CLINICAL TRIALS ASSISTANCE CORPORATION

----- PROXY STATEMENT FOR ANNUAL MEETING OF SHAREHOLDERS TO BE HELD [date], 2003 -----

INTRODUCTION

Your proxy is solicited by the Board of Directors of Clinical Trials Assistance Corporation (the "Company") for use at the Annual Meeting of Shareholders to be held on [date], 2003, and at any adjournment thereof, for the purposes set forth in the attached Notice of Annual Meeting.

The cost of soliciting Proxies, including preparing assembling and mailing the Proxies and soliciting material, will be borne by the Company. Directors, officers, and regular employees of the Company may, without compensation other than their regular compensation, solicit Proxies personally, by telephone or electronic communication including facsimile and electronic mail.

Any shareholder giving a Proxy may revoke it at any time prior to its use at the Meeting by giving written notice of such revocation to the Secretary or other officer of the Company or by filing a new written proxy with an officer of the Company. Personal attendance at the Meeting is not, by itself, sufficient to revoke a Proxy unless written notice of the revocation or a subsequent Proxy is delivered to an officer before the revoked or superseded Proxy is used at the Meeting.

Proxies not revoked will be voted in accordance with the choice specified by means of the ballot provided on the proxy for that purpose. Proxies which are signed but which lack any such specification will, subject to the following, be voted in favor of the proposals set forth in the Notice of the Meeting and in favor of the number and slate of directors proposed by the Board of Directors and listed herein. If a shareholder abstains from voting as to any matter, then the shares held by such shareholder shall be deemed present at the Meeting for purposes of determining a quorum and for purposes of calculating the vote with respect to such matter, but shall not be deemed to have been voted in favor of such matter. Abstentions, therefore, as to any proposal will have the same effect as votes against such proposal. If a broker returns a "non-vote" proxy, indicating a lack of voting instruction by the beneficial holder of the shares and lack of discretionary authority on the part of the broker to vote on a particular matter, then the shares covered by such non-vote shall be deemed present at the Meeting for purposes of determining a quorum but shall not be deemed to be represented at the Meeting for purposes of calculating the vote required for approval of such matter.

The mailing address of the Company's principal executive office is 2078 Redwood Crest, Vista, California 92081-7340. The Company expects that this Proxy Statement and the related Proxy and Notice of the Annual Meeting will first be mailed to the shareholders on or about [date], 2003.

VOTING RIGHTS AND REQUIREMENTS

VOTING SECURITIES

The Board of Directors of the Company has fixed [DATE], 2003 as the record date for determining shareholders entitled to vote at the Annual Meeting. Persons who were not shareholders on such date will not be allowed to vote at the Annual Meeting. At the close of business on [DATE], 2003, 12,000,000 shares of the Company's Common Stock, par value \$0.001 per share, were issued and outstanding. Such Common Stock is the only outstanding class of stock of the Company. Each holder of the Company's common stock are entitled to one vote for each share held of record on all matters submitted to the vote of stockholders, including the election of directors. All voting is noncumulative, which means that the holder of fifty percent (50%) of the shares voting for the election of the directors can elect all the directors.

Votes cast by proxy or in person at the Annual Meeting will be tabulated by corporate counsel, Thomas C. Cook, Esq., who has been appointed prior to the Annual Meeting. He will also determine whether a quorum is present. In the event of any abstentions or broker non-votes with respect to any proposal coming before the Annual Meeting, the proxy will be counted as present for purposes of determining the existence of a quorum. Abstentions and broker on-votes typically will not be counted for purposes of approving any of the matters to be acted upon at the Annual Meeting. A broker non-vote generally occurs when a broker or nominee who holds shares in street name for a customer does not have authority to vote on certain non-routine matters because its customer has not provided any voting instructions on the matter. Therefore, abstentions and broker non-votes generally have no effect under Nevada law with respect to the election of directors or other matters requiring the approval of only a majority of the shares of Common Stock present and voting at the meeting.

REVOCABILITY OF PROXY

You may revoke your proxy at any time prior to the start of our annual meeting in three ways:

1. by delivering a written notice of revocation to Mr. Kamill Rohny, the Chief Executive Officer of our company, at 2078 Redwood Crest, Vista, California 92081-7340;
2. by submitting a duly executed proxy bearing a later date; or
3. by attending our annual meeting and expressing the desire to vote your common shares in person (attendance at our special meeting will not in and of itself revoke a proxy).

DISSENTERS - RIGHTS OF APPRAISALS

Under Nevada law, shareholders of our common stock are not entitled to dissenter's rights of appraisal with respect to our proposals.

QUORUM

The presence at the Annual Meeting of the holders of a number of shares of our Common Stock, and proxies representing the right to vote shares of our Common Stock, in excess of one-half of the number of shares of our Common

Edgar Filing: CLINICAL TRIALS ASSISTANCE CORP - Form PRER14A

Shares outstanding as of the record date will constitute a quorum for transacting business.

VOTE REQUIRED

We are required to obtain the affirmative vote of at least a majority of the voting shares that are present or represented at the meeting in order to effect the shareholder approvals described herein.

Mr. Kamill Rohny, the Company founder, Director and CEO directly owns 10,000,000 shares, or 83% of the common stock eligible to vote on the approval of the proposals in the proxy statement. Mr. Rohny has advised the Company that he intends to vote his shares in favor for each of the the Proposals set forth in this Proxy Statement. Since the number of shares of common stock held or controlled by these this one shareholder represents a majority of the votes that may be cast at the Annual Meeting, and that his vote will mean that his vote will satisfy the quorum and majority vote requirements needed to effect the proposals.

BOARD RECOMMENDATIONS - INSIDERS' INTENT TO VOTE IN FAVOR

Our board has determined to amend the Company's articles to the increase the number of authorized shares, the election of two Directors, approve a three for one forward stock split, approval of the issuance of warrants and the ratification of the Company's auditor are in the best interests of the company and our shareholders. Accordingly, the board has unanimously approved the proposals and recommends that the shareholders who choose to attend the meeting vote in favor of these matters as well.

MATTERS TO BE ACTED UPON

INCREASE NUMBER OF AUTHORIZED SHARES (PROPOSAL 1)

INTRODUCTION

AMENDMENT TO THE ARTICLES OF INCORPORATION OF THE COMPANY TO INCREASE THE NUMBER OF AUTHORIZED COMMON STOCK

Our board of directors approved the increase in the authorized number of common shares so that additional shares will be available for issuance for general corporate purposes, including financing activities, without the requirement of further action by our shareholders. Potential uses of additional authorized shares may include public or private offerings, acquisition transactions and other general corporate purposes. Increasing the authorized number of shares of our common stock will give us greater flexibility and will allow us to issue additional common shares in most cases without the expense of delay of seeking shareholder approval. Our company is at all times investigating additional sources of financing which our board of directors believes will be in our best interests and in the best interests of

Edgar Filing: CLINICAL TRIALS ASSISTANCE CORP - Form PRER14A

our shareholders. We do not currently have any plans, proposals, agreements or understandings, written or otherwise, for any transaction that would require the issuance of additional shares of common stock. Our common shares carry no pre-emptive rights to purchase additional shares. The adoption of the amendment to our Articles of Incorporation will not of itself cause any changes in our capital accounts.

The board of directors has unanimously adopted the following resolution, subject to shareholder approval, amending the Company's Articles of Incorporation to increase the number of shares of Common Stock from twenty million (20,000,000) shares to seventy million (70,000,000) shares:

"RESOLVED, that the first paragraph of Article IV of the Articles of Incorporation be amended to read as follows:

"4. Authorized Shares:

The total authorized capital stock of the corporation shall be as follow:

Seventy Million (70,000,000) shares of Class A Common Stock of the Par Value of \$0.001 all of which shall be entitled to voting power.

Two million (2,000,000) authorized Series A Preferred Shares with a par value of \$0.001 and such other terms as determined by the board of Directors of the corporation prior to their issuance. Each Series A Preferred Share shall have voting rights and shall carry a voting weight equal to ten (10) Common Shares. Each Series A Preferred Share may be converted into ten (10) Common Shares upon approval by the Board of Directors of the corporation.

5

Two million (2,000,000) authorized Series B Preferred Shares with a par value of \$0.001 per share and such other terms as may be determined prior to their issuance by the Board of Directors. Each Series B Preferred Share shall have voting rights and shall carry a voting weight equal to two (2) Common Shares. Each Series B Preferred Share may be converted into two (2) Common Shares upon approval by the Board of Directors.

One million (1,000,000) authorized Series C Preferred Shares with a par value of \$0.001 per share and such other terms as may be determined by the Board of Directors prior to their issuance. No Series C Preferred Share shall have voting rights."

If the proposed amendment is adopted by the shareholders, the Company plans to file a Certificate of Amendment to the Articles of Incorporation amending Article IV as described above, with the Nevada Secretary of State, to be effective as soon as practicable following the meeting.

Possible Effects of the Proposed Amendment to the Certificate of Incorporation.

If the Company's shareholders approve the proposed amendment to the Articles of Incorporation, the Board of Directors may authorize the issuance of additional shares of Common Stock without further approval of the Company's shareholders, except as may be required in certain cases by the Company's charter documents or applicable law or regulations. Under the Company's Articles of Incorporation,

Edgar Filing: CLINICAL TRIALS ASSISTANCE CORP - Form PRER14A

the Company's shareholders do not have preemptive rights to subscribe to additional securities which may be issued by the Company, which means that current shareholders do not have a prior right to purchase any new issue of capital stock of the Company in order to maintain their proportionate ownership of the Common Stock. Furthermore, if the Board elects to issue additional shares of Common Stock or securities convertible into or exercisable for shares of Common Stock, such issuance could have a dilutive effect on the voting power and earnings per share of existing shareholders. In addition, the increase in the number of authorized shares of Common Stock could have an anti-takeover effect. For example, if the Board issues additional shares in the future, such issuance could dilute the voting power of a person seeking control of the Company, thereby rendering more difficult a merger, tender offer, proxy contest or an extraordinary transaction opposed by the Board of Directors. As of the date of this proxy statement, the Board is not aware of any attempt or plan to obtain control of the Company.

RECOMMENDATION OF THE BOARD OF DIRECTORS

THE BOARD RECOMMENDS A VOTE "FOR" THE AMENDMENT TO THE COMPANY'S CERTIFICATE OF INCORPORATION TO EFFECT THE INCREASE IN AUTHORIZED COMMON STOCK.

6

ELECTION OF DIRECTORS

(PROPOSAL 2)

GENERAL INFORMATION

In the election of directors, each Proxy will be voted for each of the nominees listed below unless the Proxy withholds a vote for one or more of the nominees. Each person elected as a director, pursuant to our Bylaws, shall serve for a term of two years and until his successor is duly elected and qualified. All of the nominees are members of the present Board of Directors. If any of the nominees should be unable to serve as a director by reason of death, incapacity or other unexpected occurrence, the Proxies solicited by the Board of Directors shall be voted by the proxy representatives for such substitute nominee as is selected by the Board, or, in the absence of such selection, for such fewer number of directors as results from such death, incapacity or other unexpected occurrence.

The following table provides certain information with respect to the nominees for director.

Name	Age	Position	Board Member Since

Work Experience

Kamill Rohny, Director, President, CEO/CFO, Secretary

Kamill Rohny had 32-years of service (December, 1969 through February, 2002) with Procter & Gamble Pharmaceuticals (formerly known as Norwich Eaton Pharmaceuticals). He voluntarily retired from the Company in February, 2002.

7

While at Procter and Gamble Pharmaceuticals, Kamill Rohny was a Regional Scientific Manager of the Professional Scientific Organization of Procter & Gamble Pharmaceuticals, leading and executing educational and clinical research projects, disseminating scientific data to national and regional physician thought leaders, in one-on-one and group settings. This resulted in the education of current and future treatment modalities.

Key strategies and activities included but were not limited to, working with clinical research departments in identifying investigators, clinical research centers, including site assessment and pre-study visits and served as a conduit for handling independent research proposals.

During his last year at Procter and Gamble Pharmaceuticals, Mr. Rohny designed, tested and implemented a patient recruitment program for people with osteoporosis that helped participants improve their bone health through self management. The company implemented his recruitment programs on a national level. These programs were not offered to physicians by any other pharmaceutical company. Pharmaceutical companies are in business to sell their pharmaceutical products through physician prescriptions. This was a patient recruitment program offered by a pharmaceutical which helped build goodwill, patient compliance and did not directly sell pharmaceutical products. After Mr. Rohny retired from Procter and Gamble Pharmaceuticals, his former employer did not actively pursue patient recruitment programs.

He plans to develop 25-30 hours per week to Clinical Trials Assistance Corporation ("CTAC").

Information Relating to Directors, Nominees and Executive Officers

Board of Directors Meetings and Board Committees

The Board held three (3) meetings during the year ended December 31, 2002 ("fiscal year 2002"). All members of the Board during fiscal year 2003 attended all Board meetings held during the period that he was a director.

Since there are only two Board Members during the year ended December 31, 2002, the Board has not formed at any committees. Therefore, the Company has no standing committees, such as Audit, Compensation, Executive Committees or nominating and Corporate Governance Committees

Director Compensation in Fiscal Year 2002

Compensation of the Company's Directors is determined by resolution of the Board in accordance with the Company's Bylaws. Directors of Clinical Trials Assistance do not receive any compensation as related to their activities as directors.

RELATED PARTY TRANSACTIONS

The Company originally conducted an evaluation of its recruiting methods at Boling Clinical Trials, a.k.a. Inland Clinical Research in Rancho Cucamonga, California. This research facility is owned and operated by Eugene P. Boling, M.D. who is a Director of the Company. This arrangement benefits both the Company and Dr. Boling, in that, it helps the Company develop and define its methodologies for recruiting patients in a real clinical setting; and, it helps Dr. Boling recruit patients for his clinical studies. Dr. Boling receives no direct compensation from the Company other than the Company helping him to recruit patients. Dr. Boling provides the management of the Company with

Edgar Filing: CLINICAL TRIALS ASSISTANCE CORP - Form PRER14A

feedback as to which methodologies work best in recruiting patients. The Company will most likely continue recruiting patients for Dr. Boling's research clinic to further refine and develop its recruiting methods.

RECOMMENDATION OF THE BOARD:

THE BOARD RECOMMENDS A VOTE FOR THE ELECTION OF ALL THE ABOVE NOMINEES.

THE FORWARD STOCK SPLIT (PROPOSAL 3)

INTRODUCTION

On November 17, 2003, our board of directors approved a proposal to effect a forward split of our common stock, subject to the approval of our shareholders. The forward split, if approved, would subdivide our outstanding common stock on a three-(3)-for-one-(1) basis. In other words, once the forward split takes place, you will receive two additional share for each share common stock you hold. Your percentage ownership in the company and relative voting power will remain essentially unchanged. This proposal requires the affirmative vote of the holders of a majority of the voting power of the shares represented in person or by proxy at the Annual Meeting with authority to vote on such matters, but not less than the affirmative vote of 6,000,001 shares.

REASONS FOR THE FORWARD SPLIT

We are hopeful that the forward split will encourage interest in our common stock and possibly promote greater liquidity for our shareholders. Again, however, we cannot guarantee that this will be the case or, indeed, that any of the foregoing hoped-for effects will result from the forward split.

The board believes it to be in the best interests of the Company to increase the number of issued and outstanding Common Stock. Reasons for this include the board's desire to make more shares available and broaden its stockholder base thereby improving trading liquidity, and to enhance the Company's flexibility in connection with possible future actions, such as acquisitions of property, acquisitions of similar businesses, or other corporate purposes.

CERTAIN EFFECTS OF THE FORWARD SPLIT

The relative voting and other rights of holders of the common stock will not be altered by the forward split, and each share of common stock will continue to entitle its owner to one vote. As a result of the forward split, the number of shares of common stock presently outstanding will be multiplied.

The forward split will not affect the company's stockholders' equity as reflected on our financial statements, except to change the number of issued and outstanding shares of common stock from 12,000,000 to 36,000,000.

CERTAIN FEDERAL INCOME TAX CONSEQUENCES

Following is a summary of the material anticipated federal income tax consequences of the proposed forward split. This summary is based upon existing law which is subject to change by legislation, administrative action and judicial decision, and is necessarily general. In addition, this summary does not address any consequence of the forward split under any state, local or foreign tax laws. Accordingly, this summary is not intended as tax advice to any person or entity, and we advise you to consult with your own tax advisor for more detailed information relating to your individual tax circumstances.

We understand that the forward split will be a "recapitalization" under applicable federal tax laws and regulations. As a result of such tax treatment, no gain or loss should be recognized by the company or our shareholders as a result of the forward split or the receipt of additional shares resulting from the subdivision. A shareholder's aggregate tax basis in his or her post-forward split shares should be the same as his or her aggregate tax basis in the pre-forward split shares. In addition, the holding period of the post-forward split shares received by such shareholder should include the period during which the pre-forward split shares were held, provided that all such shares were held as capital assets in the hands of the shareholder at the time of the split.

EFFECTIVE DATE OF THE FORWARD SPLIT

If the proposal is approved by the shareholders, the forward split will become effective within approximately ten (10) days following shareholder approval.

DELIVERY OF CERTIFICATES

Once the forward split becomes effective, Holladay Stock Transfer, Inc., 2939 North 67th Place, Scottsdale, Arizona 85251 (Phone: 480-481-3940), our stock transfer agent will deliver to you a new certificate which represents the additional common shares as a result of the three-for-one forward split. The Company will incur the costs to cancel your old certificate(s) and issue new three-for-one forward split stock certificates.

RIGHT TO ABANDON FORWARD SPLIT

Although we do not anticipate doing so, we may abandon the proposed forward split at any time prior to its effectiveness if our board of directors deems it advisable to do so. Any decision as to the appropriateness of the forward split will be made solely by our board of directors and will depend upon numerous factors including the future trading price of our stock, the growth and development of our business and our financial condition and results of operations.

RECOMMENDATION OF THE BOARD:

THE BOARD RECOMMENDS A "FOR" VOTE IN FAVOR OF THE FORWARD STOCK SPLIT.

APPROVAL OF WARRANT ISSUANCE
(PROPOSAL 4)

GENERAL INFORMATION

The Board of Directors believes it would be in the interest for the Company to have the ability to issue warrants to purchase Common Stock under appropriate circumstances in connection with the capital raising and financing activities of the Company. The Company's Board of Directors has approved and recommends to the Stockholders for their approval a proposal to issue warrants to purchase up to 1,800,000 shares of Common Stock, which warrants may be accompanied by other securities or may not be accompanied by other securities of the Company.

BACKGROUND AND REASONS

The Company's management and the Board of Directors have determined that it would be advantageous to the Company to have the ability to issue warrants to purchase Common Stock in connection with the financing and capital raising activities of the Company. The ability to issue warrants to purchase Common Stock may be a cost-effective way for the Company to raise capital. The issuance of warrants is a common practice in connection with the sale of securities through private placements and approval of this proposal could allow the Company to seek acquisitions. Such warrants, which may be issued in connection with the issuance of preferred stock, Common Stock. The Company may wish to expand its operations by acquiring similar businesses which have a need for the Company's services in the area of patient recruitment. Management has not been able to identify any businesses which are suitable to the Company's business expansion.

In order to provide flexibility for future issuances, which typically must be undertaken quickly, the Board of Directors has approved and is seeking Stockholder approval of this Warrant Proposal to issue warrants to purchase up to 1,800,000 shares of Common Stock either accompanied by or not accompanied by other securities of the Company. The final terms of any warrants including, but not limited to exercise price, term and vesting requirements will be determined by the Board of Directors at the time of issuance. Also, the nature and amount of consideration that would be received by the Company at the time of issuance and the use of any such consideration will be considered and approved by the Board of Directors at the time of issuance. No further authorization from the Stockholders will be solicited prior to any such issuance. If such warrants are issued and if they are subsequently exercised, it would increase the number of outstanding shares of Common Stock. Any such exercise would be dilutive on the voting power of existing Stockholders and could be dilutive with regard to dividends and other economic aspects of the Common Stock. Because the number of shares of Common Stock that could be so issued and the timing of any issuance is not currently known, the actual dilutive effect cannot be predicted.

RECOMMENDATION OF THE BOARD:

The Board of Directors believes that it is in the best interests of the Company and its Stockholders to adopt the Warrant Proposal. THE BOARD RECOMMENDS A "FOR" VOTE IN FAVOR OF THE WARRANT PROPOSAL.

Edgar Filing: CLINICAL TRIALS ASSISTANCE CORP - Form PRER14A

(PROPOSAL 5)

Subject to ratification by the shareholders, the Board has selected Beckstead and Watts LLP to audit the financial statements of the Company for the fiscal year ending December 31, 2003 and the year ending December 31, 2004. Beckstead and Watts, LLP has been the Company's auditors, since the Company's inception, on April 22, 2002. Beckstead and Watts, LLP acted as the Company's independent auditors for the year ended December 31, 2002. As such, management has a good working relationship with Beckstead and Watts, LLP. If the shareholders do not approve this proposal at the Annual Meeting, the board of directors may reconsider the selection of Beckstead and Watts, LLP.

A representative of Beckstead and Watts, LLP is not expected to be present at the Annual Meeting of Shareholders.

Audit Fees

The aggregate fees billed to the Company by Beckstead and Watts, LLP for the audit of its annual financial statements for the fiscal year ended December 31, 2002, as filed on Form 10-KSB and for the reviews of the financial statements included in the Company's quarterly reports on Form 10-QSB during 2003, and for audit of the period April 22, 2002 (Inception) through September 30, 2003 as filed in the Company's Registration Statement on Form 10SB12G were \$10,000.

Audit-Related Fees

Beckstead and Watts, LLP did not bill the Company for any assurance and related services reasonably related to the performance of the audit or review of the Company's financial statements which are not disclosed above.

Tax Fees

Beckstead and Watts, LLP did not bill the Company for professional services rendered for tax compliance, tax advice, and tax planning in fiscal 2002.

Financial Information Systems Design and Implementation Fees

Beckstead and Watts, LLP did not perform any information technology services relating to financial information systems design and implementation for the fiscal year ended December 31, 2002.

All Other Fees

There were no other fees billed to the Company by Beckstead and Watts, LLP since its inception on April 22, 2002 through December 31, 2002.

FINANCIAL INFORMATION SYSTEMS DESIGN AND IMPLEMENTATION FEES.

The Company did not engage Beckstead and Watts, LLP to provide professional services to the Company regarding financial information systems design and implementation during the fiscal year ended December 31, 2002, or subsequent interim periods.

Edgar Filing: CLINICAL TRIALS ASSISTANCE CORP - Form PRER14A

Approval of this proposal requires the affirmative vote of the majority of the shares present in person or represented by proxy and entitled to vote at the Annual Meeting.

RECOMMENDATION OF THE BOARD

THE BOARD RECOMMENDS A VOTE FOR RATIFICATION OF THE APPOINTMENT OF BECKSTEAD AND WATTS, LLP AS THE COMPANY'S INDEPENDENT AUDITORS FOR THE FISCAL YEAR ENDING DECEMBER 31, 2003 AND DECEMBER 31, 2004.

OTHER BUSINESS

(PROPOSAL 6)

As of the date of this proxy statement, the only business which the board of directors intends to present and knows that others will present at the annual meeting is that herein set forth. Management does not know of any items other than those referred to in the accompanying Notice of Annual Meeting of Share Owners which may properly come before the meeting or other matters incident to the conduct of the meeting. If any other matter is properly brought before the annual meeting or any adjournments thereof, it is the recommendation of the Board of the persons named in the accompanying form of proxy to vote the proxy on such matters in accordance with their judgment.

The form of proxy and this Proxy Statement have been approved by the Board of Directors and are being mailed and delivered to share owners by its authority.
