THE COMPANY

We are a leading global snack and beverage company. We manufacture, market and sell a variety of salty, convenient, sweet and grain-based snacks, carbonated and non-carbonated beverages and foods in approximately 200 countries, with our largest operations in North America (United States and Canada), Mexico and the United Kingdom.

We are comprised of three business units, as follows:

(1) PepsiCo Americas Foods (PAF), which includes Frito-Lay North America (FLNA), Quaker Foods North America (QFNA) and all of our Latin American food and snack businesses (LAF), including our Sabritas and Gamesa businesses in Mexico;

(2) PepsiCo Americas Beverages (PAB), which includes PepsiCo Beverages North America (PBNA) and all of our Latin American beverage businesses; and

(3) PepsiCo International (PI), which includes all PepsiCo businesses in the United Kingdom, Europe, Asia, Middle East and Africa.

Our three business units are comprised of six reportable segments, as follows:

Frito-Lay North America

Frito-Lay North America, or FLNA, manufactures or uses contract manufacturers, markets, sells and distributes branded snacks. These snacks include Lay's potato chips, Doritos tortilla chips, Tostitos tortilla chips, Cheetos cheese flavored snacks, branded dips, Fritos corn chips, Ruffles potato chips, Quaker Chewy granola bars, SunChips multigrain snacks, Rold Gold pretzels, Santitas tortilla chips, Grandma's cookies, Frito-Lay nuts, Munchies snack mix, Gamesa cookies, Funyuns onion flavored rings, Quaker Quakes corn and rice snacks, Miss Vickie's potato chips, Stacy's pita chips, Smartfood popcorn, Chester's fries, branded crackers and Flat Earth crisps. FLNA branded products are sold to independent distributors and retailers.

Quaker Foods North America

Quaker Foods North America, or QFNA, manufactures or uses contract manufacturers, markets and sells cereals, rice, pasta and other branded products. QFNA's products include Quaker oatmeal, Aunt Jemima mixes and syrups, Life cereal, Cap'n Crunch cereal, Quaker grits, Rice-A-Roni, Pasta Roni and Near East side dishes. These branded products are sold to independent distributors and retailers.

PAB sells concentrate and finished goods for some of these brands to authorized bottlers, and some of these branded products are sold directly by us to independent distributors and retailers. The bottlers sell our brands as finished goods to independent distributors and retailers. PAB's volume reflects sales to its independent distributors and retailers, as well as the sales of beverages bearing our trademarks that bottlers have reported as sold to independent distributors and retailers. Bottler case sales

Table of Contents

(BCS) and concentrate shipments and equivalents (CSE) are not necessarily equal during any given period due to seasonality, timing of product launches, product mix, bottler inventory practices and other factors. While our revenues are not based on BCS volume, we believe that BCS is a valuable measure as it measures the sell-through of our products at the consumer level.

United Kingdom & Europe

United Kingdom & Europe, or UKEU, manufactures, markets and sells through consolidated businesses as well as through noncontrolled affiliates, a number of leading salty and sweet snack brands including Lay's, Walkers, Cheetos, Doritos and Ruffles. Further, UKEU manufactures or uses contract manufacturers, markets and sells many Quaker brand cereals and snacks. UKEU also manufactures, markets and sells beverage concentrates, fountain syrups and finished goods, under various beverage brands including Pepsi, 7UP and Tropicana. These brands are sold to authorized bottlers, independent distributors and retailers. However, in certain markets, UKEU operates its own bottling plants and distribution facilities. In addition, UKEU licenses the Aquafina water brand to certain of its authorized bottlers. UKEU also manufactures or uses contract manufacturers, markets and sells ready-to-drink tea products through a joint venture with Unilever (under the Lipton brand name).

Middle East, Africa & Asia

MEAA also manufactures or uses contract manufacturers, markets and sells ready-to-drink tea products through the joint venture with Unilever (see United Kingdom & Europe above).

Table of Contents**RATIO OF EARNINGS TO FIXED CHARGES**

The following table sets forth our ratio of earnings to fixed charges for the periods indicated. Fixed charges consist of interest expense, capitalized interest, amortization of debt discount, and the interest portion of net rent expense which is deemed to be representative of the interest factor. The ratio of earnings to fixed charges is calculated as income from continuing operations, before provision for income taxes and cumulative effect of accounting changes, where applicable, less net unconsolidated affiliates' interests, plus fixed charges (excluding capitalized interest), plus amortization of capitalized interest, with the sum divided by fixed charges.

DESCRIPTION OF CAPITAL STOCK

The following description of our capital stock is based upon our Amended and Restated Articles of Incorporation (Articles of Incorporation), our By-Laws, as amended to February 2, 2007 (By-Laws) and applicable provisions of law. We have summarized certain portions of the Articles of Incorporation and By-Laws below. The summary is not complete. The Articles of Incorporation and By-Laws are incorporated by reference as exhibits to the registration statement of which this prospectus forms a part. You should read the Articles of Incorporation and By-Laws for the provisions that are important to you.

Authorized Capital Stock

Our Articles of Incorporation authorizes us to issue 3,600,000,000 shares of common stock, par value one and two-thirds cents (12/3 cents) per share and 3,000,000 shares of convertible preferred stock, no par value per share.

Common Stock

As of September 6, 2008 there were 1,557,630,468 shares of common stock outstanding which were held of record by 182,261 shareholders.

Each holder of a share of PepsiCo common stock is entitled to one vote for each share held of record on the applicable record date on all matters submitted to a vote of shareholders. Holders of PepsiCo common stock are entitled to receive dividends as may be declared from time to time by PepsiCo's Board of Directors out of funds legally available therefor. Holders of PepsiCo common stock are entitled to share pro rata, upon any liquidation or dissolution of PepsiCo, in all remaining assets available for distribution to shareholders after payment or providing for PepsiCo's liabilities and the liquidation preference of any outstanding PepsiCo convertible preferred stock. Holders of PepsiCo common stock do not have the right to subscribe for, purchase or receive new or additional capital stock or other securities.

Convertible Preferred Stock

As of September 6, 2008 there were 274,653 shares of convertible preferred stock outstanding, which were held of record by 2,183 shareholders. The convertible preferred stock was issued, in connection with our merger with the Quaker Oats Company, to Fidelity Trust Management Co., as trustee of the Quaker 401(k) plans for hourly and salaried employees, which subsequently merged into the PepsiCo 401(k) Plan for Salaried Employees and the PepsiCo 401(k) Plan for Hourly Employees. These shares are held in the ESOP portion of these plans, which we refer to as the PepsiCo ESOP. If the shares of convertible preferred stock are transferred to any person other than a successor trustee, the shares of convertible preferred stock will automatically convert into shares of common stock.

Ranking. The convertible preferred stock ranks ahead of our common stock with respect to the payment of dividends and the distribution of assets in the event of our liquidation or dissolution.

Dividends. Subject to the rights of the holders of any capital stock ranking senior to convertible preferred stock, holders of convertible preferred stock will receive cumulative cash dividends when, as and if declared by our Board of Directors. Dividends of \$5.46 per share per year accrue on a daily basis, payable quarterly in arrears on the fifteenth of January, April, July and October to holders of record at the start of business on that dividend payment date.

So long as any shares of convertible preferred stock are outstanding, no dividend may be declared or paid on any other series of stock of the same rank, unless all accrued dividends on the convertible preferred stock are paid. Generally, if full cumulative dividends on the convertible preferred stock have not been paid, we will not pay any dividends or make any other distributions on any other class of stock or series of our capital stock ranking junior to the convertible preferred stock until full cumulative dividends on the convertible preferred stock have been paid.

Table of Contents

Voting Rights. Holders of convertible preferred stock will be entitled to vote as one voting group with the holders of common stock on all matters submitted to a vote of the shareholders. The holder of each share of convertible preferred stock will be entitled to a number of votes equal to the number of shares of common stock into which each share of convertible preferred stock could be converted on the relevant record date, rounded to the nearest one-tenth of a vote. Whenever the conversion price is adjusted for dilution, the voting rights of the convertible preferred stock will be similarly adjusted.

Except as otherwise required by law, holders of the convertible preferred stock will not have any special voting rights and their consent will not be required, except to the extent that they are entitled to vote with the holders of the common stock, for the taking of any corporate action. The approval of at least two-thirds of the outstanding shares of the convertible preferred stock, voting separately as one voting group, will be required if an alteration, amendment or repeal of any provision of our Articles of Incorporation would adversely affect their powers, preferences or special rights.

Rights upon Liquidation, Dissolution or Winding Up. In the event of any voluntary or involuntary liquidation, dissolution or winding up of us, the holders of convertible preferred stock will be entitled to receive, before any distribution is made to the holders of common stock or any other series of stock ranking junior to the convertible preferred stock, a liquidation preference in the amount of \$78.00 per share, plus accrued and unpaid dividends. If the amounts payable with respect to convertible preferred stock and any other stock of the same rank are not paid in full, the holders of convertible preferred stock and any stock of equal rank will share pro rata in any distribution of assets. After payment of the full amount to which they are entitled, the holders of shares of convertible preferred stock will not be entitled to any further right or claim to any of our remaining assets.

Mandatory Redemption by PepsiCo. We must redeem the convertible preferred stock upon termination of the PepsiCo ESOP in accordance with the PepsiCo ESOP's terms. We will redeem all then outstanding shares of convertible preferred stock for a per share amount equal to the greater of \$78.00 plus accrued and unpaid dividends or the fair market value of the convertible preferred stock. We, at our option, may make payment in cash or in shares of our common stock or in a combination of shares and cash.

Optional Redemption by the Holders. Holders of the convertible preferred stock may elect to redeem their shares if we enter into any consolidation or merger or similar business combination in which we exchange our common stock for property other than employer securities or qualifying employer securities. Upon notice from us of the agreement and the material terms of the transaction, each holder of convertible preferred stock will have the right to elect, by written notice to us, to receive a cash payment upon consummation of the transaction equal to the greater of the fair market value of the shares of convertible preferred stock to be so redeemed or \$78.00 per share plus accrued and unpaid dividends. Additionally, holders of convertible preferred stock may redeem their shares under other limited circumstances more fully described in the Articles of Incorporation.

Conversion. On or prior to any date fixed for redemption, a holder of convertible preferred stock may elect to convert any or all of his or her shares into shares of common stock at a conversion ratio (which is subject to adjustment for a number of dilutive events) more fully described in the Articles of Incorporation.

Preemptive Rights. Holders of the convertible preferred stock do not have the right to subscribe for, purchase or receive new or additional capital stock or other securities.

Certain Provisions of PepsiCo's Articles of Incorporation and By-Laws; Director Indemnification Agreements

Advance Notice of Proposals and Nominations. Our By-Laws provide that shareholders must provide timely written notice to bring business before an annual meeting of shareholders or to nominate candidates for election as directors at an annual meeting of shareholders. Notice for an annual meeting is timely if it is received at our principal office not less than 90 days nor more than 120 days prior to the first anniversary of the preceding year's annual meeting. However, if the date of the annual meeting is advanced by more than 30 days or delayed more than 60 days from this anniversary date, such notice by the shareholder must be delivered not earlier than the 120th day prior to the annual meeting and not later than the close of business on the later of the 90th day prior to such annual meeting or the tenth day following the day on which public announcement of the date of such annual meeting was first made. The By-Laws also specify the form and content of a shareholder's notice. These provisions may prevent shareholders from bringing matters before an annual meeting of shareholders or from nominating candidates for election as directors at an annual meeting of shareholders.

Limits on Special Meetings. A special meeting of the shareholders may be called by our corporate secretary upon written request of the shareholders owning a majority of shares of our outstanding common stock entitled to vote at such meeting. Any such special meeting called at the request of our shareholders must be held at our principal office within 90 days from the receipt of such request by the corporate secretary. The By-Laws specify the form and content of a shareholder's request for a special meeting.

Indemnification of Directors, Officers and Employees. Our By-Laws provide that we shall indemnify, to the full extent permitted by law, any person who was or is, or who is threatened to be made, a party to an action, suit or proceeding (including appeals), whether civil, criminal, administrative, investigative or arbitrative, by reason of the fact that such person, such person's testator or intestate, is or was one of our directors, officers or employees, or is or was serving at our request as a director, officer or employee of another enterprise, against expenses (including attorneys' fees), judgments, fines and amounts paid in settlement actually and reasonably incurred by such person in connection with such action, suit or proceeding. Pursuant to our By-Laws this indemnification may, at the Board's discretion, also include advancement of expenses related to such action, suit or proceeding.

In addition, we have entered into indemnification agreements with each of our directors, pursuant to which we have agreed to indemnify and hold harmless, to the full extent permitted by law, each director against any and all liabilities and assessments (including attorneys' fees and other costs, expenses and obligations) arising out of or related to any threatened, pending or completed action, suit, proceeding, inquiry or investigation, whether civil, criminal, administrative, or other, including, but not limited to, judgments, fines, penalties and amounts paid in settlement (whether with or without court approval), and any interest, assessments, excise taxes or other charges paid or payable in connection with or in respect of any of the foregoing, incurred by the director and arising out of his status as a director or member of a committee of our Board, or by reason of anything done or not done by the director in such capacities. After receipt of an appropriate request by a director, we will also advance all expenses, costs and other obligations (including attorneys' fees) arising out of or related to such matters. We will not be liable for payment of any liability or expense incurred by a director on account of acts which, at the time taken, were known or believed by such director to be clearly in conflict with our best interests.

Certain Anti-Takeover Effects of North Carolina Law

The North Carolina Shareholder Protection Act generally requires the affirmative vote of 95% of a public corporation's voting shares to approve a business combination with any entity that a majority of continuing directors determines beneficially owns, directly or indirectly, more than 20% of the voting shares of the corporation (or ever owned, directly or indirectly, more than 20% and is still an affiliate of the corporation) unless the fair price provisions and the procedural provisions of the Act are satisfied.

Business combination is defined by the Act as (i) any merger, consolidation or conversion of a corporation with or into any other entity, or (ii) any sale or lease of all or any substantial part of the corporation's assets to any other entity, or (iii) any payment, sale or lease to the corporation or any subsidiary

Table of Contents

thereof in exchange for securities of the corporation of any assets having an aggregate fair market value equal to or greater than \$5,000,000 of any other entity.

The Act contains provisions that allowed a corporation to opt out of the applicability of the Act's voting provisions within specified time periods that generally have expired. The Act applies to PepsiCo since we did not opt out within these time periods.

This statute could discourage a third party from making a partial tender offer or otherwise attempting to obtain a substantial position in our equity securities or seeking to obtain control of us. It also might limit the price that certain investors might be willing to pay in the future for our shares of common stock and may have the effect of delaying or preventing a change of control of us.

DESCRIPTION OF DEBT SECURITIES

This prospectus describes certain general terms and provisions of the debt securities. The debt securities will be issued under an indenture between us and The Bank of New York Mellon, as trustee. When we offer to sell a particular series of debt securities, we will describe the specific terms for the securities in a supplement to this prospectus. The prospectus supplement will also indicate whether the general terms and provisions described in this prospectus apply to a particular series of debt securities.

We have summarized certain terms and provisions of the indenture. The summary is not complete. The indenture has been incorporated by reference as an exhibit to the registration statement for these securities that we have filed with the SEC. You should read the indenture for the provisions which may be important to you. The indenture is subject to and governed by the Trust Indenture Act of 1939, as amended.

The indenture does not limit the amount of debt securities which we may issue. We may issue debt securities up to an aggregate principal amount as we may authorize from time to time. The prospectus supplement will describe the terms of any debt securities being offered, including:

classification as senior or subordinated debt securities;

ranking of the specific series of debt securities relative to other outstanding indebtedness, including subsidiaries' debt;

if the debt securities are subordinated, the aggregate amount of outstanding indebtedness, as of a recent date, that is senior to the subordinated securities, and any limitation on the issuance of additional senior indebtedness;

the designation, aggregate principal amount and authorized denominations;

the maturity date;

the interest rate, if any, and the method for calculating the interest rate;

the interest payment dates and the record dates for the interest payments;

any mandatory or optional redemption terms or prepayment, conversion, sinking fund or exchangeability or convertibility provisions;

the place where we will pay principal and interest;

if other than denominations of \$1,000 or multiples of \$1,000, the denominations the debt securities will be issued in;

whether the debt securities will be issued in the form of global securities or certificates;

the inapplicability of and additional provisions, if any, relating to the defeasance of the debt securities;

the currency or currencies, if other than the currency of the United States, in which principal and interest will be paid;

any material United States federal income tax consequences;

Table of Contents

the dates on which premium, if any, will be paid;

our right, if any, to defer payment of interest and the maximum length of this deferral period;

any listing on a securities exchange;

the initial public offering price; and

other specific terms, including any additional events of default or covenants.

Senior Debt

Senior debt securities will rank equally and pari passu with all other unsecured and unsubordinated debt of PepsiCo.

Subordinated Debt

Subordinated debt securities will be subordinate and junior in right of payment, to the extent and in the manner set forth in the indenture, to all senior indebtedness of PepsiCo. The indenture defines senior indebtedness as obligations or indebtedness of, or guaranteed or assumed by, PepsiCo for borrowed money whether or not represented by bonds, debentures, notes or other similar instruments, and amendments, renewals, extensions, modifications and refundings of any such indebtedness or obligation. Senior indebtedness does not include nonrecourse obligations, the subordinated debt securities or any other obligations specifically designated as being subordinate in right of payment to senior indebtedness. See the indenture, section 13.03.

In general, the holders of all senior indebtedness are first entitled to receive payment of the full amount unpaid on senior indebtedness before the holders of any of the subordinated debt securities or coupons are entitled to receive a payment on account of the principal or interest on the indebtedness evidenced by the subordinated debt securities in certain events. These events include:

any insolvency or bankruptcy proceedings, or any receivership, liquidation, reorganization or other similar proceedings which concern PepsiCo or a substantial part of its property;

a default having occurred for the payment of principal, premium, if any, or interest on or other monetary amounts due and payable on any senior indebtedness or any other default having occurred concerning any senior indebtedness, which permits the holder or holders of any senior indebtedness to accelerate the maturity of any senior indebtedness with notice or lapse of time, or both. Such an event of default must have continued beyond the period of grace, if any, provided for such event of default, and such an event of default shall not have been cured or waived or shall not have ceased to exist; or

the principal of, and accrued interest on, any series of the subordinated debt securities having been declared due and payable upon an event of default pursuant to section 5.02 of the indenture. This declaration must not have been rescinded and annulled as provided in the indenture.

If this prospectus is being delivered in connection with a series of subordinated debt securities, the accompanying prospectus supplement or the information incorporated in this prospectus by reference will set forth the approximate amount of senior indebtedness outstanding as of the end of the most recent fiscal quarter.

Events of Default

When we use the term **Event of Default** in the indenture with respect to the debt securities of any series, here are some examples of what we mean:

- (1) default in paying interest on the debt securities when it becomes due and the default continues for a period of 30 days or more;
- (2) default in paying principal, or premium, if any, on the debt securities when due;

(3) default is made in the payment of any sinking or purchase fund or analogous obligation when the same becomes due, and such default continues for 30 days or more;

(4) default in the performance, or breach, of any covenant in the indenture (other than defaults specified in clause (1), (2) or (3) above) and the default or breach continues for a period of 90 days or more after we receive written notice from the trustee or we and the trustee receive notice from the holders of at least 51% in aggregate principal amount of the outstanding debt securities of the series;

(5) certain events of bankruptcy, insolvency, reorganization, administration or similar proceedings with respect to PepsiCo has occurred; or

(6) any other Events of Default set forth in the prospectus supplement.

If an Event of Default (other than an Event of Default specified in clause (5) with respect to PepsiCo) under the indenture occurs with respect to the debt securities of any series and is continuing, then the trustee or the holders of at least 51% in principal amount of the outstanding debt securities of that series may by written notice require us to repay immediately the entire principal amount of the outstanding debt securities of that series (or such lesser amount as may be provided in the terms of the securities), together with all accrued and unpaid interest and premium, if any.

If an Event of Default under the indenture specified in clause (5) with respect to PepsiCo occurs and is continuing, then the entire principal amount of the outstanding debt securities (or such lesser amount as may be provided in the terms of the securities) will automatically become due and payable immediately without any declaration or other act on the part of the trustee or any holder.

After a declaration of acceleration, the holders of a majority in principal amount of outstanding debt securities of any series may rescind this accelerated payment requirement if all existing Events of Default, except for nonpayment of the principal and interest on the debt securities of that series that has become due solely as a result of the accelerated payment requirement, have been cured or waived and if the rescission of acceleration would not conflict with any judgment or decree. The holders of a majority in principal amount of the outstanding debt securities of any series also have the right to waive past defaults, except a default in paying principal or interest on any outstanding debt security, or in respect of a covenant or a provision that cannot be modified or amended without the consent of all holders of the debt securities of that series.

Holders of at least 51% in principal amount of the outstanding debt securities of a series may seek to institute a proceeding only after they have notified the Trustee of a continuing Event of Default in writing and made a written request, and offered reasonable indemnity, to the trustee to institute a proceeding and the trustee has failed to do so within 60 days after it received this notice. In addition, within this 60-day period the trustee must not have received directions inconsistent with this written request by holders of a majority in principal amount of the outstanding debt securities of that series. These limitations do not apply, however, to a suit instituted by a holder of a debt security for the enforcement of the payment of principal, interest or any premium on or after the due dates for such payment.

During the existence of an Event of Default, the trustee is required to exercise the rights and powers vested in it under the indenture and use the same degree of care and skill in its exercise as a prudent man would under the circumstances in the conduct of that person's own affairs. If an Event of Default has occurred and is continuing, the trustee is not under any obligation to exercise any of its rights or powers at the request or direction of any of the holders unless the holders have offered to the trustee reasonable security or indemnity. Subject to certain provisions, the holders of a majority in principal amount of the outstanding debt securities of any series have the right to direct the time, method and place of conducting any proceeding for any remedy available to the trustee, or exercising any trust, or power conferred on the trustee.

The trustee will, within 90 days after any default occurs, give notice of the default to the holders of the debt securities of that series, unless the default was already cured or waived. Unless there is a default in paying principal, interest or any premium when due, the trustee can withhold giving notice to the holders if it determines in good faith that the withholding of notice is in the interest of the holders.

Other amendments and modifications of the indenture or the debt securities issued may be made with the consent of the holders of not less than a majority of the aggregate principal amount of the outstanding debt securities of each series affected by the amendment or modification. However, no modification or amendment may, without the consent of the holder of each outstanding debt security affected:
