Details on the proposed agenda for the AGM are attached.

\* KEPCO will hold its AGM on March 22, 2019, which is one of what is known in Korea as "Super AGM Days" on account of the fact that many publicly traded companies in Korea hold their AGMs toward the end of March. The Financial Services Commission of Korea (the "FSC") encourages publicly traded companies in Korea to hold their AGMs on a day other than a Super AGM Day in order to facilitate shareholder attendance at AGMs, and under the FSC guidelines KEPCO is required to publicly disclose why it will hold its AGM on a Super AGM Day. It is

necessary for KEPCO to hold this year's AGM on a Super AGM Day mainly due to scheduling concerns related to the finalization of its consolidated financial statements, external auditor's audit as well as management's impending needs to approve major business and operational decisions.

**Agenda 2. Approval of the ceiling amount of remuneration for directors**

Proposed aggregate ceiling on remuneration for directors:

2,174,564 thousand won in fiscal year 2019 (total number of directors: 15; number of non-standing directors: 8)

2,120,796 thousand won in fiscal year 2018 (total number of directors: 15; number of non-standing directors: 8)

We proposed to increase the maximum aggregate amount of remuneration for directors in 2019 by 2.54% compared to 2018 as a result of (i) the notification by the Government to increase the remuneration for directors of government controlled entities by 1.8% and (ii) the increased severance payments due to the increase in the average incumbency of our directors from 19 months to 20 months.
