alternative debt sources (***Alternative Financing***) in an amount that will enable Parent and Merger Sub to consummate the transactions contemplated by this Agreement and that does not contain additional or modified conditions relative to those set forth in the Commitment Letter delivered to the Company on or prior to the date of this Agreement that, in each case, would reasonably be expected to materially and adversely affect the ability of Parent or Merger Sub to timely consummate the transactions contemplated by this Agreement and (ii) promptly notify the Company of such unavailability and the reason therefor. Parent shall (x) to the extent reasonably practicable, notify the Company of its intention to obtain such Alternative Financing and keep the Company reasonably informed of the terms thereof, (y) provide to the Company final drafts of all commitment letters relating to the Alternative Financing prior to their execution by Parent and/or Merger Sub so as to permit the Company a reasonable period of time in which to confirm that such commitment letters comply with this Section 6.16 and (z) deliver to the Company true and complete copies of all agreements (including redacted copies of engagement and fee letters, removing only fee amounts, market flex provisions and certain other terms (none of which concern or would adversely affect the amounts, availability, timing or conditionality of the Financing)) pursuant to which any such alternative source shall have committed to provide Parent or the Surviving Corporation with Alternative Financing. Parent shall provide the Company with prompt written notice of the receipt of any notice or other communication from any Financing Source with respect to such Financing Source's failure or anticipated failure to fund its commitments under any Commitment Letter or definitive agreement in connection therewith. Parent shall keep the Company reasonably informed on a current basis of the status of its efforts to consummate the Financing.

(c) Except as expressly permitted by this Section 6.16, Parent and Merger Sub shall not, without the Company's prior written consent (which shall not be unreasonably withheld, conditioned or delayed), permit any amendment or modification to (including any reduction in the amount of the commitment thereunder), or any waiver of any provision or remedy under, the Commitment Letter or any definitive agreements related thereto unless the terms of the Commitment Letter or definitive agreements related thereto, in each case as so amended, modified or waived, are substantially similar to those in the Commitment Letter or such definitive agreement related thereto, prior to giving effect to such amendment, modification or waiver (other than economic terms, which shall be as good as or better for Parent and Merger Sub than those in the Commitment Letter or definitive agreement relating thereto prior to giving effect to such amendment, modification or waiver); provided that the foregoing limitations shall only apply if such amendment or modification (i) would reasonably be expected to (A) adversely affect or materially delay the ability of Parent or Merger Sub to consummate timely the Merger and the other the transactions contemplated by this

Agreement or (B) make the timely funding of the Financing or the satisfaction of the conditions to obtaining the Financing less likely to occur, (ii) subject to Section 6.16(d).

reduces the aggregate amount of the Financing or (iii) adversely affects the ability of Parent or Merger Sub to enforce their rights against other parties to the Commitment Letter, it being understood and agreed that in any event, Parent may amend the Commitment Letter or the definitive agreements relating thereto to (x) add lenders, arrangers, bookrunners, agents, managers or similar entities that have not executed the Commitment Letter as of the date of this Agreement and consent to the assignment after the date of this Agreement of lending commitments under the Commitment Letter to other lenders, or (y) increase the aggregate amount of the Financing, subject in each case to Section 6.16(a).

(d) Parent shall have the right to reduce the commitments under the Commitment Letter (i) by the amount of the proceeds of consummated offerings or other incurrences of debt (including notes) after the date of this Agreement; provided that (A) such debt does not mature prior to the Closing Date and (B) to the extent such debt has a scheduled special or mandatory redemption right, such right is not exercisable prior to the earliest of the consummation of the Merger and the other transactions contemplated hereby on the Closing Date, the termination of this Agreement and the Outside Date and (ii) in accordance with the mandatory prepayment and commitment reduction provisions set forth in the Commitment Letter; provided that any substitute commitments shall not be on terms that (x) would reasonably be expected to (1) adversely affect or materially delay the ability of Parent or Merger Sub to consummate timely the Merger and the other the transactions contemplated by this Agreement or (2) make the timely funding of the Financing or the satisfaction of the conditions to obtaining the Financing less likely to occur. The representations, warranties, covenants and other restrictions of Parent and Merger Sub contained in this Agreement with respect to the Financing and the Commitment Letter apply equally to such substitute commitments.

(e) Notwithstanding anything contained in this Agreement to the contrary, Parent expressly acknowledges and agrees that Parent's and Merger Sub's obligations under this Agreement are not conditioned in any manner upon Parent or Merger Sub obtaining any financing (including the Financing) or on the performance of any party to the Commitment Letter.

(f) In no event shall Parent or any of its Affiliates prohibit or seek to prohibit any commercial bank, investment bank or other potential provider of financing, including the Financing Sources, from providing financing or financial advisory services to any Person in connection with a transaction relating to the Company or any of its Subsidiaries.

Section 6.17 Financing Cooperation.

(a) Prior to and, if applicable, concurrently with the Closing, the Company shall, and shall cause its Subsidiaries to, use its and their (and its and their Representatives') reasonable best efforts to provide such cooperation as may be reasonably requested by Parent in connection with the arrangement of the Financing; provided that such requested cooperation does not unreasonably interfere with the ongoing operations of the Company and its Subsidiaries. Without limiting the generality of the foregoing sentence, prior to the Closing, the Company shall, and shall cause its Subsidiaries to, use its and their reasonable best efforts to: (i) as promptly as practicable provide information (financial or otherwise) relating to the Company and its Subsidiaries to Parent and to the Financing Sources (including information to be used in the preparation of an information package regarding the business, operations, financial condition, financial projections and prospects of Parent and the Company that is customary or reasonably necessary for the completion of such financing) to the extent reasonably requested by Parent in connection with Parent's preparation of customary offering or information documents to be used for the completion of the Financing, (ii) cooperate and assist with the due diligence, rating agency processes and marketing efforts of Parent, its Representatives and the Financing Sources, including participating in a reasonable number of meetings, due diligence sessions and road shows, at times and at locations reasonably acceptable to the Company and ensuring that any syndication efforts benefit from the existing lending and investment banking relationships of the Company, (iii) reasonably assist Parent in preparing customary offering memoranda, rating agency presentations, lender

presentations, confidential information and private placement memoranda, financial statements (including pro forma and projected financial statements), prospectuses and other similar documents, including delivery of (A) audited consolidated balance sheets and

Notwithstanding the foregoing, (1) neither the Company nor any of its Subsidiaries shall be required to pay any commitment or other similar fee or incur prior to the Closing any other liability or obligation in connection with the Financing, unless Parent reimburses or is required to reimburse or indemnify the Company and its Subsidiaries pursuant to this Agreement or otherwise agrees to do so, (2) none of the Company, its Subsidiaries or their respective Representatives shall be required to execute or enter into or perform any agreement with respect to the Financing that is not contingent upon the Closing occurring or that would be effective prior to the Closing (other than the 10b-5 certifications and authorization letters contemplated by clause (viii) of this Section 6.17(a) and for the avoidance of doubt, the boards of directors or other equivalent governing bodies of Parent, Merger Sub, and/or the Surviving Corporation shall enter into or provide any resolutions, consents, approvals or other closing arrangements on behalf of the Company and its Subsidiaries as may be required by the Financing Sources pursuant to the Commitment Letter at, or as of, the Closing), and (3) nothing shall obligate the Company or any of its Subsidiaries to (a) take any action in respect of the Financing to the extent that such action would cause any condition to Closing set

forth in Article VII to fail to be satisfied by the Outside Date or otherwise result in a breach of this Agreement by the Company, (b) take any action to the extent such action

would unreasonably interfere with the business or operations of the Company or its Subsidiaries, (c) issue in its own name any bank information memoranda or high-yield offering prospectuses or memoranda required in relation to the Financing (it being understood that any such information memoranda or prospectus or memoranda shall reflect the Surviving Corporation and all or certain of its Subsidiaries as obligors) or (d) provide, or cause to be provided, any legal opinion by its counsel, or to provide, or cause to be provided, any information or take, or cause to be taken, any action to the extent it would reasonably be expected, in the reasonable judgment of the Company, to result in a violation of the Company's or any of its Subsidiaries' organizational documents or applicable Law or loss of any privilege.

(b) Parent shall, promptly upon written request by the Company, reimburse the Company for all reasonable and documented out-of-pocket costs and expenses (including reasonable attorneys' fees) incurred by the Company or any of its Subsidiaries in satisfying its obligations under this Section 6.17 or other cooperation provided by the Company (or any of its Subsidiaries or any of its or their respective Representatives) at the request of Parent (or any of its Subsidiaries or any of its or their respective Representatives). Parent and Merger Sub shall, on a joint and several basis, indemnify and hold harmless the Company and its Subsidiaries and their respective Representatives from and against any and all losses, claims, damages, liabilities, costs, expenses, fees (including reasonable attorneys' fees), judgments, fines, penalties and amounts paid in settlement (including all interest, assessments and other charges paid or payable in connection with or in respect of any thereof) suffered or incurred in connection with any action taken by the Company, any of its Subsidiaries or any of their respective Representatives pursuant to this Section 6.17 or other cooperation provided by the Company (or any of its Subsidiaries or any of its or their respective Representatives) at the request of Parent (or any of its Subsidiaries or any of its or their respective Representatives) (other than the use of any information provided by the Company, any of its Subsidiaries or any of their respective Representatives for use in connection with the Financing), except to the extent such losses, claims, damages, liabilities, costs, expenses, fees, judgments, fines, penalties and amounts paid in settlement are determined by a final non-appealable judgment of a court of competent jurisdiction to have arisen out of, or resulted from, the gross negligence or willful misconduct of the Company, any of its Subsidiaries or any of their respective Representatives.

Section 6.18 No Control of the Company's Business. The Company, on the one hand, and Parent and Merger Sub on the other, acknowledge and agree that: (a) nothing contained in this Agreement shall give Parent or Merger Sub, directly or indirectly, the right to control or direct the Company's or its Subsidiaries' operations prior to the Effective Time, and (b) prior to the Effective Time, each of the Company, Parent and Merger Sub shall exercise, consistent with the terms and conditions of this Agreement, complete control and supervision over its and its respective Subsidiaries' operations.

(b) **Performance of Obligations of the Company**. The Company shall not have materially breached any of the agreements and covenants required to be performed by the Company under this Agreement prior to the Closing.

(c) **No Company Material Adverse Effect**. Since the date of this Agreement, there shall not have occurred any event, change, effect, development, state of facts, condition, circumstance or occurrence that, individually or in the aggregate, has had, or would reasonably be expected to have, a Company Material Adverse Effect.

(d) **Officers Certificate**. Parent shall have received at the Closing a certificate signed on behalf of the Company by an executive officer of the Company confirming the satisfaction of the conditions set forth in **Sections 7.2(a)**, **7.2(b)** and **7.2(c)**.

(b) Performance of Obligations of Parent and Merger Sub. Each of Parent and Merger Sub shall not have materially breached any of the agreements and covenants required to be performed by Parent or Merger Sub, as applicable, under this Agreement prior to the Closing.

(c) No Parent Material Adverse Effect. None of the Company, Parent or Merger Sub may rely, either as a basis for not consummating the Merger or the other transactions or terminating this Agreement and abandoning the Merger, on the failure of any condition set forth in Sections 7.1, 7.2 or 7.3, as the case may be, to be satisfied if such failure was caused by such party's material breach of any provision of this Agreement or, in the case of Parent or Merger Sub, on the failure of Parent or any of its Affiliates to satisfy any of the conditions set forth in the Commitment Letter (or any definitive agreements related thereto).

ARTICLE VIII

TERMINATION

Section 8.1 Termination. This Agreement may be terminated and the Merger and the other transactions contemplated hereby may be abandoned at any time prior to the Effective Time, whether (except as expressly set forth below) before or after obtaining the Company Stockholder Approval (with any termination by Parent also being an effective termination by Merger Sub):

(a) by mutual written consent of Parent and the Company;

(b) by either Parent or the Company, if:

(i) the Merger shall not have been consummated on or before June 9, 2019 (the *Outside Date*); provided, however, that the right to terminate this Agreement pursuant to this Section 8.1(b)(i) shall not be available to any party if its action or failure to act constitutes a breach or violation of any of its obligations hereunder, and such breach has been the principal cause of or directly resulted in (A) the failure to satisfy the conditions to the obligations of the terminating party to consummate the Merger set forth in Article VII prior to the Outside Date or (B) the failure of the Closing to occur by the Outside Date;

(ii) any Governmental Entity of competent jurisdiction shall have issued an Order or taken any other action permanently restraining, enjoining or otherwise prohibiting the Merger and such Order or other action shall have become final and non-appealable; provided, however, that a party shall not be permitted to terminate this Agreement pursuant to this Section 8.1(b)(ii) if the failure of such party to fulfill any obligation under this Agreement resulted in the issuance of such Order or the taking of such other action; or

(iii) the Company Stockholder Approval shall not have been obtained upon a vote taken thereon at the Company Stockholders Meeting or at any adjournment or postponement thereof;

(c) by Parent:

(i) if the Company shall have breached or failed to perform any of its representations, warranties, covenants or agreements contained in this Agreement, which breach or failure to perform (A) would result in a failure of any condition set forth in Section 7.2(a) or Section 7.2(b) to be satisfied and (B) either (1) is incapable of being cured by the Company by the Outside Date or (2) if capable of being cured, has not been cured by the Company within 30 days following written notice to the Company from Parent or Merger Sub of such breach, which notice states Parent's intention to terminate this Agreement pursuant to this Section 8.1(c)(i); provided that Parent shall not have the right to terminate this Agreement pursuant to this Section 8.1(c)(i) if it is then in material breach of any representation, warranty, covenant or agreement hereunder; or

(ii) if the Board of Directors of the Company or any committee thereof shall have effected a Change of Board Recommendation; provided that Parent's right to terminate this Agreement pursuant to this clause (ii) is only exercisable prior to the time that the Company Stockholder Approval is obtained; or

(d) by the Company:

(i) if Parent or Merger Sub shall have breached or failed to perform any of its representations, warranties, covenants or agreements contained in this Agreement, which breach or failure to perform (A) would result in a failure of any condition set forth in Section 7.3(a) or Section 7.3(b) to be satisfied and (B) either (1) is incapable of being cured by Parent or Merger Sub, as the case may be, by the Outside Date or (2) if capable of being cured, has not been cured by Parent or Merger Sub, as the case may be, within 30 following written notice to Parent or Merger Sub, as the case may be, from the Company of such breach, which notice states the Company's intention to terminate this Agreement pursuant to this Section 8.1(d)(i); provided that the Company shall not have the right to terminate this Agreement pursuant to this Section 8.1(d)(i) if it is then in material breach of any representation, warranty, covenant or agreement hereunder;

(ii) if (A) the Inside Date has passed and all of the conditions set forth in Section 7.1 and Section 7.2 have been satisfied or waived (except for those conditions that by their nature or terms are to be satisfied at the Closing, which conditions were capable of being satisfied at the time of such failure to consummate the Merger), (B) the Company has irrevocably confirmed to Parent in writing that the Company is ready and willing to consummate the transactions contemplated by this Agreement, and (C) Parent and Merger Sub fail to consummate the transactions contemplated by this Agreement within three Business Days following delivery of the Company's notice as a result of Parent's failure to receive the proceeds from the Financing; provided that Parent shall not have the right to terminate this Agreement pursuant to Section 8.1(b)(i) during such three Business Day period if the Outside Date shall precede the expiration of such period; or

(iii) prior to receipt of the Company Stockholder Approval, in order for the Company to enter into a definitive written agreement with respect to a Superior Proposal in accordance with, and subject to the terms and conditions of, Section 6.3; provided that concurrently with such termination, the Company pays the Termination Fee payable pursuant to Section 8.3.

Section 8.2 Effect of Termination. In the event of any termination of this Agreement as provided in Section 8.1, the obligations of the parties shall terminate and there shall be no liability on the part of any party with respect thereto, except for the confidentiality provisions of Section 6.4 (Access to Information) and the provisions of Section 3.27 (No Other Representations and Warranties; Disclaimers), Section 4.21 (No Other Representations and Warranties; Disclaimers), Section 6.7 (Expenses), Section 6.9 (Public Announcements), the indemnification and reimbursement obligations under Section 6.17(b) (Financing Cooperation), this Section 8.2 (Effect of Termination), Section 8.3

(Termination Fees) and Article IX (General Provisions), each of which shall survive the termination of this Agreement and remain in full force and effect; provided, however, that, subject to Section 8.3(c), if such termination shall result from the Willful Breach of this Agreement by any party or any intentional fraud by any party, such party shall be fully liable for all damages that are the natural, probable and reasonably foreseeable result thereof (which the parties acknowledge and agree shall, in the case of a breach by

Parent or Merger Sub, not be limited to reimbursement of expenses or out-of-pocket costs, and shall include the benefit of the bargain lost by the Company's stockholders, which shall be deemed in such event to be damages of the Company) incurred or suffered by the other parties as a result of such failure; provided, further, that any failure of Parent or Merger Sub to consummate the Merger in breach of this Agreement will be deemed to be a Willful Breach by Parent and Merger Sub (whether or not Parent or Merger Sub had sufficient funds available to consummate the Merger). Notwithstanding anything contained in this Agreement to the contrary, Parent expressly acknowledges and agrees that Parent's and Merger Sub's obligations to hold the Closing and consummate the Merger and the transactions contemplated by this Agreement are not conditioned in any manner upon Parent or Merger Sub obtaining the Financing. The parties acknowledge and agree that nothing in this Section 8.2 shall be deemed to affect their right to specific performance under Section 9.9. In addition, the parties agree that the terms of the Confidentiality Agreement shall survive any termination of this Agreement pursuant to Section 8.1 in accordance with its terms.

Section 8.3 Termination Fees.

(a) In the event that this Agreement is terminated (i) by Parent pursuant to Section 8.1(c)(ii) (Change of Board Recommendation) or (ii) by the Company pursuant to Section 8.1(d)(iii) (Superior Proposal), then the Company shall pay or cause to be paid to Parent (or its designees) a nonrefundable amount in cash equal to \$45,000,000 (the ***Termination Fee***) by wire transfer of immediately available funds to an account designated in writing by Parent, payable, in the case of clause (i), no later than two Business Days after the date of such termination and, in the case of clause (ii), in advance of or concurrently with such termination.

(b) In the event that, prior to receipt of the Company Stockholder Approval, (i) this Agreement is terminated by Parent or the Company pursuant to Section 8.1(b)(i) (Outside Date), and at such time the conditions set forth in Section 7.1 (other than Section 7.1(a)) were satisfied, or Section 8.1(b)(iii) (Stockholder No Vote); (ii) after the date of this Agreement and prior to the date of termination (in the case of a termination pursuant to Section 8.1(b)(i) (Outside Date)) or the date of the Company Stockholders Meeting (in the case of a termination pursuant to Section 8.1(b)(iii) (Stockholder No Vote)), an Acquisition Proposal was publicly proposed or announced or otherwise communicated to the stockholders of the Company and not withdrawn prior to the date of termination (in the case of a termination pursuant to Section 8.1(b)(i) (Outside Date)) or the date of the Company Stockholders Meeting (in the case of a termination pursuant to Section 8.1(b)(iii) (Stockholder No Vote)); and (iii) within 12 months after the date of such termination of this Agreement the Company enters into a definitive written agreement with respect to an Acquisition Proposal and the transaction contemplated by such definitive agreement is later consummated, then on the date such transaction is consummated, the Company shall pay or cause to be paid to Parent (or its designees) the Termination Fee by wire transfer of immediately available funds to an account designated in writing by Parent. For purposes of this Section 8.3(b), each reference to 20% in the definition of Acquisition Proposal shall be deemed to be a reference to 50%.

(c) The parties agree and understand that in no event shall the Company be required to pay the Termination Fee on more than one occasion. Notwithstanding anything to the contrary in this Agreement, (i) if Parent is entitled to terminate this Agreement and to receive payment of the Termination Fee from the Company pursuant to this Section 8.3, except in the case of intentional fraud, such payment shall be the sole and exclusive remedy of Parent and Merger Sub against the Company and its Subsidiaries and their respective former, current or future officers, directors, partners, stockholders, managers, members, Affiliates and Representatives and none of the Company, any of its Subsidiaries or any of their respective former, current or future officers, directors, partners, stockholders, managers, members, Affiliates or Representatives shall have any further liability or obligation relating to or arising out of this Agreement or the transactions contemplated hereby; and (ii) if Parent or Merger Sub receives any payments from the Company in respect of any breach of this Agreement, and thereafter Parent is entitled to receive the Termination Fee under this Section 8.3, the amount of such Termination Fee shall be reduced by the aggregate amount of any payments

made by the Company to Parent or Merger Sub in respect of any such breaches of this Agreement.

(d) The parties acknowledge that the agreements contained in this Section 8.3 are an integral part of the transactions contemplated hereby, and that, without these agreements, the parties would not enter into this

Agreement, and that any amounts payable pursuant to this Section 8.3 do not constitute a penalty. Accordingly, if the Company fails to timely pay the amount due pursuant to this Section 8.3, and, in order to obtain such payment, Parent commences a suit, action or other proceeding that results in a judgment in its favor, the Company shall pay to Parent its reasonable and documented out-of-pocket costs and expenses (including reasonable out-of-pocket attorneys' fees and expenses) in connection with such suit, action or other proceeding, together with interest on the amount of such payment from the date such payment was required to be made until the date of payment at a rate per annum equal to the prime interest rate published in *The Wall Street Journal* on the date such interest begins accruing.

Section 8.4 Procedure for Termination. A terminating party shall provide written notice of termination to the other parties specifying the Section or Sections pursuant to which such party is terminating the Agreement. If more than one provision in Section 8.1 is available to a terminating party in connection with a termination, a terminating party may rely on any or all available provisions in Section 8.1 for any termination.

Section 9.3 Interpretation; Construction.

(a) When a reference is made in this Agreement to a Section, clause, Annex, Exhibit or Section of a disclosure letter, such reference shall be to a Section or clause of or Annex or Exhibit or Section of a disclosure letter to this Agreement unless otherwise indicated. The table of contents and headings contained in this Agreement are for reference purposes only and shall not affect in any way the meaning or interpretation of this Agreement. The phrase the date of this Agreement and terms of similar import, shall be deemed to refer to the date first written above. Whenever the content of this Agreement permits, the masculine gender shall include the feminine and neuter genders, and a reference to singular or plural shall be interchangeable with the other.

(b) References to any Contract are to that Contract as amended, modified or supplemented from time to time in accordance with the terms hereof and thereof. References to any Person include the successors and permitted assigns of that Person. References to any Law or statute are to that Law or statute, as amended from time to time, and to the rules and regulations promulgated thereunder. References to \$ and dollars are to the currency of the United States. References from or through any date mean, unless otherwise specified, from and including or through and including, respectively. The words hereby, herein, hereof, hereunder and words of similar import refer to this Agreement as a whole (including any disclosure letters delivered herewith) and not merely to the specific Section, paragraph or clause in which such word appears. Whenever the words include, includes or including are used in this Agreement, they shall

be deemed to be followed by the words without limitation. The word extent in the phrase to the extent shall mean the degree to which a subject or other theory extends and such phrase shall not mean if .

(c) The parties have participated jointly in negotiating and drafting this Agreement. In the event that an ambiguity or a question of intent or interpretation arises, this Agreement shall be construed as if drafted jointly by the parties, and no presumption or burden of proof shall arise favoring or disfavoring any party by virtue of the authorship of any provision of this Agreement.

(d) No summary of this Agreement or any Exhibit attached hereto or Section of a disclosure letter delivered herewith prepared by or on behalf of any party shall affect the meaning or interpretation of this Agreement or any such Exhibit or Section of a disclosure letter.

(e) Subject to the introductory language to Article III and Article IV, each party to this Agreement has or may have set forth information in its respective disclosure letter in a Section of such disclosure letter that corresponds to the Section of this Agreement to which it relates. The fact that any item of information is disclosed in a disclosure letter to this Agreement shall not constitute an admission by such party that such item represents a material exception or material fact, event or circumstance or that such item would have a Company Material Adverse Effect or Parent Material Adverse Effect, as the case may be, or that the disclosure thereof be construed to mean that such information is required to be disclosed by this Agreement.

Section 9.4 Counterparts; Effectiveness. This Agreement may be signed in any number of counterparts, including by facsimile or by email with .pdf attachments, each of which shall be an original, with the same effect as if the signatures thereto and hereto were upon the same instrument. This Agreement shall become effective when each party hereto shall have received a counterpart hereof signed and delivered (by electronic communication, facsimile or otherwise) by all of the other parties hereto. Until and unless each party has received a counterpart hereof signed by the other party hereto, this Agreement shall have no effect, and no party shall have any right or obligation hereunder (whether by virtue of any other oral or written agreement or other communication).

Section 9.5 Entire Agreement; No Third-Party Beneficiaries; Assignment.

(a) This Agreement, the Company Disclosure Letter, the Parent Disclosure Letter, the Exhibits attached hereto and the Confidentiality Agreement constitute the entire agreement, and supersede all prior agreements, understandings, representations and warranties, both written and oral, among the parties with respect to the subject matter hereof and thereof. Each party hereto agrees that, except for the representations and warranties contained in this Agreement, neither Parent and Merger Sub nor the Company makes any other representations or warranties, and each hereby disclaims any other representations or warranties, express or implied, as to the accuracy or completeness of any other information made by, or made available by, itself or any of its Representatives, with respect to, or in connection with, the negotiation, execution or delivery of this Agreement or the transactions contemplated hereby, notwithstanding the delivery or disclosure to the other or the other's Representatives of any documentation or other information with respect to any one or more of the foregoing.

(b) The provisions of this Agreement shall be binding upon and shall inure solely to the benefit of the parties hereto, except for: (i) only following the Effective Time, the right of the Company's stockholders and holders of Company Equity Awards, as applicable, to receive (x) the Merger Consideration in respect of shares of Company Common Stock pursuant to Section 2.2 and (y) the Merger Consideration and other amounts payable or deliverable in respect of Company Equity Awards pursuant to Section 2.5, (ii) the right of the Company on behalf of its stockholders to seek equitable relief or to pursue damages suffered by the Company and its stockholders (which the parties acknowledge and agree shall, in the case of a breach by Parent or Merger Sub, not be limited to reimbursement of expenses or out-of-pocket costs, and shall include the benefit of the bargain lost by the Company's stockholders, which shall be deemed in such event to be damages of the Company), which right is hereby expressly acknowledged and agreed by Parent and Merger Sub, (iii) the right of the Indemnified Parties to enforce the provisions of Section 6.8 only and (iv) the right of each of the Financing Sources as an express third-party beneficiary of this Section 9.5(b), Section 9.7, Section 9.9(a), Section 9.9(b) and Section 9.11 and the definition of Financing Source and the constituent definitions thereof. The third-party beneficiary rights referenced in clause (ii) of the preceding sentence may be exercised only by the Company (on behalf of its stockholders as their agent) through actions expressly approved by the Board of Directors of the Company, and no stockholder of the Company, whether purporting to act in its capacity as a stockholder or purporting to assert any right (derivatively or otherwise) on behalf of the Company, shall have any right or ability to exercise or cause the exercise of any such right.

(c) No party may assign, delegate or otherwise transfer any of its rights or obligations under this Agreement, directly or indirectly by operation of law or otherwise, without the prior written consent of each other party hereto, except that Parent may transfer or assign its rights and obligations under this Agreement, in whole or from time to time in part, to any Person after the Closing, and Merger Sub may transfer or assign its rights and obligations under this Agreement, in whole or from time to time in part, to any other wholly-owned Subsidiary of Parent, which Subsidiary shall be a Delaware corporation (in which case the assignee shall be deemed to make all of the representations and warranties made herein with respect to Merger Sub as of the date of such assignment and as of the Closing); provided that no such transfer or assignment shall (i) relieve Parent or Merger Sub of its obligations hereunder or enlarge, alter or change any obligation of any other party hereto or due to Parent or Merger Sub or (ii) delay the consummation of the

Merger or any of the other transactions contemplated hereby; provided, further, that Parent may make a collateral assignment of its rights (but not its obligations) under this Agreement to any Financing Sources. Any attempt to make any such assignment in violation of the foregoing shall be null and void.

Section 9.6 Severability. If any term, provision, covenant or restriction of this Agreement is held by a court of competent jurisdiction or other Governmental Entity to be invalid, void or unenforceable, the remainder of the terms, provisions, covenants and restrictions of this Agreement shall remain in full force and effect and shall in no way be affected, impaired or invalidated so long as the economic or legal substance of the transactions contemplated hereby is not affected in any manner materially adverse to any party. Upon such a determination, the parties shall negotiate in good faith to modify this Agreement so as to effect the original intent of the parties as closely as possible in an acceptable manner in order that the transactions contemplated hereby be consummated as originally contemplated to the fullest extent possible.

Section 9.7 Modification or Amendment. This Agreement may be amended by the parties (with respect to the Company and Merger Sub, by action taken by their respective Boards of Directors), at any time before or after adoption of this Agreement by the stockholders of the Company, but, after any such adoption, no amendment shall be made which by Law would require the further approval by such stockholders without first obtaining such approval. Subject to the preceding sentence, this Agreement may be modified or amended solely by written agreement executed and delivered by duly authorized officers of the respective parties. Notwithstanding anything to the contrary in this Agreement, (i) Section 9.5(b) (Third Party Beneficiaries), this Section 9.7 (Modification or Amendment), Section 9.9(a) (Governing Law), Section 9.9(b) (Waiver of Jury Trial) and Section 9.11 (No Recourse to Financing Sources) and the definition of Financing Source and the constituent definitions thereof may not be amended, supplemented or otherwise modified in any manner to the extent such amendment, supplement or other modification is adverse to the Financing Sources without the prior written consent of the Financing Sources and (iii) no provision of this Agreement may be amended, supplemented or otherwise modified in any manner (whether by operation of law or otherwise) after the Effective Time.

Section 9.8 Extension; Waiver. The conditions to each of the parties' obligations to consummate the Merger are for the sole benefit of such party and may be waived by such party in whole or in part to the extent permitted by applicable Laws. At any time prior to the Effective Time (but not after the Effective Time), the parties may (in the case of the Company, by action taken or authorized by its Board of Directors or authorized officers of the Company), to the extent permitted by applicable Law, (a) extend the time for the performance of any of the obligations or other acts of the other parties, (b) waive any inaccuracies in the representations and warranties contained herein or in any document delivered pursuant hereto, and (c) waive compliance with any of the agreements or conditions contained herein. Any agreement on the part of a party to any such extension or waiver shall be valid only if set forth in a written instrument signed on behalf of such party. The failure of any party to this Agreement to assert any of its rights under this Agreement or otherwise shall not constitute a waiver of such rights, nor shall any single or partial exercise by any party to this Agreement of any of its rights under this Agreement preclude any other or further exercise of such rights or any other rights under this Agreement.

Section 9.9 Governing Law; Venue; Waiver of Jury Trial; Specific Performance.

(a) Subject to Section 9.11, this Agreement, and any dispute arising out of or relating to this Agreement, shall be deemed to be made in and in all respects shall be interpreted, construed and governed by and enforced in accordance with the Laws of the State of Delaware, without regard to the conflicts of laws rules thereof.

(b) EACH PARTY ACKNOWLEDGES AND AGREES THAT ANY DISPUTE WHICH MAY ARISE UNDER THIS AGREEMENT IS LIKELY TO INVOLVE COMPLICATED AND DIFFICULT ISSUES, AND THEREFORE EACH SUCH PARTY HEREBY IRREVOCABLY AND UNCONDITIONALLY WAIVES ANY RIGHT SUCH PARTY MAY HAVE TO A TRIAL BY JURY IN RESPECT OF ANY LITIGATION DIRECTLY OR INDIRECTLY ARISING OUT OF OR RELATING TO THIS AGREEMENT, THE MERGER OR THE OTHER TRANSACTIONS CONTEMPLATED HEREBY (INCLUDING ANY SUCH SUIT, ACTION OR PROCEEDING

AGAINST A FINANCING SOURCE OR IN CONNECTION WITH THE FINANCING). EACH PARTY CERTIFIES AND ACKNOWLEDGES THAT (i) NO REPRESENTATIVE, AGENT OR ATTORNEY OF ANY OTHER PARTY HAS REPRESENTED, EXPRESSLY OR OTHERWISE, THAT SUCH OTHER PARTY WOULD NOT, IN THE EVENT OF LITIGATION, SEEK TO ENFORCE THE

FOREGOING WAIVER, (ii) EACH PARTY UNDERSTANDS AND HAS CONSIDERED THE IMPLICATIONS OF THIS WAIVER, (iii) EACH PARTY MAKES THIS WAIVER VOLUNTARILY, AND (iv) EACH PARTY HAS BEEN INDUCED TO ENTER INTO THIS AGREEMENT BY, AMONG OTHER THINGS, THE MUTUAL WAIVERS AND CERTIFICATIONS IN THIS SECTION 9.9(B).

(c) The parties acknowledge and agree that irreparable harm would occur for which monetary damages would not be an adequate remedy in the event that any of the provisions of this Agreement were not performed in accordance with its specific terms or were otherwise breached. It is accordingly agreed that, in the event of any breach or threatened breach by any other party of any covenant or obligation contained in this Agreement, the non-breaching party shall be entitled to seek (in addition to any other remedy that may be available to it at law and in equity, including monetary damages, except as limited by Section 8.3) (i) an injunction restraining such breach or threatened breach and (ii) an Order of specific performance to enforce the observance and performance of such covenant or obligation without proof of actual damages, and each party further agrees to waive any requirement for the securing or posting of any bond or other security in connection with such remedy. Each party agrees not to raise any objections (including any defense or counterclaim that there is an adequate remedy at law) to the availability of the equitable remedy of specific performance to prevent or restrain breaches or threatened breaches of, or to enforce compliance with, the covenants and obligations of such party under this Agreement all in accordance with the terms of this Section 9.9(c). Each party further agrees that (i) by seeking the remedies provided for in this Section 9.9(c), a party shall not in any respect waive its right to seek any other form of relief that may be available to such party at law or in equity in respect of this Agreement or the transactions contemplated hereby and/or thereby, (ii) nothing set forth in this Section 9.9(c) shall require any party to institute any Proceeding (or limit any party's right to institute any Proceeding) for specific performance under this Section 9.9(c) prior or as a condition to exercising any termination right under Article VIII, nor shall the commencement of any Proceeding pursuant to this Section 9.9(c) or anything set forth in this Section 9.9(c) restrict or limit any party's right to terminate this Agreement in accordance with the terms of Article VIII or pursue any other remedies (including monetary damages) in respect of this Agreement or the transactions contemplated hereby and/or thereby that may be available then or thereafter, this being in addition to any other remedy to which they are entitled at law or in equity, and (iii) that the prevailing party in any such Proceeding shall be entitled to reimbursement of all costs and expenses associated with seeking such relief, including reasonable attorneys fees. In the event that a party institutes a Proceeding seeking equitable relief under this Section 9.9(c), the Outside Date shall automatically be extended until the 20th Business Day following the date on which such Proceeding is finally resolved (if the Outside Date would otherwise occur on or prior to such date) or (ii) such other time period established by the court presiding over such Proceeding.

Each party irrevocably consents to the service of process outside the territorial jurisdiction of the courts referred to in this Section 9.9(d) in any such Proceeding by mailing copies thereof by registered or certified United States mail, postage prepaid, return receipt requested, to its address as specified in or pursuant to this Article IX; provided, however, the foregoing shall not limit the right of a party to effect service of process on the other party by any other legally available method. Tax means income, gross receipts, franchise, sales, use, ad valorem, property, payroll, withholding, excise, severance, transfer, employment, estimated, alternative or add-on minimum, value added, stamp, occupation, premium, environmental or windfall profits taxes, and other taxes, charges, fees, levies, imposts, customs, duties, licenses or other assessments, in each case in the nature of a Tax, together with any interest and any penalties (including penalties for failure to file or late filing of any return, report or other filing, and any interest in respect of such penalties and additions, additions to tax or additional amounts imposed by any and all federal, state, local, foreign or other Taxing Authority).

For the avoidance of doubt, the failure by Parent and Merger Sub to consummate the Merger as a result of Parent's failure to receive the proceeds from the Financing despite Parent's compliance in all material respects with its obligations under Section 6.16 shall not in and of itself constitute a Willful Breach.

The Board of Directors

Nutrisystem, Inc.

Fort Washington Executive Center

600 Office Center Drive

Fort Washington, Pennsylvania, 19034

Members of the Board of Directors:

We understand that Nutrisystem, Inc., a Delaware corporation (the Company), proposes to enter into an Agreement and Plan of Merger (the Merger Agreement), with Tivity Health, Inc., a Delaware corporation (Parent) and Sweet Acquisition, Inc., a Delaware corporation and wholly owned subsidiary of Parent (Merger Sub), pursuant to which Merger Sub will merge with and into the Company, with the Company as the surviving entity (the Surviving Company), as a result of which the Surviving Company will become a wholly owned subsidiary of Parent (the Merger). As a result of the Merger, among other things, each share of common stock, par value \$0.001 per share, of the Company (the Company Common Stock), other than Excluded Shares and Appraisal Shares (each as defined in the Merger Agreement), issued and outstanding immediately prior to the Effective Time will be converted into and become the right to receive (i) \$38.75 in cash (the Cash Consideration) and (ii) 0.2141 (the Exchange Ratio) of a validly issued, fully paid and nonassessable share (the Stock Consideration, and together with the Cash Consideration, the Merger Consideration) of common stock, par value \$0.001 per share, of Parent (the Parent Stock). The terms and conditions of the Merger are more fully set forth in the Merger Agreement and capitalized terms used herein and not defined shall have the meanings ascribed thereto in the Merger Agreement.

The Board of Directors of the Company has asked us whether, in our opinion, the Merger Consideration is fair, from a financial point of view, to the holders of the shares of Company Common Stock, other than holders of Excluded Shares or Appraisal Shares.

In connection with rendering our opinion, we have, among other things:

- (i) reviewed certain publicly available business and financial information relating to the Company and Parent that we deemed to be relevant, including publicly available research analysts' estimates;
- (ii) reviewed certain non-public historical financial statements and other non-public historical financial and operating data relating to each of the Company and Parent prepared and furnished to us by the management of the Company and Parent, respectively;
- (iii)

reviewed (x) certain non-public projected financial and operating data relating to the Company prepared and furnished to us by the management of the Company, and (y) certain publicly available research analysts estimates of Parent's future performance;

- (iv) discussed the past and current operations, financial projections and current financial condition of the Company with the management of the Company (including their views on the risks and uncertainties of achieving such projections);
- (v) discussed the past and current operations, and current financial condition, of Parent with the management of Parent;
- (vi) reviewed the reported prices and the historical trading activity of each of the Company Common Stock and the Parent Stock;
- (vii) compared the financial performance of each of the Company and Parent and their respective stock market trading multiples with those of certain other publicly traded companies that we deemed relevant;

B-1

Table of Contents

- (viii) compared the financial performance of each of the Company and Parent and the valuation multiples relating to the Merger with those of certain other transactions that we deemed relevant;
- (ix) reviewed a draft of the Merger Agreement dated December 7, 2018; and
- (x) performed such other analyses and examinations and considered such other factors that we deemed appropriate.

For purposes of our analysis and opinion, we have assumed and relied upon, without undertaking any independent verification of, the accuracy and completeness of all of the information publicly available, and all of the information supplied or otherwise made available to, discussed with, or reviewed by us, and we assume no liability therefor. With respect to the projected financial data relating to the Company referred to above, we have assumed that they have been reasonably prepared on bases reflecting the best currently available estimates and good faith judgments of the management of the Company as to the future financial performance of the Company under the assumptions reflected therein. We express no view as to any projected financial data relating to the Company or the assumptions on which they are based.

For purposes of rendering our opinion, we have assumed, in all respects material to our analysis, that the representations and warranties of each party contained in the Merger Agreement are true and correct, that each party will perform all of the covenants and agreements required to be performed by it under the Merger Agreement in all material respects and that all conditions to the consummation of the Merger will be satisfied without material waiver or modification thereof. We have further assumed that all governmental, regulatory or other consents, approvals or releases necessary for the consummation of the Merger will be obtained without any material delay, limitation, restriction or condition, in each case, that would have an adverse effect on the Company or the consummation of the Merger or materially reduce the benefits of the Merger to the holders of Company Common Stock. We have also assumed that the executed Merger Agreement will not differ in any material respect from the draft Merger Agreement dated December 7, 2018 reviewed by us.

We have not made nor assumed any responsibility for making any physical inspection, independent valuation or appraisal of the assets or liabilities of the Company or Parent, nor have we been furnished with any such inspection, valuation or appraisal, nor have we evaluated the solvency or fair value of the Company or Parent under any state, federal or foreign laws relating to bankruptcy, insolvency or similar matters. Our opinion is necessarily based upon information made available to us as of the date hereof and financial, economic, market and other conditions as they exist and as can be evaluated on the date hereof. It is understood that subsequent developments may affect this opinion and that we do not have any obligation to update, revise or reaffirm this opinion.

We have not been asked to pass upon, and express no opinion with respect to, any matter other than the fairness, from a financial point of view, of the Merger Consideration to the holders of Company Common Stock, other than holders of Excluded Shares or Appraisal Shares. We do not express any view on, and our opinion does not address, the fairness of the Merger to, or any consideration received in connection therewith by, the holders of any other securities, creditors or other constituencies of the Company, nor as to the fairness of the amount or nature of any compensation to be paid or payable to any of the officers, directors or employees of the Company, or any class of such persons, whether relative to the Merger Consideration or otherwise (other than, in each case, in their capacity as holders of Company Common Stock). We have assumed that any modification to the structure of the transaction will not vary our analysis in any material respect. Our opinion does not address the relative merits of the Merger as compared to other business or financial strategies that might be available to the Company, nor does it address the underlying business decision of the Company to engage in the Merger. This letter, and our opinion, does not constitute a

recommendation to the Board of Directors of the Company or to any other persons in respect of the Merger, including as to how any holder of shares of Company Common Stock should vote or act in respect of the Merger. We express no opinion herein as to the price at which shares of Company Common Stock or Parent Stock will trade at any time. We are not legal, regulatory, accounting or tax

experts and have assumed the accuracy and completeness of assessments by the Company and its advisors with respect to legal, regulatory, accounting and tax matters.

We will receive a fee for our services following the delivery of this opinion. We will be entitled to receive a success fee upon the consummation of the Merger. The Company has also agreed to reimburse our reasonable expenses and to indemnify us against certain potential liabilities arising out of our engagement. Prior to this engagement, Evercore Group L.L.C. and its affiliates acted as agent to the Company on the execution of its open-market share repurchase program (the Share Repurchase Program) and received commissions in connection therewith. During the two year period prior to the date hereof, no material relationship existed between Evercore Group L.L.C. or any of its affiliates and the Company (other than the engagements in connection with (i) the Merger and (ii) the Share Repurchase Program) or Parent (including Tivity Health Administrative Center, LP and those subsidiaries listed on Exhibit 21 to Parent's annual report on Form 10-K for the fiscal year ended December 31, 2017) pursuant to which compensation was received by Evercore Group L.L.C. or its affiliates as a result of such a relationship or, in either case, pursuant to which Evercore or any of its affiliates expects to receive any compensation. We may provide financial or other services to Parent in the future and in connection with any such services we may receive compensation.

In the ordinary course of business, Evercore Group L.L.C. or its affiliates may actively trade the securities, or related derivative securities, or financial instruments of the Company, Parent and their respective affiliates, for its own account and for the accounts of its customers and, accordingly, may at any time hold a long or short position in such securities or instruments.

This letter, and the opinion expressed herein, is addressed to, and is for the use and benefit of, the Board of Directors of the Company in connection with its evaluation of the proposed Merger. The issuance of this opinion has been approved by an Opinion Committee of Evercore Group L.L.C.

This opinion may not be disclosed, quoted, referred or communicated (in whole or in part) to or by any third party for any purpose whatsoever except with our prior written approval, except the Company or Parent may reproduce this opinion in full in any document that is required to be filed with the U.S. Securities and Exchange Commission and required to be mailed by the Company or Parent to its stockholders relating to the Merger; provided, however, that all references to us or our opinion in any such document and the description or inclusion of our opinion therein shall be subject to our prior consent with respect to form and substance, which consent shall not be unreasonably withheld, conditioned or delayed.

Based upon and subject to the foregoing, it is our opinion that, as of the date hereof, the Merger Consideration is fair, from a financial point of view, to the holders of the shares of Company Common Stock, other than holders of Excluded Shares or Appraisal Shares.

Very truly yours,

EVERCORE GROUP L.L.C.

Annex C

SECTION 262 OF THE GENERAL CORPORATION LAW OF THE STATE OF DELAWARE

(a) Any stockholder of a corporation of this State who holds shares of stock on the date of the making of a demand pursuant to subsection (d) of this section with respect to such shares, who continuously holds such shares through the effective date of the merger or consolidation, who has otherwise complied with subsection (d) of this section and who has neither voted in favor of the merger or consolidation nor consented thereto in writing pursuant to § 228 of this title shall be entitled to an appraisal by the Court of Chancery of the fair value of the stockholder's shares of stock under the circumstances described in subsections (b) and (c) of this section. As used in this section, the word "stockholder" means a holder of record of stock in a corporation; the words "stock" and "share" mean and include what is ordinarily meant by those words; and the words "depository receipt" mean a receipt or other instrument issued by a depository representing an interest in 1 or more shares, or fractions thereof, solely of stock of a corporation, which stock is deposited with the depository.

(b) Appraisal rights shall be available for the shares of any class or series of stock of a constituent corporation in a merger or consolidation to be effected pursuant to § 251 (other than a merger effected pursuant to § 251(g) of this title), § 252, § 254, § 255, § 256, § 257, § 258, § 263 or § 264 of this title:

(1) Provided, however, that, except as expressly provided in § 363(b) of this title, no appraisal rights under this section shall be available for the shares of any class or series of stock, which stock, or depository receipts in respect thereof, at the record date fixed to determine the stockholders entitled to receive notice of the meeting of stockholders to act upon the agreement of merger or consolidation (or, in the case of a merger pursuant to § 251(h), as of immediately prior to the execution of the agreement of merger), were either: (i) listed on a national securities exchange or (ii) held of record by more than 2,000 holders; and further provided that no appraisal rights shall be available for any shares of stock of the constituent corporation surviving a merger if the merger did not require for its approval the vote of the stockholders of the surviving corporation as provided in § 251(f) of this title.

(2) Notwithstanding paragraph (b)(1) of this section, appraisal rights under this section shall be available for the shares of any class or series of stock of a constituent corporation if the holders thereof are required by the terms of an agreement of merger or consolidation pursuant to §§ 251, 252, 254, 255, 256, 257, 258, 263 and 264 of this title to accept for such stock anything except:

- a. Shares of stock of the corporation surviving or resulting from such merger or consolidation, or depository receipts in respect thereof;
- b. Shares of stock of any other corporation, or depository receipts in respect thereof, which shares of stock (or depository receipts in respect thereof) or depository receipts at the effective date of the merger or consolidation will be either listed on a national securities exchange or held of record by more than 2,000 holders;
- c. Cash in lieu of fractional shares or fractional depository receipts described in the foregoing paragraphs (b)(2)a. and b. of this section; or

- d. Any combination of the shares of stock, depository receipts and cash in lieu of fractional shares or fractional depository receipts described in the foregoing paragraphs (b)(2)a., b. and c. of this section.
- (3) In the event all of the stock of a subsidiary Delaware corporation party to a merger effected under § 253 or § 267 of this title is not owned by the parent immediately prior to the merger, appraisal rights shall be available for the shares of the subsidiary Delaware corporation.
- (4) In the event of an amendment to a corporation's certificate of incorporation contemplated by § 363(a) of this title, appraisal rights shall be available as contemplated by § 363(b) of this title, and the procedures of this

C-1

Table of Contents

section, including those set forth in subsections (d) and (e) of this section, shall apply as nearly as practicable, with the word amendment substituted for the words merger or consolidation, and the word corporation substituted for the words constituent corporation and/or surviving or resulting corporation.

(c) Any corporation may provide in its certificate of incorporation that appraisal rights under this section shall be available for the shares of any class or series of its stock as a result of an amendment to its certificate of incorporation, any merger or consolidation in which the corporation is a constituent corporation or the sale of all or substantially all of the assets of the corporation. If the certificate of incorporation contains such a provision, the provisions of this section, including those set forth in subsections (d), (e), and (g) of this section, shall apply as nearly as is practicable.

(d) Appraisal rights shall be perfected as follows:

(1) If a proposed merger or consolidation for which appraisal rights are provided under this section is to be submitted for approval at a meeting of stockholders, the corporation, not less than 20 days prior to the meeting, shall notify each of its stockholders who was such on the record date for notice of such meeting (or such members who received notice in accordance with § 255(c) of this title) with respect to shares for which appraisal rights are available pursuant to subsection (b) or (c) of this section that appraisal rights are available for any or all of the shares of the constituent corporations, and shall include in such notice a copy of this section and, if 1 of the constituent corporations is a nonstock corporation, a copy of § 114 of this title. Each stockholder electing to demand the appraisal of such stockholder's shares shall deliver to the corporation, before the taking of the vote on the merger or consolidation, a written demand for appraisal of such stockholder's shares. Such demand will be sufficient if it reasonably informs the corporation of the identity of the stockholder and that the stockholder intends thereby to demand the appraisal of such stockholder's shares. A proxy or vote against the merger or consolidation shall not constitute such a demand. A stockholder electing to take such action must do so by a separate written demand as herein provided. Within 10 days after the effective date of such merger or consolidation, the surviving or resulting corporation shall notify each stockholder of each constituent corporation who has complied with this subsection and has not voted in favor of or consented to the merger or consolidation of the date that the merger or consolidation has become effective; or

(2) If the merger or consolidation was approved pursuant to § 228, § 251(h), § 253, or § 267 of this title, then either a constituent corporation before the effective date of the merger or consolidation or the surviving or resulting corporation within 10 days thereafter shall notify each of the holders of any class or series of stock of such constituent corporation who are entitled to appraisal rights of the approval of the merger or consolidation and that appraisal rights are available for any or all shares of such class or series of stock of such constituent corporation, and shall include in such notice a copy of this section and, if 1 of the constituent corporations is a nonstock corporation, a copy of § 114 of this title. Such notice may, and, if given on or after the effective date of the merger or consolidation, shall, also notify such stockholders of the effective date of the merger or consolidation. Any stockholder entitled to appraisal rights may, within 20 days after the date of mailing of such notice or, in the case of a merger approved pursuant to § 251(h) of this title, within the later of the consummation of the offer contemplated by § 251(h) of this title and 20 days after the date of mailing of such notice, demand in writing from the surviving or resulting corporation the appraisal of such holder's shares. Such demand will be sufficient if it reasonably informs the corporation of the identity of the stockholder and that the stockholder intends thereby to demand the appraisal of such holder's shares. If such notice did not notify stockholders of the effective date of the merger or consolidation, either (i) each such constituent corporation shall send a second notice before the effective date of the merger or consolidation notifying each of the holders of any class or series of stock of such constituent corporation that are entitled to appraisal rights of the effective date of the merger or consolidation or (ii) the surviving or resulting corporation shall send such a second notice to all such holders on or within 10 days after such effective date; provided, however, that if such second notice is sent more than 20 days following the sending of the first notice or, in the case of a merger approved pursuant to § 251(h) of this title, later than the later of the consummation of the offer contemplated by § 251(h) of this title and 20 days following the

sending of the first notice, such second notice need only be sent to each stockholder who is entitled

C-2

to appraisal rights and who has demanded appraisal of such holder's shares in accordance with this subsection. An affidavit of the secretary or assistant secretary or of the transfer agent of the corporation that is required to give either notice that such notice has been given shall, in the absence of fraud, be prima facie evidence of the facts stated therein. For purposes of determining the stockholders entitled to receive either notice, each constituent corporation may fix, in advance, a record date that shall be not more than 10 days prior to the date the notice is given, provided, that if the notice is given on or after the effective date of the merger or consolidation, the record date shall be such effective date. If no record date is fixed and the notice is given prior to the effective date, the record date shall be the close of business on the day next preceding the day on which the notice is given.

(e) Within 120 days after the effective date of the merger or consolidation, the surviving or resulting corporation or any stockholder who has complied with subsections (a) and (d) of this section hereof and who is otherwise entitled to appraisal rights, may commence an appraisal proceeding by filing a petition in the Court of Chancery demanding a determination of the value of the stock of all such stockholders. Notwithstanding the foregoing, at any time within 60 days after the effective date of the merger or consolidation, any stockholder who has not commenced an appraisal proceeding or joined that proceeding as a named party shall have the right to withdraw such stockholder's demand for appraisal and to accept the terms offered upon the merger or consolidation. Within 120 days after the effective date of the merger or consolidation, any stockholder who has complied with the requirements of subsections (a) and (d) of this section hereof, upon written request, shall be entitled to receive from the corporation surviving the merger or resulting from the consolidation a statement setting forth the aggregate number of shares not voted in favor of the merger or consolidation (or, in the case of a merger approved pursuant to § 251(h) of this title, the aggregate number of shares (other than any excluded stock (as defined in § 251(h)(6)d. of this title)) that were the subject of, and were not tendered into, and accepted for purchase or exchange in, the offer referred to in § 251(h)(2)), and, in either case, with respect to which demands for appraisal have been received and the aggregate number of holders of such shares. Such written statement shall be mailed to the stockholder within 10 days after such stockholder's written request for such a statement is received by the surviving or resulting corporation or within 10 days after expiration of the period for delivery of demands for appraisal under subsection (d) of this section hereof, whichever is later. Notwithstanding subsection (a) of this section, a person who is the beneficial owner of shares of such stock held either in a voting trust or by a nominee on behalf of such person may, in such person's own name, file a petition or request from the corporation the statement described in this subsection.

(f) Upon the filing of any such petition by a stockholder, service of a copy thereof shall be made upon the surviving or resulting corporation, which shall within 20 days after such service file in the office of the Register in Chancery in which the petition was filed a duly verified list containing the names and addresses of all stockholders who have demanded payment for their shares and with whom agreements as to the value of their shares have not been reached by the surviving or resulting corporation. If the petition shall be filed by the surviving or resulting corporation, the petition shall be accompanied by such a duly verified list. The Register in Chancery, if so ordered by the Court, shall give notice of the time and place fixed for the hearing of such petition by registered or certified mail to the surviving or resulting corporation and to the stockholders shown on the list at the addresses therein stated. Such notice shall also be given by 1 or more publications at least 1 week before the day of the hearing, in a newspaper of general circulation published in the City of Wilmington, Delaware or such publication as the Court deems advisable. The forms of the notices by mail and by publication shall be approved by the Court, and the costs thereof shall be borne by the surviving or resulting corporation.

(g) At the hearing on such petition, the Court shall determine the stockholders who have complied with this section and who have become entitled to appraisal rights. The Court may require the stockholders who have demanded an appraisal for their shares and who hold stock represented by certificates to submit their certificates of stock to the Register in Chancery for notation thereon of the pendency of the appraisal proceedings; and if any stockholder fails to comply with such direction, the Court may dismiss the proceedings as to such stockholder. If immediately before the

merger or consolidation the shares of the class or series of stock of the constituent corporation as to which appraisal rights are available were listed on a national securities exchange, the Court shall dismiss the proceedings as to all holders of such shares who are otherwise entitled to appraisal rights unless

C-3

Table of Contents

(1) the total number of shares entitled to appraisal exceeds 1% of the outstanding shares of the class or series eligible for appraisal, (2) the value of the consideration provided in the merger or consolidation for such total number of shares exceeds \$1 million, or (3) the merger was approved pursuant to § 253 or § 267 of this title.

(h) After the Court determines the stockholders entitled to an appraisal, the appraisal proceeding shall be conducted in accordance with the rules of the Court of Chancery, including any rules specifically governing appraisal proceedings. Through such proceeding the Court shall determine the fair value of the shares exclusive of any element of value arising from the accomplishment or expectation of the merger or consolidation, together with interest, if any, to be paid upon the amount determined to be the fair value. In determining such fair value, the Court shall take into account all relevant factors. Unless the Court in its discretion determines otherwise for good cause shown, and except as provided in this subsection, interest from the effective date of the merger through the date of payment of the judgment shall be compounded quarterly and shall accrue at 5% over the Federal Reserve discount rate (including any surcharge) as established from time to time during the period between the effective date of the merger and the date of payment of the judgment. At any time before the entry of judgment in the proceedings, the surviving corporation may pay to each stockholder entitled to appraisal an amount in cash, in which case interest shall accrue thereafter as provided herein only upon the sum of (1) the difference, if any, between the amount so paid and the fair value of the shares as determined by the Court, and (2) interest theretofore accrued, unless paid at that time. Upon application by the surviving or resulting corporation or by any stockholder entitled to participate in the appraisal proceeding, the Court may, in its discretion, proceed to trial upon the appraisal prior to the final determination of the stockholders entitled to an appraisal. Any stockholder whose name appears on the list filed by the surviving or resulting corporation pursuant to subsection (f) of this section and who has submitted such stockholder's certificates of stock to the Register in Chancery, if such is required, may participate fully in all proceedings until it is finally determined that such stockholder is not entitled to appraisal rights under this section.

(i) The Court shall direct the payment of the fair value of the shares, together with interest, if any, by the surviving or resulting corporation to the stockholders entitled thereto. Payment shall be so made to each such stockholder, in the case of holders of uncertificated stock forthwith, and the case of holders of shares represented by certificates upon the surrender to the corporation of the certificates representing such stock. The Court's decree may be enforced as other decrees in the Court of Chancery may be enforced, whether such surviving or resulting corporation be a corporation of this State or of any state.

(j) The costs of the proceeding may be determined by the Court and taxed upon the parties as the Court deems equitable in the circumstances. Upon application of a stockholder, the Court may order all or a portion of the expenses incurred by any stockholder in connection with the appraisal proceeding, including, without limitation, reasonable attorney's fees and the fees and expenses of experts, to be charged pro rata against the value of all the shares entitled to an appraisal.

(k) From and after the effective date of the merger or consolidation, no stockholder who has demanded appraisal rights as provided in subsection (d) of this section shall be entitled to vote such stock for any purpose or to receive payment of dividends or other distributions on the stock (except dividends or other distributions payable to stockholders of record at a date which is prior to the effective date of the merger or consolidation); provided, however, that if no petition for an appraisal shall be filed within the time provided in subsection (e) of this section, or if such stockholder shall deliver to the surviving or resulting corporation a written withdrawal of such stockholder's demand for an appraisal and an acceptance of the merger or consolidation, either within 60 days after the effective date of the merger or consolidation as provided in subsection (e) of this section or thereafter with the written approval of the corporation, then the right of such stockholder to an appraisal shall cease. Notwithstanding the foregoing, no appraisal proceeding in the Court of Chancery shall be dismissed as to any stockholder without the approval of the Court, and such approval may be conditioned upon such terms as the Court deems just; provided, however that this provision

shall not affect the right of any stockholder who has not commenced an appraisal proceeding or joined that proceeding as a named party to withdraw such stockholder s

demand for appraisal and to accept the terms offered upon the merger or consolidation within 60 days after the effective date of the merger or consolidation, as set forth in subsection (e) of this section.

(1) The shares of the surviving or resulting corporation to which the shares of such objecting stockholders would have been converted had they assented to the merger or consolidation shall have the status of authorized and unissued shares of the surviving or resulting corporation.
