BHP Board appointments

BHP Chairman, Ken MacKenzie, today announced the appointment of Ian Cockerill and Susan Kilsby to the BHP Board as independent Non-executive Directors, effective 1 April 2019.

Mr Cockerill has extensive mining experience, including in chief executive, operational, strategic and technical roles. He was formerly the Chief Executive Officer of Anglo Coal and Gold Fields Limited, and a senior executive with AngloGold Ashanti and Anglo American Group. Mr Cockerill has considerable public company board experience, including as a Non-executive Director of Orica Limited, Ivanhoe Mines Ltd and Endeavour Mining Corporation, and as Chairman of the board of Blackrock World Mining Trust plc.

Ms Kilsby has extensive experience in finance and strategy, having held several roles in global investment banking. From 1996 to 2014, she held senior executive roles at Credit Suisse, including as a Senior Advisor, and Chairman of EMEA Mergers and Acquisitions. Ms Kilsby brings to the BHP Board her non-executive experience across multiple industries. Until recently, Ms Kilsby was the Chairman of Shire plc. She is currently the Senior Independent Director at BBA Aviation plc, and a Non-executive Director of Diageo plc and Fortune Brands Home & Security Inc.

Mr MacKenzie said the appointment of Ms Kilsby and Mr Cockerill was the outcome of a structured and rigorous approach to board succession planning, including extensive global searches. Succession planning for the BHP Board is continuous and takes into account the balance of attributes, skills, experience, diversity and tenure necessary for the Board to govern BHP effectively, manage risks and oversee the execution of BHP's strategy.

Susan will bring to the BHP Board her extensive global executive and non-executive experience across a range of industries, particularly in the areas of long-term strategy, capital allocation and corporate governance. Ian has in-depth experience in the mining industry, including in relation to complex projects and significant capital investments over long cycles. He also brings his experience acquired through his public board roles.

We are delighted that Ian and Susan are joining the BHP Board.

After these changes are effective, the Board will comprise 11 Directors - 10 Non-executive Directors and one Executive Director.

Ian Cockerill

Ian Cockerill, 64, served as Chief Executive Officer of Anglo American Coal (2008 to 2009), Managing Director and Chief Operating Officer (1999 to 2002) and President and Chief Executive Officer (2002 to 2008) of Gold Fields Limited. He was formerly an executive with AngloGold Ashanti and Anglo American Group.

Mr Cockerill was a Non-executive Director of Endeavour Mining Corporation from 2013 to 2019, and of Hummingbird Resources Plc from 2009 to 2014.

Mr Cockerill is currently the Chairman-elect of Polymetal International plc. He is also the Chairman of Blackrock World Mining Trust plc, a Non-executive Director of Orica Limited and a Non-executive Director of Ivanhoe Mines Limited. Mr Cockerill will step down from his roles with Blackrock World Mining Trust plc and Orica Limited during the course of CY2019, and he will not stand for re-election to the board of Ivanhoe Mines Limited at its annual general meeting this year.

Mr Cockerill has a Bachelor of Science (Geology) from the University of London, a Master of Science (Mining and Mineral Engineering) from the Royal School of Mines and completed the Advanced Management Program at Oxford University.
