ARTICLE II

APPOINTMENT OF DEPOSITARY; FORM OF RECEIPTS; DEPOSIT OF ELIGIBLE SECURITIES; EXECUTION AND DELIVERY, TRANSFER AND SURRENDER OF RECEIPTS

Section 2.1 Appointment of Depositary. The Company hereby

appoints the Depositary as depository for the Deposited Securities and hereby authorizes and directs the Depositary to act in accordance with the terms set forth in this Deposit Agreement. Each Holder and each Beneficial Owner, upon acceptance of any ADSs (or any interest therein) issued in accordance with the terms of this Deposit Agreement and each holder and each beneficial owner of International GDSs who continues to hold such securities from and after the date hereof, shall be deemed for all purposes to (a) be a party to and bound by the terms of this Deposit Agreement and (b) appoint the Depositary its attorney-in-fact, with full power to delegate, to act on its behalf and to take any and all actions contemplated in this Deposit Agreement (including, without limitation, Section 2.12 hereof), to adopt any and all procedures necessary to comply with applicable law and to take such action as the Depositary in its sole discretion may deem necessary or appropriate to carry out the purposes of this Deposit Agreement (the taking of such actions to be the conclusive determinant of the necessity and appropriateness thereof).

Section 2.2 Form and Transferability of Receipts.

(a) Form. ADSs shall be evidenced by definitive Receipts which

shall be engraved, printed, lithographed or produced in such other manner as may be agreed upon by the Company and the Depositary. Receipts may be issued under this Deposit Agreement in denominations of any whole number of ADSs. The Receipts shall be substantially in the form set forth in Exhibit A to this

Deposit Agreement, with any appropriate insertions, modifications and omissions, in each case as otherwise contemplated in this Deposit Agreement or required by applicable law. Receipts shall be (i) dated, (ii) signed by the manual or

Edgar Filing: ADVANCED SEMICONDUCTOR ENGINEERING INC - Form F-6

facsimile signature of a duly authorized signatory of the Depositary, (iii) countersigned by the manual or facsimile signature of a duly authorized signatory of the Registrar, and (iv) registered in the books maintained by the Registrar for the registration of issuances and transfers of Receipts. No Receipt and no ADS evidenced thereby shall be entitled to any benefits under the Deposit Agreement or be valid or enforceable for any purpose against the Depositary or the Company, unless such Receipt shall have been so dated, signed, countersigned and registered. Receipts bearing the facsimile signature of a duly-authorized signatory of the Depositary or the Registrar, who at the time of signature was a duly authorized signatory of the Depositary or the Registrar, as the case may be, shall bind the Depositary, notwithstanding the fact that such signatory has ceased to be so authorized prior to the delivery of such Receipt by the Depositary. The Share ADRs and the Temporary ADRs shall each bear a separate and distinct CUSIP number that is different from one another and from any CUSIP number that was, is or may be assigned to any depositary receipts previously or subsequently issued pursuant to any other arrangement between the Depositary (or any other depositary) and the Company and which are not Receipts issued hereunder.

10

(b) Legends. The Receipts may be endorsed with, or have

incorporated in the text thereof, such legends or recitals not inconsistent with the provisions of the Deposit Agreement (i) as may be necessary to enable the Depositary to perform its obligations hereunder, (ii) as may be required to comply with any applicable laws or regulations, or with the rules and regulations of the New York Stock Exchange or of any other securities exchange or market upon which ADSs may be traded, listed or quoted, or to conform with any usage with respect thereto, (iii) as may be necessary to indicate any special limitations or restrictions to which any particular Receipts or ADSs are subject by reason of the date of issuance or type of the Deposited Securities or otherwise, or (iv) as may be required by any book-entry system in which the ADSs are held.

(c) Title. Subject to the limitations contained herein and in

the Receipt, title to a Receipt (and to each ADS evidenced thereby) shall be transferable upon the same terms as a certificated security under the laws of the State of New York, provided that such Receipt has been properly endorsed or is accompanied by properly executed instruments of transfer. Notwithstanding any notice to the contrary, the Depositary and the Company may deem and treat the Holder of a Receipt (that is, the person in whose name a Receipt is registered on the books of the Depositary) as the absolute owner thereof for all purposes. Neither the Depositary nor the Company shall have any obligation nor be subject to any liability under this Deposit Agreement or any Receipt to any holder of a Receipt or any Beneficial Owner unless such holder is the Holder of such Receipt registered on the books of the Depositary or, in the case of a Beneficial Owner, such Beneficial Owner, or the Beneficial Owner's representative, is the Holder registered on the books of the Depositary.

(d) Book-Entry Systems. The Depositary shall make arrangements

for the acceptance of the ADSs into DTC. A single ADR in the form of a "Balance Certificate" will (except as contemplated in Section 2.12) evidence the ADSs held through DTC and will be registered in the name of the nominee for DTC (currently "Cede & Co.") and will provide that it represents the aggregate amount of ADSs from time to time indicated in the records of the Depositary as

Edgar Filing: ADVANCED SEMICONDUCTOR ENGINEERING INC - Form F-6

being issued hereunder and that the aggregate amount of ADSs represented thereby may from time to time be increased or decreased by making adjustments on such records of the Depositary and of DTC or its nominee as hereinafter provided. As such, the nominee for DTC will be the only "Holder" of the ADR evidencing the ADSs held through DTC. Citibank, N.A. (or such other entity as is appointed by DTC or its nominee) may hold the "Balance Certificate" as custodian for DTC. Each Beneficial Owner of ADSs held through DTC must rely upon the procedures of DTC and the DTC Participants to exercise or be entitled to any rights attributable to such ADSs. The DTC Participants shall for all purposes be deemed to have all requisite power and authority to act on behalf of the Beneficial Owners of the ADSs held in the DTC Participants' respective accounts in DTC and the Depositary shall for all purposes be authorized to rely upon any instructions and information given to it by DTC Participants on behalf of Beneficial Owners of ADSs. So long as ADSs are held through DTC or unless otherwise required by law, ownership of beneficial interests in the ADR registered in the name of the nominee for DTC will be shown on, and transfers of

11

such ownership will be effected only through, records maintained by (i) DTC or its nominee (with respect to the interests of DTC Participants), or (ii) DTC Participants or their nominees (with respect to the interests of clients of DTC Participants).

Section 2.3 Deposit with Custodian. The Depositary and the

Company have been advised that under Republic of China law, as in effect as of the date hereof, no deposits of Eligible Securities may be made in the NYSE-listed ADR Facility, and no ADSs may be issued against such deposits, without receipt of specific approval of the Republic of China Securities and Futures Commission (the "SFC"), except in connection with (i) the distribution of additional Eligible Securities in connection with dividends on or free distributions of Eligible Securities, (ii) the exercise by Holders of their preemptive rights applicable to Eligible Securities evidenced by ADSs in the event of capital increases for cash, or (iii) the purchase, as permitted hereunder, directly by any person or through the Depositary of Shares on the TSE for deposit in the ADR Facility, provided that the total number of ADSs outstanding after an issuance described in clause (iii) does not exceed the number of issued ADSs previously approved by the SFC in connection with the Offering (plus any ADSs created pursuant to clauses (i) and (ii) above), and subject to any adjustment in the number of Eligible Securities represented by each ADS. The Depositary and the Company have been advised that under ROC law, as in effect as of the date hereof, issuances under clause (iii) above will be permitted only to the extent that previously issued ADSs have been canceled and the Eligible Securities withdrawn from the ADR Facility upon cancellation of such ADSs have been sold on the TSE. Except as contemplated by Section 2.13 hereof, the Depositary will not accept any Shares for deposit pursuant to clause (iii) unless it receives satisfactory opinions of ROC and U.S. counsel to the Company to the effect that such Eligible Securities may lawfully be deposited pursuant to the Deposit Agreement and are not Restricted Securities. The laws of the Republic of China applicable to the deposit of Eligible Securities may change from time to time. There can be no assurances that current law will continue in effect or that future changes of Republic of China law will not adversely affect the ability to deposit Eligible Securities hereunder.

The Initial Deposit(s) of Shares into the ADR Facilities will be made, by or on behalf of the Company or the investors (or nominees for the investors) acquiring Shares and/or ADSs in the Offering, by the delivery to the

Edgar Filing: ADVANCED SEMICONDUCTOR ENGINEERING INC - Form F-6

Custodian of a Certificate of Payment evidencing the irrevocable right to receive the physical share certificates representing the Shares registered in the name of the nominee of the Depositary as representative of the Holders, as instructed by the Depositary. Subject to the terms and conditions of this Deposit Agreement, upon such Initial Deposit(s), the Depositary shall execute and deliver ADRs evidencing the ADSs representing the Deposited Securities constituting the Initial Deposit(s) in the manner provided in Sections 2.5 and 2.12.

Subject to applicable laws and regulations of the Republic of China and to the terms and conditions of this Deposit Agreement and applicable law, Eligible Securities or evidence of rights to receive Eligible Securities (other than Restricted Securities) may be deposited by any person (including the

12

Depositary in its individual capacity but subject, however, in the case of the Company or any Affiliate of the Company, to Section 5.7 hereof) at any time, whether or not the transfer books of the Company or the Eligible Securities Registrar, if any, are closed, by Delivery of the Eligible Securities to the Custodian. Every deposit of Eligible Securities shall be accompanied by the following: (A) (i) in the case of Eligible Securities represented by certificates issued in registered form, appropriate instruments of transfer or endorsement, in a form satisfactory to the Custodian, (ii) in the case of Eligible Securities represented by certificates in bearer form, the requisite coupons and talons pertaining thereto, and (iii) in the case of Eligible Securities delivered by book-entry transfer, confirmation of such book-entry transfer to the Custodian or that irrevocable instructions have been given to cause such Eligible Securities to be so transferred, (B) such certifications and payments (including, without limitation, the Depositary's fees and related charges) and evidence of such payments (including, without limitation, stamping or otherwise marking such Eligible Securities by way of receipt) as may be reasonably required by the Depositary or the Custodian in accordance with the provisions of this Deposit Agreement and applicable law, (C) if the Depositary so requires, a written order directing the Depositary to execute and deliver to, or upon the written order of, the person(s) stated in such order a Receipt or Receipts for the number of American Depositary Shares representing the Eligible Securities so deposited, (D) evidence reasonably satisfactory to the Depositary (which may be an opinion of counsel) that all necessary approvals have been granted by, or there has been compliance with the rules and regulations of, any applicable governmental agency in the Republic of China, and (E) if the Depositary so requires, (i) an agreement, assignment or instrument reasonably satisfactory to the Depositary or the Custodian which provides for the prompt transfer by any person in whose name the Eligible Securities are or have been recorded to the Custodian of any distribution, or right to subscribe for additional Eligible Securities or to receive other property in respect of any such deposited Eligible Securities or, in lieu thereof, such indemnity or other agreement as shall be reasonably satisfactory to the Depositary or the Custodian and (ii) if the Eligible Securities are registered in the name of the person on whose behalf they are presented for deposit, a proxy or proxies entitling the Custodian to exercise voting rights in respect of the Eligible Securities for any and all purposes until the Eligible Securities so deposited are registered in the name of the Depositary, the Custodian or any nominee.

Except as contemplated by Section 2.13, without limiting any other provision of this Deposit Agreement, the Depositary shall instruct the Custodian not to, and neither the Depositary nor the Custodian, nor any nominee, agent or person acting on their behalf shall knowingly, accept for deposit (a)

any Restricted Securities nor (b) any fractional Eligible Securities nor (c) a number of Eligible Securities which upon application of the ADS-to-Eligible Securities ratio would give rise to fractional ADSs. No Eligible Securities shall be accepted for deposit unless accompanied by evidence, if any is required by the Depositary, that is reasonably satisfactory to the Depositary or the Custodian that all conditions to such deposit have been satisfied by the person depositing such Eligible Securities under the laws and regulations of the Republic of China and any necessary governmental approval has been granted in the Republic of China, if any. The Depositary may issue ADSs against evidence of rights to receive Eligible Securities from the Company, any agent of the Company

13

or any custodian, registrar, transfer agent, clearing agency or other entity involved in ownership or transaction records in respect of the Eligible Securities. Such evidence of rights may consist of, without limitation, written specific guarantees of ownership of Eligible Securities furnished by the Company or any such custodian, registrar, transfer agent, clearing agency or other entity involved in ownership or transaction records in respect of the Eligible Securities.

Section 2.4 Registration and Safekeeping of Deposited

Securities. The Depositary shall instruct the Custodian upon each Delivery of certificates representing registered Eligible Securities being deposited hereunder with the Custodian (or other Deposited Securities pursuant to Article IV hereof), together with the other documents above specified, to promptly present such certificate(s), together with the appropriate instrument(s) of transfer or endorsement, duly stamped, to the Eligible Securities Registrar for transfer and registration of the Eligible Securities (as soon as transfer and registration can be accomplished and at the expense of the person for whom the deposit is made) in the name of the Depositary, the Custodian or a nominee of either. Deposited Securities shall be held by the Depositary or by a Custodian for the account and to the order of the Depositary or a nominee in each case on behalf of the Holders and Beneficial Owners, at such place or places as the Depositary or the Custodian shall determine.

Without limitation of the foregoing, neither the Depositary nor the Custodian, nor any nominee, agent or person acting on their behalf shall knowingly accept for deposit under this Deposit Agreement any Eligible Securities required to be registered under the provisions of the Securities Act, unless a registration statement is in effect as to such Eligible Securities, or any Eligible Securities the deposit of which would violate any provisions of the Articles of Incorporation of the Company. In addition, and without limitation of the foregoing, the Depositary and the Custodian will comply with written instructions of the Company not to accept for deposit any Shares identified in such instructions at such times and under such circumstances as may reasonably be specified in such instructions in order to facilitate the Company's compliance with the securities laws of the United States and other jurisdictions.

split-up or combination of Receipts (and of the ADSs represented thereby) on the books maintained for such purpose and the Depositary shall cancel such Receipts

Edgar Filing: ADVANCED SEMICONDUCTOR ENGINEERING INC - Form F-6

and execute new Receipts for the number of ADSs requested, but in the aggregate not exceeding the number of the same type of ADSs evidenced by the Receipts canceled by the Depositary, shall cause the Registrar to countersign such new Receipts and shall Deliver such new Receipts to or upon the order of the Holder thereof, if each of the following conditions has been satisfied: (i) the Receipts have been duly Delivered by the Holder (or by a duly authorized attorney of the Holder) to the Depositary at its Principal Office for the purpose of effecting a split-up or combination thereof, and (ii) all applicable fees and charges of, and reasonable expenses incurred by, the Depositary and all

15

applicable taxes and governmental charges (as are set forth in Section 5.9 and Exhibit B hereto) have been paid, subject, however, in each case, to the terms

and conditions of the applicable Receipts, of this Deposit Agreement and of applicable law, in each case as effect at the time thereof.

(c) Co-Transfer Agents. The Depositary may appoint one or more

co-transfer agents for the purpose of effecting transfers, combinations and split-ups of Receipts at designated transfer offices on behalf of the Depositary. In carrying out its functions, a co-transfer agent may require evidence of authority and compliance with applicable laws and other requirements by Holders or persons entitled to such Receipts and will be entitled to protection and indemnity to the same extent as the Depositary. Such co-transfer agents may be removed and substitutes appointed by the Depositary. Each co-transfer agent appointed under this Section 2.6 (other than the Depositary) shall give notice in writing to the Depositary accepting such appointment and agreeing to be bound by the applicable terms of this Deposit Agreement.

Section 2.7 Surrender of ADSs and Withdrawal and Sale of Deposited Securities.

(a) ROC Requirements. The Depositary and the Company have been

advised that under ROC law, as in effect as of the date hereof, a Holder wishing to withdraw Deposited Securities from the ADR facility is required to appoint an eligible agent in the Republic of China to open (i) a securities trading account with a local brokerage firm after receiving an approval from the TSE and (ii) a bank account (the securities trading account and the bank account, collectively, the "Accounts"), to pay ROC taxes, remit funds, exercise shareholders' rights and perform such other functions as may be designated by such withdrawing Holder. In addition, such withdrawing Holder is also required to appoint a custodian bank to hold the securities in safekeeping, make confirmations and settle trades and report all relevant information. Without making such appointment and the opening of such Accounts, the withdrawing Holder would be unable to hold or subsequently sell the Deposited Securities withdrawn from the ADR Facilities on the TSE or otherwise. The laws of the Republic of China applicable to the withdrawal of Deposited Securities may change from time to time. There can be no assurances that current law will remain in effect or that future changes of Republic of China law will not adversely affect the ability of Holders to withdraw Deposited Securities hereunder.

(b) Sale of Deposited Securities. Upon surrender of Receipts

at the Principal Office and upon payment of any fees, reasonable expenses, taxes or other governmental charges as provided hereunder, subject to the terms of

Edgar Filing: ADVANCED SEMICONDUCTOR ENGINEERING INC - Form F-6

this Deposit Agreement and the Company's Articles of Incorporation, and the transfer restrictions applicable to the Deposited Securities, if any, Holders may request that the Deposited Securities represented by such Holders' Receipts be sold on such Holder's behalf. Any Holder requesting a sale of Deposited Securities may be required by the Depositary to deliver, or cause to be delivered, to the Depositary a written order requesting the Depositary to sell, or cause to be sold, such Deposited Securities. Any such sale of Deposited Securities will be conducted in accordance with applicable ROC law through a securities company in the ROC on the TSE or in such other manner as is or may be

16

permitted under applicable ROC law. Any such sale of Deposited Securities will be at the expense and risk of the Holder requesting such sale. Any Holder requesting the Depositary to sell the Deposited Securities represented by such Holder's ADSs may be required to enter into a separate agreement to cover the terms of the sale of such Deposited Securities.

Upon receipt of any proceeds from any such sale, the Depositary shall, subject to any restrictions imposed by ROC law and regulations, and as provided hereunder, convert or cause to be converted any such proceeds into U.S. dollars and distribute any such proceeds to the Holders entitled thereto after deduction or payment of any fees, reasonable expenses, taxes or governmental charges (including, without limitation, any ROC and U.S. taxes) incurred in connection with such sale, as provided under this Deposit Agreement. Any such sale may be subject to ROC taxation on capital gains, if any, and will be subject to a securities transaction tax in the ROC. The ROC does not, as of the date hereof, impose tax on capital gains arising from ROC securities transactions, but there can be no assurance that a capital gains tax on ROC securities transactions will not be imposed in the future or as to the manner in which any ROC capital gains tax in respect of a sale of Deposited Securities would be imposed or calculated.

(c) Withdrawal of Deposited Securities. The Holder of ADSs

shall be entitled to Delivery (at the Custodian's designated office) of the Deposited Securities at the time represented by the ADS(s) upon satisfaction of each of the following conditions: (i) the Holder (or a duly authorized attorney of the Holder) has duly Delivered ADSs to the Depositary at its Principal Office (and if applicable, the Receipts evidencing such ADSs) for the purpose of withdrawal of the Deposited Securities represented thereby, (ii) if so required by the Depositary, the Receipts Delivered to the Depositary for such purpose have been properly endorsed in blank or are accompanied by proper instruments of transfer in blank (including signature guarantees in accordance with standard securities industry practice), (iii) if so required by the Depositary, the Holder of the ADSs has executed and delivered to the Depositary a written order directing the Depositary to cause the Deposited Securities being withdrawn to be Delivered to or upon the written order of the person(s) designated in such order, (iv) the Holder has delivered to the Depositary the certification contemplated in Exhibit C hereof, duly completed by or on behalf of the

Beneficial Owner(s) of the ADSs surrendered for withdrawal (unless the Depositary is otherwise instructed by the Company), and (v) all applicable fees and charges of, and reasonable expenses incurred by, the Depositary and all applicable taxes and governmental charges (as are set forth in Section 5.9 and Exhibit B hereof) have been paid, subject, however, in each case, to the terms and conditions of the Receipts evidencing the surrendered ADSs, of the Deposit Agreement, of the Company's Articles of Incorporation and of any applicable laws

Edgar Filing: ADVANCED SEMICONDUCTOR ENGINEERING INC - Form F-6

and regulations of the Republic of China and of the United States and the rules of the Taiwan Securities Central Depository, and to any provisions of or governing the Deposited Securities, in each case as in effect at the time thereof.

Upon satisfaction of each of the conditions specified above, the Depositary (i) shall cancel the ADSs Delivered to it (and, if applicable,

17

the Receipts evidencing the ADSs so Delivered), (ii) shall direct the Registrar to record the cancellation of the ADSs so Delivered on the books maintained for such purpose, and (iii) shall direct the Custodian to Deliver (without unreasonable delay) at the Custodian's designated office the Deposited Securities represented by the ADSs so canceled together with any certificate or other document of title for the Deposited Securities, or evidence of the electronic transfer thereof (if available), as the case may be, to or upon the written order of the person(s) designated in the order delivered to the Depositary for such purpose, subject however, in each case, to the terms and conditions of the Deposit Agreement, of the Receipts evidencing the ADSs so canceled, of the Articles of Incorporation of the Company, of applicable laws and regulations of the Republic of China and of the United States and of the rules of the Taiwan Securities Central Depository, and to the terms and conditions of or governing the Deposited Securities, in each case as in effect at the time thereof.

The Depositary shall not accept for surrender ADSs representing less than a whole number of Eligible Securities. In the case of the Delivery to it of ADSs representing a number other than a whole number of Eligible Securities, the Depositary shall cause ownership of the appropriate whole number of Eligible Securities to be Delivered in accordance with the terms hereof, and shall, at the discretion of the Depositary, either (i) return to the person surrendering such ADSs the number of ADSs representing any remaining fractional Eligible Security, or (ii) sell or cause to be sold the fractional Eligible Security represented by the ADS(s) so surrendered and remit the proceeds of such sale (net of (a) applicable fees and charges of, and expenses incurred by, the Depositary and (b) taxes withheld) to the person surrendering the ADSs. In addition, trading restrictions on the TSE may result in the price per Eligible Security or on any lot of any type of Eligible Security other than an integral multiple of 1,000 Eligible Securities being lower than the price of Eligible Securities in lots of integral multiples of 1,000 Eligible Securities.

Notwithstanding anything else contained in any Receipt or the Deposit Agreement, the Depositary may make delivery at the Principal Office of the Depositary of (i) any cash dividends or cash distributions, or (ii) any proceeds from the sale of any distributions of Securities or rights, which are at the time held by the Depositary in respect of the Deposited Securities represented by the ADSs surrendered for cancellation and withdrawal. At the request, risk and expense of any Holder so surrendering ADSs, and for the account of such Holder, the Depositary shall direct the Custodian to forward (to the extent permitted by law) any cash or other property (other than securities) held by the Custodian in respect of the Deposited Securities represented by such ADSs to the Depositary for delivery at the Principal Office of the Depositary. Such direction shall be given by letter or, at the request, risk and expense of such Holder, by air courier, cable, telex or facsimile transmission.

Section 2.8 Additional Limitations on Execution and Delivery, Transfer, etc. of Receipts; Suspension of Delivery, Transfer, etc.

(a) Additional Requirements. As a condition precedent to the

execution and delivery, registration, registration of transfer, split-up,
combination or surrender of any Receipt, the delivery of any distribution

18

deposits of Eligible Securities generally or against deposits of particular Eligible Securities may be suspended, or the deposit of particular Eligible Securities may be refused, or the registration of transfer of Receipts in particular instances may be refused, or the registration of transfers of Receipts generally may be suspended, during any period when the transfer books of the Company, the Depositary, a Registrar or the Eligible Securities Registrar are closed or if any such action is deemed necessary or advisable by the Depositary or the Company, in good faith, at any time or from time to time because of any requirement of law, any government or governmental body or commission or any securities exchange on which the ADSs or Eligible Securities are listed, or under any provision of this Deposit Agreement or the applicable Receipt(s) or, under any provision of, or governing, the Deposited Securities, or because of a meeting of shareholders of the Company or for any other reason, subject, in all cases, to Section 7.8 hereof.

(c) Regulatory Restrictions. Notwithstanding any provision of

this Deposit Agreement or any Receipt(s) to the contrary, Holders are entitled to surrender outstanding ADSs to withdraw the Deposited Securities at any time subject only to (i) temporary delays caused by closing the transfer books of the Depositary or the Company or the deposit of Eligible Securities in connection with voting at a shareholders' meeting or the payment of dividends, (ii) the payment of fees, taxes and similar charges, (iii) compliance with any U.S. or foreign laws or governmental regulations relating to the Receipts or to the withdrawal of the Deposited Securities, and (iv) other circumstances specifically contemplated by Section I.A.(1) of the General Instructions to Form F-6 (as such General Instructions may be amended from time to time).

Section 2.10 Cancellation and Destruction of Surrendered

Receipts; Maintenance of Records. All Receipts surrendered to the Depositary

shall be canceled by the Depositary. Canceled Receipts shall not be entitled to any benefits under this Deposit Agreement or be valid or enforceable against the Depositary for any purpose. The Depositary is authorized to destroy Receipts so canceled, provided the Depositary maintains a record of all destroyed Receipts. Any ADSs held in book-entry form (i.e., through accounts at DTC) shall be deemed canceled when the Depositary causes the number of ADSs evidenced by the Balance Certificate to be reduced by the number of ADSs surrendered (without the need to physically destroy the Balance Certificate). The Depositary agrees to maintain records of all Receipts surrendered and Deposited Securities withdrawn, substitute Receipts delivered and canceled or destroyed Receipts in accordance with procedures ordinarily followed by such transfer agents located in The City of New York, or as required by the laws or regulations governing the Depositary. Upon the reasonable request of the Company, the Depositary shall provide a copy of such records to the Company.

Section 2.11 Partial Entitlement ADSs. In the event any

Eligible Securities are deposited which entitle the holders thereof to receive a per-Deposited Security distribution or other entitlement in an amount different from the Deposited Securities then on deposit (the Deposited Securities then on deposit collectively, "Full Entitlement Deposited Securities" and the Deposited Securities with different entitlement collectively, "Partial Entitlement Deposited Securities"), the Depositary shall (i) cause the Custodian to hold Partial Entitlement Deposited Securities separate and distinct from Full Entitlement Deposited Securities, and (ii) subject to the terms of this Deposit Agreement, issue ADSs and deliver ADRs representing Partial Entitlement Deposited Securities which are separate and distinct from the ADSs and ADRs representing Full Entitlement Deposited Securities, by means of separate CUSIP numbering and legending (if necessary) ("Partial Entitlement ADSs/ADRs" and "Full Entitlement ADSs/ADRs", respectively). If and when the Company informs the Depositary in writing that the Partial Entitlement Eligible Securities become Full Entitlement Eligible Securities, the Depositary shall (a) give notice thereof to Holders of Partial Entitlement ADSs and give Holders of Partial Entitlement ADRs the opportunity to exchange such Partial Entitlement ADRs for Full Entitlement ADRs, (b) cause the Custodian to transfer the Partial Entitlement Deposited Securities into the account of the Full Entitlement Deposited Securities, and (c) take such actions as are necessary to remove the distinctions between (i) the Partial Entitlement ADRs and ADSs, on the one hand,

Edgar Filing: ADVANCED SEMICONDUCTOR ENGINEERING INC - Form F-6

and (ii) the Full Entitlement ADRs and ADSs on the other. Holders and Beneficial Owners of Partial Entitlement ADSs shall only be entitled to the entitlements of

20

Partial Entitlement Deposited Securities. Holders and Beneficial Owners of Full Entitlement ADSs shall be entitled only to the entitlements of Full Entitlement Deposited Securities. All provisions and conditions of this Deposit Agreement shall apply to Partial Entitlement ADRs and ADSs to the same extent as Full Entitlement ADRs and ADSs, except as contemplated by this Section 2.11. The Depositary is authorized to take any and all other actions as may be necessary (including, without limitation, making the necessary notations on Receipts) to give effect to the terms of this Section 2.11. The Company agrees to give timely written notice to the Depositary if any Eligible Securities issued or to be issued are Partial Entitlement Eligible Securities and shall assist the Depositary with the establishment of procedures enabling the identification of Partial Entitlement Eligible Securities upon Delivery to the Custodian.

Section 2.12 Temporary ADSs. In the event that, in determining

the rights and obligations of parties hereto with respect to any Temporary ADSs, any conflict arises between (a) the terms of this Deposit Agreement (other than this Section 2.12) and (b) the terms of (i) the Temporary ADSs issued hereunder as set forth in this Section 2.12 or (ii) the applicable Temporary ADR, the terms and conditions set forth in this Section 2.12 or the applicable Temporary ADR shall be controlling and shall govern the rights and obligations of the parties to this Deposit Agreement pertaining to the Certificate of Payment, the Temporary ADSs and the Temporary ADRs.

Whenever the Company proposes to issue any Certificate of Payment eligible for deposit hereunder (in connection with the Offering or otherwise), the Company shall timely notify the Depositary thereof and provide the Depositary with written instructions to the effect that, inter alia, (i) the Certificate of Payment has been or is to be issued pursuant to a bona fide purchase of Shares from the Company, (ii) the Certificate of Payment is not, and shall not be deemed to be upon its deposit, and the Shares issuable pursuant to the terms of the Certificate of Payment will not be, Restricted Securities, (iii) a description of the rights (if any) to any distribution upon Deposited Securities to be made to Holders of Temporary ADSs representing such Certificates of Payment upon the terms set forth in Article IV hereof, and (iv) the date established by the Company upon which the Company shall convert or cause to be converted the Certificate of Payment into Shares on its records and on the records of the Eligible Securities Registrar.

Subject always to the laws and regulations of the Republic of China, upon deposit of any Certificate of Payment hereunder and payment to the Depositary of the charges of the Depositary for accepting a deposit, issuing ADSs and issuing and delivering Receipts (as set forth in Section 5.9 and Exhibit B hereto), the Depositary shall (i) cause the Custodian to hold such

Certificate of Payment separate and distinct from the Shares, any other Certificate(s) of Payment and any other Deposited Securities and (ii) issue and deliver Temporary ADSs representing interests in the Certificate of Payment so deposited. The Temporary ADSs so issued shall be identified and treated separately and distinctly from any other ADSs representing Deposited Securities hereunder by means, inter alia, of separate CUSIP numbering and legending (if

necessary). The Depositary may issue Temporary ADSs in one or multiple series as the Depositary in its sole discretion deems necessary and appropriate. No Temporary ADS shall be fungible with any other ADSs issued hereunder.

The Depositary shall deliver Temporary ADSs in book-entry form only. No certificated Temporary ADRs will be issued except for a "Balance Certificate" evidencing all Temporary ADSs held in DTC, which shall be substantially in the form of Temporary ADR set forth in Exhibit A hereto, except

as may be necessary to identify and treat the Temporary ADSs as separate and distinct from any other ADSs issued under the terms of this Deposit Agreement. The Depositary shall make arrangements for the acceptance of such Temporary ADSs into DTC upon the terms set forth in Section 2.2(d) hereof. The Temporary ADSs and the Temporary ADRs evidenced thereby are identical to and confer all of the rights and obligations set forth herein relating to Receipts and ADSs represented thereby except that (i) in accordance with the applicable laws and regulations of the Republic of China, Holders of Temporary ADRs will have no right to withdraw the Deposited Securities represented by their Temporary ADSs, (ii) Temporary ADRs shall bear separate CUSIP numbers that shall be different from any CUSIP number that is or may be assigned to the other ADSs issued hereunder, (iii) neither Temporary ADSs nor interests in any Certificate of Payment shall be eligible for any Pre-Cancellation Sale Transactions or Pre-Release Transactions described in Section 5.10 hereof and (iv) in the event that the Company makes any distributions upon Deposited Securities upon the terms of Article IV of this Deposit Agreement, the Depositary shall make distributions to Holders of Temporary ADSs on the basis of the distribution(s) received from the Company in respect of the Certificate(s) of Payment corresponding to the series of Temporary ADSs held by such Holder. Nothing herein shall impose any obligation upon the Depositary to make any distributions to Holders of any series of Temporary ADSs on the same basis as Holders of Share ADSs or any other Series of Temporary ADSs issued hereunder.

The Company undertakes to make Shares available in exchange for any specified Certificate of Payment, as soon as possible after the issuance of the Certificate of Payment and to provide timely notice thereof to the Depositary. Upon receipt of such notice from the Company, the Depositary shall instruct the Custodian to surrender any such Certificate of Payment then eligible for exchange to the Company against delivery of Shares to the Depositary in exchange therefor. Upon receipt by the Depositary of (i) notice of the exchange of Shares for such Certificate of Payment and (ii) confirmation from the Company that the Shares so received rank in all respects *pari passu* with the Deposited Securities evidenced by Share ADSs, the Depositary shall give notice thereof to the applicable Holders of Temporary ADSs and thereafter Temporary ADSs shall be eligible for exchange into Share ADSs. Interests in Temporary ADSs in DTC will be automatically exchanged for beneficial interests in Share ADSs as follows: with no further action by Holders, the Depositary shall instruct DTC to automatically transfer any position held by a DTC participant under the CUSIP number assigned to the Temporary ADSs to the CUSIP number assigned to the Share ADSs. Holders and Beneficial Owners of such Temporary ADSs shall thereafter be Holders and Beneficial Owners of Share ADSs issued hereunder and shall have all the rights and obligations specified in this

Edgar Filing: ADVANCED SEMICONDUCTOR ENGINEERING INC - Form F-6

Deposit Agreement and in the Receipts pertaining to Share ADSs. The Depositary will charge no fee for the cancellation of the Temporary ADSs and issuance of Share ADSs in exchange therefor.

Notwithstanding anything in the Deposit Agreement to the contrary, the Depositary shall have no obligation to any party to exchange Temporary ADSs for Share ADSs as provided herein unless and until, upon delivery by the Depositary of the related Certificate of Payment, the Company shall have delivered Shares in respect thereof to the Depositary.

Section 2.13 Restricted ADRs and Restricted ADSs. The

Depositary shall, at the request and expense of the Company, establish procedures enabling the deposit hereunder of Shares that are Restricted Securities in order to enable the holder of such Shares to hold its ownership interests in such Restricted Securities in the form of ADSs issued under the terms hereof (such Shares, "Restricted Shares"). Upon receipt of a written request from the Company to accept Restricted Shares for deposit hereunder, the Depositary agrees to establish procedures permitting the deposit of such Restricted Shares and the issuance of Restricted ADSs representing such deposited Restricted Shares (such ADSs, "Restricted ADSs", and the ADRs evidencing such Restricted ADSs, the "Restricted ADRs"). The Company shall assist the Depositary in the establishment of such procedures and agrees that it shall take all commercially reasonable steps necessary and satisfactory to the Depositary to insure that the establishment of such procedures does not violate the provisions of the Securities Act or any other applicable laws. The depositors of such Restricted Shares and the holders of the Restricted ADSs may be required prior to the deposit of such Restricted Shares, the transfer of the Restricted ADRs and the Restricted ADSs evidenced thereby or the withdrawal of the Restricted Shares represented by Restricted ADSs to provide such written certifications or agreements as the Depositary or the Company may require. The Company shall provide to the Depositary in writing the legend(s) to be affixed to the Restricted ADRs, which legends shall (i) be in a form reasonably satisfactory to the Depositary and (ii) contain the specific circumstances under which the Restricted ADRs and the Restricted ADSs represented thereby may be transferred or the Restricted Shares withdrawn. The Restricted ADSs issued upon the deposit of Restricted Shares shall be separately identified on the books of the Depositary and the Restricted Shares so deposited shall be held separate and distinct from the other Deposited Securities held hereunder. The Restricted Shares and the Restricted ADSs shall not be eligible for Pre-Release Transactions or Pre-Cancellation Sales Transactions described in Section 5.10 hereof. The Restricted ADSs shall not be eligible for inclusion in any book-entry settlement system, including, without limitation, DTC, and shall not in any way be fungible with the ADSs issued under the terms hereof that are not Restricted ADSs. The Restricted ADRs and the Restricted ADSs evidenced thereby shall be transferable only by the holder thereof upon delivery to the Depositary of (i) all documentation otherwise contemplated by this Deposit Agreement and (ii) an opinion of counsel satisfactory to the Depositary setting forth, inter

alia, the conditions upon which the Restricted ADR presented is, and the

Restricted ADSs evidenced thereby are, transferable by the holder thereof under applicable securities laws and the transfer restrictions contained in the legend set forth on the Restricted ADR presented for transfer. Except as set forth in the Section 2.13, and except as required by applicable law, the Restricted ADRs

and the Restricted ADSs evidenced thereby shall be treated as ADRs and ADSs issued and outstanding under the terms of this Deposit Agreement.

ARTICLE III
CERTAIN OBLIGATIONS OF HOLDERS
AND BENEFICIAL OWNERS OF ADSs

Section 3.1 Proofs, Certificates and Other Information. Any

person presenting Eligible Securities for deposit, any Holder and any Beneficial Owner may be required, and every Holder and Beneficial Owner agrees, from time to time to provide to the Depositary and the Custodian such proof of citizenship or residence, taxpayer status, payment of all applicable taxes or other governmental charges, exchange control and any other applicable regulatory approval, legal or beneficial ownership of ADSs and Deposited Securities, compliance with applicable laws, the terms of this Deposit Agreement or the Receipt(s) evidencing the ADS(s) and the provisions of, or governing, the Deposited Securities, to execute such certifications and to make such representations and warranties, and to provide such other information and documentation (or, in the case of Eligible Securities in registered form presented for deposit, such information relating to the registration on the books of the Company or of the Eligible Securities Registrar) as the Depositary or the Custodian may deem necessary or proper or as the Company may reasonably require by written request to the Depositary consistent with its obligations under this Deposit Agreement and the applicable Receipt(s). The Depositary and the Registrar, as applicable, may, and at the reasonable written request of the Company shall, withhold the execution or delivery or registration of transfer of any Receipt or the distribution or sale of any dividend or distribution of rights or of the proceeds thereof or, to the extent not limited by the terms of Section 7.8 hereof, the delivery of any Deposited Securities, or may refuse to adjust its records, until such proof or other information is filed or such certifications are executed, or such representations are made, or such other documentation or information provided, in each case to the Depositary's, the Registrar's and the Company's satisfaction. The Depositary shall provide the Company, in a timely manner, with copies or originals if necessary and appropriate of (i) any such proofs of citizenship or residence, taxpayer status, or exchange control approval which it receives from Holders and Beneficial Owners, and (ii) any other information or documents which the Company may reasonably request and which the Depositary shall request and receive from any Holder or Beneficial Owner or any person presenting Eligible Securities for deposit or ADSs for cancellation, transfer or withdrawal. Nothing herein shall obligate the Depositary to (i) obtain any information for the Company if not provided by the Holders or Beneficial Owners, or (ii) verify or vouch for the accuracy of the information so provided by the Holders or Beneficial Owners.

Section 3.2 Liability for Taxes and Other Charges. If any tax

or other governmental charge shall become payable by the Depositary or the Custodian with respect to any ADR or any Deposited Securities or American Depositary Shares, such tax or other governmental charge shall be payable by the Holders and Beneficial Owners to the Depositary. The Company, the Custodian and/or the Depositary may withhold or deduct from any distributions made in

respect of Deposited Securities and may sell for the account of a Holder and/or Beneficial Owner any or all of the Deposited Securities and apply such

Every Holder and Beneficial Owner agrees to indemnify the Depositary, the Company, the Custodian, and any of their agents, officers, employees and Affiliates for, and to hold each of them harmless from, any claims with respect to taxes (including applicable interest and penalties thereon) arising from any tax benefit obtained for such Holder and/or Beneficial Owner.

Section 3.3 Representations and Warranties on Deposit of Eligible Securities.

(a) Deposit of Shares. Each person depositing Shares under

this Deposit Agreement shall be deemed thereby to represent and warrant that (i) such Shares and the certificates therefor are duly authorized, validly issued, fully paid, non-assessable and legally obtained by such person, (ii) all preemptive (and similar) rights, if any, with respect to such Shares have been validly waived or exercised, (iii) the person making such deposit is duly authorized so to do, (iv) the Shares presented for deposit are free and clear of any lien, encumbrance, security interest, charge, mortgage or adverse claim, and are not, and the American Depositary Shares issuable upon such deposit will not be, Restricted Securities and (v) the Shares presented for deposit have not been stripped of any rights or entitlements. Edgar Filing: ADVANCED SEMICONDUCTOR ENGINEERING INC - Form F-6

If any such representations or warranties are false in any way, the Depositary shall be authorized, at the cost and expense of the Company, to take any and all actions necessary to correct the consequences thereof.

Section 3.4 Compliance with Information Requests.

Notwithstanding any other provision of this Deposit Agreement or any Receipt(s), each Holder and Beneficial Owner agrees to comply with requests from the Company pursuant to applicable U.S. and Republic of China laws or regulations, the rules and requirements of the TSE, and any other stock exchange on which the Eligible Securities or ADSs are, or will be, registered, traded or listed or the Articles of Incorporation of the Company, which are made to provide information, inter alia, as to the capacity in which such Holder or Beneficial Owner owns American Depositary Shares (and Eligible Securities or Deposited Securities, as the case may be) and regarding the identity of any other person(s) interested in such American Depositary Shares and the nature of such interest and various other matters, whether or not they are Holders and/or Beneficial Owners at the time of such request. The Depositary agrees to use its reasonable efforts to forward, upon the request of the Company and at the Company's expense, any such request from the Company to the Holders and to forward to the Company any such responses to such requests received by the Depositary.

Section 3.5 Ownership Restrictions. Notwithstanding any other

provision in this Deposit Agreement or any Receipt, the Company may restrict transfers of the Shares, Eligible Securities or securities convertible into Shares where the Company informs the Depositary that such transfer might result in ownership of Shares exceeding limits imposed by applicable law, the SFC, the TSE or the Articles of Incorporation of the Company. The Company may also restrict, in such manner as it deems appropriate, transfers of the American Depositary Shares where such transfer may result in the total number of Shares, Deposited Securities, or securities convertible into Shares represented by the American Depositary Shares owned by a single Holder or Beneficial Owner to exceed any such limits. The Company may, in its sole discretion but subject to applicable law, instruct the Depositary to take action with respect to the ownership interest of any Holder or Beneficial Owner in excess of the limits set forth in the preceding sentence, including, but not limited to, the imposition of restrictions on the transfer of American Depositary Shares, the removal or limitation of voting rights or the mandatory sale or disposition on behalf of a Holder or Beneficial Owner of the Deposited Securities represented by the American Depositary Shares held by such Holder or Beneficial Owner in excess of such limitations, if and to the extent such disposition is permitted by applicable law and the Articles of Incorporation of the Company.

26

ARTICLE IV THE DEPOSITED SECURITIES

Section 4.1 Cash Distributions. Subject always to the laws and

regulations of the Republic of China, whenever the Depositary receives confirmation from the Custodian of the receipt of any cash dividend or other cash distribution on any Deposited Securities, or receives proceeds from the sale of any Deposited Securities or any entitlements held in respect of Deposited Securities under the terms hereof, the Depositary will (i) if at the time of receipt thereof any amounts received in a Foreign Currency can in the judgment of the Depositary (pursuant to Section 4.8) be converted on a

practicable basis into Dollars transferable to the United States, promptly convert or cause to be converted such cash dividend, distribution or proceeds into Dollars (on the terms described in Section 4.8), (ii) if applicable, establish the ADS Record Date upon the terms described in Section 4.9, and (iii) distribute promptly the amount thus received (net of (a) the applicable fees and charges of, and reasonable expenses incurred by, the Depositary and (b) taxes withheld) to the Holders entitled thereto as of the ADS Record Date (if applicable) in proportion to the number of American Depositary Shares representing such Deposited Securities held as of the ADS Record Date (if applicable). The Depositary shall distribute only such amount, however, as can be distributed without attributing to any Holder a fraction of one cent, and any balance not so distributed shall be held by the Depositary (without liability for interest thereon) and shall be added to and become part of the next sum received by the Depositary for distribution to Holders of ADSs outstanding at the time of the next distribution. If the Company, the Custodian or the Depositary is required to withhold and does withhold from any cash dividend or other cash distribution in respect of any Deposited Securities an amount on account of taxes, duties or other governmental charges, the amount distributed to Holders on the American Depositary Shares representing such Deposited Securities shall be reduced accordingly. Such withheld amounts shall be forwarded by the Company, the Custodian or the Depositary to the relevant governmental authority. Evidence of payment thereof by the Company shall be forwarded by the Company to the Depositary upon request. The Depositary or the Custodian, as the case may be, will forward to the Company or its agent such information from its records as the Company may reasonably request to enable the Company or its agent to file necessary reports with governmental agencies, and the Depositary or the Custodian, as the case may be, or the Company or its agent may file any such reports necessary to obtain benefits under the applicable tax treaties for Holders of ADSs.

Section 4.2 Distribution in Eligible Securities. Subject

always to the laws and regulations of the Republic of China, if any distribution upon any Deposited Securities consists of a dividend in, or free distribution of, Eligible Securities, the Company shall cause such Eligible Securities Shares to be deposited with the Custodian and registered, as the case may be, in the name of the Depositary, the Custodian or their respective nominees. Upon receipt of confirmation of such deposit from the Custodian, the Depositary shall establish the ADS Record Date upon the terms described in Section 4.9 and either (i) the Depositary shall, subject to Section 5.9 hereof and the laws and regulations of the Republic of China, distribute to the Holders as of the ADS Record Date in proportion to the number of American Depositary Shares held as of

27

the ADS Record Date, additional American Depositary Shares (of the applicable series), which represent in the aggregate the number of Eligible Securities received as such dividend, or free distribution, subject, however, in each case, to the other terms of this Deposit Agreement (including, without limitation, the limitations set forth in Article II hereof and (a) the applicable fees and charges of, and reasonable expenses incurred by, the Depositary and (b) taxes), or (ii) if additional American Depositary Shares are not so distributed, each American Depositary Share issued and outstanding after the ADS Record Date shall, to the extent permissible by law, thenceforth also represent rights and interests in the additional integral number of Shares distributed upon the Deposited Securities represented thereby (subject, however, in each case, to the laws and regulations of the Republic of China and net of (a) the applicable fees and charges of, and reasonable expenses incurred by, the Depositary and (b)

taxes). In lieu of delivering fractional American Depositary Shares, the Depositary shall sell the number of Eligible Securities or American Depositary Shares, as the case may be, represented by the aggregate of such fractions and distribute the net proceeds upon the terms described in Section 4.1. In the event that (x) the Depositary determines that any distribution in property (including Eligible Securities) is subject to any tax or other governmental charges which the Depositary is obligated to withhold, or (y) if the Company in the fulfillment of its obligation under Section 5.7 hereof, has furnished an opinion of U.S. counsel determining that Eligible Securities must be registered under the Securities Act or other laws in order to be distributed to Holders (and no such registration statement has been declared effective), or (z) the deposit of Eligible Securities is not permitted under the laws or regulations of the Republic of China, the Depositary may dispose of all or a portion of such property (including Eligible Securities and rights to subscribe therefor) in such amounts and in such manner, including by public or private sale, as the Depositary deems necessary and practicable, and the Depositary shall distribute the net proceeds of any such sale (after deduction of such (a) taxes and (b) fees and charges of, and reasonable expenses incurred by, the Depositary) to Holders entitled thereto upon the terms described in Section 4.1. The Depositary shall hold and/or distribute any unsold balance of such property in accordance with the provisions of this Deposit Agreement.

Section 4.3 Elective Distributions in Cash or Eligible

Securities. Subject always to the laws and regulations of the Republic of China,

whenever the Company intends to distribute a dividend payable at the election of the holders of Eligible Securities in cash or in additional Eligible Securities, the Company shall give timely notice thereof to the Depositary prior to the proposed distribution stating whether or not it wishes such elective distribution to be made available to Holders of ADSs. Upon receipt of notice indicating that the Company wishes such elective distribution to be made available to Holders of ADSs, the Depositary shall consult with the Company to determine, and the Company shall assist the Depositary in its determination, whether it is lawful and reasonably practicable to make such elective distribution available to the Holders of ADSs. The Depositary shall make such elective distribution available to Holders only if (i) the Depositary shall have determined that such distribution is reasonably practicable and (ii) the Depositary shall have received satisfactory documentation within the terms of Section 5.7. If the above conditions are not satisfied, the Depositary shall, to the extent permitted by law, distribute to the Holders, on the basis of the same determination as is made in the Republic of China in respect of the Deposited

Securities for which no election is made, either cash upon the terms described in Section 4.1 or additional ADSs representing such additional Eligible Securities upon the terms described in Section 4.2. If the above conditions are satisfied, the Depositary shall establish an ADS Record Date (on the terms described in Section 4.9) and establish procedures to enable Holders to elect the receipt of the proposed dividend in cash or in additional ADSs. The Company shall assist the Depositary in establishing such procedures to the extent necessary. If a Holder elects to receive the proposed dividend in cash, the dividend shall be distributed upon the terms described in Section 4.1, or in ADSs, the dividend shall be distributed upon the terms described in Section 4.2. Nothing herein shall obligate the Depositary to make available to Holders a method to receive the elective dividend in Eligible Securities (rather than ADSs). There can be no assurance that Holders generally, or any Holder in

Edgar Filing: ADVANCED SEMICONDUCTOR ENGINEERING INC - Form F-6

particular, will be given the opportunity to receive elective distributions on the same terms and conditions as the holders of Deposited Securities.

Section 4.4 Distribution of Rights to Purchase Additional ADSs

(a) Distribution to ADS Holders. Subject always to the laws

and regulations of the Republic of China, whenever the Company intends to distribute to the holders of the Deposited Securities rights to subscribe for Eligible Securities, the Company shall give timely notice thereof to the Depositary stating whether or not it wishes such rights to be made available to Holders of ADSs. Upon receipt of a notice indicating that the Company wishes such rights to be made available to Holders of ADSs, the Depositary shall consult with the Company to determine, and the Company shall assist the Depositary in its determination, whether it is lawful and reasonably practicable to make such rights available to the Holders. The Depositary shall make such rights available to Holders only if (i) the Company shall have timely requested that such rights be made available to Holders, (ii) the Depositary shall have received satisfactory documentation within the terms of Section 5.7, and (iii) the Depositary shall have determined that such distribution of rights is reasonably practicable. In the event any of the conditions set forth above are not satisfied or if the Company requests that the rights not be made available to Holders of ADSs, the Depositary shall proceed with the sale of the rights as contemplated in Section 4.4(b) below. In the event all conditions set forth above are satisfied, the Depositary shall establish an ADS Record Date (upon the terms described in Section 4.9) and establish procedures to (x) distribute rights to purchase additional ADSs (by means of warrants or otherwise), (y) to enable the Holders to exercise such rights (upon payment of the subscription price and of the applicable (a) fees and charges of, and reasonable expenses incurred by, the Depositary and (b) taxes), and (z) to deliver ADSs upon the valid exercise of such rights. The Company shall assist the Depositary to the extent necessary in establishing such procedures. Nothing herein shall obligate the Depositary to make available to the Holders a method to exercise rights to subscribe for Eligible Securities (rather than ADSs).

(b) Sale of Rights. If (i) the Company does not timely request

the Depositary to make the rights available to Holders or requests that the rights not be made available to Holders, (ii) the Depositary fails to receive

29

satisfactory documentation within the terms of Section 5.7 or determines it is not lawful or not reasonably practicable to make the rights available to Holders, or (iii) any rights made available are not exercised and appear to be about to lapse, the Depositary shall determine in its discretion but after consultation with the Company whether it is lawful and reasonably practicable to sell such rights, in a riskless principal capacity, at such place and upon such terms (including public or private sale) as it may deem practical. The Company shall assist the Depositary to the extent necessary to determine such legality and practicability. The Depositary shall, upon such sale, convert and distribute proceeds of such sale (net of applicable (a) fees and charges of, and expenses incurred by, the Depositary and (b) taxes) upon the terms set forth in Section 4.1.

(c) Lapse of Rights. If the Depositary is unable to make any

Edgar Filing: ADVANCED SEMICONDUCTOR ENGINEERING INC - Form F-6

rights available to Holders upon the terms described in Section 4.4(a) or to arrange for the sale of the rights upon the terms described in Section 4.4(b), the Depositary shall allow such rights to lapse.

The Depositary shall not be responsible for (i) any failure to determine that it may be lawful or practicable to make such rights available to Holders in general or any Holders in particular, (ii) any foreign exchange exposure or loss incurred in connection with such sale, or exercise, or (iii) the content of any materials forwarded to the Holders on behalf of the Company in connection with the rights distribution.

Notwithstanding anything to the contrary in this Section 4.4, if registration (under the Securities Act or any other applicable law) of the rights or the securities to which any rights relate may be required in order for the Company to offer such rights or such securities to Holders and to sell the securities represented by such rights, the Depositary will not distribute such rights to the Holders (i) unless and until a registration statement under the Securities Act (or other applicable law) covering such offering is in effect or (ii) unless the Company furnishes the Depositary with opinions of counsel for the Company in the United States and counsel to the Company in any other applicable country in which rights would be distributed, in each case satisfactory to the Depositary, to the effect that the offering and sale of such securities to Holders and Beneficial Owners are exempt from, or do not require registration under, the provisions of the Securities Act or any other applicable laws.

In the event that the Company, the Depositary or the Custodian shall be required to withhold and does withhold from any distribution of property (including rights) an amount on account of taxes or other governmental charges, the amount distributed to the Holders of American Depositary Shares representing such Deposited Securities shall be reduced accordingly. In the event that the Depositary determines that any distribution in property (including Eligible Securities and rights to subscribe therefor) is subject to any tax or other governmental charges which the Depositary is obligated to withhold, the Depositary may dispose of all or a portion of such property (including Eligible Securities and rights to subscribe therefor) in such amounts and in such manner, including by public or private sale, as the Depositary deems necessary and practicable to pay any such taxes or charges.

30

There can be no assurance that Holders generally, or any Holder in particular, will be given the opportunity to receive or exercise rights on the same terms and conditions as the holders of Deposited Securities or be able to exercise such rights. Nothing herein shall obligate the Company to file any registration statement in respect of any rights or Eligible Securities or other securities to be acquired upon the exercise of such rights.

Section 4.5 Distributions Other Than Cash, Eligible Securities

or Rights to Purchase Eligible Securities. (a) Whenever the Company intends to

distribute to the holders of Deposited Securities property other than cash, Eligible Securities or rights to purchase additional Eligible Securities, the Company shall give timely notice thereof to the Depositary and shall indicate whether or not it wishes such distribution to be made to Holders of ADSs. Upon receipt of a notice indicating that the Company wishes such distribution to be made to Holders of ADSs, the Depositary shall consult with the Company, and the

Edgar Filing: ADVANCED SEMICONDUCTOR ENGINEERING INC - Form F-6

Company shall assist the Depositary, to determine whether such distribution to Holders is lawful and reasonably practicable. The Depositary shall not make such distribution unless (i) the Company shall have requested the Depositary to make such distribution to Holders, (ii) the Depositary shall have received satisfactory documentation within the terms of Section 5.7, and (iii) the Depositary shall have determined that such distribution is lawful and reasonably practicable.

(b) Upon receipt of satisfactory documentation and the request of the Company to distribute property to Holders of ADSs and after making the requisite determinations set forth in (a) above, the Depositary shall distribute the property so received to the Holders of record, as of the ADS Record Date, in proportion to the number of ADSs held by them respectively and in such manner as the Depositary may deem practicable for accomplishing such distribution (i) upon receipt of payment or net of the applicable fees and charges of, and reasonable expenses incurred by, the Depositary, and (ii) net of any taxes withheld. The Depositary may dispose of all or a portion of the property so distributed and deposited, in such amounts and in such manner (including by public or private sale) as the Depositary may deem practicable or necessary to satisfy any taxes (including applicable interest and penalties) or other governmental charges applicable to the distribution.

(c) If (i) the Company does not request the Depositary to make such distribution to Holders or requests the Depositary not to make such distribution to Holders, (ii) the Depositary does not receive satisfactory documentation within the terms of Section 5.7, or (iii) the Depositary determines that all or a portion of such distribution is not reasonably practicable, the Depositary shall sell or cause such property to be sold in a public or private sale, at such place or places and upon such terms as it may deem practicable and shall (i) cause the proceeds of such sale, if any, to be converted into Dollars and (ii) distribute the proceeds of such conversion received by the Depositary (net of applicable (a) fees and charges of, and reasonable expenses incurred by, the Depositary and (b) taxes) to the Holders as of the ADS Record Date upon the terms of Section 4.1. If the Depositary is unable to sell such property, the Depositary may dispose of such property in any way it deems reasonably practicable under the circumstances.

31

Section 4.6 Distributions with Respect to Deposited Securities

in Bearer Form. Subject always to the laws and regulations of the Republic of China and to the terms of this Article IV, distributions in respect of Deposited Securities that are held by the Depositary in bearer form shall be made to the Depositary for the account of the respective Holders of Receipts with respect to which any such distribution is made upon due presentation by the Depositary or the Custodian to the Company of any relevant coupons, talons, or certificates. The Company shall promptly notify the Depositary of such distributions. The Depositary or the Custodian shall promptly present such coupons, talons or certificates, as the case may be, in connection with any such distribution.

Section 4.7 Redemption. If the Company intends to exercise any

right of redemption in respect of any of the Deposited Securities, the Company shall give timely notice thereof to the Depositary which notice shall set forth the particulars of the proposed redemption. Upon receipt of (i) such notice and (ii) satisfactory documentation given by the Company to the Depositary within the terms of Section 5.7, and only if the Depositary shall have determined that

such proposed redemption is reasonably practicable, the Depositary shall deliver to each Holder a notice setting forth the intended exercise by the Company of the redemption rights and any other particulars set forth in the Company's notice to the Depositary. The Depositary shall instruct the Custodian to present to the Company the Deposited Securities in respect of which redemption rights are being exercised against payment of the applicable redemption price. Upon receipt of confirmation from the Custodian that the redemption has taken place and that funds representing the redemption price have been received, the Depositary shall convert, transfer, and distribute the proceeds (net of applicable (a) fees and charges of, and the expenses incurred by, the Depositary, and (b) taxes), retire ADSs and cancel ADRs upon delivery of such ADSs by Holders thereof and the terms set forth in Sections 4.1 and 6.2 hereof. If less than all outstanding Deposited Securities are redeemed, the ADSs to be retired will be selected by lot or on a pro rata basis, as may be determined by the Depositary. The redemption price per ADS shall be the per Deposited Security amount received by the Depositary upon the redemption of the Deposited Securities represented by American Depositary Shares (subject to the terms of Section 4.8 hereof and the applicable fees and charges of, and reasonable expenses incurred by, the Depositary, and taxes) multiplied by the number of Deposited Securities represented by each ADS redeemed.

Section 4.8 Conversion of Foreign Currency. Subject to any

restrictions imposed by ROC law and regulations, including, without limitation, receipt of foreign exchange approval from the Central Bank of China for conversion of funds from and/or into NT dollars whenever the Depositary or the Custodian shall receive Foreign Currency, by way of dividends or other distributions or the net proceeds from the sale of securities, property or rights, which in the judgment of the Depositary can at such time be converted on a practicable basis, by sale or in any other manner that it may determine in accordance with applicable law, into Dollars transferable to the United States and distributable to the Holders entitled thereto, the Depositary shall, subject to the laws and regulations of the Republic of China, convert or cause to be converted, by sale or in any other manner that it may determine, such Foreign Currency into Dollars, and shall distribute such Dollars (net of any applicable

32

fees, any reasonable and customary expenses incurred in such conversion and any reasonable expenses incurred on behalf of the Holders in complying with currency exchange control or other governmental or regulatory requirements) in accordance with the terms of the applicable sections of this Deposit Agreement. If the Depositary shall have distributed warrants or other instruments that entitle the holders thereof to such Dollars, the Depositary shall distribute such Dollars to the holders of such warrants and/or instruments upon surrender thereof for cancellation, in either case without liability for interest thereon. Such distribution may be made upon an averaged or other practicable basis without regard to any distinctions among Holders on account of any application of exchange restrictions or otherwise.

If such conversion or distribution generally or with regard to a particular Holder can be effected only with the approval or license of any government or agency thereof, the Depositary shall have authority to file such application for approval or license, if any, as it may deem appropriate. If at any time the Depositary shall determine that in its judgment the conversion of any Foreign Currency and the transfer and distribution of proceeds of such conversion received by the Depositary is not practical or lawful, or if any approval or license of any governmental authority or agency thereof that is

required for such conversion, transfer and distribution is denied or, in the opinion of the Depositary, not obtainable at a reasonable cost or within a reasonable period, the Depositary may, in its discretion, (i) make such conversion and distribution in Dollars to the Holders for whom such conversion, transfer and distribution is lawful and practicable, (ii) distribute the Foreign Currency (or an appropriate document evidencing the right to receive such Foreign Currency) to Holders for whom this is lawful and practicable or (iii) hold (or cause the Custodian to hold) such Foreign Currency (without liability for interest thereon) for the respective accounts of the Holders entitled to receive the same.

Section 4.9 Fixing of ADS Record Date. Whenever the Depositary

shall receive notice of the fixing of a record date by the Company for the determination of holders of Deposited Securities entitled to receive any distribution (whether in cash, Eligible Securities, rights, or other entitlement distribution), or whenever for any reason the Depositary causes a change in the number of Deposited Securities that are represented by each American Depositary Share, or whenever the Depositary shall receive notice of any meeting, or solicitation of consents or of proxies, of holders of Deposited Securities, or whenever the Depositary shall find it necessary or convenient in connection with the giving of any notice, solicitation of any consent or any other matter, the Depositary shall fix a record date (the "ADS Record Date") for the determination of the Holders of Receipts who shall be entitled to receive such distribution, to give instructions for the exercise of voting rights at any such meeting, to give or withhold such consent, to receive such notice or solicitation or to otherwise take action, or to exercise the rights of Holders with respect to such changed number of Deposited Securities represented by each American Depositary Share. The Depositary shall establish the ADS Record Date as closely as possible to the applicable record date for the Deposited Securities (if any) set by the Company in the Republic of China. Subject to applicable law and the provisions of Section 4.1 through 4.8 and to the other terms and conditions of this Deposit Agreement, only the Holders of Receipts at the close of business in New York on such ADS Record Date shall be entitled to receive such distribution, to give

33

such voting instructions, to receive such notice or solicitation, or otherwise take action. The Depositary shall promptly notify the New York Stock Exchange, Inc. of any action to fix an ADS Record Date or to close the transfer books for the ADSs.

Section 4.10 Voting of Deposited Securities.

(a) Voting by Shareholders. The ROC Company Law and the

Articles of Incorporation of the Company, in each case, as in effect on the date hereof, provide that: (i) a holder of Shares (including holders of interests in any Certificate of Payment evidencing the irrevocable right to receive Shares) is entitled to one vote for each Share held, except that the number of votes of a holder of more than 3% of the total outstanding Shares is discounted by the Company by a factor of 0.1% of that portion of the Shares held in excess of 3% (e.g., a holder of 10% of the total outstanding Shares would be permitted to exercise voting rights only with respect of a 9.93% of such Shares), (ii) the election of directors and supervisors takes place by means of cumulative voting and (iii) a shareholder must, as to all matters subject to a vote of shareholders (other than the election of directors and supervisors), exercise

Edgar Filing: ADVANCED SEMICONDUCTOR ENGINEERING INC - Form F-6

the voting rights for all Shares held by such shareholder in the same manner (e.g., a holder of 1,000 Shares cannot split his/her votes but must vote all 1,000 Shares in the same manner except in the event of cumulative voting for an election of directors and supervisors). The voting rights attaching to the Deposited Securities must be exercised by, or on behalf of, the Depositary, as representative of the Holders, collectively in the same manner, except in the case of an election of directors and supervisors, which shall be on a cumulative basis. Deposited Securities which have been withdrawn from the ADR Facilities and timely transferred on the Company's register of shareholders to a person other than the Depositary may be voted by the registered holder(s) thereof directly, subject, in each case, to the limitations of ROC Law and the Articles of Incorporation of the Company. Holders may not receive sufficient advance notice of shareholders' meetings to enable them to timely withdraw the Deposited Securities and vote at such meetings and may not be able to re-deposit the withdrawn securities under the terms of the Deposit Agreement.

(b) Voting by ADS Holders. Holders of ADSs have no individual

voting rights with respect to the Deposited Securities represented by their ADSs. Each Holder shall be deemed, by acceptance of ADSs or acquisition of any beneficial interest therein, to have authorized and directed the Depositary, without liability, to appoint the Chairman of the Company (or his/her designate), as representative of the Depositary, the Custodian or the nominee who is registered in the ROC as representative of the Holders in respect of the Deposited Securities (the "Registered Holder"), to vote the Shares or other Deposited Securities in accordance with the terms hereof.

The Company agrees to timely notify the Depositary of any proposed shareholders' meeting and to provide to the Depositary in New York, at least 24 calendar days before any shareholders' meeting, sufficient copies as the Depositary may reasonably request of English language translations of the Company's notice of shareholders' meeting and the agenda of the materials to be

34

voted on (in the form the Company generally makes available to holders of Shares in the ROC), including, without limitation, a list of candidates proposed by the Company for an election of directors or supervisors (such materials collectively, the "Shareholder Notice"). As soon as practicable after receipt by the Depositary of the requisite number of Shareholder Notices, the Depositary shall establish the ADS Record Date (upon the terms of Section 4.9 hereof) and shall, at the Company's expense and, provided no U.S. legal prohibitions exist, deliver to Holders as of the applicable ADS Record Date, (i) the Shareholder Notice, (ii) a depositary notice setting forth the manner in which Holders of ADSs may instruct the Depositary to cause the Deposited Securities represented by their ADSs to be voted under the terms of this Deposit Agreement including, a description of the Management Proxy (as defined below), together with a form of voting instructions and/or other means to provide voting instructions (the depositary notice and the related materials prepared by the Depositary collectively, the "Depositary Notice"). The Depositary is under no obligation to deliver the Shareholder Notice and the Depositary Notice to Holders if the Company has failed to provide to the Depositary in New York the requisite number of Shareholder Notices at least 24 calendar days prior to the date of any shareholders' meeting. If the Depositary has not delivered the Shareholder Notice or Depositary Notice to Holders, it will endeavor to cause all Deposited Securities represented by ADRs to be present at the relevant Shareholders' meeting insofar as practicable and permitted under applicable law but will not cause the Shares or other Deposited Securities to be voted; provided, however,

that the Depositary may determine, at its sole discretion, to send such Shareholder Notice and Depositary Notice to Holders and/or cause the Shares or other Deposited Securities to be voted as it deems appropriate. There can be no assurance that Holders generally or any Holder in particular will receive Shareholder Notices and Depositary Notices with sufficient time to enable the return of voting instructions to the Depositary in a timely manner.

Notwithstanding anything else contained in this Deposit Agreement, the Depositary shall not have any obligation to take any action with respect to any meeting, or solicitation of consents or proxies, of holders of Shares or other Deposited Securities if the taking of such action would violate U.S. laws.

(c) Voting of Deposited Securities Upon ADS Holders'

Instructions. If Holders of ADSs together holding at least 51% of all the ADSs (including Temporary ADSs) outstanding as of the relevant ADS Record Date shall instruct the Depositary, prior to the date established for such purpose by the Depositary, to vote in the same manner in respect of one or more resolutions to be proposed at a shareholders' meeting (including resolutions for the election of directors and/or supervisors), the Depositary shall notify to the Chairman of the Company (or his/her designate) and appoint the Chairman of the Company (or his/her designate) as the representative of the Depositary and the Registered Holders to attend such shareholders' meeting and vote all Deposited Securities evidenced by ADSs then outstanding (including Temporary ADSs) in the manner so instructed by such Holders. If voting instructions are received by the Depositary on or before the date established by the Depositary for the receipt of such instructions from any Holder as of the ADS Record Date, which are signed but without further indication as to voting instructions, the Depositary shall

35

deem such Holder to have instructed a vote in favor of the items set forth in such instructions. The Depositary and Custodian shall not have any obligation to monitor, and shall not incur any liability for, the actions, or the failure to act, of the Chairman of the Company (or his/her designate) as representative of the Registered Holder.

(d) Management Proxy. If, for any reason (other than a failure

by the Company to supply the requisite number of Shareholder Notices to the Depositary within the requisite time period provided in this Section 4.10) the Depositary has not, prior to the date established for such purpose by the Depositary received instructions from Holders together holding at least 51% of all ADSs (including Temporary ADSs) outstanding at the relevant ADS Record Date, to vote in the same manner in respect of any resolution (including resolutions for the election of directors and/or supervisors), then, subject to the following paragraph, the Holders shall be deemed to have authorized and directed the Depositary to give a discretionary proxy (a "Management Proxy") to the Chairman of the Company (or his/her designate) as the representative of the Registered Holder to attend and vote at such meeting all the Deposited Securities represented by ADSs then outstanding (including Temporary ADSs) in his or her discretion. In such circumstances, the Chairman of the Company (or his/her designate) shall be free to exercise the votes attaching to the Deposited Securities in any manner he or she wishes, which may not be in the interests of the Holders.

Edgar Filing: ADVANCED SEMICONDUCTOR ENGINEERING INC - Form F-6

The Depositary's grant of a Management Proxy in the manner and circumstances described in the preceding paragraph shall be subject to the receipt by the Depositary prior to each shareholders' meeting of an opinion of ROC counsel addressed to, and in form and substance satisfactory to, the Depositary to the effect that under ROC law (i) the arrangements relating to the Management Proxy are permissible, and (ii) the Depositary will not be deemed to be authorized to exercise any discretion when causing the voting in accordance with this Section 4.10 and will not be subject to any potential liability under ROC law for losses arising from such voting. In the event the Depositary does not receive such opinion, the Depositary will not grant the Management Proxy but will cause the Deposited Securities to be present at the shareholders' meeting to the extent practicable and permitted by applicable law but will not cause the Deposited Securities to be voted or the Management Proxy to be granted.

The Depositary shall not, and the Depositary shall ensure that the Custodian and its nominees do not, vote or attempt to exercise the right to vote that attaches to the Shares or other Deposited Securities, other than in accordance with instructions given in accordance with this Section 4.10. The terms of this Section 4.10 may be amended from time to time in accordance with the terms of this Deposit Agreement. By continuing to hold ADSs after the effective time of such amendment all Holders and Beneficial Owners shall be deemed to have agreed to the terms of this Section 4.10 as so amended.

Section 4.11 Changes Affecting Deposited Securities. Upon any

change in nominal or par value, split-up, cancellation, consolidation or any other reclassification of Deposited Securities, or upon any recapitalization, reorganization, merger or consolidation or sale of assets affecting the Company or to which it is a party, any securities which shall be received by the

36

Depositary or the Custodian in exchange for, or in conversion of or replacement of or otherwise in respect of, such Deposited Securities shall, to the extent permitted by law, be treated as new Deposited Securities under this Deposit Agreement, and the Receipts shall, subject to the provisions of this Deposit Agreement and applicable law, evidence American Depositary Shares representing the right to receive such additional or replacement securities, as applicable. The Depositary may, with the Company's approval, and shall, if the Company shall so request, subject to the terms of the Deposit Agreement and receipt of an opinion of counsel to the Company provided pursuant to Section 5.7 hereof and satisfactory to the Depositary that such distributions are not in violation of any applicable laws or regulations, execute and deliver additional Receipts as in the case of a dividend of Eligible Securities, or call for the surrender of outstanding Receipts to be exchanged for new Receipts, in either case, as well as in the event of newly deposited Shares, with necessary modifications to the form of Receipt contained in Exhibit A hereto, specifically describing such new

Deposited Securities or corporate change. The Company agrees to, jointly with the Depositary, amend the Registration Statement on Form F-6 as filed with the Commission to permit the issuance of such new form of Receipts. Notwithstanding the foregoing, in the event that any security so received may not be lawfully distributed to some or all Holders, the Depositary may, with the Company's approval, and shall, if the Company requests, subject to receipt of an opinion of Company's counsel satisfactory to the Depositary that such action is not in violation of any applicable laws or regulations, sell such securities at public or private sale, at such place or places and upon such terms as it may deem proper and may allocate the net proceeds of such sales (net of (a) fees and

Edgar Filing: ADVANCED SEMICONDUCTOR ENGINEERING INC - Form F-6

charges of, and reasonable expenses incurred by, the Depositary and (b) taxes) for the account of the Holders otherwise entitled to such securities upon an averaged or other practicable basis without regard to any distinctions among such Holders and distribute the net proceeds so allocated to the extent practicable as in the case of a distribution received in cash pursuant to Section 4.1. The Depositary shall not be responsible for (i) any failure to determine that it may be lawful or feasible to make such securities available to Holders in general or to any Holder in particular, (ii) any foreign exchange exposure or loss incurred in connection with such sale, or (iii) any liability to the purchaser of such securities.

Section 4.12 Available Information. From and after the date

hereof, the Company is subject to the periodic reporting requirements of the Exchange Act and accordingly files certain information with the Commission. These reports and documents can be inspected and copied at the public reference facilities maintained by the Commission located at Judiciary Plaza, 450 Fifth Street, N.W., Washington D.C. 20549 and at the Commission's New York City office located at Seven World Trade Center, 13th Floor, New York, New York 10048.

Section 4.13 Reports. The Depositary shall make available for

inspection by Holders at its Principal Office any reports and communications, including any proxy soliciting materials, received from the Company which are both (a) received by the Depositary, the Custodian, or the nominee of either of them as the holder of the Deposited Securities and (b) made generally available

37

to the holders of such Deposited Securities by the Company. The Depositary shall also mail to Holders copies of such reports when furnished by the Company pursuant to Section 5.6.

Section 4.14 List of Holders. Promptly upon written request by

the Company, the Depositary shall furnish to it a list, as of a recent date, of the names, addresses and holdings of American Depositary Shares of all Holders.

Section 4.15 Taxation. The Depositary will, and will instruct

the Custodian to, forward to the Company or its agents such information from its records as the Company may reasonably request to enable the Company or its agents to file the necessary tax reports with governmental authorities or agencies. The Depositary, the Custodian or the Company and its agents may file such reports as are necessary to reduce or eliminate applicable taxes on dividends and on other distributions in respect of Deposited Securities under applicable tax treaties or laws for the Holders and Beneficial Owners. In accordance with instructions from the Company and to the extent practicable, the Depositary or the Custodian will take reasonable administrative actions to obtain tax refunds, reduced withholding of tax at source on dividends and other benefits under applicable tax treaties or laws with respect to dividends and other distributions on the Deposited Securities. As a condition to receiving such benefits, Holders and Beneficial Owners of American Depositary Shares may be required from time to time, and in a timely manner, to file such proof of taxpayer status, residence and beneficial ownership (as applicable), to execute such certificates and to make such representations and warranties, or to provide any other information or documents, as the Depositary or the Custodian may deem necessary or proper to fulfill the Depositary's or the Custodian's obligations

under applicable law. The Holders and Beneficial Owners shall indemnify the Depositary, the Company, the Custodian and any of their respective directors, employees, agents and Affiliates against, and hold each of them harmless from, any claims by any governmental authority with respect to taxes, additions to tax, penalties or interest arising out of any refund of taxes, reduced rate of withholding at source or other tax benefit obtained.

If the Company (or any of its agents) withholds from any distribution any amount on account of taxes or governmental charges, or pays any other tax in respect of such distribution (i.e., stamp duty tax, capital gains or other similar tax), the Company shall (and shall cause such agent to) remit promptly to the Depositary information about such taxes or governmental charges withheld or paid, and, if so requested, the tax receipt (or other proof of payment to the applicable governmental authority) therefor, in each case, in a form satisfactory to the Depositary. The Depositary shall, to the extent required by U.S. law, report to Holders any taxes withheld by it or the Custodian, and, if such information is provided to it by the Company, any taxes withheld by the Company. The Depositary and the Custodian shall not be required to provide the Holders with any evidence of the remittance by the Company (or its agents) of any taxes withheld, or of the payment of taxes by the Company, except to the extent the evidence is provided by the Company to the Depositary. Neither the Depositary nor the Custodian shall be liable for the failure by any Holder or Beneficial Owner to obtain the benefits of credits on the basis non-U.S. tax paid against such Holder's or Beneficial Owner's income tax liability.

38

The Depositary is under no obligation to provide the Holders and Beneficial Owners with any information about the tax status of the Company. The Depositary shall not incur any liability for any tax consequences that may be incurred by Holders and Beneficial Owners on account of their ownership of the American Depositary Shares, including without limitation, tax consequences resulting from the Company (or any of its subsidiaries) being treated as a "Foreign Personal Holding Company," or as a "Passive Foreign Investment Company" (in each case as defined in the U.S. Internal Revenue Code and the regulations issued thereunder) or otherwise.

The Depositary, its controlling persons, its agents, any Custodian and the Company, its controlling persons and its agents may rely and shall be protected in acting upon any written notice, request or other document believed by it to be genuine and to have been signed or presented by the proper party or parties.

Depositary hereunder by written notice of resignation delivered to the Company, such resignation to be effective on the earlier of (i) the 60th day after

Edgar Filing: ADVANCED SEMICONDUCTOR ENGINEERING INC - Form F-6

The Depositary may at any time be removed by the Company by written notice of such removal, which removal shall be effective on the earlier of (i) the 60th day after delivery thereof to the Depositary (whereupon the Depositary shall be entitled to take the actions contemplated in Section 6.2 hereof), or (ii) upon the appointment by the Company of a successor depositary and its acceptance of such appointment as hereinafter provided.

In case at any time the Depositary acting hereunder shall resign or be removed, the Company shall use its best efforts to appoint a successor depositary, which shall be a bank or trust company having an office in the Borough of Manhattan, The City of New York. Every successor depositary shall

41

appointed Citibank, N.A., Taipei Branch as Custodian for the purpose of this Deposit Agreement. The Custodian or its successors in acting hereunder shall be subject at all times and in all respects to the direction of the Depositary for the Shares for which the Custodian acts as custodian and shall be responsible solely to it. Upon the appointment of any successor depositary, any Custodian then acting hereunder shall, unless otherwise instructed by the Depositary, continue to be the Custodian of the Deposited Securities without any further act or writing, and shall be subject to the direction of the successor depositary. The successor depositary so appointed shall, nevertheless, on the written request of any Custodian, execute and deliver to such Custodian all such instruments as may be proper to give to such Custodian full and complete power and authority to act on the direction of such successor depositary.

42

Section 5.6 Notices and Reports. On or before the first date

on which the Company gives notice, by publication or otherwise, of any meeting of holders of Deposited Securities, or of any adjourned meeting of such holders, or of the taking of any action by such holders other than at a meeting, or of the taking of any action in respect of any cash or other distributions or the offering of any rights in respect of Deposited Securities, the Company shall transmit to the Depositary and the Custodian a copy of the notice thereof in the English language but otherwise in the form given or to be given to holders of Deposited Securities. The Company shall also furnish to the Custodian and the Depositary a summary, in English, of any applicable provisions or proposed provisions of the Articles of Incorporation of the Company that may be relevant or pertain to such notice of meeting or be the subject of a vote thereat. The Depositary shall arrange, at the request of the Company and at the Company's expense, for the mailing of copies thereof to all Holders or make such notices, reports and other communications available to all Holders on a basis similar to that for holders of Deposited Securities or on such other basis as the Company may advise the Depositary or as may be required by any applicable law, regulation or stock exchange requirement. The Company has delivered to the Depositary and the Custodian a copy of the Company's Articles of Incorporation along with the provisions of or governing the Deposited Securities, and promptly upon any amendment thereto or change therein, the Company shall deliver to the Depositary and the Custodian a copy of such amendment thereto or change therein. The Depositary may rely upon such copy for all purposes of this Deposit Agreement.

The Depositary will, at the expense of the Company, make available a copy of any such notices, reports or communications issued by the Company and delivered to the Depositary for inspection by the Holders of the Receipts evidencing the American Depositary Shares governed by such provisions at the Depositary's Principal Office, at the office of the Custodian and at any other designated transfer office.

Section 5.7 Issuance of Additional Eligible Securities, ADSs,

etc. The Company agrees that in the event it or any of its Affiliates proposes ---

(i) an issuance, sale or distribution of additional Eligible Securities (ii) an offering of rights to subscribe for Eligible Securities, (iii) an issuance of securities convertible into or exchangeable for Eligible Securities, (iv) an issuance of rights to subscribe for securities convertible into or exchangeable for Eligible Securities, (v) an elective dividend of cash or Eligible Securities, (vi) a redemption of Deposited Securities, (vii) a meeting of holders of Deposited Securities, or solicitation of consents or proxies,

relating to any reclassification of securities, merger or consolidation or transfer of assets, or (viii) any reclassification, recapitalization, reorganization, merger, consolidation or sale of assets which affects the Deposited Securities, it will obtain legal advice and take all steps necessary to ensure that the application of the proposed transaction to Holders and Beneficial Owners does not violate the laws and regulations of the Republic of China and the registration provisions of the Securities Act, or any other applicable laws (including, without limitation, the Investment Company Act of 1940, as amended, the Exchange Act or the securities laws of the states of the United States). In support of the foregoing, the Company will, at the request of the Depositary, furnish to the Depositary (a) a written opinion of U.S. counsel

43

(reasonably satisfactory to the Depositary) stating whether or not application of such transaction to Holders and Beneficial Owners (1) requires a registration statement under the Securities Act to be in effect or (2) is exempt from the registration requirements of the Securities Act and (b) an opinion of ROC counsel stating that (1) making the transaction available to Holders and Beneficial Owners does not violate the laws or regulations of the Republic of China; provided however, that no such opinion shall be required in the event of an issuance of Eligible Securities as a bonus, share split or similar event or (2) all requisite regulatory consents and approvals have been obtained in the Republic of China. If the filing of a registration statement is required, the Depositary shall not have any obligation to proceed with the transaction unless it shall have received evidence reasonably satisfactory to it that such registration statement has been declared effective. If, being so advised by counsel, the Company determines that a transaction is required to be registered under the Securities Act, the Company will either (i) register such transaction to the extent necessary, (ii) alter the terms of the transaction to avoid the registration requirements of the Securities Act or (iii) direct the Depositary to take specific measures, in each case as contemplated in this Deposit Agreement, to prevent such transaction from violating the registration requirements of the Securities Act.

The Company agrees with the Depositary that neither the Company nor any of its Affiliates will at any time (i) deposit any Eligible Securities, either upon original issuance or upon a sale of Eligible Securities previously issued and reacquired by the Company or by any such Affiliate, or (ii) issue additional Eligible Securities, rights to subscribe for such Eligible Securities, securities convertible into or exchangeable for Eligible Securities or rights to subscribe for such securities, unless such transaction and the securities issuable in such transaction are exempt from registration under the Securities Act and, if applicable, the Exchange Act or have been registered under the Securities Act and, if applicable, the Exchange Act (and such registration statement has been declared effective).

Notwithstanding anything else contained in this Deposit Agreement, nothing in this Deposit Agreement shall be deemed to obligate the Company to file any registration statement in respect of any proposed transaction.

Section 5.8 Indemnification. The Depositary agrees to

indemnify the Company and its directors, officers, employees, agents and Affiliates against, and hold each of them harmless from, any direct loss, liability, tax, charge or expense of any kind whatsoever (including, but not limited to, the reasonable fees and expenses of counsel) which may arise out of

Edgar Filing: ADVANCED SEMICONDUCTOR ENGINEERING INC - Form F-6

acts performed or omitted by the Depositary under the terms hereof due to the negligence or bad faith of the Depositary.

The Company agrees to indemnify the Depositary, the Custodian and any of their respective directors, officers, employees, agents and Affiliates against, and hold each of them harmless from, any direct loss, liability, tax, charge or expense of any kind whatsoever (including, but not limited to, the reasonable fees and expenses of counsel) that may arise (a) out of or in connection with any offer, issuance, sale, resale, transfer, deposit or

44

withdrawal of Receipts, American Depositary Shares, the Eligible Securities or Deposited Securities, as the case may be, (b) out of or as a result of any offering documents in respect thereof or (c) out of acts performed or omitted, including, but not limited to, any delivery by the Depositary on behalf of the Company of information regarding the Company in connection with this Deposit Agreement, the Receipts, the American Depositary Shares, the Eligible Securities, or any Deposited Securities, in any such case (i) by the Depositary, the Custodian or any of their respective directors, officers, employees, agents and Affiliates, except to the extent such loss, liability, tax, charge or expense is due to the negligence or bad faith of any of them, or (ii) by the Company or any of its directors, officers, employees, agents and Affiliates except to the extent that such liability or expense arises out of or is based upon an untrue statement of material fact or omission that is made in reliance upon and in conformity with information relating to the Depositary or the Custodian, as the case may be, furnished in writing to the Company by the Depositary or the Custodian expressly for use in any document relating to the ADSs.

The obligations set forth in this Section shall survive the termination of this Deposit Agreement and the succession or substitution of any party hereto.

Any person seeking indemnification hereunder (an "indemnified person") shall notify the person from whom it is seeking indemnification (the "indemnifying person") of the commencement of any indemnifiable action or claim promptly after such indemnified person becomes aware of such commencement (provided that the failure to make such notification shall not affect such indemnified person's rights to seek indemnification except to the extent the indemnifying person is materially prejudiced by such failure) and shall consult in good faith with the indemnifying person as to the conduct of the defense of such action or claim that may give rise to an indemnity hereunder, which defense shall be reasonable in the circumstances. No indemnified person shall compromise or settle any action or claim that may give rise to an indemnity hereunder without the consent of the indemnifying person, which consent shall not be unreasonably withheld.

Section 5.9 Fees and Charges of Depositary. Holders,

Beneficial Owners and persons depositing Eligible Securities or surrendering ADSs for cancellation and withdrawal of Deposited Securities shall be required to pay to the Depositary the Depositary's fees and related charges identified as payable by them respectively in the Fee Schedule attached hereto as Exhibit B.

All fees and charges so payable may, at any time and from time to time, be changed by agreement between the Depositary and the Company, but, in the case of fees and charges payable by Holders and Beneficial Owners, only in the manner

Edgar Filing: ADVANCED SEMICONDUCTOR ENGINEERING INC - Form F-6

contemplated in Section 6.1. The Depositary shall provide, without charge, a copy of its latest fee schedule to anyone upon request.

The Company agrees to promptly pay to the Depositary such other fees and charges and to reimburse the Depositary for such reasonable out-of-pocket expenses as the Depositary and the Company may agree to in writing from time to time. Responsibility for payment of such charges may at any time

45

and from time to time be changed by agreement between the Company and the Depositary. Unless otherwise agreed, the Depositary shall present its statement for such expenses and fees or charges to the Company once every three months. The charges and expenses of the Custodian are for the sole account of the Depositary.

The right of the Depositary to receive payment of fees, charges and expenses as provided above shall survive the termination of this Deposit Agreement. As to any Depositary, upon the resignation or removal of such Depositary as described in Section 5.4 hereof, such right shall extend for those fees, charges and expenses incurred prior to the effectiveness of such resignation or removal.

Section 5.10 Pre-Release Transactions. Subject to the further

terms and provisions of this Section 5.10, the Depositary, its Affiliates and their agents, on their own behalf, may own and deal in any class of securities of the Company and its Affiliates and in ADSs. In its capacity as Depositary, the Depositary shall not lend Deposited Securities or ADSs; provided, however, that, subject to Republic of China law and regulations, the Depositary may (i) issue ADSs prior to the receipt of Eligible Securities pursuant to Section 2.3 and (ii) deliver Deposited Securities upon the receipt of ADSs for cancellation upon withdrawal of Deposited Securities pursuant to Section 2.7, including ADSs which were issued under (i) above but for which Eligible Securities may not have been received (each such transaction under (i) above, a "Pre-Release Transaction"). The Depositary may receive ADSs in lieu of Eligible Securities under (i) above. Each Pre-Release Transaction will be (a) subject to a written agreement whereby the person or entity (the "Applicant") to whom ADSs are to be delivered (w) represents that at the time of the Pre-Release Transaction the Applicant or its customer owns the Eligible Securities that are to be delivered by the Applicant under such Pre-Release Transaction, (x) agrees to indicate the Depositary as owner of such Eligible Securities in its records and to hold such Eligible Securities in trust for the Depositary until such Eligible Securities or ADSs are delivered to the Depositary or the Custodian, (y) unconditionally guarantees to deliver to the Depositary or the Custodian, as applicable, such Eligible Securities or ADSs, and (z) agrees to any additional restrictions or requirements that the Depositary deems appropriate, (b) at all times fully collateralized with cash, United States government securities or such other collateral as the Depositary deems appropriate, (c) terminable by the Depositary on not more than five (5) business days' notice and (d) subject to such further indemnities and credit regulations as the Depositary deems appropriate. The Depositary will normally limit the number of ADSs and Eligible Securities involved in such Pre-Release Transactions at any one time to thirty percent (30%) of the ADSs outstanding (without giving effect to ADSs outstanding under (i) above), provided, however, that the Depositary reserves the right to change or disregard such limit from time to time as it deems appropriate.

The Depositary may also set limits with respect to the number

Edgar Filing: ADVANCED SEMICONDUCTOR ENGINEERING INC - Form F-6

of ADSs and Eligible Securities involved in Pre-Release Transactions with any one person on a case by case basis as it deems appropriate. The Depositary may retain for its own account any compensation received by it in conjunction with the foregoing. Collateral provided pursuant to (b) above, but not the earnings thereon, shall be held for the benefit of the Holders (other than the

46

Applicant). Neither Temporary ADSs nor any interest in any Payment Certificate shall be eligible for Pre-Release Transactions hereunder.

Section 5.11 Restricted Securities Owners. The Company agrees

to advise in writing each of the persons or entities who, to the knowledge of the Company, holds Restricted Securities that, except as contemplated by Section 2.13 hereof, such Restricted Securities are ineligible for deposit hereunder and, to the extent practicable, shall require each of such persons to represent in writing that such person will not deposit Restricted Securities hereunder.

ARTICLE VI AMENDMENT AND TERMINATION

Section 6.1 Amendment/Supplement. The Receipts outstanding at

any time, the provisions of this Deposit Agreement and the form of Receipt attached hereto and to be issued under the terms hereof may at any time and from time to time be amended or supplemented by written agreement between the Company and the Depositary in any respect which they may deem necessary or desirable without the prior written consent of the Holders or Beneficial Owners. Any amendment or supplement which shall impose or increase any fees or charges (other than charges in connection with foreign exchange control regulations, and taxes and other governmental charges, delivery and other such expenses), or which shall otherwise materially prejudice any substantial existing right of Holders or Beneficial Owners, shall not, however, become effective as to outstanding Receipts until the expiration of 30 days after notice of such amendment or supplement shall have been given to the Holders of outstanding Receipts. The parties hereto agree that any amendments or supplements which (i) are reasonably necessary (as agreed by the Company and the Depositary) in order for (a) the American Depositary Shares to be registered on Form F-6 under the Securities Act or (b) the American Depositary Share(s) to be traded solely in electronic book-entry form and (ii) do not in either such case impose or increase any fees or charges to be borne by Holders, shall be deemed not to materially prejudice any substantial rights of Holders or Beneficial Owners. Every Holder and Beneficial Owner at the time any amendment or supplement so becomes effective shall be deemed, by continuing to hold such American Depositary Share(s), to consent and agree to such amendment or supplement and to be bound by this Deposit Agreement and the Receipt as amended and supplemented thereby. In no event shall any amendment or supplement impair the right of the Holder to surrender such Receipt and receive therefor the Deposited Securities represented thereby, except in order to comply with mandatory provisions of applicable law. Notwithstanding the foregoing, if any governmental body should adopt new laws, rules or regulations which would require an amendment or supplement of this Deposit Agreement to ensure compliance therewith, the Company and the Depositary may amend or supplement this Deposit Agreement and the Receipts at any time in accordance with such changed laws, rules or regulations. Such amendment or supplement to this Deposit Agreement and the Receipts in such circumstances may become effective before a notice of such amendment or

supplement is given to Holders or within any other period of time as required for compliance with such laws, rules or regulations.

47

Section 6.2 Termination. The Depositary shall, at any time at

the written direction of the Company, terminate this Deposit Agreement by mailing notice of such termination to the Holders of all Receipts then outstanding at least 30 days prior to the date fixed in such notice for such termination. If 60 days shall have expired after (i) the Depositary shall have delivered to the Company a written notice of its election to resign, or (ii) the Company shall have delivered to the Depositary a written notice of the removal of the Depositary, and in either case a successor depositary shall not have been appointed and accepted its appointment as provided in Section 5.4, the Depositary may terminate this Deposit Agreement by mailing notice of such termination to the Holders of all Receipts then outstanding at least 30 days prior to the date fixed for such termination. On and after the date of termination of this Deposit Agreement, the Holder of a Receipt will, upon surrender of such Receipt at the Principal Office of the Depositary, upon the payment of the charges of the Depositary for the surrender of Receipts referred to in Section 2.7 and subject to the conditions and restrictions set forth therein and subject always to the restrictions on withdrawal as may be in effect under the laws and regulations of the Republic of China, and upon payment of any applicable taxes or governmental charges, be entitled to Delivery, to him or upon his order, of the amount of Deposited Securities represented by such Receipt. If any Receipts shall remain outstanding after the date of termination of this Deposit Agreement, the Registrar thereafter shall discontinue the registration of transfers of Receipts, and the Depositary shall suspend the distribution of dividends to the Holders thereof, and shall not give any further notices or perform any further acts under this Deposit Agreement, except that the Depositary shall continue to collect dividends and other distributions pertaining to Deposited Securities, shall sell rights as provided in this Deposit Agreement, and shall continue to deliver Deposited Securities, subject to the conditions and restrictions set forth in Section 2.7, together with any dividends or other distributions received with respect thereto and the net proceeds of the sale of any rights or other property, in exchange for Receipts surrendered to the Depositary (after deducting, or charging, as the case may be, in each case, the charges of the Depositary for the surrender of a Receipt, any expenses for the account of the Holder in accordance with the terms and conditions of this Deposit Agreement and any applicable taxes or governmental charges or assessments).

At any time after the expiration of six months from the date of termination of this Deposit Agreement, the Depositary may sell the Deposited Securities then held hereunder and may thereafter hold uninvested the net proceeds of any such sale, together with any other cash then held by it hereunder, in an unsegregated account, without liability for interest for the pro rata benefit of the Holders whose Receipts have not theretofore been surrendered, such Holders thereupon becoming general creditors of the Depositary with respect to such net proceeds. After making such sale, the Depositary shall be discharged from all obligations under this Deposit Agreement with respect to the Receipts, the Deposited Securities and the American Depositary Shares, except to account for such net proceeds and other cash (after deducting, or charging, as the case may be, in each case, the charges of the Depositary for the surrender of a Receipt, any expenses for the account of the Holder in accordance with the terms and conditions of this Deposit Agreement and any applicable taxes or governmental charges or assessments). Upon the termination

of this Deposit Agreement, the Company shall be discharged from all obligations under this Deposit Agreement except for its obligations to the Depositary under Sections 5.8, 5.9 and 7.6 hereof.

ARTICLE VII
MISCELLANEOUS

Section 7.1 Counterparts. This Deposit Agreement may be

Agreement is for the exclusive benefit of the parties hereto (and their successors) and shall not be deemed to give any legal or equitable right, remedy or claim whatsoever to any other person, except to the extent specifically set forth in this Deposit Agreement. Nothing in this Deposit Agreement shall be deemed to give rise to a partnership or joint venture among the parties nor establish a fiduciary or similar relationship among the parties. The parties hereto acknowledge and agree that (i) the Depositary and its Affiliates may at any time have multiple banking relationships with the Company and its Affiliates, (ii) the Depositary and its Affiliates may be engaged at any time in transactions in which parties adverse to the Company or the Holders or Beneficial Owners may have interests and (iii) nothing contained in this Agreement shall (a) preclude the Depositary or any of its Affiliates from engaging in such transactions or establishing or maintaining such relationships, (b) obligate the Depositary or any of its Affiliates to disclose such transactions or relationships or to account for any profit made or payment received in such transactions or relationships.

Section 7.3 Severability. In case any one or more of the

provisions contained in this Deposit Agreement or in the Receipts should be or become invalid, illegal or unenforceable in any respect, the validity, legality and enforceability of the remaining provisions contained herein or therein shall in no way be affected, prejudiced or disturbed thereby.

Section 7.4 Holders and Beneficial Owners as Parties; Binding

Effect. The Holders and Beneficial Owners from time to time of American

Depositary Shares shall be parties to the Deposit Agreement and shall be bound by all of the terms and conditions thereof and of any Receipt by acceptance thereof of any beneficial interest therein. Holders and Beneficial Owners of International GDSs issued under the Original Deposit Agreement as heretofore in effect shall, from and after the date hereof, have all the rights and be subject to all the obligations of Holders and Beneficial Owners of ADSs hereunder.

Delivery of a notice sent by mail, air courier or cable, telex or facsimile transmission shall be deemed to be effective at the time when a duly addressed letter containing the same (or a confirmation thereof in the case of a cable, telex or facsimile transmission) is deposited, postage prepaid, in a post-office letter box or delivered to an air courier service. The Depositary or the Company may, however, act upon any cable, telex or facsimile transmission received by it from the other or from any Holder, notwithstanding that such cable, telex or facsimile transmission shall not subsequently be confirmed by letter as aforesaid.

Section 7.6 Governing Law and Jurisdiction. This Deposit

Agreement and the Receipts shall be interpreted in accordance with, and all rights hereunder and thereunder and provisions hereof and thereof shall be governed by, the laws of the State of New York without reference to the principles of choice of law thereof. Notwithstanding anything contained in this Deposit Agreement, any Receipt or any present or future provisions of the laws of the State of New York, the rights of holders of Deposited Securities and the obligations and duties of the Company in respect of the holders of Deposited Securities, as such, shall be governed by the laws of the Republic of China (or, if applicable, such other laws as may govern the Deposited Securities).

50

Except as set forth in the following paragraph of this Section 7.6, the Company and the Depositary agree that the federal or state courts in The City of New York shall have jurisdiction to hear and determine any suit, action or proceeding and to settle any dispute between them that may arise out of or in connection with this Deposit Agreement and, for such purposes, each irrevocably submits to the non-exclusive jurisdiction of such courts. The Company hereby irrevocably designates, appoints and empowers CT Corporation System Inc. (the "Agent") with offices currently at 111 Eighth Avenue, New York, New York 10011 as its authorized agent to receive and accept for and on its behalf, and on behalf of its properties, assets and revenues, service by mail of any and all legal process, summons, notices and documents that may be served in any suit, action or proceeding brought against the Company in any federal or state court as described in the preceding sentence or in the next paragraph of this Section 7.6. If for any reason the Agent shall cease to be available to act as such, the Company agrees to designate a new agent in New York on the terms and for the purposes of this Section 7.6 reasonably satisfactory to the Depositary. The Company further hereby irrevocably consents and agrees to the service of any and all legal process, summons, notices and documents in any suit, action or proceeding against the Company, by service by mail of a copy thereof upon the Agent (whether or not the appointment of such Agent shall for any reason prove to be ineffective or such Agent shall fail to accept or acknowledge such service), with a copy mailed to the Company by registered or certified air mail, postage prepaid, to its address provided in Section 7.5 hereof. The Company agrees that the failure of the Agent to give any notice of such service to it shall not impair or affect in any way the validity of such service or any judgment rendered in any action or proceeding based thereon.

Notwithstanding the foregoing, the Depositary and the Company unconditionally agree that in the event that a Holder or Beneficial Owner brings a suit, action or proceeding against (a) the Company, (b) the Depositary in its capacity as Depositary under this Deposit Agreement or (c) against both the Company and the Depositary, in any such case, in any state or federal court of the United States, and the Depositary or the Company have any claim, for indemnification or otherwise, against each other arising out of the subject matter of such suit, action or proceeding, then the Company and the Depositary may pursue such claim against each other in the state or federal court in the United States in which such suit, action, or proceeding is pending and, for such purposes, the Company and the Depositary irrevocably submit to the non-exclusive jurisdiction of such courts. The Company agrees that service of process upon the Agent in the manner set forth in the preceding paragraph shall be effective service upon it for any suit, action or proceeding brought against it as described in this paragraph.

The Company irrevocably and unconditionally waives, to the fullest extent permitted by law, any objection that it may now or hereafter have to the laying of venue of any actions, suits or proceedings brought in any court as provided in this Section 7.6, and hereby further irrevocably and unconditionally waives and agrees not to plead or claim in any such court that any such action, suit or proceeding brought in any such court has been brought in an inconvenient forum.

The Company irrevocably and unconditionally waives, to the fullest extent permitted by law, and agrees not to plead or claim, any right of immunity from legal action, suit or proceeding, from set off or counterclaim,

5.4 hereof, this Deposit Agreement may not be assigned by either the Company or the Depositary.

Section 7.8 Compliance with U.S. Securities Laws. -----

Notwithstanding anything in this Deposit Agreement to the contrary, the withdrawal or delivery of Deposited Securities will not be suspended by the Company or the Depositary except as would be permitted by Instruction I.A.(1) of the General Instructions to Form F-6 Registration Statement, as amended from time to time, under the Securities Act.

(2) Surrender of Receipts and Withdrawal of Deposited Securities

(a) ROC Requirements. The Depositary and the Company have been

advised that under ROC law, as in effect as of the date hereof, a Holder wishing to withdraw Deposited Securities from the ADR facility is required to appoint an

55

eligible agent in the Republic of China to open a securities trading account with a local brokerage firm after receiving an approval from the TSE and a bank account (the securities trading account and the bank account, collectively, the "Accounts"), to pay ROC taxes, remit funds, exercise stockholders' rights and perform such other functions as may be designated by such withdrawing Holder. In addition, such withdrawing Holder is also required to appoint a custodian bank to hold the securities in safekeeping, make confirmations and settle trades and report all relevant information. Without making such appointment and the opening of such Accounts, the withdrawing Holder would be unable to hold or subsequently sell the Deposited Securities withdrawn from the ADR Facilities on the TSE or otherwise. The laws of the Republic of China applicable to the withdrawal of Deposited Securities may change from time to time. There can be no assurance that current law will remain in effect or that future changes of Republic of China law will not adversely affect the ability of Holders to withdraw Deposited Securities hereunder.

(b) Sale of Deposited Securities. Upon surrender of Receipts

at the Principal Office and upon payment of any fees, reasonable expenses, taxes or other governmental charges as provided hereunder, subject to the terms of this Deposit Agreement and the Company's Articles of Incorporation, and the transfer restrictions applicable to the Deposited Securities, if any, Holders may request that the Deposited Securities represented by such Holders' Receipts be sold on such Holder's behalf. Any Holder requesting a sale of Deposited Securities may be required by the Depositary to deliver, or cause to be delivered, to the Depositary a written order requesting the Depositary to sell, or cause to be sold, such Deposited Securities. Any such sale of Deposited Securities will be conducted in accordance with applicable ROC law through a securities company in the ROC on the TSE or in such other manner as is or may be permitted under applicable ROC law. Any such sale of Deposited Securities will be at the expense and risk of the Holder requesting such sale. Any Holder requesting the Depositary to sell the Deposited Securities represented by such Holder's ADSs may be required to enter into a separate agreement to cover the terms of the sale of such Deposited Securities.

Upon receipt of any proceeds from any such sale, the Depositary shall, subject to any restrictions imposed by ROC law and regulations, and as provided hereunder and under the Deposit Agreement, convert or cause to be converted any such proceeds into U.S. dollars and distribute any such proceeds to the Holders entitled thereto after deduction or payment of any fees, reasonable expenses, taxes or governmental charges (including, without limitation, any ROC and U.S. taxes) incurred in connection with such sale, as provided under the Deposit Agreement. Any such sale may be subject to ROC taxation on capital gains, if any, and will be subject to a securities transaction tax in the ROC. The ROC does not, as of the date hereof, impose tax on capital gains arising from ROC securities transactions, but there can be no assurance that a capital gains tax on ROC securities transactions will not be imposed in the future or as to the manner in which any ROC capital gains tax in respect of a sale of Deposited Securities would be imposed or calculated.

(c) Withdrawal of Deposited Securities. The Holder of ADSs

shall be entitled to Delivery (at the Custodian's designated office) of the

56

Deposited Securities at the time represented by the ADS(s) upon satisfaction of each of the following conditions: (i) the Holder (or a duly authorized attorney of the Holder) has duly Delivered ADSs to the Depositary at its Principal Office (and if applicable, the Receipts evidencing such ADSs) for the purpose of withdrawal of the Deposited Securities represented thereby, (ii) if so required by the Depositary, the Receipts Delivered to the Depositary for such purpose have been properly endorsed in blank or are accompanied by proper instruments of transfer in blank (including signature guarantees in accordance with standard securities industry practice), (iii) if so required by the Depositary, the Holder of the ADSs has executed and delivered to the Depositary a written order directing the Depositary to cause the Deposited Securities being withdrawn to be Delivered to or upon the written order of the person(s) designated in such order, (iv) the Holder has delivered to the Depositary the certification contemplated in Exhibit C to the Deposit Agreement, duly completed by or on

behalf of the Beneficial Owner(s) of the ADSs surrendered for withdrawal (unless the Depositary is otherwise instructed by the Company), and (v) all applicable fees and charges of, and reasonable expenses incurred by, the Depositary and all applicable taxes and governmental charges (as are set forth in Section 5.9 of, and Exhibit B to, the Deposit Agreement) have been paid, subject, however, in

each case, to the terms and conditions of the Receipts evidencing the surrendered ADSs, of the Deposit Agreement, of the Company's Articles of Incorporation and of any applicable laws and regulations of the Republic of China and the United States and the rules of the Taiwan Securities Central Depositary, and to any provisions of or governing the Deposited Securities, in each case as in effect at the time thereof.

Upon satisfaction of each of the conditions specified above, the Depositary (i) shall cancel the ADSs Delivered to it (and, if applicable, the Receipts evidencing the ADSs so Delivered), (ii) shall direct the Registrar to record the cancellation of the ADSs so Delivered on the books maintained for such purpose, and (iii) shall direct the Custodian to Deliver (without unreasonable delay) at the Custodian's designated office the Deposited Securities represented by the ADSs so canceled together with any certificate or other document of title for the Deposited Securities, or evidence of the electronic transfer thereof (if available), as the case may be, to or upon the written order of the person(s) designated in the order delivered to the Depositary for such purpose, subject however, in each case, to the terms and conditions of the Deposit Agreement, of the Receipts evidencing the ADSs so canceled, of the Articles of Incorporation of the Company, of applicable laws and regulations of the Republic of China and of the United States and of the rules of the Taiwan Securities Central Depositary, and to the terms and conditions of or governing the Deposited Securities, in each case as in effect at the time thereof.

The Depositary shall not accept for surrender ADSs representing less than a whole number of Eligible Securities. In the case of the Delivery to it of ADSs representing a number other than a whole number of Eligible Securities, the Depositary shall cause ownership of the appropriate whole number of Eligible Securities to be Delivered in accordance with the terms

hereof, and shall, at the discretion of the Depositary, either (i) return to the person surrendering such ADSs the number of ADSs representing any remaining fractional Eligible Security, or (ii) sell or cause to be sold the fractional Eligible Security represented by the ADS(s) so surrendered and remit the

57

proceeds of such sale (net of (a) applicable fees and charges of, and expenses incurred by, the Depositary and (b) taxes withheld) to the person surrendering the ADSs. In addition, trading restrictions on the TSE may result in the price per Eligible Security or on any lot of any type of Eligible Security other than an integral multiple of 1,000 Eligible Securities being lower than the price of Eligible Securities in lots of integral multiples of 1,000 Eligible Securities.

Notwithstanding anything else contained in any Receipt or the Deposit Agreement, the Depositary may make delivery at the Principal Office of the Depositary of (i) any cash dividends or cash distributions, or (ii) any proceeds from the sale of any distributions of Securities or rights, which are at the time held by the Depositary in respect of the Deposited Securities represented by the ADSs surrendered for cancellation and withdrawal. At the request, risk and expense of any Holder so surrendering ADSs, and for the account of such Holder, the Depositary shall direct the Custodian to forward (to the extent permitted by law) any cash or other property (other than securities) held by the Custodian in respect of the Deposited Securities represented by such ADSs to the Depositary for delivery at the Principal Office of the Depositary. Such direction shall be given by letter or, at the request, risk and expense of such Holder, by cable, telex or facsimile transmission.

(3) Transfer, Combination and Split-Up of Receipts. The

Registrar shall promptly register the transfer of this Receipt (and of the ADSs represented thereby) on the transfer books maintained for such purpose and the Depositary shall promptly cancel this Receipt and execute new Receipts evidencing the same aggregate number and type of ADSs as those evidenced by this Receipt when canceled, shall cause the Registrar to countersign such new Receipts, and shall promptly Deliver such new Receipts to or upon the order of the person entitled thereto, if each of the following conditions has been satisfied: (i) this Receipt has been duly Delivered by the Holder (or by a duly authorized attorney of the Holder) to the Depositary at its Principal Office for the purpose of effecting a transfer thereof, (ii) this Receipt has been properly endorsed or is accompanied by proper instruments of transfer (including signature guarantees in accordance with standard securities industry practice), (iii) this Receipt has been duly stamped (if required by the laws of the State of New York or of the United States), and (iv) all applicable fees and charges of, and reasonable expenses incurred by, the Depositary and all applicable taxes and governmental charges (as are set forth in Section 5.9 of, and Exhibit B to, the Deposit Agreement) have been paid, subject, however, in each case, to the terms and conditions of this Receipt, of the Deposit Agreement and of applicable law, in each case as in effect at the time thereof.

The Registrar shall register the split-up or combination of this Receipt (and of the ADSs represented hereby) on the books maintained for such purpose and the Depositary shall cancel this Receipt and execute new Receipts for the number of ADSs requested, but in the aggregate not exceeding the number of the same type of ADSs evidenced by this Receipt (when canceled), shall cause the Registrar to countersign such new Receipts, and shall Deliver such new Receipts to or upon the order of the Holder thereof, if each of the following conditions has been satisfied: (i) this Receipt has been duly

Delivered by the Holder (or by a duly authorized attorney of the Holder) to the Depositary at its Principal Office for the purpose of effecting a split-up or combination hereof, and (ii) all applicable fees and charges of, and reasonable expenses incurred by, the Depositary and all applicable taxes and government charges (as are set forth in Section 5.9 of, and Exhibit B to, the Deposit

Agreement) have been paid, subject, however, in each case, to the terms and conditions of this Receipt, of the Deposit Agreement and of applicable law, in each case as in effect at the time thereof.

(4) Pre-Conditions to Registration, Transfer, Etc. As a

condition precedent to the execution and delivery, registration of transfer, split-up, combination or surrender of any Receipt, the delivery of any distribution thereon, or the withdrawal of any Deposited Securities, the Depositary or the Custodian may require (i) payment from the depositor of Eligible Securities or presenter of ADSs or of a Receipt of a sum sufficient to reimburse it for any tax or other governmental charges and any stock transfer or registration fee with respect thereto (including any such tax or charge and fee with respect to Eligible Securities being deposited or withdrawn) and payment of any applicable fees and charges of the Depositary as provided in the Deposit Agreement and in this Receipt, (ii) the production of proof satisfactory to it as to the identity and genuineness of any signature or any other matters contemplated in the Deposit Agreement, and (iii) compliance with (A) any laws or governmental regulations relating to the execution and delivery of Receipts or ADSs or to the withdrawal of Deposited Securities and (B) such reasonable regulations as the Depositary or the Company may establish consistent with the provisions of this Receipt and the Deposit Agreement and applicable law.

The issuance of ADSs against deposits of Eligible Securities generally or against deposits of particular Eligible Securities may be suspended, or the deposit of particular Eligible Securities may be refused, or the registration of transfer of Receipts in particular instances may be refused, or the registration of transfer of outstanding Receipts generally may be suspended, during any period when the transfer books of the Company, the Depositary, a Registrar or the Eligible Securities Registrar are closed or if any such action is deemed necessary or advisable by the Depositary or the Company, in good faith, at any time or from time to time because of any requirement of law, any government or governmental body or commission or any securities exchange upon which the Eligible Securities or ADSs are listed, or under any provision of the Deposit Agreement or this Receipt, or under any provision of, or governing, the Deposited Securities, or because of a meeting of shareholders of the Company or for any other reason, subject in all cases to Article (24) hereof. Notwithstanding any provision of the Deposit Agreement or this Receipt to the contrary, Holders are entitled to surrender outstanding ADSs to withdraw the Deposited Securities at any time subject only to (i) Temporary delays caused by closing the transfer books of the Depositary or the Company or the deposit of Eligible Securities in connection with voting at a shareholders' meeting or the payment of dividends, (ii) the payment of fees, taxes and similar charges, (iii) compliance with any U.S. or foreign laws or governmental regulations relating to the Receipts or to the withdrawal of the Deposited Securities, and (iv) other circumstances specifically contemplated by Section I.A.(1) of the General Instructions to Form F-6 (as such General Instructions may be amended from time to time).

(5) Compliance With Information Requests. Notwithstanding any

other provision of the Deposit Agreement or this Receipt, each Holder and Beneficial Owner of the ADSs represented hereby agrees to comply with requests from the Company pursuant to applicable U.S. and Republic of China laws or regulations, the rules and requirements of the TSE, and of any stock exchange on which Eligible Securities or ADSs are, or will be, registered, traded or listed, or the Articles of Incorporation of the Company, which are made to provide information, inter alia, as to the capacity in which such Holder or Beneficial Owner owns ADSs (and Eligible Securities or Deposited Securities, as the case may be) and regarding the identity of any other person(s) interested in such ADSs and the nature of such interest and various other matters, whether or not they are Holders and/or Beneficial Owners at the time of such request.

(6) Ownership Restrictions. Notwithstanding any provision of

this Receipt or of the Deposit Agreement, the Company may restrict transfers of the Shares, Eligible Securities or securities convertible into Shares where the Company informs the Depositary that such transfer might result in ownership of Shares exceeding limits imposed by applicable law, the SFC, the TSE or Articles of Incorporation of the Company. The Company may also restrict, in such manner as it deems appropriate, transfers of ADSs where such transfer may result in the total number of Shares, Deposited Securities or securities convertible into Shares represented by the ADSs owned by a single Holder or Beneficial Owner to exceed any such limits. The Company may, in its sole discretion but subject to applicable law, instruct the Depositary to take action with respect to the ownership interest of any Holder or Beneficial Owner in excess of the limits set forth in the preceding sentence, including but not limited to, the imposition of restrictions on the transfer of ADSs, the removal or limitation of voting rights or the mandatory sale or disposition on behalf of a Holder or Beneficial Owner of the Deposited Securities represented by the ADSs held by such Holder or Beneficial Owner in excess of such limitations, if and to the extent such disposition is permitted by applicable law and the Articles of Incorporation of the Company.

(7) Liability of Holder for Taxes and Other Charges. If any

tax or other governmental charge shall become payable by the Depositary or the Custodian with respect to any Receipt or any Deposited Securities or ADSs, such tax or other governmental charge shall be payable by the Holders and Beneficial Owners to the Depositary. The Company, the Custodian and/or Depositary may withhold or deduct from any distributions made in respect of Deposited Securities and may sell for the account of a Holder and/or Beneficial Owner any or all of the Deposited Securities and apply such distributions and sale proceeds in payment of such taxes (including applicable interest and penalties) or charges, the Holder and the Beneficial Owner hereof remaining liable for any deficiency. The Custodian may refuse the deposit of Eligible Securities and the Depositary may refuse to issue ADSs, to deliver ADRs, register the transfer, split-up or combination of ADRs and (subject to Article (24) hereof) the withdrawal of Deposited Securities until payment in full of such tax, charge, penalty or interest is received. Every Holder and Beneficial Owner agrees to indemnify the Depositary, the Company, the Custodian, and any of their agents, employees and Affiliates for, and hold each of them harmless from, any claims

with respect to taxes (including applicable interest and penalties thereon) arising from any tax benefit obtained for such Holder and/or Beneficial Owner.

(8) Representations and Warranties of Depositors. Each person

depositing Eligible Securities under the Deposit Agreement shall be deemed thereby to represent and warrant that (i) such Eligible Securities and the certificates therefor are duly authorized, validly issued, fully paid, non-assessable and legally obtained by such person, (ii) all preemptive (and similar) rights, if any, with respect to such Eligible Securities have been validly waived or exercised, (iii) the person making such deposit is duly authorized so to do, (iv) the Eligible Securities presented for deposit are free and clear of any lien, encumbrance, security interest, charge, mortgage or adverse claim and are not, and the ADSs issuable upon such deposit will not be, Restricted Securities, and (v) the Eligible Securities presented for deposit have not been stripped of any rights or entitlements. Such representations and warranties shall survive the deposit and withdrawal of Eligible Securities, the issuance and cancellation of ADSs in respect thereof and the transfer of such ADSs.

If any such representations or warranties are false in any way, the Company and Depositary shall be authorized, at the cost and expense of the person depositing Eligible Securities, to take any and all actions necessary to correct the consequences thereof.

(9) Filing Proofs, Certificates and Other Information. Any

person presenting Eligible Securities for deposit, and any Holder and any Beneficial Owner may be required, and every Holder and Beneficial Owner agrees, from time to time to provide to the Depositary and the Custodian such proof of citizenship or residence, taxpayer status, payment of all applicable taxes or other governmental charges, exchange control approval, legal or beneficial ownership of ADSs and Deposited Securities, compliance with applicable laws and the terms of the Deposit Agreement and the provisions of, or governing, the Deposited Securities, to execute such certifications and to make such representations and warranties, and to provide such other information and documentation (or, in the case of Eligible Securities in registered form presented for deposit, such information relating to the registration of Eligible Securities on the books of the Eligible Securities Registrar) as the Depositary or the Custodian may deem necessary or proper or as the Company may reasonably require by written request to the Depositary consistent with its obligations under the Deposit Agreement and this Receipt. The Depositary and the Registrar, as applicable, may, and at the reasonable written request of the Company shall, withhold the execution or delivery or registration of transfer of any Receipt or the distribution or sale of any dividend or other distribution of rights or of the proceeds thereof or, to the extent not limited by Article (24) hereof, the delivery of any Deposited Securities, or may refuse to adjust its records, until such proof or other information is filed or such certificates are executed, or such representations are made or such information and documentation are provided, in each case to the Depositary's, the Registrar's and the Company's satisfaction.

(10) Charges of Depositary. The Depositary shall charge the

following fees for the services performed under the terms of the Deposit Agreement:

- (i) to any person to whom ADSs are issued upon the deposit of Eligible Securities, a fee not in excess of U.S. \$ 5.00 per 100 ADSs (or portion thereof) so issued under the terms of the Deposit Agreement (excluding issuances pursuant to paragraphs (iii) and (iv) below);

every successive Holder of this Receipt by accepting or holding the same consents and agrees, that title to this Receipt (and to each ADS evidenced hereby) shall be transferable upon the same terms as a certificated security under the laws of the State of New York, provided that the Receipt has been properly endorsed or is accompanied by proper instruments of transfer. Notwithstanding any notice to the contrary, the Depositary and the Company may deem and treat the Holder of this Receipt (that is, the person in whose name this Receipt is registered on the books of the Depositary) as the absolute owner thereof for all purposes. Neither the Depositary nor the Company shall have any obligation nor be subject to any liability under the Deposit Agreement or this Receipt to any holder of this Receipt or any Beneficial Owner unless such holder is the Holder of this Receipt registered on the books of the Depositary or, in the case of a Beneficial Owner, such Beneficial Owner or the Beneficial Owner's representative is the Holder registered on the books of the Depositary.

- (12) Validity of Receipt. This Receipt (and the ADSs

represented hereby) shall not be entitled to any benefits under the Deposit Agreement or be valid or enforceable for any purpose against the Depositary or the Company unless this Receipt has been (i) dated, (ii) signed by the manual or facsimile signature of a duly authorized signatory of the Depositary, (iii) countersigned by the manual or facsimile signature of a duly authorized signatory of the Registrar, and (iv) registered in the books maintained by the Registrar for the registration of issuances and transfers of Receipts. Receipts bearing the facsimile signature of a duly-authorized signatory of the Depositary or the Registrar, who at the time of signature was a duly authorized signatory of the Depositary or the Registrar, as the case may be, shall bind the Depositary, notwithstanding the fact that such signatory has ceased to be so authorized prior to the delivery of such Receipt by the Depositary.

The Depositary shall make available for inspection by Holders at its Principal Office any reports and communications, including any proxy soliciting materials, received from the Company which are both (a) received by the Depositary, the Custodian, or the nominee of either of them as the holder of the Deposited Securities and (b) made generally available to the holders of such Deposited Securities by the Company.

The Registrar shall keep books for the registration of issuances and transfers of Receipts which at all reasonable times shall be open for inspection by the Company and by the Holders of such Receipts, provided that such inspection shall not be, to the Registrar's knowledge, for the purpose of communicating with Holders of such Receipts in the interest of a business or object other than the business of the Company or other than a matter related to the Deposit Agreement or the Receipts.

The Registrar may close the transfer books with respect to the Receipts, at any time or from time to time, when deemed necessary or advisable by it in good faith in connection with the performance of its duties hereunder, or at the reasonable written request of the Company subject, in all cases, to Article (24) hereof.

OF THE DEPOSIT AGREEMENT

(14) Dividends and Distributions in Cash, Eligible Securities,

etc. Subject always to the laws and regulations of the Republic of China,

whenever the Depositary receives confirmation from the Custodian of receipt of any cash dividend or other cash distribution on any Deposited Securities, or receives proceeds from the sale of any Deposited Securities, rights securities or any entitlements held in respect of Deposited Securities under the Deposit Agreement, the Depositary will (i) if at the time of receipt thereof any amounts

Edgar Filing: ADVANCED SEMICONDUCTOR ENGINEERING INC - Form F-6

received in a Foreign Currency can, in the judgment of the Depositary (upon the terms of the Deposit Agreement), be converted on a practicable basis into Dollars transferable to the United States, promptly convert or cause to be converted such cash dividend, distribution or proceeds into Dollars (upon the terms of the Deposit Agreement), (ii) if applicable, establish the ADS Record Date upon the terms described in Article (16) hereof and in Section 4.9 of the Deposit Agreement, and (iii) will distribute promptly the amount thus received (net of (a) applicable fees and charges of, and reasonable expenses incurred by, the Depositary and (b) taxes withheld) to the Holders entitled thereto as of the ADS Record Date (if applicable) in proportion to the number of ADS representing such Deposited Securities held as of the ADS Record Date (if applicable). The Depositary shall distribute only such amount, however, as can be distributed without attributing to any Holder a fraction of one cent, and any balance not so distributed shall be held by the Depositary (without liability for interest thereon) and shall be added to and become part of the next sum received by the Depositary for distribution to Holders of ADSs then outstanding at the time of the next distribution. If the Company, the Custodian or the Depositary is required to withhold and does withhold from any cash dividend or other cash distribution in respect of any Deposited Securities an amount on account of taxes, duties or other governmental charges, the amount distributed to Holders on the ADSs representing such Deposited Securities shall be reduced accordingly. Such withheld amounts shall be forwarded by the Company to the relevant governmental authority.

If any distribution upon any Deposited Securities consists of a dividend in, or free distribution of, Eligible Securities, the Company shall or cause such Eligible Securities to be deposited with the Custodian and registered, as the case may be, in the name of the Depositary, the Custodian or their respective nominees. Upon receipt of confirmation of such deposit from the Custodian, the Depositary shall, subject to and in accordance with the Deposit Agreement and the laws and regulations of the Republic of China, establish the ADS Record Date and either (i) the Depositary shall distribute to the Holders as of the ADS Record Date in proportion to the number of ADSs held as of the ADS Record Date, additional ADSs (or the applicable series), which represent in aggregate the number of Eligible Securities received as such dividend, or free distribution, subject, however, in each case, to the terms of the Deposit

65

Agreement (including, without limitation, the limitations set forth on the face of this Receipt and in Article II of the Deposit Agreement and (a) the applicable fees and charges of, and reasonable expenses incurred by, the Depositary and (b) taxes), or (ii) if additional ADSs are not so distributed, each ADS issued and outstanding after the ADS Record Date shall, to the extent permissible by law, thenceforth also represent rights and interest in the additional integral number of Eligible Securities distributed upon the Deposited Securities represented thereby (subject, however, in each case, to the laws and regulations of the Republic of China and net (a) of the applicable fees and charges of, and the reasonable expenses incurred by, the Depositary, and (b) taxes). In lieu of delivering fractional ADSs, the Depositary shall sell the number of Eligible Securities or ADSs, as the case may be, represented by the aggregate of such fractions and distribute the net proceeds upon the terms set forth in the Deposit Agreement.

In the event that (x) the Depositary determines that any distribution in property (including Eligible Securities) is subject to any tax or other governmental charges which the Depositary is obligated to withhold, or (y) if the Company in the fulfillment of its obligations under the Deposit

Edgar Filing: ADVANCED SEMICONDUCTOR ENGINEERING INC - Form F-6

Agreement, has furnished an opinion of U.S. counsel determining that Eligible Securities must be registered under the Securities Act or other laws in order to be distributed to Holders (and no such registration statement has been declared effective) or (z) the deposit of Eligible Securities is not permitted under the laws or regulations of the Republic of China, the Depositary may dispose of all or a portion of such property (including Eligible Securities and rights to subscribe therefor) in such amounts and in such manner, including by public or private sale, as the Depositary deems necessary and practicable and the Depositary shall distribute the net proceeds of any such sale (after deduction of (a) taxes and fees and (b) charges of, and reasonable expenses incurred by, the Depositary) to Holders entitled thereto upon the terms of the Deposit Agreement. The Depositary shall hold and/or distribute any unsold balance of such property in accordance with the provisions of the Deposit Agreement.

Upon timely receipt of a notice indicating that the Company wishes an elective distribution to be made available to Holders upon the terms described in the Deposit Agreement, the Company and the Depositary shall determine whether such distribution is lawful and reasonably practicable. If so, the Depositary shall, subject to the terms and conditions of the Deposit Agreement, establish an ADS record date according to Article (16) hereof and establish procedures to enable the Holder hereof to elect to receive the proposed distribution in cash or in additional ADSs. If a Holder elects to receive the distribution in cash, the dividend shall be distributed as in the case of a distribution in cash. If the Holder hereof elects to receive the distribution in additional ADSs, the distribution shall be distributed as in the case of a distribution in Eligible Securities. If such elective distribution is not lawful or not reasonably practicable, the Depositary shall, to the extent permitted by law, distribute to Holders, on the basis of the same determination as is made in the Republic of China in respect of the Deposited Securities for which no election is made, either (x) cash or (y) additional ADSs representing such additional Eligible Securities, in each case, upon the terms described in the Deposit Agreement. Nothing herein or in the Deposit Agreement shall obligate the Depositary to make available to the Holder hereof a method to receive the

66

elective distribution in Eligible Securities (rather than ADSs). There can be no assurance that the Holder hereof will be given the opportunity to receive elective distributions on the same terms and conditions as the holders of Deposited Securities.

Upon timely receipt by the Depositary of a notice indicating that the Company wishes rights to subscribe for additional Eligible Securities to be made available to Holders of ADSs, the Depositary upon consultation with the Company, shall determine, whether it is lawful and reasonably practicable to make such rights available to the Holders. The Depositary shall make such rights available to any Holders only if (i) the Company shall have timely requested that such rights be made available to Holders, (ii) the Depositary shall have received the documentation contemplated in the Deposit Agreement, and (iii) the Depositary shall have determined that such distribution of rights is reasonably practicable. If such conditions are not satisfied, the Depositary shall sell the rights as described below. In the event all conditions set forth above are satisfied, the Depositary shall establish an ADS Record Date (upon the terms described in the Deposit Agreement) and establish procedures (x) to distribute rights to purchase additional ADSs (by means of warrants or otherwise), (y) to enable the Holders to exercise the rights (upon payment of the subscription price and of the applicable (a) fees and charges of, and reasonable expenses incurred by, the Depositary and (b) taxes), and (z) to deliver ADSs upon the

valid exercise of such rights. Nothing herein or in the Deposit Agreement shall obligate the Depositary to make available to the Holders a method to exercise rights to subscribe for Eligible Securities (rather than ADSs). If (i) the Company does not timely request the Depositary to make the rights available to Holders or if the Company requests that the rights not be made available to Holders, (ii) the Depositary fails to receive the documentation required by the Deposit Agreement or determines it is not reasonably practicable to make the rights available to Holders, or (iii) any rights made available are not exercised and appear to be about to lapse, the Depositary shall determine whether it is lawful and reasonably practicable to sell such rights, in a riskless principal capacity, at such place and upon such terms (including public and private sale) as it may deem proper. The Depositary shall, upon such sale, convert and distribute proceeds of such sale (net of applicable fees and charges of, and reasonable expenses incurred by, the Depositary and taxes) upon the terms hereof and of the Deposit Agreement. If the Depositary is unable to make any rights available to Holders or to arrange for the sale of the rights upon the terms described above, the Depositary shall allow such rights to lapse. The Depositary shall not be responsible for (i) any failure to determine that it may be lawful or feasible to make such rights available to Holders in general or any Holders in particular, (ii) any foreign exchange exposure or loss incurred in connection with such sale or exercise, or (iii) the content of any materials forwarded to the ADR Holders on behalf of the Company in connection with the rights distribution.

Notwithstanding anything herein or in the Deposit Agreement to the contrary, if registration (under the Securities Act or any other applicable law) of the rights or the securities to which any rights relate may be required in order for the Company to offer such rights or such securities to Holders and to sell the securities represented by such rights, the Depositary will not distribute such rights to the Holders (i) unless and until a registration

67

statement under the Securities Act (or other applicable law) covering such offering is in effect or (ii) unless the Company furnishes the Depositary with opinions of counsel for the Company in the United States and counsel to the Company in any other applicable country in which rights would be distributed, in each case satisfactory to the Depositary, to the effect that the offering and sale of such securities to Holders and Beneficial Owners are exempt from, or do not require registration under, the provisions of the Securities Act or any other applicable laws. In the event that the Company, the Depositary or the Custodian shall be required to withhold and does withhold from any distribution of property (including rights) an amount on account of taxes or other governmental charges, the amount distributed to the Holders of ADSs representing such Deposited Securities shall be reduced accordingly. In the event that the Depositary determines that any distribution in property (including Eligible Securities and rights to subscribe therefor) is subject to any tax or other governmental charges which the Depositary is obligated to withhold, the Depositary may dispose of all or a portion of such property (including Eligible Securities and rights to subscribe therefor) in such amounts and in such manner, including by public or private sale, as the Depositary deems necessary and practicable to pay any such taxes or charges.

There can be no assurance that Holders generally, or any Holder in particular, will be given the opportunity to exercise rights on the same terms and conditions as the holders of Eligible Securities or to exercise such rights. Nothing herein or in the Deposit Agreement shall obligate the Company to file any registration statement in respect of any rights or Eligible

Edgar Filing: ADVANCED SEMICONDUCTOR ENGINEERING INC - Form F-6

Securities or other securities to be acquired upon the exercise of such rights.

Upon receipt of a notice indicating that the Company wishes property other than cash, Eligible Securities or rights to purchase additional Eligible Securities, to be made to Holders of ADSs, the Depositary shall determine whether such distribution to Holders is lawful and reasonably practicable. The Depositary shall not make such distribution unless (i) the Company shall have requested the Depositary to make such distribution to Holders, (ii) the Depositary shall have received the documentation contemplated in the Deposit Agreement, and (iii) the Depositary shall have determined that such distribution is lawful and reasonably practicable. Upon satisfaction of such conditions, the Depositary shall distribute the property so received to the Holders of record, as of the ADS Record Date, in proportion to the number of ADSs held by them respectively and in such manner as the Depositary may deem practicable for accomplishing such distribution (i) upon receipt of payment or net of the applicable fees and charges of, and reasonable expenses incurred by, the Depositary, and (ii) net of any taxes withheld. The Depositary may dispose of all or a portion of the property so distributed and deposited, in such amounts and in such manner (including public or private sale) as the Depositary may deem practicable or necessary to satisfy any taxes (including applicable interest and penalties) or other governmental charges applicable to the distribution.

If the conditions above are not satisfied, the Depositary shall sell or cause such property to be sold in a public or private sale, at such place or places and upon such terms as it may deem proper and shall (i) cause the proceeds of such sale, if any, to be converted into Dollars and (ii) distribute the proceeds of such conversion received by the Depositary (net of

68

(a) applicable fees and charges of, and reasonable expenses incurred by, the Depositary and (b) taxes) to the Holders upon the terms hereof and of the Deposit Agreement. If the Depositary is unable to sell such property, the Depositary may dispose of such property in any way it deems reasonably practicable under the circumstances.

(15) Redemption. Subject always to the laws and regulations of

the Republic of China, upon timely receipt of notice from the Company that it intends to exercise its right of redemption in respect of any of the Deposited Securities, and a satisfactory opinion of counsel, and upon determining that such proposed redemption is practicable, the Depositary shall (to the extent practicable) deliver to each Holder a notice setting forth the Company's intention to exercise the redemption rights and any other particulars set forth in the Company's notice to the Depositary. Upon receipt of confirmation that the redemption has taken place and that funds representing the redemption price have been received, the Depositary shall convert, transfer, distribute the proceeds (net of applicable (a) fees and charges of, and reasonable expenses incurred by, the Depositary, and (b) taxes), retire ADSs and cancel ADRs upon delivery of such ADSs by Holders thereof upon the terms of the Deposit Agreement. If less than all outstanding Deposited Securities are redeemed, the ADSs to be retired will be selected by lot or on a pro rata basis, as may be determined by the Depositary. The redemption price per ADS shall be the dollar equivalent of per-Deposited Security amount received by the Depositary upon the redemption of the Deposited Securities represented by American Depositary Shares (subject to the terms of the Deposit Agreement and the applicable fees and charges of, and reasonable expenses incurred by, the Depositary, and taxes) multiplied by the

Edgar Filing: ADVANCED SEMICONDUCTOR ENGINEERING INC - Form F-6

number of Units or Deposited Securities represented by each ADS redeemed.

(16) Fixing of ADS Record Date. Whenever the Depositary shall

receive notice of the fixing of a record date by the Company for the determination of holders of Deposited Securities entitled to receive any distribution (whether in cash, Eligible Securities, rights or other distribution), or whenever for any reason the Depositary causes a change in the number of Deposited Securities that are represented by each ADS, or whenever the Depositary shall receive notice of any meeting of, or solicitation of consents or proxies of, holders of Deposited Securities, or whenever the Depositary shall find it necessary or convenient in connection with the giving of any notice, or any other matter, the Depositary shall fix a record date ("ADS Record Date") for the determination of the Holders of Receipts who shall be entitled to receive such distribution, to give instructions for the exercise of voting rights at any such meeting, or to give or withhold such consent, or to receive such notice or solicitation or to otherwise take action, or to exercise the rights of Holders with respect to such changed number of Deposited Securities represented by each ADS. Subject to applicable law and the terms and conditions of this Receipt and the Deposit Agreement, only the Holders of Receipts at the close of business in New York on such ADS Record Date shall be entitled to receive such distributions, to give such instructions, to receive such notice or solicitation, or otherwise take action.

69

(17) Voting of Deposited Securities. (a) Voting by

Shareholders. The following is a summary of certain rights of holders of Shares

to vote at shareholders' meetings under ROC Company Law and the Articles of Incorporation of the Company, in each case, as in effect on the date hereof: (i) a holder of Shares (including holders of interests in any Certificate of Payment evidencing the irrevocable right to receive Shares) is entitled to one vote for each Share held, except that the number of votes of a holder of more than 3% of the total outstanding Shares is discounted by the Company by a factor of 0.1% of that portion of the Shares held in excess of 3% (e.g., a holder of 10% of the total outstanding Shares would be permitted to exercise voting rights only with respect of a 9.93% of such Shares), (ii) the election of directors and supervisors takes place by means of cumulative voting, and (iii) a shareholder must, as to all matters subject to a vote of shareholders (other than the election of directors and supervisors), exercise the voting rights for all Shares held by such shareholder in the same manner (e.g., a holder of 1,000 Shares cannot split his/her votes but must vote all 1,000 Shares in the same manner except in the event of cumulative voting for an election of directors and supervisors). The voting rights attaching to the Deposited Securities must be exercised by, or on behalf of, the Depositary, as representative of the Holders, collectively in the same manner, including the election of directors and supervisors. Deposited Securities which have been withdrawn from the ADR Facilities and timely transferred on the Company's register of shareholders to a person other than the Depositary may be voted by the registered holder(s) thereof directly, subject, in each case, to the limitations of ROC law and the Articles of Incorporation of the Company. Holders may not receive sufficient advance notice of shareholders' meetings to enable them to timely withdraw the Deposited Securities and vote at such meetings and may not be able to re-deposit the withdrawn securities under the terms of the Deposit Agreement.

(b) Voting by ADS Holders. Holders of ADSs have no individual

voting rights with respect to the Deposited Securities represented by their ADSs. Each Holder shall be deemed, by acceptance of ADSs or acquisition of any beneficial interest therein, to have authorized and directed the Depositary, without liability, to appoint the Chairman of the Company (or his/her designate), as representative of the Depositary, the Custodian or the nominee who is registered in the ROC as representative of the Holders in respect of the Deposited Securities (the "Registered Holder"), to vote the Deposited Securities in accordance with the terms hereof.

The Company agrees to timely notify the Depositary of any proposed shareholders' meeting and to timely provide to the Depositary in New York sufficient copies as the Depositary may reasonably request of English language translations of the Company's notice of shareholders' meeting and the agenda of the materials to be voted on (in the form the Company generally makes available to holders of Eligible Securities in the ROC), including, without limitation, a list of candidates proposed by the Company for an election of directors or supervisors (such materials collectively, the "Shareholder Notice"). As soon as practicable after receipt by the Depositary of the requisite number of Shareholder Notices, the Depositary shall establish the ADS Record Date (upon the terms of Article (16) hereof and Section 4.9 of the Deposit Agreement) and shall, at the Company's expense and provided no U.S.

70

legal prohibitions exist, deliver to Holders as of the applicable ADS Record Date, (i) the Shareholder Notice, (ii) a depositary notice setting forth the manner in which Holders of ADSs may instruct the Depositary to cause the Deposited Securities represented by their ADSs to be voted under the terms of this Deposit Agreement including, a description of the Management Proxy (as defined below), together with a form of voting instructions and/or other means to provide voting instructions (the depositary notice and the related materials prepared by the Depositary collectively, the "Depositary Notice"). The Depositary is under no obligation to mail the Shareholder Notice and the Depositary Notice to Holders if the Company has failed to provide to the Depositary in New York the requisite number of Shareholder Notices at least 24 calendar days prior to the date of any shareholders' meeting. If the Depositary has not delivered the Shareholder Notice or Depositary Notice to Holders, it will endeavor to cause all Deposited Securities represented by ADRs to be present at the relevant Shareholders' meeting insofar as practicable and permitted under applicable law but will not cause the Deposited Securities to be voted; provided, however, that the Depositary may determine, at its sole

discretion, to send such Shareholder Notice and Depositary Notice to Holders and/or cause the Deposited Securities to be voted as it deems appropriate. There can be no assurance that Holders generally or any Holder in particular will receive Shareholder Notices and Depositary Notices with sufficient time to enable the return of voting instructions to the Depositary in a timely manner.

Notwithstanding anything else contained in the Deposit Agreement, the Depositary shall not have any obligation to take any action with respect to any meeting, or solicitation of consents or proxies, of holders of Deposited Securities if the taking of such action would violate U.S. laws.

(c) Voting of Deposited Securities Upon ADS Holders'

Instructions. If Holders of ADSs together holding at least 51% of all the ADSs (including Temporary ADSs) outstanding as of the relevant ADS Record Date shall

Edgar Filing: ADVANCED SEMICONDUCTOR ENGINEERING INC - Form F-6

instruct the Depositary, prior to the date established for such purpose by the Depositary, to vote in the same manner in respect of one or more resolutions to be proposed at a shareholders' meeting (including resolutions for the election of directors and/or supervisors), the Depositary shall notify to the Chairman of the Company (or his/her designate) and appoint the Chairman of the Company (or his/her designate) as the representative of the Depositary and the Registered Holders to attend such shareholders' meeting and vote all Deposited Securities evidenced by ADSs then outstanding (including Temporary ADSs) in the manner so instructed by such Holders. If voting instructions are received by the Depositary on or before the date established by the Depositary for the receipt of such instructions from any Holder as of the ADS Record Date, which are signed but without further indication as to voting instructions, the Depositary shall deem such Holder to have instructed a vote in favor of the items set forth in such instructions. The Depositary and Custodian shall not have any obligation to monitor, and shall not incur any liability for, the actions, or the failure to act, of the Chairman of the Company (or his/her designate) as representative of the Registered Holder.

(d) Management Proxy. If, for any reason (other than a failure

by the Company to supply the requisite number of Shareholder Notices to the

71

Depositary within the requisite time period provided in the Deposit Agreement, the Depositary has not, prior to the date established for such purpose by the Depositary received instructions from Holders together holding at least 51% of all ADSs (including Temporary ADSs) outstanding at the relevant ADS Record Date, to vote in the same manner in respect of any resolution (including resolutions for the election of directors and/or supervisors), then, subject to the following paragraph, the Holders shall be deemed to have authorized and directed the Depositary to give a discretionary proxy (a "Management Proxy") to the Chairman of the Company (or his/her designate) as the representative of the Registered Holder to attend and vote at such meeting all the Deposited Securities represented by ADSs then outstanding (including Temporary ADSs) in his or her discretion. In such circumstances, the Chairman of the Company (or his or her designate) shall be free to exercise the votes attaching to the Deposited Securities in any manner he or she wishes, which may not be in the interests of the Holders.

The Depositary's grant of a Management Proxy in the manner and circumstances described in the preceding paragraph shall be subject to the receipt by the Depositary prior to each shareholders' meeting of an opinion of ROC counsel addressed to, and in form and substance satisfactory to, the Depositary. In the event the Depositary does not receive such opinion, the Depositary will not grant the Management Proxy but will cause the Deposited Securities to be present at the shareholders' meeting to the extent practicable and permitted by applicable law but will not cause the Deposited Securities to be voted or the Management Proxy to be granted.

The Depositary shall not, and the Depositary shall ensure that the Custodian and its nominees do not, vote or attempt to exercise the right to vote that attaches to the Shares or other Deposited Securities, other than in accordance with instructions given in accordance with Section 4.10 of the Deposit Agreement. The terms Section 4.10 of the Deposit Agreement may be amended from time to time in accordance with the terms of this Deposit Agreement. By continuing to hold ADSs after the effective time of such amendment all Holders and Beneficial Owners shall be deemed to have agreed to the terms of

Edgar Filing: ADVANCED SEMICONDUCTOR ENGINEERING INC - Form F-6

the Deposit Agreement as so amended.

(18) Changes Affecting Deposited Securities. Upon any change

in nominal or par value, split-up, cancellation, consolidation or any other reclassification of Deposited Securities, or upon any recapitalization, reorganization, merger or consolidation or sale of assets affecting the Company or to which it is a party, any securities which shall be received by the Depositary or the Custodian in exchange for, or in conversion of or replacement of or otherwise in respect of, such Deposited Securities shall, to the extent permitted by law, be treated as new Deposited Securities under the Deposit Agreement, and the Receipts shall, subject to the provisions of the Deposit Agreement and applicable law, evidence ADSs representing the right to receive such additional securities. The Depositary may, with the Company's approval, and shall, if the Company shall so request, subject to the terms of the Deposit Agreement and receipt of satisfactory documentation contemplated by the Deposit Agreement, execute and deliver additional Receipts as in the case of a dividend in Eligible Securities, or call for the surrender of outstanding Receipts to be exchanged for new Receipts, in either case, as well as in the event of newly

72

deposited Eligible Securities, with necessary modifications to the form of Receipt contained herein, specifically describing such new Deposited Securities or corporate change. Notwithstanding the foregoing, in the event that any security so received may not be lawfully distributed to some or all Holders, the Depositary may, with the Company's approval, and shall if the Company requests, subject to receipt of satisfactory legal documentation contemplated in the Deposit Agreement, sell such securities at public or private sale, at such place or places and upon such terms as it may deem proper and may allocate the net proceeds of such sales (net of (a) fees and charges of, and reasonable expenses incurred by, the Depositary and (b) taxes) for the account of the Holders otherwise entitled to such securities and distribute the net proceeds so allocated to the extent practicable as in the case of a distribution received in cash pursuant to the Deposit Agreement. The Depositary shall not be responsible for (i) any failure to determine that it may be lawful or feasible to make such securities available to Holders in general or any Holder in particular, (ii) any foreign exchange exposure or loss incurred in connection with such sale, or (iii) any liability to the purchaser of such securities.

(19) Exoneration. Neither the Depositary nor the Company shall

be obligated to do or perform any act which is inconsistent with the provisions of the Deposit Agreement or incur any liability (i) if the Depositary or the Company shall be prevented or forbidden from, or subjected to any civil or criminal penalty or restraint on account of, or delayed in, doing or performing any act or thing required by the terms of the Deposit Agreement and this Receipt, by reason of any provision of any present or future law or regulation of the United States, the Republic of China or any other country, or of any other governmental authority or regulatory authority or stock exchange, or by reason of any provision, present or future of the Articles of Incorporation of the Company or any provision of or governing any Deposited Securities, or by reason of any act of God or war or other circumstances beyond its control (including, without limitation, nationalization, expropriation, currency restrictions, work stoppage, strikes, civil unrest, revolutions, rebellions, explosions and computer failure), (ii) by reason of any exercise of, or failure to exercise, any discretion provided for in this Deposit Agreement or in the Articles of Incorporation of the Company or provisions of or governing Deposited

Securities, (iii) for any action or inaction in reliance upon the advice of or information from legal counsel, accountants, any person presenting Eligible Securities for deposit, any Holder, any Beneficial Owner or authorized representative thereof, or any other person believed by it in good faith to be competent to give such advice or information, (iv) for any inability by a Holder or Beneficial Owner to benefit from any distribution, offering, right or other benefit which is made available to holders of Deposited Securities but is not, under the terms of this Deposit Agreement, made available to Holders of ADS or (v) for any consequential or punitive damages for any breach of the terms of this Deposit Agreement. The Depositary, its controlling persons, its agents, any Custodian and the Company, its controlling persons and its agents may rely and shall be protected in acting upon any written notice, request or other document believed by it to be genuine and to have been signed or presented by the proper party or parties. No disclaimer of liability under the Securities Act is intended by any provision of the Deposit Agreement or this Receipt.

73

(20) Standard of Care. The Company and its agents assume no

obligation and shall not be subject to any liability under this Deposit Agreement or the Receipts to Holders or Beneficial Owners or other persons, except that the Company and its agents agree to perform their obligations specifically set forth in this Deposit Agreement without negligence or bad faith. The Depositary and its agents assume no obligation and shall not be subject to any liability under this Deposit Agreement or the Receipts to Holders or Beneficial Owners or other persons, except that the Depositary and its agents agree to perform their obligations specifically set forth in this Deposit Agreement without negligence or bad faith. The Depositary and the Company undertake to perform such duties and only such duties as are specifically set forth in the Deposit Agreement, and no implied covenants and obligations should be read into the Deposit Agreement or this Receipt against the Depositary or the Company or their respective agents. The Depositary and its agents shall not be liable for any failure to carry out any instructions to vote any of the Deposited Securities, or for the manner in which any vote is cast or the effect of any vote, provided that any such action or omission is in good faith and in accordance with the terms of this Deposit Agreement. The Depositary shall not incur any liability for any failure to determine that any distribution or action may be lawful or reasonably practicable, for the content of any information submitted to it by the Company for distribution to the Holders or for any inaccuracy of any translation thereof, for any investment risk associated with acquiring an interest in the Deposited Securities, for the validity or worth of the Deposited Securities or for any tax consequences that may result from the ownership of ADSs, Shares or Deposited Securities, for the credit-worthiness of any third party, for allowing any rights to lapse upon the terms of this Deposit Agreement, for the failure or timeliness of any notice from the Company or for the failure of the Company to exchange any Certificate of Payment into Shares. The Depositary shall not be obligated in any way to monitor or enforce the obligations of the Company, including, without limitation, in respect of any Certificate of Payment, the conversion of such Certificate of Payment into Shares.

(21) Resignation and Removal of the Depositary; Appointment of

Successor Depositary. The Depositary may at any time resign as Depositary under

the Deposit Agreement by written notice of resignation delivered to the Company, such resignation to be effective on the earlier of (i) the 60th day after

Edgar Filing: ADVANCED SEMICONDUCTOR ENGINEERING INC - Form F-6

delivery thereof to the Company, or (ii) upon the appointment of a successor depositary and its acceptance of such appointment as provided in the Deposit Agreement. The Depositary may at any time be removed by the Company by written notice of such removal which notice shall be effective on the earlier of (i) the 60th day after delivery thereof to the Depositary, or (ii) upon the appointment of a successor depositary and its acceptance of such appointment as provided in the Deposit Agreement. In case at any time the Depositary acting hereunder shall resign or be removed, the Company shall use its best efforts to appoint a successor depositary, which shall be a bank or trust company having an office in the Borough of Manhattan, The City of New York. Every successor depositary shall execute and deliver to its immediate predecessor and to the Company an instrument in writing accepting its appointment hereunder, and thereupon such successor depositary, without any further act or deed (except as required by applicable law), shall become fully vested with all the rights, powers, duties and obligations of its immediate predecessor. The immediate predecessor

74

depositary, upon payment of all sums due it and on the written request of the Company, shall (i) execute and deliver an instrument transferring to such successor all rights and powers of such predecessor hereunder (other than as contemplated in the Deposit Agreement), (ii) duly assign, transfer and deliver all right, title and interest to the Deposited Securities to such successor, and (iii) deliver to such successor a list of the Holders of all outstanding Receipts and such other information relating to Receipts and Holders thereof as the successor may reasonably request. Any such successor depositary shall promptly mail notice of its appointment to such Holders. Any corporation into or with which the Depositary may be merged or consolidated shall be the successor of the Depositary without the execution or filing of any document or any further act.

(22) Amendment/Supplement. This Receipt and any provisions of

the Deposit Agreement may at any time and from time to time be amended or supplemented by written agreement between the Company and the Depositary in any respect which they may deem necessary or desirable without the prior written consent of the Holders or Beneficial Owners. Any amendment or supplement which shall impose or increase any fees or charges (other than the charges in connection with foreign exchange control regulations, and taxes and other governmental charges, delivery and other such expenses), or which shall otherwise materially prejudice any substantial existing right of Holders or Beneficial Owners, shall not, however, become effective as to outstanding Receipts until the expiration of 30 days after notice of such amendment or supplement shall have been given to the Holders of outstanding Receipts. The parties hereto agree that any amendments or supplements which (i) are reasonably necessary (as agreed by the Company and the Depositary) in order for (a) the ADSs to be registered on Form F-6 under the Securities Act or (b) the ADSs to be traded solely in electronic book-entry form and (ii) do not in either such case impose or increase any fees or charges to be borne by Holders, shall be deemed not to materially prejudice any substantial rights of Holders or Beneficial Owners. Every Holder and Beneficial Owner at the time any amendment or supplement so becomes effective shall be deemed, by continuing to hold such ADS(s), to consent and agree to such amendment or supplement and to be bound by the Deposit Agreement as amended or supplemented thereby. In no event shall any amendment or supplement impair the right of the Holder to surrender such Receipt and receive therefor the Deposited Securities represented thereby, except in order to comply with mandatory provisions of applicable law. Notwithstanding the foregoing, if any governmental body should adopt new laws, rules or regulations

Edgar Filing: ADVANCED SEMICONDUCTOR ENGINEERING INC - Form F-6

which would require amendment or supplement of the Deposit Agreement to ensure compliance therewith, the Company and the Depositary may amend or supplement the Deposit Agreement and this Receipt at any time in accordance with such changed laws, rules or regulations. Such amendment or supplement to the Deposit Agreement in such circumstances may become effective before a notice of such amendment or supplement is given to Holders or within any other period of time as required for compliance with such laws, or rules or regulations.

(23) Termination. The Depositary shall, at any time at the

written direction of the Company, terminate the Deposit Agreement by mailing notice of such termination to the Holders of all Receipts then outstanding at least 30 days prior to the date fixed in such notice for such termination. If 60

75

days shall have expired after (i) the Depositary shall have delivered to the Company a written notice of its election to resign, or (ii) the Company shall have delivered to the Depositary a written notice of the removal of the Depositary, and in either case a successor depositary shall not have been appointed and accepted its appointment as provided in herein and in the Deposit Agreement, the Depositary may terminate the Deposit Agreement by mailing notice of such termination to the Holders of all Receipts then outstanding at least 30 days prior to the date fixed for such termination. On and after the date of termination of the Deposit Agreement, the Holder will, upon surrender of such Holders' Receipt(s) at the Principal Office of the Depositary, upon the payment of the charges of the Depositary for the surrender of ADSs referred to in Article (10) hereof and in Exhibit B to the Deposit Agreement and subject to the

conditions and restrictions set forth therein and subject always to the restrictions on withdrawal as may be in effect under the laws and regulations of the Republic of China, and upon payment of any applicable taxes or governmental charges, be entitled to Delivery, to him or upon his order, of the amount of Deposited Securities represented by such Receipt. If any Receipts shall remain outstanding after the date of termination of the Deposit Agreement, the Registrar thereafter shall discontinue the registration of transfers of Receipts, and the Depositary shall suspend the distribution of dividends to the Holders thereof, and shall not give any further notices or perform any further acts under the Deposit Agreement, except that the Depositary shall continue to collect dividends and other distributions pertaining to Deposited Securities, shall sell rights as provided in the Deposit Agreement, and shall continue to deliver Deposited Securities, subject to the conditions and restrictions set forth in the Deposit Agreement, together with any dividends or other distributions received with respect thereto and the net proceeds of the sale of any rights or other property, in exchange for Receipts surrendered to the Depositary (after deducting, or charging, as the case may be, in each case the charges of the Depositary for the surrender of a Receipt, any expenses for the account of the Holder in accordance with the terms and conditions of the Deposit Agreement and any applicable taxes or governmental charges or assessments). At any time after the expiration of six months from the date of termination of the Deposit Agreement, the Depositary may sell the Deposited Securities then held hereunder and may thereafter hold uninvested the net proceeds of any such sale, together with any other cash then held by it hereunder, in an unsegregated account, without liability for interest for the pro rata benefit of the Holders whose Receipts have not theretofore been surrendered, such Holders thereupon becoming general creditors of the Depositary with respect to such proceeds. After making such sale, the Depositary shall be discharged from all obligations under the Deposit Agreement with respect to the Receipts, the Deposited

Edgar Filing: ADVANCED SEMICONDUCTOR ENGINEERING INC - Form F-6

Securities and the ADSs, except to account for such net proceeds and other cash (after deducting, or charging, as the case may be, in each case the charges of the Depositary for the surrender of a Receipt, any expenses for the account of the Holder in accordance with the terms and conditions of the Deposit Agreement and any applicable taxes or governmental charges or assessments). Upon the termination of the Deposit Agreement, the Company shall be discharged from all obligations under the Deposit Agreement except as set forth in the Deposit Agreement.

(24) Compliance with U.S. Securities Laws. Notwithstanding any

provisions in this Receipt or the Deposit Agreement to the contrary, the

76

withdrawal or delivery of Deposited Securities will not be suspended by the Company or the Depositary except as would be permitted by Section I.A.(1) of the General Instructions to the Form F-6 Registration Statement, as amended from time to time, under the Securities Act of 1933.

(25) Certain Rights of the Depositary; Limitations. Subject to

the further terms and provisions of this Article (25) and Section 5.10 of the Deposit Agreement, the Depositary, its Affiliates and their agents, on their own behalf, may own and deal in any class of securities of the Company and its Affiliates and in ADSs. In its capacity as Depositary, the Depositary shall not lend Deposited Securities or ADSs; provided, however, that, subject to Republic of China law and regulations, the Depositary may (i) issue ADSs prior to the receipt of Eligible Securities pursuant to Section 2.3 of the Deposit Agreement and (ii) deliver Deposited Securities upon the receipt of ADSs for cancellation upon withdrawal of Deposited Securities pursuant to Section 2.7 of the Deposit Agreement, including ADSs which were issued under (i) above but for which Eligible Securities may not have been received (each such transaction under (i) above, a "Pre-Release Transaction"). The Depositary may receive ADSs in lieu of Eligible Securities under (i) above. Each such Pre-Release Transaction will be (a) subject to a written agreement whereby the person or entity (the "Applicant") to whom ADSs are to be delivered (w) represents that at the time of the Pre-Release Transaction the Applicant or its customer owns the Eligible Securities that are to be delivered by the Applicant under such Pre-Release Transaction, (x) agrees to indicate the Depositary as owner of such Eligible Securities in its records and to hold such Eligible Securities in trust for the Depositary until such Eligible Securities or ADSs are delivered to the Depositary or the Custodian, (y) unconditionally guarantees to deliver to the Depositary or the Custodian, as applicable, such Eligible Securities or ADSs, and (z) agrees to any additional restrictions or requirements that the Depositary deems appropriate, (b) at all times fully collateralized with cash, United States government securities or such other collateral as the Depositary deems appropriate, (c) terminable by the Depositary on not more than five (5) business days' notice and (d) subject to such further indemnities and credit regulations as the Depositary deems appropriate. The Depositary will normally limit the number of ADSs and Eligible Securities involved in such Pre-Release Transactions at any one time to thirty percent (30%) of the ADSs outstanding (without giving effect to ADSs outstanding under (i) above), provided, however, that the Depositary reserves the right to change or disregard such limit from time to time as it deems appropriate.

The Depositary may also set limits with respect to the number of ADSs and Eligible Securities involved in Pre-Release Transactions with any

Edgar Filing: ADVANCED SEMICONDUCTOR ENGINEERING INC - Form F-6

one person on a case by case basis as it deems appropriate. The Depositary may retain for its own account any compensation received by it in conjunction with the foregoing. Collateral provided pursuant to (b) above, but not the earnings thereon, shall be held for the benefit of the Holders (other than the Applicant). Temporary ADSs and interests in any Certificate of Payment shall not be eligible for Pre-Release Transactions hereunder.
