- On the first business day of each month, salary deferred to the Reporting Person's account during the previous month, plus any matching (2) amounts, is converted into Units (each of which is the economic equivalent of one share of BCO common stock) and credited to the Reporting Person's account in accordance with the terms of the Program.
- (3) The number of Units credited to the Reporting Person's account on the Transaction Date is based upon a share price of \$27.43, which is the average trading price of BCO common stock for the month of July 2014, calculated in accordance with the terms of the Program.
