other contravention thereof or in any way adversely affect the rights of the Acquiror or the Asset Sellers (as applicable) thereunder. Subject to Section 5.05(d), the Asset Sellers will use their commercially reasonable best efforts to obtain the consent of the other parties to any such Transferred Asset or any claim or right or any benefit arising thereunder for the assignment thereof to the Acquiror as the Acquiror may request. If such consent is not obtained, or if an attempted assignment thereof would be ineffective or would adversely affect the rights of the Asset Sellers (as applicable) thereunder so that the Acquiror would not in fact receive all such rights, the Asset Sellers and the Acquiror will, without limiting the obligations of the parties pursuant to Section 5.05(d), cooperate in a mutually agreeable arrangement under which the Acquiror would obtain at no additional cost to Acquiror the benefits and assume the obligations and bear the economic burden thereunder in accordance with this Agreement, including subcontracting, sublicensing or subleasing to the Acquiror, or under which the Asset Sellers would enforce for the benefit of the Acquiror any and all of their rights against a third party thereto, and the Asset Sellers would promptly pay to the Acquiror when received all monies received by them under any Transferred Asset or any claim or right or any benefit arising thereunder.

Section 2.04. Closing. On the second Business Day following the satisfaction of the conditions set forth in Sections 8.01(b) and 8.02(c), or on such other date as GE and the Acquiror may mutually agree in writing, provided that, in any case, the other conditions to closing specified in Sections 8.01 and 8.02 are then satisfied or have been waived, the sale and purchase of the Equity Interests, the Minority Interests and the Transferred Assets and the assumption of the Assumed Liabilities contemplated by this Agreement shall take place at a closing (the Closing) that will be held at the offices of Sidley Austin Brown & Wood LLP, Bank One Plaza, 10 South Dearborn Street, Chicago, Illinois 60603, or such other place as GE and the Acquiror may agree in writing, the date on which the Closing takes place being the Closing Date.

Section 2.05. Purchase Price. The Purchase Price for the Equity Interests, the Minority Interests, the Transferred Assets and the non-competition obligations set forth in Section 5.17 shall be (a) the assumption of the Assumed Liabilities plus (b) an amount in cash equal to \$72,505,000, or such greater or lesser amount determined as a result of a Closing Adjustment, if any, determined pursuant to Section 2.06. The Purchase Price shall be subject to Post-Closing Adjustment as set forth in Section 2.11 and shall be subject to further adjustment pursuant to the terms and conditions set forth in Section 2.05 of the Disclosure Schedule.

Section 2.06. Closing Adjustment. a) The Closing Adjustment shall be the amount specified in the Closing Notice and shall be equal to the amount of Modified Net Current Assets set forth in the Statement of Estimated Closing Modified Net Current Assets less \$23,667,000. For purposes of this Agreement, Modified Net Current Assets means:

- (i) Net Current Assets of the Business; plus
- (ii) cash and Cash Equivalents of the Business Subsidiary; minus
- (iii) Debt of the Business Subsidiary plus 51% of the Debt of the Affiliated Company.

If the Closing Adjustment is a positive amount, then the Purchase Price paid by the Acquiror as directed by GE at Closing shall be increased by the Closing Adjustment. If the Closing Adjustment is a negative amount, then the Purchase Price paid by the Acquiror as directed by GE at Closing shall be decreased by the absolute value of the Closing Adjustment.

10

(b) Not less than five Business Days prior to the anticipated Closing Date, GE shall provide the Acquiror with a preliminary estimated Statement of Modified Net Current Assets as of the Closing Date (the Statement of Estimated Closing Modified Net Current Assets),

Edgar Filing: REGAL BELOIT CORP - Form 8-K

which shall be accompanied by a notice (the Closing Notice) that sets forth (i) GE's calculation and determination of the Closing Adjustment and the Purchase Price and (ii) the account or accounts to which the Acquiror shall transfer funds pursuant to Section 2.08.

(c) The Statement of Estimated Closing Modified Net Current Assets shall be prepared in accordance with U.S. GAAP applied consistently with the Transaction Accounting Principles as applied in connection with the preparation of the Reference Statement of Net Current Assets and shall otherwise contain the same line items as the Reference Statement of Net Current Assets (except that the Statement of Estimated Closing Modified Net Current Assets shall be determined in accordance with this Section 2.06).

Section 2.07. Closing Deliveries by GE.

At the Closing, GE shall deliver or cause to be delivered to the Acquiror:

(i) the certificates or other applicable instruments evidencing the Equity Interests and the Minority Interests, duly endorsed in blank or accompanied by powers duly executed in blank;

(ii) the Assignment and Assumption Agreement and the Instrument of Cancellation, duly executed by the Asset Sellers;

(iii) a receipt for the Purchase Price;

If the Post-Closing Adjustment is a negative amount, then GE shall pay in cash to the Acquiror the absolute value of the amount of the Post-Closing Adjustment. Edgar Filing: REGAL BELOIT CORP - Form 8-K

(a) The terms of the letter agreement dated December 6, 2002 (the Confidentiality Agreement) between the Acquiror and GE are incorporated into this Agreement by reference and shall continue in full force and effect until the Closing, at which time the confidentiality obligations under the Confidentiality Agreement shall terminate; provided, however, that (i) the Acquiror's confidentiality obligations shall terminate only in respect of that portion of the Evaluation Material (as defined in the Confidentiality Agreement) exclusively relating to the Business that is the subject of the transactions contemplated by this Agreement and (ii) notwithstanding the terms of the Confidentiality Agreement, it shall remain in full force and effect (as modified hereby) until December 31, 2006. If, for any reason, the sale of the Equity Interests, the Minority Interests and the Transferred Assets is not consummated, the Confidentiality Agreement shall nonetheless continue in full force and effect.

(b) For a period of 24 months following the Closing Date, neither the Acquiror nor any of its Subsidiaries shall, directly or indirectly, induce or attempt to induce any employee of GE or its Subsidiaries to leave the employ of GE or such Subsidiary or violate the terms of their contracts, or any employment arrangements, with GE or such Subsidiary; provided, however, that Acquiror or any of its Subsidiaries may employ any employees of GE or its Subsidiaries who are discharged by, or who resign from, GE or such Subsidiary; and provided, further that nothing in Section 5.04(b) shall prohibit the Acquiror or any of its Subsidiaries from employing any person as a result of a general solicitation to the public or general advertising.

Section 5.05. Regulatory and Other Authorizations: Consents: Accounts Receivable Payments.

(a) Each of the Acquiror and GE shall use its commercially reasonable best efforts to promptly obtain all authorizations, consents, orders and approvals of all federal, state, local and non-U.S. regulatory bodies and officials that may be or become necessary for its execution and delivery of, and the performance of its obligations pursuant to, and the consummation of the transactions contemplated by, the Transaction Agreements and shall take all such actions as may be requested by any such regulatory body or official to obtain such authorizations, consents, orders and approvals; provided, however, that such efforts shall not include any requirement (i) that either party divest, sell or hold separate any assets, businesses or properties owned or held by such party or enter into any consent decree or assume any other obligations with respect to its ongoing operations; (ii) to commence any litigation; (iii) to satisfy any condition imposed by any third party that such party reasonably believes is likely to adversely affect such party's condition (financial or otherwise), assets, liabilities, results of operations or business; or (iv) to offer or grant any accommodation (financial or otherwise) to any third party. Each of the Acquiror and GE will cooperate with the reasonable requests of the other party in promptly seeking to obtain all such authorizations, consents, orders and approvals.

(b) GE and the Acquiror have made a filing of a notification and report form pursuant to the HSR Act with respect to the transactions contemplated by this Agreement, and each of GE and the Acquiror agree to supply promptly any additional information and documentary material that may be requested pursuant to the HSR Act. In addition, each party agrees to make promptly any filing that may be required under any other antitrust or competition law or by any other antitrust or competition authority, including the Mexican competition commission. Each of GE and the Acquiror shall pay 50% of the aggregate filing fees associated with their respective HSR filings and any other similar filings required in any other jurisdictions, including the filing fee associated with the notification filing to the Mexican competition commission.

(c) Each of GE and the Acquiror shall promptly notify one another of any communication it receives from any Governmental Authority relating to the matters that are the subject of this Agreement and permit the other party to review in advance any proposed communication by such party to any Governmental Authority and shall provide each other with copies of all correspondence, filings or communications between such party or any of its Representatives, on the one hand, and any Governmental Authority or members of its staff, on the other hand, subject to Section 5.02(b). Neither GE nor the Acquiror shall agree to participate in any meeting with any Governmental Authority in respect of any such filings, investigation or other inquiry unless it consults with the other party in advance and, to the extent permitted by such Governmental Authority, gives the other party the opportunity to attend and participate at such meeting. Subject to the Confidentiality Agreement and to Section 5.02(b), GE and the Acquiror will coordinate and cooperate fully with each other in exchanging such information and providing such assistance as the other party may reasonably request in connection with the foregoing and in seeking early termination of any applicable waiting periods under the HSR Act.

(d) GE and the Acquiror agree to cooperate in obtaining any other consents and approvals that may be required in connection with the transactions contemplated by the Transaction Agreements; provided, however, that neither party shall not be required (i) to divest, sell or hold separate any material assets, businesses or properties or enter into any material consent decree or assume any other material obligations with respect to the ongoing operations of such party and/or its Affiliates; (ii) to commence or participate in any litigation; (iii) to satisfy any condition imposed by any third party that such party reasonably believes is likely to adversely affect, in any material respect, such party's condition (financial or otherwise), assets, liabilities, results of operations or business; (iv) to offer or

31

grant any accommodation (financial or otherwise) to any third party that such party reasonably believes is likely to adversely affect, in any material respect, such party's condition (financial or otherwise), assets, liabilities, results of operations or business or (v) to compensate any third party. Each of the Acquiror and GE will cooperate with the reasonable requests of the other party in promptly seeking to obtain all such authorizations, consents, orders and approvals to obtain such consent or approval.

(e) The parties agree to the undertakings set forth in Section 5.05(e) of the Disclosure Schedule with respect to certain matters relating to accounts receivables.

Section 5.06. [Intentionally Omitted.]

Section 5.07. Letters of Credit; Other Obligations. Section 5.07 of the Disclosure Schedule sets forth the Sellers' LCs (as hereinafter defined) as of the date of this Agreement. At or prior to the Closing, the Acquiror shall (a) arrange for substitute letters of credit, the Acquiror guarantees and other obligations to replace (i) the letters of credit, guarantees and other contractual obligations entered into by or on behalf of the Sellers or any of their Affiliates (other than the Business Subsidiary and the Affiliated Company) solely and exclusively in connection with the Business (together, the Sellers' LCs) outstanding as of the date of this Agreement and (ii) any Sellers' LCs entered into in the ordinary course of business consistent with past practice on or after the date of this Agreement and prior to the Closing or (b) assume all obligations under each of the Sellers' LCs, obtaining from the creditor or other counterparty a full release of all parties liable, directly or indirectly, for reimbursement to the creditor or fulfillment of other obligations to a counterparty in connection with amounts drawn under the Sellers' LCs. The Acquiror further agrees that to the extent the beneficiary or counterparty under any Sellers' LC refuses to accept any such substitute letter of credit, guarantee or other obligation proffered by the Acquiror, the Acquiror shall indemnify, defend and hold harmless the Sellers against, and reimburse the Sellers for, any and all amounts paid, including costs or expenses in connection with such Sellers' LCs, including the Sellers' expenses in maintaining such Sellers' LCs, whether or not any such Sellers' LC is drawn upon or required to be performed, and shall in any event promptly reimburse the Sellers to the extent any Sellers' LC is called upon and the Sellers or their Affiliates make any payment or are obligated to reimburse the party issuing the Sellers' LC.

Section 5.08. Intercompany Obligations. GE shall, and shall cause its Affiliates to, take such action and make such payments as may be necessary so that, as of the Closing Date, there shall be no intercompany obligations between the Business Subsidiary, on the one hand, and GE and its Affiliates (other than the Business Subsidiary), on the other hand.

Section 5.09. No Solicitation of Employees. For a period of 24 months from the Closing Date, neither GE nor any of its Subsidiaries shall, directly or indirectly, induce or attempt to induce any Transferred Employee to leave the employ of the Acquiror or the Business Subsidiary or violate the terms of their contracts, or any employment arrangements, with the Acquiror or the Business Subsidiary; provided, however, that GE or any of its Subsidiaries may employ any Transferred Employees who are discharged by, or who resign from, the Acquiror or the Business Subsidiary; and provided, further, that nothing in this Section 5.09 shall prohibit GE or any of its Subsidiaries from employing any person as a result of a general solicitation to the public or general advertising.

Section 5.10. Trademark License Agreement. At or prior to the Closing, GE or an Affiliate of GE, and the Acquiror shall execute and deliver the Trademark License Agreement substantially in the form attached to this Agreement in Exhibit C-1, with such changes thereto as may be agreed to by the parties executing such agreement.

Section 5.12. Further Action Regarding Intellectual Property. (a) If, after the Closing Date, GE or the Acquiror identifies any Business Patent, or Business Trademark owned by the Asset Sellers that as of the Closing Date should have been but inadvertently was not previously transferred by the Asset Sellers, as the case may be, to the Acquiror, then to the extent it has the right to do so, GE shall, or shall cause the other applicable Asset Sellers to, offer, if and to the extent otherwise consistent with the Transaction Agreements, including the Trademark License Agreement, to transfer such Business Patent or Business Trademark to the Acquiror for no additional consideration, subject to the license retained by GE pursuant to the IP License Agreement. If, after the Closing Date, GE or the Acquiror identifies an Other Trademark owned by the Asset Sellers that as of the Closing Date should have been but inadvertently was not licensed to the Acquiror, then to the extent it has the right to do so, GE shall, or shall cause the other applicable Asset Sellers to, offer, if and to the extent otherwise consistent with the Transaction Agreements, including the Trademark License Agreement, to the Acquiror a non-exclusive, royalty-free license to use the Other Trademark in the Business utilizing GE's standard corporate form of agreement for such purposes.

Edgar Filing: REGAL BELOIT CORP - Form 8-K

(b) If, after the Closing Date, GE, the Business Subsidiary or the Acquiror identifies any Intellectual Property that was transferred by the Asset Sellers (or owned by the Business Subsidiary) which was not a Business Patent or Business Trademark as of the Closing Date, the Acquiror shall promptly transfer (or, as the case may be, cause the applicable Business Subsidiary to transfer) such Intellectual Property to GE or its designated Affiliate for no additional consideration if and to the extent otherwise consistent with the terms of the Transaction Agreements, including the Trademark License Agreement. Any such property transferred under this Section 5.12(b) shall be subject to the license retained by the Acquiror pursuant to the IP License Agreement to the extent any such property is an Other Patent, Business Related Copyright or Business Related Technology, and the license set forth in Section 5.12(a) to the extent any such property is an Other Trademark.

At or prior to Closing, GE, and/or Affiliates of GE, and the Acquiror execute and deliver warehousing agreements substantially in the forms attached to this Agreement in Exhibits C-14, C-15 and C-16, with such changes thereto as may be agreed to by the parties executing such agreements (the Warehousing Agreements).

Section 5.16. Further Action. GE and the Acquiror (a) shall execute and deliver, or shall cause to be executed and delivered, such documents and other papers and shall take, or shall cause to be taken, such further actions as may be reasonably required to carry out the provisions of the Transaction Agreements and give effect to the transactions contemplated by the Transaction Agreements and (b) shall refrain from taking any actions that could reasonably be expected to impair, delay or

34

impede the Closing; provided, however, that nothing contained in this Agreement shall prohibit or limit GE's ability to (x) enter into negotiations and agreements for the sale of the Other M&C Businesses or (y) sell any such businesses.

Section 5.17. Non-Competition. a) For a period of five years from the Closing Date, except as permitted by this Section 5.17, neither GE nor any of its Subsidiaries shall directly or indirectly:

(i) engage in, continue in or carry on any business that competes in any aspect of the Business (a Covered Business), including owning or controlling any equity interest in any person or entity that now or hereafter engages in or attempts to engage in any aspect of the Business (a Competitor), except as otherwise set forth in this Section 5.17;

(ii) except in connection with the Financial Services Business, consult with, advise or assist in any way, whether or not for consideration, any Competitor in any aspect of a Covered Business, including by advertising or otherwise endorsing the products or services of any such Competitor that relate to a Covered Business or soliciting customers or otherwise serving as an intermediary for any such Competitor with respect to a Covered Business; or

(iii) induce or attempt to induce any independent contractor of the Business to terminate its relationship with the Business in order to enter into any such relationship on behalf of a Competitor.

The geographic scope of this covenant not to compete shall extend throughout United States and such other locations in which the Asset Sellers, the Affiliated Company or the Business Subsidiary conducted such business within twelve months prior to the Closing Date. Recognizing the specialized nature of said business, GE acknowledges and agrees that the duration, geographic scope and activity restrictions of this covenant not to compete are reasonable.

Notwithstanding anything herein to the contrary, this Section 5.17 shall (i) cease to be applicable to any Person at such time as it is no longer a Subsidiary of GE and (ii) be inapplicable to any Subsidiary in which a Person who is not a controlled Affiliate of GE holds over 25% of the outstanding voting securities or similar equity interests and with respect to whom GE or another Subsidiary, as applicable, has, as of the date of this Agreement, existing contractual or legal obligations limiting GE's discretion to impose on the subject Subsidiary a non-competition obligation such as that in this Section 5.17.

(b) Notwithstanding the provisions of Section 5.17(a) and without implicitly agreeing that the following activities would be subject to the provisions of Section 5.17(a), nothing in this Agreement shall preclude, prohibit or restrict GE or any of its Subsidiaries from engaging in any manner in (i) any Financial Services Business, (ii) any Existing Business Activities specifically set forth on Section 5.17(b) of the Disclosure Schedule, (iii) any De Minimis Business or (iv) any business activity that would otherwise violate this Section 5.17 that is acquired from any Person (an Acquired Business) or is carried on by any Person that is acquired by or combined with GE or a Subsidiary of GE after the date of this Agreement (an Acquired Company); provided that, within one year after the purchase or other acquisition of the Acquired Business or the Acquired Company, GE or such Subsidiary disposes of (or enters into a binding agreement to dispose of) the Acquired Business or the relevant portion of the Acquired Company's business or securities or at the expiration of the one-year period, the business of the Acquired Company complies with this Section 5.17.

(c) GE and the Acquiror agree that (i) any breach by GE of the provisions of this Section 5.17 will result in irreparable injury to the Acquiror for which a remedy at law would be inadequate, and

35

(ii) in addition to any relief at law that may be available to the Acquiror for such breach and regardless of any other provision contained in this Agreement, the Acquiror shall be entitled to injunctive and other equitable relief as a court may grant. This Section 5.17(c) shall not be

Edgar Filing: REGAL BELOIT CORP - Form 8-K

construed to limit the Acquiror's right to obtain equitable relief for other breaches of this Agreement under general equitable standards.

(d) If any court of competent jurisdiction determines that the provisions of this Section 5.17 are illegal or excessively broad as to duration, geographical scope or activity, then any such illegal or overly broad provisions shall be deemed, without further action on the part of any person or entity, to be modified, amended and/or limited, but only to the extent necessary to render the same valid and enforceable in the applicable jurisdiction.

Section 5.18. Restructuring of GE Holmes Industries. At or prior to the Closing, GE, or an Affiliate of GE, and the Acquiror shall execute and deliver a restructuring agreement related to GE Holmes Industries, LLC containing those terms and conditions set forth in the term sheet contained in Exhibit C-17 and such other terms and conditions, consistent therewith, as the parties to such agreement may agree (the "GEHI Master Restructuring Agreement"), it being understood and agreed that such restructuring shall provide to the Acquiror terms and conditions that are no less favorable (economic and otherwise) as those provided to GE with respect to the Affiliated Company.

Section 5.19. Exclusivity. From the date of this Agreement until the Closing or the date this Agreement is terminated under Article IX, neither GE nor any of its Affiliates will knowingly, or will knowingly permit any officer, director, employee or representative of GE nor any of its Affiliates to: (a) initiate or encourage the initiation by others of discussions or negotiations with third parties (other than the Acquiror and its Affiliates and representatives) or respond to (other than to decline interest in) solicitations by third parties relating to any merger, sale or other disposition of the Transferred Assets, the Assets, the Business, the Equity Interests or the Minority Interests (an "acquisition proposal"), other than (i) sales or dispositions of inventory or other assets in the ordinary course of business consistent with past practice, (ii) as otherwise contemplated by the Transaction Agreements or, (iii) consented to by the Acquiror ("Permitted Transactions"), (b) enter into or participate in any discussion, negotiation or agreement with respect to any such acquisition proposal (other than Permitted Transactions), or (c) furnish any non-public information to any third party in connection with an acquisition proposal (other than Permitted Transactions). GE and its Affiliates shall promptly advise the Acquiror of any acquisition proposal (other than Permitted Transactions), or inquiry regarding the making of an acquisition proposal (other than Permitted Transactions), including any requests for information, the material terms and conditions of such request and the identity of the person making such a request or proposal.

Section 5.20. Rechi Supply Agreement. At or prior to the Closing, the Acquiror and Affiliated Supplier shall execute and deliver the Rechi Supply Agreement for the manufacture and supply of 10, 15, 20 and 30 frame hermetic stators and rotors to the Acquiror for resale to third parties. GE will condition the transfer to Rechi of its shares in the Non-Transferred Affiliated Company, which after the transfer will wholly own the Affiliated Supplier, on the execution and delivery of the Rechi Supply Agreement, the terms and conditions of which agreement shall be no less favorable than those provided to GE under its current GE Sourcing Agreement and in any event satisfactory and acceptable to the Acquiror.

Section 5.21. Access. GE intends to conduct, at its cost, such environmental inspections, investigations and testing (including Phase I, Phase II and audits) of the operations of the Business and the Real Properties as GE may reasonably determine appropriate to document the compliance status of the Business and the environmental condition of the Real Properties as of the Closing Date. Acquiror

36

agrees that GE shall have reasonable access to the Real Properties on or after the Closing Date to the extent required to complete such investigations; provided, however, that GE shall complete its activities no later than 45 days after the Closing Date.

Section 5.22. Excess Inventory. If the aggregate value of the Inventory of the Business as of the Closing Date will be in excess of \$18,800,000, as reasonably determined by GE within three Business Days prior to the Closing Date, (a) GE will provide written notice to the Acquiror of such excess amount (the "Inventory Notice") and (b) GE will retain Inventory of the Business with an aggregate value equal to such excess amount, it being understood that GE may select, in its sole discretion, the Inventory to be so retained. The Inventory to be retained by GE pursuant to the terms of this Section 5.22 (the "Excess Inventory") shall be identified by GE pursuant to the Inventory Notice. For a period of six months commencing on the Closing Date (the "Excess Inventory Purchase Period"), GE agrees that it will offer to sell all such Excess Inventory to the Acquiror at cost and the Acquiror agrees to purchase (or cause its Affiliates to purchase) such Excess Inventory during the Excess Inventory Purchase Period, provided that Acquiror shall have no obligation to purchase more than \$1,000,000 of Excess Inventory.

(b) Notwithstanding any other provision to the contrary, (i) GE shall not be required to indemnify, defend or hold harmless any Acquiror Indemnified Party against, or reimburse any Acquiror Indemnified Party for, any Losses pursuant to Section 10.01(a)(i) (A) if such

claim or demand was accepted and reflected in Closing Adjustment and/or the Post-Closing Adjustment calculated in accordance with the procedures set forth in Sections 2.06 and 2.09 through 2.11, and then only to the extent so accepted and reflected, (B) with respect to any claim or series of related claims unless such claim or series of related claims, involves Losses in excess of \$25,000 (nor shall such item be applied to or considered for purposes of calculating the aggregate amount of the Acquiror Indemnified Parties' Losses) and (C) until the aggregate amount of the Acquiror Indemnified Parties' Losses exceeds \$363,000 after which GE shall be obligated for all Losses of the Acquiror Indemnified Parties in excess of \$363,000; but only if such Losses also meet the requirements of subclauses (A) and (B) of clause (i) of this Section 10.01(b); and (ii) the cumulative indemnification obligation of GE under Section 10.01(a)(i) shall in no event exceed \$18,125,000; provided, however, that the limitations contained in this Section 10.01(b) shall not apply to claims arising under Section 3.03 or 3.11(b).

(c) Notwithstanding any other provision to the contrary, to the extent any Business Patents, Business Trademarks or Other Trademarks are not identified in Section 3.12(d) of the Disclosure Schedule, the only remedy for good faith or innocent breach of the representation and warranty set forth in Section 3.12(d) is that GE shall supplement Section 3.12(d) of the Disclosure Schedule and assign to Acquiror any later discovered Business Patent or Business Trademark as of the Closing Date pursuant to Section 5.12(a), or license to Acquiror any later discovered Other Trademark as of the Closing Date pursuant to Section 5.12(a).

Section 10.02. Indemnification by the Acquiror. Subject to the terms and conditions of this Article X and Section 11.01, the Acquiror shall indemnify, defend and hold harmless GE and its Affiliates and Representatives (collectively, the GE Indemnified Parties) against, and reimburse any GE Indemnified Party for, all Losses that such GE Indemnified Party may at any time suffer or incur, or become subject to, as a result of or in connection with:

(a) the inaccuracy or breach of any representations or warranties made by the Acquiror in this Agreement, or in the certificate to be delivered by the Acquiror at Closing pursuant to Section 8.01(a);

(b) any breach or failure by the Acquiror to perform any of its covenants or obligations contained in this Agreement;

(c) any claim or cause of action by any Person arising after the Closing Date against any GE Indemnified Party with respect to the Business, the Business Subsidiary, the Affiliated Company, the Assets or the operations of the Business Subsidiary or the Affiliated Company (including the Acquiror's actions with respect to the Business Subsidiary subsequent to the Closing Date), except for any claims with respect to which GE is obligated to indemnify the Acquiror Indemnified Parties under Section 10.01(a) of this Agreement; or

(d) any Assumed Liability (including the failure of the Acquiror to perform or in due course pay and discharge any Assumed Liability).

Section 10.03. Notification of Claims.

(a) A Person that may be entitled to be indemnified under this Agreement (the Indemnified Party), shall promptly notify the party or parties liable for such indemnification (the

Indemnifying Party) in writing of any pending or threatened claim or demand that the Indemnified Party has determined has given or could reasonably give rise to a right of indemnification under this Agreement (including a pending or threatened claim or demand asserted by a third party against the Indemnified Party, such claim being a Third Party Claim), describing in reasonable detail the facts and circumstances with respect to the subject matter of such claim or demand; provided, however, that the failure to provide such notice shall not release the Indemnifying Party from any of its obligations under this Article X except to the extent the Indemnifying Party is prejudiced by such failure, it being understood that notices for claims in respect of a breach of a representation, warranty, covenant or agreement must be delivered prior to the expiration of any applicable survival period specified in Section 11.01 for such representation, warranty, covenant or agreement.

(b) Upon receipt of a notice of a claim for indemnity from an Indemnified Party pursuant to Section 10.03(a) that is a Third Party Claim (i) for which it is reasonably likely that the amount of the net liability of the Indemnified Party (after giving effect to all indemnification and insurance recoveries, including indemnification hereunder, reasonably likely to be received by the Indemnified Party on account of such claim) will not exceed the amount of the potential indemnification obligation of the Indemnifying Party and (ii) for which written acknowledgement by the Indemnifying Party that it is obligated to indemnify the Indemnified Party with respect to such claim has been made, the Indemnifying Party may elect to assume the defense and control of any such Third Party Claim but shall allow the Indemnified Party a reasonable opportunity to participate in the defense of such Third Party Claim with its own counsel and at its own expense. In the event the Indemnifying Party elects to assume the defense and control of any such Third Party Claim, the Indemnifying Party shall select counsel, contractors and consultants of recognized standing and competence reasonably acceptable to the Indemnified Party and shall take all steps

reasonably necessary in the defense or settlement of any such Third Party Claim. If the Indemnifying Party, within thirty (30) days of receipt of notice of a Third Party Claim (or sooner, if the nature of the Third Party Claim so requires), does not elect to assume the defense and control of a Third Party Claim, the Indemnified Party will have the right to undertake the defense and control of such Third Party Claim, provided however that the Indemnified Party may not compromise or settle any claims without the written consent of the Indemnifying Party, which shall not be unreasonably withheld or delayed. Following delivery of a notice of a claim for indemnity from an Indemnified Party pursuant to Section 10.03(a) that is a Third Party Claim for which it is reasonably likely that the amount of the net liability of the Indemnified Party (after giving effect to all indemnification and insurance recoveries, including indemnification hereunder, reasonably likely to be received by the Indemnified Party on account of such claim) will exceed the amount of the potential indemnification obligation of the Indemnifying Party, the Indemnified Party shall have the right to assume the defense and control of any such Third Party Claim but shall allow the Indemnifying Party a reasonable opportunity to participate in the defense of such Third Party Claim with its own counsel and at its own expense. GE or the Acquiror, as the case may be, shall, and shall cause each of its Affiliates and Representatives to, cooperate fully with the Indemnifying Party in the defense of any Third Party Claim. The Indemnifying Party shall be authorized to consent to a settlement of, or the entry of any judgment arising from, any Third Party Claim, without the consent of any Indemnified Party, provided that the Indemnifying Party agrees to (i) pay or cause to be paid all amounts arising out of such settlement or judgment concurrently with the effectiveness of such settlement, (ii) not encumber any of the assets of any Indemnified Party or agree to any restriction or condition that would apply to or adversely affect any Indemnified Party or the conduct of any Indemnified Party's business and (iii) obtain, as a condition of any settlement or other resolution, a complete release of any Indemnified Party potentially affected by such Third Party Claim.

(c) In the event any Indemnifying Party receives a notice of a claim for indemnity from an Indemnified Party pursuant to Section 10.03(a) that does not involve a Third Party Claim, the

42

Indemnifying Party shall notify the Indemnified Party within 30 days following its receipt of such notice if the Indemnifying Party disputes its liability to the Indemnified Party under this Article X. If the Indemnifying Party does not so notify the Indemnified Party, the claim specified by the Indemnified Party in such notice shall be conclusively deemed to be a liability of the Indemnifying Party under this Article X, and the Indemnifying Party shall pay, subject to the limitations set forth in Section 10.01(b), if applicable, the amount of such liability to the Indemnified Party on demand or, in the case of any notice in which the amount of the claim (or any portion of the claim) is estimated, on such later date when the amount of such claim (or such portion of such claim) becomes finally determined. If the Indemnifying Party has timely disputed its liability with respect to such claim as provided above, then the Indemnifying Party and the Indemnified Party shall resolve such dispute in accordance with Section 11.11.

Section 10.04. Exclusive Remedies. Except (i) with respect to the matters covered by Sections 2.09 through 2.11 (the terms and conditions of which shall govern any claims, disputes and remedies thereunder) and (ii) for fraud, remedies that cannot be waived as a matter of law and injunctive relief (including the injunctive and other equitable relief provided for in Section 5.17), GE and the Acquiror acknowledge and agree that, following the Closing, the indemnification provisions of Sections 10.01 and 10.02 shall be the sole and exclusive remedies of GE and the Acquiror, respectively, for any breach of this Agreement.

Section 10.05. Additional Indemnification Provisions. GE and the Acquiror agree, for themselves and on behalf of their respective Affiliates and Representatives, that with respect to each indemnification obligation in this Agreement or any other document executed in connection with the Closing (a) each such obligation shall be calculated on an After-Tax Basis and (b) in no event shall the Indemnifying Party have liability to the Indemnified Party for any consequential, special, incidental, indirect or punitive damages or lost profits. In any case where an Indemnified Party recovers from a third Person any amount in respect of a matter for which an Indemnifying Party has indemnified it pursuant to this Article X, such Indemnified Party shall promptly pay over to the Indemnifying Party the amount so recovered (after deducting therefrom the amount of expenses incurred by it in procuring such recovery), but not in excess of the sum of (i) any amount previously paid by the Indemnifying Party to or on behalf of the Indemnified Party in respect of such claim and (ii) any amount expended by the Indemnifying Party in pursuing or defending any claim arising out of such matter.

Section 10.06. Environmental Claims. GE's obligation to indemnify the Acquiror under Section 10.01(a)(iii) for liabilities and obligations arising under Environmental Law (pursuant to Section 2.02(iii)), including those relating to any pre-Closing release of Hazardous Materials (Environmental Claims) are further limited as follows:

(a) Third Party Claims and Governmental Authority claims related to alleged pre-Closing violations of Environmental Law or pre-Closing releases of Hazardous Materials (including property damage or personal injury related thereto) shall be noticed as provided in Section 10.03(a) and, to the extent such claim constitutes a matter for which an Acquiror Indemnified Party is entitled to indemnification under this Article X, GE shall assume the control and defense of such claim, subject to the procedures set forth in Section 10.03(b).

(b) To the extent a Third Party Claim or Governmental Authority claim requires corrective measures or remediation at the Real Properties, GE shall keep Acquiror reasonably apprised of the status of such Environmental Claim, and shall select consultants and contractors

for all work at the Real Properties that are reasonably acceptable to Acquiror. GE shall, to the extent practicable, allow Acquiror an opportunity to review and comment on in advance any work plans, investigations and other

environmental remediation activities, incorporate all reasonable comments of the Acquiror, permit Acquiror to participate in phone calls and meetings with Governmental Authorities, and provide copies of any material documents or correspondence from or provided to any Governmental Authority regarding any such claim. Without limiting the generality of the foregoing, the Acquiror agrees to consent to reasonable use restrictions on the Real Properties consistent with risk-based industrial cleanup objectives (to the extent permitted by the relevant Governmental Authority or any applicable lease in existence on the Closing Date and included in the Transferred Assets) or otherwise consistent with continued industrial use, which restrictions shall not unreasonably interfere with the continued operations of the Business.

(c) GE's indemnity obligation with respect to Environmental Claims that are not Third Party Claims or Governmental Authority claims shall arise solely upon the discovery of a pre-Closing environmental condition that requires corrective measures to remedy a violation of applicable Environmental Law or, with respect to releases of Hazardous Material, requires action, including investigative, corrective or remedial, pursuant to Environmental Law. GE shall comply with the cooperation provisions in Section 10.06(b) in implementing any remediation on the Real Properties pursuant to this Section 10.06(c), but in no event will GE be required to conduct remediation beyond that necessary for continued industrial use of the Real Properties, unless a more stringent standard is required under any applicable lease in existence on the Closing Date and included in the Transferred Assets.

Section 10.07. Indemnification for Taxes. Notwithstanding anything contained herein to the contrary, with respect to indemnification related to Taxes the Tax Matters Agreement shall control.

ARTICLE XI

GENERAL PROVISIONS

Section 11.01. Survival. The representations and warranties of GE and the Acquiror contained in or made pursuant to this Agreement (other than Section 3.07 and Section 3.13, which shall not survive the Closing Date) or in any certificate furnished pursuant to this Agreement shall survive in full force and effect until the date upon which the Acquiror and its independent public accountants shall have completed an audit of the Acquiror's financial statements for the year ended December 31, 2005, at which time such representations and warranties shall terminate (and no claims shall be made for indemnification under Sections 10.01(a)(i) or 10.02(a) thereafter; provided, however, that (i) the representations and warranties made in Sections 3.01, 3.02, 3.03 and 3.11(b) (to the extent relating to title to Transferred Assets) shall survive without limitation as to time and (ii) the covenants contained in Sections 5.12 and 5.16 shall terminate on the second anniversary of the Closing. The covenants and agreements that by their terms apply or are to be performed in whole or in part after the Closing Date, shall survive for the period provided in such covenants and agreements, if any, or until fully performed, and GE and the Acquiror hereby waive all applicable statutory or other limitation periods with respect thereto. If any act, omission, disclosure or failure to disclose shall form the basis for a claim for breach of more than one representation or warranty, and such representations and warranties have different periods of survival hereunder, the termination of the survival period of one representations and warranties shall not affect a party's right to make a claim based on the breach of representation or warranty still surviving.

Section 11.02. Expenses. Except as may be otherwise specified in the Transaction Agreements, all costs and expenses, including fees and disbursements of counsel, financial advisers and accountants, incurred in connection with the Transaction Agreements and the transactions contemplated

Section 11.04. Public Announcements. Except as may be required by Law or stock exchange rules, no party to this Agreement or any Affiliate or Representative of such party shall make any public announcements or otherwise communicate with any news media in respect of this Agreement or the transactions contemplated by this Agreement without prior notification to the other parties, and prior to any announcement or communication the parties shall cooperate as to the timing and contents of any such announcement or communication.

Section 11.05. Severability. If any term or other provision of this Agreement is invalid, illegal or incapable of being enforced under any Law or as a matter of public policy, all other conditions and provisions of this Agreement shall nevertheless remain in full force and effect so long as the economic or legal substance of the transactions contemplated by this Agreement is not affected in any

45

manner materially adverse to any party. Upon such determination that any term or other provision is invalid, illegal or incapable of being enforced, the parties to this Agreement shall negotiate in good faith to modify this Agreement so as to effect the original intent of the parties as closely as possible in a mutually acceptable manner in order that the transactions contemplated by this Agreement be consummated as originally contemplated to the greatest extent possible.

Section 11.06. Entire Agreement. Except as otherwise expressly provided in the Transaction Agreements, the Transaction Agreements constitute the entire agreement of GE and the other Sellers, on the one hand, and the Acquiror, on the other hand, with respect to the subject matter of the Transaction Agreements and supersede all prior agreements and undertakings, both written and oral, other than the Confidentiality Agreement to the extent not in conflict with this Agreement, between or on behalf of GE, the other Sellers and/or their Affiliates, on the one hand, and the Acquiror and/or its Affiliates, on the other hand, with respect to the subject matter of the Transaction Agreements.

Section 11.07. Assignment. This Agreement shall not be assigned by operation of law or otherwise, except that (i) each of GE and the Acquiror may assign any or all of its rights or obligations under this Agreement to any of its Affiliates, provided that no such assignment shall release GE or the Acquiror (as the case may be) from any liability or obligation under this Agreement, (ii) each of GE and the Acquiror may assign any or all of its respective rights (but not its obligations) under this Agreement to any designee, and (iii) in the event of a merger or consolidation in which a party to this Agreement does not survive the merger or consolidation, such party may assign its rights and obligations under this Agreement to the surviving entity in the merger or consolidation.

Edgar Filing: REGAL BELOIT CORP - Form 8-K

Section 11.08. No Third-Party Beneficiaries. Except as provided in Article X with respect to GE Indemnified Parties and Acquiror Indemnified Parties, this Agreement is for the sole benefit of the parties to this Agreement and their permitted successors and assigns and nothing in this Agreement, express or implied, is intended to or shall confer upon any other Person or entity any legal or equitable right, benefit or remedy of any nature whatsoever under or by reason of this Agreement.

Section 11.09. Amendment. No provision of any Transaction Agreement may be amended or modified except by a written instrument signed by all the parties to such agreement.

Section 11.10. Disclosure Schedule. Any disclosure with respect to a Section or Schedule of this Agreement shall be deemed to be disclosed for other Sections and Schedules of this Agreement to the extent that such disclosure sets forth facts in sufficient detail so that the relevance of such disclosure would be manifestly apparent to a reader of such disclosure. No reference to or disclosure of any item or other matter in any Section or Schedule of this Agreement shall be construed as an admission or indication that such item or other matter is material or that such item or other matter is required to be referred to or disclosed in this Agreement.

Section 11.11. Dispute Resolution. (a) Except as set forth in Sections 2.06 and 2.11 and except with respect to any request for equitable relief (including interim relief) by GE or the Acquiror on or prior to the Closing Date, any dispute, controversy or claim arising out of or relating to the transactions contemplated by the Transaction Agreements, or the validity, interpretation, breach or termination of any such agreement, including claims seeking redress or asserting rights under any Law (a Dispute), shall be resolved in accordance with the procedures set forth in this Section 11.11. Until completion of such procedures, no party may take any action to force a resolution of a Dispute by any judicial or similar process, except to the limited extent necessary to (i) avoid expiration of a claim that might eventually be permitted by this Agreement or (ii) obtain interim relief, including injunctive relief, to preserve the status quo or prevent irreparable harm or ensure performance under Section 5.17.

46

(b) Any party seeking resolution of a Dispute shall first submit the Dispute for resolution by mediation pursuant to the Center of Public Resources Model Procedure for Mediation of Business Disputes as then in effect. Mediation will continue for at least 60 days unless the mediator chooses to withdraw sooner.

(c) All communications among the parties or their Representatives in connection with the attempted resolution of any Dispute shall be deemed to have been delivered in furtherance of a Dispute settlement and shall be exempt from discovery and production and shall not be admissible in evidence (whether as an admission or otherwise) in any proceeding for the resolution of the Dispute.

Section 11.12. Governing Law. This Agreement and each other Transaction Agreement shall be governed by, and construed in accordance with, the Laws of the State of Delaware without giving effect to the conflicts of law principles of such state.

Section 11.13. Bulk Sales Laws. The Acquiror and GE each hereby waive compliance by GE and the other Asset Sellers with the provisions of the bulk sales, bulk transfer or similar laws of any state or any jurisdiction outside the United States. In accordance with the terms and provisions set forth in Article X, GE agrees to indemnify, defend and hold harmless the Acquiror Indemnified Parties against, and reimburse any Acquiror Indemnified Party for, all Losses that such Acquiror Indemnified Party may suffer or incur, or become subject to, as a result of or in connection with any failure of GE or any other Asset Seller to comply with the provisions of the bulk sales, bulk transfer or similar laws of any state or any jurisdiction outside the United States.

Section 11.14. Rules of Construction. Interpretation of the Transaction Agreements (except as specifically provided in any such agreement, in which case such specified rules of construction shall govern with respect to such agreement) shall be governed by the following rules of construction: (a) words in the singular shall be held to include the plural and vice versa, and words of one gender shall be held to include the other gender as the context requires; (b) references to the terms Article, , paragraph, Exhibit and Schedule are references to the Articles, s, paragraphs, Exhibits and Schedules to this Agreement unless otherwise specified; (c) references to \$ shall mean U.S. dollars; (d) the word including and words of similar import when used in the Transaction Agreements shall mean including without limitation, unless otherwise specified; (e) the word or shall not be exclusive; (f) provisions shall apply, when appropriate, to successive events and transactions; (g) the headings contained in the Transaction Agreements are for reference purposes only and shall not affect in any way the meaning or interpretation of the Transaction Agreements; and (h) the Transaction Agreements shall be construed without regard to any presumption or rule requiring construction or interpretation against the party drafting or causing any instrument to be drafted.

Section 11.15. Counterparts. Each of the Transaction Agreements may be executed in one or more counterparts, and by the different parties to each such agreement in separate counterparts, each of which when executed shall be deemed to be an original but all of which taken together shall constitute one and the same agreement. Delivery of an executed counterpart of a signature page to any Transaction
